THENCE, along said curve to the right for an arc distance of 110.96 feet (Chord Bearing North 65°10'13" West- 110.87 feet), to a ½ inch iron rod set with Yellow Cap;

THENCE, North 39°00'21" East, for a distance of 67.60 feet, to a ½ inch iron rod set with Yellow Cap at the point of curvature of a curve to the left, having a radius of 455.00 feet, a central angle of 39°23'57", and a tangent of 162.91 feet;

THENCE, along said curve to the left for an arc distance of 312.88 feet (Chord Bearing North 19°18'22" East - 306.75 feet), to a ½ inch iron rod set with Yellow Cap at the point of tangency;

THENCE, North 00°23'36" West, for a distance of 282.56 feet passing the northwest corner at 266.96 feet of said Block A, Lot 1, to a ½ inch iron rod set with Yellow Cap, said point being the beginning of a curve to the right having a central angle of 24°00'43", a radius of 220.00 feet and a chord bearing of North 11°36'46" East and a chord distance of 91.53 feet;

THENCE, along said curve to the right an arc length of 92.20 feet to a point for corner;

THENCE, North 23°37'06" East, a distance of 130.36 feet to a point for corner, said point being the beginning of a curve to the left having a central angle of 24°26'55", a radius of 280.00 feet, a chord bearing of North 11°23'40" East and a chord distance of 118.57 feet;

THENCE, along said curve to the left an arc length of 119.48 feet to a point for corner;

THENCE, North 00°49'47" West, a distance of 106.39 feet to a point for corner;

THENCE, North 89° 09'25" East, a distance of 478.00 feet to a point for corner;

THENCE, South 00°35'35" East, along the west line of said Rockwall Middle School No. 4 Addition, for a distance of 1270.03 feet, to the POINT OF BEGINNING and containing 17.292 acres of land.

STATE OF TEXAS COUNTY OF ROCKWALL

Before me, the undersigned authority, on this day personally appeared _____ and _____ known to me to be the persons whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

_____

NOTARY PUBLIC IN AND FOR THE STATE OF TEXAS

Given upon my hand and seal of office this _____day of _____ , 20__

GENERAL NOTES

General Notes:

1) It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.

SURVEYOR'S CERTIFICATE

NOW, THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT I, Jeremy Luke Deal, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly placed under my personal supervision.

_____

Jeremy Luke Deal, Registered Public Surveyor No. 5696

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS §

COUNTY OF ROCKWALL §

We the undersigned owner of the land shown on this plat, and designated herein as the REPLAT, BLOCK A,LOT 2, RISD ELEMENTARY ADDITION, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the [SUBDIVISION NAME] subdivision have been notified and signed this plat. I (we) understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I (we) further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

OWNER'S CERTIFICATE

WHEREAS Rockwall Independent School District is the owner of a 17.292 acre tract of land situated in the W.T. DeWeese Survey, Abstract No. 71 in the City of Rockwall, Rockwall County, Texas, and being all of a Lot 1, Block A, RISD Elementary School Addition to the City of Rockwall as recorded in Document No. 20130000497134, official Public Records, Rockwall County, Texas, and being all of a 5.288 acre tract of land conveyed to Rockwall Independent School District according to the deed recorded in Document No. 20180000022380, Deed Records, Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a ½ inch iron rod found at the southwest corner of a Rockwall Middle School No. 4 Addition, an addition to the City of Rockwall, as described in Cabinet F, Page 67, in the Plat Records of Rockwall County, Texas;

THENCE, South 00° 35'35" East, for a distance of 130.00 feet, to a ½ inch iron rod set with Yellow Cap;

THENCE South 89°25'13" West, for a distance of 77.24 feet, to a ½ inch iron rod set with Yellow Cap at the point of curvature of a curve to the left, having a radius of 285.00 feet, a central angle of 29°28'01", and a tangent of 74.95 feet;

THENCE, continuing along said curve to the left for an arc distance of 146.57 feet (Chord Bearing South 74°41'12" West - 144.96 feet), to a ½ inch iron rod set with Yellow Cap at the point of tangency;

THENCE, South 59°57'12" West, for a distance of 30.14 feet, to a ½ inch iron rod set with Yellow Cap;

THENCE, North 30°02'48" West, for a distance of 41.62 feet, to a ½ inch iron rod set with Yellow Cap at the point of curvature of a curve to the left, having a radius of 710.00 feet, a central angle of 39°08'51", and a tangent of 252.45 feet;

THENCE, along said curve to the left for an arc distance of 485.11 feet (Chord Bearing North 49°37'14" West - 475.73 feet), to a ½ inch iron rod set with Yellow Cap at the point of reverse curvature of a curve to the right, having a radius of 790.00 feet, a central angle of 08°02'52", and a tangent of 55.57 feet;

THENCE, along said curve to the right for an arc distance of 110.96 feet (Chord Bearing North 65°10'13" West- 110.87 feet), to a ½ inch iron rod set with Yellow Cap;

THENCE, North 39°00'21" East, for a distance of 67.60 feet, to a ½ inch iron rod set with Yellow Cap at the point of curvature of a curve to the left, having a radius of 455.00 feet, a central angle of 39°23'57", and a tangent of 162.91 feet;

THENCE, along said curve to the left for an arc distance of 312.88 feet (Chord Bearing North 19°18'22" East - 306.75 feet), to a ½ inch iron rod set with Yellow Cap at the point of tangency;

THENCE, North 00°23'36" West, for a distance of 282.56 feet passing the northwest corner at 266.96 feet of said Block A, Lot 1, to a ½ inch iron rod set with Yellow Cap, said point being the beginning of a curve to the right having a central angle of 24°00'43", a radius of 220.00 feet and a chord bearing of North 11°36'46" East and a chord distance of 91.53 feet;

THENCE, along said curve to the right an arc length of 92.20 feet to a point for corner;

THENCE, North 23°37'06" East, a distance of 130.36 feet to a point for corner, said point being the beginning of a curve to the left having a central angle of 24°26'55", a radius of 280.00 feet, a chord bearing of North 11°23'40" East and a chord distance of 118.57 feet;

THENCE, along said curve to the left an arc length of 119.48 feet to a point for corner;

THENCE, North 00°49'47" West, a distance of 106.39 feet to a point for corner;

THENCE, North 89° 09'25" East, a distance of 478.00 feet to a point for corner;

THENCE, South 00°35'35" East, along the west line of said Rockwall Middle School No. 4 Addition, for a distance of 1270.03 feet, to the POINT OF BEGINNING and containing 17.292 acres of land.

STATE OF TEXAS COUNTY OF ROCKWALL

Before me, the undersigned authority, on this day personally appeared _____ and _____ known to me to be the persons whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

_____
NOTARY PUBLIC IN AND FOR THE STATE OF TEXAS

Given upon my hand and seal of office this _____day of _____ , 20__

GENERAL NOTES

General Notes:

1) It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.

SURVEYOR'S CERTIFICATE

NOW, THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT I, Jeremy Luke Deal, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly placed under my personal supervision.

_____
Jeremy Luke Deal, Registered Public Surveyor No. 5696

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS §

COUNTY OF ROCKWALL §

We the undersigned owner of the land shown on this plat, and designated herein as the REPLAT, BLOCK A,LOT 2, RISD ELEMENTARY ADDITION, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the [SUBDIVISION NAME] subdivision have been notified and signed this plat. I (we) understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I (we) further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

PLANNING AND ZONING COMMISSION CASE MEMO

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | May 28, 2019 |
| **APPLICANT:** | Cameron Slown; *FC Cuny Corporation* |
| **CASE NUMBER:** | P2019-021; *Lots 1, 2, & 3, Block A, Town Place Marriott Addition* |

## SUMMARY

Consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Greencrest TPS Hotel, LP for the approval of a final plat of Lots 1-3, Block A, Town Place Marriott Addition being an 8.715-acre tract of land identified as a portion of Lot 1, Block B, Goldencrest Addition and Tract 4 of the J. D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, situated north of the intersection of Greencrest Boulevard and the IH-30 Frontage Road, and take any action necessary.

## PLAT INFORMATION

☑ The applicant is requesting to final plat an 8.715-acre tract of land (*i.e. a portion of Lot 1, Block B, Goldencrest Addition and Tract 4 of the J. D. McFarland Survey, Abstract No. 145*) into three (3) lots (*i.e. Lots 1, 2, & 3, Block A, Town Place Marriott Addition*) for the purpose of establishing the necessary firelane, drainage, detention, and utility easements necessary to develop the subject property.

☑ On February 6, 2017, the City Council approved *Case No. Z2016-045* for a Specific Use Permit (SUP) [*Ordinance No. 17-07; SUP No. S-161*] for a residence hotel on Lot 2. On February 19, 2017, the City Council approved *Case No. MIS2018-004* for a one (1) year extension of the Specific Use Permit (SUP) [*Ordinance No. 17-07; SUP No. S-161*].

☑ On September 4, 2018, the City Council approved a treescape plan [*Case No. MIS2018-018*] on Lot 3 for the purpose of removing trees to facilitate future development on this site.

☑ On October 9, 2018, the Planning and Zoning Commission approved a site plan [*Case No. SP2019-029*] and recommended approval of variances associated with residence hotel on Lot 2. Subsequently, on November 11, 2019, the City Council approved the requested variances.

☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for final plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.

☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the final plan for *Lots 1, 2, & 3, Block A, Town Place Marriott Addition*, staff would propose the following conditions of approval:

(1) The Final Plat shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;

(2) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

P2019-021 Lots 1, 2, & 3, Block A, Town Place Marriott Addition

Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Greencrest TPS Hotel, LP for the approval of a final plat of Lots 1-3, Block A, Town Place Marriott Addition being an 8.715-acre tract of land identified as a portion of Lot 1, Block B, Goldencrest Addition and Tract 4 of the J. D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, situated north of the intersection of Greencrest Boulevard and the IH-30 Frontage Road.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (P2019-021) in the lower right hand corner of all pages on future submittals.

M.4 Please review our standard title block below and revise accordingly.

Type of Plat [Master, Preliminary, Final or Replat]

Subdivision Name (Proposed or Approved)

Lot / Block Designation

Number of Lots (Proposed)

Total Acreage/SF

City, State, County

M.5 Please tie two corner to State Plane Coordinates.

M.6 Please add general note "It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54."

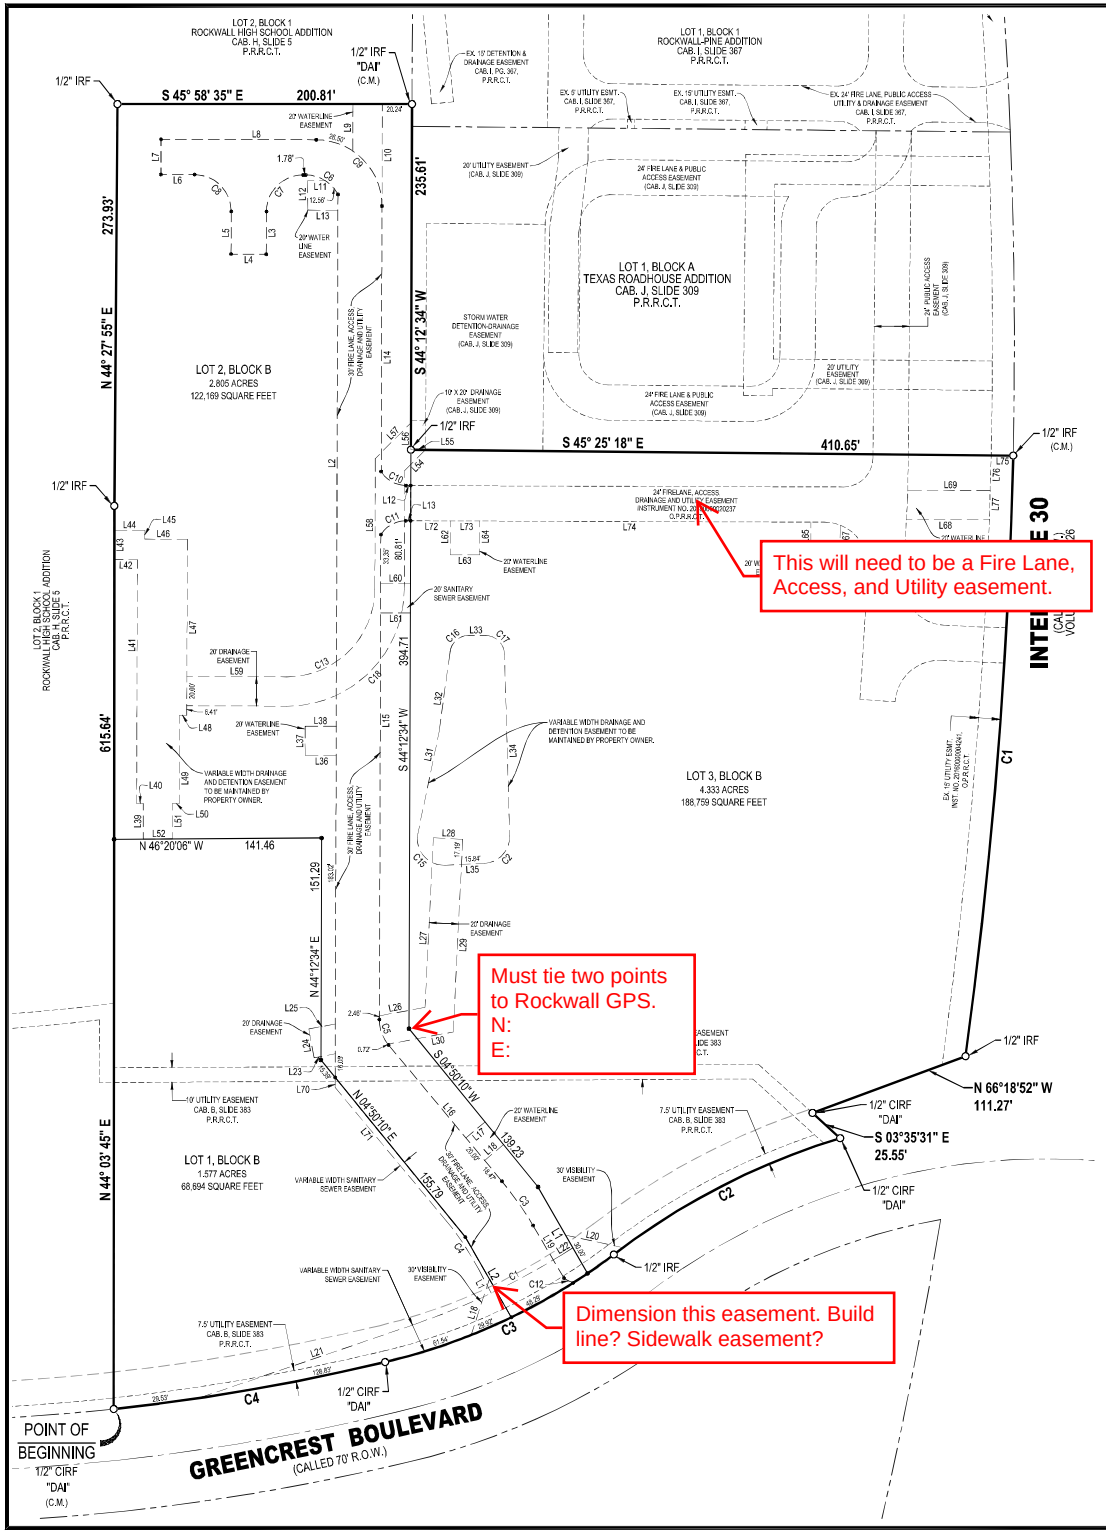
M.7 Please label adjacent properties withRCAD info.

M.8 Please greyscale anything offsite that is existing/not affected by this plat.

M.9 Please label all property lines and centerline of Greecrest Blvd.

M.10 Please use heavier line weight for lot lines. It is difficult to see the individual lots.

M.11 Please use a variation of linetypes. The dashlines all seem to look alike (especially where easements overlap) and may be more difficult to differentiate once the plat is digitized.



M.12 Please use heavier line weight for visibility triangles.

M.13 Please swap location of Owner's Certificate and Owner's Dedication.

M.14 The print on the tables is very small and may become more difficult to read once digitized. Can the font size be increased?

I.15 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 4. The Planning and Zoning Meeting for this case is May 28, 2019.

I.16 The projected City Council meeting date and subsequent approval for this plat is June 3, 2019.

GENERAL NOTES:

(1) BEARINGS ARE REFERENCED TO GRID NORTH OF THE TEXAS COORDINATE SYSTEM OF 1983 (NORTH CENTRAL ZONE 4202; NAD83(2011) EPOCH 2010) AS DERIVED LOCALLY FROM WESTERN DATA SYSTEMS CONTINUOUSLY OPERATING REFERENCE STATIONS (CORS) VIA REAL TIME KINEMATIC (RTK) SURVEY METHODS. ALL DISTANCES SHOWN ARE SURFACE DISTANCES USING A COMBINED SCALE FACTOR OF 1.000146135.

(2) BY GRAPHIC SCALE ONLY AND PER THE NATIONAL FLOOD INSURANCE PROGRAM FLOOD INSURANCE RATE MAP FOR ROCKWALL COUNTY, TEXAS AND INCORPORATED AREAS, MAP NO. 48397C0040L, EFFECTIVE DATE: SEPTEMBER 26, 2008, THE SUBJECT PROPERTY IS SHOWN TO BE LOCATED IN ZONE "X". THE LOCATION OF THE SAID FLOOD ZONES IS BASED ON SAID MAP AND IS APPROXIMATE AND IS NOT LOCATED ON THE GROUND. THIS STATEMENT SHALL NOT CREATE LIABILITY ON THE PART OF THE SURVEYOR. RELEVANT ZONES ARE DEFINED AS FOLLOWS

(3) THE SURVEYOR, AS REQUIRED BY STATE LAW, IS RESPONSIBLE FOR SURVEYING INFORMATION ONLY AND BEARS NO RESPONSIBILITY FOR THE ACCURACY OF THE ENGINEERING DATA ON THIS PLAT.

(4) THE SURVEYOR HAS MADE NO INVESTIGATION OR INDEPENDENT SEARCH FOR EASEMENTS, ENCUMBRANCES, OR ANY OTHER FACTS THAT AN ACCURATE AND CURRENT TITLE SEARCH MAY DISCLOSE.

(5) ALL CORNERS ARE A 5/8" IRON ROD WITH CAP STAMPED "TNP" UNLESS OTHERWISE SHOWN.

## GENERAL NOTES:

(1) BEARINGS ARE REFERENCED TO GRID NORTH OF THE TEXAS COORDINATE SYSTEM OF 1983 (NORTH CENTRAL ZONE 4202; NAD83(2011) EPOCH 2010) AS DERIVED LOCALLY FROM WESTERN DATA SYSTEMS CONTINUOUSLY OPERATING REFERENCE STATIONS (CORS) VIA REAL TIME KINEMATIC (RTK) SURVEY METHODS. ALL DISTANCES SHOWN ARE SURFACE DISTANCES USING A COMBINED SCALE FACTOR OF 1.000146135.

(2) BY GRAPHIC SCALE ONLY AND PER THE NATIONAL FLOOD INSURANCE PROGRAM FLOOD INSURANCE RATE MAP FOR ROCKWALL COUNTY, TEXAS AND INCORPORATED AREAS, MAP NO. 48397C0040L, EFFECTIVE DATE: SEPTEMBER 26, 2008, THE SUBJECT PROPERTY IS SHOWN TO BE LOCATED IN ZONE "X". THE LOCATION OF THE SAID FLOOD ZONES IS BASED ON SAID MAP AND IS APPROXIMATE AND IS NOT LOCATED ON THE GROUND. THIS STATEMENT SHALL NOT CREATE LIABILITY ON THE PART OF THE SURVEYOR. RELEVANT ZONES ARE DEFINED AS FOLLOWS

(3) THE SURVEYOR, AS REQUIRED BY STATE LAW, IS RESPONSIBLE FOR SURVEYING INFORMATION ONLY AND BEARS NO RESPONSIBILITY FOR THE ACCURACY OF THE ENGINEERING DATA ON THIS PLAT.

(4) THE SURVEYOR HAS MADE NO INVESTIGATION OR INDEPENDENT SEARCH FOR EASEMENTS, ENCUMBRANCES, OR ANY OTHER FACTS THAT AN ACCURATE AND CURRENT TITLE SEARCH MAY DISCLOSE.

(5) ALL CORNERS ARE A 5/8" IRON ROD WITH CAP STAMPED "TNP" UNLESS OTHERWISE SHOWN.

## OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

I the undersigned owner of the land shown on this plat, and designated herein as TOWN PLACE MARRIOTT ADDITION to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. Drainage/Detention Easements/Facilities shall be owned, operated, maintained and repaired by property owner.

7. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Addition upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

PLANNING AND ZONING COMMISSION CASE MEMO

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | May 28, 2019 |
| **APPLICANT:** | Cameron Slown; *F.C. Cuny Corporation* |
| **CASE NUMBER:** | P2019-022; *Lot 5, Block A, Harbor Village Addition* |

## SUMMARY

Consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Phillip McNeill of MHC Rockwall, LLC and Jason Lentz of Atticus of Atticus Summer Lee Townhomes for the approval of a replat for Lot 5, Block A, Harbor Village Addition, being a 2.12-acre tract of land currently identified as Lot 3, Block A, Harbor Village Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located on the south side of Summer Lee Drive southwest of the intersection of Horizon Road [*FM-3097*] and Summer Lee Drive, and take any action necessary.

## PLAT INFORMATION

- ☑ The applicant is requesting the approval of a replat for a 2.12-acre parcel of land [i.e. *Lot 3, Block A, Harbor Village Addition*] for purpose of establishing the necessary easements (*i.e. fire lane, public access, drainage and utility easements*) in order to develop the lot. The new parcel of land [*i.e. Lot 5, Block A, Harbor Village Addition*] will allow for the construction of a four (4) story, ~45,900 SF hotel containing 98 traditional hotel rooms [*i.e. TRU Hilton*]. The *subject property* is located within the *Interior, Horizon/Summer Lee* and *Residential Subdistricts* of Planned Development District 32 (PD-32).

- ☑ On March 5, 2018, the City Council approved *Ordinance No. 18-16* [*Case No. Z2018-001*] granting a *PD Development Plan* for a hotel on the 2.12-acre subject property. This ordinance also granted the hotel the ability to extend the height of the structure above 36-feet, which is the maximum height permitted in the Scenic Overlay (SOV) District without a Specific Use Permit (SUP).

- ☑ On September 11, 2018, the Planning and Zoning Commission approved the site plan, and recommended approval of the variances, waivers, and exceptions associated with the construction of the hotel to the City Council. On September 17, 2018, the City Council approved the associated variances, waivers, and exceptions requested by the applicant.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for replats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.

- ☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the replat for *Lot 5, Block A, Harbor Village Addition,* staff would propose the following conditions of approval:

(1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

(2) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

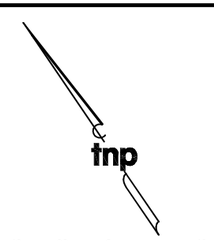
Consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Phillip McNeill of MHC Rockwall, LLC and Jason Lentz of Atticus of Atticus Summer Lee Townhomes for the approval of a replat for Lot5, Block A, Harbor Village Addition, being a 2.12-acre tract of land currently identified as Lot 3, Block A, Harbor Village Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located on the south side of Summer Lee Drive southwest of the intersection of Horizon Road [FM-3097] and Summer Lee Drive, and take any action necessary.

** Planning Department General Comments to be addressed:

The following staff comments are to be addressed and resubmitted no later than Tuesday June 4, 2019. Please provide one (1) large copy [24" X 36" FOLDED] and one PDF version for a final review by staff:

** Planning Department General Comments to be addressed:

1. The final plat shall conform to all standards and requirements of the Unified Development Code(UDC), Planned Development District 32 (Pd-32), the staff comments provided by the Planning, Engineering, Building Inspections, and Fire Department as indicated in the Project Plan Review document.
2. Provide a label indicating "Case No. P2019-022" on the lower right corner on all pages of the revised final plat.
3. Correct Title Block to read as follows:
Final Plat
Lot 5, Block A, Harbor Village Addition
92,367 Square Feet or 2.120-Acres
Being a Replat of Lot 3, Block A Harbor Village Addition
Situated in the Edward Teal Survey, Abstract No. 207
An Addition to the City of Rockwall, Rockwall County, Texas
As recorded in instrument number...Official Public Records Rockwall County, Texas
4. Provide a hatch for all area's to be abandoned.
5. Tie at least two (2 corners to city monumentation.
6. Provide a darker gray scale for all items in light gray.
7. Provide a vicinity map on page one (1).
8. Correct thelot number on the plat to indicate "Lot 5, Block A" and remove lot 3.
9. Additionally, include the subdivision name (i.e. Harbor Village Additon) on plat above Lot 5, Block A for identification purposes.



** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions are to be approved (by staff) prior to the plat being submitted on mylar for filing. **

** Although on this case is on the Consent Agenda, staff would recommend that you and/or your representative(s) are in attendance for this request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Consent Agenda: May 28, 2019 (Tuesday at 6:00 p.m.)

City Council - Consent Agenda: June 3, 2019 (Monday at 6:00 p.m.)

## OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

I the undersigned owner of the land shown on this plat, and designated herein as HARBOR VILLAGE ADDITION to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. Drainage/Detention Easements/Facilities shall be owned, operated, maintained and repaired by property owner.

7. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Addition upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

## OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

I the undersigned owner of the land shown on this plat, and designated herein as HARBOR VILLAGE ADDITION to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. Drainage/Detention Easements/Facilities shall be owned, operated, maintained and repaired by property owner.

7. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Addition upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

## OWNERS CERTIFICATE

STATE OF TEXAS}
COUNTY OF ROCKWALL}

WHEREAS, MHC Rockwall, LLC., is the owner of a tract of land out of the Edward Teal Survey, Abstract No. 207, in the City of Rockwall, Rockwall County, Texas, Being all of Lot 3 Block A of Harbor Village Addition, an addition to The City of Rockwall, as recorded in Instrument Number 20190000005278 of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 5/8 inch iron rod with cap stamped "REALSEARCH" found for the west corner of said Lot 3, lying at the intersection of the southeast right-of-way line of Summer Lee Drive (a variable width right-of-way) and the northeast right-of-way line of Glen Hill Way (a 50' right-of-way);

THENCE North 43 degrees 50 minutes 20 seconds East along the southeast right-of-way line of said Summer Lee Drive, a distance of 22.06 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

THENCE South 45 degrees 14 minutes 00 seconds East continuing along the southeast right-of-way line of said Summer Lee Drive, a distance of 47.43 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

THENCE North 43 degrees 53 minutes 55 seconds East continuing along the southeast right-of-way line of said Summer Lee Drive, a distance of 119.92 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for the north corner of said Lot 3 and the west corner of Lot 2, Block A Song Addition, an addition to The City of Rockwall as recorded in Cabinet H, Page 173 of the Plat records of Rockwall County, Texas;

THENCE South 45 degrees 18 minutes 31 seconds East departing the southeast right-of-way line of said Summer Lee Drive along the northeast line of said Lot 3, a distance of 588.16 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for east corner of same and the northeast corner of Lot 4, Block A of said Harbor Village Addition;

THENCE along the common line of said Lot 3 and said Lot 4 the following courses and distances;

South 44 degrees 38 minutes 39 seconds West, a distance of 119.84 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

North 45 degrees 18 minutes 32 seconds West, a distance of 87.52 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

North 75 degrees 18 minutes 32 seconds West, a distance of 60.39 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

North 45 degrees 18 minutes 32 seconds West, a distance of 141.01 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

South 89 degrees 41 minutes 39 seconds West, a distance of 105.19 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for the southwest corner of said Lot 3 lying on the northeast right-of-way line of the aforementioned Glen Hill Way at the beginning of a curve to the left;

THENCE with said curve to the left along the northeast right-of-way line of the said Glen Hill Way having a radius of 339.00 feet, a central angle of 40 degrees 47 minutes 45 seconds, an arc length of 241.37 feet, a chord bearing of North 24 degrees 52 minutes 44 seconds West, a distance of 236.31 feet to a 5/8 inch iron rod with cap stamped "REALSEARCH" found for corner;

THENCE North 45 degrees 16 minutes 37 seconds West continuing along the northeast right-of-way line of the said Glen Hill Way, a distance of 57.05 feet to the POINT OF BEGINNING containing 92,367 square Feet, or 2.120 acres of land.

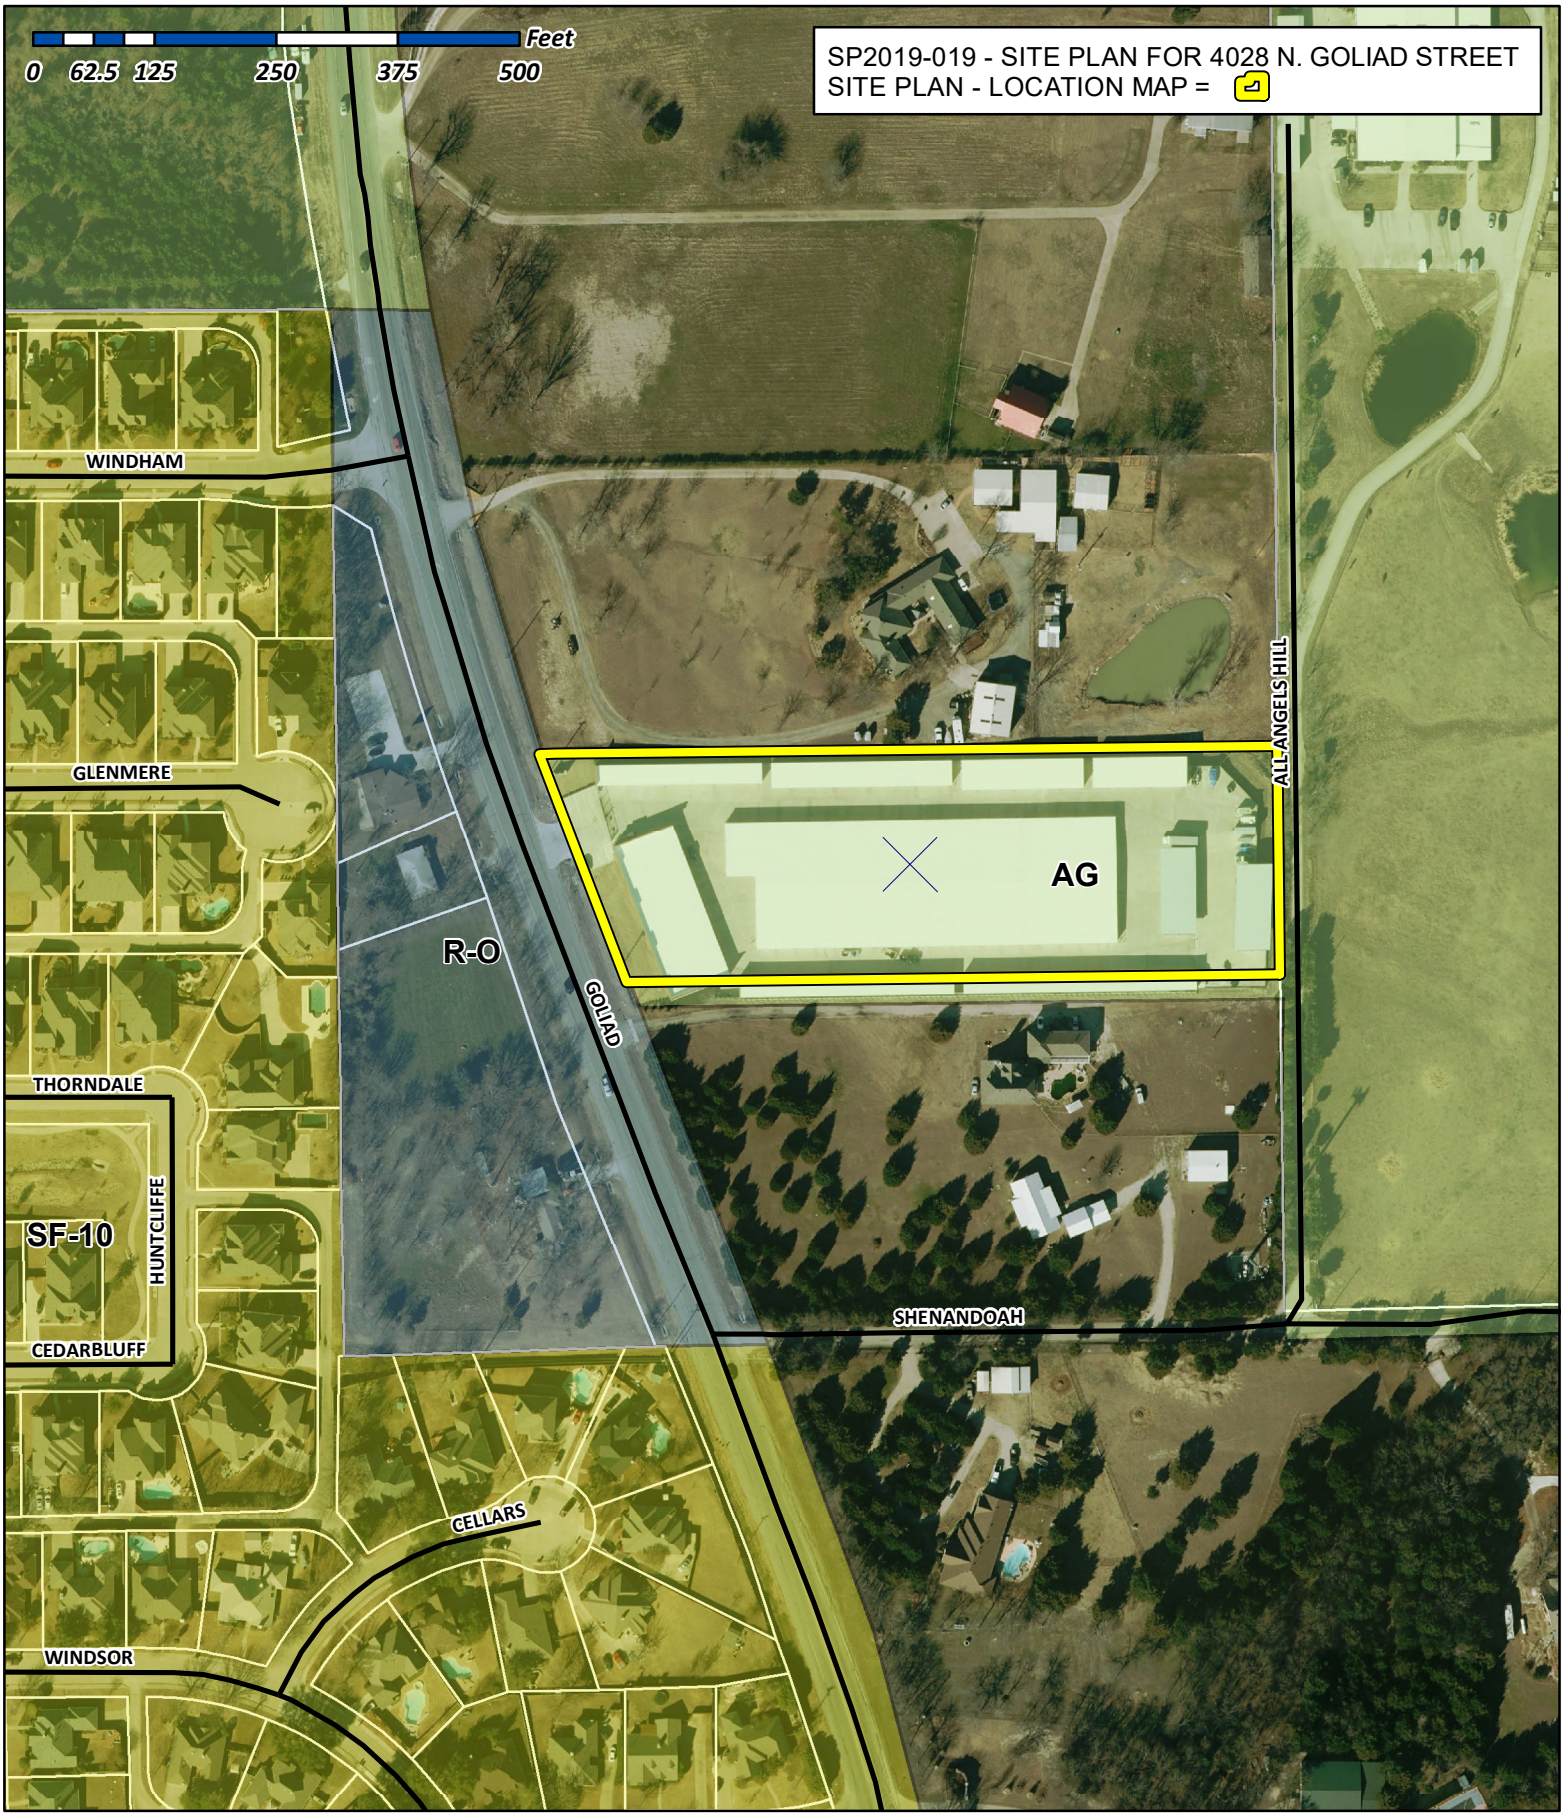
PLANNING AND ZONING COMMISSION MEMORANDUM



**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | Korey Brooks, *Senior Planner* |
| **CC:** | Ryan Miller, Director of Planning and Zoning |
| **DATE:** | May 28, 2019 |
| **SUBJECT:** | SP2019-019; *Photometric Plan for Public Storage* |

The applicant, Jerry Crouse of PS LPT Properties Investors on behalf of Public Storage, is requesting approval of an amended site plan for an existing mini-warehouse facility. On December 9, 2013, the City entered into a 212 Development Agreement [*Case No. A2013-002*] with the then owner of the subject property Ronald C. Valk. On March 19, 2018, the City Council annexed the subject property by *Ordinance No. 18-17.* At the time of annexation, the subject property became subject to the requirements of the City's Municipal Code of Ordinances and the Unified Development Code (UDC).

In March 2019, staff was made aware that some of the exterior lighting on the storage facility had been changed without the approval of a photometric plan. In response to this violation, Neighborhood Improvement Services contacted the owner of the property to inform them about the violation. Based on staff's examination of the site, the new light fixtures did not meet the requirements of the UDC. Specifically, the light fixtures were not fully shielded and directed downward causing ambient light to be shed onto the adjacent residential properties. Upon being contacted by the Neighborhood Improvement Services Department, the property owner submitted a photometric plan and lighting cutsheets proposing new light fixtures be installed that meet the requirements of the UDC. The submitted photometric plan shows that the new maximum light intensity at the property line will not exceed 0.2 FC (*i.e. the maximum allowable light intensity stipulated by the UDC*). In addition, the submitted plan does meet all of the requirements of the Unified Development Code (UDC). Since the mini-warehouse facility was constructed prior to being annexed, the City does not have a site plan for this facility and felt it necessary to bring this to the Planning and Zoning Commission for review and approval.

Should the Planning and Zoning Commission have any questions concerning this case, staff and the applicant will be available at the ***May 28, 2019*** Planning and Zoning Commission meeting.

## SPECIFICATIONS

**Intended Use:**
The compact LED LNC is designed for entry/perimeter illumination for safety, security and identity. Typical mounting height is up to 12 feet with 40ft fixture spacing (without acrylic diffuser) and 30ft spacing with acrylic diffuser installed. Photocontrol option is available to provide dusk-to-dawn control for additional energy savings.

**Construction:**
Decorative die-cast aluminum housing and door. Rugged design protects internal components and provides excellent thermal management for long life – 60,000 hours minimum LED life at L96 rating per IESNA TM-21-11. Powder paint finishes provide lasting appearance in outdoor environments.

**Optics/Electrical**
**LED:**
Drivers are 120-277V, 50/60Hz Type II, III and Type IV lenses provide wide lateral spread.
0-10V dimming 120-277V only.

- LNC5L – 5 LEDs, Types II, III or IV available, see page 2 for electrical details
- LNC7L – 7 LEDs, Type II, III or IV available, see page 2 for electrical details
- LNC9L – 9 LEDs, Types II, III or IV available, see page 2 for electrical details
- 3000K - 80 CRI, 4000K - 70 CRI, and 5000K - 70 CRI, CCT nominal
- Minimum operating temperature is -40°C/-40°F
- Drivers have greater than .90 power factor and less than 20% Total Harmonic Distortion

**Lenses:**
Full cut-off distribution; Ambient diffuser included, use for applications near enterances or locations where reduced brightness is desired.

**Installation:**
Quick mount adapter provides quick installation, designed for recessed box 4" square junction box.

**Listings:**
Listed and labeled to UL 1598 for wet locations, 25° C ambient environments. DesignLights Consortium® (DLC) qualified. Please refer to the DLC website for specific product qualifications at: http://www.designlights.org/

- IES Progress Award Winner - 2012

**Warranty:**
Five year limited warranty. For more information visit: http://www.hubbelloutdoor.com/resources/warranty/

PLANNING AND ZONING COMMISSION MEMORANDUM

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | Ryan Miller, *Director of Planning and Zoning* |
| **DATE:** | May 28, 2019 |
| **SUBJECT:** | SP2017-019; *Best Western Executive Residency Hotel* |

The subject property is a 1.74-acre parcel of land located at 700 E. IH-30. The property is zoned Commercial (C) District and is located within the Scenic Overlay (SOV) District. On March 6, 2017, the City Council approved a Specific Use Permit (SUP) [*Ordinance No. 17-12; S-163; Case No. Z2016-033*] allowing a hotel exceeding 36-feet in height on the subject property within the Scenic Overlay (SOV) District. With this approval the applicant was permitted to build a four (4) story, 80-room hotel that incorporated 33 residence suites. A site plan for a four (4) story, 72-room hotel was approved on July 25, 2019 by the Planning and Zoning Commission. Between these two (2) actions, the City Council approved *Ordinance No. 17-17*, which established an expiration clause for all future and existing SUP's. This ordinance states, "(a) Specific Use Permit (SUP) shall automatically expire due to inactivity if: … (b) A building permit or Certificate of Occupancy (CO) expires, is terminated or revoked under the requirements of the Codes of the City of Rockwall." On May 9, 2019, the building permit and SUP expired in accordance to *Ordinance No. 17-17* and the International Building Code due to inactivity. A complete timeline has been provided to the Planning and Zoning Commission in *Exhibit 'A'* attached to this memorandum.

Upon expiration of the SUP, the applicant (*i.e. Himmat Chauhan of JAGH Hospitality*) contacted staff to discuss options for renewing the SUP and to extend the site plan. Currently, the site plan is considered to be active and is not set to expire until July 25, 2019. Based on this conversation the applicant indicated to staff an intent to resubmit the SUP -- *consenting to the operational constraints in the previously approved ordinance* -- in six (6) months, and has sent a request to extend the site plan (*see Exhibit 'B'*). According to Section 2.5(C), *Extension of Site Plan*, of Article XI, *Zoning Related Applications*, of the Unified Development Code (UDC), "(e)xtension of an approved site plan may be granted by the Planning and Zoning Commission and City Council upon submission of a request for such extension … The Planning and Zoning Commission … shall take into consideration any changes that have occurred in this [Unified Development Code] subsequent to original approval of the plan and the property owner may be required to bring such plan into compliance with the current requirements." In addition, this section allows the Planning and Zoning Commission to approve an extension of up to three (3) years. In this case, no material changes have been made to the property or the codes that regulate development of the property. Based on this rationale, staff would suggest that the Planning and Zoning Commission consider extending the site plan for a subsequent two (2) year period to allow the applicant the ability to request reinstatement of the expired SUP ordinance. Approval of this extension request does not obligate the Planning and Zoning Commission or City Council with regard to any future request concerning the expired SUP ordinance.

Should the Planning and Zoning Commission have any questions concerning this item, staff and the applicant will be available at the meeting to discuss.

*Exhibit 'A':*
*Development Timeline*

*Timeline for 700 E. IH-30 (Best Western Plus)*

- *March 6, 2017*: The City Council approved *Ordinance No. 17-12* [*S-163*] (*Case No. Z2016-033*) allowing a hotel on the subject property.
- *March 20, 2017*: The City Council approved *Ordinance No. 17-17* (*Case No. Z2017-004*) which established an expiration clause for all future and existing SUP's.
- *July 18, 2017*: The applicant submitted engineering plans.
- *July 25, 2017*: The Planning and Zoning Commission approved the site plan (*Case No. SP2017-019*) for a hotel on the subject property.
- *August 16, 2017*: The applicant applied for a building permit (*BLD2017-2414*).
- *August 18, 2017:* The applicant submitted a replat of the subject property.
- *September 5, 2017:* The replat (*Case No. P2017-042*) was conditionally approved by the City Council.
- *September 19, 2017*: The applicant was approved for a pre-construction meeting.
- *October 20, 2017*: The replat was filed with Rockwall County as *Cabinet No. J; Slide No. 233-234*.

---------- *262 Days of In-Activity* ----------

- *July 9, 2018*: A pre-construction meeting was held, and site civil plans were released. Permission for on-site work was approved.
- *July 13, 2018*: A building permit was issued for the hotel on the subject property.
- *October 29, 2018*: Work commenced on-site.
- *November 8, 2018*: Based on the Engineering Departments Weekly Reports, the last construction activity observed on the site was on November 8, 2019.
- *November 9, 2018*: No activity was observed on the site.
- *December 3, 2018*: All equipment was removed from the site and a "For Sale" sign was posted on the property.
- *February 8, 2019*: The day that the applicant was required to submit a request to extend the SUP per the requirements of the Unified Development Code (*i.e. the code requires the applicant to submit a letter requesting an extension 90-days prior to the expiration*). No paperwork was received.

---------- *90 Days of In-Activity* ----------

- *May 9, 2019*: The building permit and SUP expired due to in-activity on the property. The SUP expires due to the clause, "(a) building permit or Certificate of Occupancy expires, is terminated or revoked under the requirements of the Codes of the City of Rockwall."

---------- Upcoming Dates ----------

- *July 9, 2019*: The Engineering Plans expire per the Standards of Design and Construction Manual (*i.e. plans expire one year from approval*).
- *July 25, 2019*: The Site Plan expires per the Unified Development Code (*i.e. the site plan expires two years from approval*).

---

Dear Mr. Ryan Miller, As per our discussion today in your office, you mentioned that the SUP and Building permit for the above mentioned project has expired. I hereby request you extend the
"Site Plan" for the above mention project. There is no change is site plans or ordinance. Please let me know what is the next step and what you need from us in order to extend my SUP.

According to you, I have to go through the process once again for extending SUP. My building permit has also expired. Please note I have paid $85,302.92 towards building permit No. BLD2017-2414. Please attached permit payment receipt. I hereby request you to refund building permit fees. Please do the needful.

Kind Regards

> Mr. Himmat Chauhan,
>
> Please provide me the same letter as below but requesting to extend the site plan and not the SUP. You should also probably note that you will be seeking to reinstate the SUP in six (6) months time due to your market strategy that we talked about today. If you have any questions please feel free to call me anytime at the number in the signature below. Thanks.

**RE: SITE PLAN (SP2017-019), Best Western Plus Executive Residency**

Dear Applicant:

This letter serves to notify you that the above referenced case that you submitted before the City of Rockwall was approved by the City Council on 08/25/2017. The following is a record of all recommendations, voting records and conditions of approval:

*ARCHITECTURAL REVIEW BOARD:*

*On June 27, 2017, the Architectural Review Board (ARB) reviewed the proposed building elevations and asked the applicant to provide a rendering of the building, material samples of the stucco, and to utilize natural stone and thin brick instead of the proposed cultured stone and manufactured brick panels. The applicant has indicated he will meet all of the ARB's recommendations. Once the ARB reviews the revised renderings and materials, the Board will forward a recommendation to the Planning and Zoning Commission.*

*On July 11, 2017, the Architectural Review Board (ARB) reviewed the proposed building elevations and material samples. Since the Board had additional questions, a recommendation of postponing the case was forwarded to the Planning and Zoning Commission. On July 11, 2017, the Planning and Zoning Commission's motion to postpone the case passed by a vote of 6-0 with Commissioner Lyons absent.*

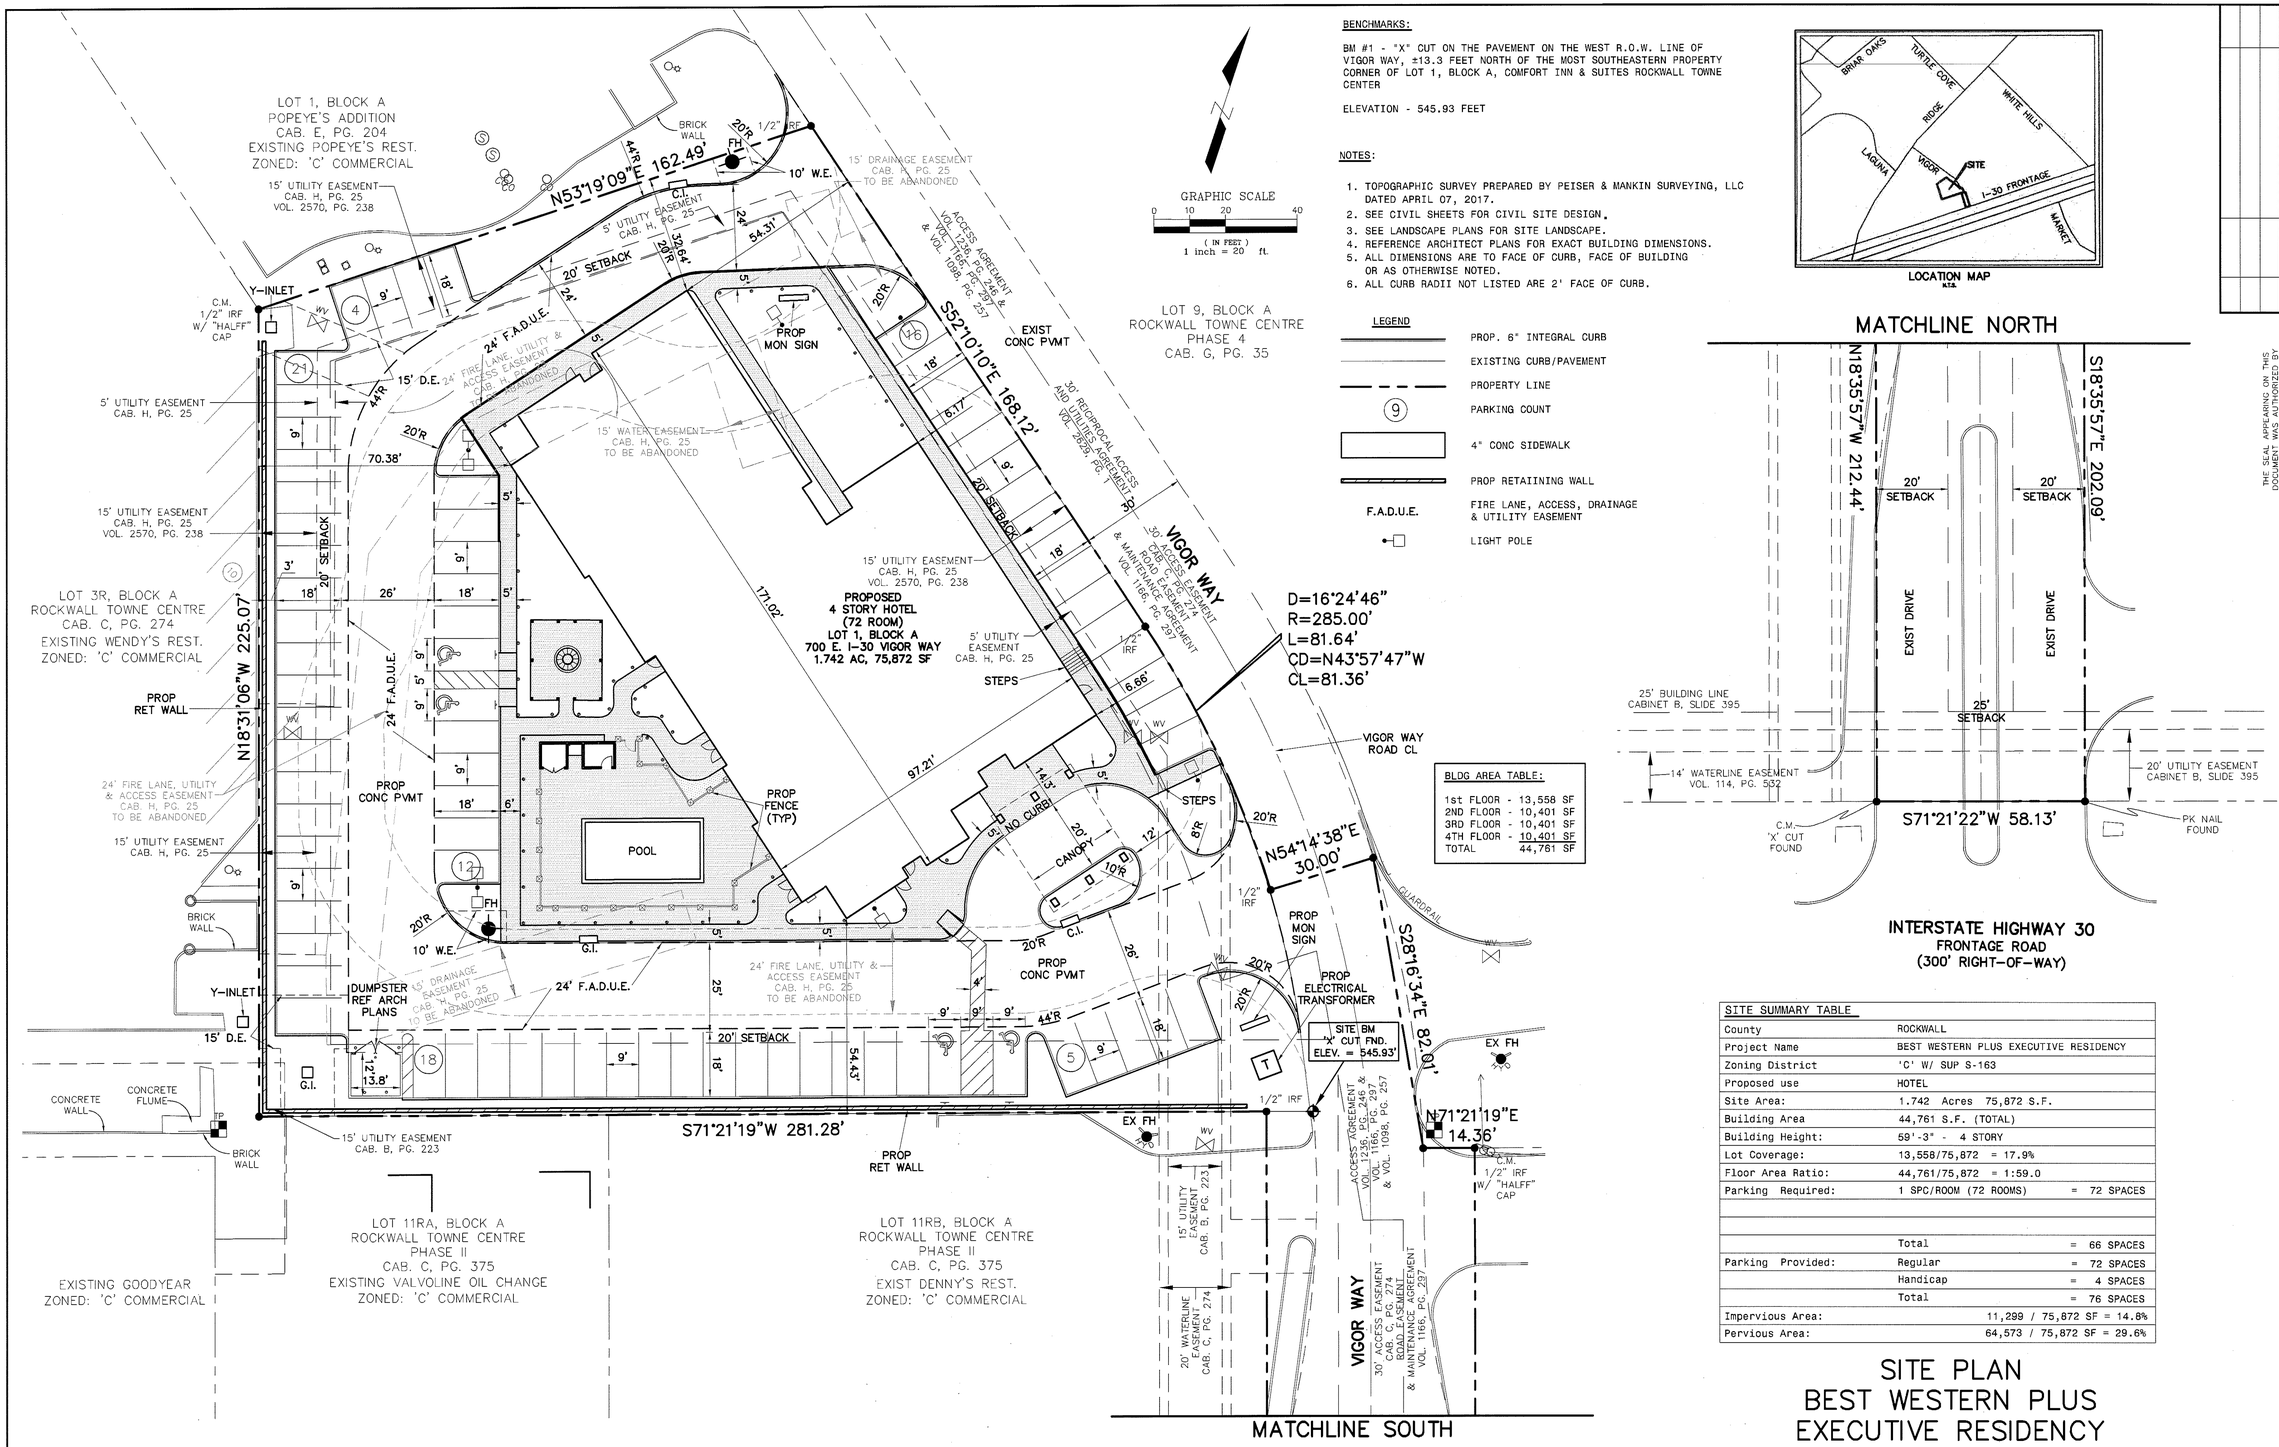
*On July 25, 2017, the Architectural Review Board (ARB) reviewed the revised buiding elevations and materials samples. The ARB's motion to recommend approval of the revised building elevations and materials passed by a vote of 6-0 with one vacant position.*

*STAFF RECOMMENDATIONS:*

*If the Planning & Zoning Commission chooses to approve the applicant's request then staff would recommend the following conditions of approval:*

*1) All technical comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;*

*2) Any construction or building necessary to complete this Site Plan request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.*



*PLANNING AND ZONING COMMISSION:*

*On July 25, 2017 the Planning and Zoning Commission's motion to approve the site plan with staff recommendations passed by a vote of 5-0 with Commissioners Logan and Moeller absent.*

For information about the procedures and required materials to file a plat, or for any other additional questions on this matter, please contact Planning staff at (972) 771-7745.

Sincerely,

**Korey Brooks**

**Plant list is an aid to bidders only. Contractor shall verify all quantities on plan. All heights and spreads are minimums. Trees shall have a strong central leader and be of matching specimens. All plant material shall meet or exceed remarks as indicated.**

GENERAL LAWN NOTES

EROSION CONTROL AND SOIL PREPARATION:
THE CONTRACTOR IS RESPONSIBLE FOR MAINTAINING TOP SOIL AT THE CORRECT GRADES. CONTRACTOR TO FINE GRADE AREAS TO REACH FINAL CONTOURS AS SPECIFIED PER CIVIL PLANS. ALL CONTOURS SHOULD ACHIEVE POSITIVE DRAINAGE AWAY FROM BUILDINGS AND STRUCTURES. WATER SHOULD NOT BE ABLE TO POOL IN ANY AREAS UNLESS SPECIFIED OTHERWISE. EROSION FABRIC SUCH AS JUTE MATTING OR OPEN WEAVE TO BE USED WHERE NECESSARY TO PREVENT SOIL EROSION.

ANY LOSS OF TOPSOIL OR GRASS DUE TO EROSION IS THE RESPONSIBILITY OF THE CONTRACTOR UNTIL IT IS 100% ESTABLISHED.

CONTRACTOR TO REMOVE ANY ROCKS 3/4" AND LARGER, STICKS AND DEBRIS PRIOR TO INSTALLATION OF TOPSOIL AND SOD.

FOUR (4") OF TOPSOIL SHALL BE APPLIED TO AREAS DISTURBED BY CONSTRUCTION RECEIVING SOD. IF TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL AS APPROVED BY THE OWNER OR OWNERS REPRESENTATIVE.

TOPSOIL SHALL BE FRIABLE, NATURAL LOAM, FREE OF ROCKS, WEEDS, BRUSH, CLAY LUMPS, ROOTS, TWIGS, LITTER AND ENVIRONMENTAL CONTAMINANTS.

CONTRACTOR SHALL BE RESPONSIBLE FOR SOD UNTIL ACCEPTANCE. THIS SHALL INCLUDE, BUT NOT BE LIMITED TO: MOWING, WATERING, WEEDING, CULTIVATING, CLEANING AND REPLACING DEAD OR BARE AREAS TO KEEP PLANTS IN A VIGOROUS, HEALTHY CONDITION. SOD SHALL BE REPLACED IF NECESSARY.

SOLID SOD:
SOLID SOD SHALL BE PLACED ALONG ALL IMPERVIOUS EDGES, AT A MINIMUM. THIS SHALL INCLUDE CURBS, WALKS, INLETS, MANHOLES AND PLANTING BED AREAS. SOD SHALL COVER OTHER AREAS COMPLETELY AS INDICATED BY PLAN.

SOD SHALL BE STRONGLY ROOTED DROUGHT RESISTANT SOD, NOT LESS THAN 2 YEARS OLD, FREE OF WEEDS AND UNDESIRABLE NATIVE GRASS AND MACHINE CUT TO PAD THICKNESS OF 3/4" (+1/4"), EXCLUDING TOP GROWTH AND THATCH. PROVIDE ONLY SOD CAPABLE OF VIGOROUS GROWTH AND DEVELOPMENT WHEN PLANTED.

DO NOT INSTALL SOD IF IT IS DORMANT OR GROUND IS FROZEN. LAY SOD WITH TIGHTLY FITTING JOINTS, NO OVERLAPS WITH STAGGERED STRIPS TO OFFSET JOINTS.

SOD SHALL BE ROLLED TO CREATE A SMOOTH EVEN SURFACE. SOD SHOULD BE WATERED THOROUGHLY DURING INSTALLATION PROCESS.

SHOULD INSTALLATION OCCUR BETWEEN OCTOBER 1ST AND MARCH 1ST, SOD SHALL INCLUDE AN OVER-SEED OF ANNUAL RYE OR WINTER RYEGRASS AT A RATE OF FOUR POUNDS PER ONE THOUSAND SQUARE FEET FOR A GROWN-IN APPEARANCE. CONTRACTOR SHALL ENSURE CONFORMANCE TO §115.D OF TITLE 7, PART XXIX, HORTICULTURE COMMISSION CHAPTER 1.

HYDROMULCH:

SCARIFY SURFACE TO A MINIMUM OF 2" DEPTH PRIOR TO THE IMPORT TOPSOIL APPLICATION. TOP SOIL SHALL BE PLACED 2" IN DEPTH IN ALL AREAS TO BE SEEDED. CONTRACTOR TO SUPPLY HIGH □UALITY IMPORTED TOPSOIL HIGH IN HUMAS AND ORGANIC CONTENT FROM A LOCAL SUPPLY. IMPORTED TOPSOIL SHALL BE REASONABLY FREE OF CLAY LUMPS, COARSE SANDS, STONES, ROOTS AND OTHER FOREIGN DEBRIS.

IF INADE□UATE MOISTURE IS PRESENT IN SOIL, APPLY WATER AS NECESSARY FOR OPTIMUM MOISTURE FOR SEED APPLICATION.

ALL SEED SHALL BE HIGH □UALITY, TREATED LAWN TYPE SEED AND IS FREE OF NOXIOUS GRASS SEEDS. THE SEED APPLICATION SHALL BE UNIFORMLY DISTRIBUTED ON THE AREAS INDICATED ON PLANS. HYDROMULCH WITH BERMUDA GRASS SEED AT A RATE OF TWO POUNDS PER ONE THOUSAND S□UARE FEET.

IF INSTALLATION OCCURS BETWEEN OCTOBER 1ST AND APRIL 1ST, ALL HYDORMULCH AREAS SHALL BE OVER-SEEDED WITH ANNUAL RYE GRASS AT A RATE OF FOUR POUNDS PER ONE THOUSAND S□UARE FEET. CONTRACTOR TO RE-HYDROMULCH WITH BERMUDA GRASS AT THE END OF THE ANNUAL RYE GROWING SEASON.

AFTER APPLICATION, NO E□UIPMENT SHALL OPERATE OVER APPLIED AREAS. WATER SEEDED AREAS IMMEDIATELY AFTER INSTALLATION TO SATURATION.

ALL LAWN AREAS TO BE HYDROMULCHED SHALL ACHIEVE 100□ COVERAGE PRIOR TO FINAL ACCEPTANCE.

LANDSCAPE NOTES

REFERENCE SITEWORK AND SPECIFICATIONS FOR INFORMATION NEEDED FOR LANDSCAPE WORK.

CONTRACTOR TO VERIFY AND LOCATE ALL PROPOSED AND EXISTING STRUCTURES. NOTIFY LANDSCAPE ARCHITECT OR DESIGNATED REPRESENTATIVE FOR ANY LAYOUT DISCREPANCIES OR ANY CONDITION THAT WOULD PROHIBIT THE INSTALLATION AS SHOWN.

CONTRACTOR SHALL CALL 811 TO VERIFY AND LOCATE ANY AND ALL UTILITIES ON SITE PRIOR TO COMMENCING WORK. LANDSCAPE ARCHITECT SHOULD BE NOTIFIED OF ANY CONFLICTS.

A MINIMUM OF 2% SLOPE SHALL BE PROVIDED AWAY FROM ALL STRUCTURES.

LANDSCAPE ISLANDS SHALL BE CROWNED, AND UNIFORM THROUGHOUT THE SITE.

ALL PLANTING AREAS SHALL BE GRADED SMOOTH TO ACHIEVE FINAL CONTOURS AS INDICATED ON PLAN WITH 3" OF TOPSOIL AND 3" OF COMPOST AND CONSISTENTLY BLENDED TO A DEPTH OF 9". ALL BEDS SHALL BE CROWNED TO ANTICIPATE SETTLEMENT AND ENSURE PROPER DRAINAGE.

PLANTING AREAS AND SOD TO BE SEPARATED BY STEEL EDGING. EDGING TO BE GREEN IN COLOR AND A MINIMUM OF 3/16" THICK. EDGING SHALL BE STAKED FROM THE INSIDE OF BED. EDGING NOT TO BE MORE THAN 1/2" ABOVE FINISHED GRADE.

MULCH SHALL BE INSTALLED AT 1/2" BELOW THE TOPS OF SIDEWALKS AND CURBING.

QUANTITIES ON THESE PLANS ARE FOR REFERENCE ONLY. THE SPACING OF PLANTS SHOULD BE AS INDICATED ON PLANS OR OTHERWISE NOTED. ALL TREES AND SHRUBS SHALL BE PLANTED PER DETAILS.

CONTAINER GROWN PLANT MATERIAL IS PREFERRED HOWEVER BALL AND BURLAP PLANT MATERIAL CAN BE SUBSTITUTED IF NEED BE AND IS APPROPRIATE TO THE SIZE AND QUALITY INDICATED ON THE PLANT MATERIAL LIST.

TREES SHALL BE PLANTED AT A MINIMUM OF 5' FROM ANY UTILITY LINE, SIDEWALK OR CURB. TREES SHALL ALSO BE 10' CLEAR FROM FIRE HYDRANTS.

4" OF SHREDDED HARDWOOD MULCH (2" SETTLED THICKNESS) SHALL BE PLACED OVER 4.1 OZ WOVEN, WEED BARRIER FABRIC OR APPROVED EQUAL. WEED BARRIER FABRIC SHALL BE USED IN PLANT BEDS AND AROUND ALL TREES AND SHALL BE DE WITT 'WEED BARRIER' OR APPROVED EQUAL. MULCH SHALL BE SHREDDED BARK OR RUBBER LANDSCAPE MULCH, PINE STRAW MULCH IS PROHIBITED.

CONTRACTOR TO PROVIDE UNIT PRICING OF LANDSCAPE MATERIALS AND BE RESPONSIBLE FOR OBTAINING ALL LANDSCAPE AND IRRIGATION PERMITS.

IRRIGATION:
IN THE ABSENCE OF AN IRRIGATION SYSTEM OR AREAS BEYOND THE COVERAGE LIMITS OF A PERMANENT IRRIGATION SYSTEM, CONTRACTOR SHALL WATER SOD TEMPORARILY, BY ANY MEANS AVAILABLE, TO DEVELOP ADEQUATE GROWTH. TURF SHALL BE IN 100% ESTABLISHMENT AT THE TIME OF ACCEPTANCE.

ALL PLANTING BEDS SHALL HAVE AN AUTOMATIC IRRIGATION SYSTEM WITH A FREEZE/RAIN SENSOR. SYSTEM SHALL ALSO HAVE AN ET WEATHER BASED CONTROLLER AND BE DESIGNED AND INSTALLED BY A LICENSED IRRIGATOR.

MAINTENANCE RE□UIREMENTS:
VEGETATION SHOULD BE INSPECTED REGULARLY TO ENSURE THAT PLANT MATERIAL IS ESTABLISHING PROPERLY AND REMAINS IN A HEALTHY GROWING CONDITION APPROPRIATE FOR THE SEASON. IF DAMAGED OR REMOVED, PLANTS MUST BE REPLACED BY A SIMILAR VARIETY AND SIZE.

MOWING, TRIMMING, EDGING AND SUPERVISION OF WATER APPLICATIONS SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR UNTIL THE OWNER OR OWNER'S REPRESENTATIVE ACCEPTS AND ASSUMES REGULAR MAINTENANCE.

ALL LANDSCAPE AREAS SHOULD BE CLEANED AND KEPT FREE OF TRASH, DEBRIS, WEEDS AND OTHER MATERIAL.

MISCELLANEOUS MATERIALS:

STEEL EDGING SHALL BE 3/16" X 4 X 16' DARK GREEN DURAEDGE STEEL LANDSCAPE EDGING.

RIVER ROCK SHALL BE ARIZONA RIVER ROCK, 2" - 4" DIAMETER. RIVER ROCK SHALL BE COMPACTED TO A MINIMUM OF 3" DEPTH OVER FILTER FABRIC.

## LANDSCAPE TABULATIONS
**ROCKWALL, TEXAS**

**SITE LANDSCAPE REQUIREMENTS**

1. A minimum of 15% of the site shall be landscaped.
2. No more than 50% of the total requirement shall be located in the front of and along side buildings with street frontage.

Site: 75,856 s.f.

| REQUIRED | PROVIDED |
|---|---|
| 11,378 s.f. (15%) | 11,373 s.f. (14.86%) |

**PARKING LOT LANDSCAPE**

1. Surface parking shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges and be a min. 3' in height, 80% opaque.
2. There shall be a landscape island every 10 parking spaces. One shade tree shall be provided for every 10 cars. No parking space shall be located more than 80' from the trunk of a large canopy tree

| REQUIRED | PROVIDED |
|---|---|
| 36" screen | 36" screen |
| 8 canopy trees, 4" cal. | 8 canopy trees, 4" cal. |

| SITE SUMMARY TABLE | | |
|---|---|---|
| County | ROCKWALL | |
| Project Name | BEST WESTERN PLUS EXECUTIVE RESIDENCY | |
| Zoning District | 'C' W/ SUP S-163 | |
| Proposed use | HOTEL | |
| Site Area: | 1.742 Acres 75,872 S.F. | |
| Building Area | 44,761 S.F. (TOTAL) | |
| Building Height: | 59'-3" 4 STORY | |
| Lot Coverage: | 13,558/75,872 = 17.9% | |
| Floor Area Ratio: | 44,761/75,872 = 1:59.0 | |
| Parking Required: | 1 SPC/ROOM (72 ROOMS) | = 72 SPACES |
| | | |
| | | |
| | Total | = 66 SPACES |
| Parking Provided: | Regular | = 72 SPACES |
| | Handicap | = 4 SPACES |
| | Total | = 76 SPACES |
| Impervious Area: | | 11,299 / 75,872 SF = 14.8% |
| Pervious Area: | | 64,573 / 75,872 SF = 29.6% |

SHEET
L1.1

SECTION 32 9300 - LANDSCAPE

PART 1 - GENERAL

1.1 QUALIFICATIONS OF THE LANDSCAPE CONTRACTOR.

A. ALL LANDSCAPE WORK SHOWN ON THESE PLANS SHALL BE PERFORMED BY A SINGLE FIRM SPECIALIZING IN LANDSCAPE PLANTING

1.2 REFERENCE DOCUMENTS

A. REFER TO LANDSCAPE PLANS, NOTES, AND DETAILS FOR ADDITIONAL REQUIREMENTS

1.3 SCOPE OF WORK / DESCRIPTION OF WORK

A. WORK COVERED BY THESE SECTIONS INCLUDES THE FURNISHING AND PAYMENT OF ALL MATERIALS, LABOR, SERVICES, EQUIPMENT, LICENSES, TAXES AND ANY OTHER ITEMS THAT ARE NECESSARY FOR THE EXECUTION, INSTALLATION AND COMPLETION OF ALL WORK, SPECIFIED HEREIN AND / OR SHOWN ON THE LANDSCAPE PLANS, NOTES, AND DETAILS.

B. ALL WORK SHALL BE PERFORMED IN ACCORDANCE WITH ALL APPLICABLE LAWS, CODES AND REGULATIONS REQUIRED BY AUTHORITIES HAVING JURISDICTION OVER SUCH WORK, INCLUDING ALL INSPECTIONS AND PERMITS REQUIRED BY FEDERAL, STATE AND LOCAL AUTHORITIES IN SUPPLY, TRANSPORTATION AND INSTALLATION OF MATERIALS.

C. THE LANDSCAPE CONTRACTOR SHALL VERIFY THE LOCATION OF ALL UNDERGROUND UTILITY LINES (WATER, SEWER, ELECTRICAL, TELEPHONE, GAS, CABLE, TELEVISION, ETC.) PRIOR TO THE START OF ANY WORK

D. FURNISH ALL LABOR, MATERIALS, EQUIPMENT, AND SERVICES NECESSARY TO PROVIDE ALL WORK, COMPLETE IN PLACE AS SHOWN AND SPECIFIED. WORK SHALL INCLUDE:

E. PLANTING OF TREES, SHRUBS AND GRASSES

A. SEEDING

B. BED PREPARATION AND FERTILIZATION

C. WATER AND MAINTENANCE UNTIL FINAL ACCEPTANCE

D. WORK GUARANTEE

1.4 REFERENCES

A. AMERICAN NATIONAL STANDARDS INSTITUTE (ANSI) Z60.1 - NURSERY STOCK

B. TEXAS STATE DEPARTMENT OF AGRICULTURE

C. TEXAS ASSOCIATION OF NURSERYMEN, GRADES AND STANDARDS

1.5 SUBMITTALS

A. PROVIDE REPRESENTATIVE QUANTITIES OF EACH SOIL MULCH, BED MIX, GRAVEL AND STONE BEFORE INSTALLATION. SAMPLES TO BE APPROVED BY OWNER'S REPRESENTATIVE BEFORE USE.

B. SOIL AMENDMENTS AND FERTILIZERS SHOULD BE RESEARCHED AND BASED ON THE SOILS IN THE AREA.

C. BEFORE INSTALLATION, SUBMIT DOCUMENTATION THAT PLANT MATERIALS ARE AVAILABLE AND HAVE BEEN RESERVED. FOR ANY PLANT MATERIAL NOT AVAILABLE, SUBMIT REQUEST FOR SUBSTITUTION.

1.6 JOB CONDITIONS, DELIVERY, STORAGE AND HANDLING

A. GENERAL CONTRACTOR TO COMPLETE WORK BEFORE LANDSCAPE CONTRACTOR TO COMMENCE. ALL PLANTING BED AREAS SHALL BE LEFT THREE INCHES BELOW FINAL GRADE OF SIDEWALKS, DRIVES AND CURBS, ALL AREAS TO RECEIVE SOLID SOD SHALL BE LEFT ONE INCH BELOW THE FINAL GRADE OF WALKS, DRIVES AND CURBS. CONSTRUCTION DEBRIS SHALL BE REMOVED PRIOR TO LANDSCAPE CONTRACTOR BEGINNING WORK.

B. ALL PACKAGED MATERIALS SHALL BE SEALED IN CONTAINERS SHOWING WEIGHT, ANALYSIS AND NAME OF MANUFACTURER. ALL MATERIALS SHALL BE PROTECTED FROM DETERIORATION IN TRANSIT AND WHILE STORED ON SITE.

C. DELIVER PLANT MATERIALS IMMEDIATELY PRIOR TO INSTALLATION. PLANT MATERIALS SHOULD BE INSTALLED ON THE SAME DAY AS DELIVERED. IF PLANTING CANNOT BE INSTALLED ON THE SAME DAY, PROVIDE ADDITIONAL PROTECTION TO MAINTAIN PLANTS IN A HEALTHY, VIGOROUS CONDITION.

D. STORE PLANT MATERIALS IN SHADE, PROTECT FROM FREEZING AND DRYING.

E. KEEP PLANT MATERIALS MOIST AND PROTECT FROM DAMAGE TO ROOT BALLS, TRUNKS AND BRANCHES.

F. PROTECT ROOT BALLS BY HEELING WITH SAWDUST OR OTHER MOISTURE RETAINING MATERIAL IF NOT PLANTED WITHIN 24 HOURS OF DELIVERY.

G. NOTIFY OWNER'S REPRESENTATIVE OF DELIVERY SCHEDULE 72 HOURS IN ADVANCE.

H. FOR BALLED AND BURLAPPED PLANTS - DIG AND PREPARE SHIPMENT IN A MANNER THAT WILL NOT DAMAGE ROOTS, BRANCHES, SHAPE, AND FUTURE DEVELOPMENT.

I. CONTAINER GROWN PLANTS - DELIVER PLANTS IN CONTAINER TO HOLD BALL SHAPE AND PROTECT ROOT MASS.

J. STORAGE OF ALL MATERIALS AND EQUIPMENT WILL BE AT THE RISK OF THE LANDSCAPE CONTRACTOR. OWNER WILL NOT BE HELD RESPONSIBLE FOR THEFT OR DAMAGE.

1.7 SEQUENCING

A. INSTALL TREES, SHRUBS, AND LINER STOCK PLANT MATERIALS PRIOR TO INSTALLATION OF LAWN/SOLID SOD.

B. WHERE EXISTING TURF AREAS ARE BEING CONVERTED TO PLANTING BEDS, THE TURF SHALL BE CHEMICALLY ERADICATED TO MINIMIZE RE-GROWTH IN THE FUTURE. AREAS SHALL BE PROPERLY PREPARED WITH AMENDED ORGANIC MATTER.

1.8 WARRANTIES PERIOD, PLANT GUARANTEE, REPLACEMENTS

A. PROVIDE A MINIMUM OF (2) COPIES OF RECORD DRAWINGS TO THE OWNER UPON COMPLETION OF WORK. A RECORD DRAWING IS A RECORD OF ALL CHANGES THAT OCCURRED IN THE FIELD AND THAT ARE DOCUMENTED THROUGH CHANGE ORDERS, ADDENDA, OR CONTRACTOR/CONSULTANT DRAWING MARKUPS.

B. FURNISH WRITTEN WARRANTY THAT PLANT MATERIALS WILL BE IN A HEALTHY, VIGOROUS GROWING CONDITION FOR ONE YEAR (TWELVE MONTHS) AFTER FINAL ACCEPTANCE. DAMAGE DUE TO ACTS OF GOD, VANDALISM, OR NEGLIGENCE BY OWNER IS EXCLUDED.

C. REPLACE DEAD, UNHEALTHY, AND UNSIGHTLY PLANT MATERIAL WITHIN WARRANTY PERIOD UPON NOTIFICATION BY OWNER OR OWNER'S REPRESENTATIVE. PLANTS USED FOR REPLACEMENT SHALL BE OF THE SAME SIZE AND KIND AS THOSE ORIGINALLY PLANTED OR SPECIFIED.

D. THE OWNER AGREES THAT FOR THE ONE YEAR WARRANTY PERIOD TO BE EFFECTIVE, HE WILL WATER PLANTS AT LEAST TWICE A WEEK DURING DRY PERIODS.

E. NOTIFY OWNER OR OWNER'S REPRESENTATIVE SEVEN DAYS PRIOR TO THE EXPIRATION OF THE WARRANTY PERIOD.

A. REMOVE DEAD, UNHEALTHY AND UNSIGHTLY PLANTS

B. REMOVE GUYING AND STAKING MATERIALS.

1.9 MAINTENANCE

A. MAINTAIN PLANT LIFE AND PLANTING BEDS IMMEDIATELY AFTER PLACEMENT AND FOR MINIMUM 30 DAYS AFTER FINAL ACCEPTANCE.

B. ALL LANDSCAPE MUST BE MAINTAINED AND GRASS MOWED/EDGED ON A WEEKLY SCHEDULE UNTIL ACCEPTANCE BY OWNER.

C. REPLACE DEAD OR DYING PLANTS WITH PLANTS OF SAME SIZE AND SPECIES AS SPECIFIED.

D. REMOVE TRASH, DEBRIS, AND LITTER. WATER, PRUNE, RESTAKE TREES, FERTILIZE, WEED AND APPLY HERBICIDES AND FUNGICIDES AS REQUIRED.

E. REMOVE CLIPPINGS AND DEBRIS FROM SITE PROMPTLY.

F. COORDINATE WITH OPERATION OF IRRIGATION SYSTEM TO ENSURE THAT PLANTS ARE ADEQUATELY WATERED. HAND WATER AREAS NOT RECEIVING ADEQUATE WATER FROM AN IRRIGATION SYSTEM.

G. THE LANDSCAPE CONTRACTOR SHALL MAINTAIN THE IRRIGATION SYSTEM IN ACCORDANCE TO THE MAINTENANCE SERVICE TO ENSURE THE SYSTEM IS IN PROPER WORKING ORDER. WITH SCHEDULING ADJUSTMENTS BY SEASON TO MAXIMIZE WATER CONSERVATION.

H. RESET SETTLED PLANTS

I. REAPPLY MULCH TO BARE AND THIN AREAS.

J. SHOULD SEEDED AND/OR SODDED AREAS NOT BE COVERED BY AN AUTOMATIC IRRIGATION SYSTEM, THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR WATERING THESE AREAS AND OBTAINING A FULL, HEALTHY STAND OF GRASS AT NO ADDITIONAL COST TO THE OWNER.

K. TO ACHIEVE FINAL ACCEPTANCE AT THE END OF THE MAINTENANCE PERIOD, ALL OF THE FOLLOWING CONDITIONS MUST OCCUR:

a. THE LANDSCAPE SHALL SHOW ACTIVE, HEALTHY GROWTH (WITH EXCEPTIONS MADE FOR SEASONAL DORMANCY). ALL PLANTS NOT MEETING THIS CONDITION SHALL BE REJECTED AND REPLACED BY HEALTHY PLANT MATERIAL PRIOR TO FINAL ACCEPTANCE.

b. ALL HARDSCAPE SHALL BE CLEANED PRIOR TO FINAL ACCEPTANCE.

c. SODDED AREAS MUST BE ACTIVELY GROWING AND MUST REACH A MINIMUM HEIGHT OF 1 1/2 INCHES BEFORE FIRST MOWING. HYDROMULCHED AREAS SHALL SHOW ACTIVE, HEALTHY GROWTH. BARE AREAS LARGER THAN TWELVE SQUARE INCHES MUST BE RESODDED OR RESEEDED (AS APPROPRIATE) PRIOR TO FINAL ACCEPTANCE. ALL SODDED TURF SHALL BE NEATLY MOWED.

1.10 QUALITY ASSURANCE

A. COMPLY WITH ALL FEDERAL, STATE, COUNTY AND LOCAL REGULATIONS GOVERNING LANDSCAPE MATERIALS AND WORK.

B. EMPLOY PERSONNEL EXPERIENCED AND FAMILIAR WITH THE REQUIRED WORK AND SUPERVISION BY A FOREMAN.

C. DO NOT MAKE PLANT MATERIAL SUBSTITUTIONS. IF THE LANDSCAPE MATERIAL SPECIFIED IS NOT READILY AVAILABLE, SUBMIT PROOF TO LANDSCAPE ARCHITECT ALONG WITH THE PROPOSED MATERIAL TO BE USED IN LIEU OF THE SPECIFIED PLANT.

D. OWNER'S REPRESENTATIVE SHALL INSPECT ALL PLANT MATERIAL AND RETAINS THE RIGHT TO INSPECT MATERIALS UPON ARRIVAL TO THE SITE AND DURING INSTALLATION. THE OWNER'S REPRESENTATIVE MAY ALSO REJECT ANY MATERIALS HE/SHE FEELS TO BE UNSATISFACTORY OR DEFECTIVE DURING THE WORK PROCESS. ALL PLANTS DAMAGED IN TRANSIT OR AT THE JOB SITE SHALL BE REJECTED.

PART 2 - PRODUCTS

2.1 PLANT MATERIALS

A. ALL PLANTS SHALL BE CERTIFIED IN ACCORDANCE THE AMERICAN STANDARD FOR NURSERY STOCK.

B. ALL TREES SHALL BE OBTAINED FROM SOURCES WITHIN 200 MILES OF THE PROJECT SITE, AND WITH SIMILAR CLIMACTIC CONDITIONS.

C. PLANTS SHALL CONFORM TO THE MEASUREMENTS SPECIFIED, EXCEPT THE PLANTS LARGER THAN THOSE SPECIFIED MAY BE USED. USE OF LARGER PLANTS SHALL NOT INCREASE THE CONTRACT PRICE.

D. WHERE MATERIALS ARE PLANTED IN MASSES, PROVIDE PLANTS OF UNIFORM SIZE.

E. PLANT SCHEDULE ON DRAWING IS FOR CONTRACTOR'S INFORMATION ONLY AND NO GUARANTEE IS EXPRESSED OR IMPLIED THAT QUANTITIES THEREIN ARE CORRECT. THE CONTRACTOR SHALL ENSURE THAT ALL PLANT MATERIALS SHOWN ON THE DRAWINGS ARE INCLUDED IN HIS OR HER BID.

F. SHALL BE FREE OF DISEASE, INSECT INFESTATION, DEFECTS INCLUDING WEAK OR BROKEN LIMBS, CROTCHES, AND DAMAGED TRUNKS, ROOTS OR LEAVES, SUN SCALD, FRESH BARK ABRASIONS, EXCESSIVE ABRASIONS, OBJECTIONABLE DISFIGUREMENT, INSECT EGGS AND LARVAE.

G. ALL PLANTS SHALL EXHIBIT NORMAL GROWTH HABITS, VIGOROUS, HEALTHY, FULL, WELL BRANCHES, WELL ROOTED, PROPORTIONATE AND SYMMETRICAL.

H. ROOT SYSTEMS SHALL BE HEALTHY, DENSELY BRANCHED, FIBROUS ROOT SYSTEMS, NON-POT-BOUND, FREE FROM ENCIRCLING AND/OR GIRDLING ROOTS, AND FREE FROM ANY OTHER ROOT DEFECTS (SUCH AS J-SHAPED ROOTS).

I. ANY PLANT DEEMED UNACCEPTABLE BY THE LANDSCAPE ARCHITECT OR OWNER'S REPRESENTATIVE SHALL BE IMMEDIATELY REMOVED FROM THE SITE AND SHALL BE REPLACED WITH AN ACCEPTABLE PLANT OF LIKE TYPE AND SIZE AT THE CONTRACTOR'S OWN EXPENSE. ANY PLANTS APPEARING TO BE UNHEALTHY, EVEN IF DETERMINED TO STILL BE ALIVE, SHALL NOT BE ACCEPTED. THE LANDSCAPE ARCHITECT AND OWNER'S REPRESENTATIVE SHALL BE THE SOLE JUDGES AS TO THE ACCEPTABILITY OF PLANT MATERIAL.

J. ALL TREES SHALL BE STANDARD IN FORM, UNLESS OTHERWISE SPECIFIED. TREES WITH CENTRAL LEADERS WILL NOT BE ACCEPTED IF LEADER IS DAMAGED OR REMOVED. PRUNE ALL DAMAGED TWIGS AFTER PLANTING

K. TREE TRUNKS TO BE STURDY, EXHIBIT HARDENED SYSTEMS AND VIGOROUS AND FIBROUS ROOT SYSTEMS, NOT ROOT OR POT BOUND.

L. TREES WITH DAMAGED OR CROOKED LEADERS, BARK ABRASIONS, SUNSCALD, DISFIGURING KNOTS, ORINSECT DAMAGE WILL BE REJECTED.

M. CALIPER MEASUREMENTS FOR STANDARD (SINGLE TRUNK) TREES SHALL BE AS FOLLOWS: SIX INCHES ABOVE THE ROOT FLARE FOR TREES UP TO AND INCLUDING FOUR INCHES IN CALIPER, AND TWELVE INCHES ABOVE THE ROOT FLARE FOR TREES EXCEEDING FOUR INCHES IN CALIPER

N. MULTI-TRUNK TREES SHALL BE MEASURED BY THEIR OVERALL HEIGHT, MEASURED FROM THE TOP OF THE ROOT BALL.

O. ANY TREE OR SHRUB SHOWN TO HAVE EXCESS SOIL PLACED ON TOP OF THE ROOT BALL, SO THAT THE ROOT FLARE HAS BEEN COMPLETELY COVERED, SHALL BE REJECTED.

P. SOD: PROVIDE WELL-ROOTED SOD OF THE VARIETY NOTED ON THE PLANS. SOD SHALL BE CUT FROM HEALTHY, MATURE TURF WITH SOIL THICKNESS OF 3/4" TO 1". EACH PALLET OF SOD SHALL BE ACCOMPANIED BY A CERTIFICATE FROM SUPPLIER STATING THE COMPOSITION OF THE SOD.

2.2 ACCESSORIES/MISCELLANEOUS MATERIALS

A. MULCH - DOUBLE SHREDDED HARDWOOD MULCH, PARTIALLY DECOMPOSED BY LIVING EARTH TECHNOLOGIES OR APPROVED SUBSTITUTE. MULCH SHOULD BE FREE OF STICKS, STONES, CLAY, GROWTH AND GERMINATION INHIBITING INGREDIENTS.

B. FERTILIZER - COMMERCIAL FERTILIZER CONTAINING 10-20-10 OR SIMILAR ANALYSIS.

C. SOIL PREPARATION - SHALL BE FERTILE, LOAMY SOIL. ORGANIC MATTER SHALL ENCOMPASS BETWEEN 3% AND 10% OF THE TOTAL DRY WEIGHT. SOIL SHALL BE FREE FROM SUBSOIL, REFUSE, ROOTS, HEAVY OR STIFF CLAY, STONES LARGER THAN 1", NOXIOUS WEEDS, STICKS, BRUSH, LITTER AND OTHER SUBSTANCES. IT SHOULD BE SUITABLE FOR THE GERMINATION OF SEEDS AND THE SUPPORT OF VEGETATIVE GROWTH. THE PH VALUE SHOULD BE BETWEEN 4 AND 7.

APPROXIMATE PARTICLE DISTRIBUTION FOR TOPSOIL

| | |
|---|---|
| CLAY | BETWEEN 15% AND 25% |
| SILT | BETWEEN 15% AND 25% |
| SAND | LESS THAN 50% |
| GRAVEL | LESS THAN 10% |

D. EXISTING TOPSOIL - MAY BE USED IF IT MEETS THE REQUIREMENTS FOR THE IMPORTED TOPSOIL OR IF APPROVED BY THE LANDSCAPE ARCHITECT OR OWNER'S REPRESENTATIVE. TOPSOIL SHALL NOT BE STRIPPED, TRANSPORTED OR GRADED IF MOISTURE CONTENT EXCEEDS FIELD CAPACITY. TOPSOIL STOCKPILES SHALL BE PROTECTED FROM EROSION OR CONTAMINATION.

E. ALL NEW TURF AREAS SHALL BE DEEPER THAN ITS VERTICAL DIMENSION. HOLES SHOULD BE ROUGH, NOT SMOOTH OR GLAZED. PRE-EMERGENT HERBICIDES: ANY GRANULAR, NON-STAINING PRE-EMERGENT HERBICIDE THAT IS LABELED FOR THE SPECIFIC ORNAMENTALS OR TURF ON WHICH IT WILL BE UTILIZED. PRE-EMERGENT HERBICIDES SHALL BE APPLIED PER THE MANUFACTURER'S LABELED RATES.

PART 3 - EXECUTION

3.1 PREPARATION

A. BEFORE STARTING WORK, THE LANDSCAPE CONTRACTOR SHALL VERIFY THAT THE GRADE OF ALL LANDSCAPE AREAS ARE WITHIN +/-0.1' OF FINISH GRADE. THE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY SHOULD ANY DISCREPANCIES EXIST.

B. SOIL TESTING:

A. AFTER FINISH GRADES HAVE BEEN ESTABLISHED, CONTRACTOR SHALL HAVE SOIL SAMPLES TESTED BY AN ESTABLISHED SOIL TESTING LABORATORY FOR THE FOLLOWING: SOIL TEXTURAL CLASS, GENERAL SOIL FERTILITY, PH, ORGANIC MATTER CONTENT, SALT (CEC), LIME, SODIUM ADSORPTION RATIO (SAR) AND BORON CONTENT. EACH SAMPLE SUBMITTED SHALL CONTAIN NO LESS THAN ONE QUART OF SOIL.

B. CONTRACTOR SHALL ALSO SUBMIT THE PROJECT'S PLANT LIST TO THE LABORATORY ALONG WITH THE SOIL SAMPLES.

C. THE SOIL REPORT PRODUCED BY THE LABORATORY SHALL CONTAIN RECOMMENDATIONS FOR THE FOLLOWING (AS APPROPRIATE): GENERAL SOIL PREPARATION AND BACKFILL MIXES, PRE-PLANT FERTILIZER APPLICATIONS, AND ANY OTHER SOIL RELATED ISSUES. THE REPORT SHALL ALSO PROVIDE A FERTILIZER PROGRAM FOR THE ESTABLISHMENT PERIOD AND FOR LONG-TERM MAINTENANCE.

C. THE CONTRACTOR SHALL INSTALL SOIL AMENDMENTS AND FERTILIZERS PER THE SOILS REPORT RECOMMENDATIONS. ANY CHANGE IN COST DUE TO THE SOIL REPORT RECOMMENDATIONS, EITHER INCREASE OR DECREASE, SHALL BE SUBMITTED TO THE OWNER WITH THE REPORT

D. IF WEEDS ARE GROWING IN PLANTING AREAS, APPLY HERBICIDE RECOMMENDED BY MANUFACTURER AND APPLIED BY AN APPROVED LICENSED APPLICATOR. ALLOW WEEDS TO DIE, AND THEN DRUG OUT ROOTS TO A MINIMUM OF 1/2 INCH DEPTH.

E. PREPARE NEW PLANTING BEDS BY TILLING EXISTING SOIL TO A DEPTH OF SIX INCHES PRIOR TO PLACING COMPOST AND FERTILIZER. ADD SIX INCHES OF COMPOSE AND TILL INTO A DEPTH OF SIX INCHES OF THE TOPSOIL.

F. POSITION TREES AND SHRUBS AS DESIGNED ON PLAN. OBTAIN OWNER'S REPRESENTATIVE'S APPROVAL PRIOR TO PROCEEDING.

G. ALL PLANTING AREAS SHALL RECEIVE A MINIMUM OF 2 INCH LAYER OF MULCH (SETTLED THICKNESS).

3.2 EXCAVATING

A. EXCAVATE PITS FOR PLANTING. TREE PITS SHALL BE LARGE ENOUGH TO PERMIT THE HANDLING OF THE ROOT BALL WITHOUT DAMAGE TO THE ROOTS. TREES SHALL BE PLANTED AT A DEPTH THAT WHEN SETTLED, THE CROWN OF THE PLANT SHALL BEAR THE SAME RELATIONSHIP TO THE FINISH GRADE AS IT DID TO THE SOIL SURFACE IN ORIGINAL PLACE OF GROWTH.

B. TREE PITS PERCOLATION TEST- FILL PIT WITH WATER AND ALLOW TO STAND FOR 24 HOURS. IF PIT DOES NOT DRAIN, THE TREE NEEDS TO BE MOVED TO ANOTHER LOCATION OR HAVE DRAINAGE ADDED.

C. SHRUB AND TREE PITS SHALL BE NO LESS THAN 24" WIDER THAN THE ROOT BALL AND 6" DEEPER THAN ITS VERTICAL DIMENSION. HOLES SHOULD BE ROUGH, NOT SMOOTH OR GLAZED.

3.3 PLANTING

A. REMOVE NURSERY TAGS AND STAKES FROM ALL PLANTS

B. REMOVE CONTAINERS WITHOUT DAMAGE TO ROOTS.

C. REMOVE BOTTOM OF PLANT BOXES PRIOR TO PLACING PLANTS. REMOVE SIDES AFTER PLACEMENT AND PARTIAL BACKFILLING.

D. REMOVE UPPER THIRD OF BURLAP FROM BALLED AND BURLAPPED TREES AFTER PLACEMENT.

E. PLACE PLANT UPRIGHT AND PLUMB IN CENTER OF HOLE. ORIENT PLANTS FOR BEST APPEARANCE.

F. SET PLANTS WITH TOP OF ROOT BALLS FLUSH WITH ADJACENT GRADE AFTER COMPACTION. ADJUST PLANT HEIGHT IF SETTLEMENT OCCURS AFTER BACKFILLING.

G. BACKFILL HOLES IMMEDIATELY AFTER PLANT IS PLACED USING BACKFILL MIX. BACKFILL TO ONE HALF DEPTH, FILL HOLE WITH WATER AND LIGHTLY TAMP SOIL TO REMOVE VOIDS AND AIR POCKETS.

H. TRIM PLANTS TO REMOVE DEAD AND INJURED BRANCHES ONLY. BRACE PLANTS OVER 65 GALLONS IN SIZE.

I. MULCH TO THE TOP OF THE ROOT BALL. DO NOT PLANT GRASS ALL THE WAY TO TRUNK OF THE TREE. MULCH WITH AT LEAST 2" OF SPECIFIED MULCH.

J. DO NOT WRAP TREES.

K. DO NOT OVER PRUNE.

L. BLOCKS OF SOD SHOULD BE LAID JOINT TO JOINT AFTER FERTILIZING THE GROUND FIRST. ROLL GRASS AREAS TO ACHIEVE A SMOOTH, EVEN SURFACE. THE JOINTS BETWEEN BLOCKS SHOULD BE FILLED WITH TOPSOIL AND THEN WATERED THOROUGHLY.

3.4 STEEL EDGING

A. STEEL EDGING SHALL BE INSTALLED AND ALIGNED AS INDICATED ON PLANS. OWNER'S REPRESENTATIVE TO APPROVE THE STAKED OR PAINTED LOCATION OF STEEL EDGE PRIOR TO INSTALLATION

B. ALL STEEL EDGING SHALL BE FREE OF BENDS OR KINKS.

C. TOP OF EDGING SHALL BE 1/2" MAXIMUM HEIGHT ABOVE FINAL FINISHED GRADE.

D. STAKES ARE TO BE INSTALLED ON THE PLANTING BED SIDE OF THE EDGING, NOT THE GRASS SIDE.

E. STEEL EDGING SHALL NOT BE INSTALLED ALONG SIDEWALKS OR CURBS.

F. EDGING SHOULD BE CUT AT A 45 DEGREE ANGLE WHERE IT MEETS SIDEWALKS OR CURBS.

3.5 CLEANUP

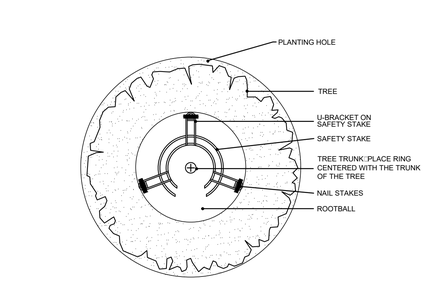
A. REMOVE CONTAINERS, TRASH, RUBBISH AND EXCESS SOILS FROM SITE AS WORK PROGRESSES.

B. REPAIR RUTS, HOLES AND SCARES IN GROUND SURFACES.

C. PREMISES SHALL BE KEPT NEAT AT ALL TIMES AND ORGANIZED.

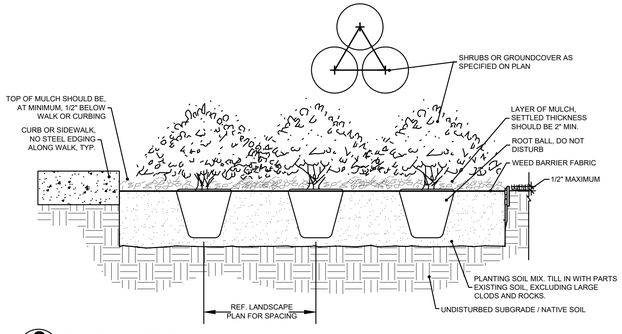
D. ALL PAVED AREAS SHOULD BE CLEANED AT THE END OF EACH WORK DAY.

3.6 ACCEPTANCE



A. ENSURE THAT WORK IS COMPLETE AND PLANT MATERIALS ARE IN VIGOROUS AND HEALTHY GROWING CONDITION.

B. UPON COMPLETION OF THE WORK, THE LANDSCAPE CONTRACTOR SHALL PROVIDE THE SITE CLEAN, FREE OF DEBRIS AND TRASH, AND SUITABLE FOR USE AS INTENDED. THE LANDSCAPE CONTRACTOR SHALL THEN REQUEST AN INSPECTION BY THE OWNER TO DETERMINE FINAL ACCEPTABILITY.



C. WHEN/IF THE INSPECTED PLANTING WORK DOES NOT COMPLY WITH THE CONTRACT DOCUMENTS, THE LANDSCAPE CONTRACTOR SHALL REPLACE AND/OR REPAIR THE REJECTED WORK TO THE OWNER'S SATISFACTION WITHIN 24 HOURS.

D. THE LANDSCAPE MAINTENANCE PERIOD WILL NOT COMMENCE UNTIL THE LANDSCAPE WORK HAS BEEN RE-INSPECTED BY THE OWNER AND FOUND TO BE ACCEPTABLE. AT THAT TIME, A WRITTEN NOTICE OF FINAL ACCEPTANCE WILL BE ISSUED BY THE OWNER, AND THE MAINTENANCE AND GUARANTEE PERIODS WILL COMMENCE.

PLANNING AND ZONING COMMISSION MEMORANDUM

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | David Gonzales, *Planning and Zoning Manager* |
| **DATE:** | May 28, 2019 |
| **SUBJECT:** | MIS2019-005; *Alternative Tree Mitigation Settlement Agreement* |

The applicant, John Delin of R. W. Ladera, LLC, is requesting an *Alternative Tree Mitigation Settlement Agreement* in conjunction with the Ladera of Rockwall Addition for the purpose of offsetting a portion of the required tree mitigation. Specifically, the applicant is requesting relief associated with the trees (*i.e. 699.5-caliper inches of trees*) that will be removed to construct an off-site, 12-inch sanitary sewer line that will serve the development. On June 26, 2018, the Planning and Zoning Commission approved an amended treescape plan allowing for the removal of an additional 977.75-caliper inches that were associated with the construction of this sanitary sewer line. This approval brought the total mitigation balance due to 1,443.25 caliper-inches. On March 12, 2019, a revised treescape plan was submitted with the final plat application [*Case No. P2019-010*] indicating the need for the removal of an additional 283.5-caliper inches of tree to allow the installation of the 12-inch sanitary sewer line. This increased the total mitigation balance due to 1,726.75-caliper inches. Currently, the applicant's approved mitigation plan calls for providing all 1,726.75-caliper inches on-site.

The applicant's proposal requests that the City Council consider one (1) of the two (2) following alternatives:

1. The City Council waive the 699.5-caliper inches associated with the offsite installation of the 12-inch sanitary sewer line; or,
2. The City Council consider reducing the tree mitigation balance associated with the off-site improvements by ½ the amount (*i.e. 349.75-caliper inches*). This balance would then be donated to the Parks Department to save the applicant the expense of planting and caring for the trees on-site.

If the City Council does not approve one (1) of the two (2) alternatives, the applicant has stated that they intend to provide the full balance to the Parks Department to be used in other areas of the City. According to *Section 7*, *Alternative Tree Mitigation Settlement Agreement*, of *Article X*, of the *Unified Development Code* (UDC), the City Council -- *upon recommendation from the Planning and Zoning Commission* -- may consider an *Alternative Tree Mitigation Settlement Agreement* where, due to hardship, the applicant is unable to meet the requirements of this article or where it is determined that adherence to the tree mitigation requirements will create a hardship for an applicant.

Attached to this memo is the applicant's letter requesting the alternatives and an exhibit indicating the tree's that will be required to be removed with the 12-inch sanitary sewer line. Should the Planning and Zoning Commission have any questions staff will be available at the *May 28, 2019* meeting.

Consider a request by Mike Samples for the approval of a final plat for Lot11, Block A, 205 Business Park Addition being a 1.50-acre tract of land identified as Tract 2-16 of the J. R. Johnson Survey, Abstract No. 128, City of Rockwall, Rockwall County, Texas, zoned Heavy Commercial (HC) District, addressed as 125 National Drive, and take any action necessary.

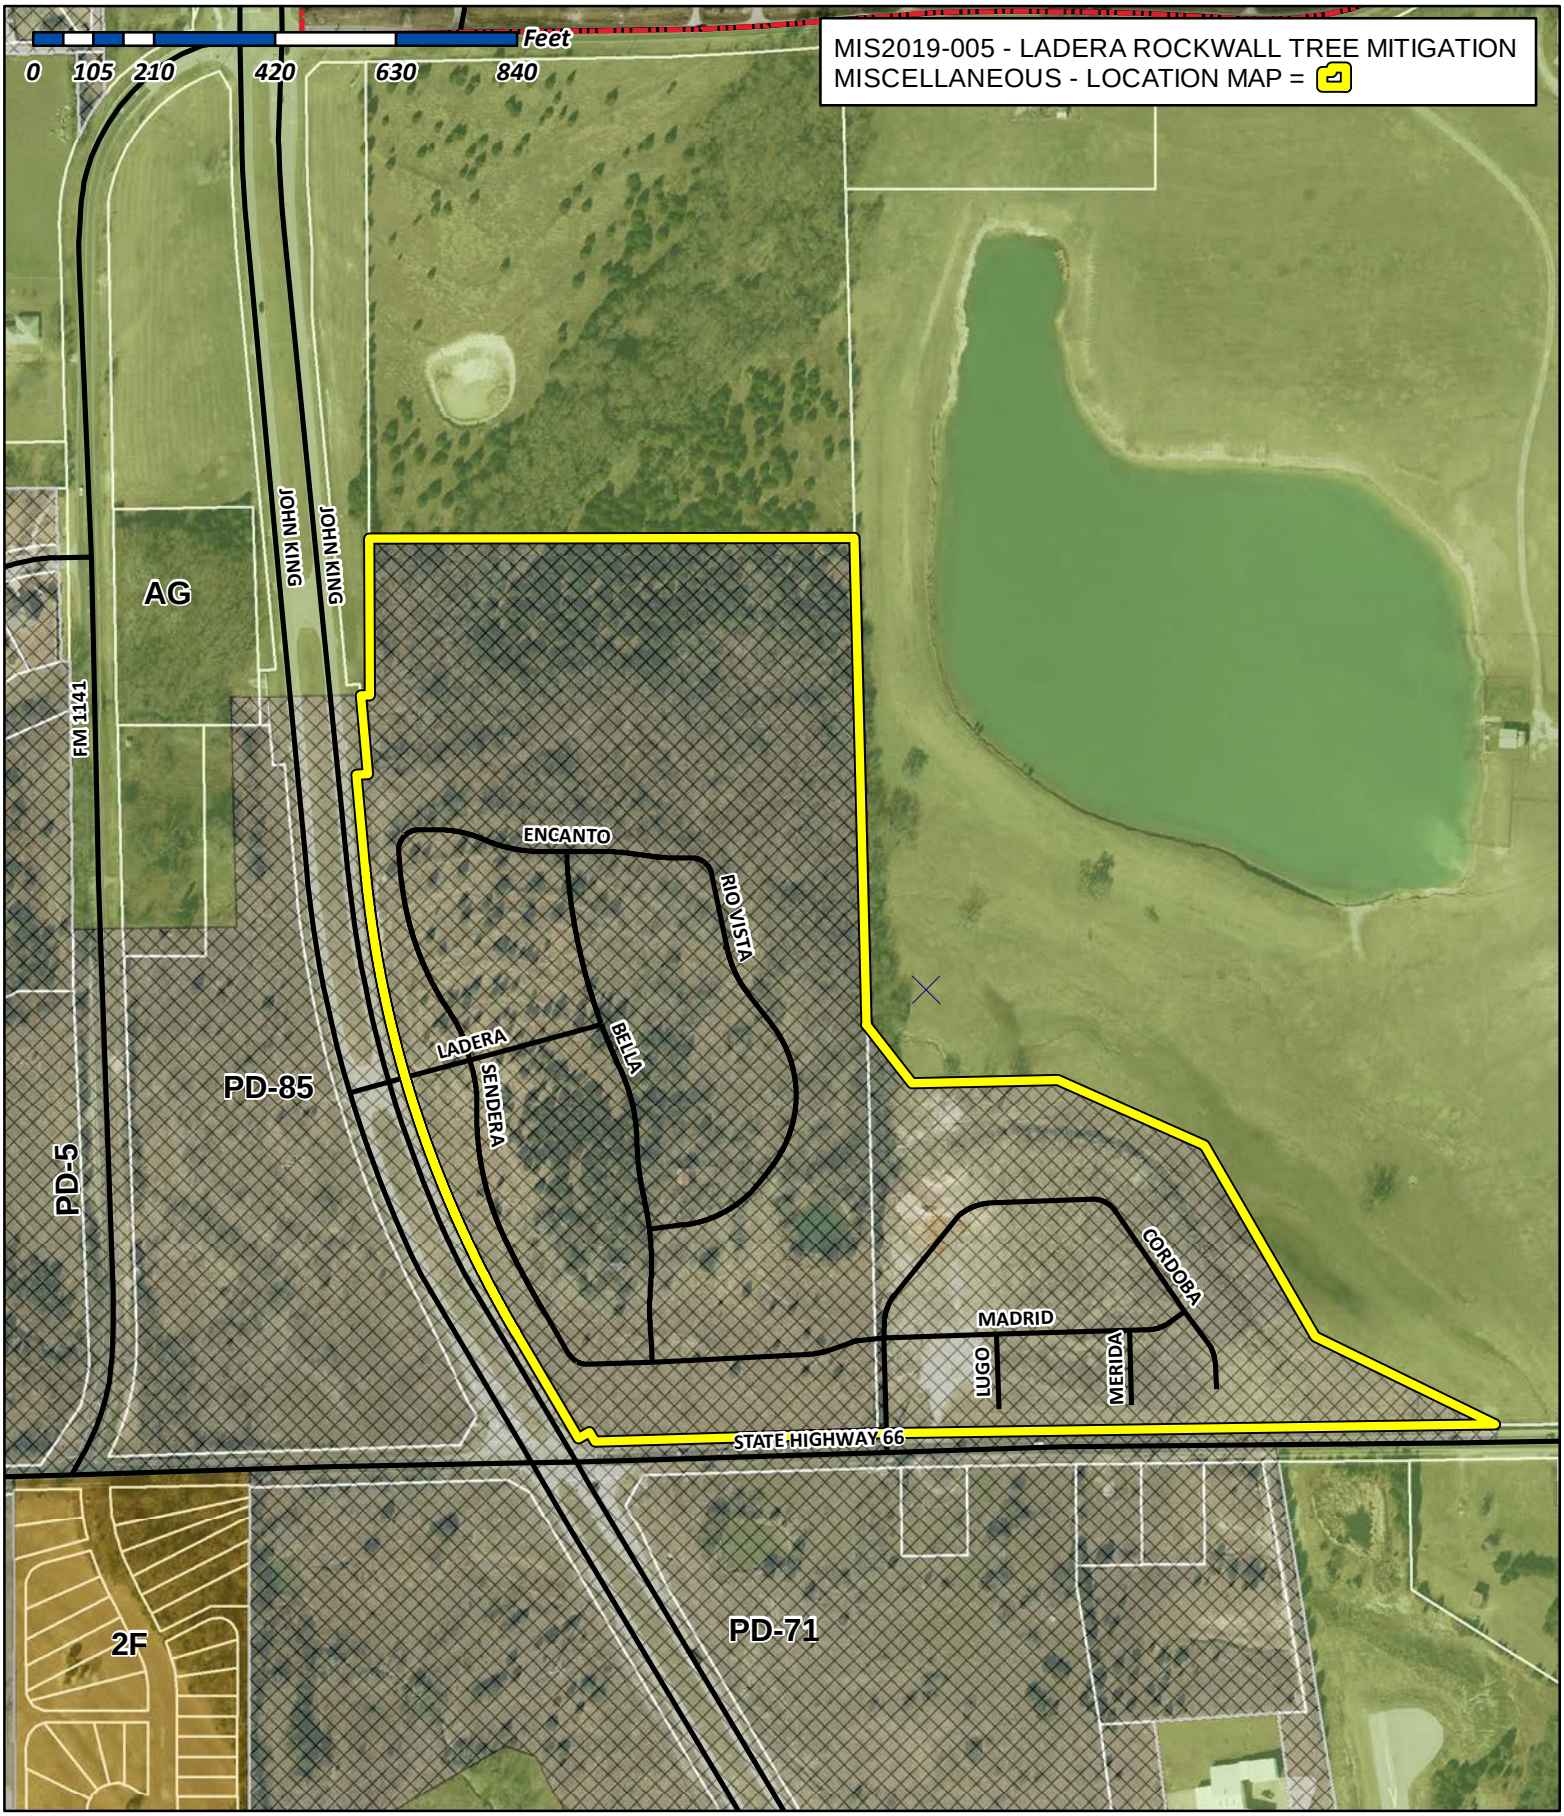
The following staff comments are to be addressed and resubmitted no later than Tuesday May 7, 2019. Please provide one (1) large copy [24" X 36" FOLDED] and one PDF version for a final review by staff:

** Planning Department General Comments to be addressed:

The following staff comments are to be addressed and resubmitted no later than Tuesday May 7, 2019. Please provide one (1) large copy [24" X 36" FOLDED] and one PDF version for a final review by staff:

** Planning Department General Comments to be addressed:

1. The final plat shall conform to all standards and requirements of the Unified Development Code(UDC), the staff comments provided by the Planning, Engineering, Building Inspections, and Fire Department as indicated in the Project Plan Review document.
2. Provide a label indicating "Case No. P2019-019" on the lower right corner on all pages of the revised final plat.
3. Correct Title Block to read as follows:
Final Plat
Lot 11, Block A, 205 Business Park Addition
being 1-Lot containg 1.50-acres or 65,338 SF
Identifed as Tract 2-15 of the J.R. Johnson Survey, Abstract 128
An Addition to the City of Rockwall, Rockwall County, Texas



** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions are to be approved (by staff) prior to the plat being submitted on mylar for filing. **

** Although on this case is on the Consent Agenda, staff would recommend that you and/or your representative(s) are in attendance for this request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Consent Agenda: April 30, 2019 (Tuesday at 6:00 p.m.)

City Council - Consent Agenda: May 6, 2019 (Monday at 6:00 p.m.)

Subject: Request for Hearing on Tree Mitigation

Ryan,

Per our phone call earlier, we are submitting a request to have a hearing on the Tree Mitigation associated with our Ladera Rockwall project, *only* in reference to the Offsite Utilities portion of the project.

As you know we are installing $500,000 for water & sewer expansion for the City which will feed future growth and unfortunately receive no Pro-rata return for this work. Additionally we are faced with almost 500 inches of tree mitigation for areas which there is considerable tree growth anyway. We would propose;

1. A waiver of the Mitigation in Total for the Offsite Utility portion of the project or,
2. Reduce by ½ the amount to be Mitigated and provide the balance as a donation to the City for its use, without us expensing the cost for labor for planting and care.
3. Provide the appropriate number of inches in a donation to the City for use in other areas, without us expensing the cost for labor for planting and care.

Let me know if we can get this on the agenda.

Best,

**John Delin**

PLANNING AND ZONING COMMISSION MEMORANDUM

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | David Gonzales, *Planning and Zoning Manager* |
| **DATE:** | May 28, 2019 |
| **SUBJECT:** | MIS2019-006; *Masonry Exception for 608 Christian Court* |

The applicant, Glenn Goodrich, is requesting an exception to the minimum masonry requirements stipulated by Section 3.01.A(1), *Materials and Masonry Composition*, of Article V, *District Development Standards*, of the Unified Development Code (UDC). The purpose of this request is to accommodate the construction of a 360 SF raised deck on the subject property at 608 Christian Court. The subject property is zoned Single Family 10 (SF-10) District, and is located adjacent to the entryway into the Northshore Subdivision. The proposed raised deck will be two (2) stories or 13-feet in total height, and be constructed of metal and *Trex Composite Board*. It will be situated 3½-feet from the rear property line and 3½-feet from the side yard property line, and will be partially screened by a six (6) foot vinyl fence. The second story of the proposed structure will be visible from both N. Lakeshore Drive and Stoneybrook Drive. On May 28, 2019, the Board of Adjustments approved the following variances to the proposed structure [*Case No. BOA-2019-5-V*]:

(1) Reduce the side yard setback from 15-feet to 3½-feet.
(2) Reduce the rear yard setback from 20-feet to 3½-feet.
(3) Reduce the distance between buildings from six (6) feet to zero (0) feet to allow an existing accessory building to be contiguous to the proposed accessory building.
(4) Increase the maximum size permitted for an accessory building from 225 SF to 360 SF.

Once the applicant received these variances from the Board of Adjustments, it was necessary to bring the case before the Planning and Zoning Commission for a masonry exception. According to Section 3.01, *General Residential District Standards*, of Article V, *District Development Standards*, "(a)ll buildings with a building footprint of 120 SF or greater that are over 10-feet in height shall consist of a minimum of 80% Primary Materials and/or a maximum of 20% Secondary Materials." A *Primary Material* is defined as stone, brick and/or cementitous materials, and a *Secondary Material* is defined as any material that is not a *Primary Material*. In this case, the applicant is requesting an exception to use 100% secondary materials. The UDC grants the Planning and Zoning Commission the discretion to approve exceptions to the material requirements on a case-by-case basis upon the submission of material samples and building elevations. In approving an exception, the Planning and Zoning Commission is asked to review the applicant's justification for the request, and the "…unique or extraordinary condition that exist and/or the undue hardship created by strict adherence to the technical requirements." In this case, there does not appear to be a hardship preventing the applicant from meeting the requirements; however, this request is a discretionary decision for the Planning and Zoning Commission. Should the Planning and Zoning Commission have any questions staff will be available at the *May 28, 2019* meeting.

Discuss and consider a request by Glen Goodrich for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code for an accessory structure on a 0.2296-acre parcel of land identified as Lot 1, Block I, Northshore, Phase 2B Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District, addressed as 608 Christian Court, and take any action necessary.

1. Request requires approval by the Planning and Zoning Commission for an exception to the material requirements of the UDC as outlined in staff's report.

Scheduled Meeting Dates to Attend:

Planning - Action Item: May 28, 2019 (Tuesday at 6:00p.m.)

# ORDER OF THE BOARD OF ADJUSTMENT
# OF THE CITY OF ROCKWALL, TEXAS

## ORDER NO. BOA 2019-6-V

WHEREAS, the Board of Adjustment held a public hearing on the 9th day of May, 2019. To consider the application of Glenn Goodrich for the approval of a variance from the Residential Single Family 10 (SF10) zoning to reduce the required side set back from 15ft. to 3ft., to reduce the rear set back from 20 ft. to 3.5ft., to allow the accessory structure to exceed maximum square footage from 225 ft. to 360 ft., and reduce the minimum required separation between accessory structures from 6ft. to zero. The legal description known as Northshore PH 2B, Block1, Lot 1, addressed as 608 Christan Ct., in order to construct a 360 sq. ft. mezzanine.

WHEREAS, the applicant requested a variance from the said zoning which requires zoning to reduce the required side set back from 15ft. to 3ft., to reduce the rear set back from 20 ft. to 3.5ft., to allow the accessory structure to exceed maximum square footage from 225 ft. to 360 ft., and reduce the minimum required separation between accessory structures from 6ft. to zero

WHEREAS, after due consideration and discussion it appears that the granting of such a variance would not cause an adverse effect on the surrounding properties and would not be contrary to the public interest.

**NOW, THEREFORE BE IT ORDERED BY THE BOARD OF ADJUSTMENT OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That all of the above premises are found and determined to be true and correct and are incorporated into the body of this order as if copied in their entirety.

Section 2. That the request from the applicant for this Board to grant a variance from the zoning, be and in the same is hereby granted so as to reduce the required side set back from 15ft. to 3ft., to reduce the rear set back from 20 ft. to 3.5ft., to allow the accessory structure to exceed maximum square footage from 225 ft. to 360 ft., and reduce the minimum required separation between accessory structures from 6ft. to zero. The legal description known as Northshore PH 2B, Block1, Lot 1, addressed as 608 Christan Ct., in order to construct a 360sq. ft. mezzanine.

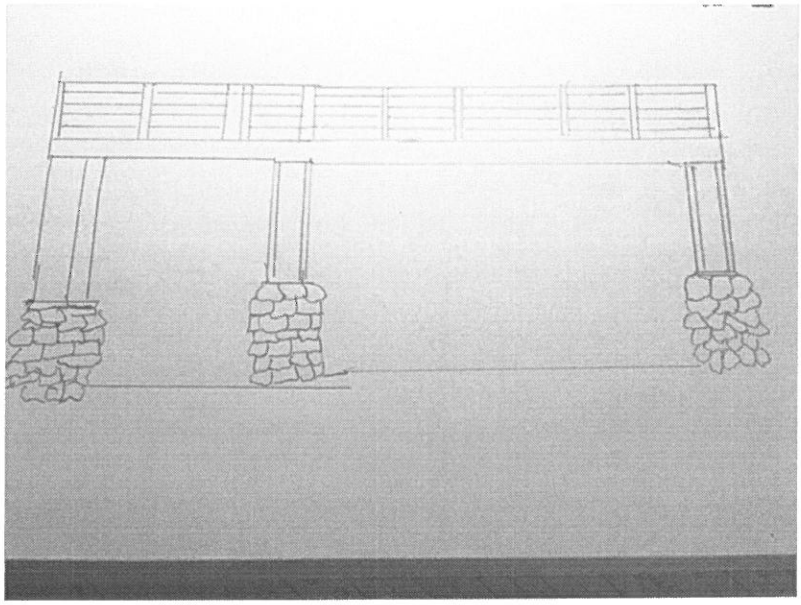
Section 3. That the Building Official of the City is hereby authorized and directed to issue the appropriate permits, if any, for the above described property under the terms and conditions of this Order.

Section 4. That this Order was passed by the concurring vote of at least four (4) members of the Board of Adjustment and is effective as of the 9th day of May, 2019.

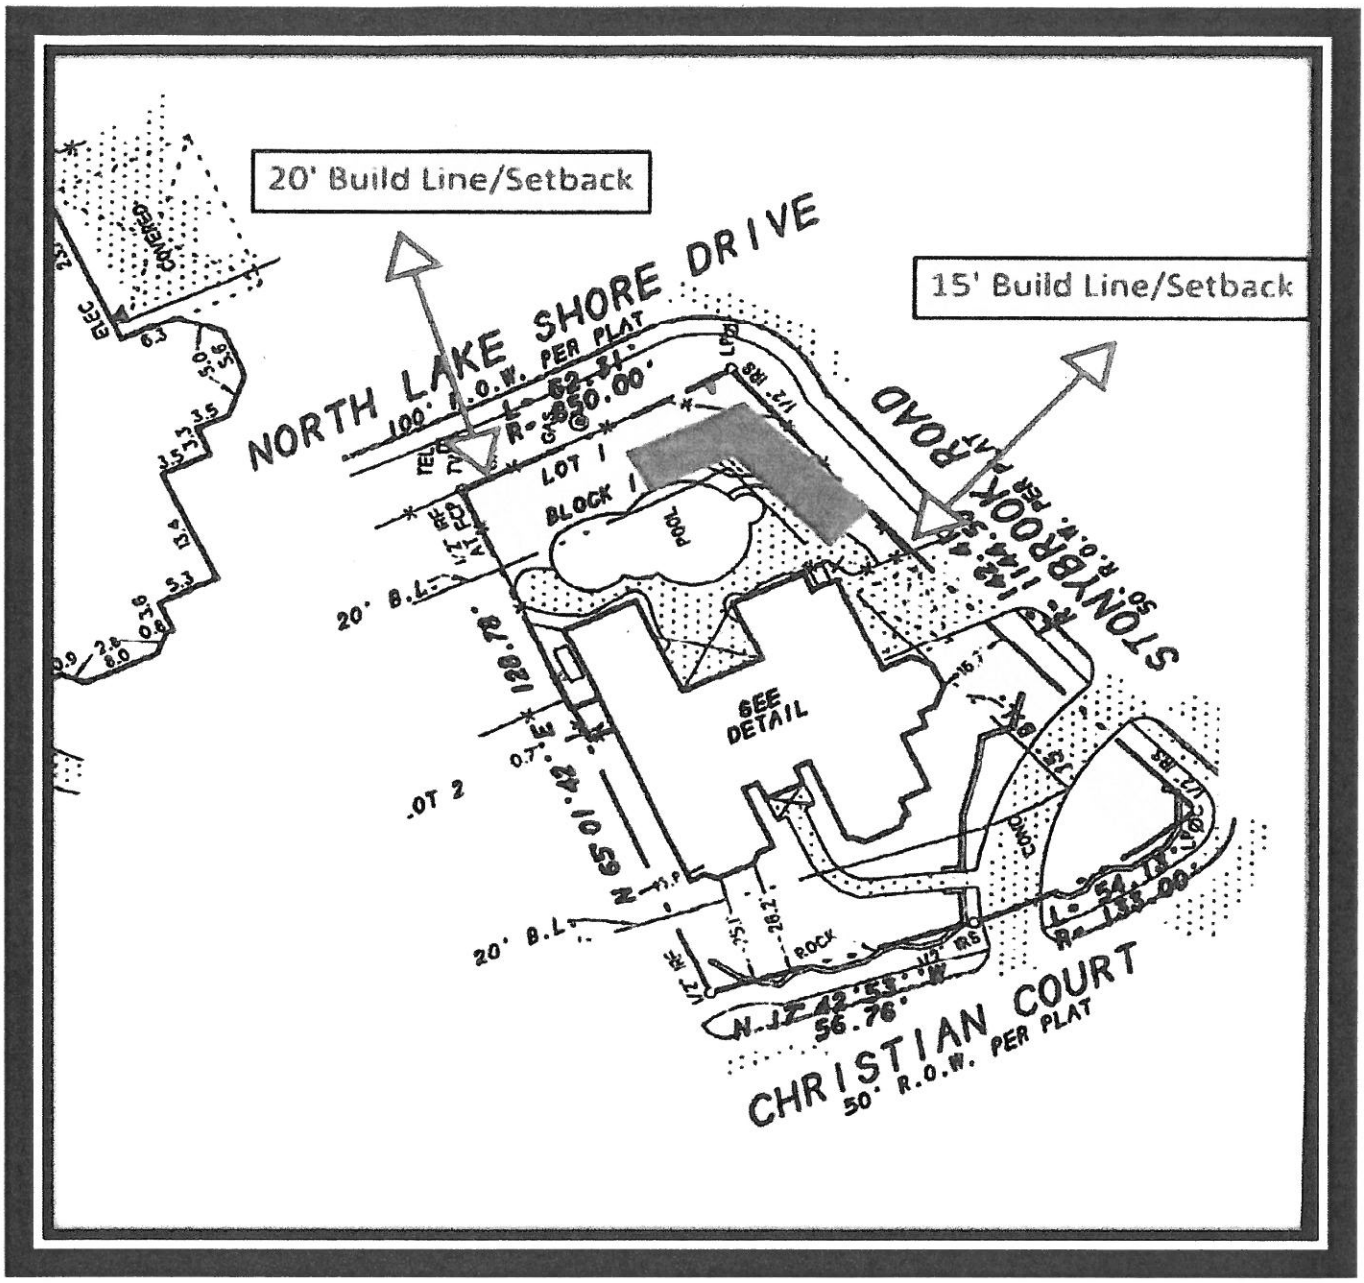
**ATTEST:**

Secretary

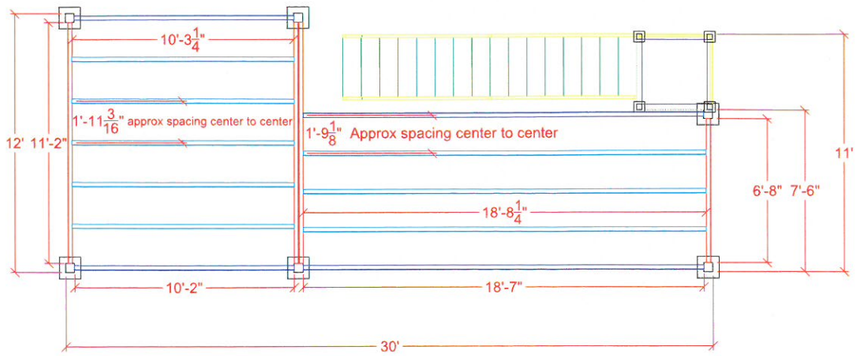
**APPROVED:**



Chairman



I am building a mezzanine, as pictured in the attached pics. It will be similarly clad to the red stone in my backyard with Trex decking and railing. My property has an extreme elevation change from my front yard to my back yard. The elevation changes almost 14 ft, this deck is going to be built into the hill. The metal beam work is to support this.



It will be clad in rock and stone to match the yard / house. The metal structure is to ensure safety. All steps are OSHA compliant, per attached engineered drawings.

Railing is representative – It will be minimal sight reduction, our current thinking is just like the railing at the 66 bridge.

All exposed wood / metal would be painted white. Rock will be similar to the existing stone in my back yard.
Height of the stone in the picture is representative.

Z2019-012 Zoning Change (AG to PD)

Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family-1 (SF-1) District land uses on a 61.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the west side of Stodgehill Road [FM-3549] north of the intersection of Stodgehill Road [FM-3549] and Cornelius Road.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (Z2019-012) in the lower right hand corner of all pages on future submittals.

M.4 Please review the draft ordinance prior to meeting on May 28, 2019.

M.5 Please provide staff with the new survey and legal description once it is completed. In addition, the Clem Road will need to adjusted to show dedication and fill width of road.

I.6 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 4. The Planning and Zoning Worksession for this case is May 28, 2019. The Planning and Zoning Meeting for this case is June 11, 2019.

I.7 The projected City Council meeting dates are June 17, 2019 and July 1, 2019. A representative is required to attend all meetings.

Development Standards.

1. Permitted Uses. Unless specially provided by the Planned Development ordinance, only those uses permitted within the Single Family Rural Estate 1.5 and Single Family 1 (SF-1) District, as stipulated by the Permissible Use Charts contained in Article IV, Permissible Uses, of the Unified Development Code (UDC), are allowed on the Subject Property.

2. Lot Composition and Layout. The lot layout and composition shall generally conform to the Concept Plan depicted in the Exhibit "B" and the stated in Table 1, which is as follows:

Table 1: Lot Composition:

| Lot Type | Minimum Lot Size (FT) | Minimum Lot Size (SF) | Dwelling Units (#) | Dwelling Units (%) |
|---|---|---|---|---|
| A | 120' x 200' | 43,560 | 17 | 43% |
| B | 130' x 400' | 65,340 | 22 | 56% |

3. Density and Dimension Requirements. Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the SF – RE 1.5 and SF – 1, as speciated by Article V, District Development Standards, of the Unified Development Code are applicable to all development on the Subject Property. The maximum permissible density for the Subject Property shall not exceed .75 dwelling units per gross acre of land; however, in no case should the proposed development exceed 41 units. All lots shall conform to the standards depicted in Table 2, which is as follows:

Table 2: Lot Dimensional Requirements:

| | |
|---|---|
| Minimum Lot Width [(1)] | 120' |
| Minimum Lot Depth | 200' |
| Minimum Front Yard Setback [(2) & (5)] | 70' |
| Minimum Side Yard Setback | 25' |
| Minimum Side yard Setback (Adjacent to a Street) [(2) & (5)] | 30' |
| Minimum Length of Driveway Pavement | 70' |
| Maximum Height [(3)] | 38' |
| Minimum Rear Yard Setback | 50' |
| Minimum Area / Dwelling unit (SF) | 2500 SF |
| Maximum Lot Coverage | 20% |
| Permitted Encroachment into Required Setbacks [(5)] | Allowed |

General Notes:

1. The minimum lot width shall be measured at the Front Yard Building Set Back.
2. The location of the Front Yard Building Setback as measured from the front property line
3. The Maximum Height shall be measured to the eave or top plate (which ever is grater) of the single-family home
4. As measured from the rear yard property line
5. Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimney, eaves, and similar architectural features may encroach beyond the Front Yard Building Setback by up to ten (10) feet for an property; however, the encroachment shall not exceed five (5) feet on side yard setbacks (Adjacent to a street) and shall not encroach into public right-of-way [ a Sunroom is an enclosed room no more than 15 feet in width that has glass on at least 50% of each of the encroaching faces].

4. Building Standards. All development shall adhere to the following building standards:

   (a) Masonry Requirement. The minimum masonry requirement for the exterior facades of all buildings shall be 75%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementaceous fiber board horizontal lap-siding (e.g. HardiBoard or Hardy Plank) and stucco may be used for up to 50% of the masonry requirement.

   (b) Roof Pitch. A minimum of an 4:12 roof pitch is required on all structures.

   (c) Garage Orientation. Garages may be orientated in a traditional swing (or j-swing) configuration, side entry or front facing configuration with a minimum setback of 70’ (i.e. allowing the garage to be flush with the front façade of the primary structure). All garage configurations that are not front entry shall meet the requirements of Article VI, Parking and Loading, of the Unified Development Code.

5. Fencing Standards. All individual residential fencing and walls shall be architecturally compatible with the design, material and color of the primary structure on the same lot and meet the following standards:
   a. Wrought Iron / Tubular Steel / Pipe Rail. All lots shall utilize fencing materials that shall be open in nature and not exceed 6 feet in height. Fences that extend beyond the front building line of any structure shall be required to be pipe rail or similar. No chain link or wooden fencing shall be allowed.

6. Landscape and Hardscape Standards.
   (1) Landscape. Landscaping shall be reviewed and approved with the PD Site Plan. All Canopy / Shade trees planed within this development shall be a minimum of Four (4) caliper inches in size and all Accent / Ornamental / Under-Story trees shall be a

minimum of four (4) feet in total height. The following tree species are approved for planting with this subdivision:

a. Canopy / Shade Trees. Bald Cyprus, Cedar elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, Pecan, Live Oak, and Burr Oak.
b. Accent / Ornamental / Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow

(2) Landscape Buffers. All landscape buffers and planting located within the buffers shall be maintained by the Homeowner's Association (HOA)

a. Landscape Buffer and Sidewalks (FM 3549). A minimum of 30-foot landscape buffer shall be provided along the frontage of FM 3549 and shall incorporate ground cover, a built-up Berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30 inches and a maximum height of 48 inches. In addition, three (3) canopy tree and four (4) accent trees shall be planted per 100 feet of linear frontage. The developer shall also be responsible for the construction of a five (5) foot sidewalk situated within the 30-foot landscape buffer adjacent to FM 3549.

(3) Street Scape Landscaping. Prior to the issuance of a Certificate of Occupancy (CO), all residential single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by section 6(1) of this ordinance in the following sizes and proportions:

(i) Three (3), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of the required lots.
(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the rear yards of the required lots.
(iii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the side yards facing the street.

Note: For the purposes of this section only [i.e. Section 6(3) the term "front yard" includes the area within the front yard setback immediately adjoining the front yard of the lot. The Term "required lot" includes the lots 8-17 Along the southern edge of Street B and Lots 1-16 on the Northern edge of Street "B".

(4) Irrigation Requirements. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space, Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.
(5) Hardscape. Hardscape plans indicating the location of all sidewalks and tails shall be reviewed and approved with the PD Site Plan.

7. Streets. All streets (excluding drives, fire lanes and private parking areas) shall be built according to City street standards.

8. Lighting. Light poles shall not exceed 20-feet in total height (i.e. base and lighting standard). All fixtures shall be directed downward and be positioned to contain all light within the development area.

9. Sidewalks. At a maximum, all sidewalks adjacent to a street shall begin two (2) feet behind the right-of-way and be five (5) feet in overall width.

10. Buried Utilities. New distribution powerlines required to serve the Subject Property shall be placed underground, whether such lines are located internally or along the perimeter of the Subject Property, unless otherwise authorized by the City Council. New transmission powerline, or distribution lines, of a size not typically or cost effectively placed underground (3-phase lines), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the Subject Property. The Developer shall not be required to re-locate existing overhead powerlines along the perimeter of the Subject Property. Temporary powerlines constructed across undeveloped portions of the Subject Property to facilitate development phasing and looping may be allowed above ground, but shall not be considered existing lines at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the homes and the property line.

11. Open Space. The development will not be required to have open space. A landscape buffer provided along FM 3549 with 5' trail shall satisfy any open space requirements. Additionally, the developer shall construct a pro-rated section of roadway improvements along Clem Road. A 30' landscape buffer shall be provided for any lots that back up to Clem Road and developer shall be required to construct city sidewalk in the buffer. Planting requirements shall be the same as section (2)a. There shall be no berm requirement along Clem Road.

12. Neighborhood Signage. Permanent subdivisions identification signage shall be permitted at all major entry points for the proposed subdivision. Final Design and location of any entry features shall be reviewed and approved with the PD Site Plan.

13. Drainage Standards. The development shall comply with existing drainage standards including the permissible spread of water in the streets and permissible gutter low through intersection as outlined in the City of Rockwall's Standards of Design and Construction (approved in August 2003 and updated in October 2007). The proposed drainage areas, flow patterns and storm drain system that will be constructed shall be based on the City's drainage criteria and be identified on a Conceptual Drainage Plan, which shall be submitted with the Civil Plans at the time of Engineering submittal. The conceptual Drainage plan shall be reviewed and approved by the Engineering Department in compliance with engineering standards.

14. Onsite Waste Water Facilities. All lots shall be serviced by Onsite Waste Water Facilities and shall be permitted through the Texas Commission on Environmental Quality (TCEQ) and in accordance with the requirements set forth by the TCEQ.

15. Homeowner's Association (HOA). A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of Section 38-15 of the Subdivision Regulations contained within the Municipal Code of Ordinances of the City fo Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, screening fences associated with this development.

- The following is for your information for the site plan and engineering review.

- 4% Engineering Fees.
- Impact fees.
- All parking to be 20'x9' and parallel spaces to be 22'x9'.
- Must show all existing and proposed utilities.
- If building height exceeds 30' tall, the fire lane radii must be 30' or radius of 20'. Minimum width is 24'.
- Retaining walls 3' and over must be designed by an engineer. All retaining walls to be rock or stone face. No smooth concrete walls.
- Min easement is 20'. Water, sewer, and storm lines must have 10' of easement on both sides of the line.
- May lose some ROW with IH 30 project.
- Storm Pro-rata = $7226.59/acre.
- Infrastructure study may be required.
- Must meet all City Standards of Design and Construction.

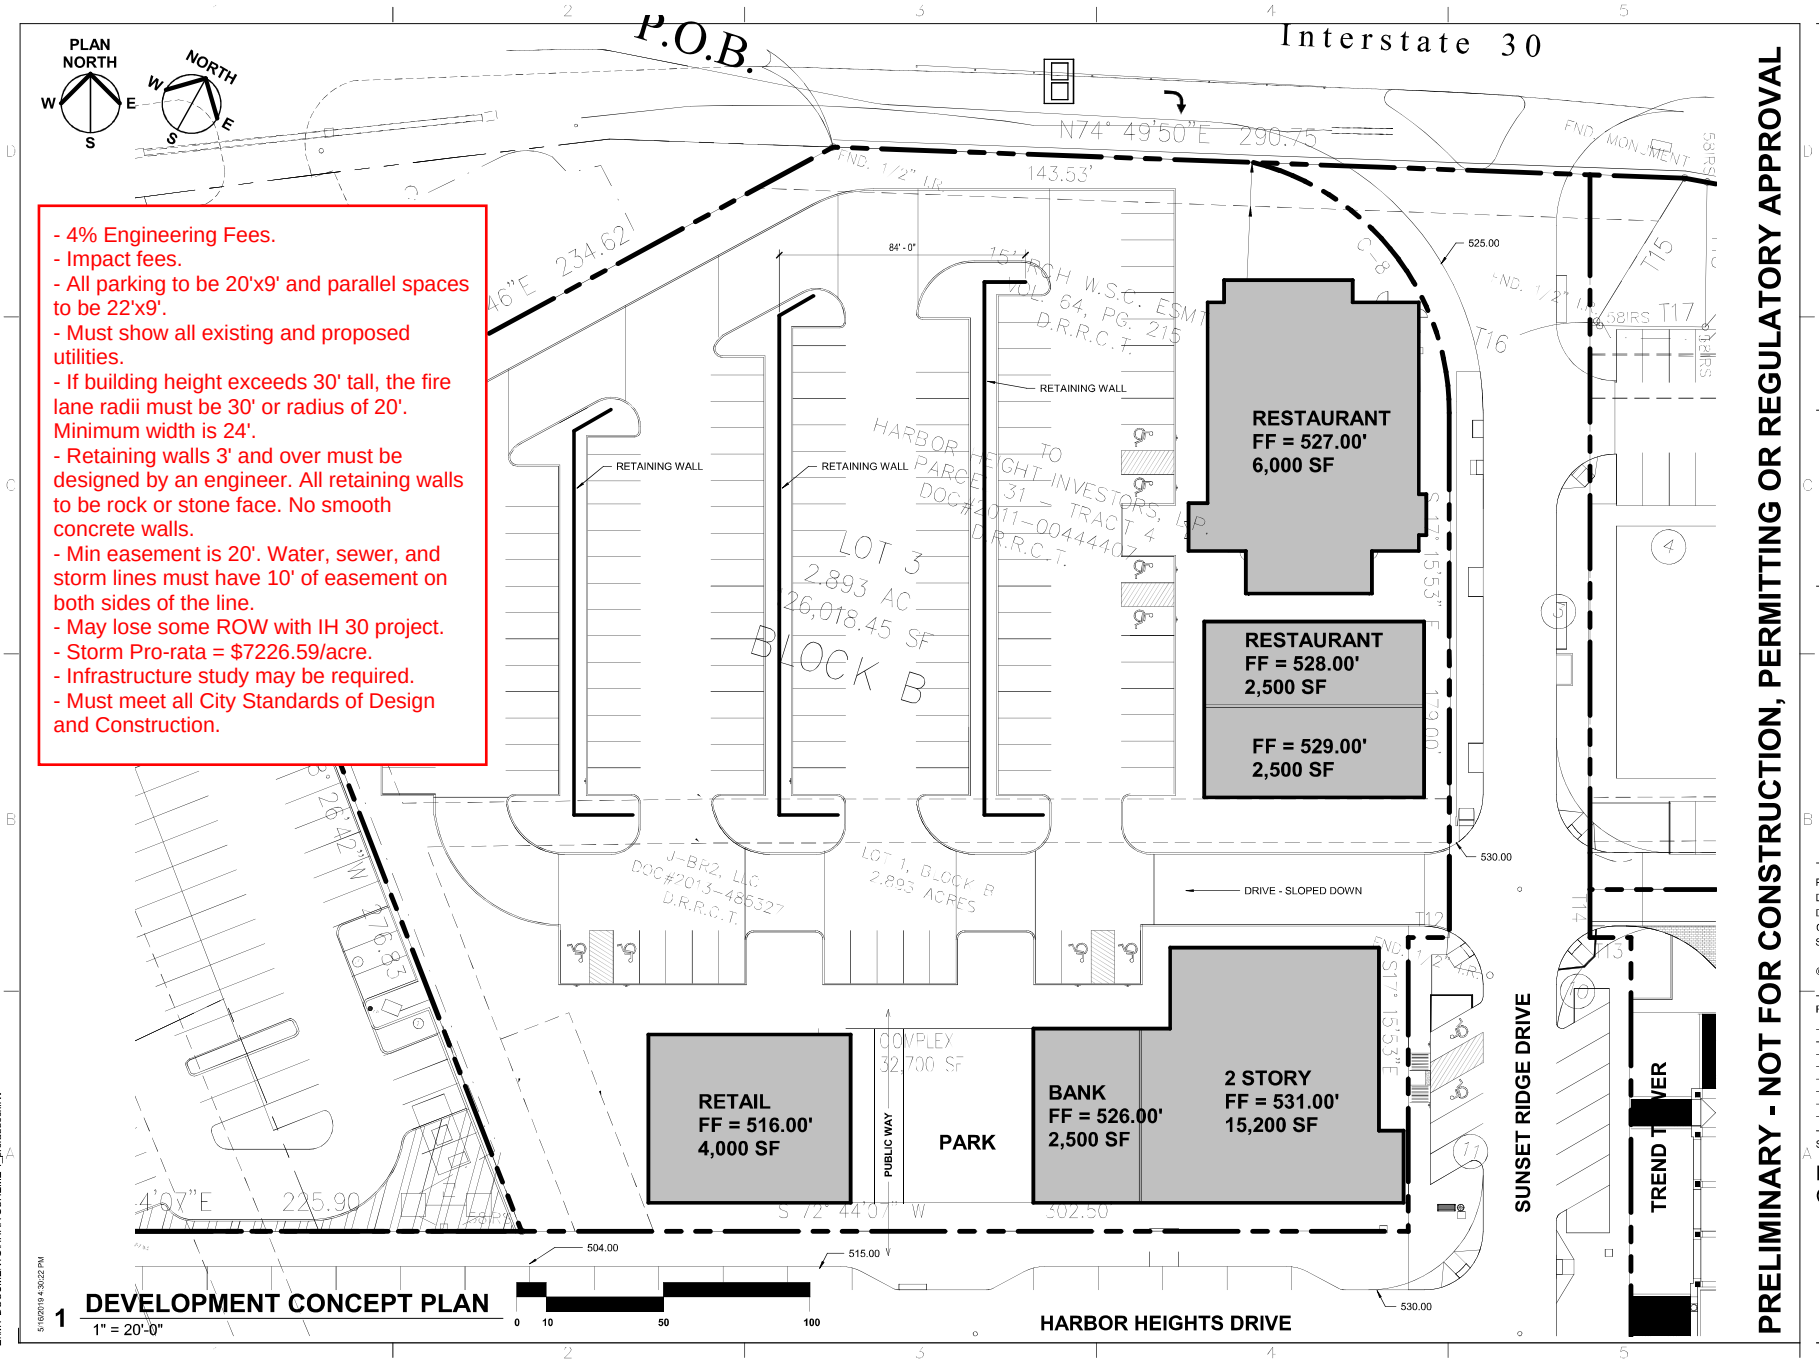
Z2019-013; PD Development Plan for PD-32 (Harbor Heights Retail/Restaurants Pad Sites)
Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 This is a request for the approval of a PD Development Plan within Planned Development District 32 (PD-32), on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas, situated within the Hillside Sub-District of Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, and located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive.
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (Z2019-013) in the lower right-hand corner of all pages on future submittals.
M.4 Please dimension the site plan and show conformance to the following requirements for building placement:

1) Build-to-Line from ROW:
a. Sunset Ridge Drive: 8-Feet
b. Sunset Ridge Drive (South of Proposed Entryway): 8-Feet (45% of Façade)
c. Harbor Heights Drive: 4-Feet (45% of Façade)



NOTE: The remaining façade must be no less than two (2) feet and no more than 12-feet from the build-to-line.

2) Setback from ROW:
a. IH-30: 250-Feet
b. Sunset Ridge Drive: 5-Feet
c. Harbor Heights Drive: 5-Feet

M.5 Please indicate the percentage of building frontage along Harbor Heights Drive. The minimum required is 85%.
M.6 Please indicate the distance between the surface parking lots from the right-of-way line. The minimums are as follows:

1) IH-30: 20-Feet
2) Sunset Ridge Drive: 10-Feet
3) Harbor Heights Drive: 10-Feet

M.7 Please indicate the two (2) required pedestrian ways along Harbor Heights Drive.
I.8 The are adjacent to the park could incorporate a seat wall along Harbor Heights Drive which would help off-set any deviations from the build-to-line requirements and continuous façade requirements.
M.9 Based on the site plan approval for the original case and the requirements of Planned Development District 32 (PD-32), irrigated pots with landscaping should be incorporated adjacent to the buildings along Harbor Heights Drive.
M10 All buildings will need to incorporate dual entryways facing both IH-30, Harbor Heights Drive and Sunset Ridge Drive,
M.11 Please review the attached draft ordinance prior to the May 28, 2019 Planning & Zoning Commission meeting, and provide staff with your markups by May 7, 2019.
I.12 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on May 7, 2019; however, it is encouraged for applicants to submit revisions as soon as possible to give staff ample time to review the case prior to the June 11, 2019 Planning & Zoning Meeting. The Planning & Zoning Work Session meeting will be held on May 28, 2019.
I.13 The projected City Council meeting dates for this case will be June 17, 2019 [1st Reading] & July 1, 2019 [2nd Reading].

- 4% Engineering Fees.

**CITY OF ROCKWALL**

**ORDINANCE NO. 14-51**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING *ORDINANCE NO. 10-21* OF PLANNED DEVELOPMENT DISTRICT 32 (PD-32) AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A DEVELOPMENT PLAN FOR RETAIL/RESTAURANT PAD SITES ON A 2.893-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK B, HARBOR DISTRICT ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the City has received a request from Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of D. W. Bobst of J-BR2, LLC for an amendment to *Ordinance No. 10-21* of Planned Development District 32 (PD-32) and the Unified Development Code [*Ordinance No. 04-38*] for the purpose of establishing a PD Development Plan for retail/restaurant pad sites within the *Hillside Subdistrict*, on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

**WHEREAS**, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

**SECTION 1.** That Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] and the Unified Development Code [*Ordinance No. 04-38*], as heretofore amended, shall be further amended by adopting this PD Development Plan and amending the official zoning map of the City of Rockwall for the *Subject Property*; and,

**SECTION 2.** That development of the *Subject Property* shall generally be in accordance with the PD Development Plan, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*; and,

**SECTION 3.** That development of the *Subject Property* shall generally be in accordance with the Concept Building Elevations, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*; and,

**SECTION 4.** That the *Subject Property* shall be used only in the manner and for the purposes provided for in Planned Development District 32 (PD-32) [*Ordinance No. 10-21*], the Unified Development Code [*Ordinance No. 04-38*], and in compliance with the following conditions and requirements:

1) Development of this property shall generally conform to the *PD Development Plan* depicted in *Exhibit 'B'* of this ordinance;

2) Development of this property shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of this ordinance;

3) All buildings shall be developed with consideration to the pedestrian access adjacent to Harbor Heights Drive. Additionally, the design of the buildings shall include four (4) sided architecture that creates a dual entry appearance, with buildings fronting on to IH-30 and Harbor Heights Drive;

4) Building façades must be situated no greater than 27-feet from the build-to-line adjacent to Harbor Heights Drive;

5) All building materials and color schemes proposed for this development should conform to the requirements stipulated by Planned Development District 32 (PD-32);

6) Prior to the issuance of a Building Permit the applicant shall submit and seek approval for a detailed *PD Site Plan* that demonstrates compliance with all applicable standards of Planned Development District 32 (PD-32) [*as amended*] and with the requirements approved in this ordinance;

7) All buildings throughout the development shall be constructed with a consistent design scheme, and be approved by the Architectural Review Board (ARB) at the time of the *PD Site Plan*;

8) Prior to the issuance of a Building Permit the applicant shall submit and seek approval for a replat that indicates all necessary easements; and,

9) The proposed uses for this development shall be required to demonstrate that they have access to a sufficient number of parking spaces within the development itself to support the use.

**SECTION 5.** That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

**SECTION 6.** That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

**SECTION 7.** The standards in this ordinance shall control in the event of a conflict between this

ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

**SECTION 8.** That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

**PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 17TH DAY OF NOVEMBER, 2014.**

**CITY OF ROCKWALL**

**ORDINANCE NO. 19-XX**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING *ORDINANCE NO. 14-51 & 17-22* OF PLANNED DEVELOPMENT DISTRICT 32 (PD-32) AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A PD DEVELOPMENT PLAN FOR RETAIL/RESTAURANT PAD SITES ON A 2.893-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK B, HARBOR DISTRICT ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the City has received a request from Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of D. W. Bobst of J-BR2, LLC for an amendment to *Ordinance No. 14-51* of Planned Development District 32 (PD-32) [*Ordinance No. 14-51*] and the Unified Development Code [*Ordinance No. 04-38*] for the purpose of establishing a PD Development Plan for retail/restaurant pad sites within the *Hillside Subdistrict*, on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

**WHEREAS**, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 32 (PD-32) [*Ordinance No.'s 14-51 & 17-22*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

**NOW, THEREFORE**, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

**SECTION 1.** That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No. 14-51*;

**SECTION 2.** That Planned Development District 32 (PD-32) [*Ordinance No. 17-22*] and the Unified Development Code [*Ordinance No. 04-38*], as heretofore amended, shall be further amended by adopting this PD Development Plan and amending the official zoning map of the City of Rockwall for the *Subject Property*; and,

**SECTION 3.** That development of the *Subject Property* shall generally be in accordance with the PD Development Plan, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*; and,

DRAFT 05.28.19

**SECTION 4.** That the *Subject Property* shall be used only in the manner and for the purposes provided for in Planned Development District 32 (PD-32) [*Ordinance No. 17-22*], the Unified Development Code [*Ordinance No. 04-38*], and in compliance with the following conditions and requirements:

1) Development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance;

2) All buildings shall be developed with consideration to the pedestrian access easements/pedestrian ways perpendicular to Harbor Heights Drive, and a seat wall shall be incorporated into the area identified as *Park* in the *Concept Plan* depicted in *Exhibit 'B'*. The pedestrian access easements/pedestrian ways shall be consistent with the design guidelines contained in *Resolution No. 10-40*;

3) All pedestrian access easements/pedestrian ways shall be required to be dedicated as easements at the time the property is replatted;

4) All building materials and color schemes proposed for this development should conform to the requirements stipulated by Planned Development District 32 (PD-32) [*as amended*];

5) Prior to the issuance of a building permit the applicant shall submit and seek approval for a detailed *PD Site Plan* that demonstrates compliance with all applicable standards of Planned Development District 32 (PD-32) [*as amended*] and with the requirements approved in this ordinance;

6) All buildings throughout the development shall be constructed with a consistent design scheme, incorporate four (4) sided architecture that creates a dual entry appearance, and be approved by the Architectural Review Board (ARB) at the time of the *PD Site Plan*;

7) Prior to the issuance of a building permit the applicant shall submit and seek approval for a replat that indicates all necessary easements; and,

8) The proposed uses for this development shall be required to demonstrate that they have access to a sufficient number of parking spaces within the development itself to support the use.

**SECTION 5.** That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

**SECTION 6.** That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

DRAFT ORDINANCE 08.26.19

**SECTION 7.** The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

**SECTION 8.** That this ordinance shall take effect immediately from and after its passage;

Discuss and consider a request by Bill Bauman of Bauman Consultants on behalf of John Gatz of Eco-Site for the approval of a site plan for a Freestanding Commercial Antenna on a 0.0826-acre portion of a larger 7.64-acre tract of land, known as Yellow Jacket Park, identified as Tract 11 of the J. Cadle Survey, Abstract No. 65, City of Rockwall, Rockwall County, Texas, zoned General Retail (GR) District, situated on the south side of Yellow Jacket Lane, west of the intersection of S. Goliad Street [SH-205] and Yellow Jacket Lane, and take any action necessary.

PLANNING AND ZONING 1ST ROUND COMMENTS (05.23.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday June 4, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the requirements of the SUP [Ordinance No. 18-49, SUP S-198], the Unified Development Code (UDC), and the Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and a Building Permit are required
3. Label all revised site plan documents with "Case No. SP2019-013" at the lower right corner of each plan.
4. Parking lot to be constructed prior to the installation of the communications tower per the SUP Ordinance

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Provide adjacent property owner infomation on site plan.
2. Delineate and label 24-ft firelane easement as "24-ft Firelane, Public Access, Drainage and Utility Easements (as appropriate for site).
3. Use a lighter scale line drawings to better depict site plan elements (i.e. lines are too heavy) on overall site plan.
4. Provide more detail on site plan (i.e. parking area measurements, easement lines, landscape buffers, etc.).
5. Remove lable on site plan indicating the removal of existing trees. No trees are to be removed without first obtaining a permit through the Parks and Recreations Department.
6. Provide an enlarged site plan for the parking lot area to be constructed.

Landscape Plan:
1. Indicate wrought iron fence as a minimum 8-ft in height.
2. Nelly R Stevens are to be a minimum of 4-ft in height when planted. 12 to 24 inches will not be acceptable, does not provide the necessary immediate screening.

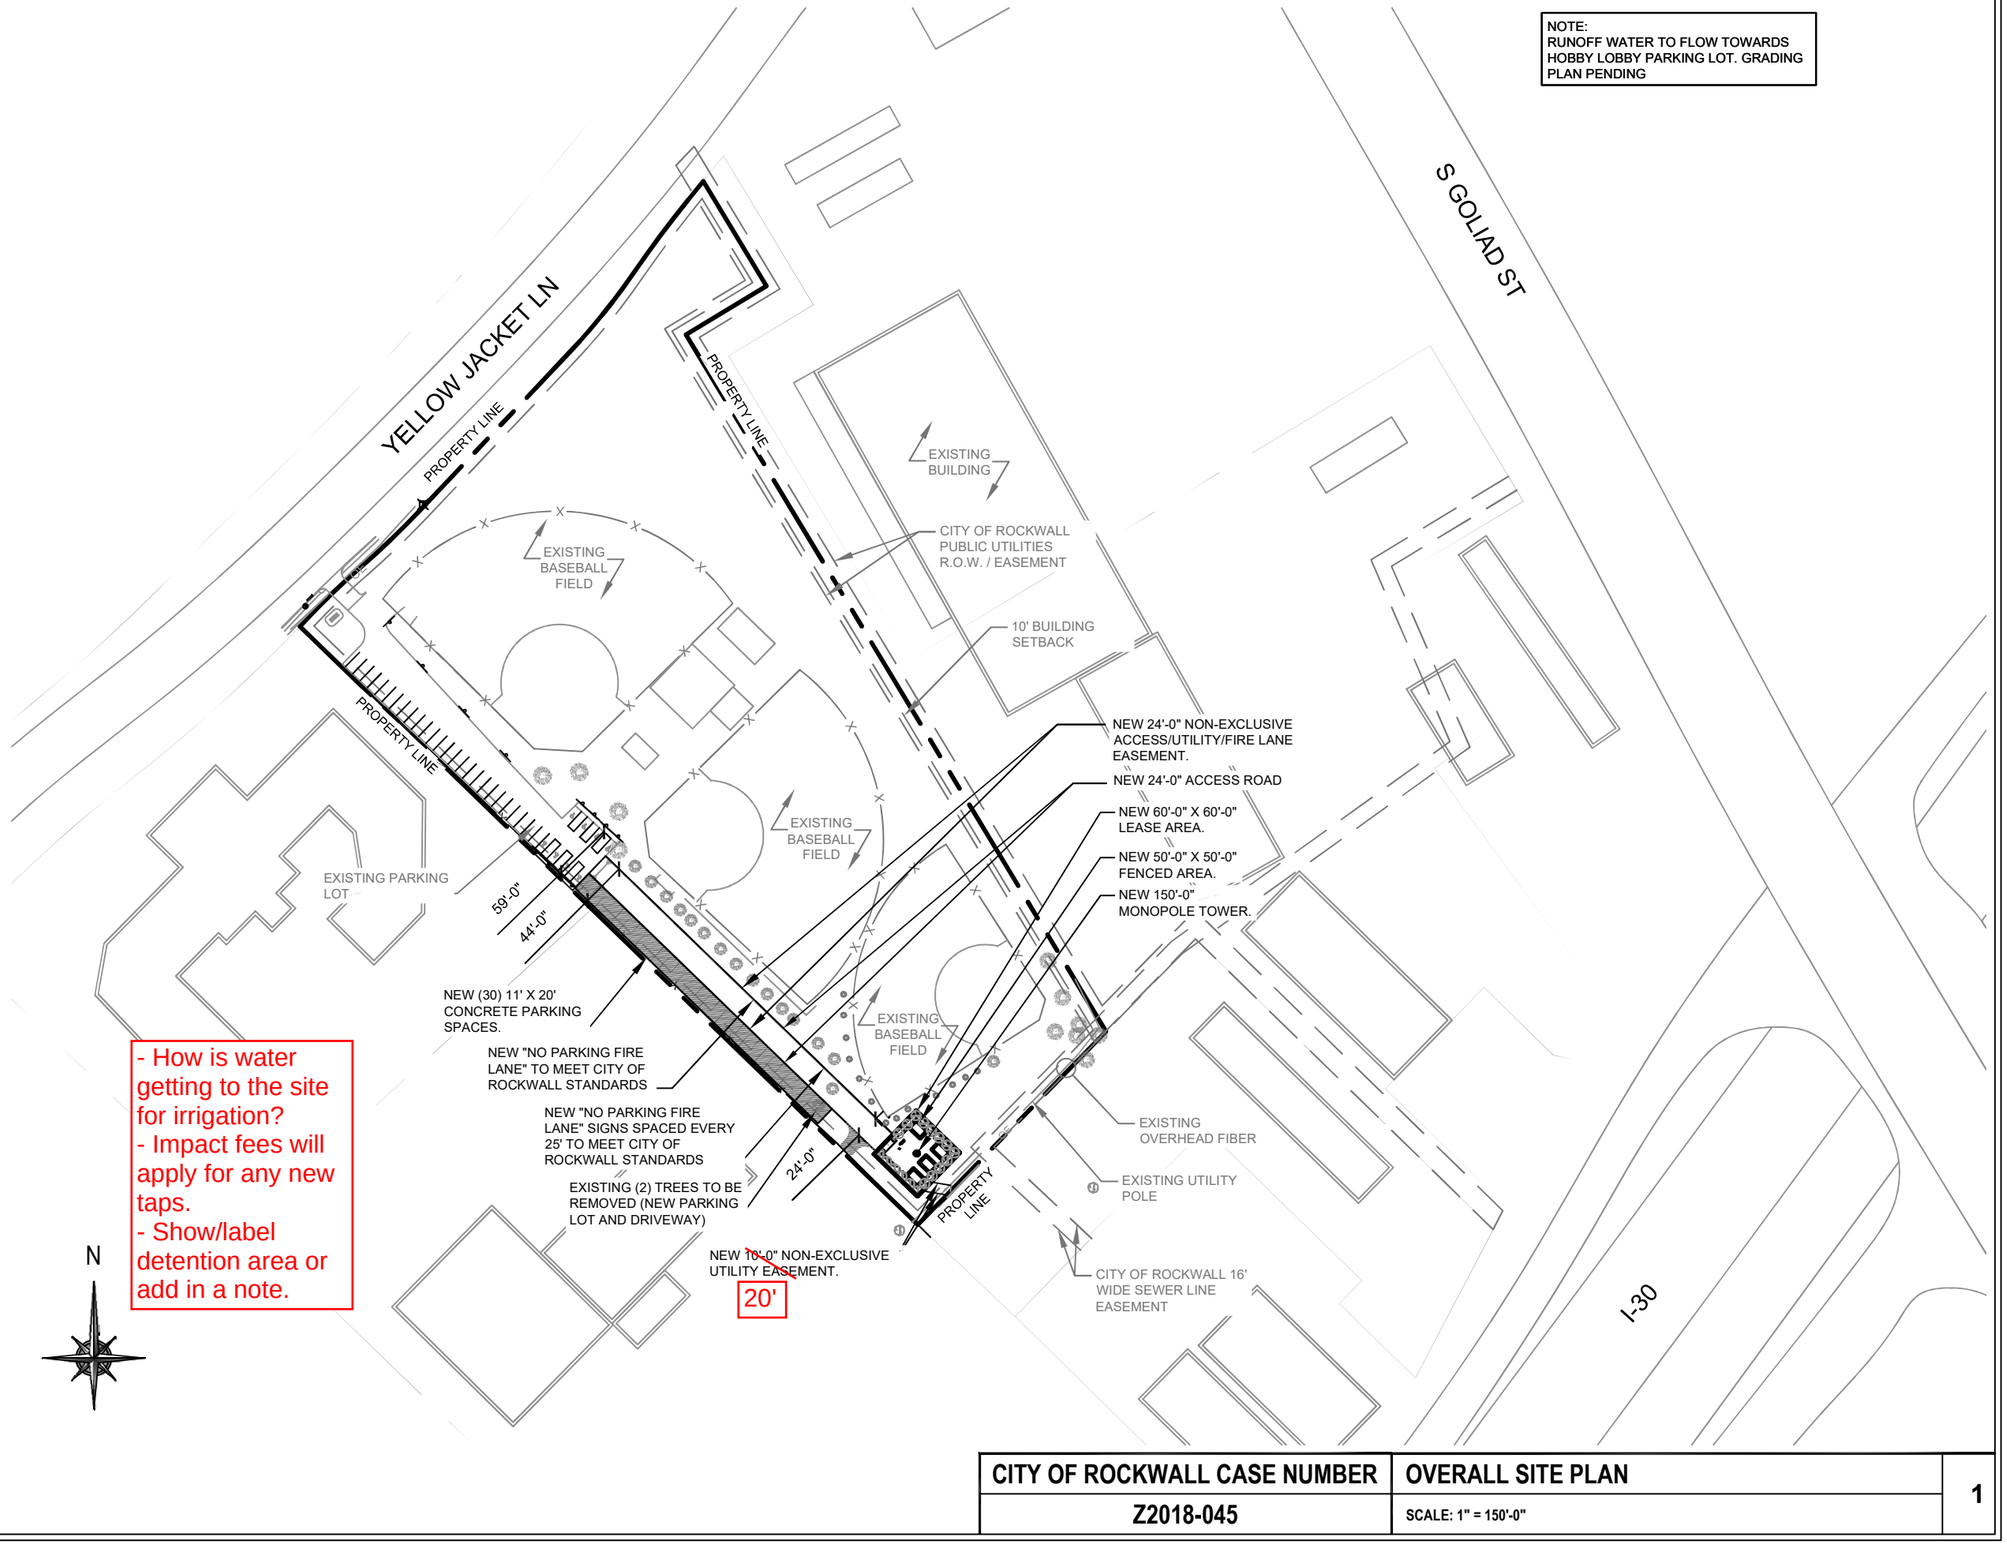
Photometric Plan:
1. Will there be any exterior ligthing added to this site? If so, provide cut sheets for all exterior lighting fixtures.

Building Elevations:
1. Provide elevations/drawings/cutsheets of the cabinets being used to house the equipment.

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

Meeting Dates to Attend:



Architectural Review Board: may 28, 2019 (5:00 p.m.) [Recommendations from ARB]

Planning - Work Session: May 28, 2019 (6:00p.m.) [Applicant to present/discuss project]

Architectural Review Board: June 11, 2019 (5:00 p.m.) [Subsequent meeting if necessary]

Planning - Action: June 11, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

** IF REQUIRED -- City Council - Action: Monday, June 17, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] **

SHEET TITLE:

**LANDSCAPING PLAN**

| SHEET NUMBER: | REVISION: |
|---|---|
| L-1 | 3 |

## LANDSCAPING GENERAL NOTES:

ALL PLACEMENT OF LANDSCAPING SHALL MEET THE FOLLOWING CONDITIONS:

1. ALL PLANT MATERIAL SHALL BE PLANTED IN A MANNER WHICH IS NOT TO INTERFERE WITH OVERHEAD WIRES OR BE INTRUSIVE TO UTILITIES OR PAVEMENT.
2. NO TREES OR OTHER LANDSCAPING SHALL BE LOCATED CLOSER THAN 10 FEET TO A FIRE HYDRANT OR OTHER ABOVE GROUND UTILITIES.
3. NO LANDSCAPING SHALL INTERFERE WITH SITE REQUIREMENTS FOR SAFE INGRESS AND EGRESS.

INSTALLATION STANDARDS:

1. PLANT MATERIAL SHALL CONFORM WITH THE CURRENT AMERICAN STANDARDS FOR NURSERY STOCK, PUBLISHED BY THE AMERICAN ASSOCIATION OF NURSERYMEN FOR THAT TYPE OF TREE OR SHRUB AT THE TIME OF INSTALLATION.
2. ALL PLANT MATERIAL SHALL BE INSTALLED FREE OF DISEASE AND IN A MANNER THAT ENSURES THE AVAILABILITY OF SUFFICIENT SOIL AND WATER TO SUSTAIN HEALTHY GROWTH.
3. ALL TAGS, WIRES, PLASTIC TIES AND ROPE SHALL BE CUT FROM EACH TREE TO PREVENT GIRDLING OF THE TREE. THE BURLAP SHALL BE PULLED BACK FROM THE UPPER THIRD OF THE ROOTBALL. IF A PLASTIC 'BURLAP' IS USED, IT SHALL BE REMOVED IN ITS ENTIRETY FROM THE ROOTBALL.
4. ALL PLANT MATERIAL SHALL BE PLANTED WITH A MINIMUM OF DEPTH OF THREE (3) INCHES OF MULCHED MATERIAL AND A DIAMETER OF THREE (3) FEET AROUND THE BASE OF THE TREE.
5. TREES SHALL BE STAKED WITH POSTS AND NOT STAKES IN AREAS OF HIGH WIND FOR ONE TO THREE YEARS TO ALLOW THE GROWTH OF PROPOSED ROOTS TO STABILIZE. ALL ROPES SHALL BE COVERED TO PREVENT CUTTING INTO THE BARK.
6. ANY EXCESS SOIL, CLAY, OR CONSTRUCTION DEBRIS SHALL BE REMOVED FROM THE PLANTING SITE, PRIOR TO PLANTING OF INDIVIDUAL TREES AT FINAL GRADE.
7. THE JURISDICTION, AT ITS DISCRETION, HAS THE RIGHT TO RETAIN A PROFESSIONAL LANDSCAPE ARCHITECT OR ARBORIST TO REVIEW SUBMITTED LANDSCAPE PLAN AND THE PROFESSIONAL LANDSCAPE ARCHITECT OR ARBORIST WILL SUBMIT A WRITTEN REPORT TO THE PLANNING AND ZONING COMMISSION. ALL EXPENSES INCURRED BY THE JURISDICTION FOR THE USE OF THE LANDSCAPE ARCHITECT OR ARBORIST SHALL BE REIMBURSED BY THE DEVELOPER.

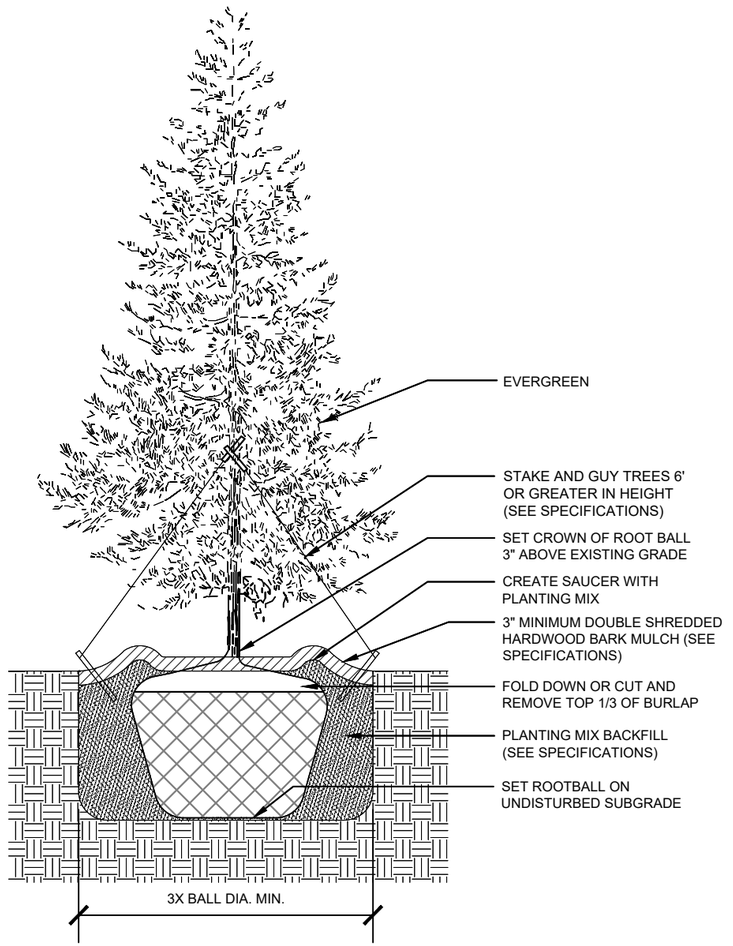
PLANTING SEASONS:

1. PLANTS MUST BE PLANTED DURING THE FOLLOWING DATES: APRIL 1ST TO MAY 15TH AND SEPTEMBER 1ST TO OCTOBER 1ST.
2. THE PLANTING PERIODS INDICATED MAY BE EXTENDED DUE TO WEATHER CONDITIONS OR OTHER FACTORS, WHICH MUST BE APPROVED BY THE LANDSCAPE ARCHITECT/ENGINEER.
3. THE CONTRACTOR WILL BE RELIEVED FOR HIS GUARANTEE RESPONSIBILITY SHOULD THE OWNER REQUIRE PLANT MATERIAL INSTALLATIONS TO BE COMPLETED DURING OTHER TIMES THAN THE PLANTING PERIODS INDICATED.

PLANTING:

1. ALL SHADE TREES, ORNAMENTAL TREES, EVERGREEN TREES AND SHRUBS SHALL BE PLANTED IN HOLES EXCAVATED AT LEAST 3x THE WIDTH OF THE DIAMETER OF THE BALL OR CONTAINER AND DEEP ENOUGH SO THAT THE TOP OF THE BALL OR SOIL IN THE CONTAINER IS AT OR JUST ABOVE EXISTING GRADE.
2. ALL TWINE OR ROPE MUST BE CUT AND REMOVED AND THE BURLAP FOLDED AWAY FROM THE TOP OF THE BALL. THE EXCAVATION MUST BE BACKFILLED WITH THE PLANTING MIXTURE AND WATERED. ANY SETTLEMENT WILL BE FILLED WITH PLANTING MIXTURE.
3. A 4" DEEP SAUCER, SIMILAR TO THE DIAMETER OF THE PLANTING HOLE SHALL BE CREATED USING PLANTING MIX.
4. PLANTING MIX TO CONSIST OF 1/3 TOP SOIL, 1/3 SOIL FROM EXCAVATION, AND 1/3 MUSHROOM COMPOST (OR 1/3 PEAT MOSS).

CLEAN UP:



1. ALL DEBRIS GENERATED DURING THE INSTALLATION OF PLANT MATERIALS MUST BE REMOVED FROM THE SITE.
2. ALL PAVEMENTS AND WALKS MUST BE SWEPT AFTER EACH DAYS WORK. UPON COMPLETION OF THE WORK, ALL PAVEMENTS MUST BE WASHED TO REMOVE ALL MUD OR DIRT.

|---|---|---|---|---|---|---|---|

(5/24/2019 1:31 PM SH)
- Must show the location of the NTMWD force main.
- Water line to be centered in a 20' easement.
- No structures in easements.
- One way back drive is not allowed. If you wish to have this access, it will need to be 24' minimum.
- Dumpster to drain to an oil/water separator and then to the storm lines.
- Parking to be 20' x 9'.
- 10' spacing for fire line to all other lines.
- Hydrant to have 5' of clearance behind the curb.
- What are these two extra wide parking spaces? or landscaping?
- Detention needs to be in an easement and no structures are allowed in easements.

The following are for your information for engineering design.
- 4% Engineering Inspection Fees
- Impact Fees
- Drainage release into railroad right-of-way will require railroad approval
- Detention is required
- No utilities allowed in detention easement
- Add note that the property owner will be responsible for maintaining, repair, and replacement of the detention/drainage systems
- Minimum utility easement width is 20'
- Label distances between driveways (measured from edge to edge)
- All parking to be 20'x9'
- All drive aisles to be a minimum of 24' wide
- No structures in easements
- Max slope is 4:1
- Must loop an 8" water line to take fire protection, water service, and irrigation off of.
- Must have an oil/water separator that collects the dumpster runoff and drains to the storm lines.
- Assembly use may require fire sprinkler. Check with fire department.
- Must meet all engineering standards

(5/24/2019 1:38 PM SH)
- Walls 3' and over must be engineered. All retaining walls must be rock or stone face. No smooth concrete walls.

| | | | | | | | |
|---|---|---|---|---|---|---|---|
| FIRE | Ariana Hargrove | 5/14/2019 | 5/21/2019 | 5/23/2019 | 9 | APPROVED | see comment |

(5/23/2019 1:26 PM AA)
An approved water supply capable of supplying the required fire flow for fire protection shall be provided. A water flow test verifying capabilities shall be witnessed by the Fire Marshal Division prior to vertical construction.

| | | | | | | | |
|---|---|---|---|---|---|---|---|
| GIS | Lance Singleton | 5/14/2019 | 5/21/2019 | 5/22/2019 | 8 | APPROVED | See comments |

(5/22/2019 9:52 AM LS)
Shell address will be 600 TURTLE CREEK BLVD, ROCKWALL, TX 75087
*Any suite numbers should follow a 101 103 105... seperation scheme (from South to North) to allow for future unexpected demising walls. Each suite will be confirmed at its permitting.

| PLANNING | Korey Brooks | 5/14/2019 | 5/21/2019 | 5/23/2019 | 9 | COMMENTS | Comments |

SP2019-014 Site Plan for Retail Shopping Center and House of Worship: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

1. This is a request by Ahmed Helaluzzaman on behalf of Abdul Latif Khan of Center for Peace and Mercy, Inc. for the approval of a site plan for a retail shopping center and house of worship on a 2.681-acre tract of land identified as Tract 10-1 & 22 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located on the north side of Turtle Cove Boulevard north of the intersection of Turtle Cove Boulevard and Ridge Road [FM-740].
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-014) in the lower right hand corner of all pages on future submittals.
4. Sheet No. A001—This sheet is not reviewed—For reference only. Please incorporate Legend and Contact Information on remaining drawings (if not provided).
5. Please provide Site Data Table (named Project Data Table on the sheet) on all sheets. Please add parking data and the breakdown of worship/retail SF from Code Table. Also provide pervious vs. imperious SF and percentage. Please add lot coverage SF and %. Please add zoning district and overlay district. Please add % of required landscaping and % of provided.
6. Sheet No. A101—This sheet doesn't seem to be necessary. The site plan on sheet C1 is the type of site plan that is needed. Please transfer site data table to remaining sheets.
7. Sheet C-1—Please note that in overlay district the dumpster screening is 8-feet, materials matching the main structure, with self-latching opaque gate.
8. Sheet C-1—There is a large amount of information on this sheet. Please greyscale topo and utilities.
9. Sheet C-1—Since there is large amount of lines on this page, could the firelane change from a hatch pattern to a solid grey? Show any remaining pavement, including sidewalks as a different shade of grey.
10. Sheet C-1—There is a reference to a "water easement by this plat" on the building footprint. Please remove along with any other plat references (e.g. the references to state plane coordinates). The plat will be taken care of at a later time.
11. Sheet C-1—Please use varying line weights and types to provide clearer differentiation. Also provide those changes in the legend. There are several items that use the same linetype.
12. Sheet C-1—Please show all proposed easements and extend of detention.
13. Sheet C-1—Please greyscale information on adjacent sites (i.e. any information that is not on your lots).
14. Sheet C-1—Please remove water meter schedule.
15. Sheet C-1—Please note that parking is 9x20.
16. Sheet C-1—Please revise access easements to "Public Access" instead of "Mutual"
17. Sheet C-1—Please remove symbols for IRF/similar
18. Sheet C-1—Please show division of worship area vs retail.
19. Sheet C-1—The parking close to the RR and Turtle Cove is dead end and will probably need a turnaround to allow vehicles to back out of the space.
20. Sheet C-1—No parking space shall be more than 80-feet from a canopy tree.
21. Sheet C-1—The site plan shows three or four thick grey lines that are not labeled. Some are adjacent to the property line and one is adjacent to Turtle Cove. What are these lines? Also there are several lines in the ROW that are not labeled. Please try to label all lines.
22. Sheet C-1—Will the two lots be combined?
23. Sheet C-1—What are the two pie shaped "parking spaces" near the play area? They cannot be parking spaces; however, I cannot determine what is being shown.
24. Sheet C-1—Please note that the landscape buffer is 20-feet and the building setback is 15-feet.
25. Sheet C-1—Please provide dimensions of all walls.
26. Sheet C-1—Please provide dimensions from building to all property lines.
27. Sheet C-1—Please note that the building does not meet horizontal articulation requirements as drawn and will need a variance. Please review Commercial articulation requirements.

28. Sheet LP.01—please dimension a typical parking space—also as noted, parking must be 9x20.
29. Sheet LP.01—The parking and building can be greyscaled so that the landscape plan focuses on the landscaping.
30. Sheet LP.01—Please note that the landscape buffer is 20-feet and the building setback is 15-feet.
31. Sheet LP.01—Please provide the actual footprint of the building (i.e. show any projections or recesses).
32. Sheet LP.01—Please provide adjacent property information as shown on C-1.
33. Sheet LP.01—Please darken and label property line for subject property.
34. Sheet LP.01—There several dashlines toward the SE of the property that are not labeled. Please label all lines, provide a variety of lineweights/types. A legend can be provided in lieu of labeling each line. As drawn, the utilities and property lines, ROW, etc. have the same line weight and type.
35. Sheet LP.01—There are several dark circles with a line projecting and several open circles. Please label or provide a legend.
36. Sheet LP.01—As on Sheet C-1, please show firelane as a shade of grey and any remaining concrete as a lighter shade of grey. Please use the stippling pattern currently being used on the firelane to show where grass will be.
37. Sheet LP.01—Please add site data table as mentioned above. Some of the needed information is already being provided on the sheet; however, please replace with the same data table so that all sheets have the same data table/same information.
38. Sheet LP.01—Please darken visibility triangles
39. Sheet LP.01—What are the two hatched areas at the end of the parking toward the rear of the building?
40. Sheet LP.01—For consistency purposes, please change title from Planting Plan to “Landscape/Treescape Plan”
41. Sheet LP.01—Please note that the min caliper inch for trees is 4-inches.
42. Sheet LP.01—Please note that headlight screening may be required along the property line adjacent to the RR.
43. Sheet ESP—Please removed the details of the light pole. Just show the pole from the ground up and provide height.
44. Sheet ESP—The Electrical Notes may not be necessary on the photometric plan; those notes seem to be needed later when the building permit is being requested. Please note that this is a “Photometric Plan” instead of an Electrical Site Plan.
45. Sheet ESP—Please label adjacent properties as shown on Sheet C-1.
46. Sheet ESP—Please remove building footprints from adjacent properties.
47. Sheet ESP—Please label “Future Development” phase.
48. Sheet ESP—Please provide a combination of lineweights and types to differentiate between the subject property and the adjacent properties. Please label property line of subject property.
49. Sheet ESP—please show the site (i.e. parking building, etc) as the same shade but please greyscale. In addition, please provide a larger, darker font for FC grid.
50. Sheet ESP—Please note, the light intensity at the property line shall be no greater that 0.2 FC. Please check photometric plan and ensure compliance.
51. Sheet ESP—Please note that all fixtures shall be fully shielded and pointed downward.
52. Sheet ESP—Please provide graphic and numeric scale, north arrow and vicinity map.
53. Sheet ESP—Please see above for the correct LS buffer and setback.
54. Sheet ESP—Please note that no light pole shall exceed 20-feet
55. Sheet ESP—Please provide cut sheets for fixtures.
56. Sheet A501—Please remove all signage.
57. Sheet A501—Please add cardinal direction to all elevation.
58. Sheet A501—Please provide height of “tower element” closest to the building material percentage on elevation 2 and the element directly below on elevation 1.
59. Sheet A501—Please provide site data table.60. Sheet A501—Are the tower elements flush with the façade or do they project?
61. Sheet A501—Please note, as shown, the building elevations will require a variance to 4-sided architecture, and vertical and horizontal articulation.
62. Sheet A501—Please note that all buildings shall be architecturally finished on all 4 sides with the same elements and materials.
63. Sheet A501—Please note that elevation 1 exceeds the max of 10% EIFS—this will require a variance.
64. Sheet A501—Please label the material above the window as provide type of material for awnings.
65. Sheet A501—Please provide elevation of dumpster enclosure.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

66. Sheet A501—Please dash-in all rooftop equipment and provide information on how it will be screened.
67. Please label at least one set of light fixtures on each of the elevations.
68. Sheet A501—What material is the small squares on the building elevations?
69. Sheet A501—is the stone a natural stone?
70. Sheet A502—Please note that the two elevations are labeled the same as the elevations on A501.
71. Sheet A502—Please see comments from A501
72. Sheet A502—Please note that as drawn, the rear elevation will need several variances: vertical and horizontal articulation, 4 sided architecture, 20% stone requirement.
73. Sheet A502—There are three vertical lines drawn between the doors. What are these lines?
74. Sheet A502—Please label the element directly on top of the brick.
75. Sheet A502—Please note, the back of the parapets is visible. The back of the parapets will need to be finished and revised so that it is not a flat parapet (i.e. it will need to look like a "box" rather than a "panel"
76. Sheet A502—Please provide a perspective drawing.
77. Sheet A201—Please note that this sheet is for reference and was not reviewed or approved. That will be taken care of at time of Building Permit submission.
78. The Architectural Review Board (ARB) meeting for this case will be held on May 28, 2019 at 5:00 p.m.
79. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on June 4, 2019. The Planning and Zoning Worksession for this case will be May 28, 2019, at 6:00 p.m. The Planning and Zoning Meeting will be June 11, 2019

SP2019-014 - SITE PLAN FOR RETAIL/HOUSE OF WORSHIP
Considerations:

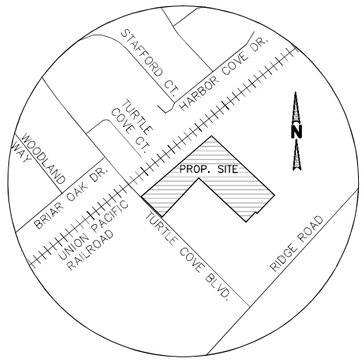
- Lighting placed upon all sides of the exterior the buildings, entry ways and especially controlled access gate entrances. This should illuminate and eliminate shadows, dark areas and hiding spots. Lighting set by City Code, LEDs are preferred.

- Place high resolution cameras on corners of building, controlled access gate entrances, door entrances into buildings and common areas inside the business.

- If case is kept on sights, consider a safe room that contains a money safe with an hardened outward opening door with deadbolt and key control. Consider an internal distress alarm for the sale and limited access by management.

- UL appropriate safe (Money vs. Fire)

- Consider bollards with appropriate a at soft access points



- Consider mirror(s) corners and enclosed areas to reveal anyone that might be present (suspect)

I'm available to speak with or make recommendations on this projects. Please do hesitate to contact me for any assistance.

|---|---|
| L1 | S 43° |
| L2 | N 46° |
| L3 | S 43° |

Dumpster to drain to an oil/water separator then to the storm lines.

Detention will need to be in an easement. No structures in easements.

One way back lane is not allowed. Must be 24' wide if used as a drive lane. Water to be centered in a 20' easement. No structures in easements.

What are these two spaces?

10' spacing min for fire line and water to sewer. Hydrant to have 5' clearance from the back of curb.

Need to show the location of NTMWD force main.

Water line to be centered in a 20' easement.

- 4% Engineering Inspection Fees
- Impact Fees
- Drainage release into railroad right-of-way will require railroad approval
- Detention is required
- No utilities allowed in detention easement
- Add note that the property owner will be responsible for maintaining, repair, and replacement of the detention/drainage systems
- Minimum utility easement width is 20'
- Label distances between driveways (measured from edge to edge)
- All parking to be 20'x9'
- All drive aisles to be a minimum of 24' wide
- No structures in easements
- Max slope is 4:1
- Must loop an 8" water line to take fire protection, water service, and irrigation off of.
- Must have an oil/water separator that collects the dumpster runoff and drains to the storm lines.
- Assembly use may require fire sprinkler. Check with fire department.
- Must meet all engineering standards

## PLANTING NOTES

1. USE [3/4" STEEL EDGING (PAINTED GREEN).
2. USE 4" "GOOD EARTH" OR EQUIVALENT PLANTING MIX FOR BED PREPARATIONS. BACKFILL BED MIX TO THE DEPTH OF 12" MINIMUM.
3. ALL THE LAWN AREAS TO BE HYDROMULCHED BERMUDA GRASS. REPLACE ALL THE DAMAGED EXISTING LAWN AREAS AS NEEDED.
4. TOP DRESS ALL THE PLANTING BED AREAS WITH 3" DEEP HARD WOOD MULCH, AFTER PLANTING OPERATIONS.
5. THE SITE WILL BE IRRIGATED WITH BELLOW GRADE AUTOMATIC IRRIGATION SYSTEM WITH FREEZE SENSOR, THAT SHOWLD BE PROVIDED THE PROPER AMOUNT OF WATER FOR PARTICULAR TYPE OF PLANT MATERIAL USED.

## landscape area

SITE AREA : 85,708 SF. ( 1.276 AC. )

LANDSCAPE AREA REQUIRED : 15 % ( 8,356 SF. )
PROVIDED : 43.5 % ( 34,348 SF. )

BLDG. AREA : 4,600 SF.

TOTAL NUMBER OF PARKING SPACES REQUIRED : 23 .
SPACES PROVIDED : 62 .

## planting requirement

TURTLE COVE BLVD. LANDSCAPE BUFFER 144.69 LF.
SHADE TREES REQUIRED : 3 (3" CAL.)
PROVIDED : 4 (3" CAL.)

SURFACE PARKING LOT LANDSCAPING 62 ( SPACES )
SHADE TREES PROVIDED : 6 (3" CAL.)

SCREENING SHRUBS PROVIDED ALONG THE STREET FRONTAGE.

(5/23/2019 4:50 PM SH)
- Must have individual water services.
- Sewer to be 8" unles it is a private line.
- Water to have 10' of clearance on both sides.
- Fire hydrant to have a 20' easement.
- Drive isle to be 24' wide minimum.

The following is for your information during engineering review.
- 4% Engineering Fees.
- Impact fees.
- All parking to be 20'x9'
- Must show all existing and proposed utilities.
- If building height exceeds 30' tall, the fire lane radii must be 30' or radius of 20'. Minimum width is 24'.
- Must have detention for new impervious surfaces.
- Must have water at sheet flow conditions before the property line or will need a drainage easement for the neighboring property owner.
- Must replat to add the additional easements.
- Retaining walls 3' and over must be designed by an engineer. All retaining walls to be rock or stone face. No smooth concrete walls.
- Min easement is 20'. Water, sewer, and storm lines must have 10' of easement on both sides of the line.
- Water line to be 8" line where public.
- Must have individual water services.
- 4:1 slope maximum for grading.
- Must meet all City Standards of Design and Construction.

| PLANNING | David Gonzales | 5/17/2019 | 5/24/2019 | 5/23/2019 | 6 | COMMENTS | See comments |

Discuss and consider a request by Dub Douphrate of Douphrate and Associates, Inc. on behalf of Bob and Pam Hawley for the approval of a site plan for two(2) metal buildings in conjunction with an existing commercial business on a 1.55-acre parcel of land identified as Lot 5, Block A, Maverick Ranch Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 196 & 216 Ranch Road, and take any action necessary.

PLANNING AND ZONING 1ST ROUND COMMENTS (05.23.2019):

The following staff comments (i.e. Phase 1 only) are to be addressed and resubmitted no later than Tuesday June4, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy(CO).
3. Label all revised site plan documents with "Case No. SP2019-016" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. Horizontal articulation standards of the UDC for facades.
2. Minimum 20% stone requirement for all facades that are visible from a public street or open space
3. For the use of metal building construction (materials expcetion).

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Provide adjacent property owner infomation on Overall Site Plan(aerial version).
2. Label all access easements as "24-ft Firelane, Public Access, Drainage and Utility Easements (as appropriate for each).
3. Provide a heavier line for the utility label and reduce the font. Move labels to be more visible.
4. Use alighter gray scale for the utility lines layer (water & sewer).
5. All ground mounted HVAC units must be screened with landscaping or wing-wall.
6. What are the proposed uses for these buildings? (i.e. this is a commercial district).
7. Delineate and label a minimum 10-ft. landscape buffer along Ranch Trail
8. Remove the label "Replat of" from the Title Block on all pages of this site plan.

Landscape Plan:
1. Provide a landscape plan meeting the requirements of the UDC.
2. One (1)-three (3)-caliper inch canopy tree required for each 750 SF of dry area in the detention pond.
3. One (1)-three (3)-caliper inch canopy tree required for each 50 linear feet of frontage along Ranch Trail
4. Parking spaces cannot be more than 80-ft from the trunk of a large canopy tree.
5. Indicate screening of HVAC units on this plan.

Photometric Plan:
1. Will there be any exterior lighting of the site, other than the wall packs as depicted on the building elevations (i.e pole lights)? If so, provide a photometric plan.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|
| 2. Provide cut sheets for all exterior lighting fixtures.<br>3. If a photometric plan is provided, lighting levels are not to exceed 0.2-FC at the property lines.<br><br>Building Elevations:<br>1. All gounded mounted mechanical equipment requires screening from rights-of-way and adjacent properties. Provide detail of screening to be used.<br>2. Requires a recommendation from the Architectural Review Board (ARB). See scheduled meeting below.<br>3. Provide a materials sample board for ARB review of the actual materials to be used (other than tilt-up wall).<br>4. Provide percentages of exterior material calculations for each elevation (e.g. stone, brick, metal surface, etc.).<br>5. Will there be any stone on the building? The UDC requires a minium of 20% stone on each elevation that is visible from a public street or open space. If there is no stone, this will require approval of an exception by the Planning and Zoning Commission<br>6. Are the elevations for the proposed buildings or all?<br>7. Provide height and width measurements of the proposed buildings.<br><br>** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.<br><br>Meeting Dates to Attend:<br><br>Architectural Review Board: May 28, 2019 (5:00 p.m.) [Recommendations from ARB]<br><br>Planning - Work Session: May 28, 2019 (6:00p.m.) [Applicant to present/discuss project]<br><br>Architectural Review Board: June 11, 2019 (5:00 p.m.) [Subsequent meeting if necessary]<br><br>Planning - Action: June 11, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]<br><br>** IF REQUIRED -- City Council - Action: Monday, June 17, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] ** | | | | | | | |

Comments provided by Capt. Ed Fowler - Police

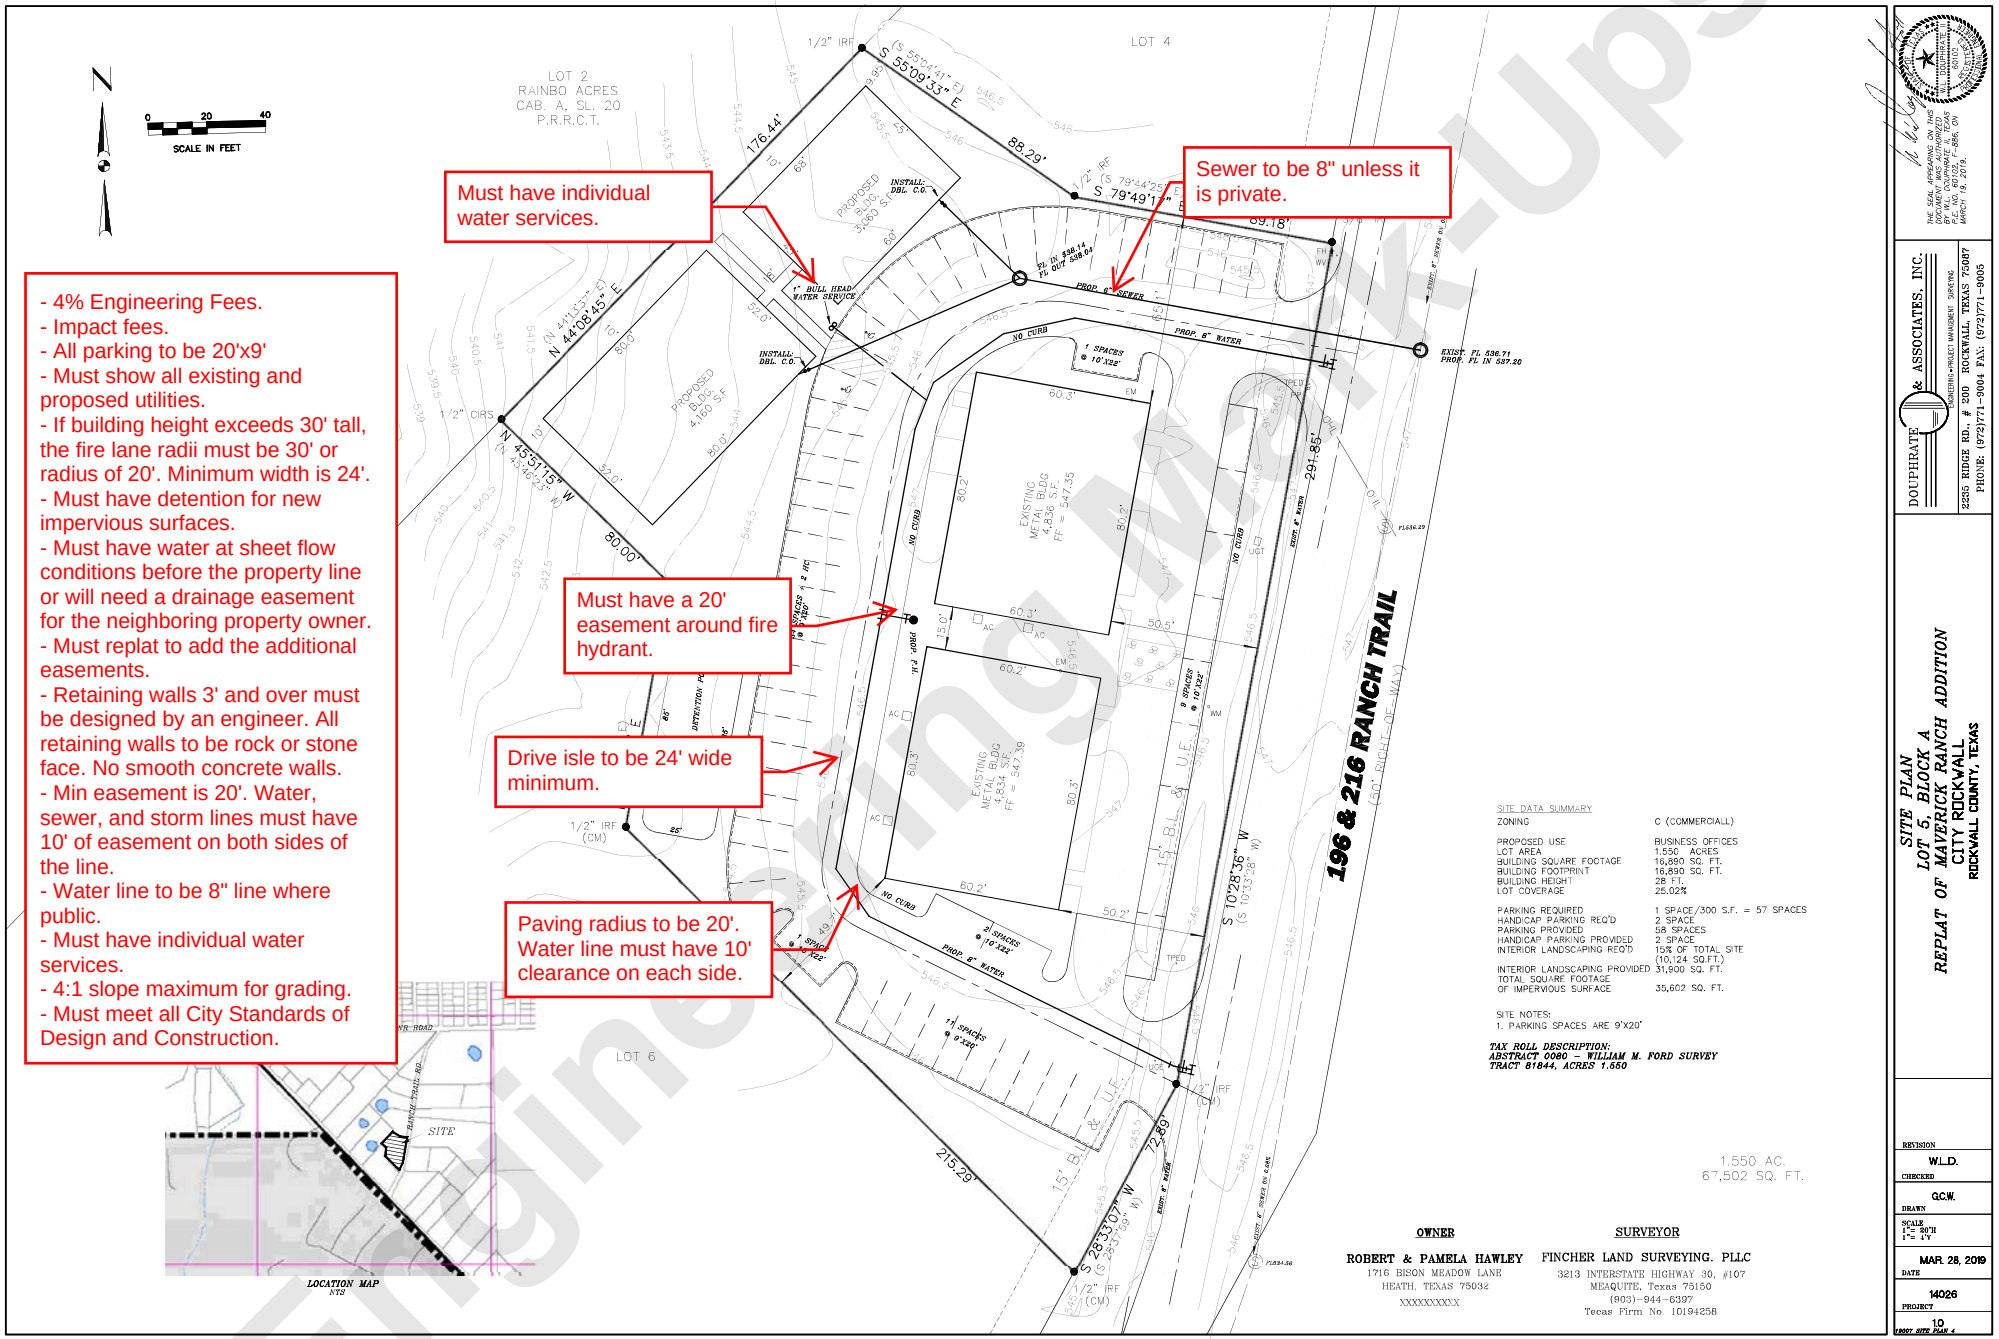
SP2019-016 - 196/216 RANCH TRAIL
Considerations:

- Lighting placed upon all sides of the exterior the buildings, over doors and at the rear of property to illuminate and eliminate shadows, dark areas and hiding spots. Lighting set by City Code, LEDs are preferred.

- Provide clearance around the bottom of the fencing surrounding the dumpster for visual sight line of anyone inside fencing

- Consider mirror(s) on dumpster fencing to reveal any persons inside holding(fencing) area.

- Lighting placed on or in fencing area around dumpster to eliminate shadow and dark areas and prevent theft from dumpster(ID Theft, etc.)



- Consider installation of device to prevent breaching of overhead door with vehicle(push or pull). Locking/Removal Bollards, Vehicle Placed in Front of Door, within specifications of City Code and Ordinance and Fire Code.

- Consider target hardening with industrial standard or greater locking devices for all doors

- Cameras on corners of building, doors equipped with alarms and interior proximity alarms on the interior.

- Ensure trees and bushes are trimmed within acceptable standards(Trees Trimmed up to 7' and Bushes Trimmed Down to 3') and consider ground wash lighting to illuminate the area and provide territorial reinforcement, ownership and enhance natural lines of sight at night.

- More than willing to speak with owner(s) directly to assist in site planning to prevent crime.

| PLANNING | David Gonzales | 5/17/2019 | 5/24/2019 | 5/23/2019 | 6 | COMMENTS | See comments |

Discuss and consider a request by Steven Homeyer of Homeyer Engineering, Inc. on behalf of Vincent Stagliano for the approval of a site plan for an animal boarding/kennel without outside pens on a 1.2113-acre tract of land identified as Lot 4, Block A, Ellis Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located west of the intersection of Alpha Drive and Sigma Court, and take any action necessary.

PLANNING AND ZONING 1ST ROUND COMMENTS (05.23.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday June 4, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy (CO).
3. Label all revised site plan documents with "Case No. SP2019-017" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. 1. Horizontal articulation for the primary building facade standards of the UDC for the south facing facade.
2. Horizontal articulation for the secondary building facade standards of the UDC for the north and west facing facades.
3. Vertical articulation for the secondary building facade standards of the UDC for the south and west facing elevations.
4. Fence at rear does not meet material standards for the required screening from a residential district/property [i.e. wood fence (i.e. board on board) is not allowed]. Sec. 5.6, of Art. V, of the UDC requires screening fences to be constructed with a masonry fence, minimum six (6)-feet in height. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the planning and zoning commission determines that the proposed alternative will provide sufficient screening.
5. Trash enclosures are not to face a public right of way (Sec. 1.05, Art. V, UDC). These receptacles shall be screened by a minimum six (6) foot, solid masonry dumpster enclosure that utilizes the same masonry materials as the primary building and incorporates an opaque, self-latching gate.

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

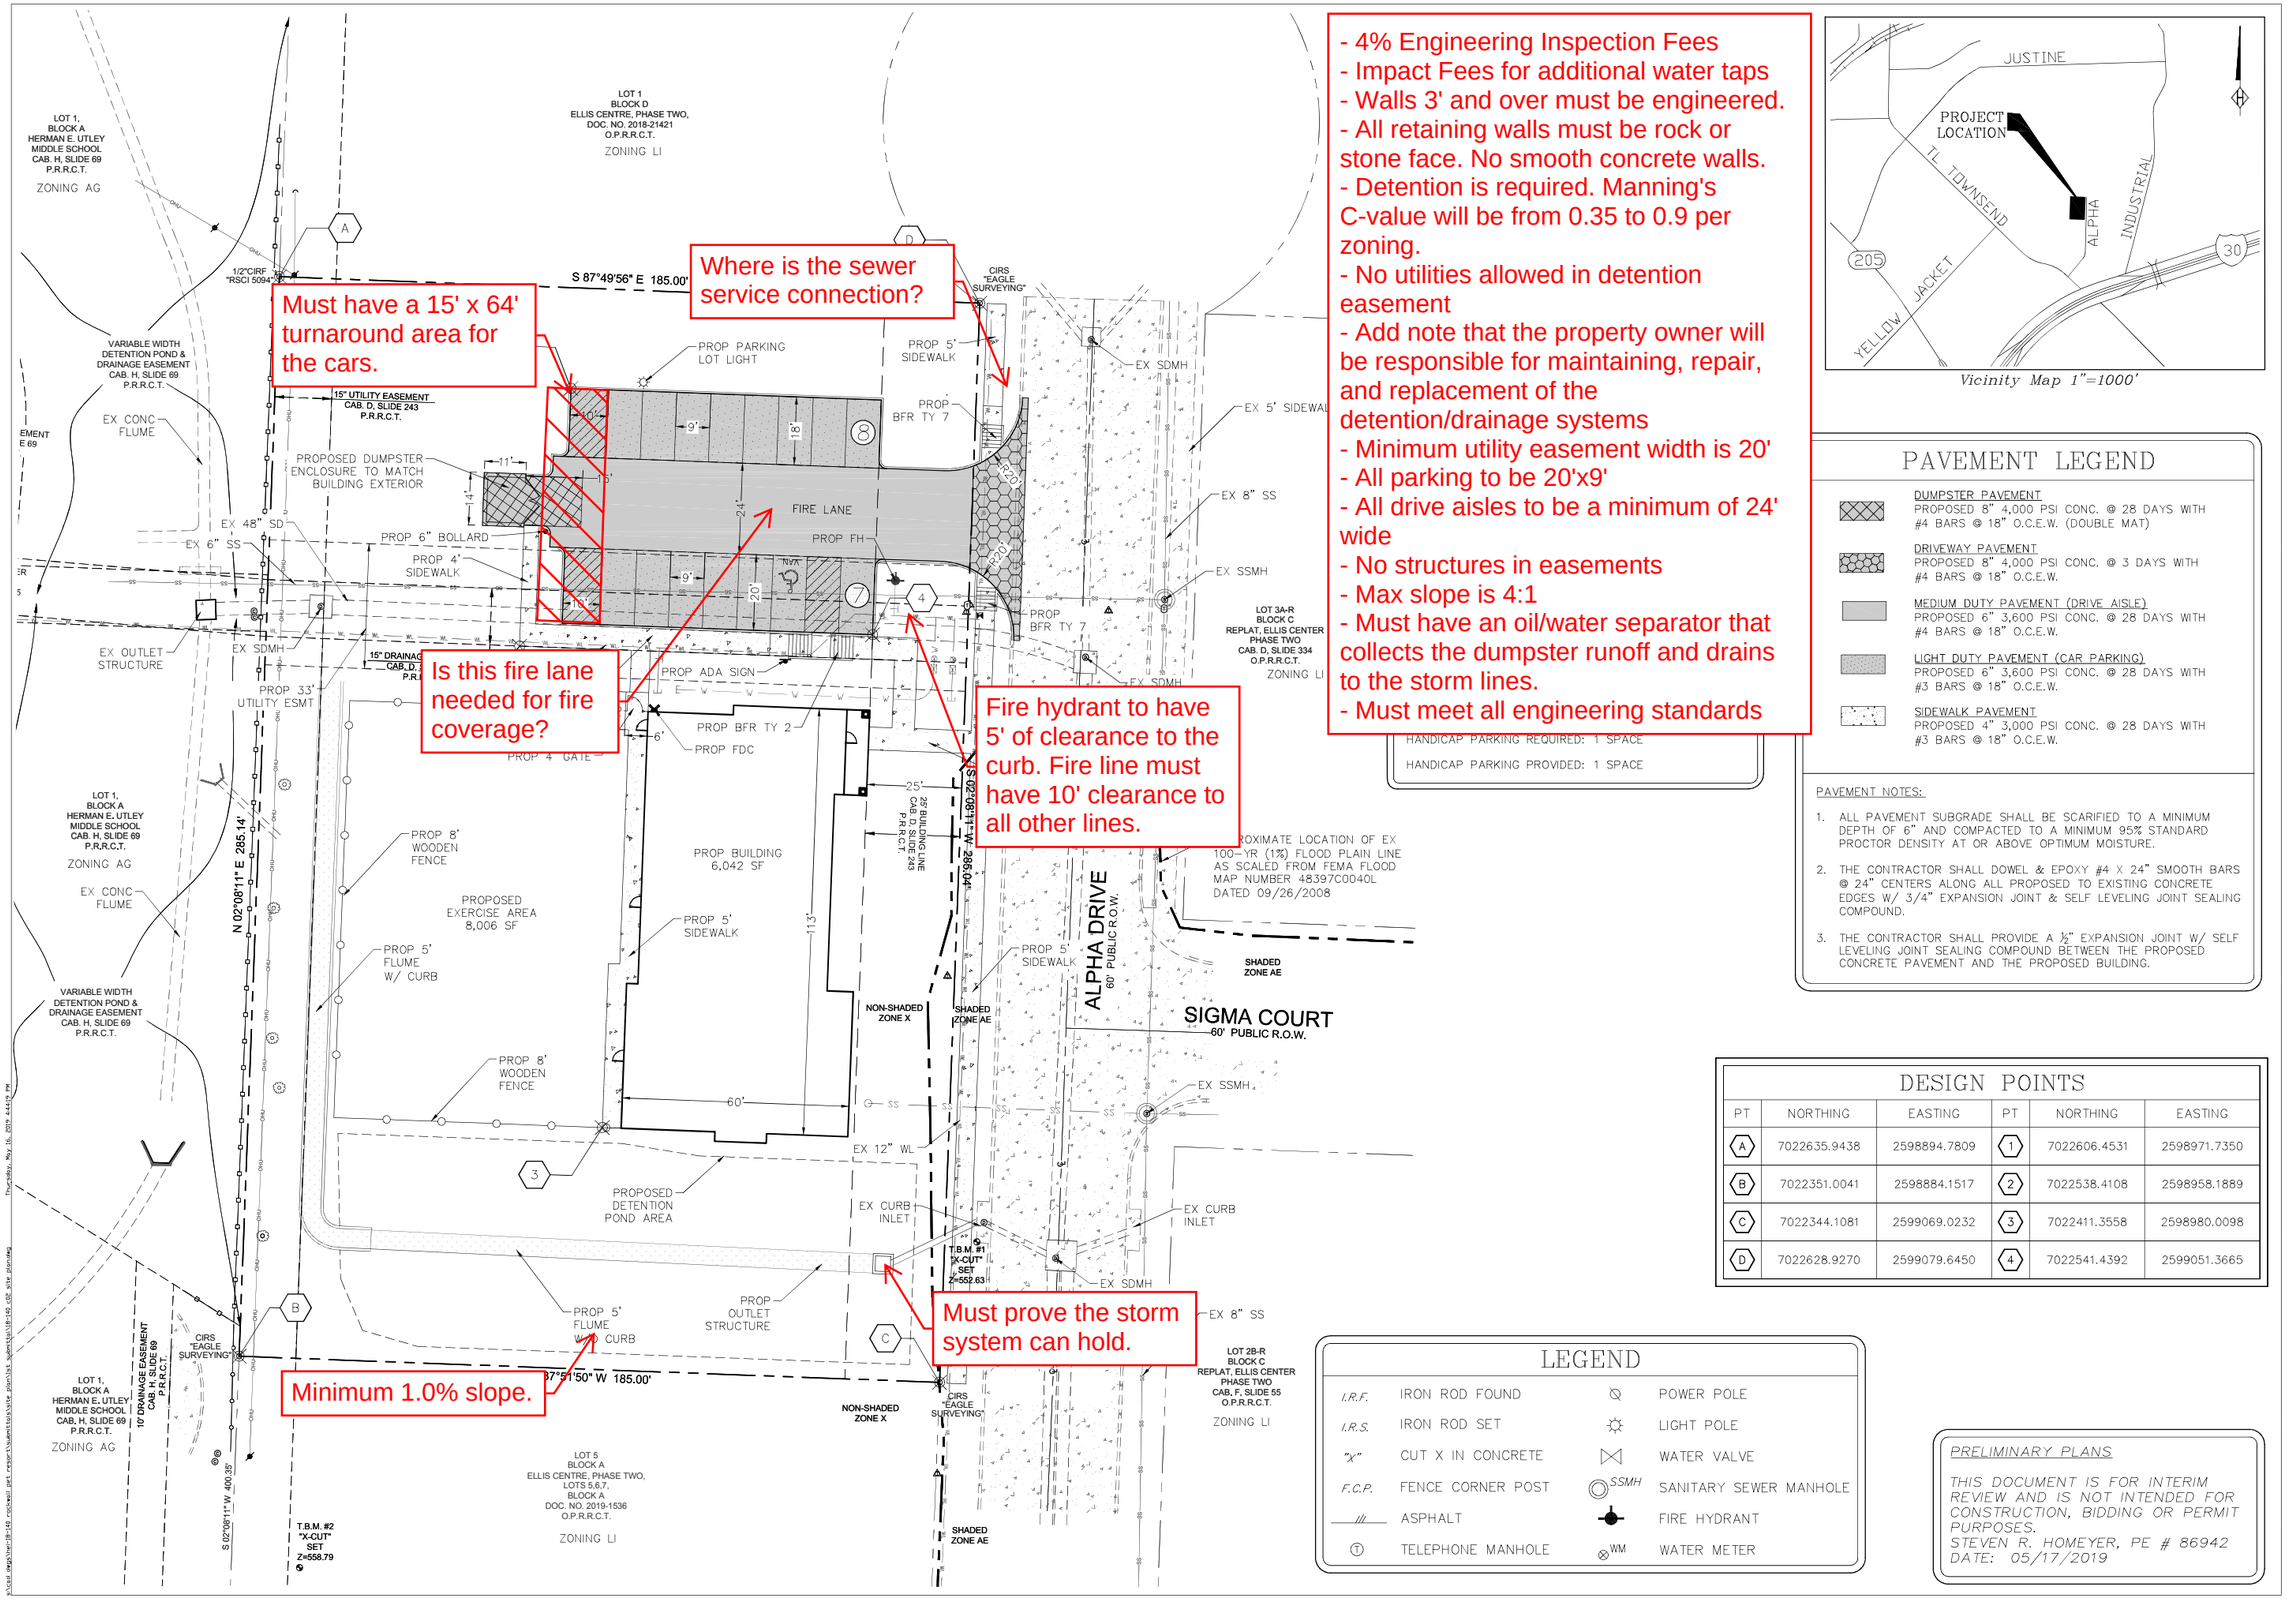
Site Plan:
1. Trash enclosures are not to face a public right-of-way. Reorient/relocate dumpster unless approved by the Planning and Zoning Commission (see exception above).
2. Fence at rear does not meet material standards for the required screening from a residential district/property (see exceptions above).
3. Label the 24-ft firelane access easement as "24-ft Firelane, Public Access, and Utility Easement.
4. Use a lighter gray scale for the 100-year flood plain line. Change line style, looks similar to property line symbolgy.
5. Delineate and label minimum 10-ft landscape buffer along Alpha Drive.
6. Site Information Table:
a. Change Parking Required to indicate "Animal Hospital/Clinic" rather than office.
7. Pavement Legend - infomation provided must meet the Engineering Departments standards for design.
8. Where are the HVAC/RTU's located? These units require screening from the public rights of way and adjacent properties. Provide screening detail.

Landscape Plan:
1. Delineate and label a minimum 10-ft landscape buffer.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|
| 2. Move building line label that sets on top of tree in landscape buffer.<br>3. Sec. 5.3, Art. VIII, of the UDC states no artifical plant materials may be used..must be turf or a non-permiable surface. Provide a detail and cust sheets for the proposed articial turf for staff review and indicate if this is permiable or impermiable<br>4. The detention pond requires a minimum of one (1), three (3)-caliper inch canopy tree for each 750 SF of dry area within the pond. Provode the necessary amount of trees for this area.<br>5. Parking Lot Lanscape Lable at bottom of plan: update total parking space count to match the site plan (i.e. 12 & 15 spaces).<br><br>Treescape Plan:<br>1. No mitigation required for the removal of the two (2) cedar trees as indicated on the plan.<br><br>Photometric Plan:<br>1. The maximum pole height shall not exceed 30-ft in overall height. Provide detail.<br>2. Provide cut sheets for all exterior lighting fixtures. Under canopy lighting required to be fully recessed into canopy.<br><br>Building Elevations:<br>1. All roof-top mechanical equipment requires screening from rights-of-way and adjacent properties. Dash-in RTU's on elevations (if applicable). Provide detail of screening mechanism to be used if these are not properly sceened.<br>2. Requires a recommendation from the Architectural Review Board(ARB). See scheduled meeting below.<br>3. Provide a materials sample board for ARB review of the actual materials to be used<br>4. Approval of the exceptions for not meeting the primary and secondary articulation standsrds, the screening fence standards, and for the trash enclosure facing the public right of way requires approval by the Planning and Zoning Commission for each separate instance as indicated above<br><br>** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.<br><br>Meeting Dates to Attend:<br><br>Architectural Review Board: May 28, 2019 (5:00 p.m.) [Recommendations from ARB]<br><br>Planning - Work Session: May 28, 2019 (6:00p.m.) [Applicant to present/discuss project]<br><br>Architectural Review Board: June 11, 2019 (5:00 p.m.) [Subsequent meeting if necessary]<br><br>Planning - Action: June 11, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]<br><br>** IF REQUIRED -- City Council - Action: Monday, June 17, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] ** | | | | | | | |
| Police Department | David Gonzales | 5/23/2019 | 5/30/2019 | 5/23/2019 | | COMMENTS | |

Must have a 15' x 64' turnaround area for the cars.

Where is the sewer service connection?



Is this fire lane needed for fire coverage?

Fire hydrant to have 5' of clearance to the curb. Fire line must have 10' clearance to all other lines.

Must prove the storm system can hold.

Minimum 1.0% slope.

- 4% Engineering Inspection Fees
- Impact Fees for additional water taps
- Walls 3' and over must be engineered.
- All retaining walls must be rock or stone face. No smooth concrete walls.
- Detention is required. Manning's C-value will be from 0.35 to 0.9 per zoning.
- No utilities allowed in detention easement
- Add note that the property owner will be responsible for maintaining, repair, and replacement of the detention/drainage systems
- Minimum utility easement width is 20'
- All parking to be 20'x9'
- All drive aisles to be a minimum of 24' wide
- No structures in easements
- Max slope is 4:1
- Must have an oil/water separator that collects the dumpster runoff and drains to the storm lines.
- Must meet all engineering standards

*Vicinity Map 1"=1000'*

## PAVEMENT LEGEND

DUMPSTER PAVEMENT
PROPOSED 8" 4,000 PSI CONC. @ 28 DAYS WITH #4 BARS @ 18" O.C.E.W. (DOUBLE MAT)

DRIVEWAY PAVEMENT
PROPOSED 8" 4,000 PSI CONC. @ 3 DAYS WITH #4 BARS @ 18" O.C.E.W.

MEDIUM DUTY PAVEMENT (DRIVE AISLE)
PROPOSED 6" 3,600 PSI CONC. @ 28 DAYS WITH #4 BARS @ 18" O.C.E.W.

LIGHT DUTY PAVEMENT (CAR PARKING)
PROPOSED 6" 3,600 PSI CONC. @ 28 DAYS WITH #3 BARS @ 18" O.C.E.W.

SIDEWALK PAVEMENT
PROPOSED 4" 3,000 PSI CONC. @ 28 DAYS WITH #3 BARS @ 18" O.C.E.W.

PAVEMENT NOTES:

1. ALL PAVEMENT SUBGRADE SHALL BE SCARIFIED TO A MINIMUM DEPTH OF 6" AND COMPACTED TO A MINIMUM 95% STANDARD PROCTOR DENSITY AT OR ABOVE OPTIMUM MOISTURE.
2. THE CONTRACTOR SHALL DOWEL & EPOXY #4 X 24" SMOOTH BARS @ 24" CENTERS ALONG ALL PROPOSED TO EXISTING CONCRETE EDGES W/ 3/4" EXPANSION JOINT & SELF LEVELING JOINT SEALING COMPOUND.
3. THE CONTRACTOR SHALL PROVIDE A ½" EXPANSION JOINT W/ SELF LEVELING JOINT SEALING COMPOUND BETWEEN THE PROPOSED CONCRETE PAVEMENT AND THE PROPOSED BUILDING.

## GENERAL PLANTING NOTES

1. THE GENERAL CONTRACTOR IS RESPONSIBLE FOR REMOVING ALL EXISTING VEGETATION (EXCEPT WHERE NOTED TO REMAIN). BEFORE STARTING WORK, THE LANDSCAPE CONTRACTOR SHALL VERIFY THAT THE GRADE OF ALL LANDSCAPE AREAS ARE WITHIN +/-0.1' OF FINISH GRADE. THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY SHOULD ANY DISCREPANCIES EXIST. SEE SPECIFICATIONS FOR MORE DETAILED INSTRUCTION ON TURF AREA AND PLANTING BED PREPARATION.
2. CONSTRUCT AND MAINTAIN FINISH GRADES IN LANDSCAPE AREAS AS SHOWN ON GRADING PLANS, AND CONSTRUCT AND MAINTAIN SLOPES AS RECOMMENDED BY THE GEOTECHNICAL REPORT. ALL LANDSCAPE AREAS SHALL HAVE POSITIVE DRAINAGE AWAY FROM STRUCTURES AT THE MINIMUM SLOPE SPECIFIED IN THE REPORT, AND AREAS OF POTENTIAL PONDING SHALL BE REGRADED TO BLEND IN WITH THE SURROUNDING GRADES AND ELIMINATE PONDING POTENTIAL. SHOULD ANY CONFLICTS AND/OR DISCREPANCIES ARISE BETWEEN THE GRADING PLANS, GEOTECHNICAL REPORT, THESE NOTES, AND ACTUAL CONDITIONS, THE CONTRACTOR SHALL IMMEDIATELY BRING SUCH ITEMS TO THE ATTENTION OF THE LANDSCAPE ARCHITECT, GENERAL CONTRACTOR, AND OWNER.
3. ENSURE THAT THE GRADE IN SHRUB AREAS SHALL BE 2" BELOW FINISH GRADE AFTER INSTALLING SOIL AMENDMENTS. AND 1" BELOW FINISH GRADE IN SOD AREAS AFTER INSTALLING SOIL AMENDMENTS. MULCH COVER WITHIN 6" OF CONCRETE WALKS AND CURBS SHALL NOT PROTRUDE ABOVE THE FINISH SURFACE OF THE WALKS AND CURBS. MULCH COVER WITHIN 12" OF WALLS SHALL BE AT LEAST 3" LOWER THAN THE TOP OF WALL.
4. INSTALL 5 OUNCE, WOVEN, NEEDLE-PUNCHED POLYPROPYLENE FABRIC (DeWITT "PRO-5" OR EQUAL) UNDER ALL MULCHED AREAS AND INDIVIDUAL TREE RINGS.
5. INSTALL MULCH TOPDRESSING, TYPE AND DEPTH PER MULCH NOTE, IN ALL PLANTING BEDS AND TREE RINGS. DO NOT INSTALL MULCH WITHIN 6" OF TREE ROOT FLARE.
6. INSTALL 14G, GREEN STEEL EDGING BETWEEN ALL PLANTING BEDS AND TURF AREAS, AND BETWEEN GROUNDCOVERS AND OTHER PLANTS (WHERE INDICATED ON THE PLAN).
7. HYDROMULCH ALL DISTURBED AREAS OUTSIDE OF PROPERTY LIMITS (UNLESS SHOWN AS SOD).
8. ALL PLANT LOCATIONS ARE DIAGRAMMATIC. ACTUAL LOCATIONS SHALL BE VERIFIED WITH THE LANDSCAPE ARCHITECT OR DESIGNER PRIOR TO PLANTING. THE LANDSCAPE CONTRACTOR SHALL ENSURE THAT ALL REQUIREMENTS OF THE PERMITTING AUTHORITY ARE MET (I.E., MINIMUM PLANT QUANTITIES, PLANTING METHODS, TREE PROTECTION METHODS, ETC.).
9. THE LANDSCAPE CONTRACTOR IS RESPONSIBLE FOR DETERMINING PLANT QUANTITIES; PLANT QUANTITIES SHOWN ON LEGENDS AND CALLOUTS ARE FOR GENERAL INFORMATION ONLY. IN THE EVENT OF A DISCREPANCY BETWEEN THE PLAN AND THE PLANT LEGEND, THE PLANT QUANTITY AS SHOWN ON THE PLAN (FOR INDIVIDUAL SYMBOLS) OR CALLOUT (FOR GROUNDCOVER PATTERNS) SHALL TAKE PRECEDENCE.
10. **NO SUBSTITUTIONS OF PLANT MATERIALS SHALL BE ALLOWED WITHOUT THE WRITTEN PERMISSION OF THE LANDSCAPE ARCHITECT.** IF SOME OF THE PLANTS ARE NOT AVAILABLE, THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE LANDSCAPE ARCHITECT IN WRITING (VIA PROPER CHANNELS).
11. PLANTS MAY BE INSPECTED AND APPROVED OR REJECTED ON THE JOBSITE BY THE OWNER OR OWNER'S REPRESENTATIVE.
12. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR THE MAINTENANCE OF ALL WORK SHOWN ON THESE PLANS FOR 90 DAYS BEYOND FINAL ACCEPTANCE OF ALL LANDSCAPE WORK BY THE OWNER. LANDSCAPE MAINTENANCE SHALL INCLUDE WEEKLY SITE VISITS FOR THE FOLLOWING ACTIONS (AS APPROPRIATE): PROPER PRUNING, RESTAKING OF TREES, RESETTING OF PLANTS THAT HAVE SETTLED, MOWING AND AERATION OF LAWNS, WEEDING, RESEEDING AREAS WHICH HAVE NOT GERMINATED WELL, TREATING FOR INSECTS AND DISEASES,REPLACEMENT OF MULCH, REMOVAL OF LITTER, REPAIRS TO THE IRRIGATION SYSTEM DUE TO FAULTY PARTS AND/OR WORKMANSHIP, AND THE APPROPRIATE WATERING OF ALL PLANTINGS. THE LANDSCAPE CONTRACTOR SHALL MAINTAIN THE IRRIGATION SYSTEM IN PROPER WORKING ORDER, WITH SCHEDULING ADJUSTMENTS BY SEASON TO MAXIMIZE WATER CONSERVATION.
13. SHOULD SEEDED AND/OR SODDED AREAS NOT BE COVERED BY AN AUTOMATIC IRRIGATION SYSTEM, THE LANDSCAPE CONTRACTOR SHAL BE RESPONSIBLE FOR WATERING THESE AREAS AND OBTAINING A FULL STAND OF GRASS AT NO ADDITIONAL COST TO THE OWNER.
14. TO ACHIEVE FINAL ACCEPTANCE AT THE END OF THE MAINTENANCE PERIOD, ALL OF THE FOLLOWING CONDITIONS MUST OCCUR:
    A. THE LANDSCAPE SHALL SHOW ACTIVE, HEALTHY GROWTH (WITH EXCEPTIONS MADE FOR SEASONAL DORMANCY). ALL PLANTS NOT MEETING THIS CONDITION SHALL BE REJECTED AND REPLACED BY HEALTHY PLANT MATERIAL PRIOR TO FINAL ACCEPTANCE.
    B. ALL HARDSCAPE SHALL BE CLEANED PRIOR TO FINAL ACCEPTANCE.
    C. SODDED AREAS MUST BE ACTIVELY GROWING AND MUST REACH A MINIMUM HEIGHT OF 1 1/2 INCHES BEFORE FIRST MOWING. HYDROMULCHED AREAS SHALL SHOW ACTIVE, HEALTHY GROWTH. BARE AREAS LARGER THAN TWELVE SQUARE INCHES MUST BE RESODDED OR RESEEDED (AS APPROPRIATE) PRIOR TO FINAL ACCEPTANCE. ALL SODDED TURF SHALL BE NEATLY MOWED.
15. SEE SPECIFICATIONS AND DETAILS FOR FURTHER REQUIREMENTS.

### IRRIGATION

PROPOSED IRRIGATION DESIGN WILL MEET THE REQUIREMENTS OF THE UDC.
* UNDERSTORY TREES PROVIDED ADJACENT TO EXISTING OVERHEAD UTILITIES.

## PLANTING AND IRRIGATION GUARANTEE

THE LANDSCAPE CONTRACTOR SHALL GUARANTEE THAT ALL NEWLY INSTALLED AND EXISTING PLANTS SHALL SURVIVE FOR ONE YEAR AFTER FINAL OWNER ACCEPTANCE OF THE INSTALLATION WORK. THE CONTRACTOR SHALL ALSO BE RESPONSIBLE FOR APPROPRIATE WATERING OF THE LANDSCAPE THROUGH INSTALLATION OF A PROPERLY DESIGNED IRRIGATION SYSTEM. THE OWNER SHALL APPROVE THE SYSTEM DESIGN BEFORE INSTALLATION OF PLANTS OR IRRIGATION.

## ROOT BARRIERS

THE CONTRACTOR SHALL INSTALL ROOT BARRIERS NEAR ALL NEWLY-PLANTED TREES THAT ARE LOCATED WITHIN FIVE (5) FEET OF PAVING OR CURBS. ROOT BARRIERS SHALL BE "CENTURY" OR "DEEP-ROOT" 24" DEEP PANELS (OR EQUAL). BARRIERS SHALL BE LOCATED IMMEDIATELY ADJACENT TO HARDSCAPE. INSTALL PANELS PER MANUFACTURER'S RECOMMENDATIONS. UNDER NO CIRCUMSTANCES SHALL THE CONTRACTOR USE ROOT BARRIERS OF A TYPE THAT COMPLETELY ENCIRCLE THE ROOTBALL.

## MULCHES

AFTER ALL PLANTING IS COMPLETE, CONTRACTOR SHALL INSTALL 3" THICK LAYER OF 1-1/2" SHREDDED WOOD MULCH OVER LANDSCAPE FABRIC IN ALL PLANTING AREAS. CONTRACTOR SHALL SUBMIT SAMPLES OF ALL MULCHES TO LANDSCAPE ARCHITECT AND OWNER FOR APPROVAL PRIOR TO CONSTRUCTION. ABSOLUTELY NO EXPOSED GROUND SHALL BE LEFT SHOWING ANYWHERE ON THE PROJECT AFTER MULCH HAS BEEN INSTALLED.

## GENERAL PLANTING NOTES

1. THE GENERAL CONTRACTOR IS RESPONSIBLE FOR REMOVING ALL EXISTING VEGETATION (EXCEPT WHERE NOTED TO REMAIN). BEFORE STARTING WORK, THE LANDSCAPE CONTRACTOR SHALL VERIFY THAT THE GRADE OF ALL LANDSCAPE AREAS ARE WITHIN +/-0.1' OF FINISH GRADE. THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY SHOULD ANY DISCREPANCIES EXIST. SEE SPECIFICATIONS FOR MORE DETAILED INSTRUCTION ON TURF AREA AND PLANTING BED PREPARATION.
2. CONSTRUCT AND MAINTAIN FINISH GRADES IN LANDSCAPE AREAS AS SHOWN ON GRADING PLANS, AND CONSTRUCT AND MAINTAIN SLOPES AS RECOMMENDED BY THE GEOTECHNICAL REPORT. ALL LANDSCAPE AREAS SHALL HAVE POSITIVE DRAINAGE AWAY FROM STRUCTURES AT THE MINIMUM SLOPE SPECIFIED IN THE REPORT, AND AREAS OF POTENTIAL PONDING SHALL BE REGRADED TO BLEND IN WITH THE SURROUNDING GRADES AND ELIMINATE PONDING POTENTIAL. SHOULD ANY CONFLICTS AND/OR DISCREPANCIES ARISE BETWEEN THE GRADING PLANS, GEOTECHNICAL REPORT, THESE NOTES, AND ACTUAL CONDITIONS, THE CONTRACTOR SHALL IMMEDIATELY BRING SUCH ITEMS TO THE ATTENTION OF THE LANDSCAPE ARCHITECT, GENERAL CONTRACTOR, AND OWNER.
3. ENSURE THAT THE GRADE IN SHRUB AREAS SHALL BE 2" BELOW FINISH GRADE AFTER INSTALLING SOIL AMENDMENTS, AND 1" BELOW FINISH GRADE IN SOD AREAS AFTER INSTALLING SOIL AMENDMENTS. MULCH COVER WITHIN 6" OF CONCRETE WALKS AND CURBS SHALL NOT PROTRUDE ABOVE THE FINISH SURFACE OF THE WALKS AND CURBS. MULCH COVER WITHIN 12" OF WALLS SHALL BE AT LEAST 3" LOWER THAN THE TOP OF WALL.
4. INSTALL 5 OUNCE, WOVEN, NEEDLE-PUNCHED POLYPROPYLENE FABRIC (DeWITT "PRO-5" OR EQUAL) UNDER ALL MULCHED AREAS AND INDIVIDUAL TREE RINGS.
5. INSTALL MULCH TOPDRESSING, TYPE AND DEPTH PER MULCH NOTE, IN ALL PLANTING BEDS AND TREE RINGS. DO NOT INSTALL MULCH WITHIN 6" OF TREE ROOT FLARE.
6. INSTALL 14G, GREEN STEEL EDGING BETWEEN ALL PLANTING BEDS AND TURF AREAS, AND BETWEEN GROUNDCOVERS AND OTHER PLANTS (WHERE INDICATED ON THE PLAN).
7. HYDROMULCH ALL DISTURBED AREAS OUTSIDE OF PROPERTY LIMITS (UNLESS SHOWN AS SOD).
8. ALL PLANT LOCATIONS ARE DIAGRAMMATIC. ACTUAL LOCATIONS SHALL BE VERIFIED WITH THE LANDSCAPE ARCHITECT OR DESIGNER PRIOR TO PLANTING. THE LANDSCAPE CONTRACTOR SHALL ENSURE THAT ALL REQUIREMENTS OF THE PERMITTING AUTHORITY ARE MET (I.E., MINIMUM PLANT QUANTITIES, PLANTING METHODS, TREE PROTECTION METHODS, ETC.).
9. THE LANDSCAPE CONTRACTOR IS RESPONSIBLE FOR DETERMINING PLANT QUANTITIES; PLANT QUANTITIES SHOWN ON LEGENDS AND CALLOUTS ARE FOR GENERAL INFORMATION ONLY. IN THE EVENT OF A DISCREPANCY BETWEEN THE PLAN AND THE PLANT LEGEND, THE PLANT QUANTITY AS SHOWN ON THE PLAN (FOR INDIVIDUAL SYMBOLS) OR CALLOUT (FOR GROUNDCOVER PATTERNS) SHALL TAKE PRECEDENCE.
10. **NO SUBSTITUTIONS OF PLANT MATERIALS SHALL BE ALLOWED WITHOUT THE WRITTEN PERMISSION OF THE LANDSCAPE ARCHITECT.** IF SOME OF THE PLANTS ARE NOT AVAILABLE, THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE LANDSCAPE ARCHITECT IN WRITING (VIA PROPER CHANNELS).
11. PLANTS MAY BE INSPECTED AND APPROVED OR REJECTED ON THE JOBSITE BY THE OWNER OR OWNER'S REPRESENTATIVE.
12. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR THE MAINTENANCE OF ALL WORK SHOWN ON THESE PLANS FOR 90 DAYS BEYOND FINAL ACCEPTANCE OF ALL LANDSCAPE WORK BY THE OWNER. LANDSCAPE MAINTENANCE SHALL INCLUDE WEEKLY SITE VISITS FOR THE FOLLOWING ACTIONS (AS APPROPRIATE): PROPER PRUNING, RESTAKING OF TREES, RESETTING OF PLANTS THAT HAVE SETTLED, MOWING AND AERATION OF LAWNS, WEEDING, RESEEDING AREAS WHICH HAVE NOT GERMINATED WELL, TREATING FOR INSECTS AND DISEASES,REPLACEMENT OF MULCH, REMOVAL OF LITTER, REPAIRS TO THE IRRIGATION SYSTEM DUE TO FAULTY PARTS AND/OR WORKMANSHIP, AND THE APPROPRIATE WATERING OF ALL PLANTINGS. THE LANDSCAPE CONTRACTOR SHALL MAINTAIN THE IRRIGATION SYSTEM IN PROPER WORKING ORDER, WITH SCHEDULING ADJUSTMENTS BY SEASON TO MAXIMIZE WATER CONSERVATION.
13. SHOULD SEEDED AND/OR SODDED AREAS NOT BE COVERED BY AN AUTOMATIC IRRIGATION SYSTEM, THE LANDSCAPE CONTRACTOR SHAL BE RESPONSIBLE FOR WATERING THESE AREAS AND OBTAINING A FULL STAND OF GRASS AT NO ADDITIONAL COST TO THE OWNER.
14. TO ACHIEVE FINAL ACCEPTANCE AT THE END OF THE MAINTENANCE PERIOD, ALL OF THE FOLLOWING CONDITIONS MUST OCCUR:
    A. THE LANDSCAPE SHALL SHOW ACTIVE, HEALTHY GROWTH (WITH EXCEPTIONS MADE FOR SEASONAL DORMANCY). ALL PLANTS NOT MEETING THIS CONDITION SHALL BE REJECTED AND REPLACED BY HEALTHY PLANT MATERIAL PRIOR TO FINAL ACCEPTANCE.
    B. ALL HARDSCAPE SHALL BE CLEANED PRIOR TO FINAL ACCEPTANCE.
    C. SODDED AREAS MUST BE ACTIVELY GROWING AND MUST REACH A MINIMUM HEIGHT OF 1 1/2 INCHES BEFORE FIRST MOWING. HYDROMULCHED AREAS SHALL SHOW ACTIVE, HEALTHY GROWTH. BARE AREAS LARGER THAN TWELVE SQUARE INCHES MUST BE RESODDED OR RESEEDED (AS APPROPRIATE) PRIOR TO FINAL ACCEPTANCE. ALL SODDED TURF SHALL BE NEATLY MOWED.
15. SEE SPECIFICATIONS AND DETAILS FOR FURTHER REQUIREMENTS.

## LANDSCAPE CALCULATIONS

| | |
|---|---|
| CURRENT ZONING: | GR (GENERAL RETAIL) |
| TOTAL SITE AREA: | 52,741 SF |

### PARKING LOT LANDSCAPING

| | |
|---|---|
| TOTAL PARKING SPACES REQUIRED: | 16 SPACES |
| TOTAL PARKING SPACES PROVIDED: | 20 SPACES |
| PARKING LOT LANDSCAPING REQUIRED: | N/A (LESS THAN 20,000 SF / 2 ROWS) |

### IRRIGATION

PROPOSED IRRIGATION DESIGN WILL MEET THE REQUIREMENTS OF THE UDC.
* UNDERSTORY TREES PROVIDED ADJACENT TO EXISTING OVERHEAD UTILITIES.

## PLANTING AND IRRIGATION GUARANTEE

THE LANDSCAPE CONTRACTOR SHALL GUARANTEE THAT ALL NEWLY INSTALLED AND EXISTING PLANTS SHALL SURVIVE FOR ONE YEAR AFTER FINAL OWNER ACCEPTANCE OF THE INSTALLATION WORK. THE CONTRACTOR SHALL ALSO BE RESPONSIBLE FOR APPROPRIATE WATERING OF THE LANDSCAPE THROUGH INSTALLATION OF A PROPERLY DESIGNED IRRIGATION SYSTEM. THE OWNER SHALL APPROVE THE SYSTEM DESIGN BEFORE INSTALLATION OF PLANTS OR IRRIGATION.

## ROOT BARRIERS

THE CONTRACTOR SHALL INSTALL ROOT BARRIERS NEAR ALL NEWLY-PLANTED TREES THAT ARE LOCATED WITHIN FIVE (5) FEET OF PAVING OR CURBS. ROOT BARRIERS SHALL BE "CENTURY" OR "DEEP-ROOT" 24" DEEP PANELS (OR EQUAL). BARRIERS SHALL BE LOCATED IMMEDIATELY ADJACENT TO HARDSCAPE. INSTALL PANELS PER MANUFACTURER'S RECOMMENDATIONS. UNDER NO CIRCUMSTANCES SHALL THE CONTRACTOR USE ROOT BARRIERS OF A TYPE THAT COMPLETELY ENCIRCLE THE ROOTBALL.

## MULCHES

AFTER ALL PLANTING IS COMPLETE, CONTRACTOR SHALL INSTALL 3" THICK LAYER OF 1-1/2" SHREDDED WOOD MULCH OVER LANDSCAPE FABRIC IN ALL PLANTING AREAS. CONTRACTOR SHALL SUBMIT SAMPLES OF ALL MULCHES TO LANDSCAPE ARCHITECT AND OWNER FOR APPROVAL PRIOR TO CONSTRUCTION. ABSOLUTELY NO EXPOSED GROUND SHALL BE LEFT SHOWING ANYWHERE ON THE PROJECT AFTER MULCH HAS BEEN INSTALLED.

# PLANTING SPECIFICATIONS

GENERAL

A. QUALIFICATIONS OF LANDSCAPE CONTRACTOR
   1. ALL LANDSCAPE WORK SHOWN ON THESE PLANS SHALL BE PERFORMED BY A SINGLE FIRM SPECIALIZING IN LANDSCAPE PLANTING.
   2. A LIST OF SUCCESSFULLY COMPLETED PROJECTS OF THIS TYPE, SIZE AND NATURE MAY BE REQUESTED BY THE OWNER FOR FURTHER QUALIFICATION MEASURES.
   3. THE LANDSCAPE CONTRACTOR SHALL HOLD A VALID NURSERY AND FLORAL CERTIFICATE ISSUED BY THE TEXAS DEPARTMENT OF AGRICULTURE, AS WELL AS OPERATE UNDER A COMMERCIAL PESTICIDE APPLICATOR LICENSE ISSUED BY EITHER THE TEXAS DEPARTMENT OF AGRICULTURE OR THE TEXAS STRUCTURAL PEST CONTROL BOARD.

B. SCOPE OF WORK
   1. WORK COVERED BY THESE SECTIONS INCLUDES THE FURNISHING AND PAYMENT OF ALL MATERIALS, LABOR, SERVICES, EQUIPMENT, LICENSES, TAXES AND ANY OTHER ITEMS THAT ARE NECESSARY FOR THE EXECUTION, INSTALLATION AND COMPLETION OF ALL WORK, SPECIFIED HEREIN AND / OR SHOWN ON THE LANDSCAPE PLANS, NOTES, AND DETAILS.
   2. ALL WORK SHALL BE PERFORMED IN ACCORDANCE WITH ALL APPLICABLE LAWS, CODES AND REGULATIONS REQUIRED BY AUTHORITIES HAVING JURISDICTION OVER SUCH WORK, INCLUDING ALL INSPECTIONS AND PERMITS REQUIRED BY FEDERAL, STATE AND LOCAL AUTHORITIES IN SUPPLY, TRANSPORTATION AND INSTALLATION OF MATERIALS.
   3. THE LANDSCAPE CONTRACTOR SHALL VERIFY THE LOCATION OF ALL UNDERGROUND UTILITY LINES (WATER, SEWER, ELECTRICAL, TELEPHONE, GAS, CABLE, TELEVISION, ETC.) PRIOR TO THE START OF ANY WORK.

PRODUCTS

A. ALL MANUFACTURED PRODUCTS SHALL BE NEW.
B. CONTAINER AND BALLED-AND-BURLAPPED PLANTS:
   1. FURNISH NURSERY-GROWN PLANTS COMPLYING WITH ANSI Z60.1-2004. PROVIDE WELL-SHAPED, FULLY BRANCHED, HEALTHY, VIGOROUS STOCK FREE OF DISEASE, INSECTS, EGGS, LARVAE, AND DEFECTS SUCH AS KNOTS, SUN SCALD, INJURIES, ABRASIONS, AND DISFIGUREMENT. ALL PLANTS WITHIN A SPECIES SHALL HAVE SIMILAR SIZE, AND SHALL BE OF A FORM TYPICAL FOR THE SPECIES. ALL TREES SHALL BE OBTAINED FROM SOURCES WITHIN 200 MILES OF THE PROJECT SITE, AND WITH SIMILAR CLIMACTIC CONDITIONS.
   2. ROOT SYSTEMS SHALL BE HEALTHY, DENSELY BRANCHED ROOT SYSTEMS, NON-POT-BOUND, FREE FROM ENCIRCLING AND/OR GIRDLING ROOTS, AND FREE FROM ANY OTHER ROOT DEFECTS (SUCH AS J-SHAPED ROOTS).
   3. ANY PLANT DEEMED UNACCEPTABLE BY THE LANDSCAPE ARCHITECT OR OWNER SHALL BE IMMEDIATELY REMOVED FROM THE SITE AND SHALL BE REPLACED WITH AN ACCEPTABLE PLANT OF LIKE TYPE AND SIZE AT THE CONTRACTOR'S OWN EXPENSE. ANY PLANTS APPEARING TO BE UNHEALTHY, EVEN IF DETERMINED TO STILL BE ALIVE, SHALL NOT BE ACCEPTED. THE LANDSCAPE ARCHITECT AND OWNER SHALL BE THE SOLE JUDGES AS TO THE ACCEPTABILITY OF PLANT MATERIAL.
   4. ALL TREES SHALL BE STANDARD IN FORM, UNLESS OTHERWISE SPECIFIED. TREES WITH CENTRAL LEADERS WILL NOT BE ACCEPTED IF LEADER IS DAMAGED OR REMOVED. PRUNE ALL DAMAGED TWIGS AFTER PLANTING.
   5. CALIPER MEASUREMENTS FOR STANDARD (SINGLE TRUNK) TREES SHALL BE AS FOLLOWS: SIX INCHES ABOVE THE ROOT FLARE FOR TREES UP TO AND INCLUDING FOUR INCHES IN CALIPER, AND TWELVE INCHES ABOVE THE ROOT FLARE FOR TREES EXCEEDING FOUR INCHES IN CALIPER.
   6. MULTI-TRUNK TREES SHALL BE MEASURED BY THEIR OVERALL HEIGHT, MEASURED FROM THE TOP OF THE ROOT BALL.
   7. ANY TREE OR SHRUB SHOWN TO HAVE EXCESS SOIL PLACED ON TOP OF THE ROOT BALL, SO THAT THE ROOT FLARE HAS BEEN COMPLETELY COVERED, SHALL BE REJECTED.
C. SOD: PROVIDE WELL-ROOTED SOD OF THE VARIETY NOTED ON THE PLANS. SOD SHALL BE CUT FROM HEALTHY, MATURE TURF WITH SOIL THICKNESS OF 3/4" TO 1". EACH PALLET OF SOD SHALL BE ACCOMPANIED BY A CERTIFICATE FROM SUPPLIER STATING THE COMPOSITION OF THE SOD.
D. SEED: PROVIDE BLEND OF SPECIES AND VARIETIES AS NOTED ON THE PLANS, WITH MAXIMUM PERCENTAGES OF PURITY, GERMINATION, AND MINIMUM PERCENTAGE OF WEED SEED AS INDICATED ON PLANS. EACH BAG OF SEED SHALL BE ACCOMPANIED BY A TAG FROM THE SUPPLIER INDICATING THE COMPOSITION OF THE SEED.
E. TOPSOIL: SANDY TO CLAY LOAM TOPSOIL, FREE OF STONES LARGER THAN ½ INCH, FOREIGN MATTER, PLANTS, ROOTS, AND SEEDS.
F. COMPOST: WELL-COMPOSTED, STABLE, AND WEED-FREE ORGANIC MATTER, pH RANGE OF 5.5 TO 8; MOISTURE CONTENT 35 TO 55 PERCENT BY WEIGHT; 100 PERCENT PASSING THROUGH 3/4-INCH SIEVE; SOLUBLE SALT CONTENT OF 5 TO 10 DECISIEMENS/M; NOT EXCEEDING 0.5 PERCENT INERT CONTAMINANTS AND FREE OF SUBSTANCES TOXIC TO PLANTINGS. NO MANURE OR ANIMAL-BASED PRODUCTS SHALL BE USED.
G. FERTILIZER: GRANULAR FERTILIZER CONSISTING OF NITROGEN, PHOSPHORUS, POTASSIUM, AND OTHER NUTRIENTS IN PROPORTIONS, AMOUNTS, AND RELEASE RATES RECOMMENDED IN A SOIL REPORT FROM A QUALIFIED SOIL-TESTING AGENCY (SEE BELOW).
H. MULCH: SIZE AND TYPE AS INDICATED ON PLANS, FREE FROM DELETERIOUS MATERIALS AND SUITABLE AS A TOP DRESSING OF TREES AND SHRUBS.
I. WEED FABRIC: 5 OUNCE, WOVEN, NEEDLE-PUNCHED FABRIC, SUCH AS DEWITT PRO5 LANDSCAPE FABRIC (OR APPROVED EQUAL).
J. TREE STAKING AND GUYING
   1. STAKES: 6' LONG GREEN METAL T-POSTS.
   2. GUY AND TIE WIRE: ASTM A 641, CLASS 1, GALVANIZED-STEEL WIRE, 2-STRAND, TWISTED, 0.106 INCH DIAMETER.
   3. STRAP CHAFING GUARD: REINFORCED NYLON OR CANVAS AT LEAST 1-1/2 INCH WIDE, WITH GROMMETS TO PROTECT TREE TRUNKS FROM DAMAGE.
K. STEEL EDGING: PROFESSIONAL STEEL EDGING, 14 GAUGE THICK X 4 INCHES WIDE, FACTORY PAINTED DARK GREEN. ACCEPTABLE MANUFACTURERS INCLUDE COL-MET OR APPROVED EQUAL.
L. PRE-EMERGENT HERBICIDES: ANY GRANULAR, NON-STAINING PRE-EMERGENT HERBICIDE THAT IS LABELED FOR THE SPECIFIC ORNAMENTALS OR TURF ON WHICH IT WILL BE UTILIZED. PRE-EMERGENT HERBICIDES SHALL BE APPLIED PER THE MANUFACTURER'S LABELED RATES.

METHODS

A. SOIL PREPARATION
   1. BEFORE STARTING WORK, THE LANDSCAPE CONTRACTOR SHALL VERIFY THAT THE GRADE OF ALL LANDSCAPE AREAS ARE WITHIN +/-0.1' OF FINISH GRADE. THE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY SHOULD ANY DISCREPANCIES EXIST.
   2. SOIL TESTING:
      a. AFTER FINISH GRADES HAVE BEEN ESTABLISHED, CONTRACTOR SHALL HAVE SOIL SAMPLES TESTED BY AN ESTABLISHED SOIL TESTING LABORATORY FOR THE FOLLOWING: SOIL TEXTURAL CLASS, GENERAL SOIL FERTILITY, pH, ORGANIC MATTER CONTENT, SALT (CEC), LIME, SODIUM ADSORPTION RATIO (SAR) AND BORON CONTENT. EACH SAMPLE SUBMITTED SHALL CONTAIN NO LESS THAN ONE QUART OF SOIL.
      b. CONTRACTOR SHALL ALSO SUBMIT THE PROJECT'S PLANT LIST TO THE LABORATORY ALONG WITH THE SOIL SAMPLES.
      c. THE SOIL REPORT PRODUCED BY THE LABORATORY SHALL CONTAIN RECOMMENDATIONS FOR THE FOLLOWING (AS APPROPRIATE): GENERAL SOIL PREPARATION AND BACKFILL MIXES, PRE-PLANT FERTILIZER APPLICATIONS, AND ANY OTHER SOIL RELATED ISSUES. THE REPORT SHALL ALSO PROVIDE A FERTILIZER PROGRAM FOR THE ESTABLISHMENT PERIOD AND FOR LONG-TERM MAINTENANCE.
   3. THE CONTRACTOR SHALL INSTALL SOIL AMENDMENTS AND FERTILIZERS PER THE SOILS REPORT RECOMMENDATIONS. ANY CHANGE IN COST DUE TO THE SOIL REPORT RECOMMENDATIONS, EITHER INCREASE OR DECREASE, SHALL BE SUBMITTED TO THE OWNER WITH THE REPORT.
   4. FOR BIDDING PURPOSES ONLY, THE SOIL PREPARATION SHALL CONSIST OF THE FOLLOWING:
      a. TURF: INCORPORATE THE FOLLOWING AMENDMENTS INTO THE TOP 8" OF SOIL BY MEANS OF ROTOTILLING AFTER CROSS-RIPPING:
      i. NITROGEN STABILIZED ORGANIC AMENDMENT - 4 CU. YDS. PER 1,000 S.F.
      ii. AMMONIUM PHOSPHATE 16-20-0 - 15 LBS PER 1,000 S.F.
      iii. AGRICULTURAL GYPSUM - 100 LBS PER 1,000 S.F.
      b. TREES, SHRUBS, AND PERENNIALS: INCORPORATE THE FOLLOWING AMENDMENTS INTO THE TOP 8" OF SOIL BY MEANS OF ROTOTILLING AFTER CROSS-RIPPING:
      i. NITROGEN STABILIZED ORGANIC AMENDMENT - 4 CU. YDS. PER 1,000 S.F.
      ii. 12-12-12 FERTILIZER - 10 LBS. PER CU. YD.
      iii. AGRICULTURAL GYPSUM - 10 LBS. PER CU. YD.
      iv. IRON SULPHATE - 2 LBS. PER CU. YD.
   5. CONTRACTOR SHALL ENSURE THAT THE GRADE IN SOD AREAS SHALL BE 1" BELOW FINISH GRADE BEFORE INSTALLING SOIL AMENDMENTS, AND 2" BELOW FINISH GRADE IN SHRUB AREAS BEFORE INSTALLING SOIL AMENDMENTS. MULCH COVER WITHIN 6" OF CONCRETE WALKS AND CURBS SHALL NOT PROTRUDE ABOVE THE FINISH SURFACE OF THE WALKS AND CURBS. MULCH COVER WITHIN 12" OF WALLS SHALL BE AT LEAST 3" LOWER THAN THE TOP OF WALL.
   6. ONCE SOIL PREPARATION IS COMPLETE, THE LANDSCAPE CONTRACTOR SHALL ENSURE THAT THERE ARE NO DEBRIS, TRASH, OR STONES LARGER THAN 1" REMAINING IN THE TOP 6" OF SOIL.

B. GENERAL PLANTING
   1. REMOVE ALL NURSERY TAGS AND STAKES FROM PLANTS.
   2. EXCEPT IN AREAS TO BE PLANTED WITH ORNAMENTAL GRASSES, APPLY PRE-EMERGENT HERBICIDES AT THE MANUFACTURER'S RECOMMENDED RATE.
   3. TRENCHING NEAR EXISTING TREES:
      a. CONTRACTOR SHALL NOT DISTURB ROOTS 1-1/2" AND LARGER IN DIAMETER WITHIN THE CRITICAL ROOT ZONE (CRZ) OF EXISTING TREES, AND SHALL EXERCISE ALL POSSIBLE CARE AND PRECAUTIONS TO AVOID INJURY TO TREE ROOTS, TRUNKS, AND BRANCHES. THE CRZ IS DEFINED AS A CIRCULAR AREA EXTENDING OUTWARD FROM THE TREE TRUNK, WITH A RADIUS EQUAL TO 1' FOR EVERY 1" OF TRUNK DIAMETER-AT-BREAST-HEIGHT (4.5' ABOVE THE AVERAGE GRADE AT THE TRUNK).
      b. ALL EXCAVATION WITHIN THE CRZ SHALL BE PERFORMED USING HAND TOOLS. NO MACHINE EXCAVATION OR TRENCHING OF ANY KIND SHALL BE ALLOWED WITHIN THE CRZ.
      c. ALTER ALIGNMENT OF PIPE TO AVOID TREE ROOTS 1-1/2" AND LARGER IN DIAMETER. WHERE TREE ROOTS 1-1/2" AND LARGER IN DIAMETER ARE ENCOUNTERED IN THE FIELD, TUNNEL UNDER SUCH ROOTS. WRAP EXPOSED ROOTS WITH SEVERAL LAYERS OF BURLAP AND KEEP MOIST. CLOSE ALL TRENCHES WITHIN THE CANOPY DRIP LINES WITHIN 24 HOURS.
      d. ALL SEVERED ROOTS SHALL BE HAND PRUNED WITH SHARP TOOLS AND ALLOWED TO AIR-DRY. DO NOT USE ANY SORT OF SEALERS OR WOUND PAINTS.

C. TREE PLANTING
   1. TREE PLANTING HOLES SHALL BE EXCAVATED TO MINIMUM WIDTH OF TWO TIMES THE WIDTH OF THE ROOTBALL, AND TO A DEPTH EQUAL TO THE DEPTH OF THE ROOTBALL LESS TWO TO FOUR INCHES.
   2. SCARIFY THE SIDES AND BOTTOM OF THE PLANTING HOLE PRIOR TO THE PLACEMENT OF THE TREE. REMOVE ANY GLAZING THAT MAY HAVE BEEN CAUSED DURING THE EXCAVATION OF THE HOLE.
   3. FOR CONTAINER AND BOX TREES, TO REMOVE ANY POTENTIALLY GIRDLING ROOTS AND OTHER ROOT DEFECTS, THE CONTRACTOR SHALL SHAVE A 1" LAYER OFF OF THE SIDES AND BOTTOM OF THE ROOTBALL OF ALL TREES JUST BEFORE PLACING INTO THE PLANTING PIT. DO NOT "TEASE" ROOTS OUT FROM THE ROOTBALL.
   4. INSTALL THE TREE ON UNDISTURBED SUBGRADE SO THAT THE TOP OF THE ROOTBALL IS TWO TO FOUR INCHES ABOVE THE SURROUNDING GRADE.
   5. BACKFILL THE TREE HOLE UTILIZING THE EXISTING TOPSOIL FROM ON-SITE. ROCKS LARGER THAN 1" DIA. AND ALL OTHER DEBRIS SHALL BE REMOVED FROM THE SOIL PRIOR TO THE BACKFILL. SHOULD ADDITIONAL SOIL BE REQUIRED TO ACCOMPLISH THIS TASK, USE STORED TOPSOIL FROM ON-SITE OR IMPORT ADDITIONAL TOPSOIL FROM OFF-SITE AT NO ADDITIONAL COST TO THE OWNER. IMPORTED TOPSOIL SHALL BE OF SIMILAR TEXTURAL CLASS AND COMPOSITION IN THE ON-SITE SOIL.
   6. THE TOTAL NUMBER OF TREE STAKES (BEYOND THE MINIMUMS LISTED BELOW) WILL BE LEFT TO THE LANDSCAPE CONTRACTOR'S DISCRETION. SHOULD ANY TREES FALL OR LEAN, THE LANDSCAPE CONTRACTOR SHALL STRAIGHTEN THE TREE, OR REPLACE IT SHOULD IT BECOME DAMAGED. TREE STAKING SHALL ADHERE TO THE FOLLOWING GUIDELINES:

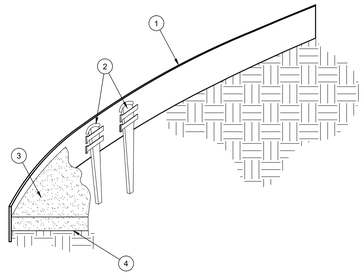
| | | |
|---|---|---|
| a. | 1"-2" TREES | TWO STAKES PER TREE |
| b. | 2-1/2"-4" TREES | THREE STAKES PER TREE |
| c. | TREES OVER 4" CALIPER | GUY AS NEEDED |
| d. | MULTI-TRUNK TREES | THREE STAKES PER TREE MINIMUM, QUANTITY AND POSITIONS AS NEEDED TO STABILIZE THE TREE |

   7. UPON COMPLETION OF PLANTING, CONSTRUCT AN EARTH WATERING BASIN AROUND THE TREE. COVER THE INTERIOR OF THE TREE RING WITH MULCH (TYPE AND DEPTH PER PLANS).

D. SHRUB, PERENNIAL, AND GROUNDCOVER PLANTING
   1. DIG THE PLANTING HOLES TWICE AS WIDE AND 2" LESS DEEP THAN EACH PLANT'S ROOTBALL. INSTALL THE PLANT IN THE HOLE. BACKFILL AROUND THE PLANT WITH SOIL AMENDED PER SOIL TEST RECOMMENDATIONS.
   2. WHEN PLANTING IS COMPLETE, INSTALL MULCH (TYPE AND DEPTH PER PLANS) OVER ALL PLANTING BEDS, COVERING THE ENTIRE PLANTING AREA.

E. SODDING
   1. SOD VARIETY TO BE AS SPECIFIED ON THE LANDSCAPE PLAN.
   2. LAY SOD WITHIN 24 HOURS FROM THE TIME OF STRIPPING. DO NOT LAY IF THE GROUND IS FROZEN.
   3. LAY THE SOD TO FORM A SOLID MASS WITH TIGHTLY FITTED JOINTS. BUTT ENDS AND SIDES OF SOD STRIPS - DO NOT OVERLAP. STAGGER STRIPS TO OFFSET JOINTS IN ADJACENT COURSES.
   4. ROLL THE SOD TO ENSURE GOOD CONTACT OF THE SOD'S ROOT SYSTEM WITH THE SOIL UNDERNEATH.
   5. WATER THE SOD THOROUGHLY WITH A FINE SPRAY IMMEDIATELY AFTER PLANTING TO OBTAIN AT LEAST SIX INCHES OF PENETRATION INTO THE SOIL BELOW THE SOD.

F. HYDROMULCHING
   1. TURF HYDROMULCH MIX (PER 1,000 SF) SHALL BE AS FOLLOWS:
      a. WINTER MIX (OCTOBER 1 - MARCH 31)
         50# CELLULOSE FIBER MULCH
         2# UNHULLED BERMUDA SEED
         2# ANNUAL RYE SEED
         15# 15-15-15 WATER SOLUBLE FERTILIZER
      b. SUMMER MIX (APRIL 1 - SEPTEMBER 30)
         50# CELLULOSE FIBER MULCH
         2# HULLED BERMUDA SEED
         15# 15-15-15 WATER SOLUBLE FERTILIZER
   2. SEED HYDROMULCH MIX (PER 1,000 SF) SHALL BE AS FOLLOWS:
      a. GENERAL
         50# CELLULOSE FIBER MULCH
         15# 15-15-15 WATER SOLUBLE FERTILIZER
         SEED RATE PER LEGEND

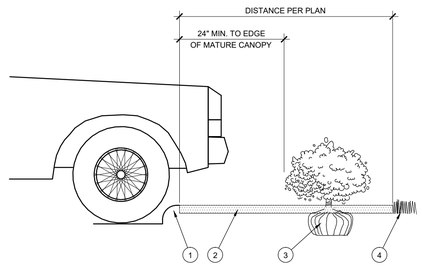


G. CLEAN UP
   1. DURING LANDSCAPE PREPARATION AND PLANTING, KEEP ALL PAVEMENT CLEAN AND ALL WORK AREAS IN A NEAT, ORDERLY CONDITION.
   2. DISPOSED LEGALLY OF ALL EXCAVATED MATERIALS OFF THE PROJECT SITE.

H. INSPECTION AND ACCEPTANCE
   1. UPON COMPLETION OF THE WORK, THE LANDSCAPE CONTRACTOR SHALL PROVIDE THE SITE CLEAN, FREE OF DEBRIS AND TRASH, AND SUITABLE FOR USE AS INTENDED. THE LANDSCAPE CONTRACTOR SHALL THEN REQUEST AN INSPECTION BY THE OWNER TO DETERMINE FINAL ACCEPTABILITY.
   2. WHEN THE INSPECTED PLANTING WORK DOES NOT COMPLY WITH THE CONTRACT DOCUMENTS, THE LANDSCAPE CONTRACTOR SHALL REPLACE AND/OR REPAIR THE REJECTED WORK TO THE OWNER'S SATISFACTION WITHIN 24 HOURS.
   3. THE LANDSCAPE MAINTENANCE PERIOD WILL NOT COMMENCE UNTIL THE LANDSCAPE WORK HAS BEEN RE-INSPECTED BY THE OWNER AND FOUND TO BE ACCEPTABLE. AT THAT TIME, A WRITTEN NOTICE OF FINAL ACCEPTANCE WILL BE ISSUED BY THE OWNER, AND THE MAINTENANCE AND GUARANTEE PERIODS WILL COMMENCE.

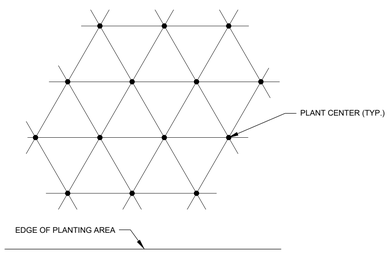
I. LANDSCAPE MAINTENANCE
   1. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR THE MAINTENANCE OF ALL WORK SHOWN ON THESE PLANS FOR 90 DAYS BEYOND FINAL ACCEPTANCE OF ALL LANDSCAPE WORK BY THE OWNER. LANDSCAPE MAINTENANCE SHALL INCLUDE WEEKLY SITE VISITS FOR THE FOLLOWING ACTIONS (AS APPROPRIATE): PROPER PRUNING, RESTAKING OF TREES, RESETTING OF PLANTS THAT HAVE SETTLED, MOWING AND AERATION OF LAWNS, WEEDING, RESEEDING AREAS WHICH HAVE NOT GERMINATED WELL, TREATING FOR INSECTS AND DISEASES,REPLACEMENT OF MULCH, REMOVAL OF LITTER, REPAIRS TO THE IRRIGATION SYSTEM DUE TO FAULTY PARTS AND/OR WORKMANSHIP, AND THE APPROPRIATE WATERING OF ALL PLANTINGS. THE LANDSCAPE CONTRACTOR SHALL MAINTAIN THE IRRIGATION SYSTEM IN PROPER WORKING ORDER, WITH SCHEDULING ADJUSTMENTS BY SEASON TO MAXIMIZE WATER CONSERVATION.
   2. SHOULD SEEDED AND/OR SODDED AREAS NOT BE COVERED BY AN AUTOMATIC IRRIGATION SYSTEM, THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR WATERING THESE AREAS AND OBTAINING A FULL, HEALTHY STAND OF GRASS AT NO ADDITIONAL COST TO THE OWNER.
   3. TO ACHIEVE FINAL ACCEPTANCE AT THE END OF THE MAINTENANCE PERIOD, ALL OF THE FOLLOWING CONDITIONS MUST OCCUR:
      a. THE LANDSCAPE SHALL SHOW ACTIVE, HEALTHY GROWTH (WITH EXCEPTIONS MADE FOR SEASONAL DORMANCY). ALL PLANTS NOT MEETING THIS CONDITION SHALL BE REJECTED AND REPLACED BY HEALTHY PLANT MATERIAL PRIOR TO FINAL ACCEPTANCE.
      b. ALL HARDSCAPE SHALL BE CLEANED PRIOR TO FINAL ACCEPTANCE.
      c. SODDED AREAS MUST BE ACTIVELY GROWING AND MUST REACH A MINIMUM HEIGHT OF 1 1/2 INCHES BEFORE FIRST MOWING. HYDROMULCHED AREAS SHALL SHOW ACTIVE, HEALTHY GROWTH. BARE AREAS LARGER THAN TWELVE SQUARE INCHES MUST BE RESODDED OR RESEEDED (AS APPROPRIATE) PRIOR TO FINAL ACCEPTANCE. ALL SODDED TURF SHALL BE NEATLY MOWED.

J. WARRANTY PERIOD, PLANT GUARANTEE AND REPLACEMENTS
   1. THE LANDSCAPE CONTRACTOR SHALL GUARANTEE ALL TREES, SHRUBS, PERENNIALS, SOD, SEEDED/HYDROMULCHED AREAS, AND IRRIGATION SYSTEMS FOR A PERIOD OF ONE YEAR FROM THE DATE OF THE OWNER'S FINAL ACCEPTANCE (90 DAYS FOR ANNUAL PLANTS). THE CONTRACTOR SHALL REPLACE, AT HIS OWN EXPENSE AND TO THE SATISFACTION OF THE OWNER, ANY PLANTS WHICH DIE IN THAT TIME, OR REPAIR ANY PORTIONS OF THE IRRIGATION SYSTEM WHICH OPERATE IMPROPERLY.
   2. AFTER THE INITIAL MAINTENANCE PERIOD AND DURING THE GUARANTEE PERIOD, THE LANDSCAPE CONTRACTOR SHALL ONLY BE RESPONSIBLE FOR REPLACEMENT OF PLANTS WHEN PLANT DEATH CANNOT BE ATTRIBUTED DIRECTLY TO OVERWATERING OR OTHER DAMAGE BY HUMAN ACTIONS.



K. PROVIDE A MINIMUM OF (2) COPIES OF RECORD DRAWINGS TO THE OWNER UPON COMPLETION OF WORK. A RECORD DRAWING IS A RECORD OF ALL CHANGES THAT OCCURRED IN THE FIELD AND THAT ARE DOCUMENTED THROUGH CHANGE ORDERS, ADDENDA, OR CONTRACTOR/CONSULTANT DRAWING MARKUPS.

1. ROLLED-TOP STEEL EDGING PER PLANS.
2. TAPERED STEEL STAKES.
3. MULCH, TYPE AND DEPTH PER PLANS.
4. FINISH GRADE.

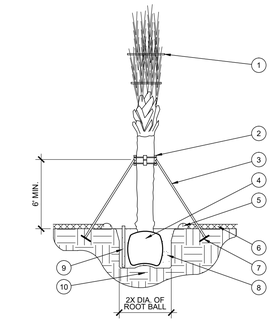


NOTES:
1) INSTALL EDGING SO THAT STAKES WILL BE ON INSIDE OF PLANTING BED.
2) BOTTOM OF EDGING SHALL BE BURIED A MINIMUM OF 1" BELOW FINISH GRADE.
3) TOP OF MULCH SHALL BE 1" LOWER THAN TOP OF EDGING.

## C STEEL EDGING
SCALE: NOT TO SCALE

1. CURB.
2. MULCH LAYER.
3. PLANT.
4. TURF (WHERE SHOWN ON PLAN).

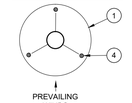
## D HEDGE PLANTING AT PARKING AREA
SCALE: NOT TO SCALE



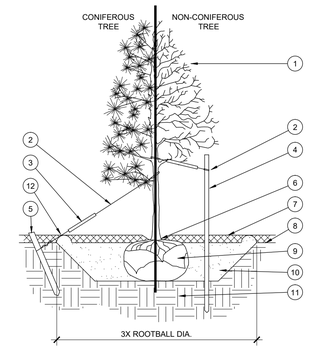
NOTE: ALL PLANTS SHALL BE PLANTED AT EQUAL TRIANGULAR SPACING (EXCEPT WHERE SHOWN ON PLANS AS INFORMAL GROUPINGS). REFER TO PLANT LEGEND FOR SPACING DISTANCE BETWEEN PLANTS.

| PLANT SPACING | AREA DIVIDER TO DETERMINE NO. OF PLANTS |
|---|---|
| 6" | 0.25 |
| 8" | 0.45 |
| 10" | 0.69 |
| 12" | 1 |
| 15" | 1.56 |
| 18" | 2.25 |
| 24" | 4 |
| 30" | 6.25 |
| 36" | 9 |

EXAMPLE: PLANTS AT 18" O.C. IN 100 SF OF PLANTING AREA = 100/2.25 = 44 PLANTS



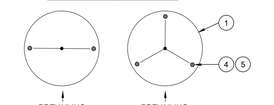
## E PLANT SPACING
SCALE: NTS



1. BIODEGRADEABLE TWINE.
2. PALM BRACE SYSTEM.
3. 2" X 4" SUPPORT, TOENAILED TO BRACE SYSTEM (3) - DO NOT NAIL TO PALM.
4. ROOT BALL.
5. 4" HIGH TEMPORARY WATERING BASIN.
6. MULCH PER PLANS. DO NOT ALLOW MORE THAN 1" OF MULCH WITHIN 12" OF TRUNK.
7. 2" X 4" X 12" DEADMAN, BURIED 12" MIN. BELOW GRADE.
8. BACKFILL MIX PER SPECIFICATIONS AND SOIL TEST RECOMMENDATIONS.
9. 4" PERFORATED PVC WATER MONITORING TUBE WRAPPED IN FILTER FABRIC (ANY APPROVED) - TWO PLACES AROUND PALM.
10. UNDISTURBED SUBGRADE.

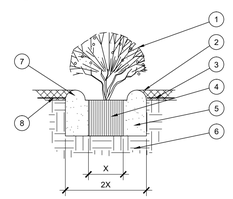
## F PALM PLANTING
SCALE: NOT TO SCALE

BRACING - PLAN VIEW



NOTES:
1. SCARIFY SIDES OF PLANTING PIT PRIOR TO SETTING PALM.
2. THE PLANTING HOLE DEPTH SHALL BE SUCH THAT THE ROOTBALL RESTS ON UNDISTURBED SOIL, AND THE ZONE OF ROOT INITIATION IS 3"-5" BELOW FINISH GRADE.
3. DO NOT REMOVE ANY LIVE FRONDS PRIOR TO DIGGING AT THE NURSERY.
4. AFTER PLANTING, LOOSEN THE TWINE SO THAT THE FRONDS MAY MOVE, BUT THE TERMINAL BUD IS PROTECTED.

1. TREE CANOPY.
2. CINCH-TIES (24" BOX TREES AND SMALLER) OR 12 GAUGE GALVANIZED WIRE WITH NYLON TREE STRAPS AT TREE AND STAKE (36" BOX TREES AND LARGER). SECURE TIES OR STRAPS TO TRUNK JUST ABOVE LOWEST MAJOR BRANCHES.
3. 24" X 3/4" P.V.C. MARKERS OVER WIRES.
4. GREEN STEEL T-POSTS. EXTEND POSTS 12" MIN. INTO UNDISTURBED SOIL.
5. PRESSURE-TREATED WOOD DEADMAN, TWO PER TREE (MIN.). BURY OUTSIDE OF PLANTING PIT AND 18" MIN. INTO UNDISTURBED SOIL.
6. TRUNK FLARE.
7. MULCH, TYPE AND DEPTH PER PLANS. DO NOT PLACE MULCH WITHIN 6" OF TRUNK.
8. FINISH GRADE.
9. ROOT BALL.
10. BACKFILL. AMEND AND FERTILIZE ONLY AS RECOMMENDED IN SOIL FERTILITY ANALYSIS.
11. UNDISTURBED NATIVE SOIL.
12. 4" HIGH EARTHEN WATERING BASIN.



STAKING EXAMPLES (PLAN VIEW)

NOTES:
1. SCARIFY SIDES OF PLANTING PIT PRIOR TO SETTING TREE.
2. REMOVE EXCESS SOIL APPLIED ON TOP OF THE ROOTBALL THAT COVERS THE ROOT FLARE. THE PLANTING HOLE DEPTH SHALL BE SUCH THAT THE ROOTBALL RESTS ON UNDISTURBED SOIL, AND THE ROOT FLARE IS 3"-5" ABOVE FINISH GRADE.
3. FOR B&B TREES, CUT OFF BOTTOM 1/3 OF WIRE BASKET BEFORE PLACING TREE IN HOLE, CUT OFF AND REMOVE REMAINDER OF BASKET AFTER TREE IS SET IN HOLE. REMOVE ALL NYLON TIES, TWINE, ROPE, AND OTHER PACKING MATERIAL. REMOVE AS MUCH BURLAP FROM AROUND ROOTBALL AS IS PRACTICAL.
4. REMOVE ALL NURSERY STAKES AFTER PLANTING.
5. FOR TREES OVER 3" CALIPER AND TREES 36" BOX AND LARGER, USE THREE STAKES OR DEADMEN (AS APPROPRIATE), SPACED EVENLY AROUND TREE.
6. STAKING SHALL BE TIGHT ENOUGH TO PREVENT TRUNK FROM BENDING, BUT LOOSE ENOUGH TO ALLOW SOME TRUNK MOVEMENT IN WIND.

## A TREE PLANTING
SCALE: NOT TO SCALE

1. SHRUB, PERENNIAL, OR ORNAMENTAL GRASS.
2. MULCH, TYPE AND DEPTH PER PLANS. PLACE NO MORE THAN 1" OF MULCH WITHIN 6" OF PLANT CENTER.
3. FINISH GRADE.
4. ROOT BALL.
5. BACKFILL. AMEND AND FERTILIZE ONLY AS RECOMMENDED IN SOIL FERTILITY ANALYSIS.
6. UNDISTURBED NATIVE SOIL.
7. 3" HIGH EARTHEN WATERING BASIN.
8. WEED FABRIC UNDER MULCH.

## B SHRUB/PERENNIAL PLANTING
SCALE: NTS

# TREE PROTECTION SPECIFICATIONS

**MATERIALS**

1. FABRIC: 4 FOOT HIGH ORANGE PLASTIC FENCING AS SHOWN ON THE PLANS AND SHALL BE WOVEN WITH 2 INCH MESH OPENINGS SUCH THAT IN A VERTICAL DIMENSION OF 23 INCHES ALONG THE DIAGONALS OF THE OPENINGS THERE SHALL BE AT LEAST 7 MESHES.
2. POSTS: POSTS SHALL BE A MINIMUM OF 72 INCHES LONG AND STEEL 'T' SHAPED WITH A MINIMUM WEIGHT OF 1.3 POUNDS PER LINEAR FOOT.
3. TIE WIRE: WIRE FOR ATTACHING THE FABRIC TO THE T-POSTS SHALL BE NOT LESS THAN NO. 12 GAUGE GALVANIZED WIRE.
4. USED MATERIALS: PREVIOUSLY-USED MATERIALS, MEETING THE ABOVE REQUIREMENTS AND WHEN APPROVED BY THE OWNER, MAY BE USED.

**CONSTRUCTION METHODS**

ALL TREES AND SHRUBS (SHOWN TO REMAIN) WITHIN THE PROXIMITY OF THE CONSTRUCTION SITE SHALL BE PROTECTED PRIOR TO BEGINNING ANY DEVELOPMENT ACTIVITY.

EMPLOY THE SERVICES OF AN ISA (INTERNATIONAL SOCIETY OF ARBORICULTURE) CERTIFIED ARBORIST (AND OBTAIN ALL REQUIRED PERMITS) TO PRUNE THE EXISTING TREES FOR CLEANING, RAISING AND THINNING. ENSURE ALL TREES RECEIVE A COMMERCIAL-GRADE ROOT STIMULATOR APPLICATION AFTER PRUNING.

PROTECTIVE FENCING SHALL BE ERECTED OUTSIDE THE DRIPLINE AT LOCATIONS SHOWN IN THE PLANS OR AS DIRECTED BY THE LANDSCAPE CONSULTANT AND/OR CITY ARBORIST OR IN ACCORDANCE WITH THE DETAILS SHOWN ON THE PLANS AT THE DRIP LINE OF TREES (ROOT PROTECTION ZONE, RPZ) AND/OR LANDSCAPE PLANT MATERIAL INCLUDING NATURAL AREAS. FENCING SHALL BE MAINTAINED AND REPAIRED BY THE CONTRACTOR DURING SITE CONSTRUCTION.

PROTECTIVE FENCE LOCATIONS IN CLOSE PROXIMITY TO STREET INTERSECTIONS OR DRIVES SHALL ADHERE TO THE APPLICABLE JURISDICTION'S SIGHT DISTANCE CRITERIA.

THE PROTECTIVE FENCING SHALL BE ERECTED BEFORE SITE WORK COMMENCES AND SHALL REMAIN IN PLACE DURING THE ENTIRE CONSTRUCTION PHASE.

THE INSTALLATION POSTS WILL BE PLACED EVERY 6 FEET AROUND THE DRIP LINE OR RPZ AND EMBEDDED TO 18 INCHES DEEP. FABRIC ATTACHMENT SHALL BE ATTACHED TO THE INSTALLATION POSTS BY THE USE OF SUFFICIENT WIRE TIES TO SECURELY FASTEN THE FABRIC TO THE 'T-POSTS' TO HOLD THE FABRIC IN A STABLE AND UPRIGHT POSITION.

1. DO NOT CLEAR, FILL OR GRADE IN THE RPZ OF ANY TREE.
2. DO NOT STORE, STOCKPILE OR DUMP ANY JOB MATERIAL, SOIL OR RUBBISH UNDER THE SPREAD OF THE TREE BRANCHES.
3. DO NOT PARK OR STORE ANY EQUIPMENT OR SUPPLIES UNDER THE SPREAD OF THE TREE BRANCHES.
4. DO NOT SET UP ANY CONSTRUCTION OPERATIONS UNDER THE SPREAD OF THE TREE BRANCHES (EX. PIPE CUTTING AND THREADING, MORTAR MIXING, PAINTING OR LUMBER CUTTING).
5. DO NOT NAIL OR ATTACH TEMPORARY SIGNS METERS, SWITCHES, WIRES, BRACING OR ANY OTHER ITEM TO THE TREES.
6. DO NOT PERMIT RUNOFF FROM WASTE MATERIALS INCLUDING SOLVENTS, CONCRETE WASHOUTS, ASPHALT TACK COATS (MC-30 OIL), ETC. TO ENTER THE RPZ. BARRIERS ARE TO BE PROVIDED TO PREVENT SUCH RUNOFF SUBSTANCES FROM ENTERING THE RPZ WHENEVER POSSIBLE, INCLUDING IN AN AREA WHERE RAIN OR SURFACE WATER COULD CARRY SUCH MATERIALS TO THE ROOT SYSTEM OF THE TREE.

ROUTE UNDERGROUND UTILITIES TO AVOID THE RPZ. IF DIGGING IS UNAVOIDABLE, BORE UNDER THE ROOTS, OR HAND DIG TO AVOID SEVERING THEM.

THE CONTRACTOR SHOULD AVOID CUTTING ROOTS LARGER THAN ONE INCH IN DIAMETER WHEN EXCAVATION OCCURS NEAR EXISTING TREES. EXCAVATION IN THE VICINITY OF TREES SHALL PROCEED WITH CAUTION.

REMOVE ALL TREES, SHRUBS OR BUSHES TO BE CLEARED FROM PROTECTED ROOT ZONE AREAS BY HAND.

TREES DAMAGED OR LOST DUE TO CONTRACTOR'S NEGLIGENCE DURING CONSTRUCTION SHALL BE MITIGATED AT THE CONTRACTOR'S EXPENSE AND TO THE PROJECT OWNER'S SATISFACTION.

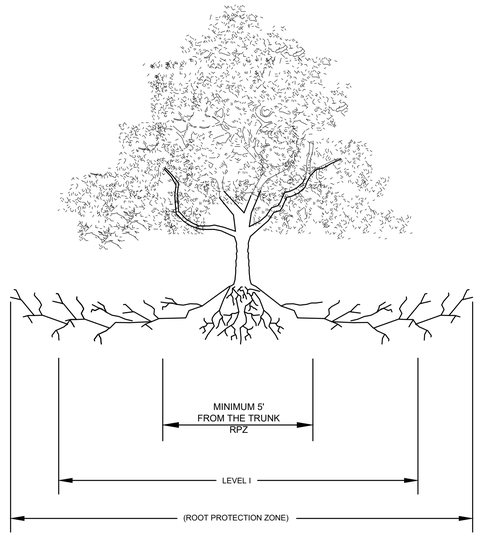
ANY TREE REMOVAL SHALL BE APPROVED BY THE OWNER PRIOR TO ITS REMOVAL.

COVER EXPOSED ROOTS AT THE END OF EACH DAY WITH SOIL, MULCH OR WET BURLAP.

IN CRITICAL ROOT ZONE AREAS THAT CANNOT BE PROTECTED DUING CONSTRUCTION AND WHERE HEAVY TRAFFIC IS ANTICIPATED, COVER THOSE AREAS WITH EIGHT INCHES OF ORGANIC MULCH TO MINIMIZE SOIL COMPACTION. THIS EIGHT INCH DEPTH OF MULCH SHALL BE MAINTAINED THROUGHOUT CONSTRUCTION.

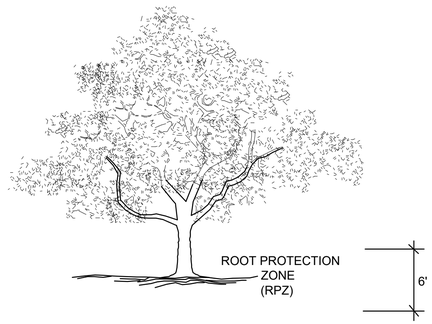
WATER ALL TREES, MOST HEAVILY IMPACTED BY CONSTRUCTION ACTIVITIES, DEEPLY ONCE A WEEK DURING PERIODS OF HOT DRY WEATHER. SPRAY TREE CROWNS WITH WATER PERIODICALLY TO REDUCE DUST ACCUMULATION ON THE LEAVES.

WHEN INSTALLING CONCRETE ADJACENT TO THE ROOT ZONE OF A TREE, USE A PLASTIC VAPOR BARRIER BEHIND THE CONCRETE TO PROHIBIT LEACHING OF LIME INTO THE SOIL.



WHEN AN EXCAVATION OR EMBANKMENT IS PLACED WITHIN THE DRIPLINE OF ANY TREE GREATER THAN EIGHT INCHES IN DIAMETER, A TREE WELL SHALL BE CONSTRUCTED TO PROTECT THE TREE AS INDICATED, WHEN THE CUT OR FILL EXCEEDS EIGHT INCHES.

WHERE PAVING OR FILLING IS NECESSARY WITHIN THE DRIPLINE OF ANY TREE EIGHT INCHES OR GREATER, A PERMEABLE PAVEMENT AND AERATION SYSTEM MUST BE INSTALLED.



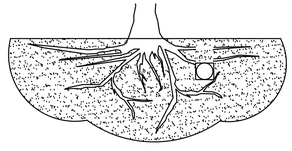
CONTRACTOR SHALL REMOVE AND DISPOSE OF ALL TREE PROTECTION FENCING WHEN ALL THREATS TO THE EXISTING TREES FROM CONSTRUCTION-RELATED ACTIVITIES HAVE BEEN REMOVED.

# TREE PROTECTION REQUIREMENTS

1. A ROOT PROTECTION ZONE WILL BE ESTABLISHED AROUND EACH TREE OR ANY VEGETATION TO BE PRESERVED. THE ROOT PROTECTION ZONE SHALL BE AN AREA DEFINED BY THE RADIUS EXTENDING OUTWARD FROM THE TRUNK OF THE TREE A DISTANCE OF ONE (1) LINEAR FOOT FOR EACH INCH DIAMETER INCH AT BREAST HEIGHT (4.5') OF THE TREE. EXAMPLE: A 10-INCH DIAMETER TREE WILL HAVE A 10 FOOT RADIUS ROOT PROTECTION ZONE.
2. NO WORK SHALL BEGIN WERE TREE PROTECTION FENCING HAS NOT BEEN COMPLETED AND APPROVED. TREE PROTECTION FENCING SHALL BE INSTALLED, MAINTAINED AND REPAIRED BY THE CONTRACTOR DURING CONSTRUCTION. THE FENCING WILL BE A MINIMUM OF 4' HEIGHT.
3. ALL ROOTS LARGER THAN ONE-INCH IN DIAMETER ARE TO BE CUT CLEANLY. FOR OAKS ONLY, ALL WOUNDS SHALL BE PAINTED WITH WOUND SEALER WITHIN 30 MINUTES.
4. EXPOSED ROOTS SHALL BE COVERED AT THE END OF THE WORK DAY USING TECHNIQUES SUCH AS COVERING WITH SOIL, MULCH OR WET BURLAP.
5. NO EQUIPMENT, VEHICLES OR MATERIALS SHALL BE OPERATED OR STORED WITHIN THE ROOT PROTECTION ZONE. NO CLEAN-OUT AREAS WILL BE CONSTRUCTED SO THAT THE MATERIAL WILL BE IN OR MIGRATE TO THE ROOT PROTECTION ZONE.
6. NO GRADE CHANGE MORE THAN 3" IS ALLOWED WITHIN THE ROOT PROTECTION ZONE.
7. ROOTS OR BRANCHES IN CONFLICT WITH CONSTRUCTION SHALL BE CUT CLEANLY ACCORDING TO PROPER PRUNING METHODS. ALL WOUNDS SHALL BE PAINTED WITHIN 30 MINUTES TO PREVENT OAK WILT INFECTION (OAK TREES ONLY).
8. ANY TREE REMOVAL SHALL BE APPROVED BY THE LOCAL JURISDICTION'S ARBORIST.
9. TREES WHICH ARE DAMAGED OR LOST DUE TO THE CONTRACTOR'S NEGLIGENCE DURING CONSTRUCTION SHALL BE REPLACED WITH TREE QUANTITIES AND SIZES ACCEPTABLE TO THE LOCAL JURISDICTION.
10. TREES MUST BE MAINTAINED IN GOOD HEALTH THROUGHOUT THE CONSTRUCTION PROCESS. MAINTENANCE MAY INCLUDE WATERING THE ROOT PROTECTION ZONE AND/OR WASHING FOLIAGE.
11. NO WIRES, NAILS OR OTHER MATERIALS MAY BE ATTACHED TO PROTECTED TREES.
12. THE ROOT PROTECTION ZONE SHALL BE PRESERVED AT NATURAL GRADE. NO CUTTING, FILLING, TRENCHING, ROOT DISTURBANCE, SOIL DISTURBANCE, OR CONSTRUCTION SHALL OCCUR CLOSER TO THE TRUNK THAN ONE-HALF (1/2) THE ROOT PROTECTION ZONE RADIUS EXCEPT IN PARKING AREAS, WHERE APPROVED ALTERNATIVE MATERIALS AND METHODS MAY BE USED AND CONSTRUCTION MAY OCCUR AS CLOSE AS FIVE (5) FEET FROM THE ROOT FLARES ON ONE SIDE OF THE TREE. NATIVE UNDERSTORY VEGETATION WITHIN THE ROOT PROTECTION ZONE SHALL BE PRESERVED, HOWEVER THE REQUIREMENT DOES NOT APPLY TO ROOT PROTECTION ZONE AREAS THAT HAVE BEEN LANDSCAPED. THE ROOT PROTECTION ZONE MAY BE SHIFTED AND CLUSTERED AS LONG AS THERE IS NO CONSTRUCTION CLOSER TO THE TRUNK THAN ONE-HALF (1/2) THE ROOT PROTECTION ZONE RADIUS. THE CONSTRUCTION OF SIDEWALKS SHALL BE ALLOWED IN THE ROOT PROTECTION ZONE, AS LONG AS EXCAVATION DOES NOT EXCEED THREE (3) INCHES.
13. DURING CONSTRUCTION ACTIVITY ON SITE, AT LEAST A SIX-INCH LAYER OF A COARSE MULCH SHALL BE PLACED AND MAINTAINED OVER THE ROOT PROTECTION ZONE. THE IMPERVIOUS COVER MAY ENCROACH WITHIN THE ROOT PROTECTION ZONE IF SAID ENCROACHMENT IS APPROVED BY THE ARBORIST.

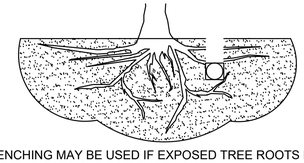
A TREE PROTECTION FENCE - ELEVATION
SCALE: NOT TO SCALE

6" MULCH INSIDE RPZ



NOTES:
1. THE FENCING LOCATION SHOWN ABOVE IS DIAGRAMATIC ONLY AND WILL CONFORM TO THE DRIP LINE AND BE LIMITED TO PROJECT BOUNDARY. WHERE MULTIPLE ADJACENT TREES WILL BE ENCLOSED BY FENCING, THE FENCING SHALL BE CONTINUOUS AROUND ALL TREES.
2. FOR ACCEPTABLE FENCING MATERIALS SEE SPECIFICATIONS.

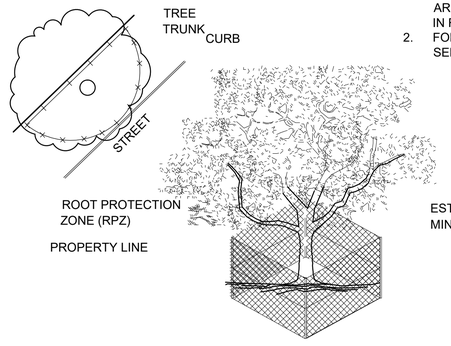
B TREE PROTECTION FENCE
SCALE: NOT TO SCALE



TREES THAT ARE MARKED TO BE PRESERVED ON A SITE PLAN AND FOR WHICH UTILITIES MUST PASS TROUGH THEIR ROOT PROTECTION ZONES MAY REQUIRE TUNNELING AS OPPOSED TO OPEN TRENCHES. THE DECISION TO TUNNEL WILL BE DETERMINED ON A CASE BY CASE BASIS BY THE ENGINEER.

TUNNELS SHALL BE DUG THROUGH THE ROOT PROTECTION ZONE IN ORDER TO MINIMIZE ROOT DAMAGE.

12" MIN & 48" MAX DEPTH



TUNNEL TO MINIMIZE ROOT DAMAGE (TOP) AS OPPOSED TO SURFACE-DUG TRENCHES IN ROOT PROTECTION ZONE WHEN THE 5' MINIMUM DISTANCE FROM TRUNK CAN NOT BE ACHIEVED.

OPEN TRENCHING MAY BE USED IF EXPOSED TREE ROOTS DO NOT EXCEED 3" OR ROOTS CAN BE BENT BACK.

D BORING THROUGH ROOT PROTECTION ZONE
SCALE: NOT TO SCALE

NOTES:
1. OPTION USED FOR TIGHT CONSTRUCTION AREAS OR WHEN CONSTRUCTION OCCURS IN ROOT PROTECTION ZONE.
2. FOR ACCEPTABLE FENCING MATERIALS SEE SPECIFICATIONS.

6" MULCH INSIDE RPZ
IF BARE DIRT

8" MULCH OUTSIDE RPZ
AND UNDER DRIP LINE AS MINIMAL PROTECTION FOR ROOTS FROM CONSTRUCTION ACTIVITIES

| AVERAGE TO MINIMUM FC RATIO | 0.46 / 0.00 |

CITY OF ROCKWALL OUTDOOR LIGHTING FOR NONRESIDENTIAL PROPERTIES MINIMUM REQUIREMENTS:

A. GLARE. IN ORDER TO PRESERVE THE NIGHT SKY AND TO REDUCE GLARE ON ROADWAYS, PEDESTRIAN AREAS AND ADJACENT DEVELOPMENT, LIGHT SOURCES (E.G. LIGHT BULBS) SHALL BE ORIENTED DOWN AND TOWARD THE CENTER OF THE SITE OR SHIELDED SO AS TO NOT BE VISIBLE FROM THE PROPERTY LINE. THIS APPLIES TO REFRACTORY LENSES WHICH EXTEND BEYOND THE LIGHTING FIXTURE AND ARE DESIGNED TO REDIRECT THE LIGHTING SOURCE HORIZONTALLY. THIS DOES NOT APPLY TO NEON OR INTERNALLY LIT SIGNS, OR TO DECORATIVE LIGHTING WITH 15 WATTS OR LESS PER BULB.

B. LIGHT AT RESIDENTIAL PROPERTY LINE. THE ALLOWABLE MAXIMUM LIGHT INTENSITY MEASURED AT THE PROPERTY LINE OF A RESIDENTIALLY ZONED LOT SHALL BE 0.2 OF ONE FOOTCANDLE.

C. LIGHT AT NONRESIDENTIAL PROPERTY LINE. THE ALLOWABLE MAXIMUM LIGHT INTENSITY MEASURED AT THE PROPERTY LINE OF ANY NONRESIDENTIALLY ZONED LOT SHALL BE 0.2 OF ONE FOOTCANDLE. FOR PLANNED SHOPPING CENTERS OR OTHER COMMERCIAL DEVELOPMENTS THAT CONTAIN MORE THAN ONE LOT, THE PLANNING AND ZONING COMMISSION MAY CONSIDER LIGHTING PLANS THAT ARE INTENDED TO INCREASE LIGHTING EFFICIENCY AND REDUCE THE NUMBER OF OVERALL LIGHT FIXTURES, BUT RESULT IN LIGHT SPILLOVER ACROSS COMMON LOT LINES WITHIN THE SAME DEVELOPMENT. HOWEVER, IN NO CASE SHALL LIGHT LEVELS EXCEED 0.2 FC AT THE PROPERTY LINES ADJACENT TO THE STREET AND/OR ALONG THE PERIMETER OF THE DEVELOPMENT.

D. HEIGHT. NO LIGHT POLE, BASE OR COMBINATION THEREOF SHALL EXCEED 30 FEET, UNLESS FURTHER RESTRICTED WITHIN AN OVERLAY DISTRICT AS SPECIFIED IN ARTICLE V OF THIS [UNIFIED DEVELOPMENT] CODE.

E. BUILDING AND POLE MOUNTED LIGHTING. ALL BUILDING AND POLE MOUNTED LUMINARIES EXCEEDING 15 WATTS SHALL BE DIRECTED DOWN WITH EITHER A PARTIAL CUT-OFF OR FULL CUT-OFF SOURCE.

F. UNDER-CANOPY LIGHTING. ALL UNDER-CANOPY LIGHTING, INCLUDING, BUT NOT LIMITED TO, THOSE FIXTURES UTILIZED AT FUELING STATIONS, DRIVE-THROUGH LANES, AND COVERED PARKING STRUCTURES, SHALL BE FULLY RECESSED INTO THE CANOPY

G. ILLUMINATION. THE MAXIMUM OUTDOOR MAINTAINED, COMPUTED AND MEASURED ILLUMINATION LEVEL WITHIN ANY NONRESIDENTIAL DEVELOPMENT SHALL NOT EXCEED 20 FC OUTDOORS AT ANY POINT ON THE SITE, WITH THE FOLLOWING EXCEPTIONS:
   1. UNDER-CANOPY LIGHTING (E.G., FUEL STATIONS, DRIVE-THROUGH LANES AND COVERED PARKING STRUCTURES) SHALL NOT EXCEED 35 FC. THE REMAINDER OF THE PROPERTY SHALL COMPLY WITH THE 20-FC MAXIMUM.
   2. LIGHTING FOR MOTOR VEHICLE DEALERSHIPS SHALL NOT EXCEED 30 FC WITHIN THE FRONT YARD(S) OF THE DEVELOPMENT. THE REMAINDER OF THE PROPERTY SHALL COMPLY WITH THE 20-FC MAXIMUM.

H. EXEMPTIONS. HISTORIC OR ANTIQUE-STYLE PEDESTRIAN LIGHT FIXTURES APPROVED BY THE PLANNING AND ZONING COMMISSION ARE EXCLUDED FROM THESE STANDARDS.

(5/23/2019 3:56 PM SH)
- 4% Engineering Fees.
- Impact fees.
- All parking adjacent to the building to be 20'x9' and others to be 18'x9'.
- Must show all existing and proposed utilities.
- If building height exceeds 30' tall, the fire lane radii must be 30' or radius of 20'. Minimum width is 24'.
- Retaining walls 3' and over must be designed by an engineer. All retaining walls to be rock or stone face. No smooth concrete walls.
- Min easement is 20'. Water, sewer, and storm lines must have 10' of easement on both sides of the line.
- Easements must be included on the plat.
- Must have detention. Manning's C value is per zoning and is for the entire site.
- There are multiple drainage basins on this site. Must not increase water to any basin.
- Dumpster is currently blocked by parking.
- No walls in detention. Grading at 4:1 max.
- Line up the driveway with Trowbridge.
- Must install a 5' sidewalk along Townsend.
- Water and sewer available.
- Must meet all City Standards of Design and Construction.
- No trees within 5' of water line in Townsend Blvd. ROW.

ROW must be sodded prior to acceptance.

SP2019-018 Site Plan for Office/Warehouse: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

1. This is a request by Annalyse Valk of Platinum Construction on behalf of Shawn Valk of Saro Partners, LLC for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre tract of land identified as Lot 6, Block A, Bodin Industrial Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1491 T. L. Townsend Drive.
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-018) in the lower right hand corner of all pages on future submittals.
4. Sheet S-1—Please add the following to the site data table: pervious vs. impervious area and %, req. parking, office SF, warehouse SF.
5. Sheet S-1—Please add engineering information (e.g. all easements, radii, topo, etc) graphic scale, vicinity map.
6. Sheet S-1—Please label property line.
7. Sheet S-1---Please show full extend of T.L. Townsend and label centerline.
8. Sheet S-1—What is the hatch pattern covering the site? Please remove
9. Sheet S-1—Please show fireline and one shade of grey and non-firelane/sidewalks as a lighter shade.
10. Sheet S-1—Please show all sidewalks
11. Sheet S-1—Please provide paving material and depth.
12. Sheet S-1--what is the hatch pattern closest to the buildings?
13. Sheet S-1—Please show all building setbacks and landscape buffers.
14. Sheet S-1—Please show adjacent properties and provide property information.
15. Sheet S-1—Please note that as drawn, this will need variances to horizontal articulation.
16. Sheet S-1—Please note that Building B appears to be too close to the property line. Please provide dimension from building to all property lines.
17. Sheet S-1—Please note that parking spaces are 9x20. Please dimension a typical parking space.
18. Sheet S-1—Please label the space between each group of parking spaces.
19. Sheet S-1—What are the "L" shape lines next to each of the doors on Building A?
20. Sheet S-1—Please note that no parking space shall be more than 80-feet from a large tree.
21. Sheet S-1—Please provide owner/engineer/developer information on site plan.
22. Sheet S-1—Please note that the dumpster enclosure shall be 6-feet in height and constructed of materials matching main structure with opaque self-latching gate. Please add note to plans.
23. Sheet S-1—Please note that all plans need to be prepared by a registered architect, engineer, or landscape architect. There does not appear to be any engineer/architect seal on the site plan.
24. Sheet L-1—Please note that the min caliper-inch off trees is 4 caliper inches.
25. Sheet L-1—Please provide vicinity map
26. Sheet L-1—For clarity, please do not show stippling under the tree symbols.
27. Sheet L-1—Please show the full extent of TL. Townsend and show and label centerline.
28. Sheet L-1—Please note that no parking space shall be more than 80-feet from a large tree.
29. Sheet L-1—For clarity, please see note above regarding pavement/firelane shading.
30. Sheet L-1—Please dimension a typical parking space.
31. Sheet L-1—Please label the large space between the groups of parking spaces at Building B.
32. Sheet L-1—Please show all sidewalks
33. Sheet L-1—Please note that the building footprints are not consistent with the site plan.
34. Sheet L-1—Please provide site data table
35. Sheet L-1—Please show and label adjacent properties.
36. Sheet L-1—Please dimension drive approach.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

37. Sheet T-1—Please see notes from L-1
38. Sheet E1.1—Please remove the hatch from the site.
39. Sheet E1.1—Please darken and label property line
40. Sheet E1.1—Please site data table
41. Sheet E1.1—Please provide vicinity map
42. Sheet E1.1—Please show and label adjacent properties.43. Sheet E1.1—Please provide graphic scale
44. Sheet E1.2—Please note that all fixtures must be fully shielded and pointed downward. The third fixture shown on this page is not fully shielded.
45. Sheet E1.1—Please note that the building footprints are not consistent with site plan and landscape plan.
46. Sheet A-2—Please add site data table
47. Sheet A-2—Please note that each building needs its own set of elevations.
48. Sheet A-2—Please indicate which elevation faces the street.
49. Sheet A-2—Please note that as drawn, the building elevations will need several variances: vertical and horizontal articulation, 4-sided architecture, no stone. All 4 sides of the buildings will need to be architectural finished with the same materials and elements as the front.
50. Sheet A-2—Please note that the min stone requirement is 20%
51. Sheet A-2—Please dash-in rooftop units on all elevations and show how they will be screened.
52. Sheet A-2—Please note that although this sheet refers to Building B, the two material percentage charts at the bottom of the page refer to Building A.
53. Sheet A-2—Building B, South Elevation notes the same scale as the North Elevation, however, they are not drawn to the same scale.
54. Sheet A-2—Building B, North Elevation appears to show a tower element projecting from the facade; however, the South Elevation does not show a projecting element.
55. The Architectural Review Board (ARB) meeting for this case will be held on May 28, 2019 at 5:00 p.m.
56. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on June 4, 2019. The Planning and Zoning Worksession for this case will be May 28, 2019, at 6:00 p.m. The Planning and Zoning Meeting will be June 11, 2019

- 4% Engineering Fees.
- Impact fees.

## LANDSCAPE NOTES

1. PLANT LIST FOR THIS SHEET ONLY.
2. PLANT LIST TO BE USED AS AIDE TO BIDDER ONLY. LANDSCAPE CONTRACTOR TO VERIFY ALL QUANTITIES.
3. ALL BEDS SHALL BE ACCEPTED AT ROUGH FINISH GRADE. IF ANY EXISTING VEGETATION IS EVIDENT, LANDSCAPE CONTRACTOR SHALL SPRAY AREA WITH BROAD SPECTRUM HERBICIDE APPLICATION TO REMOVE ANY VEGETATION.
4. AFTER APPROPIATE TIME TO ENSURE A VEGETATION IS DEAD, TILL SUBGRADE AND RAKE SMOOTH, REMOVING ALL DEAD VEGETATION, STONES, CLODS AND DEBRIS.
5. AFTER INSTALLATION OF STEEL EDGING, ALL BEDS SHALL BE TILLED TO A DEPTH OF 4-6", RAKING OUT ALL DEAD VEGETATION.
6. APPLY A 2-3" DEPTH OF ORGANIC MATERIAL OVER ENTIRE BED AND TILL INTO EXISTING SOIL. ORGANIC MATERIAL SHALL BE ONE OF FOLLOWING:
   - VITAL EARTH COMPOST
   - BACK-TO-EARTH SOIL CONDITIONER
   - LIVING EARTH COMPOST
   - SOIL BUILDING SYSTEMS COMPOST
   - SILVER CREEK MATERIALS COMPOST
7. TOPDRESS ENTIRE BED WITH MINIMUM 2" DEPTH SHREDDED NATIVE CEDAR MULCH.
8. ALL SHADE TREES AND ORNAMENTAL TREES SHALL BE PLANTED AS PER DETAILS ON THIS SHEET.
9. ALL LANDSCAPE AREAS SHALL BE WATERED WITH AUTOMATIC IRRIGATION SYSTEM, COMPLETE WITH FREEZE SENSOR, RAIN STAT, AND CONTROLLER. SYSTEM SHALL BE DESIGNED TO UTILIZE WATER-SAVING TECHNIQUES AND EQUIPMENT. INSTALLATION OF SYSTEM SHALL BE MADE BY A FIRM DULY LICENSED UNDER ARTICLE NO. 8751 VTCS (LICENSED IRRIGATORS ACT), S.B. NO. 259.

1. PLANT LIST FOR THIS SHEET ONLY.
2. PLANT LIST TO BE USED AS AIDE TO BIDDER ONLY. LANDSCAPE CONTRACTOR TO VERIFY ALL QUANTITIES.
3. ALL BEDS SHALL BE ACCEPTED AT ROUGH FINISH GRADE. IF ANY EXISTING VEGETATION IS EVIDENT, LANDSCAPE CONTRACTOR SHALL SPRAY AREA WITH BROAD SPECTRUM HERBICIDE APPLICATION TO REMOVE ANY VEGETATION.
4. AFTER APPROPIATE TIME TO ENSURE A VEGETATION IS DEAD, TILL SUBGRADE AND RAKE SMOOTH, REMOVING ALL DEAD VEGETATION, STONES, CLODS AND DEBRIS.
5. AFTER INSTALLATION OF STEEL EDGING, ALL BEDS SHALL BE TILLED TO A DEPTH OF 4-6", RAKING OUT ALL DEAD VEGETATION.
6. APPLY A 2-3" DEPTH OF ORGANIC MATERIAL OVER ENTIRE BED AND TILL INTO EXISTING SOIL. ORGANIC MATERIAL SHALL BE ONE OF FOLLOWING:
   VITAL EARTH COMPOST
   BACK-TO-EARTH SOIL CONDITIONER
   LIVING EARTH COMPOST
   SOIL BUILDING SYSTEMS COMPOST
   SILVER CREEK MATERIALS COMPOST
7. TOPDRESS ENTIRE BED WITH MINIMUM 2" DEPTH SHREDDED NATIVE CEDAR MULCH.
8. ALL SHADE TREES AND ORNAMENTAL TREES SHALL BE PLANTED AS PER DETAILS ON THIS SHEET.
9. ALL LANDSCAPE AREAS SHALL BE WATERED WITH AUTOMATIC IRRIGATION SYSTEM, COMPLETE WITH FREEZE SENSOR, RAIN STAT, AND CONTROLLER. SYSTEM SHALL BE DESIGNED TO UTILIZE WATER-SAVING TECHNIQUES AND EQUIPMENT. INSTALLATION OF SYSTEM SHALL BE MADE BY A FIRM DULY LICENSED UNDER ARTICLE NO. 8751 VTCS (LICENSED IRRIGATORS ACT), S.B. NO. 259.

COMPACT FLUORESCENT: 26DTT 26-42TRT

Specifications
Length: 12-1/2 (31.8)
Depth: 7-1/2 (19.1)
Height: 5-3/4 (14.6)
Weight: 16.0 lbs (6.55 kg)

## FEATURES & SPECIFICATIONS

**INTENDED USE** — For building- and wall-mounted application.

**CONSTRUCTION** — Rugged, die-cast, single-piece aluminum housing. Die-cast doorframe has a 1/8" thick tempered glass lens. Doorframe is fully gasketed with one-piece solid silicone.

Finish: Standard finish is textured dark bronze (DDBT) corrosion-resistant polyester powder finish, with other architectural colors available. Striping is also available.

**OPTICS** — Hydroformed reflector for superior uniformity and control. Medium throw (MD) full cutoff distribution only.

**ELECTRICAL** — Compact fluorescent utilizes an electronic, high frequency ballast. Compact fluorescent socket is four-pin positive latching thermoplastic, UL Listed. Quick-disconnect plug easily disconnects reflector from ballast and fixture from supply wires.

**INSTALLATION** — Easily installed using provided mounting strap. Mount to any non-combustible vertical surface over a 4" round or square recessed outlet box (by others). Back access through slotted gasket.

**LISTINGS** — Listed and labeled to UL standards. Listed and labeled to CSA standards (see Options). NOM Certified (see Options). IP65 rated. Wet location listed.

**WARRANTY** — 5 year limited warranty. Complete warranty terms located at: www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

Note: Specifications subject to change without notice.

Notes

Type

**SA+ Capable Luminaire**

This item is an A+ capable luminaire, which has been designed and tested to provide consistent color appearance and system-level interoperability.

- All configurations of this luminaire meet the Acuity Brands' specification for chromatic consistency
- This luminaire is A+ Certified when ordered with DTL® controls marked by a shaded background. DTL DLL equipped luminaires meet the A+ specification for luminaire to photocontrol interoperability1
- This luminaire is part of an A+ Certified solution for ROAM® or XPoint® Wireless control networks, providing out-of-the-box control compatibility with simple commissioning, when ordered with drivers and control options marked by a shaded background.2

To learn more about A+, visit www.acuitybrands.com/aplus.

1. See ordering tree for details.
2. A+ Certified Solutions for ROAM require the order of one ROAM mode per luminaire. Sold Separately: Link to Roam Link to DTL DLL

# CITY OF ROCKWALL

PLANNING AND ZONING COMMISSION MEMORANDUM

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | Ryan Miller, *Director of Planning and Zoning* |
| **DATE:** | May 28, 2019 |
| **SUBJECT:** | MIS2019-001; *Impact Fee Update* |

On April 1, 2019, the City Council approved a contract for professional services with Freese & Nichols, Inc. for the purpose of updating the City's impact fees for roadway facilities. In addition, the Engineering Department has engaged Birkhoff, Hendricks & Carter LLP for the purpose of updating impact fees for water and wastewater facilities. Chapter 395, *Financing Capital Improvements Required by New Development in Municipalities, Counties, and Certain Other Local Governments*, of the Texas Local Government Code (TLGC) requires that the City Council appoint a Capital Improvements Advisory Committee (CIAC) to serve in an advisory capacity to the City Council. According to Section 395.058 of the TLGC:

*If the political subdivision has a planning and zoning commission, the commission may act as the advisory committee if the commission includes at least one representative of the real estate, development, or building industry who is not an employee or official of a political subdivision or governmental entity.*

On May 6, 2019, the City Council adopted *Resolution No. 19-12* appointing the Planning and Zoning Commission as the CIAC. As part of this process, the Planning and Zoning Commission will work with staff and the City's consultants to provide a recommendation relative to the City's anticipated 10-year growth rate, the proposed Land Use Assumptions report, and impact fees relating to water, wastewater, and roadway facilities. At the first CIAC meeting, the Planning and Zoning Commission will hear from Eddie Hass of Freese & Nichols, Inc. on roadway impact fees and Matt Hickey, PE of Birkhoff, Hendricks, & Carter LLP on water and wastewater impact fees. The Planning and Zoning Commission will also hear from City staff concerning the estimated ten (10) year growth rate and the proposed Land Use Assumptions report. Staff will ask the Planning and Zoning Commission to review the recommended three (3) percent growth rate and act to provide direction with regard to this recommendation. Currently, staff has drafted the Land Use Assumptions report with the proposed three (3) percent growth rate.

Contained in the attached packet is a copy of *Resolution No. 19-12*, the draft Land Use Assumptions Report, and a presentation concerning the roadway impact fee update. A presentation concerning the water and wastewater impact fee update will be provided at the meeting on *May 28, 2019*. Should the Planning and Zoning Commission have any questions staff and the City's consultants will be available at the meeting.

**CITY OF ROCKWALL**

**RESOLUTION NO. 19-12**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AUTHORIZING AN UPDATE TO THE IMPACT FEE PROGRAM FOR ROADWAY, WATER, AND WASTEWATER FACILITIES AND APPOINTING THE PLANNING AND ZONING COMMISSION AS THE CAPITAL IMPROVEMENTS ADVISORY COMMITTEE.**

**WHEREAS**, the City of Rockwall currently imposes impact fees for roadway, water, and wastewater facilities pursuant to its authority granted under Chapter 395, *Financing Capital Improvements Required by New Development in Municipalities, Counties, and Certain Other Local Governments*, of the Texas Local Government Code (*"Ch, 395 of the TLGC"*) and Article III, *Impact Fee Regulations*, of Chapter 38, *Subdivisions*, of the City of Rockwall Municipal Code of Ordinances; and

**WHEREAS**, the City Council of the City of Rockwall intends to update its Land Use Assumptions, Impact Fees, and Capital Improvement Plan pursuant to the procedures contained in *Ch. 395 of the TLGC*; and

**WHEREAS**, the City Council of the City of Rockwall appoints the Planning and Zoning Commission as the Capital Improvements Advisory Committee (CIAC) in accordance with the requirements of *Ch. 395 of the TLGC*, and charges them to advise the City Council on the imposition of impact fees; and

**WHEREAS**, at least one (1) member of the Planning and Zoning Commission is a member of the development, real estate, and/or building industry; and

**WHEREAS**, the City Council of the City of Rockwall has determined that the use of impact fees facilitates quality development that is in accordance with the OURHometown Vision 2040 Comprehensive Plan, and the use of impact fees further promotes health, safety, and general welfare for the City of Rockwall and its citizens.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

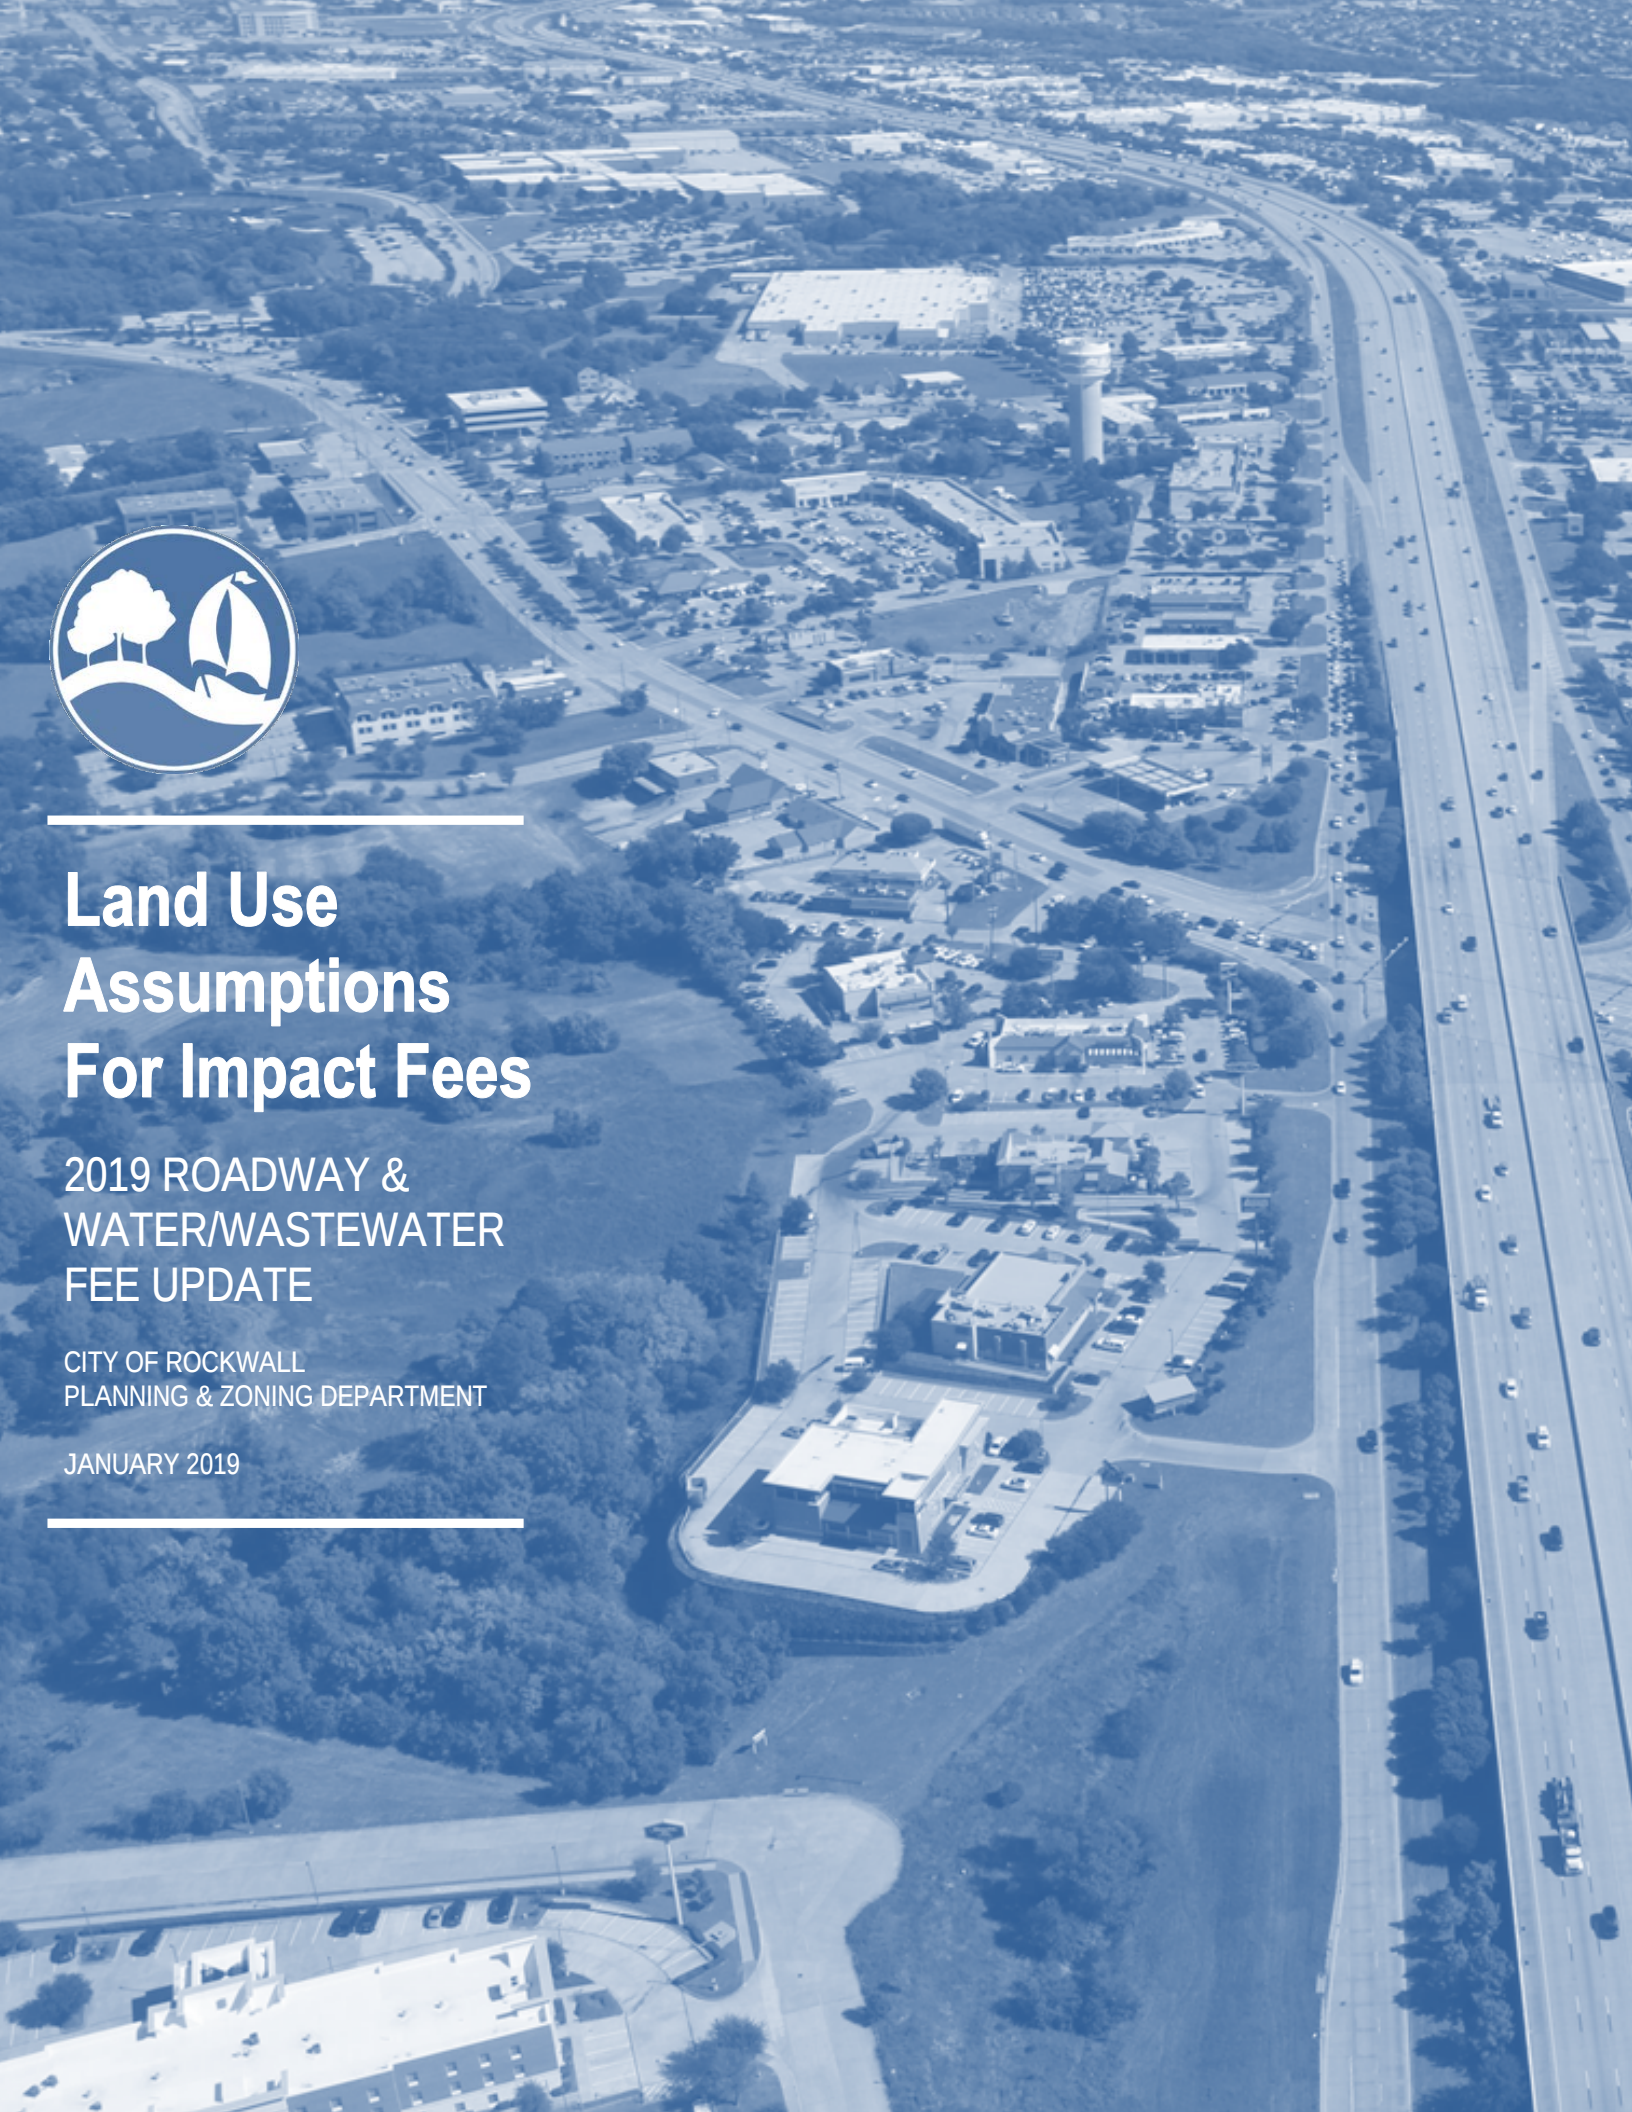
**SECTION 1. RECITALS.** The above recitals are found to be true and correct and they are incorporated as findings of the City Council for all purposes.

**SECTION 2. CAPITAL IMPROVEMENTS ADVISORY COMMITTEE.** The Planning and Zoning Commission is hereby appointed as the Capital Improvement Advisory Committee (CIAC), and is authorized to work with City staff to provide recommendations to the City Council on the imposition of impact fees.

**SECTION 3. AUTHORIZATION.** The Director of Planning and Zoning and the City Engineer/Director of Public Works are directed to commence the update of the Land Use Assumptions, Impact Fees, and Capital Improvement Plan, and procure such planning, engineering, and/or legal consultation deemed necessary to update the impact fee program for roadway, water, and wastewater facilities. This shall be paid for by the impact fees to be collected under the impact fee program.

**SECTION 4. EFFECTIVE DATE.** This *Resolution* shall be effective immediately following its passage and approval by the City Council.

**PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 6TH DAY OF MAY, 2019.**



**APPROVED:**

Jim Pruitt, Mayor

**ATTEST:**

Kristy Cole, City Secretary

# FORWARD

What are *Impact Fees? Impact Fees* are charges that are imposed by local governments against new development for the purpose of generating revenue for or to recoup the cost of capital facilities (*i.e. infrastructure*) that are necessitated by and attributable to new development. These fees are generally implemented to reduce the economic burden of a municipality and its taxpayers when addressing the need for adequate capital improvements to accommodate growth. Impact fees are typically paid to a municipality in advance of the completion of a particular development project, and are based on a defined methodology and calculation that is derived from the cost of the facility and the scope/impact of the development.

# PURPOSE

Chapter 395, *Financing Capital Improvements Required by New Development in Municipalities, Counties, and Certain Other Local Governments*, of the Texas Local Government Code outlines the process for adopting and updating impact fees for political subdivisions. On October 20, 2014, the City of Rockwall adopted roadway and water/wastewater impact fees through *Ordinance No. 14-47*. According to the statutory requirements stipulated by the Texas Local Government Code impact fees are required to be updated at a minimum of every five (5) years [*§395.052*].

In approaching an update to existing impact fees it is important for a city to assess its growth and employment potential, and establish land use assumptions that will guide development for a ten (10) year planning period (*i.e. 2019-2029*) [*§395.001(5)*]. These land use assumptions form the basis for the preparation of the *Impact Fee Capital Improvement Plan* for water, wastewater, and roadway facilities.

In order to determine the need and timing of capital improvements to serve future development, a rational estimate of the future growth of the City is required. The purpose of this report is to formulate growth and employment projections based upon assumptions pertaining to the type, location, quantity and timing of future development within the City, and to establish and document the methodology used for preparing these land use assumptions.

## ELEMENTS OF THE LAND USE ASSUMPTIONS REPORT

This report contains the following components:

- *Methodology*: This component of the report contains the systematic and theoretical analysis of the methods and principals used to prepare the projections and land use assumptions contain within this report.
- *Data Collection Zones and Service Areas*: This component provides an explanation of the data collection zones (*i.e. Land Use Districts established in the OURHometown 2040 Comprehensive Plan*) and the Roadway, Water and Wastewater Impact Fee Service Areas for capital facilities.
- *Base Year Data*: This component provides information on population, housing and employment in the City of Rockwall as of January 1, 2019 for each capital facility service area.
- *Ten-Year Growth Projections*: This component provides assumptions with respect to the population, housing and employment data for the City of Rockwall in ten (10) years (*i.e. 2029*). This information is broken out by the capital facility service area.
- *Build Out Analysis:* This component provides projections for population, housing and employment under the assumption that the City and its Extraterritorial Jurisdiction (ETJ) are developed to their carrying capacity, or their *Built Out*.
- *Summary*: This component provides a synopsis of the land use assumptions contained within this report.
- *Appendices:* This component contains information that was important in deriving the population, housing and employment projections for 2019-2029.

# METHODOLOGY

Building off the base year and build out projections contained in the OURHometown Vision 2040 Comprehensive Plan, and the growth assumptions and capital improvement needs estimated to support future growth, it is possible to develop an impact fee structure that fairly allocates improvement cost to growing areas of the City with relation to the growths' potential impact on the entire infrastructure system. The data contained in this report has been formulated using reasonable and generally accepted planning principles.

These land use assumptions and future growth projections take into consideration several factors influencing development patterns, including:

- The character, type, density and quantity of existing development.
- The current zoning patterns as documented on the City's zoning map and the anticipated future land uses as established in the OURHometown Vision 2040 Comprehensive Plan, which contains the City's Future Land Use Plan.
- The availability of land and infrastructure to support future expansion of development.
- The current and historical growth trends of both population and employment within the City.
- The location and configuration of vacant parcels of land and their ability to support development.
- The growth of employment utilizing previously established and generally accepted data from ESRI's ArcGIS *Business Analyst*.
- Local knowledge concerning future development projects or anticipated development within the city.

## LAND USE ASSUMPTIONS REPORT METHODOLOGY

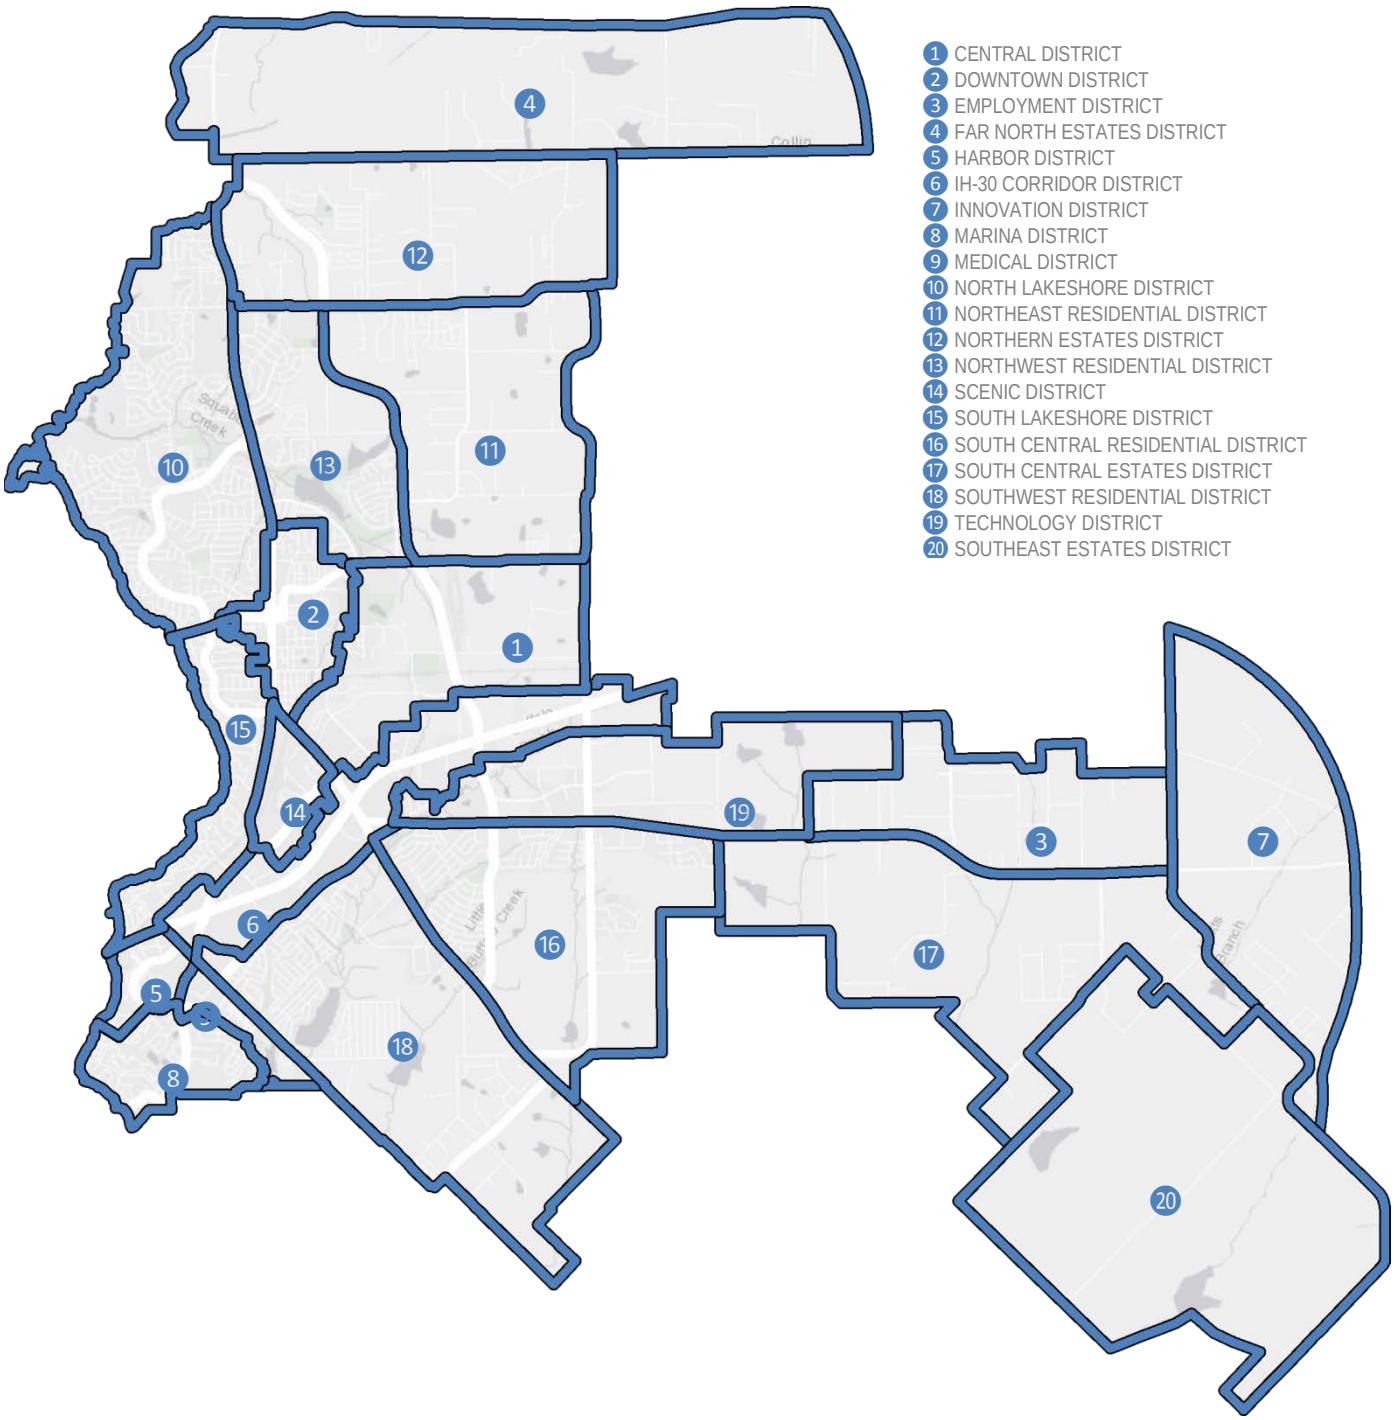
The following is the general methodology that was used for the preparation of this report:

(1) Population, housing and employment data was collected from the United States Census Bureau, North Central Texas Council of Governments (*NCTCOG*), the City of Rockwall's Geographic Information Systems (GIS) Division, the City of Rockwall's Building Inspection Department and other acceptable sources. This information was then analyzed and used to provide base information for all service areas from which projections could be extrapolated [see *Service Areas and Data Collection Zones*].

(2) The base year (*i.e. January 1, 2019*) estimates for housing, population and employment were calculated based on the information collected [see *Base Year Data*].

(3) From the base year and the information gathered from various sources a growth rate was established by examining recent growth trends experienced by the City over the last ten (10) years. This growth rate was then applied to each of the impact fee service areas to project the base year data over the ten (10) year planning period (*i.e. 2019-2029*) [see *Ten Year Growth Assumptions*].

(4) After the projections for housing, population and employment were prepared for the ten (10) year planning period, city staff made adjustments to account for known or anticipated development activity within the planning periods. In making these adjustments city staff took into consideration the recommendations made within the newly adopted OURHometown Vision 2040 Comprehensive Plan, existing public works data, and demographic information provided by the GIS Division and the Building Inspections Department.



(5) Finally, the City's *Build Out* projections for housing, population and employment were calculated by establishing the City's carrying capacity in terms of developable acres and projecting population forward using the previously established Compound Annual Growth Rate (CAGR) to establish a *Build Out Year*. The housing and employment information were then projected to the *Build Out Year* [see *Build Out Projections*].

# DATA COLLECTION ZONES AND SERVICE AREAS

## DATA COLLECTION ZONES

The *Data Collection Zones* used for this study were taken from the OURHometown Vision 2040 Comprehensive Plan, which breaks the City down into 20 *Land Use Districts* (*see Figure 1*). These districts were created as a way of breaking down the overall *Future Land Use Plan* to create strategies to help manage growth and land uses in the future. They were also intended to be used as a tool by the City's various boards, commissions and the City Council when contemplating policy changes that could affect certain areas of the City.

*FIGURE 1: DATA COLLECTION ZONES*
*NOTE: The Data Collection Zones are the Land Use Districts contained in the OURHometown Vision 2040 Comprehensive Plan.*

## SERVICE AREAS

The Texas Local Government Code (TLGC) requires that service areas be established within the corporate boundaries of a political subdivision for the purpose of ensuring that capital improvements service the areas generating need. The boundaries for impact fees are defined as follows:

- *Roadway Impact Fees* refers to a service area that is limited to the corporate boundaries of a political subdivision or city, and cannot extend into the Extraterritorial Jurisdiction (ETJ) or for a distance exceeding more than six (6) miles. The City of Rockwall is divided into four (4) service areas that are depicted in *Figure 3*.

- *Water and Wastewater Impact Fees* refers to a service area that includes a city's corporate boundaries and Extraterritorial Jurisdiction (ETJ), which is depicted in *Figure 2*. This service area is depicted in *Figure 4*.

## SUMMARY OF DATA

As opposed to the databases calculated in 2007 and 2013 -- *which utilized Traffic Survey Zones (TSZ) as the data collection zones* -- the current database utilizes the following geographic areas:

- *Land Use Districts from the OURHometown Vision 2040 Comprehensive Plan.* These geographic areas better conformed to the City's corporate boundaries, and were drafted with the OURHometown Vision 2040 Comprehensive Plan as the geographic regions intended to be used for all future long-range planning/data collection exercises.

- *Service Areas.* The Service Areas correlate to the Water, Wastewater and Roadway Service Areas identified in *Figures 3 & 4*. As previously stated, the corporate boundaries of the City of Rockwall serve as the limits for the Roadway Service Areas and the Water and Waste Water Service Areas include the corporate boundaries and the Extraterritorial Jurisdiction (ETJ) of the City.

Additionally, all databases and projections utilized the following variables:

- *Households (2019).* The *Residential Address Point* feature class in the City's Geographic Information Systems (GIS) software includes all residential addresses (i.e. *single-family, duplex, multi-family, group home/quarters, etc.*) existing as of January 1, 2019. The total number of residential address points (*i.e. households*) was queried from this layer to establish the base years' numbers.

*FIGURE 2: CITY OF ROCKWALL CITY LIMITS AND EXTRATERRITORIAL JURISDICTION (ETJ)*
*NOTE: The City Limits of Rockwall are depicted in RED. The Extraterritorial Jurisdiction (ETJ) is depicted in BLUE.*

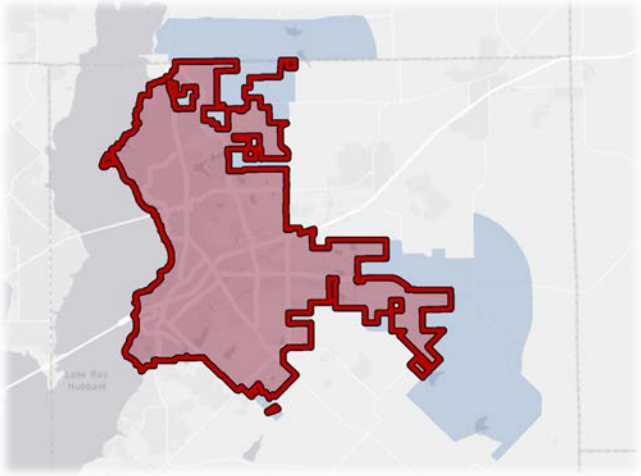


*FIGURE 3: ROADWAY SERVICE AREAS*
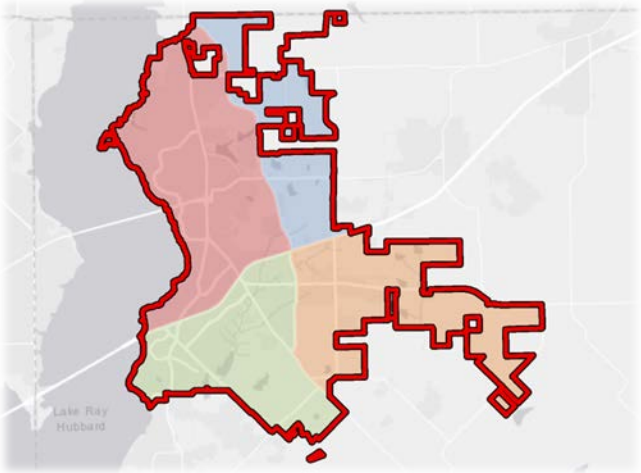
*This is the derived service area structure for roadway facilities. These service areas conform to the current city limits of the City of Rockwall and are divided by John King Boulevard and Interstate Highway 30.*
*NOTE: RED: Service Area 1; BLUE: Service Area 2; GREEN: Service Area 3; YELLOW: Service Area 4*



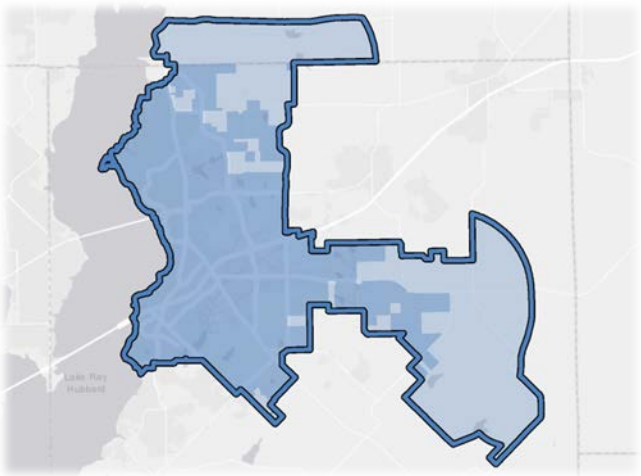


*FIGURE 4: WATER/WASTE WATER SERVICE AREAS*
*This is the derived service area structure for water/wastewater facilities. These service areas conform to the current city limits and Extraterritorial Jurisdiction (ETJ).*
*NOTE: BLUE: Service Area*

- *Households (2029).* This is the projected household data by service area for the year 2029, which represents a ten (10) year growth projection. This information was derived by staff using the stated databases and proper projection techniques.
- *Population (2019)*. This is the existing population for the base year (i.e. *2019*). This information was calculated utilizing the number of households existing as of January 1, 2019, the occupancy, rate and the average household size as established by the United States Census Bureau for each Census Block.
- *Population (2029)*. This is the projected population by service area for the year 2029, which represents a ten (10) year growth projection. This information was derived by staff using the stated databases and proper projection techniques.
- *Employment (2019).* Employment data was aggregated to three (3) employment sectors, which include *Basic*, *Retail* and *Service* as provided by the Business Analyst tool available from ESRI (*the City's provider for its geospatial database software*). These service sectors serve as the basis for non-residential trip generation. The following is a summary of these employment sectors followed by corresponding North American Industry Classification System (NAICS) code:

    - *Basic.* Land use activities that produce goods and services such as those that are exported outside the local economy. These include manufacturing, construction, transportation, wholesale trade, warehousing and other industrial uses (NAICS Code: *#210000 - #422999*).
    - *Retail.* Land use activities that provide for the retail sale of goods that primarily serve households and whose location choice is oriented toward the residential sector. These include uses such as grocery stores, restaurants, etc. (NAICS Code: *#440000 - #454390*).
    - *Service.* Land use activities that provide personal and professional services. These include such uses as financial, insurance, government, and other professional and administrative offices (NAICS Code *#520000 - #928199*).

- *Employment (2029).* The projected employment data was aggregated to three (3) employment sectors, which include *Basic*, *Retail* and *Service* as provided by the Business Analyst tool available from ESRI. These service sectors were then projected by service area to the year 2029, which represents a ten (10) year growth projection. This information was derived by staff using the stated databases and proper projection techniques.

# BASE YEAR DATA

This section documents the methods used to derive the base year data for the City of Rockwall as of January 1, 2019. This *benchmark* information provides data for the corporate limits and Extraterritorial Jurisdiction (ETJ) of the City, and creates a starting point in which to extrapolate the ten (10) year growth projections that are depicted in the following section (*see Ten-Year Growth Projections*). This information was initially developed with the OURHometown Vision 2040 Comprehensive Plan, but has been updated to include the additional growth that has taken place since the original numbers were derived and the numbers for January 1, 2019.

## HOUSEHOLDS

Utilizing the City's Geographic Information System (GIS) software, the residential addresses for each data collection zone (*i.e. Land Use Districts*) were queried. This provided the raw housing data that was then reviewed to remove any vacant lots or anomalies in the data set. Based on this process, the City of Rockwall was shown to have 16,690 households inside the City's corporate limits and 1,700 households in the City's Extraterritorial Jurisdiction (ETJ) as of January 1, 2019. The total number of households is 18,390. Staff should note that this query included all residential housing types (*i.e. multi-family, single-family, and group homes*) from the data sets.

## POPULATION

The City of Rockwall generally uses the North Central Texas Council of Government's (NCTCOG) population estimates as the City's official population; however, for the purposes of this planning study it was necessary to calculate a baseline population that was specific to January 1, 2019. This was also necessary in order to estimate the population of the City's Extraterritorial Jurisdiction (ETJ).

To calculate the population as of January 1, 2019, the City's Geographic Information Systems (GIS) Division utilized the following formula to derive the population estimate for each of the data collection zones:

$$\sum_{d=1}^{20} POP = ((a * o) * f)$$

*Where:*

*POP = Population as of January 1, 2019*
*$d$ = Land Use District*
*$a$ = Number of Residential Address Points in Each District*
*$o$ = Occupancy Rate [per U.S. Census Bureau]*
*$f$ = Density Factor per Census Block [U.S. Census Bureau]*

Using this methodology the base year population as of January 1, 2019 was established to be 44,575 residents inside the corporate limits and 5,041 people residing in the Extraterritorial Jurisdiction (ETJ).

## EMPLOYMENT

The base employment data was calculated using ArcGIS *Business Analyst*, which is software that provides location-based market information. Utilizing this tool, the City's Geographic Information Systems (GIS) Division was able to query employment and business information relating to each data collection zone (*i.e. Land Use District*). This information was then broken down into one (1) of the three (3) employment categories (*i.e. Basic, Service, or Retail*). Based on the analysis, the City's corporate limits were shown to have a total employment of 24,083 jobs on January 1, 2019. Of the total employment 2,505 jobs were classified as *Basic*, 12,403 jobs were classified as *Service*, and 9,175 jobs were classified as *Retail*. The Extraterritorial Jurisdiction (ETJ) was shown to have an additional 643 jobs, with 535 jobs being classified as *Service* and 108 jobs being classified as *Retail*. In addition, the GIS Division calculated the total non-residential building square footages (*i.e. improvements*) relating to all of these employment types at ~14,444,596 SF inside the City's corporate boundaries and Extraterritorial Jurisdiction (ETJ), with ~3,209,401 SF being classified as *Basic*, ~5,374,068 SF being classified as *Service*, and ~5,861,127 SF being classified as *Retail*. The total non-residential square footage of land area 139,424,433.67 (or 3,200.74-acres), with 11,967,581.81 SF being classified as *Basic*, 58,451,896.18 SF being classified as *Service*, and 69,004,955.68 SF being classified as *Retail*.

# TEN-YEAR GROWTH PROJECTIONS

## GROWTH ASSUMPTIONS

In this planning study, growth is characterized in two (2) forms: 1) Population (*i.e. residential land use*), and 2) Employment (*i.e. non-residential land use*). To calculate a reasonable growth rate for population and employment it was necessary for staff to make a series of assumptions on which to base the ten (10) year growth projections. These assumptions are summarized as follows:

- Future growth identified within this study will conform to the *Future Land Use Plan* depicted in the OURHometown Vision 2040 Comprehensive Plan.
- Infrastructure will continue to be development driven, and the City will continue to be able to finance any other necessary improvements needed to accommodate future growth.
- School facilities will continue to be sufficient to accommodate any increases in population.
- Densities will generally conform to the land classifications and *District Strategies* identified within the OURHometown Vision 2040 Comprehensive Plan, and as depicted on the Future Land Use Map.
- The residential and non-residential carrying capacity for the City or its *build out* will occur simultaneously.

The ten (10) year projections for population are based on the growth rate, which was previously discussed and staff's consideration of past development trends. The ten (10) year projections for employment are based on the overall carrying capacity for non-residential development compared to the current non-residential development in the City. *Tables 1 & 2* detail the ten (10) year projections for households, population and employment for the service areas associated with roadway and water/wastewater impact fees.

## POPULATION GROWTH RATE ANALYSIS

The City of Rockwall has experienced steady residential population growth (*see Figure 5*) over the last 18-years and -- *with the City being ~48.29% vacant and taking into account the City's current availability of water and wastewater infrastructure* -- staff anticipates that the population growth will continue to be fairly steady. It should be noted, however, that the City has seen a slight decline in the population growth percentage over the last five (5) years. From 2000 to 2018, the population growth percentage was 5.08%, but when looking at the last five (5) years this number drops to 1.79% (*see Table 3*).

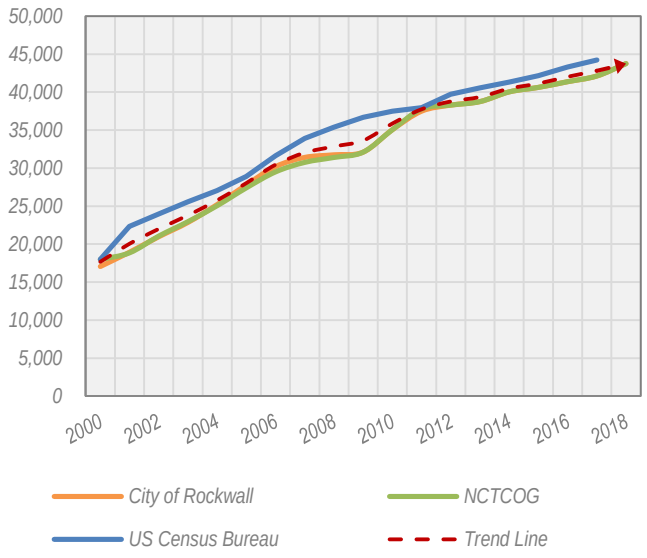

*TABLE 1: SUMMARY OF TEN-YEAR GROWTH (ALL ROADWAY SERVICE AREAS)*

| | 2019 | 2029 | Increase |
|---|---|---|---|
| Households | 16,690 | 22,135 | 32.62% |
| Population | 44,575 | 59,898 | 34.38% |
| Total Employment | 24,083 | 24,771 | 2.86% |
| Basic | 2,505 | 2,568 | 2.51% |
| Service | 12,403 | 12,768 | 2.94% |
| Retail | 9,175 | 9,436 | 2.84% |

*TABLE 2: SUMMARY OF TEN-YEAR GROWTH (WATER/WASTE WATER SERVICE AREA)*

| | 2019 | 2029 | Increase |
|---|---|---|---|
| Households | 18,390 | 26,609 | 44.69% |
| Population | 49,616 | 73,228 | 47.59% |
| Total Employment | 24,726 | 25,735 | 4.08% |
| Basic | 2,505 | 2,568 | 2.51% |
| Service | 12,938 | 13,527 | 4.55% |
| Retail | 9,283 | 9,640 | 3.85% |

*FIGURE 5: POPULATION BY AGENCY, 2000-2018*

To calculate the ten (10) year population projections, City staff utilized the *Compound Annual Growth Rate (CAGR)* method. CAGR allows for a general assessment of growth when considering periodic increases and decreases in residential

population growths that coincide with changing economic conditions. The formula for CAGR is as follows:

$$CAGR = \left(\frac{x}{y}\right)^{\left(\frac{1}{n}\right)} - 1$$

*Where:*
*CAGR = Compound Annual Growth Rate*
*$x$ = End Value*
*$y$ = Beginning Value*
*$n$ = Number of Years*

In 2007, a CAGR of four (4) percent was used to calculate the ten (10) year population projections; however, based on the five (5) year annual growth rate and the number depicted in *Table 3*, staff utilized a more conservative three (3) percent annual growth rate. In assessing the past growth rates, staff used several sources including the North Central Texas Council of Governments (NCTCOG), the U.S. Census Bureau, and the City of Rockwall. Based on a three (3) percent CAGR, the following chart shows the anticipated population growth over the next ten (10) years:

*TABLE 4: TEN (10) YEAR POPULATION GROWTH*
*This table shows the projected ten (10) year population growth at a three (3) percent Compound Annual Growth Rate (CAGR).*

| Year | Population |
|---|---|
| 2019 | 44,575 |
| 2020 | 45,907 |
| 2021 | 47,284 |
| 2022 | 48,703 |
| 2023 | 50,164 |
| 2024 | 51,669 |
| 2025 | 53,219 |
| 2026 | 54,815 |
| 2027 | 56,460 |
| 2028 | 58,154 |
| 2029 | 59,898 |

*TABLE 3: CITY OF ROCKWALL GROWTH RATES*

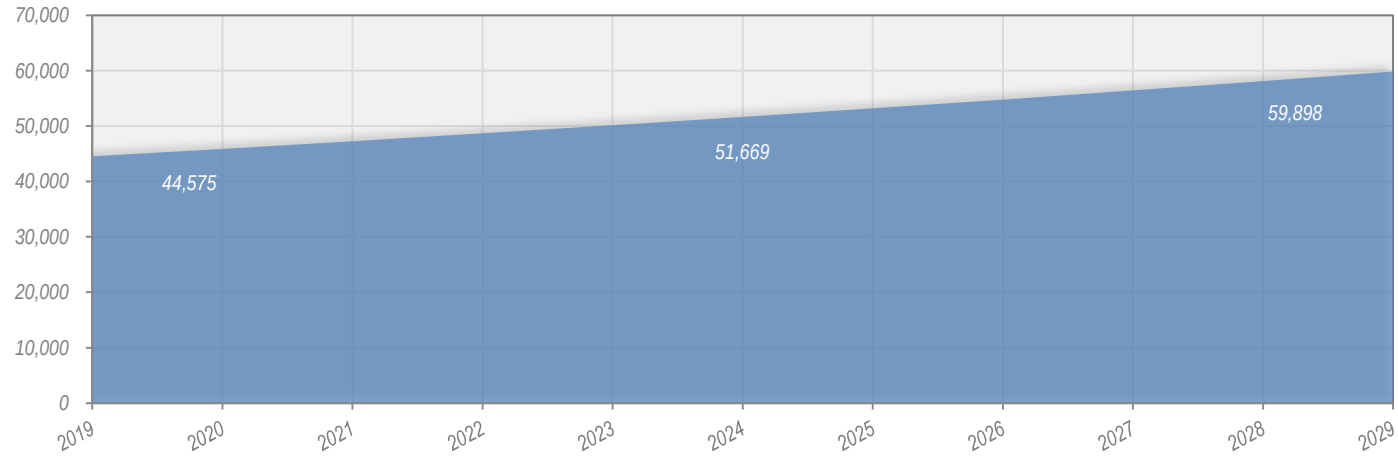
| Data Source | Growth Rate |
|---|---|
| *2014 – 2017 US Census* | *1.70%* |
| *2010 – 2017 US Census* | *2.08%* |
| *2000 – 2017 US Census* | *5.13%* |
| *2014 – 2018 Single Family Permits* | *1.82%* |
| *2010 – 2018 Single Family Permits* | *4.80%* |
| *2000 – 2018 Single Family Permits* | *-2.93%* |
| *Future Growth Projection* | *3.0%* |

## PROJECTED POPULATION FOR 2029

Utilizing the three (3) percent Compound Annual Growth Rate (CAGR) established in the previous section, staff projects that the population for the City will be 59,898 in 2029 (*see Table 4 and Figure 6*). This estimate does appear to be consistent with trends that have been observed at the county and regional level (*see Figure 7 for a comparison of the City's population growth versus the County's population growth*). Although, the growth rate has slowed over the last five (5) years this is seen as a temporary trend and not a sign indicative of the City's future growth trend.

In determining this population projection, staff observed how this projection would relate to the City's projected building permits, and the additional population added to the City on an annual basis (*see Table 5*). Taking this into consideration, the estimated average annual building permits anticipated over this time period is approximately 522. This represents a decrease of approximately 121 permits annually from the estimates completed in 2014. This estimate -- *while still likely high in some years due to shifts in market demand* -- is a more conservative estimate than what was used in 2014. It should be noted that this estimate takes into consideration the type of development likely to occur in a given area (*i.e. single-family or multi-family*).

*FIGURE 6: TEN (10) YEAR POPULATION GROWTH*
*This chart shows the projected ten (10) year population growth at a three (3) percent Compound Annual Growth Rate (CAGR).*



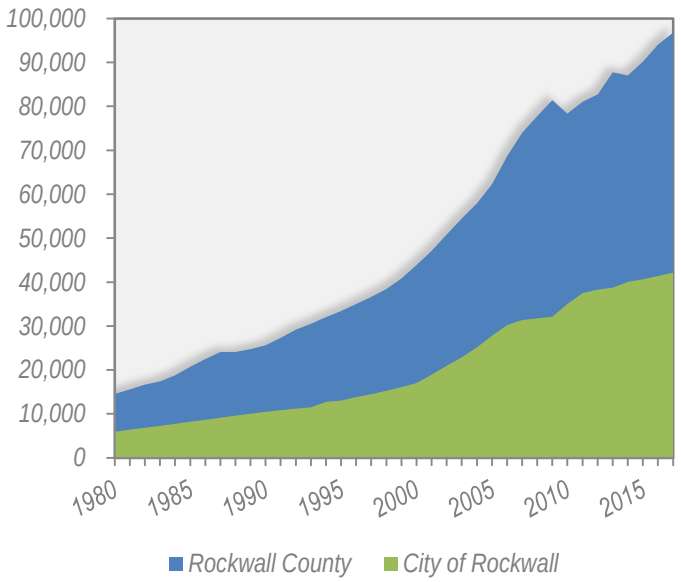


TABLE 5: PROJECTED BUILDING PERMITS

| Year | Population | New Residents | New Building Permits |
|---|---|---|---|
| 2019 | 44,575 | 825 | 294 |
| 2020 | 45,907 | 1,332 | 474 |
| 2021 | 47,284 | 1,377 | 490 |
| 2022 | 48,703 | 1,419 | 505 |
| 2023 | 50,164 | 1,461 | 520 |
| 2024 | 51,669 | 1,505 | 536 |
| 2025 | 53,219 | 1,550 | 552 |
| 2026 | 54,815 | 1,597 | 568 |
| 2027 | 56,460 | 1,644 | 585 |
| 2028 | 58,154 | 1,694 | 603 |
| 2029 | 59,898 | 1,745 | 621 |
| Average Number of Annual Permits: | | | 522 |

## PROJECTED EMPLOYMENT FOR 2029

Employment data for the year 2029 was calculated by taking the information established in the base year analysis -- *which was obtained through the ArcGIS Business Analyst tool* -- and the corresponding ratio of employment to population, and extrapolating this information out to January 1, 2029. These estimates are summarized in Appendix C, *Employment Breakdown by Roadway Service Area*, and Appendix D, *Employment Breakdown by Water/Wastewater Service Area*.

FIGURE 7: CITY POPULATION VS COUNTY POPULATION, 1980-2017

# BUILD OUT ANALYSIS

A *Build Out Projection* for a city (also referred to as the city's *Carrying Capacity*) is an estimate of the location and density of all potential development, employment and population that a city can support within its future corporate boundaries.

## ESTABLISHING HOUSEHOLDS AND POPULATION AT THE CITY'S BUILD OUT

As part of the newly adopted OURHometown Vision 2040 Comprehensive Plan, City staff calculated the number of households and residents at *Build Out*. In establishing the City's households and population at *Build Out* staff made the following assumptions:

- All vacant or undeveloped land within the City's corporate boundaries will develop with the maximum density permitted for the current zoning per the Unified Development Code (UDC).
- All Agricultural (AG) District property is assumed to be vacant or undeveloped and will develop at the maximum density permitted in accordance to the property's' designation on the Future Land Use Map contained in the OURHometown Vision 2040 Comprehensive Plan.
- All property within the Extraterritorial Jurisdiction (ETJ) is assumed to be vacant and will be developed in conformance with the Future Land Use Map at the maximum density permitted by the OURHometown Vision 2040 Comprehensive Plan.
- The City's ETJ is fixed and will not increase in the future.

Taking these assumptions into consideration, staff utilized Geographical Information Systems (GIS) software to calculate all the undeveloped land within the city's corporate boundaries, including the ETJ. Once calculated the acreages were broken down by land use and multiplied by the maximum density permitted for each of the land uses as established within the Unified Development Code (UDC) and the Comprehensive Plan. These totals were then multiplied by the average people per household [*i.e. 2.81 per the US Census Bureau*] to establish the unadjusted population at *Build Out*. Staff then reviewed the projected densities coupled with current land use patterns, and adjusted the numbers to account for known or anticipated development activity. Based on the final *Build Out* population (*i.e. 149,525*), staff projected the population forward using the previously established three (3) percent Compound Annual Growth Rate (CAGR) [*see the Ten-Year Growth Assumptions section*] until the build out population was reached (*see Table 6*). This established a build out year of 2060. The following formula lays out the methodology used to calculate these numbers:

*TABLE 6: PROJECTED POPULATION @ 3% COMPOUND ANNUAL GROWTH (CAGR)*

| Year | Population | New Residents |
|---|---|---|
| 2018 | 43,750 | 1,630 |
| 2019 | 44,570 | 820 |
| 2020 | 45,907 | 1,337 |
| 2021 | 47,284 | 1,377 |
| 2022 | 48,703 | 1,419 |
| 2023 | 50,164 | 1,461 |
| 2024 | 51,669 | 1,505 |
| 2025 | 53,219 | 1,550 |
| 2026 | 54,815 | 1,597 |
| 2027 | 56,460 | 1,644 |
| 2028 | 58,154 | 1,694 |
| 2029 | 59,898 | 1,745 |
| 2030 | 61,695 | 1,797 |
| 2031 | 63,546 | 1,851 |
| 2032 | 65,453 | 1,906 |
| 2033 | 67,416 | 1,964 |
| 2034 | 69,439 | 2,022 |
| 2035 | 71,522 | 2,083 |
| 2036 | 73,667 | 2,146 |
| 2037 | 75,877 | 2,210 |
| 2038 | 78,154 | 2,276 |
| 2039 | 80,498 | 2,345 |
| 2040 | 82,913 | 2,415 |
| 2041 | 85,401 | 2,487 |
| 2042 | 87,963 | 2,562 |
| 2043 | 90,602 | 2,639 |
| 2044 | 93,320 | 2,718 |
| 2045 | 96,119 | 2,800 |
| 2046 | 99,003 | 2,884 |
| 2047 | 101,973 | 2,970 |
| 2048 | 105,032 | 3,059 |
| 2049 | 108,183 | 3,151 |
| 2050 | 111,429 | 3,245 |

| 2059 | 145,389 | 4,235 |
| 2060 | 149,751 | *BO:* 149,525 |

$$BO = P + CP + EP$$

$$CP = (\sum[(LU_1 xD_1) \dots (LU_x\, xD_x)]\,) x\ AHS$$

$$EP = (LDR\ x\ 2.5) + (MDR\ x\ 3.5) + (HDR\ x\ 5)$$

*Where:*

*$BO$ = Build Out Population*
*$P$ = Population as of January 1, 2019*
*$CP$ = Population of Vacant or Undeveloped Land in the City Limits*
*$EP$ = Population of Vacant or Undeveloped Land in the ETJ*
*$LU$ = Vacant Available Land Inside the City Limits for a Land Use*
*$D$ = Maximum Density Permitted for a Land Use per UDC*
*$AHS$ = Average Household Size [2.81185 per US Census Bureau]*
*$LDR$ = Low Density Residential Acreage Available in ETJ*
*$MDR$ = Medium Density Residential Acreage Available in ETJ*
*$HDR$ = High Density Residential Acreage Available in ETJ*

## ESTABLISHING EMPLOYMENT AT THE CITY'S BUILD OUT

To calculate employment at *Build Out*, staff utilized the employment numbers calculated with the base year analysis, and -- *based on the estimated current year population* -- calculated ratios between employment and population for the City and its Extraterritorial Jurisdiction (ETJ). These ratios were then used to extrapolate the number of employees for basic, service and retail sectors for the ten (10) year and build out projections.

# SUMMARY

The following is a summary of staff's findings when preparing the *Land Use Assumption Report* in preparation for the update of the Roadway, Water and Wastewater Impact Fees for 2019:

- The average annual growth rate as calculated by staff is three (3) percent. This growth rate was established based on data from the US Census, North Texas Council of Governments (NCTCOG), the City and County of Rockwall. Using this growth rate staff projected the following population numbers:
  - The population of the City of Rockwall as of January 1, 2019 was 44,691. This is expected to increase by 25.39% in the next ten (10) years to an estimated 59,898 by January 1, 2029.
  - The population for the City of Rockwall and its Extraterritorial Jurisdiction (ETJ) as of January 1, 2019 was 49,743. This is expected to increase by 32.07% in the next ten (10) years to an estimated 73,228 by January 1, 2029.
- The estimated employment for the City of Rockwall as of January 1, 2019 was 24,083 jobs, with another 1,286 jobs existing within its Extraterritorial Jurisdiction (ETJ). Staff estimates this number to climb to 32,366 jobs within the current city limits, and another 1,698 jobs within the current Extraterritorial Jurisdiction (ETJ) by January 1, 2029.
- Staff has established that there are currently 8,204.17 undeveloped acres of land within the city limits. This represents ~48.29% of the current land in the City. Additionally, the City of Rockwall has access to another 14,083.24-acres of land within its current Extraterritorial Jurisdiction (ETJ). Approximately 75.11% (10,577.67-acres) of the land within this area is vacant.
- According to staff's estimate, the City of Rockwall is expected to be built out in the year 2060, with a total population of 149,525.

# APPENDIX A: SUMMARY OF ROADWAY SERVICE AREAS

## SERVICE AREA 1

| | ESTIMATES (JANUARY 1, 2019) | | | PROJECTIONS (JANUARY 1, 2029) | | | BUILD OUT PROJECTIONS (2060) | | |

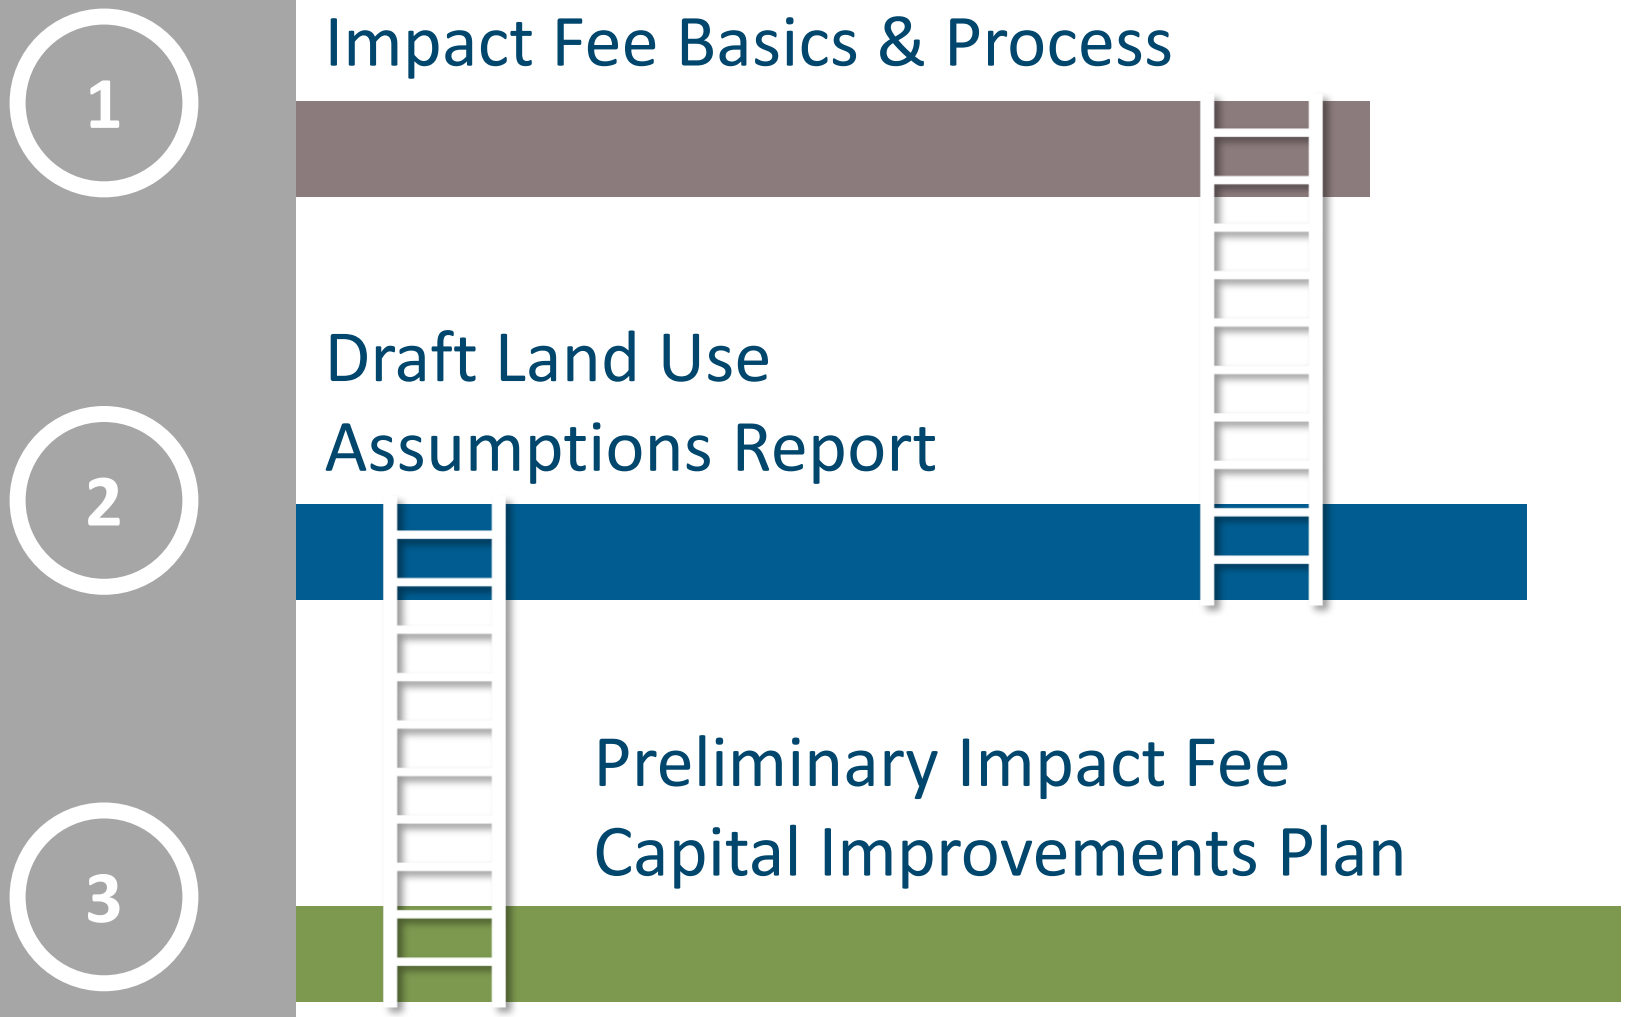
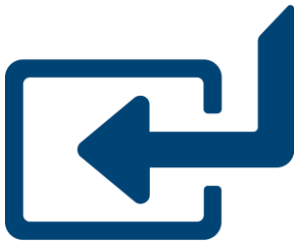
FREESE AND NICHOLS

May 28, 2019



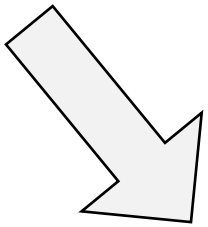
# Capital Improvements Advisory Committee (CIAC)



## Impact Fee Basics, Land Use Assumptions, and Preliminary CIP

Roadway Impact Fee Study Update

# Agenda



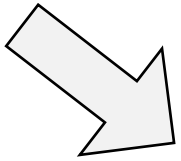
1
Impact Fee Basics & Process
2
Draft Land Use
Assumptions Report
3
Preliminary Impact Fee
Capital Improvements Plan

# Role as CIAC Member

## Provide Comment:

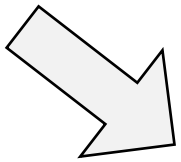
- Land Use Assumptions
- Impact Fee Capital Improvements Plan (CIP)

## Recommendation:



Collection Rate to City Council

# What are Impact Fees?



***One-time charge*** assessed to new development for a ***portion of costs*** related to specific capital improvements

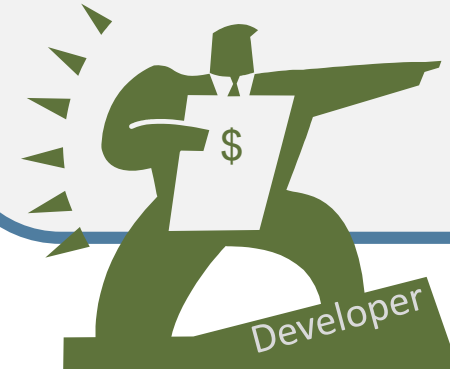
- New planned facilities
- Recoupment of built roads

*Systematic, structured approach to assessment of fees*

# Basis of Impact Fees?

New development should pay for the cost of public infrastructure required to serve it.

*"Growth Paying for Growth"*



- State Law: Chapter 395 Texas LGC
- Specific requirements for program administration and fee calculation
- Update required every five years
- Fee proportional to development's impact on system

# WHO PAYS FOR GROWTH?

## IMPACT FEES

New development shares in part of this responsibility

## NO IMPACT FEES

Existing and future tax payers build all capital facilities

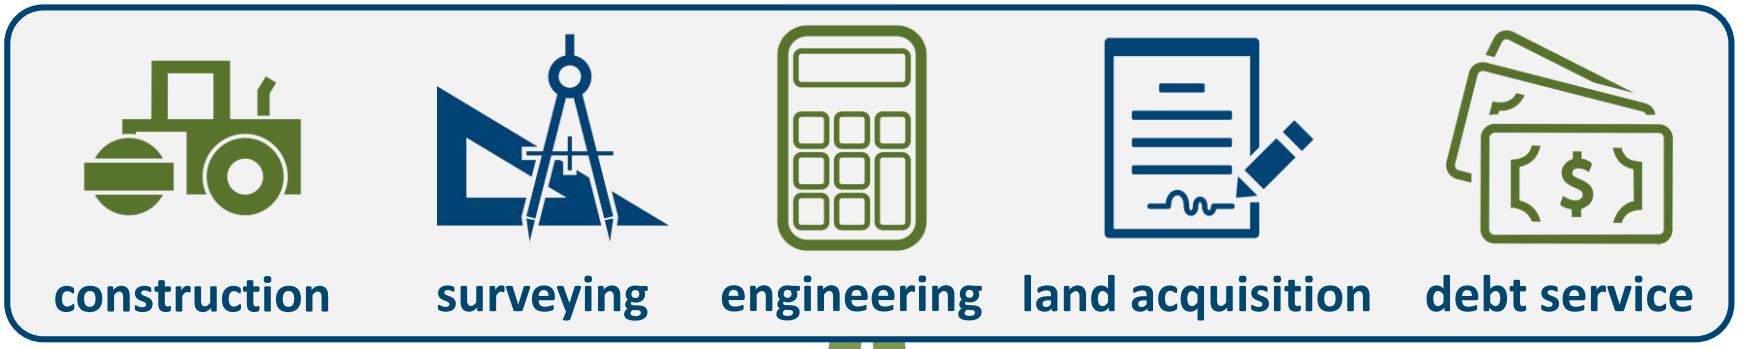
# Legislative Basis

CHAPTER 395, TEXAS LOCAL GOVERNMENT CODE

- Precise methodology prescribed
- Adoption procedures
- Administrative rules of the program

- Initiated in 1987, sponsored by Texas Homebuilders
- Last updated in 2001

# Impact Fee Considerations



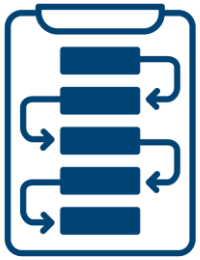
## ADVANTAGES

- ✓ Allowable by state law; alleviates burden of new facilities on existing tax payers.
- ✓ Allows for **implementation of key system improvements** over piece-meal approach.
- ✓ Allows recoupment of projects already constructed which contains oversized or excess capacity.
- ✓ **Fairly charges based on system impacts.**
- ✓ Provides **up front knowledge of the exact fee** to be imposed.
- ✓ Allows for pooling of funds.
- ✓ Allows for developer credits.
- ✓ **Establishes rough proportionality**.

## DISADVANTAGES

- × City may likely have to front the cost of improvements and collect fees as development occurs.
- × Slower economic times means cost recovery may be slow and is dependent on new development.
- × Fees can only be applied to projects within city limits.
- × System update every five years.
- × Administrative requirements may be burdensome to some cities.
- × Increases the cost of development which can affect economic development strategies.

# What can Impact Fees Pay for?



**Water supply, treatment, and distribution facilities**

**roadway facilities**

included in the specific
**Impact Fee**
**Capital Improvement Plan**

Impact fees can also pay for required system updates

# What do Impact Fees NOT Pay for?

- Projects not included in the Impact Fee CIP
- Repair, operation, or maintenance of existing or new facilities
- Upgrades to serve existing development
- Administrative and operating costs of the impact fee program
- Debt service for projects that are not included in the Impact Fee CIP

# Types of Impact Fees

## ROADWAY

- Based on size of development, service area, and type of development
- Collected at time of building permit

## WATER & WASTEWATER

- Based on meter size
- Collected at time of connection to system
- Collected and applied citywide

Both types of fees are calculated based on Service Units – units of development brought online

# Fee Collection Process

1. **Final plat** submitted for review
2. Fee calculated and **assessed** upon final plat approval
3. Fee **collected** at time of building permit issuance
4. Fees used to **implement projects** in the Impact Fee Capital Improvement Plan

**Fees are imposed on:**

- New development
- Expansion
- Change in use to higher intensity development

# Key Policy Issues

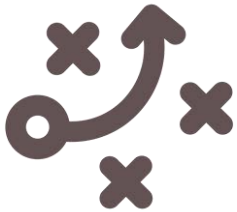
- What rate to charge, if less than the maximum to offset other City objectives
- Credit the CIP 50% or conduct a credit analysis
- Contents of Capital Improvements Plan
- Application of Fee
  - Percent of maximum (i.e., 25% of max)
  - Across the Board fee ($1,500 SF everywhere)
  - Residential vs. Non-Residential Uses
  - Incremental Increase over Time
- Exemptions
  - Public Schools and Public Housing
  - Other land uses as defined by policy

# Program Update Process

CIAC COORDINATION

1. Update Land Use Assumptions
2. Update Capital Improvement Plan
3. Conduct Impact Fee Calculations/ Prepare Technical Report
4. Public Hearing and Council Consideration
5. Adopt Updated Impact Fee Ordinance

# Technical Components



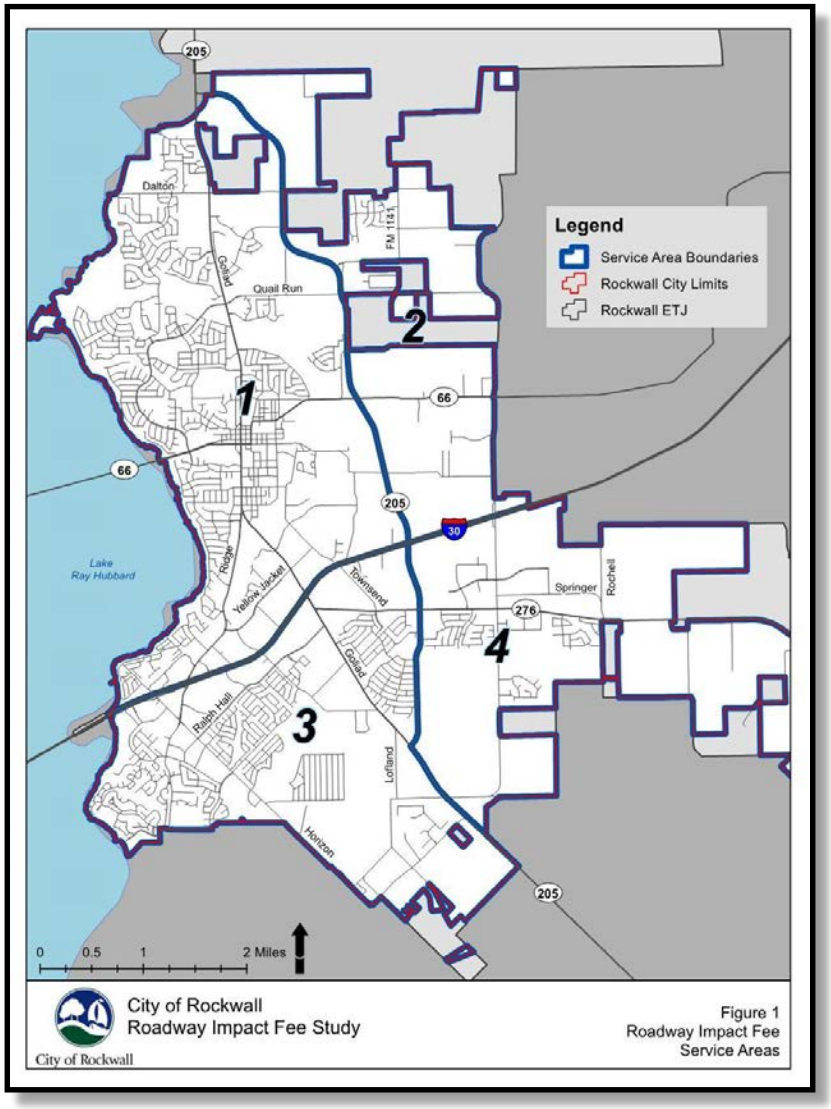
- Defined **Service Areas** and **Service Units**

- **Land use and demographic** projections for the next 10 years

- An **Impact Fee Capital Improvement Plan** – a list of all facilities that will need to be built or expanded due to new development

- **Cost per Service Unit Calculations** and fee schedules based on these criteria

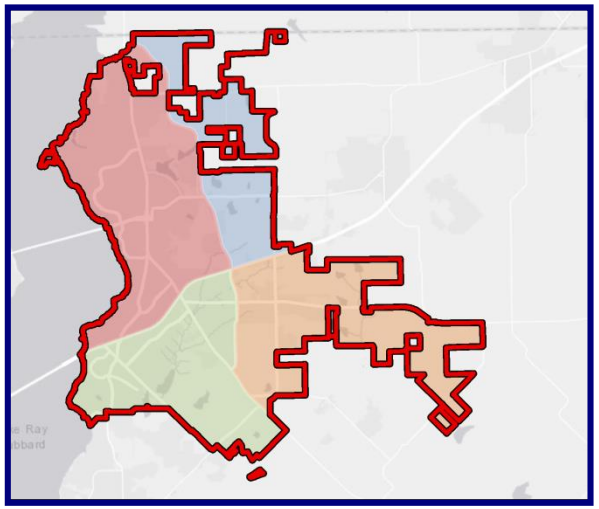
- Program must be adopted by **ordinance**



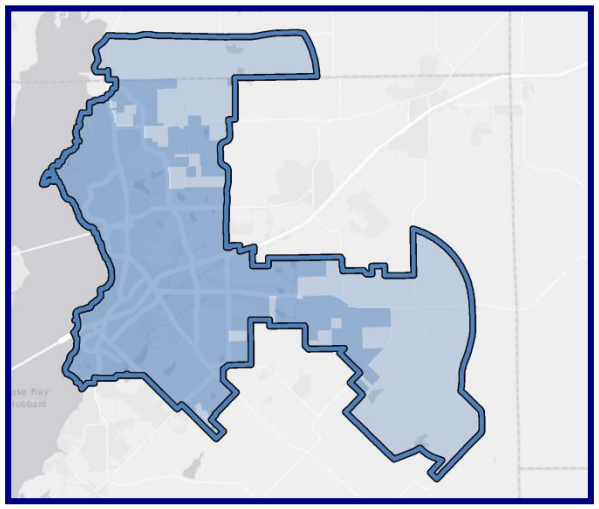
# Service Areas

## ROADWAY

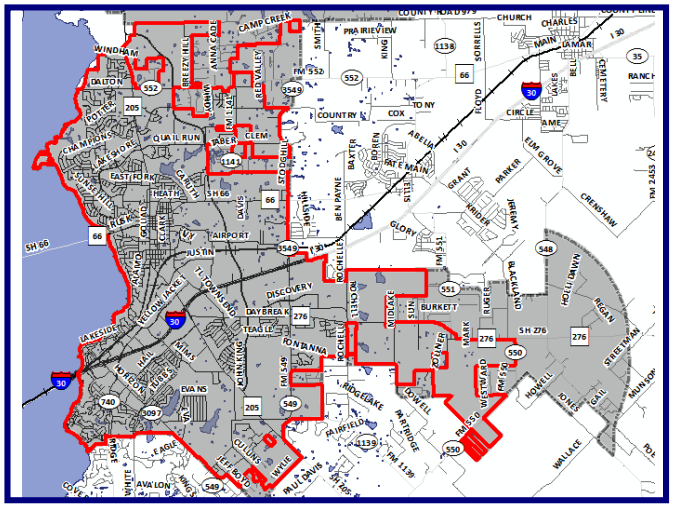
- Defines area to be served by CIP
- Confined to city limits; 6-miles
- 4 established areas
- Fees must be spent in the service area where collected



## WATER & WASTEWATER

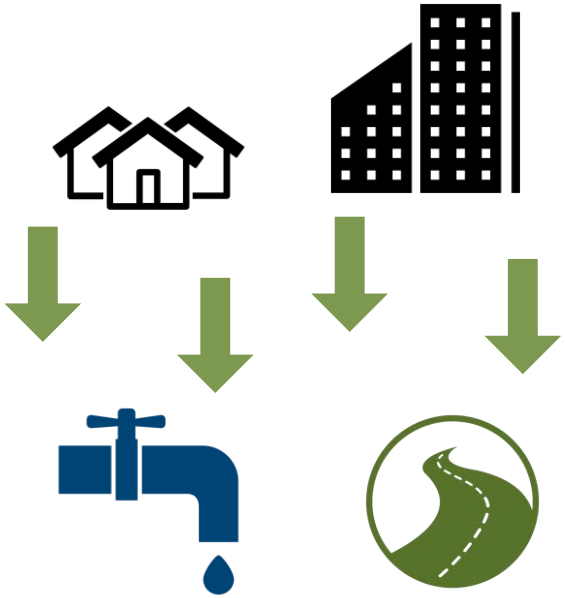


- One service area: Citywide
- Fees collected may be spent anywhere in the service area



# Service Areas for Land Use Assumptions

- **Roadway (city limits)**
- **Water (CCN boundary)**
- **Wastewater (ETJ boundary)**



# Service Units

**Service Units** are standardized measurements of the demands placed on water and roadway facilities by a new development

**Roadway service units** = vehicle-miles traveled (VMT) that the development will generate during evening peak hour travel

**Water/Wastewater service units** = capacity of the water meter installed at the development

# Service Units – Vehicle Mile

- Establishes a relationship between supply (roadway projects) and demand
- Vehicle-Mile during PM peak hour used as service unit
  - **Supply = Vehicle Capacity x Length**

    Roadway Projects

    Capacity x Length

    Supply = 700 vehicles/hour/lane x 4 lanes x 2 miles

    Supply = 5,600 vehicle-miles supplied in peak hour

  - **Demand = Trips Activity x Trip Length**

    Roadway Projects: Existing Utilization

    Demand = 793 vehicles x 1.12 miles

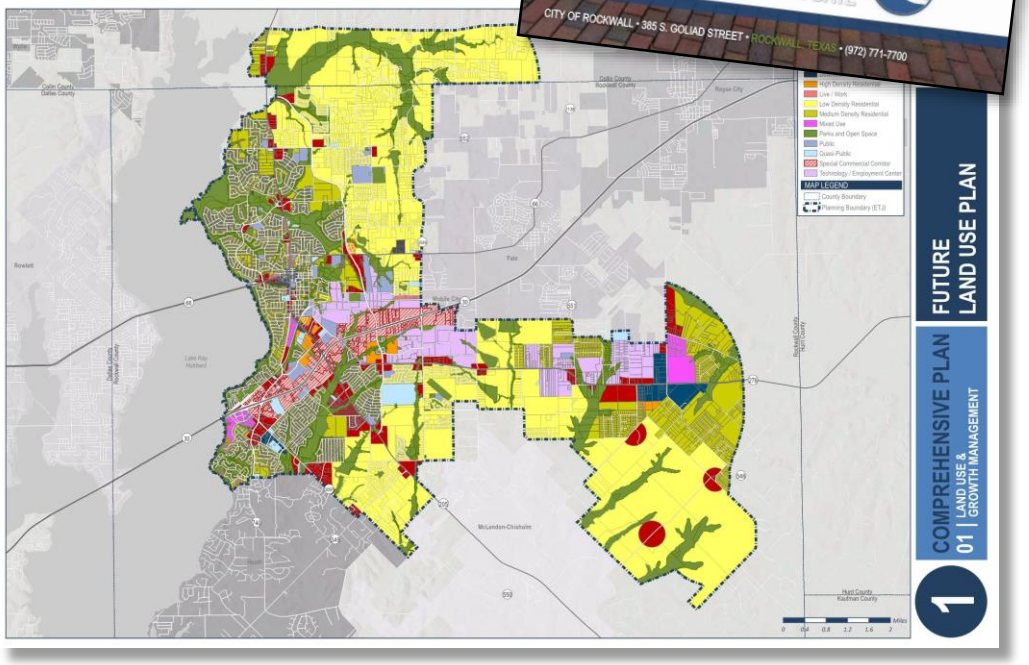
    Demand = 888 vehicle-miles in peak hour

    New Development

    Example: 100 unit residential development

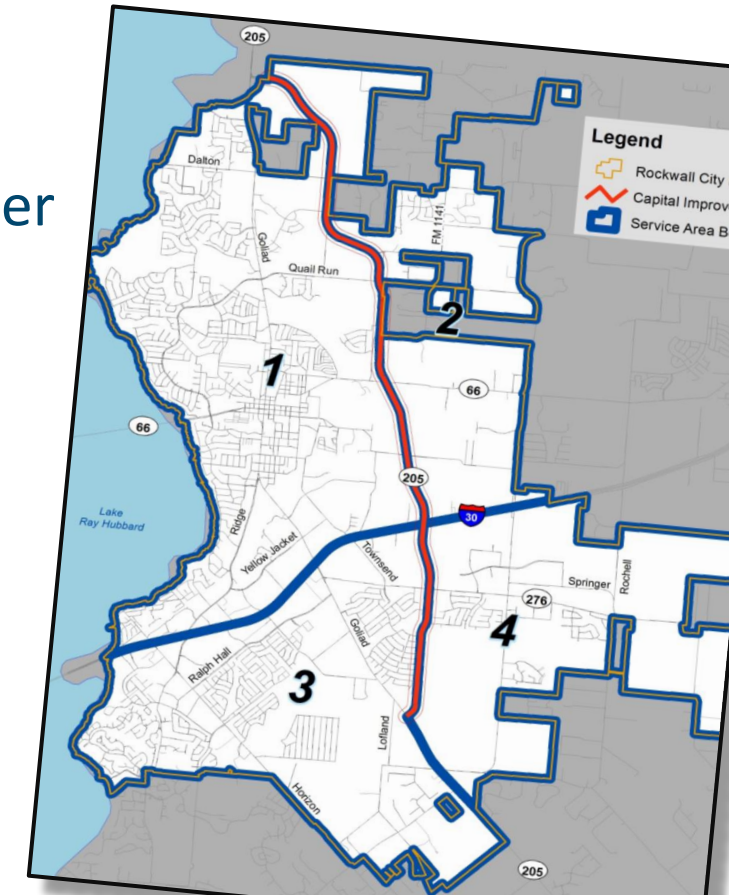
    Demand = 100 vehicles x 3 miles

    Demand = 300 vehicle-miles in the PM peak hour

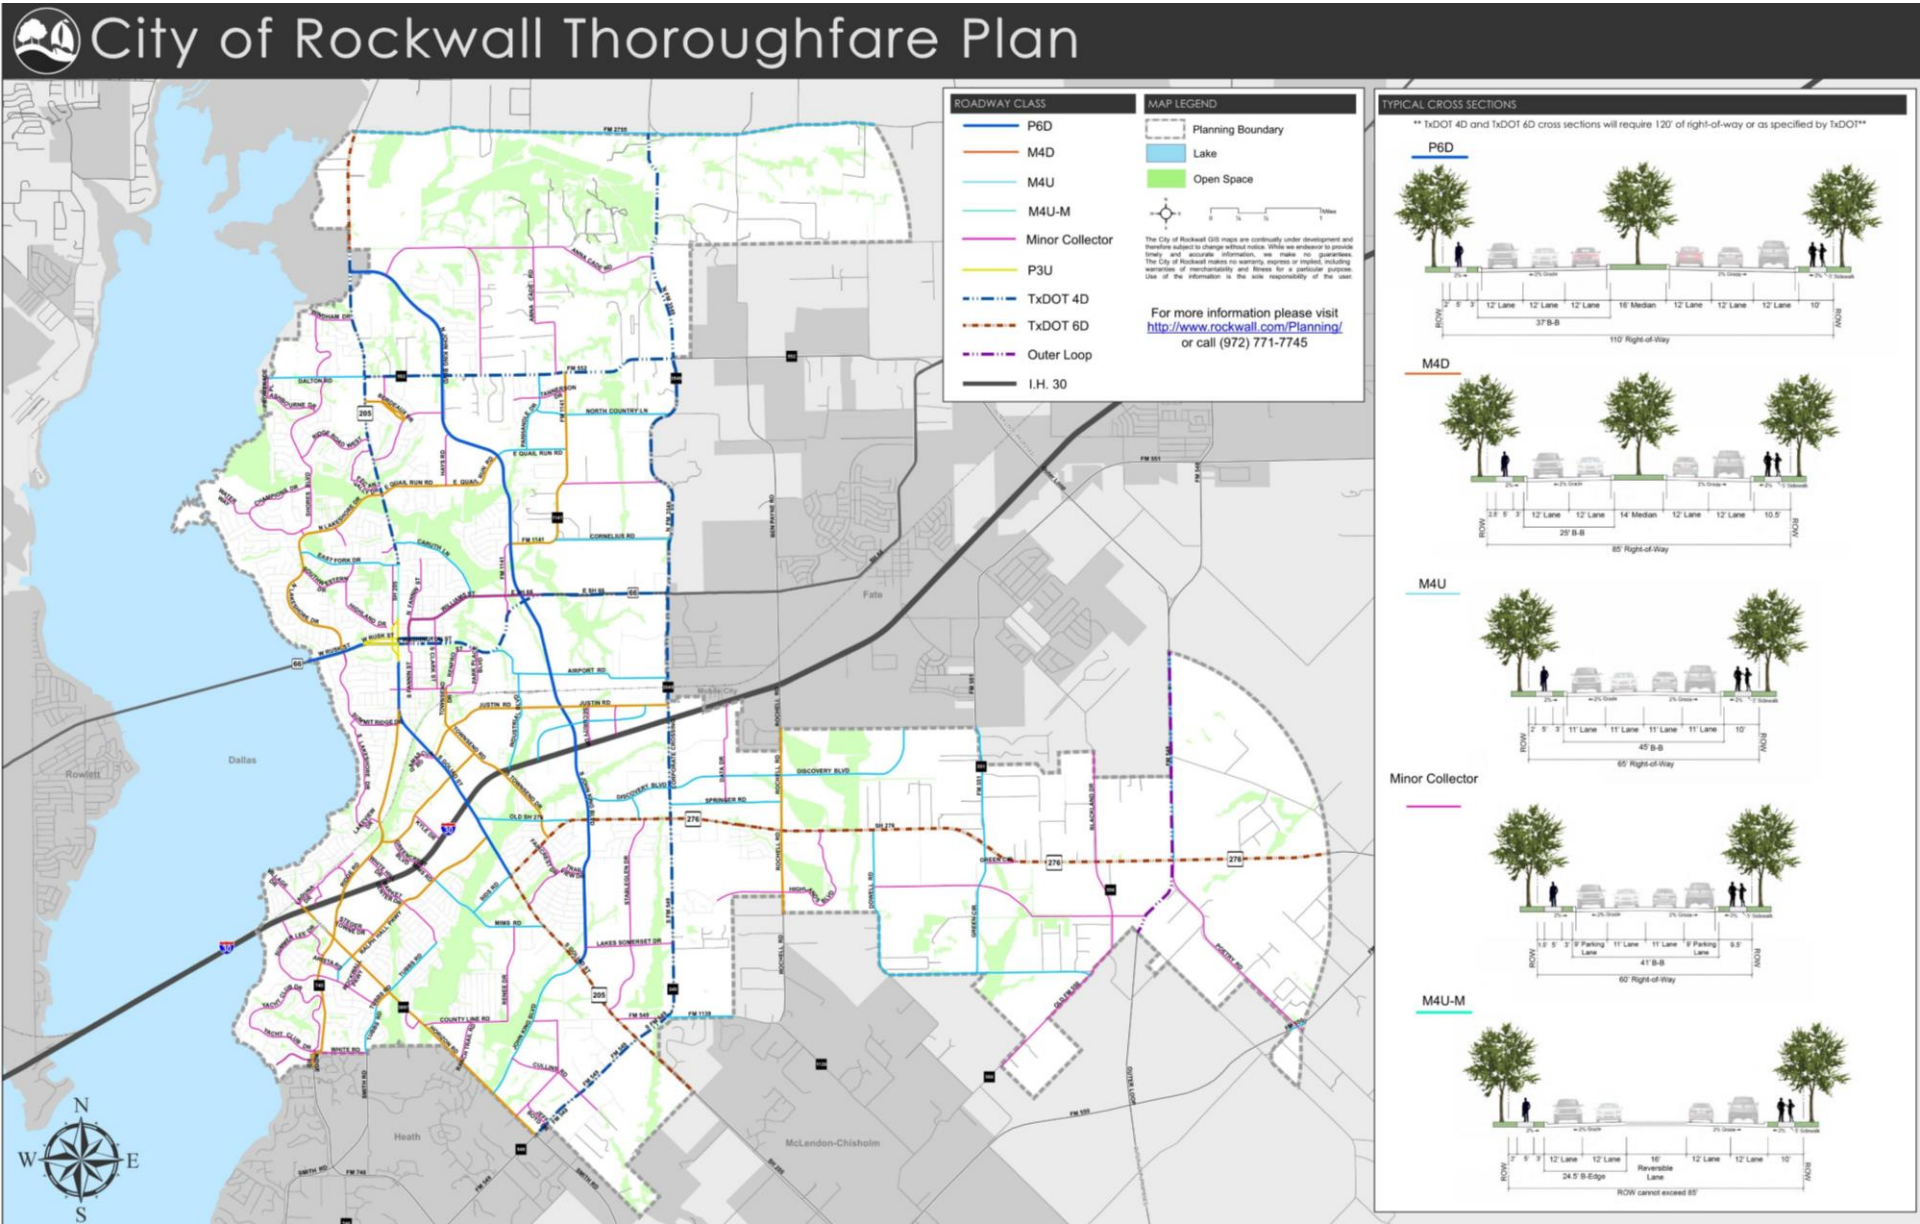


- Traffic counts conducted at 25 locations throughout city

# Land Use Assumptions



- 10-year growth projections
- Based on community growth
  - Res. Growth: Added Dwelling Units
  - Basic, Service, Retail Employment
- Calculate Growth using Land Use Equivalency Table
- Prepared by Service Area
- Basis for CIP Development

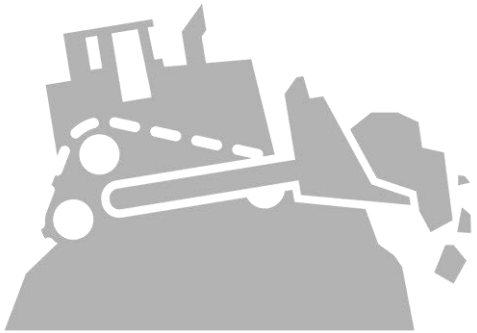


# Capital Improvement Plan

- Impact fee CIP different from traditional CIP
- Projects eligible include *arterial* and *collector* roads on thoroughfare plan
- May include completed projects with excess capacity, projects under construction, and future projects
- State routes (City $) eligible

**ROADWAY**

# Impact Fee Eligible Projects



# Cost Considerations

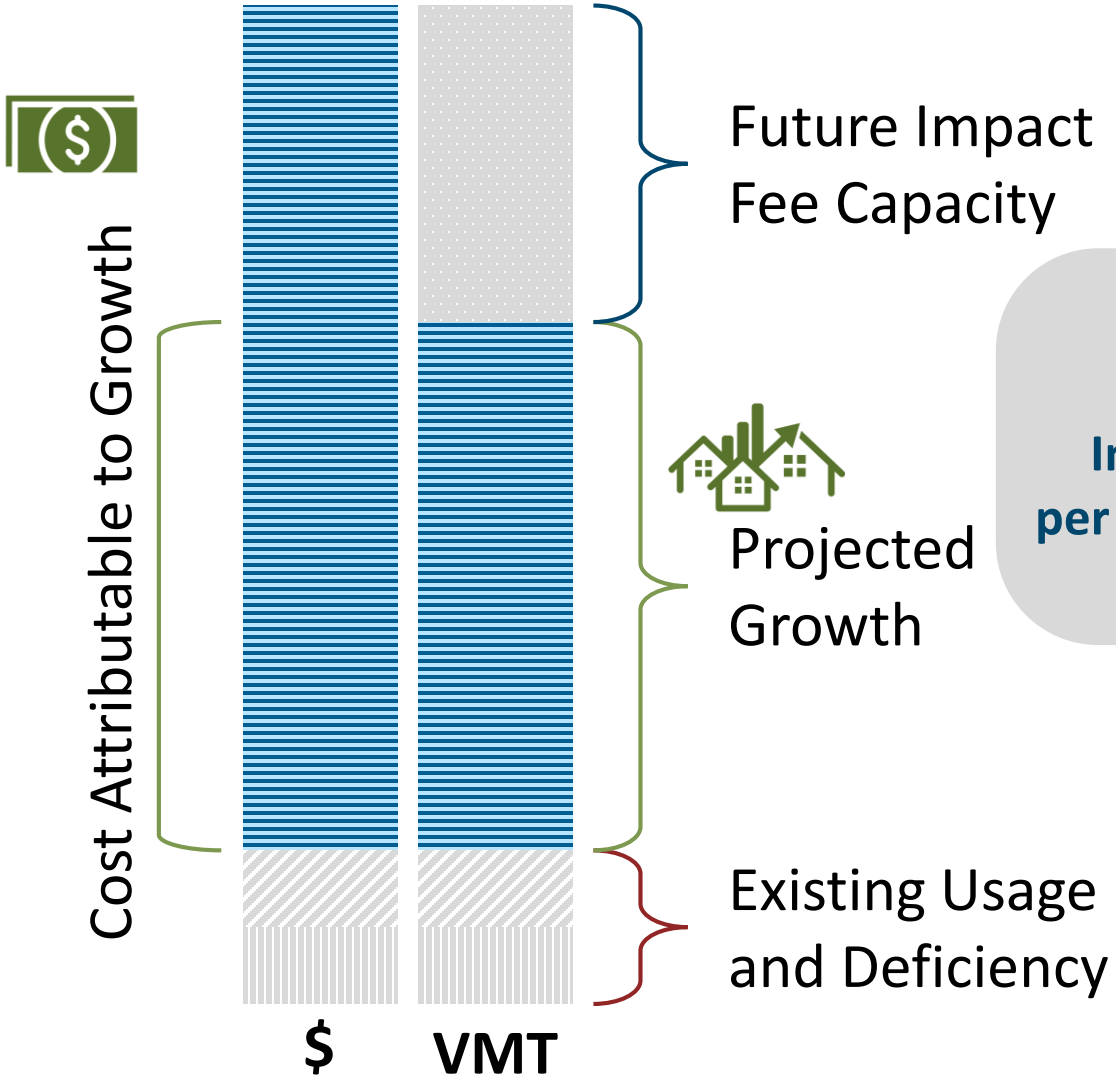
## City's Portion of Cost

- New Projects
  - Construction
  - Engineering/Survey/Testing
  - ROW Acquisition
  - Finance/debt service
- Recoupment Projects
  - Actual costs

## Study Update Costs

****CIP Cost Credited for Ad Valorem****

# Impact Fee Analysis



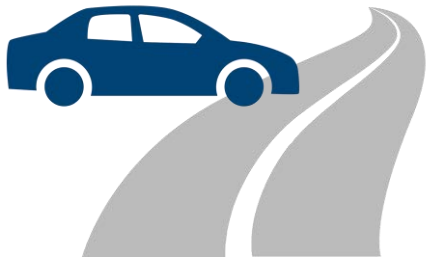
$$\text{Impact Fee per Service Unit} = \frac{\text{Credited CIP Cost}}{\text{Projected Growth}}$$

- Calculated by Service Area
- Collection rate can be less than maximum by policy

# Cost per Service Unit Calculation

**Impact Fee per Service Unit** = **Credited Cost Attributable to Growth** / **Projected Growth**

# Cost per Service Unit Assessment vs. Collection



- Study = Technical derivation of fee; maximum allowable that can be *assessed*
  - 50% of max
- Policy direction as to what will be *collected*
  - Currently 5-50%

| Service Area | Actual Cost per Service Unit | Cost per Service Unit (50% Credit) | 2013 Collection Rate | Percent of Maximum |
|---|---|---|---|---|
| 1 | $1,278 | $639 | $256 | 20% |
| 2 | $5,058 | $2,529 | $256 | 5% |
| 3 | $240 | $120 | $120 | 50% |
| 4 | $738 | $369 | $256 | 35% |

# Land Use Equivalency Table

Residential
Office
Commercial
Industrial
Institutional

- Service Unit Generation of specific land use types
- Categorized by major land use type
  - 5 major land use classes; specific land uses within each class
- Trip Generation
  - Institute of Transportation Engineers or local rates, if available
  - PM Peak Hour by typical development size
    (i.e., Residential = D.U.; Office, Retail, Industrial = 1000 GFA)
  - Adjusted for pass-by and diverted trips
- Trip Length
  - Based on traffic modeling statistics and available data
  - Adjusted to account ½ of trip

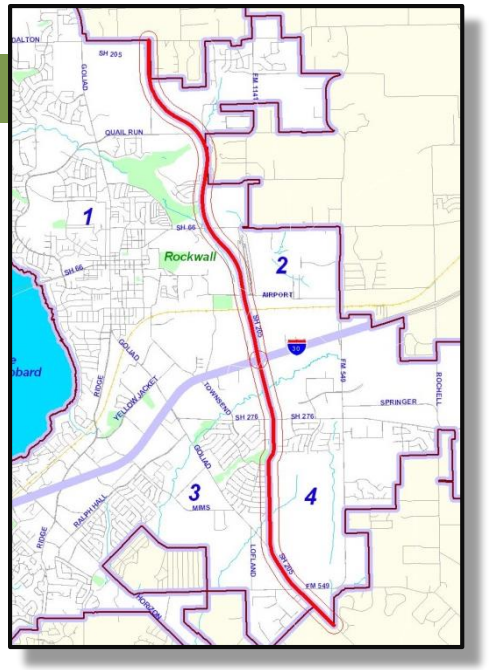
# Land Use Equivalency Table

Rockwall Land Use/Vehicle Mile Equivalency Table

| CATEGORY | LAND USE | DEVELOPMENT UNITS (X) | TRIP RATE | LOCAL TRIP LENGTH (mi.) | TOTAL SERVICE UNITS (VEH-MI / DEV UNIT) |
|---|---|---|---|---|---|
| **RESIDENTIAL** | | | | | |
| | SINGLE-FAMILY DETACHED | D.U. | 1.01 | 3.15 | 3.18 |
| | APARTMENT/TOWNHOUSE | D.U. | 0.57 | 3.15 | 1.80 |
| | RETIREMENT COMMUNITY | D.U. | 0.29 | 2.27 | 0.66 |
| | INDEPENDENT SR. LIVING FACILITY | D.U. | 0.26 | 2.27 | 0.59 |
| **OFFICE** | | | | | |
| | GENERAL OFFICE BLDG | 1000 GFA | 1.49 | 3.41 | 5.08 |
| | CORPORATE HEADQUARTERS BLDG | 1000 GFA | 1.40 | 3.41 | 4.77 |
| | MEDICAL-DENTAL OFFICE BLDG | 1000 GFA | 3.55 | 2.72 | 9.66 |
| | U.S. POST OFFICE | 1000 GFA | 3.26 | 2.26 | 7.37 |
| | BUSINESS PARK | 1000 GFA | 1.29 | 3.41 | 4.40 |
| | RESEARCH AND DEVELOPMENT CENTER | 1000 GFA | 1.02 | 3.41 | 3.47 |
| **COMMERCIAL** | | | | | |
| | RETAIL/SHOPPING CENTER | 1000 GLA | 2.25 | 1.16 | 2.62 |
| | QUALITY RESTAURANT | 1000 GFA | 3.15 | 1.06 | 3.33 |
| | FAST FOOD RESTAURANT WITH DRIVE-THROUGH | 1000 GFA | 10.34 | 1.00 | 10.31 |
| | HIGH TURNOVER RESTAURANT | 1000 GFA | 4.37 | 1.10 | 4.79 |
| | GAS STATION w/CONVENIENCE MARKET | 1000 GFA | 11.85 | 0.50 | 5.93 |
| | CONVENIENCE MARKET WITH GASOLINE PUMPS | 1000 GFA | 7.27 | 0.50 | 3.64 |
| | GROCERY/SUPERMARKET | 1000 GFA | 4.08 | 0.52 | 2.13 |
| | DISCOUNT CLUB | 1000 GFA | 2.02 | 1.12 | 2.27 |
| | AUTO SALES | 1000 GFA | 1.58 | 1.26 | 2.00 |
| | VIDEO RENTAL STORE | 1000 GFA | 3.67 | 0.81 | 2.97 |
| | BANK | 1000 GFA | 12.35 | 0.74 | 9.17 |
| | PHARMACY/DRUGSTORE WITH DRIVE-THROUGH | 1000 GFA | 3.28 | 0.55 | 1.79 |

# Calculating an Impact Fee

## ROADWAYS - A Two Step Process:



**Step 1:** **Determine number of service units (vehicle-miles) generated by the development using the equivalency table.**

| No. of Development Units | x | Vehicle-miles per development unit | = | Development's Vehicle-miles |
|---|---|---|---|---|

**Step 2:** **Calculate the impact fee based on the fee per service unit for the roadway service area where the development is located.**

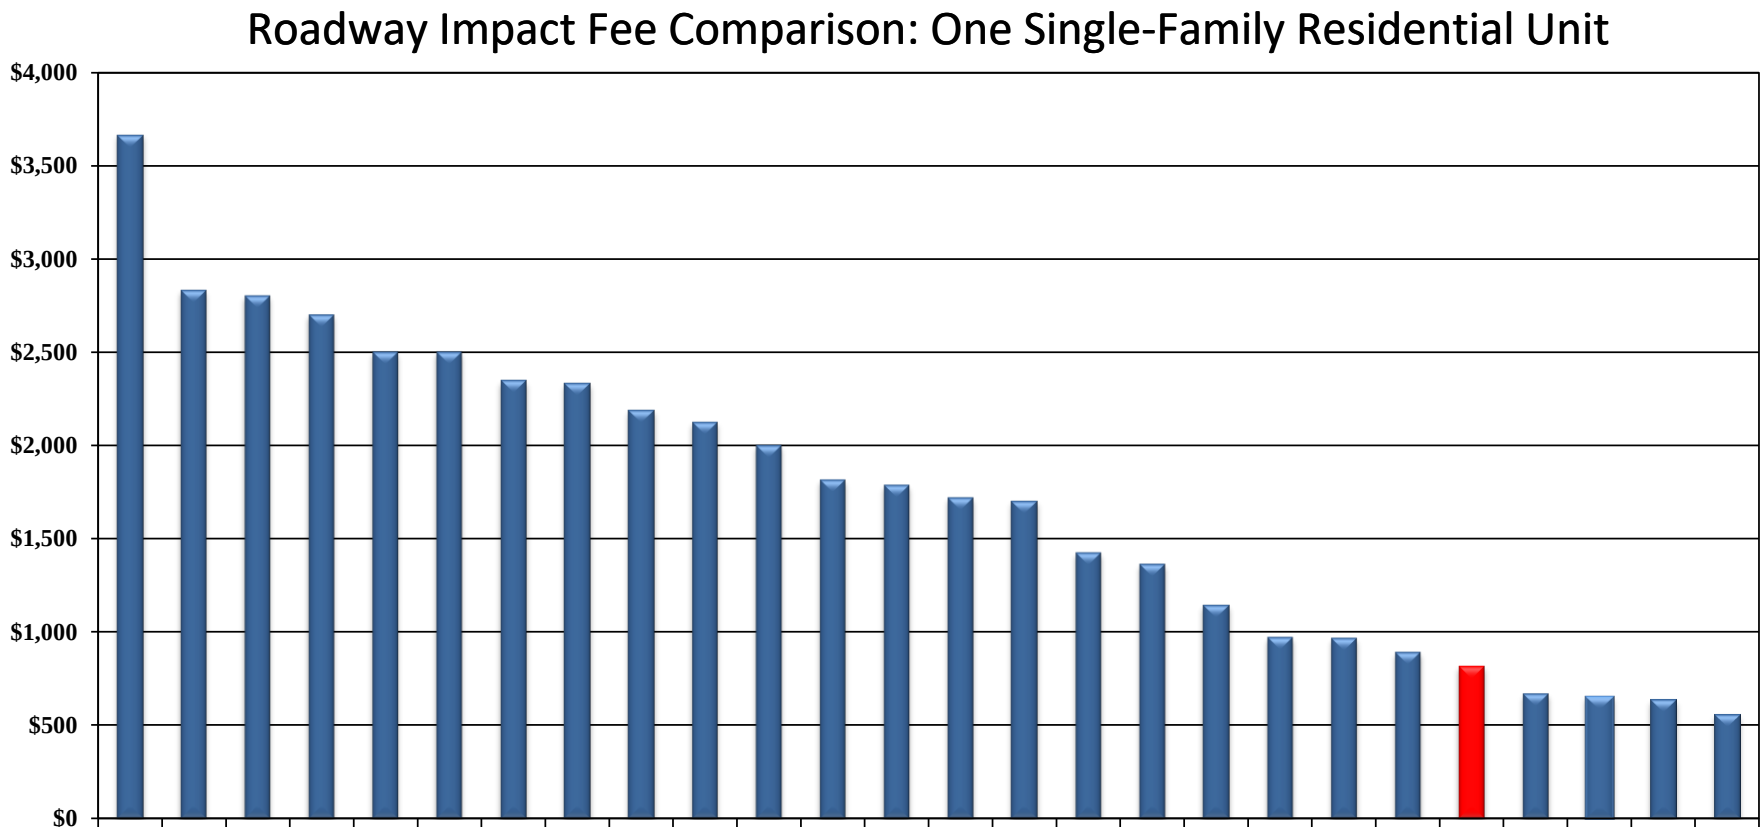
| Development's Vehicle-miles | x | Cost per Vehicle-mile | = | Impact Fee due from Development |
|---|---|---|---|---|

# Calculating an Impact Fee

***Example**: Development located in Rockwall with a collection rate of $256 per vehicle-mile.*

**1 Single-Family Home**

1 dwelling unit x 3.18 veh-miles/dwelling unit = 3.18 veh-miles



3.18 veh-miles x $256/veh-mile = **$814.08**

**10,000 square foot (s.f.) Office Building**

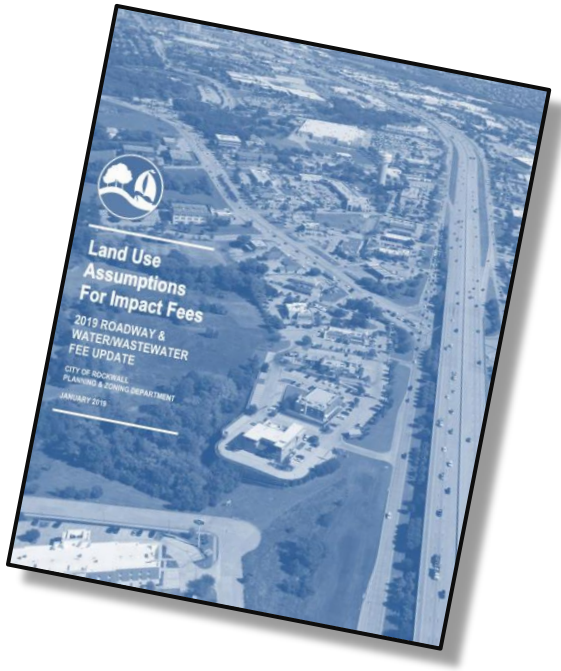
10 (1,000 s.f. units) x 5.08 veh-miles/1,000 s.f. units = 50.80 veh-miles

50.80 veh-miles x $256/veh-mile = **$12,928.00**

# Benchmarking (to be updated)

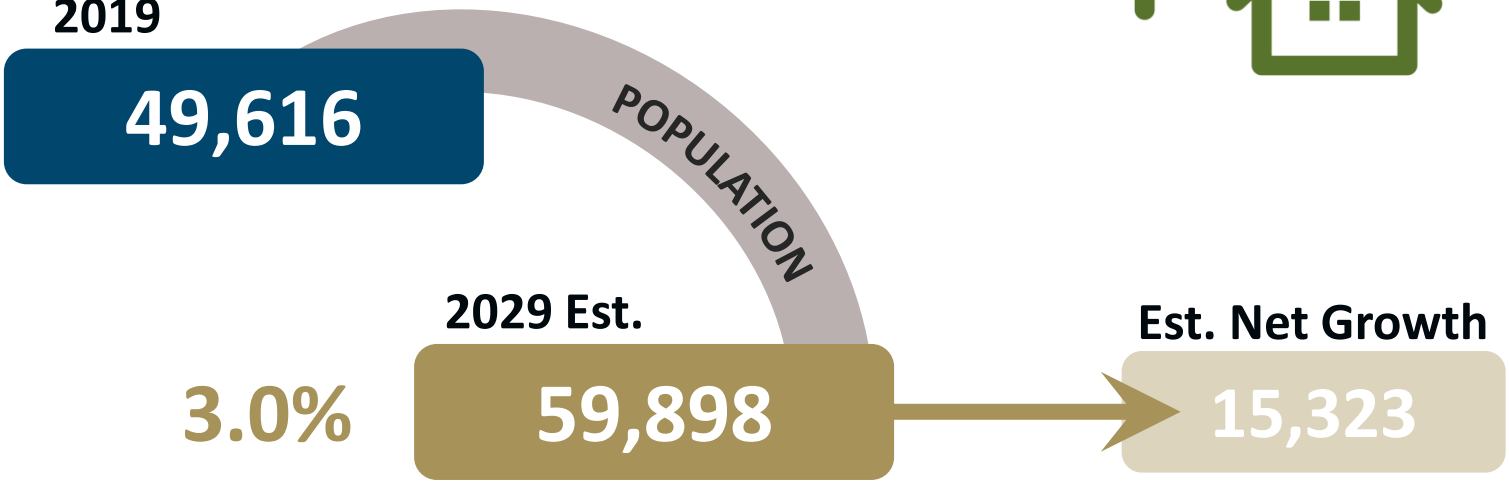
# Policy Considerations

- Across the Board
- Uniform Fee (Residential)
- Residential vs. Non-residential
- Special Considerations
  - Incremental Increases
  - Policy Considerations



# Land Use Assumptions

# Land Use/Growth Assumptions



- 10-year growth projections for CRFs
- Based on trend/forecasted community growth
- Population/employment used to derive demand from future development
- Basis for CIP development
- **LUA draft prepared April 2019**
  - To be used for both Roadway and W/WW update

# Ten-Year Growth Rate

## Why 3.0% Growth?

- Matches  OURHometown Vision 2040 expectation
- Recent variation in historic growth counts
- Review of building permit history
- Conservative estimate given recent fluctuation

# Ten-Year Growth Rate

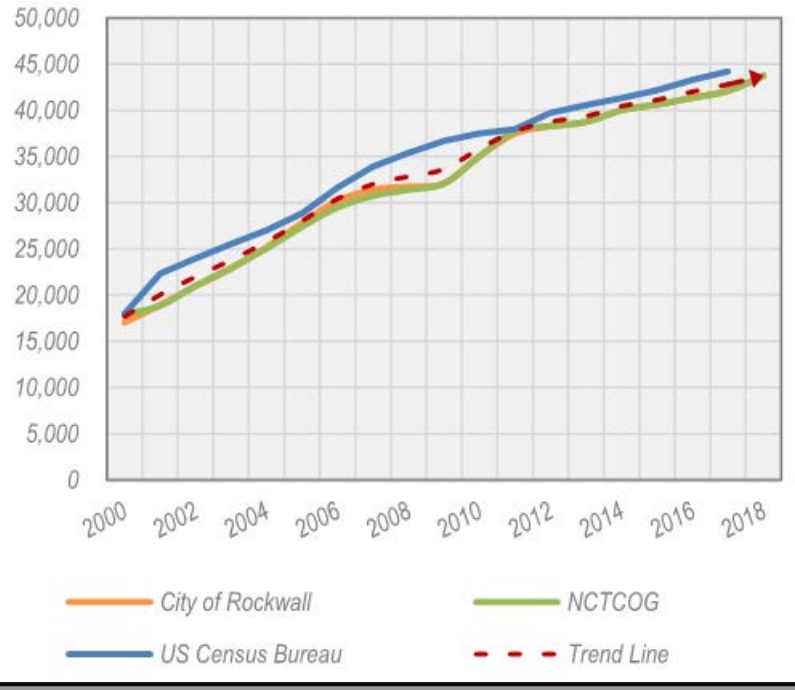


TABLE 3: CITY OF ROCKWALL GROWTH RATES

| Data Source | Growth Rate |
|---|---|
| 2014 – 2017 US Census | 1.70% |
| 2010 – 2017 US Census | 2.08% |
| 2000 – 2017 US Census | 5.13% |
| 2014 – 2018 Single Family Permits | 1.82% |
| 2010 – 2018 Single Family Permits | 4.80% |
| 2000 – 2018 Single Family Permits | -2.93% |
| Future Growth Projection | 3.0% |

TABLE 5: PROJECTED BUILDING PERMITS

| Year | Population | New Residents | New Building Permits |
|---|---|---|---|
| 2019 | 44,575 | 825 | 294 |
| 2020 | 45,907 | 1,332 | 474 |
| 2021 | 47,284 | 1,377 | 490 |
| 2022 | 48,703 | 1,419 | 505 |

# AGENDA
## PLANNING AND ZONING COMMISSION PUBLIC HEARING
## City Hall, 385 South Goliad, Rockwall, Texas
## Council Chambers
## June 11, 2019
## 6:00 P.M.

**CALL TO ORDER**

***CONSENT AGENDA***

1. Approval of Minutes for the *May 14, 2019* Planning and Zoning Commission meeting.

2. **SP2019-013** (David)
   Discuss and consider a request by Bill Bauman of Bauman Consultants on behalf of John Gatz of Eco-Site for the approval of a site plan for a *Freestanding Commercial Antenna* on a 0.0826-acre portion of a larger 7.64-acre tract of land, known as *Yellow Jacket Park*, identified as Tract 11 of the J. Cadle Survey, Abstract No. 65, City of Rockwall, Rockwall County, Texas, zoned General Retail (GR) District, situated on the south side of Yellow Jacket Lane, west of the intersection of S. Goliad Street [*SH-205*] and Yellow Jacket Lane, and take any action necessary.

3. **P2019-024** (Korey)
   Consider a request by Charles Corbett for the approval of a vacating plat establishing Lots 17 & 18, Block B, Lago Vista Addition being a 1.09-acre parcel of land currently identified as Lot 19, Block B, Lago Vista Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 18 (PD-18) for single family land uses, addressed as 2835 Marcie Lane, and take any action necessary.

***APPOINTMENTS***

4. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

***PUBLIC HEARING ITEMS***

5. **Z2019-012** (Korey)
   Hold a public hearing to discuss and consider a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family-1 (SF-1) District land uses on a 61.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the west side of Stodgehill Road [*FM-3549*] north of the intersection of Stodgehill Road [*FM-3549*] and Cornelius Road, and take any action necessary.

6. **Z2019-013** (Ryan)
   Hold a public hearing to discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Dan Bobst of J-BR2, LLC for the approval of a PD Development Plan within Planned Development District 32 (PD-32), on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas, situated within the *Hillside Sub-District* of Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive, and take any action necessary.

***ACTION ITEMS***

7. **SP2019-014** (Korey) ***[Postponed to the June 25, 2019 Planning and Zoning Commission Meeting]***
   Discuss and consider a request by Ahmed Helaluzzaman on behalf of Abdul Latif Khan of Center for Peace and Mercy, Inc. for the approval of a site plan for a *retail shopping center* and *house of worship* on a 2.681-acre tract of land identified as Tract 10-1 & 22 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located on the north side of Turtle Cove Boulevard north of the intersection of Turtle Cove Boulevard and Ridge Road [*FM-740*], and take any action necessary.

8. **SP2019-016** **(David)**
   Discuss and consider a request by Dub Douphrate of Douphrate and Associates, Inc. on behalf of Bob and Pam Hawley for the approval of a site plan for two (2) metal buildings in conjunction with an existing commercial business on a 1.55-acre parcel of land identified as Lot 5, Block A, Maverick Ranch Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 196 & 216 Ranch Road, and take any action necessary.

9. **SP2019-017** **(David)**
   Discuss and consider a request by Steven Homeyer of Homeyer Engineering, Inc. on behalf of Vincent Stagliano for the approval of a site plan for an animal boarding/kennel without outside pens on a 1.2113-acre tract of land identified as Lot 4, Block A, Ellis Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located west of the intersection of Alpha Drive and Sigma Court, and take any action necessary.

10. **SP2019-018** **(Korey)**
    Discuss and consider a request by Annalyse Valk of Platinum Construction on behalf of Shawn Valk of Saro Partners, LLC for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre tract of land identified as Lot 6, Block A, Bodin Industrial Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1491 T. L. Townsend Drive, and take any action necessary.

***DISCUSSION ITEMS***

**11.** Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

- ✓ P2019-020: Lot 2, Block A, RISD Elementary School Addition [*Approved*]
- ✓ P2019-021: Lots 1-3, Block A, Town Place Marriott Addition [*Approved*]
- ✓ P2019-022: Lot 5, Block A, Harbor Village Addition [*Approved*]
- ✓ Z2019-009: SUP for a Restaurant at 505 N. Goliad Street (*2nd Reading*) [*Approved*]
- ✓ Z2019-010: SUP for Guest Quarters/Secondary Living Unit and Barn or Agricultural Accessory Building at 777 & 839 Cornelius Road (*2nd Reading*) [*Approved*]
- ✓ Z2019-011: Amended PD Development Standards for Planned Development District 47 (PD-47) (*2nd Reading*) [*Approved*]

**ADJOURNMENT**

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning and Zoning Coordinator for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 7th day of June 2019 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 7th day of June 2019, by 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

# MINUTES

## PLANNING AND ZONING COMMISSION PUBLIC HEARING

**City Hall, 385 South Goliad, Rockwall, Texas**
**Council Chambers**
**May 14, 2019**
**6:00 P.M.**

I. CALL TO ORDER

**Chairman Lyons called the meeting to order at 6:02 p.m. The Commissioners present at the meeting were, Jerry Welch, John Womble, Eric Chodun and Annie Fishman. Absent from the meeting were Commissioners Mark Moeller and Tracey Logan. Staff members present were Planning Director, Ryan Miller, Planning Manager, David Gonzales, Senior Planer Korey Brooks, Planning Coordinator, Laura Morales, City Engineer, Amy Williams, Civil Engineers, Jeremy White and Sarah Hager.**

II. CONSENT AGENDA

1. Approval of Minutes for the April 9, 2019 Planning and Zoning Commission meeting.

2. SP2019-009
Discuss and consider a request by Cari Foote of Cari Foote & Associates, PLLC for the approval of a site plan for an office building on a one (1) acre parcel of land identified as Lot 1, Block A, Isaac Pena Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated in the North Goliad Corridor Overlay (NGC OV) District, addressed as 925 N. Goliad Street, and take any action necessary.

3. SP2019-010
Discuss and consider a request by Jason Lentz of Atticus Rockwall, LLC for the approval of an amended site plan for 42 townhomes on a 4.08-acre tract of land identified as Lot 2, Block A, Harbor Village Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District No. 32 (PD-32), situated within the *Residential Subdistrict* of the Harbor and within the Scenic Overlay (SOV) District, located north of the intersection of Ridge Road [FM-740] and Glen Hill Way, and take any action necessary.

**Commissioner Chodun made a motion to approve the consent agenda. Commissioner Womble seconded the vote which passed by a vote of 5-0 with Commissioners Moeller and Logan absent.**

III. PUBLIC HEARING ITEMS

4. Z2019-009
Hold a public hearing to discuss and consider a request by Chris Lam, PE of Lam Consulting Engineering on behalf of Price Pointer of TCB Construction Group, LLC for the approval of a Specific Use Permit (SUP) for a *restaurant less than 2,000 SF without a drive-through or drive-in* on a 0.23-acre parcel of land identified as Block 20B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 505 N. Goliad Street, and take any action necessary.

**Planning Manager, David Gonzales, provided a brief explanation of the request. The applicant, is requesting a Specific Use Permit to allow a restaurant, without a drive-through or drive-in that is less than 2,000 square feet within Planned Development District 50. More specifically, the applicant is proposing to convert the existing single-family home to a commercial property to accommodate the proposed restaurant land use. Currently situated on the subject property is a 1,916 square foot single family home, which according to the Historic Resource Survey, that was performed by the City of Rockwall in 2017, was constructed circa 1915, and is identified as a Medium Contributing Property, a property that displays an architectural style, use unusual to construction methods, or for some other reason has a potentially significant historic significance. According to the City's historic zoning maps, the subject property has been zoned Planned Development District 50 for Residential Office District land uses since August 5, 2002.**

Mr. Gonzales further noted that Bonafide Betties Pie Company is currently located at 103 S. San Jacinto Street, and is planning to relocate to a larger facility at 505 N. Goliad Street. This location is located with Planned Development District 50 with the Residential Office District, which is the underlying zoning designation for Planned Development District 50, requires a Specific Use Permit for a restaurant with additional restrictions that stipulate the restaurant be less than 2,000 square feet and not have a drive-through or a drive-in. The proposed restaurant is a limited service restaurant, and parking for the facility will be calculated at one parking space per 250 square feet of area. This means the restaurant would require eight parking spaces. Based on size of the site and the area taken up by the existing single-family home, the applicant is only able to incorporate a total of seven parking spaces on-site. Staff has included an operational condition allowing the reduced number of parking spaces. Staff has also included operational conditions requiring the installation of a minimum six foot tall, board-on-board, wood fence to be constructed along the western property boundary, and that the second floor be used only for storage purposes and these have been included as conditions of approval in the SUP ordinance. The intent of the Residential-Office District is to allow for the conversion of older residential homes into low-intensity professional office and/or retail businesses. This creates a transition from the adjacent residential neighborhoods to more intense land uses or higher intensity thoroughfares. In addition, conversion of this home would extend the economic life of the structure. The use as a limited service restaurant is consistent with other properties in the district. A limited service restaurant tends to operate in a similar way to a low-intensity retail establishment in that it usually involves customers that are picking up food or baked goods, and does not typically involve a dine-in experience. Included in the attached packet is a concept plan, floor plan, and a draft ordinance containing regulations for the proposed land use. Based on staff's review, the applicant's request does appear to be consistent with the intent of the district; however, the approval of a Specific Use Permit is a discretionary decision for the City Council.

Mr. Gonzales went on to share that on May 2, 2019, staff mailed 34 notices to property owners and residents within 500-feet of the subject property. Staff did not send a neighborhood notification as there are no Home Owners Associations or neighborhood groups participating in the Neighborhood Notification Program within 1,500-feet of the subject property. Staff received one notice and two emails in favor of the applicant's request.

Mr. Gonzales advised the Commission that the applicant was present and available for questions as well as staff.

Chairman Lyons opened up the public hearing and asked the applicant to come forward.

Chris Lam
6884 Woodhill
Sachse, TX

Mr. Lam came forward and indicated they will follow staff recommendations and he was available for questions.

Commissioner Womble asked if the SUP would expire if it changed to a different use. Mr. Gonzales shared that if the land use were to change the Specific Use Permit would not be available to that particular use it is only for the limited use restaurant.

Commissioner Fishman asked what the second floor would be used for. Mr. Lam stated that would be used for storage.

Chairman Lyons asked if anyone wished to speak to come forward and do so there being no one indicating such Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or action.

Commissioner Womble made a motion to approve Z2019-009 with staff recommendations. Commissioner Fishman seconded the motion which passed by a vote of 5-0 with Commissioners Moeller and Logan absent.

5. Z2019-010

Hold a public hearing to discuss and consider a request by Dwayne Cain of EVSR (D), LLC for the approval of a Specific Use Permit (SUP) for a *guest quarters/secondary living unit* and *barn or agricultural accessory building* on a 10.61-acre portion of a larger 26.078-acre tract of land identified as Tract 2 & 2-4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 777 & 839 Cornelius Road, and take any action necessary.

**Senior Planner, Korey Brooks, provided a brief explanation and background pertaining to the request. Currently, there is a single-family home on the subject property and the applicant is requesting approval of a Specific Use Permit to allow a guest quarters/secondary living unit and barn or agricultural building in conjunction with this structure. The structure will be 4,950 square feet in total size, with 576 square feet being dedicated to the guest quarters/secondary living unit. The proposed building will be situated behind the main structure, have four roll-up garage doors, and be clad with metal on the exterior. The proposed building will primarily serve as storage for vehicles/equipment and contain a small bathroom with a shower. The subject property is addressed as 777 & 839 Cornelius Road and is zoned Agricultural District. It was annexed on January 4, 2010 by Ordinance No. 10-01. On January 7, 2019, the City Council directed staff to amend the Land Use Standards contained the Unified Development Code to incorporate the ability to request a Specific Use Permit for guest quarters/secondary living units not meeting the requirements stipulated in the Unified Development Code. In conjunction with this direction, the City Council also directed staff to create a new land use for barns and/or agricultural accessory buildings. This text amendment was approved on March 4, 2019 by Ordinance No. 19-12. Based on the approval of the text amendment, the applicant submitted a request for a Specific Use Permit for a guest quarters/secondary living unit and barn or agricultural accessory building.**

**Mr. Brooks further noted that according to the Unified Development Code, a guest quarters/secondary living unit is allowed as an accessory use in an Agricultural District. The Unified Development Code also stipulates that such a structure shall not exceed 30% of the main structure and shall not be sold or conveyed separately without meeting the requirements of the zoning district and subdivision ordinance. The Unified Development Code also provides the ability for a guest quarters/secondary living unit not meeting those requirements to request a Specific Use Permit. In this case, the proposed guest quarters is ancillary to the primary structure; however, since the proposed guest quarters/secondary living unit will be approximately 576 square feet, it will exceed 30% of the main structure and will require a Specific Use Permit. According to the UDC a barn or agricultural accessory building is permitted by Specific Use Permit in an Agricultural District. The UDC requires that the structure be between 2,000 and 4,999 square feet in total size, and be located behind the front façade of the primary structure. In addition, the code allows the structure to be constructed utilizing metal and or other materials, and specifically exempts these structures from the masonry requirements. In this case, the proposed barn or agricultural accessory building will be approximately 4,950 square feet, located behind the front façade of the main structure, and will be clad with metal. Additionally in order to have a barn in an Agricultural property the minimum lot size is 10 acres. The applicant initially did submit an exhibit showing the lot divided however it left a remainder tract in the back half which is not accessible therefore staff has requested an exhibit showing how the property can be subdivided by meeting the requirements of the UDC. Staff has not received that however that is a condition of approval. When analyzing the applicant's request and with the exception of the guest quarters exceeding the maximum allowable size the proposed accessory building is generally in conformance with the requirements of the Unified Development Code.**

**Mr. Brooks went on to state that on May 1, 2019, staff mailed 16 notices to property owners and residents within 500-feet of the subject property and there are no Homeowner's Associations /Neighborhood Associations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Staff received four notices in favor of the request.**

**Mr. Brooks advised the Commission the applicant was present and available for questions as well as staff.**

**Chairman Lyons opened up the public hearing and asked the applicant to come forward.**

**Dwany Cain**
**305 Stonebridge Drive**
**Rockwall, TX**

**Mr. Cain came forward and provided additional details pertaining to the request and indicated he was available for questions.**

**Chairman Lyons asked if anyone wished to speak to come forward and do so there being no one indicating such Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or action.**

**Commissioner Welch made a motion to approve Z2019-010 with staff recommendations. Commissioner Womble seconded the motion which passed by a vote of 5-0 with Commissioners Moeller and Logan absent.**

6. Z2019-011

Hold a public hearing to discuss and consider a request by Scott Lewis of RRDC, LTD for the approval of an amendment to Planned Development District 47 (PD-47) [*Ordinances 99-17 & 07-04*] being a 14.4715-acre tract of land identified as Tract 104 of the E. Teal Survey, Abstract No. 207 and Lot 1, Block A, First Christian Church, Disciples of Christ Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 47 (PD-47) for Single-Family 10 (SF-10) District land uses, situated within the Scenic Overlay (SOV) District, generally located at the northeast corner of the intersection of Ridge Road [*FM-740*] and White Road, and take any action necessary.

**Senior Planner, Korey Brooks, provided a brief explanation and background pertaining to the request. The applicant is requesting to amend the development standards contained in Planned Development District 47 Ordinance No. 99-17. Specifically, the applicant is requesting three (3) changes to the ordinance. 1) The minimum masonry requirement be 60% with all lap-siding being a cementitious fiber material (e.g. HardiBoard or HardiPlank); 2) The maximum lot coverage be 55%, and 3) Front-facing garages be allowed provided they are set back a minimum of 20-feet from the front façade of the structure. Currently, Planned Development District 47 is comprised of two (2) areas. Area 1 the Whisper Rock Subdivision is undeveloped and contains 28 single-family residential lots on a 9.477-acre tract of land. Area 2 is currently occupied by First Christian Church. The applicant is requesting changes to the development standards for Area 1. Specifically, the applicant would like to reduce the minimum masonry requirement to 60% from 80%, change the maximum lot coverage from 45% to 55%, and change the garage standards to allow front facing garages provided the garages are setback a minimum of 20-feet from the front of the structure. Currently, the development standards for Planned Development District 47 require all garages to be in a J-Swing or Traditional Swing format with no garage doors facing the street. According to the Unified Development Code in single-family districts, garages must be located at least 20-feet behind the front building façade for front-entry garages. In this case, the applicant's request conforms to the requirements of the Unified Development Code for garages, and changing the Planned Development District ordinance does not appear to negatively impact the subject property or surrounding properties. With regard to the masonry and lot coverage requirements, the applicant is requesting to minimally reduce these standards; however, the Planning and Zoning Commission have approved similar requests in previous cases, and if approved it would not negatively impact surrounding or adjacent properties.**

**Mr. Brooks went on to state that on May 1, 2019, staff mailed 123 notices to property owners and residents within 500-feet of the subject property and notified Spyglass Phases 2 & 3, the Rainbow Lakes, Chandler's Landing, and Foxchase Homeowner's Associations, which are the only HOA's/Neighborhood Associations within 1,500-feet of the subject property and participating in the Neighborhood Notification Program. Staff received two notices in favor, one in opposition, and one notice in favor with the exception of the front-facing garages.**

**Mr. Brooks advised the Commission that the applicant was present and available for questions as well as staff.**

**Chairman Lyons opened up the public hearing and asked the applicant to come forward.**

**Matt Atkins**
**Engineering Concepts**
**201 Winco Circle**
**Wylie, TX**

**Mr. Atkins came forward came forward and indicated he was representing the applicant Scott Lewis. He provided additional details pertaining to the request. He indicated he was available for questions.**

**Chairman Lyons asked if anyone wished to speak to come forward and do so there being no one indicating such Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or action.**

**Commissioner Welch made a motion to approve Z2019-011 with staff recommendations. Commissioner Fishman seconded the motion which passed by a vote of 5-0 with Commissioners Moeller and Logan absent.**

IV. ACTION ITEMS

7. SP2019-012

Discuss and consider a request by Kyle McCullah of Callaway Architecture on behalf of Jason Lee of Lollicup USA, Inc. for the approval of an amended site plan for an existing manufacturing facility on a 34.23-acre tract of land identified as Lot 2, Block A, Rockwall Technology Park, Phase 4 Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the FM-549 Overlay (FM-549 OV) District, addressed as 3201 Capital Boulevard, and take any action necessary.

**Planning Manager, David Gonzales, provided a brief explanation and background pertaining to the request. The applicant is requesting approval of an amended site plan for the purpose of constructing 22, 60-foot tall storage silos that will be located adjacent to the rear façade (i.e. south elevation). The silos will be visible from Discovery Boulevard, Corporate Crossing, and IH-30. According to the Unified Development Code, the proposed silos are considered ground mounted appurtenances, mechanical equipment, which require screening. The UDC goes on to say that loading and service areas shall be located on the rear and side of buildings where possible. In the event that a loading or service area faces towards the Primary Roadway, additional screening of the loading and service area may be required by the Architectural Review Board and Planning and Zoning Commission. The applicant has submitted a landscaping plan showing an additional row of mature evergreen trees that planted along the southern property boundaries. Staff should point out that as compensatory measure of the original site plan case, the applicant agreed to plant a single row of mature evergreen trees along this boundary to help mitigate for the lack of vertical and horizontal articulation on the southern and western building façade, which faces onto Discovery Boulevard. The additional row of evergreen trees will not create a complete screening of the silos; however, there are intervening properties to the south and west of the subject property that could potentially be developed in the future that could provide additional screening of the silos. The variance to the screening requirements for the use of landscape screening for the silos remains a discretionary decision for the Planning and Zoning Commission. On April 30, 2019, the Architectural Review Board reviewed the amended building elevations and sightline studies provided by the applicant and recommended approval of the amended building elevations.**

**Mr. Gonzales advised the Commission that the applicant was present and available for questions as well as staff.**

**Chairman Lyons asked the applicant to come forward.**

**Kyle McCullah**
**1207 Hampshire Lane, Suite 105**
**Richardson, TX**

**Mr. McCullah came forward and provided a brief explanation of the request. The request is for 22 silos that will be 60 feet in height and will be adding a coating to the silos to match the existing building. They recently added new landscaping along Discovery Blvd. Their goal is to blend them in and not it as an eyesore. Mr. McCullah indicated he was available for questions.**

**Chairman Lyons brought the item back to the Commission for discussion or a motion.**

**Commissioner Chodun shared that although the height is of some concern, with it being in the Technology Park he generally expressed being in favor of the request.**

**Commissioner Womble generally expressed not being in favor of the request.**

**Commissioner Chodun made a motion to approve SP2019-012 with staff recommendations. Chairman Lyons seconded the motion which passed by a vote of 4-1 with Commissioner Womble dissenting and Commissioners Logan and Moeller absent.**

V. DISCUSSION ITEMS

8. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

- ✓ P2019-018: Replat for Park Place, Phase III Addition [*Approved*]
- ✓ P2019-019: Final Plat for Lot 11, Block A, SH-205 Business Park Addition [*Approved*]
- ✓ Z2019-006: SUP for a Structure Exceeding 60-Feet in a Light Industrial (LI) District (*2nd Reading*) [*Approved*]
- ✓ Z2019-007: SUP for Outdoor Commercial Amusement/Recreation (*2nd Reading*) [*Approved*]
- ✓ Z2019-008: Amended PD Development Plan for Planned Development District 32 (PD-32) (*2nd Reading*) [*Approved*]

**Planning Director, Ryan Miller, provided a brief update about the outcome of the above referenced case at the City Council meeting.**

VI. ADJOURNMENT

**Chairman Lyons adjourned the meeting at 6:42 p.m.**

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this _____ day of _____, 2019.

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | 06/11/2019 |
| **APPLICANT:** | Bill Bauman; *Bauman Consultants* |
| **CASE NUMBER:** | SP2019-013; *Site Plan for Freestanding Commercial Antenna* |

## SUMMARY

Discuss and consider a request by Bill Bauman of Bauman Consultants on behalf of John Gatz of Eco-Site for the approval of a site plan for a *Freestanding Commercial Antenna* on a 0.0826-acre portion of a larger 7.64-acre tract of land, known as *Yellow Jacket Park*, identified as Tract 11 of the J. Cadle Survey, Abstract No. 65, City of Rockwall, Rockwall County, Texas, zoned General Retail (GR) District, situated on the south side of Yellow Jacket Lane, west of the intersection of S. Goliad Street [*SH-205*] and Yellow Jacket Lane, and take any action necessary.

## BACKGROUND

The subject property is a 0.0826-acre portion of a larger 7.64-acre tract of land known as Yellow Jacket Park, which contains three (3) baseball fields with 80 public parking spaces. The property is owned by the City of Rockwall. The proposed *Freestanding Commercial Antenna* will be located at the southwest corner of Yellow Jacket Park. The property was annexed on August 15, 1960 by *Ordinance No. 60-02.* According to the City's historic zoning maps, the subject property has been zoned General Retail (GR) District since at least January 3, 1972. According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), a *freestanding commercial antenna* is a permitted use by a Specific Use Permit (SUP) within a General Retail (GR) District. The City Council approved a SUP to allow for the freestanding commercial antenna [*Case No. Z2018-045*] land use for the subject property on December 3, 2018.

## PURPOSE

On May 10, 2019, the applicant -- Bill Bauman of Bauman Consultants -- submitted an application requesting approval of a site plan for the purpose of constructing a 150-foot tall *freestanding commercial antenna*. An antenna (*i.e. T-Mobile*) and lighting rod will be affixed to the top of the monopole, which will extend the overall height to 160-feet.

## ADJACENT LAND USES AND ACCESS

The subject property is situated on the south side of Yellow Jacket Lane, west of the intersection of S. Goliad Street [SH-205] and Yellow Jacket Lane. The proposed *freestanding commercial antenna* is located at the southwest corner of Yellow Jacket Park on property owned by the City of Rockwall. The land uses adjacent to the subject property are as follows:

*North*: Directly north and adjacent to the subject property are multi-family residential developments known as Sonoma Court, Canyon Ridge, and Pebble Brook Apartment Complexes. These properties are zoned Multi-Family 14 (MF-14) District, with Canyon Ridge being zoned Planned Development District 39 (PD-39) for Multi-Family (MF-14) District land uses.

*South*: Directly south of the subject property is the Rockwall Ford Car Dealership, Best Western Hotel, and Rockwall Honda, which are located along E. IH-30. These properties are zoned Commercial (C) District and are located within the IH-30 Overlay (IH-30 OV) District.

*East*: Directly east of the subject property is the Hobby Lobby shopping center, which includes uses such as restaurants, nail salons, and other retail businesses. This shopping center is zoned General Retail (GR) District.

*West*: Directly west of the subject property is the Rockwall Ford Dealership and Liberty Heights congregate care facility. Rockwall Ford is zoned Commercial (C) District, and Liberty Heights is zoned General Retail (GR) District.

## CHARACTERISTICS OF REQUEST

The proposed monopole will incorporate an additional three (3) antennas -- *for different carriers* -- in the future. The antennas will have ground-mounted equipment that will be enclosed within a metal cabinet. The proposed monopole, metal cabinets, and any accessory equipment will be enclosed in a 50-foot by 50-foot compound that will be secured by an eight (8) foot high wrought iron fence, and screened by 18, Nellie R. Stevens Holly trees that will be planted on eight (8) to ten (10) foot centers. Operational conditions have been established in the SUP Ordinance [*i.e. Ordinance No. 18-49*] for a maximum overall height of 160-feet, the addition of three (3) antennas in the future, providing for separate cabinets/buildings for each antenna [*maximum of four (4)*], and for the construction of 30 additional public parking spaces. Prior to constructing the proposed *freestanding commercial antenna*, the applicant has stated that the additional 30 public parking spaces will be constructed along the western property line of the park. This will increase the total number of public parking spaces in the park from 80 parking spaces to 110 parking spaces. The site is subject to the requirements and land uses stipulated for the General Retail (GR) District as stated by the Unified Development Code (UDC).

## CONFORMANCE WITH THE CITY'S CODES

With the exception of the items listed in the *Project Plan Review*, and the *Recommendation* section of this case memo, the submitted site plan and landscape plan conform to the technical requirements contained within *SUP Ordinance No. S-198* and the Unified Development Code (*UDC*) for properties zoned General Retail (GR) District.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan (*Comp Plan*) indicates that the subject property is located in the *Scenic District* which is…"significantly developed and has residential land uses that range from medium to high density…this district has a large percentage (~26.58%) of public and quasi-public land uses, which include Rockwall High School, Yellow Jacket Park, Heritage Christian Academy and Our Lady of the Lake Catholic Church.." (*Ch. 1; Land Use Plan*)

According to the Comprehensive Plan, and where there is potentially a negative impact on the adjacent properties, "screening and buffering should be utilized to mitigate these conflicts and impacts." The applicant is providing 18, Nellie R Stevens holly trees and an eight (8) foot tall wrought iron fence to screen the ground mounted equipment from the adjacent properties. The Comprehensive Plan goes on to state that "(a)ll non-residential developments should screen residential land uses from…other undesirable externalities" Based on the applicant's landscape plan, they are in compliance with the policy. (*Ch. 9; 06.03*)

## ARCHITECTURAL REVIEW BOARD (ARB):

On May 28, 2019, the Architectural Review Board (ARB) reviewed the proposed site plan and approved a motion to recommend approval by a vote of 4 to 0 with Board Members Meyrat and Johnson absent, and one (1) vacancy.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to approve the applicant's request, then staff would propose the following conditions of approval:

(1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

(2) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance [i.e. *Ordinance No. 18-49*];

(3) Submittal and approval of a site plan and building permit shall be required prior to the installation of the communications tower/monopole and/or any of its components.

(4) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING 1ST ROUND COMMENTS (05.23.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday June 4, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the requirements of the SUP [Ordinance No. 18-49, SUP S-198], the Unified Development Code (UDC), and the Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and a Building Permit are required
3. Label all revised site plan documents with "Case No. SP2019-013" at the lower right corner of each plan.
4. Parking lot to be constructed prior to the installation of the communications tower per the SUP Ordinance

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Provide adjacent property owner infomation on site plan.
2. Delineate and label 24-ft firelane easement as "24-ft Firelane, Public Access, Drainage and Utility Easements (as appropriate for site).
3. Use a lighter scale line drawings to better depict site plan elements (i.e. lines are too heavy) on overall site plan.
4. Provide more detail on site plan (i.e. parking area measurements, easement lines, landscape buffers, etc.).
5. Remove lable on site plan indicating the removal of existing trees. No trees are to be removed without first obtaining a permit through the Parks and Recreations Department.
6. Provide an enlarged site plan for the parking lot area to be constructed.

Landscape Plan:
1. Indicate wrought iron fence as a minimum 8-ft in height.
2. Nelly R Stevens are to be a minimum of 4-ft in height when planted. 12 to 24 inches will not be acceptable, does not provide the necessary immediate screening.

Photometric Plan:
1. Will there be any exterior ligthing added to this site? If so, provide cut sheets for all exterior lighting fixtures.

Building Elevations:
1. Provide elevations/drawings/cutsheets of the cabinets being used to house the equipment.

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

PLANNING AND ZONING 2nd ROUND COMMENTS (06.06.2019):

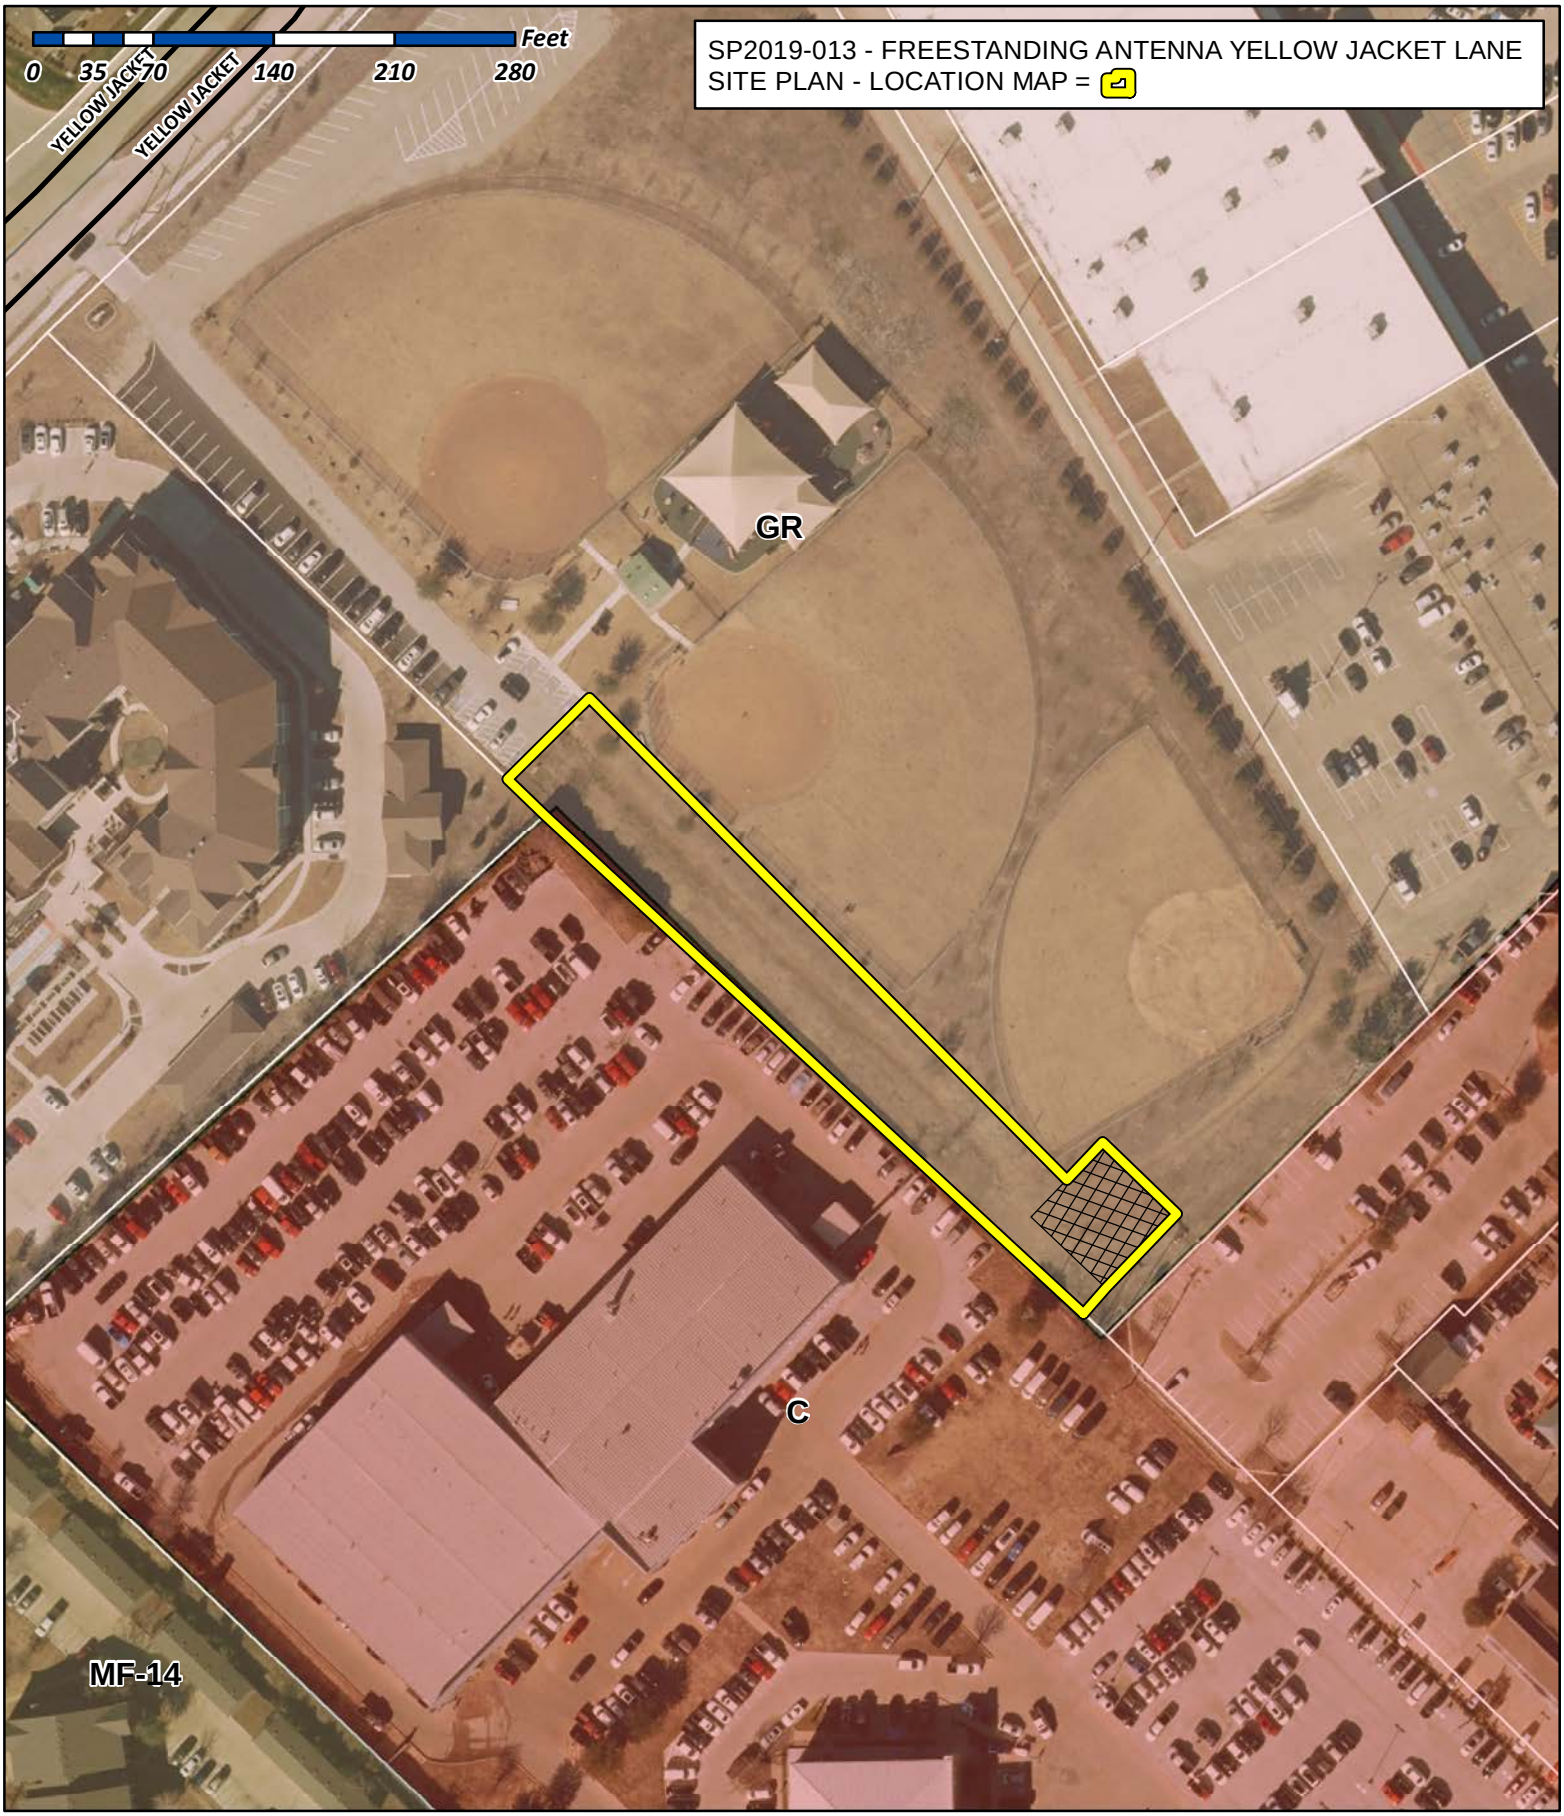
The following staff comments are to be addressed and resubmitted no later than Tuesday June 18, 2019. Please provide two large copies [24" X 36" FOLDED] and one PDF version for a subsequent/final review by staff. The revised copies are not to include civil plans or building plans.

** Planning Department General Comments & conditions of approval forwarded to the Planning and Zoning Commission:

1. Adherence to the requirements of the SUP [Ordinance No. 18-49, SUP S-198], the Unified Development Code (UDC), and the Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans after approval of the site plan. A Building Permit may be submitted after approval of the civil plans

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Provide a label for the "24-ft Firelane, Public Access, Drainage and Utility Easements (as appropriate for site).
2. Any tree removal from this site requires express written permission from the Parks and Recreations Department
3. A one (1) sheet site plan with all layers indicating the necessary elements (i.e. easements, buffers, parking dimensions, detention, etc.) for review will need to be provided, rather than on individual sheets. This provides a rough depiction of the site. See check list on the planning and zoning webpage.



Other Plans Submitted:
1. The additional plans submitted (i.e. civil plan, building plans, etc.) that do not pertain to the site plan submittal requirements were not reviewed and are not considered approved as a part of this submittal (refer to submittal check list for each phase of the development cycle). Civil plan and building plan submittal occur after the initial site plan application has been approved. Civil plans may be submitted at your convenience after receiving a conditional approval of the site plan. Building Plans are submitted after receiving approval of the civil plans from the Engineering Department

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the SitePlan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Consent Agenda: June 11, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

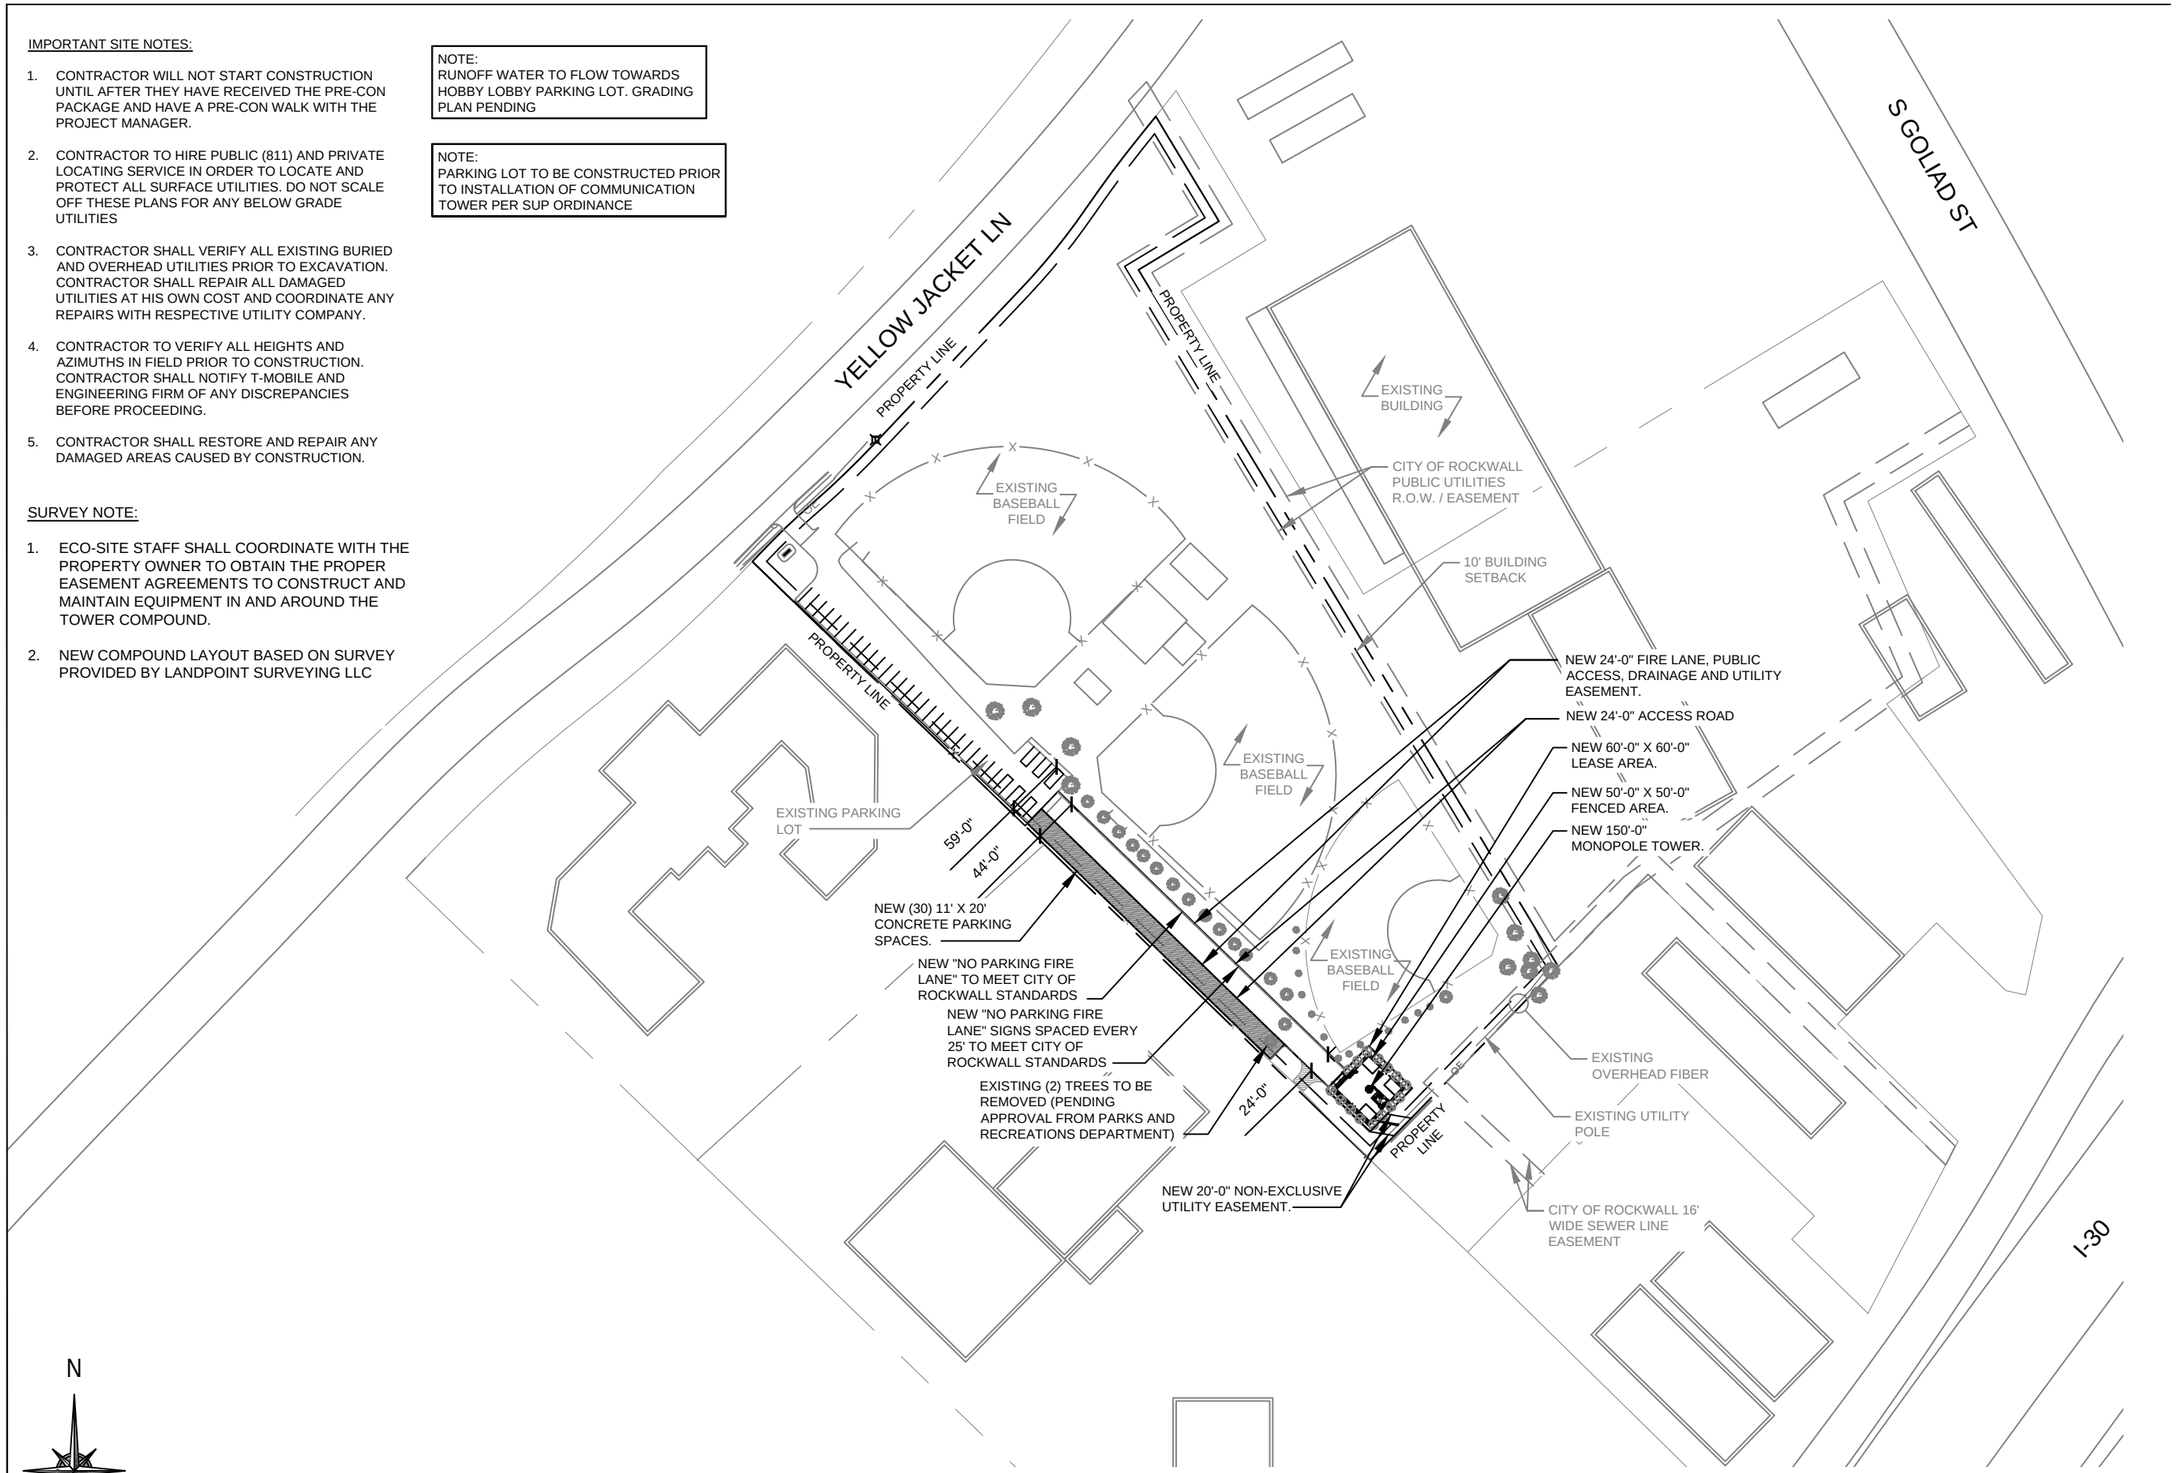
** IF REQUIRED -- City Council - Action: Monday, June 17, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] **

# City of Rockwall

Planning & Zoning Department
385 S. Goliad Street
Rockwall, Texas 75032
(P): (972) 771-7745
(W): www.rockwall.com

The City of Rockwall GIS maps are continually under development and therefore subject to change without notice. While we endeavor to provide timely and accurate information, we make no guarantees. The City of Rockwall makes no warranty, express or implied, including warranties of merchantability and fitness for a particular purpose. Use of the information is the sole responsibility of the user.

IMPORTANT SITE NOTES:



1. CONTRACTOR WILL NOT START CONSTRUCTION UNTIL AFTER THEY HAVE RECEIVED THE PRE-CON PACKAGE AND HAVE A PRE-CON WALK WITH THE PROJECT MANAGER.
2. CONTRACTOR TO HIRE PUBLIC (811) AND PRIVATE LOCATING SERVICE IN ORDER TO LOCATE AND PROTECT ALL SURFACE UTILITIES. DO NOT SCALE OFF THESE PLANS FOR ANY BELOW GRADE UTILITIES
3. CONTRACTOR SHALL VERIFY ALL EXISTING BURIED AND OVERHEAD UTILITIES PRIOR TO EXCAVATION. CONTRACTOR SHALL REPAIR ALL DAMAGED UTILITIES AT HIS OWN COST AND COORDINATE ANY REPAIRS WITH RESPECTIVE UTILITY COMPANY.
4. CONTRACTOR TO VERIFY ALL HEIGHTS AND AZIMUTHS IN FIELD PRIOR TO CONSTRUCTION. CONTRACTOR SHALL NOTIFY T-MOBILE AND ENGINEERING FIRM OF ANY DISCREPANCIES BEFORE PROCEEDING.
5. CONTRACTOR SHALL RESTORE AND REPAIR ANY DAMAGED AREAS CAUSED BY CONSTRUCTION.

SURVEY NOTE:

1. ECO-SITE STAFF SHALL COORDINATE WITH THE PROPERTY OWNER TO OBTAIN THE PROPER EASEMENT AGREEMENTS TO CONSTRUCT AND MAINTAIN EQUIPMENT IN AND AROUND THE TOWER COMPOUND.
2. NEW COMPOUND LAYOUT BASED ON SURVEY PROVIDED BY LANDPOINT SURVEYING LLC

NOTE:
RUNOFF WATER TO FLOW TOWARDS HOBBY LOBBY PARKING LOT. GRADING PLAN PENDING

NOTE:
PARKING LOT TO BE CONSTRUCTED PRIOR TO INSTALLATION OF COMMUNICATION TOWER PER SUP ORDINANCE

OVERALL SITE PLAN

GENERAL NOTES:

1. ALL MATERIALS AND WORKMANSHIP SHALL CONFORM TO THE DRAWINGS AND SPECIFICATIONS. ALL WORK SHALL BE DONE IN ACCORDANCE WITH THE LATEST EDITION OF THE STATE, LOCAL AND NATIONAL CODES, ORDINANCES AND OR REGULATIONS APPLICABLE TO THIS PROJECT.

2. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING THE WORK OF ALL TRADES AND SHALL CHECK ALL DIMENSIONS. ALL DISCREPANCIES SHALL BE CALLED TO THE ATTENTION OF THE ECO-SITE CONSTRUCTION MANAGER AND/OR ENGINEER AND BE RESOLVED BEFORE PROCEEDING WITH WORK. WHERE THERE IS A CONFLICT BETWEEN DRAWING AND ECO-SITE SPECIFICATIONS, THE ECO-SITE CONSTRUCTION MANAGER SHOULD BE CONTACTED FOR CLARIFICATION.

3. ALL INFORMATION SHOWN ON THE DRAWINGS RELATIVE TO EXISTING CONDITIONS IS GIVEN AS THE BEST PRESENT KNOWLEDGE, BUT WITHOUT GUARANTEE OF ACCURACY. WHERE ACTUAL CONDITIONS CONFLICT WITH THE DRAWINGS, THEY SHALL BE REPORTED TO THE EC0-SITE CONSTRUCTION MANAGER AND/OR ENGINEER SO THAT PROPER REVISIONS MAY BE MADE. MODIFICATION OF DETAILS OF CONSTRUCTION SHALL NOT BE MADE WITHOUT WRITTEN APPROVAL OF THE CONSTRUCTION MANAGER AND/OR ENGINEER.

4. CONTRACTOR SHALL REVIEW AND BE FAMILIAR WITH SITE CONDITIONS AS SHOWN ON THE ATTACHED SITE PLAN AND/OR SURVEY DRAWINGS.

5. WAVEGUIDE BRIDGE AND PRE-FAB SHELTER ARE SHOWN FOR REFERENCE ONLY. REFER TO SEPARATE PRE-ENGINEERED DRAWINGS FOR SPECIFIC INFORMATION INCLUDING FOOTINGS AND WAVEGUIDE BRIDGE LOCATION.

6. ALL FINISHED GRADES SHALL SLOPE MINIMUM 1/4 IN./FT. AWAY FROM EQUIPMENT IN ALL DIRECTIONS. CONTRACTOR SHALL SLOPE SWALES AS REQUIRED ALONG EXISTING TERRAIN TO DRAIN AWAY FROM COMPOUND AND ACCESS DRIVE.

7. THE NEW TOWER AND TOWER FOUNDATIONS WERE DESIGNED BY OTHERS. TOWER INFORMATION PROVIDED ON THESE PLANS ARE PROVIDED FOR REFERENCE PURPOSES ONLY. TOWER DIMENSIONS SHOWN ON THIS PLAN ARE FOR TOWER CENTER LOCATION. CAISSONS AND TOWER SHOWN ON THIS PLAN ARE ILLUSTRATIVE, SEE DESIGN DRAWINGS BY OTHERS. DO NOT SCALE. NOTIFY ENGINEER OR ECO-SITE CONSTRUCTION MANAGER OF ANY CONFLICTS OR DISCREPANCIES. CONTRACTOR TO OBTAIN COPY OF TOWER DESIGN DRAWINGS FROM ECO-SITE CONSTRUCTION MANAGER TO CONFIRM COAX ROUTING AND ANTENNA MOUNT INFORMATION.

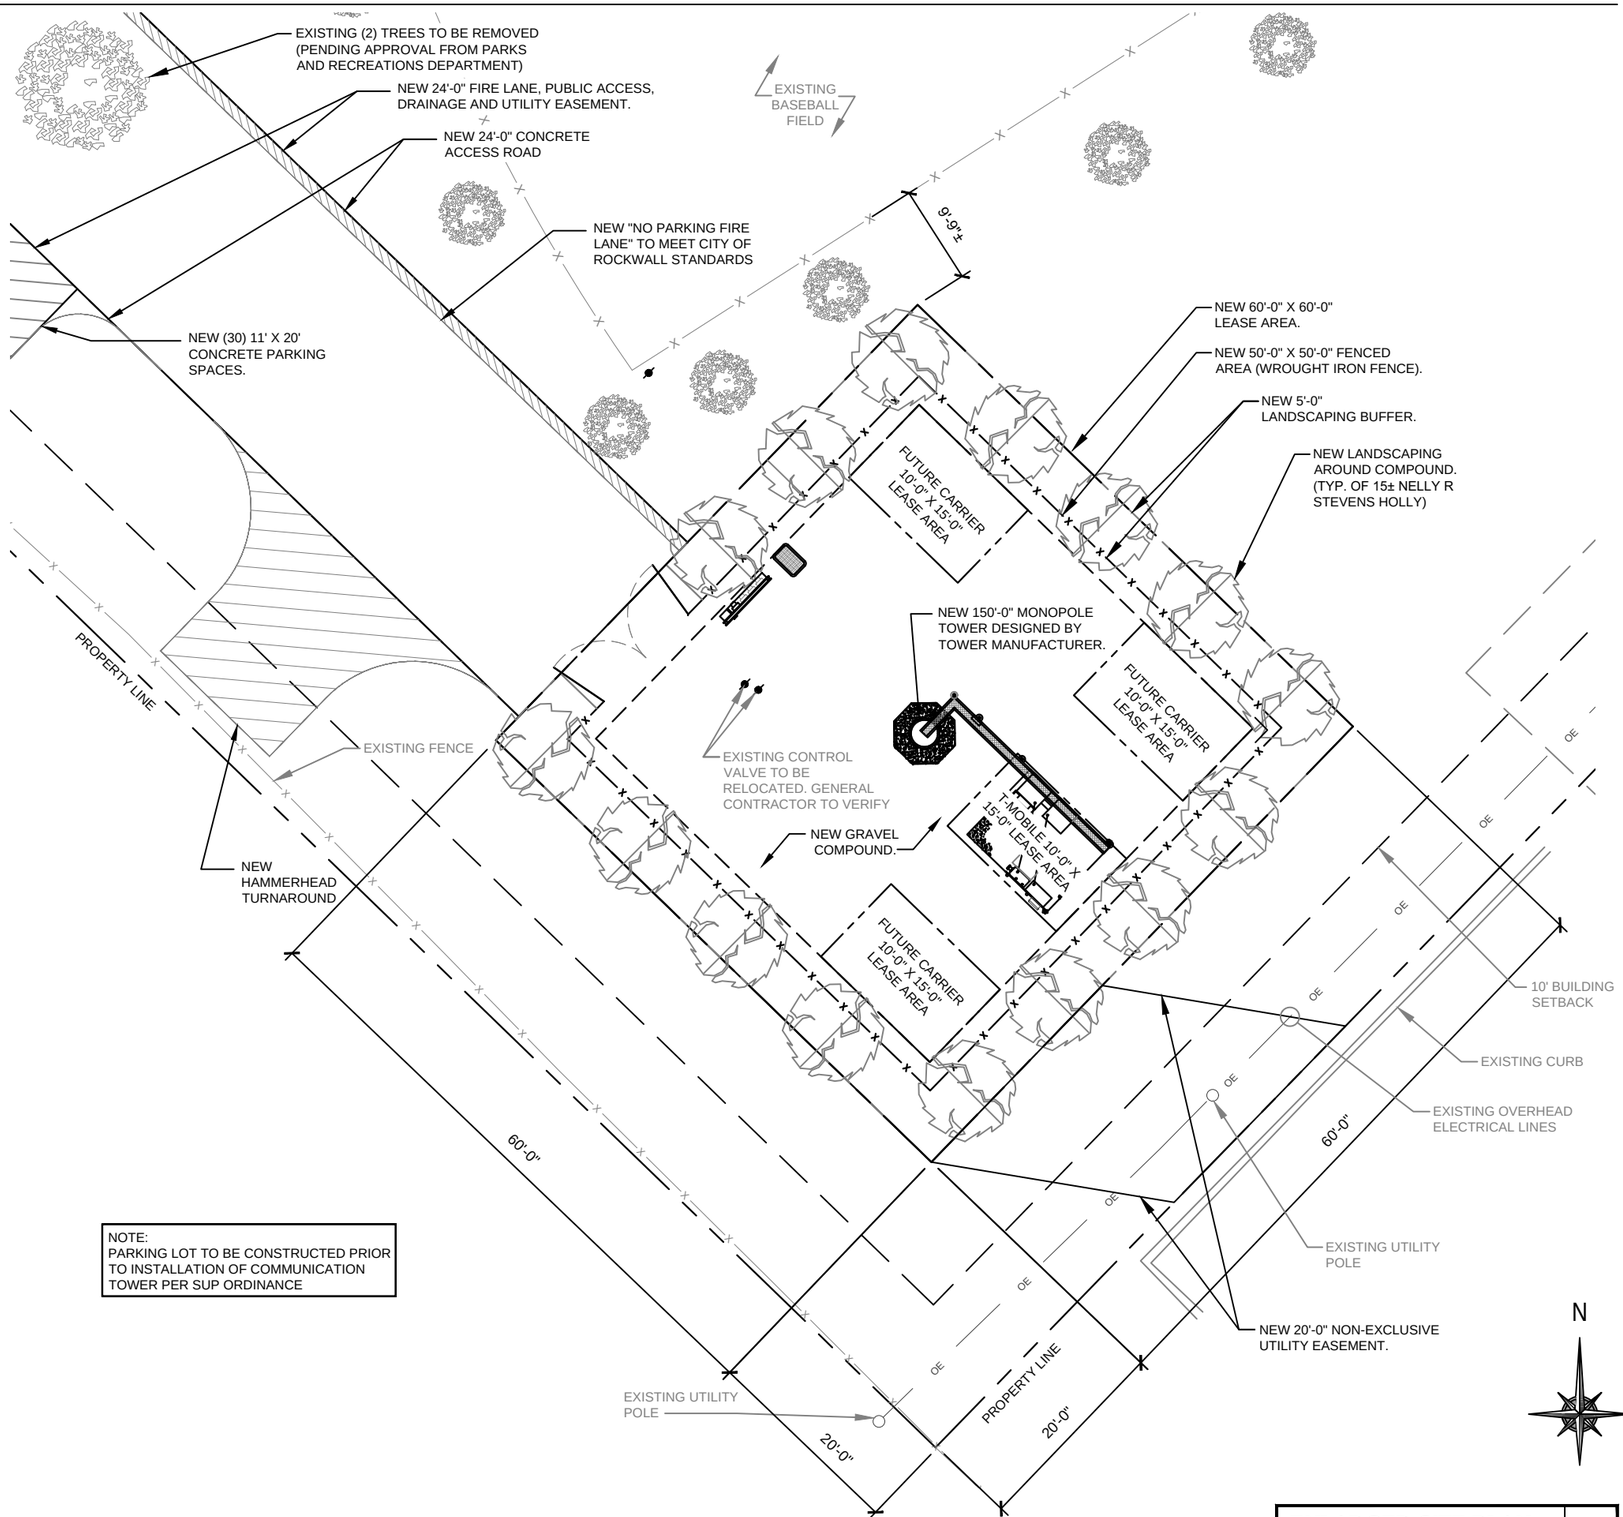
8. THE CONTRACTOR SHALL PROVIDE ADEQUATE EXCAVATION SLOPING, SHORING, BRACING, AND GUYS IN ACCORDANCE WITH ALL NATIONAL, STATE, AND LOCAL SAFETY ORDINANCES.

9. UPON COMPLETION OF CONSTRUCTION, CONTRACTOR IS RESPONSIBLE FOR REPAIRING ANY DAMAGE CAUSED BY CONSTRUCTION ACTIVITIES TO THE EXISTING ACCESS ROAD AND COMPOUND GRAVEL AREAS. ANY NEW FILL MATERIALS SHALL BE COMPACTED.

10. THE CONTRACTOR IS HEREBY NOTIFIED THAT PRIOR TO COMMENCING CONSTRUCTION, HE IS RESPONSIBLE FOR CONTACTING THE UTILITY COMPANIES INVOLVED AND SHALL REQUEST A VERIFICATION AT THE CONSTRUCTION SITE OF THE LOCATIONS OF THEIR UNDERGROUND UTILITIES AND WHERE THEY MAY POSSIBLY CONFLICT WITH THE PLACEMENT OF IMPROVEMENTS AS SHOWN ON THESE PLANS. THE CONTRACTOR OR ANY SUBCONTRACTOR FOR THIS CONTRACT WILL BE REQUIRED TO NOTIFY "STATE 811" 48 NUMBER OF HOURS IN ADVANCE OF PERFORMING ANY WORK BY CALLING THE TOLL FREE NUMBER (713)-432-0365. ANY UTILITIES DAMAGED BY CONSTRUCTION ACTIVITIES SHALL BE REPAIRED BY THE CONTRACTOR, AT NO EXPENSE TO THE OWNER.

11. CONTRACTOR TO PROVIDE DUMPSTER AND PORTABLE TOILET FACILITY DURING CONSTRUCTION.

12. CONTRACTOR TO PROVIDE STYMIE LOCK OR EQUIVALENT AS APPROVED BY ECO-SITE CONSTRUCTION MANAGER.



SURVEY NOTE:

1. ECO-SITE STAFF SHALL COORDINATE WITH THE PROPERTY OWNER TO OBTAIN THE PROPER EASEMENT AGREEMENTS TO CONSTRUCT AND MAINTAIN EQUIPMENT IN AND AROUND THE TOWER COMPOUND.

2. NEW COMPOUND LAYOUT BASED ON SURVEY PROVIDED BY LANDPOINT SURVEYING.

COAX NOTE:

1. ROUTE COAX UP TOWER PER TOWER DESIGN DRAWING BY TOWER OWNER.

NOTE:
PARKING LOT TO BE CONSTRUCTED PRIOR TO INSTALLATION OF COMMUNICATION TOWER PER SUP ORDINANCE

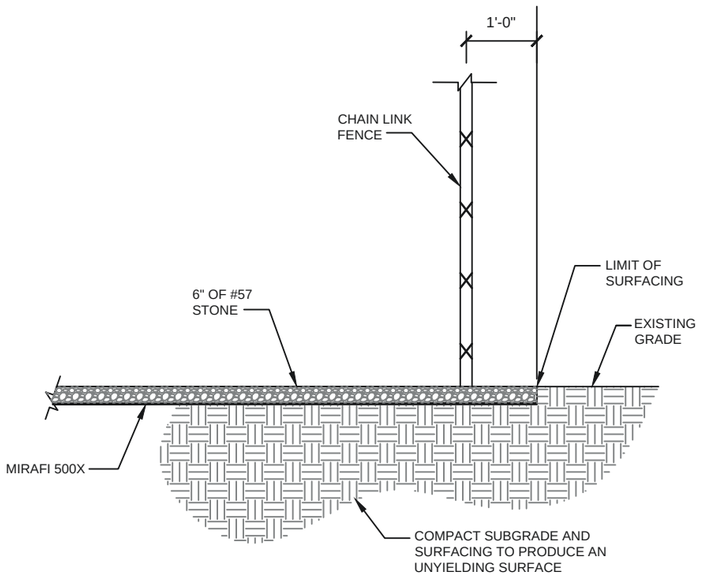
## FENCE NOTES

1. USE 3,000-PSI CONCRETE, FULLY CONSOLIDATED AROUND THE POST.
2. WHERE THE POST IS SET IN ROCK OR CONCRETE, CORE A HOLE 12" DEEP AND 1" LARGER IN DIAMETER THAN THE POST. SET THE POST AND GROUT IN PLACE USING NON-SHRINK GROUT.
3. ALL POSTS MUST BE PLUMB AND ALIGNED WITH ONE ANOTHER IN BOTH HORIZONTAL AND VERTICAL PLANES.
4. CORNERS AND GATEPOSTS FOR CHAIN LINK FENCES SHALL EXTEND ABOVE THE TOP STRAND OF BARBED WIRE TO PROVIDE TENSIONING FOR THE BARBED WIRE.
5. PROVIDE MIDRAILS AND BRACING AT ALL CORNER POSTS WHERE THE FENCE CHANGES DIRECTION BY MORE THAN 30 DEGREES.
6. THE GRADE OF THE SITE AND INSTALLATION OF THE FENCE SHALL PROVIDE FOR NO MORE THAN A 1" GAP BETWEEN THE BOTTOM OF THE FENCE MATERIAL AND FINISH GRADE.
7. CONTRACTOR SHALL PROVIDE HOLD OPEN DEVICES FOR ALL GATES AT THE SPECIFIED OPEN POSITIONS, DRIVEN PIPE TYPE RECEIVERS ARE NOT AUTHORIZED.
8. CONTRACTOR SHALL ALSO PROVIDE A MUSHROOM TYPE RECEIVER AT THE CLOSE POSITION.



NOTE:
FENCE DETAIL SPECIFICATIONS PER ECO-SITE STANDARDS. GENERAL CONTRACTOR TO CONFIRM SPECIFICATIONS WITH CONSTRUCTION MANAGEMENT AND LOCAL JURISDICTION PRIOR TO INSTALLATION.

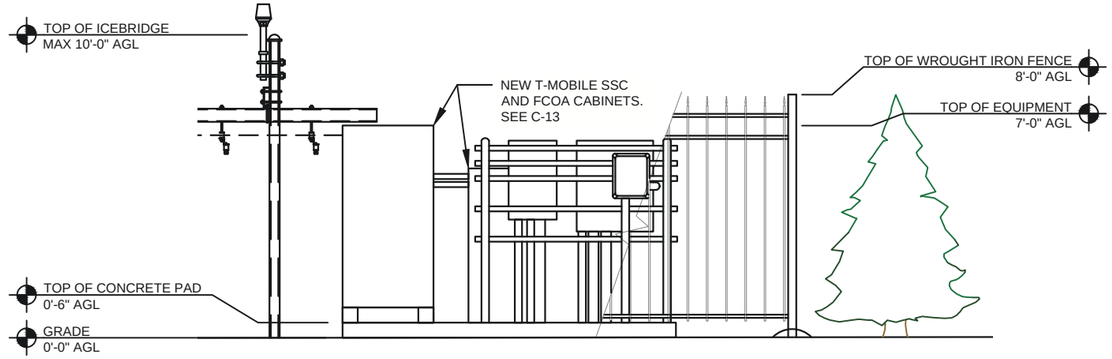
NOTE:
W-T'S SCOPE OF WORK DOES NOT INCLUDE A STRUCTURAL EVALUATION OF THIS TOWER OR STRUCTURE. NEW ANTENNAS AND EQUIPMENT SHOWN ON THIS PLAN HAVE NOT BEEN EVALUATED TO VERIFY THE TOWER OR STRUCTURE HAS THE CAPACITY TO ADEQUATELY SUPPORT THESE ANTENNAS. PRIOR TO ANY ANTENNA OR EQUIPMENT INSTALLATION, A STRUCTURAL EVALUATION OF THE TOWER OR STRUCTURE, INCLUDING ALL ANTENNA MOUNTING SYSTEMS & HARDWARE SHALL BE PERFORMED.

NOTE:
ALL INFORMATION ON THIS PAGE IS PROVIDED BY ECO-SITE AND/OR OTHERS AND IS SHOWN FOR ILLUSTRATIVE PURPOSES ONLY. CONTRACTOR SHALL CONTACT THE ECO-SITE CONSTRUCTION MANAGER PRIOR TO CONSTRUCTION FOR ALL DETAILED ANTENNA, MOUNT, AND COAX CABLE INFORMATION.

NOTE:
CONTRACTOR TO USE PROPER TORQUE WRENCH WHEN INSTALLING AND TIGHTENING CONNECTORS TO INSURE PROPER FIT.

NOTE:
CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFYING FINAL RF CONFIGURATION, ALL HEIGHTS AND AZIMUTHS IN FIELD PRIOR TO CONSTRUCTION. CONTRACTOR SHALL NOTIFY T-MOBILE AND ENGINEERING FIRM OF ANY DISCREPANCIES BEFORE PROCEEDING.



NOTE:
CONTRACTOR SHALL VERIFY ALL FINAL CONNECTION LOCATIONS WITH T-MOBILE ENGINEER, RF ENGINEER, AND NET-OPS PRIOR TO INSTALLATION.

NOTE:
CONTRACTOR TO ARRANGE NEW MODULES/EQUIPMENT TO AVOID INTERFERING WITH SAFETY CLIMB.

LANDSCAPE PLAN

# LANDSCAPING GENERAL NOTES:

ALL PLACEMENT OF LANDSCAPING SHALL MEET THE FOLLOWING CONDITIONS:

1. ALL PLANT MATERIAL SHALL BE PLANTED IN A MANNER WHICH IS NOT TO INTERFERE WITH OVERHEAD WIRES OR BE INTRUSIVE TO UTILITIES OR PAVEMENT.
2. NO TREES OR OTHER LANDSCAPING SHALL BE LOCATED CLOSER THAN 10 FEET TO A FIRE HYDRANT OR OTHER ABOVE GROUND UTILITIES.
3. NO LANDSCAPING SHALL INTERFERE WITH SITE REQUIREMENTS FOR SAFE INGRESS AND EGRESS.

INSTALLATION STANDARDS:

1. PLANT MATERIAL SHALL CONFORM WITH THE CURRENT AMERICAN STANDARDS FOR NURSERY STOCK, PUBLISHED BY THE AMERICAN ASSOCIATION OF NURSERYMEN FOR THAT TYPE OF TREE OR SHRUB AT THE TIME OF INSTALLATION.
2. ALL PLANT MATERIAL SHALL BE INSTALLED FREE OF DISEASE AND IN A MANNER THAT ENSURES THE AVAILABILITY OF SUFFICIENT SOIL AND WATER TO SUSTAIN HEALTHY GROWTH.
3. ALL TAGS, WIRES, PLASTIC TIES AND ROPE SHALL BE CUT FROM EACH TREE TO PREVENT GIRDLING OF THE TREE. THE BURLAP SHALL BE PULLED BACK FROM THE UPPER THIRD OF THE ROOTBALL. IF A PLASTIC 'BURLAP' IS USED, IT SHALL BE REMOVED IN ITS ENTIRETY FROM THE ROOTBALL.
4. ALL PLANT MATERIAL SHALL BE PLANTED WITH A MINIMUM OF DEPTH OF THREE (3) INCHES OF MULCHED MATERIAL AND A DIAMETER OF THREE (3) FEET AROUND THE BASE OF THE TREE.
5. TREES SHALL BE STAKED WITH POSTS AND NOT STAKES IN AREAS OF HIGH WIND FOR ONE TO THREE YEARS TO ALLOW THE GROWTH OF PROPOSED ROOTS TO STABILIZE. ALL ROPES SHALL BE COVERED TO PREVENT CUTTING INTO THE BARK.
6. ANY EXCESS SOIL, CLAY, OR CONSTRUCTION DEBRIS SHALL BE REMOVED FROM THE PLANTING SITE, PRIOR TO PLANTING OF INDIVIDUAL TREES AT FINAL GRADE.
7. THE JURISDICTION, AT ITS DISCRETION, HAS THE RIGHT TO RETAIN A PROFESSIONAL LANDSCAPE ARCHITECT OR ARBORIST TO REVIEW SUBMITTED LANDSCAPE PLAN AND THE PROFESSIONAL LANDSCAPE ARCHITECT OR ARBORIST WILL SUBMIT A WRITTEN REPORT TO THE PLANNING AND ZONING COMMISSION. ALL EXPENSES INCURRED BY THE JURISDICTION FOR THE USE OF THE LANDSCAPE ARCHITECT OR ARBORIST SHALL BE REIMBURSED BY THE DEVELOPER.

PLANTING SEASONS:

1. PLANTS MUST BE PLANTED DURING THE FOLLOWING DATES: APRIL 1ST TO MAY 15TH AND SEPTEMBER 1ST TO OCTOBER 1ST.
2. THE PLANTING PERIODS INDICATED MAY BE EXTENDED DUE TO WEATHER CONDITIONS OR OTHER FACTORS, WHICH MUST BE APPROVED BY THE LANDSCAPE ARCHITECT/ENGINEER.
3. THE CONTRACTOR WILL BE RELIEVED FOR HIS GUARANTEE RESPONSIBILITY SHOULD THE OWNER REQUIRE PLANT MATERIAL INSTALLATIONS TO BE COMPLETED DURING OTHER TIMES THAN THE PLANTING PERIODS INDICATED.

PLANTING:

1. ALL SHADE TREES, ORNAMENTAL TREES, EVERGREEN TREES AND SHRUBS SHALL BE PLANTED IN HOLES EXCAVATED AT LEAST 3x THE WIDTH OF THE DIAMETER OF THE BALL OR CONTAINER AND DEEP ENOUGH SO THAT THE TOP OF THE BALL OR SOIL IN THE CONTAINER IS AT OR JUST ABOVE EXISTING GRADE.
2. ALL TWINE OR ROPE MUST BE CUT AND REMOVED AND THE BURLAP FOLDED AWAY FROM THE TOP OF THE BALL. THE EXCAVATION MUST BE BACKFILLED WITH THE PLANTING MIXTURE AND WATERED. ANY SETTLEMENT WILL BE FILLED WITH PLANTING MIXTURE.
3. A 4" DEEP SAUCER, SIMILAR TO THE DIAMETER OF THE PLANTING HOLE SHALL BE CREATED USING PLANTING MIX.
4. PLANTING MIX TO CONSIST OF 1/3 TOP SOIL, 1/3 SOIL FROM EXCAVATION, AND 1/3 MUSHROOM COMPOST (OR 1/3 PEAT MOSS).

CLEAN UP:

1. ALL DEBRIS GENERATED DURING THE INSTALLATION OF PLANT MATERIALS MUST BE REMOVED FROM THE SITE.
2. ALL PAVEMENTS AND WALKS MUST BE SWEPT AFTER EACH DAYS WORK. UPON COMPLETION OF THE WORK, ALL PAVEMENTS MUST BE WASHED TO REMOVE ALL MUD OR DIRT.

| **CASE NUMBER:** | P2019-024; *Lots 17 & 18, Block B, Lago Vista Addition* |

## SUMMARY

Consider a request by Charles Corbett for the approval of a vacating plat establishing Lots 17 & 18, Block B, Lago Vista Addition being a 1.09-acre parcel of land currently identified as Lot 19, Block B, Lago Vista Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 18 (PD-18) for single-family land uses, addressed as 2835 Marcie Lane, and take any action necessary.

## PLAT INFORMATION

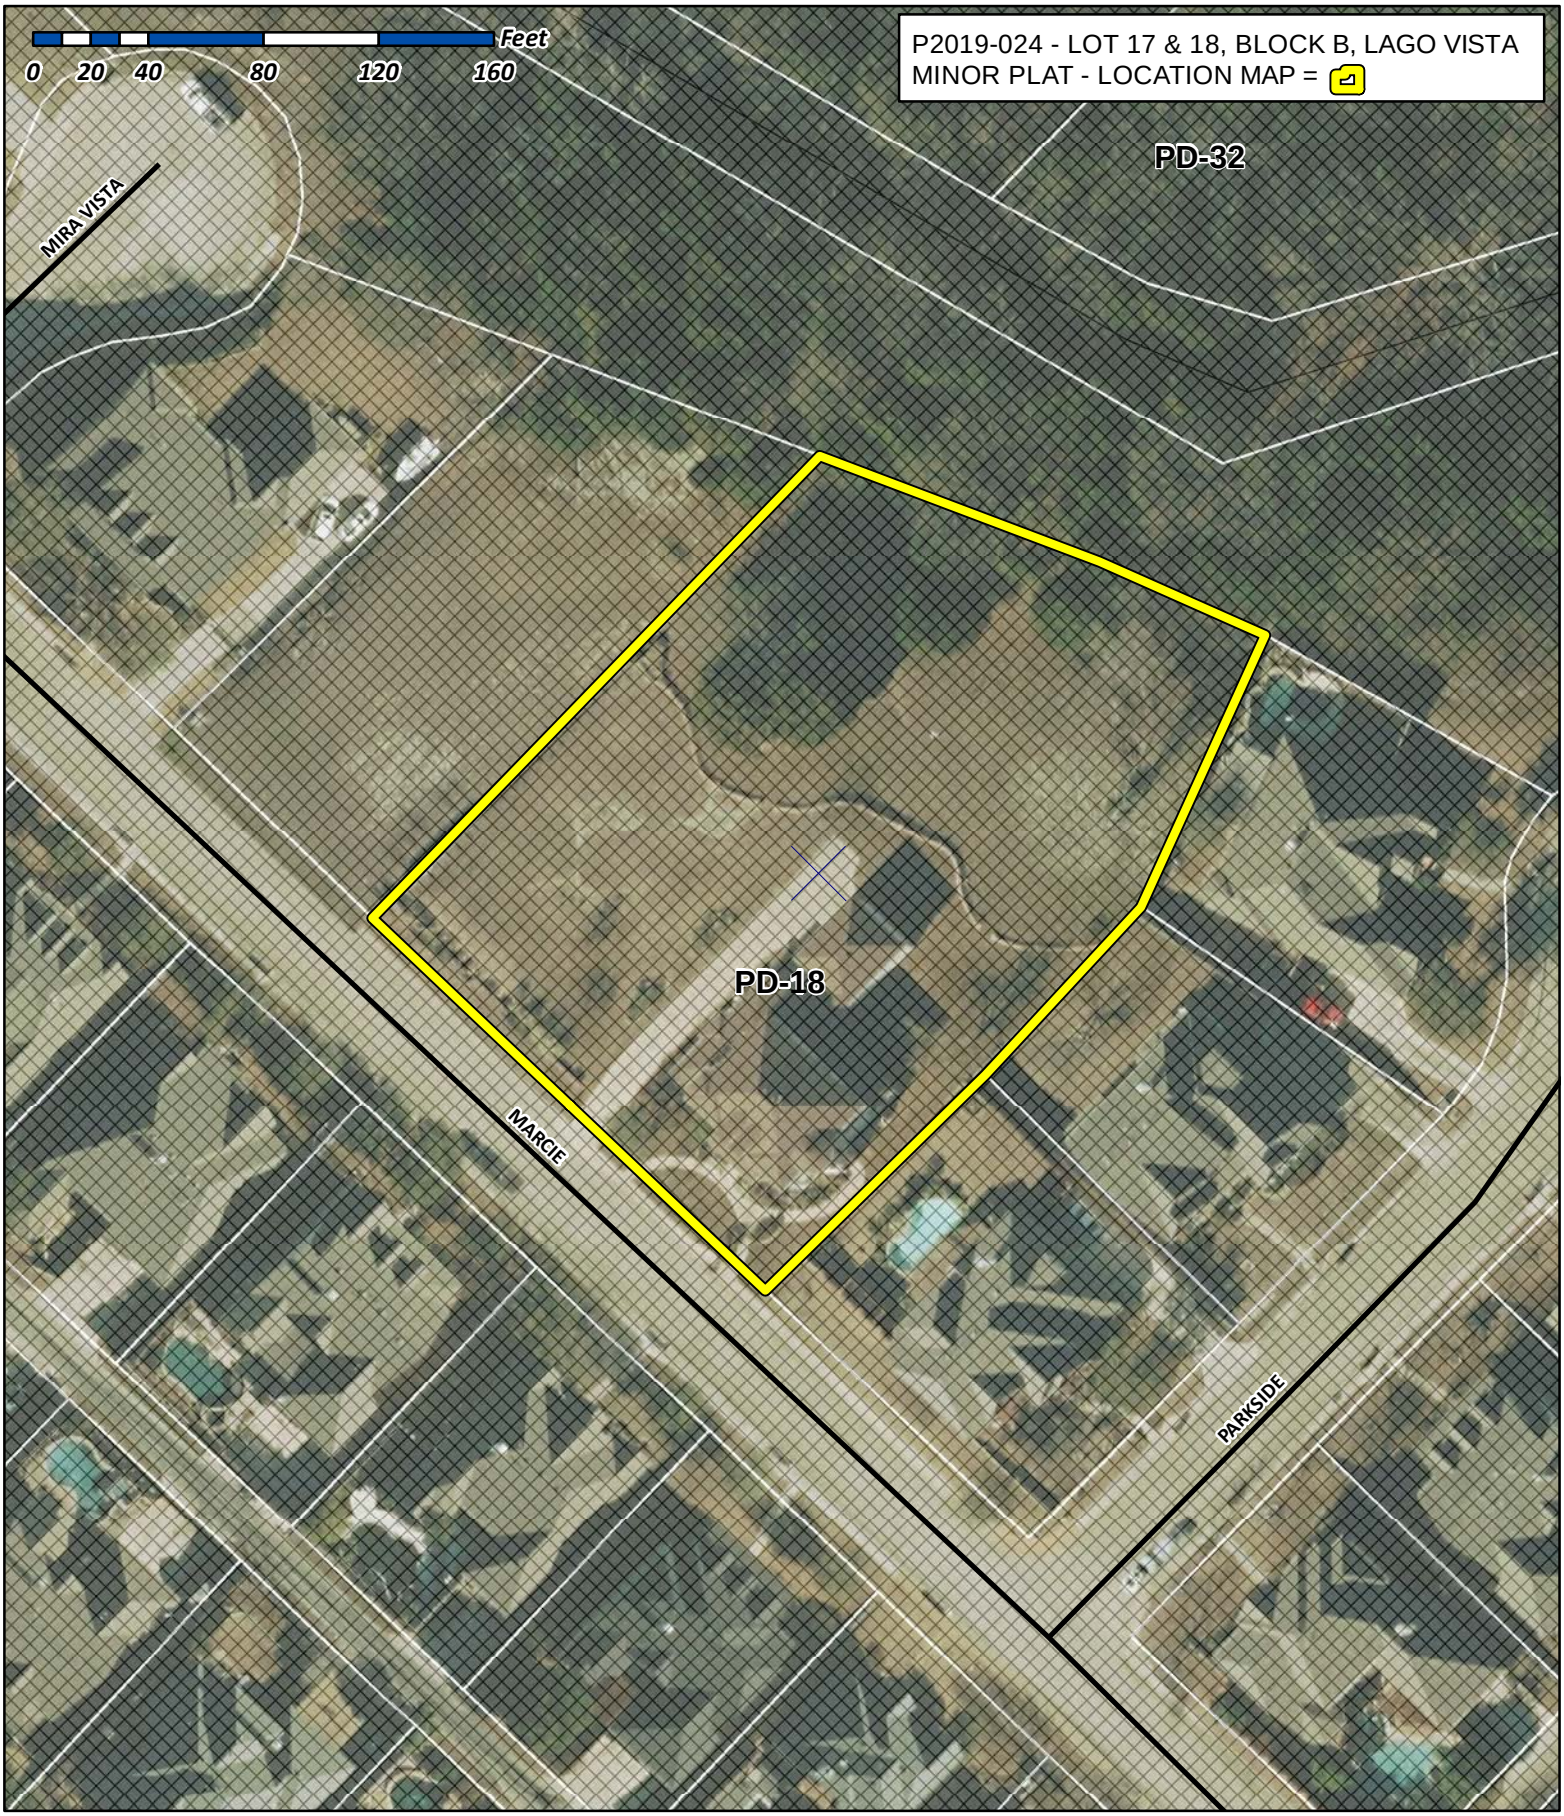
☑ The applicant is requesting approval of a vacating plat for the purpose of vacating one (1) lot (*i.e. Lot 19, Block B*) to re-establish two (2) lots (*i.e. Lots 17 & 18, Block B*) in order to sell the two (2) lots.

☑ On July 6, 1982, the City Council approved *Ordinance No. 82-32*, which established the development standards for Planned Development District 18 (PD-18). The ordinance was amended in 1985 [*Ordinance No. 85-23*], and amended in 1994 [*Ordinance No. 94-18*]. On April 14, 1994, the City Council approved a final plat [*Case No. PZ-94-52*], which established the Lago Vista Subdivision.

☑ On November 28, 2005, an administrative replat was approved to combine two (2) lots (*i.e. Lots 17 & 18, Block*) into one (1) lot (*i.e. Lot 19, Block B*).

☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for final plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.



☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the vacating plat for *Lots 17 & 18, Block B, Lago Vista Addition*, staff would propose the following conditions of approval:

(1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

(2) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

| **TO:** | Planning and Zoning Commission |
| **DATE:** | June 11, 2019 |
| **APPLICANT:** | Ryan Joyce; Michael Joyce Properties |
| **CASE NUMBER:** | Z2019-012; *Zoning Change (AG to PD)* |

## SUMMARY

Hold a public hearing to discuss and consider a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family-1 (SF-1) District land uses on a 61.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the west side of Stodgehill Road [FM-3549] north of the intersection of Stodgehill Road [FM-3549] and Cornelius Road, and take any action necessary.

## BACKGROUND

The subject property was annexed in 2008 [*Ordinance No. 08-66*], is located on the west side of Stodgehill Road [FM-3549] north of the intersection of Stodgehill Road [FM-3549] and Cornelius Road, and is zoned Agricultural (AG) District.

## PURPOSE

The applicant is requesting a change in zoning from an Agricultural (AG) District to a Planned Development District for Single-Family 1 (SF-1) District land uses on a 61.45-acre tract of land, which is currently vacant.

## ADJACENT LAND USES AND ACCESS

The subject property is located on the west side of Stodgehill Road [FM-3549] north of the intersection of Stodgehill Road [FM-3549] and Cornelius Road. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property is Clem Road, which is identified as a *Minor Collector* on the City's Master Thoroughfare Plan. Beyond this there are several single-family homes that are zoned Single-Family Estate 4 (SFE-4.0), Single-Family Estate 1.5 (SFE-1.5), and Single-Family 1 (SF-1) District.

*South*: Directly south of the subject property there are several single family home that are outside of the city limits of the City of Rockwall. Beyond this is Cornelius Road, which is identified as a M4U (*major collector, four [4] lane, undivided roadway*) on the City's Master Thoroughfare Plan and delineates the city limits of Rockwall.

*East*: Directly east of the subject property is Stodgehill Road [FM-3549], which is identified as a TXDOT4D (*Texas Department of Transportation, four (4) lane, divided roadway*) on the City's Master Thoroughfare Plan and delineates the city limits of Rockwall.

*West*: Directly west of the subject property, there are several single-family homes that are zoned Agricultural (AG) District followed by the city limits of of the City of Rockwall. Beyond this there is a large tract of land that is zoned Agricultural (AG) District followed by FM-1141, which is identified as a M4D (*major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan.

## CHARACTERISTICS OF THE REQUEST

The applicant is requesting a change in zoning from an Agricultural (AG) District to a Planned Development District for Single-Family 1 (SF-1) District land uses. The concept plan shows that the 61.45-acre property will consist of 39 single-family lots that will broken-down into two (2) lot types (*i.e. 120' x 200' & 130' x 400'*). Specifically, the development will include 17 lots that will be a minimum of 120' x 200' and 22 lots that will be a minimum of 130' x 400'. The lot sizes will range in size from 43,560 SF (*i.e. one [1] acre*) to 65,340 SF (*i.e. one and one half [1½]-acres*). The proposed minimum size of each dwelling unit (*i.e. air conditioned space)* will be 2,500 SF. The applicant has stated that the homes will be custom homes and will vary from lot to lot. The product will also be a rural style estate lot, which will incorporate a rural-local roadway (*i.e. will not be curb and gutter*) and a minimum front yard setback of 70-feet. The proposed housing product will have a minimum masonry requirement of 80%, with up to 50% cementitious fiberboard horizontal lap siding (*e.g. HardiBoard or Hardy Plan*) and stucco (*i.e. three [3] part stucco or a comparable product -- to be determined be staff*) being permitted. The proposed housing product conforms to the City's minimum masonry and anti-monotony requirements and will allow both *traditional swing* (*i.e. j-swing*), side entry, and flat front entry (*i.e. setback behind the width of the double car garage that is access from the traditional swing configuration*) garage configurations. All garage doors will incorporate upgraded finishes (*e.g. divided garage bay doors, carriage style hardware and lighting elements, cedar clad garage doors, or a similar alternative -- to be determined by staff*). The development will incorporate less than the required 20% open space; however, it will have a 30-foot landscape buffer adjacent to FM-3549 that will incorporate ground cover, a built-up berm and/or shrubbery -- *or a combination thereof* -- and trees and a five (5) foot sidewalk along the entire frontage. In addition, the applicant has stated that by virtue of the development incorporating larger lots without stockade or solid fencing, it will achieve the same feel as more dense developments that incorporate the required 20% open space.

The proposed Planned Development District will be subject to the land uses and requirements stipulated for the Single-Family 1 (SF-1) District unless specifically called out in the Planned Development District ordinance. A summary of the proposed development standards for each lot type is as follows:

| *Lot Type (see Concept Plan)* ► | ***A*** | ***B*** |
|---|---|---|
| *Minimum Lot Width* [1] | 120' | 130' |
| *Minimum Lot Depth* | 200' | 400' |
| *Minimum Lot Area* | 43,560 SF | 65,340 SF |
| *Minimum Front Yard Setback* [2] & [5] | 70' | 70' |
| *Minimum Side Yard Setback* | 25' | 25' |
| *Minimum Side Yard Setback (Adjacent to a Street)* [2] & [5] | 30' | 30' |
| *Minimum Length of Driveway Pavement* | 70' | 70' |
| *Maximum Height* [3] | 38' | 38' |
| *Minimum Rear Yard Setback* [4] | 50' | 50' |
| *Minimum Area/Dwelling Unit (SF) [Air Conditioned Space]* | 2,500 SF | 2,500 SF |
| *Maximum Lot Coverage* | 20% | 20% |
| *Permitted Encroachment in Required Setbacks*[5] | Allowed | Allowed |

*General Notes:*

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the single-family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimney, eaves, and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for a property; however, the

encroachment shall not exceed five (5) feet on side yard setbacks (adjacent to a street) and shall not encroach into public right-of-way. A sunroom is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces.

## INFRASTRUCTURE

Based on the applicant's concept plan and proposed density, the following infrastructure will be required to be constructed to provide adequate public services to the subject property:

*Water*. The Master Water Plan indicates that the subject property is located within Water Service Area 780 (*i.e. not serviced by the City of Rockwall*); however, there is some dispute as to whether the City of Rockwall of Mt. Zion Water Supply has the right to serve this property. As a result, the applicant will be required to contact Mt. Zion Supply Corporation in order to determine if the property can be serviced.

*Wastewater*. The Master Wastewater Plan indicates that there is no wastewater infrastructure in the vicinity. There are no immediate plans for the City to install infrastructure in the area. As a result, the applicant must get approval from the City Council in order to utilize septic systems to serve the development.

*Stormwater*. Detention on the site may be required if the existing culvert under Clem Road does not have the necessary capacity to accommodate the increased runoff. A unit hydrograph method will need to be used in calculating detention for more than 20-acre.

*Roadways*. According to the Master Thoroughfare Plan, Clem Road is indicated as a *Minor Collector*, which requires a 60-foot right-of-way with a 41-foot *back to back street*. The applicant is required to construct 21-feet of right-of-way the entire length of the property along Clem Road. FM-3549 is indicated as a TXDOT4D (*Texas Department of Transportation, four (4) lane, divided roadway*), which requires a 120-foot right-of-way. The applicant must dedicate 60-feet from the centerline of FM-3549 for the future expansion of this roadway.

All proposed infrastructure improvements must meet the Engineering Department's *Standards of Design and Construction*.

## CONFORMANCE WITH THE CITY'S CODES

The proposed Planned Development District conforms to the majority of the City's code requirements; however, it should be noted that the development standards contained within the Planned Development District ordinance deviate from the requirements of the Unified Development Code (UDC) and the Engineering Department's *Standards of Design and Construction Manual* in the following ways:

- ☑ The Engineering Department's *Standards of Design and Construction* Manual stipulates that, "(A)lleys shall be provided in all residential areas and shall be paved with steel reinforced concrete …"; however, the code does grant the City Council the ability to "… waive the residential alley requirement, if it is in the best interest of the City." (*Section 2.11; Page 14*)

- ☑ The Unified Development Code (UDC) requires that, "(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front building façade for front entry garages, unless it is a *J-Swing* [*or traditional swing*] garage where the garage door is perpendicular to the street." (*Sec. 4.1; Art. VI; UDC*)

- ☑ According to Section 1.2, *Nature of PD Districts and Minimum Standards*, of Article X, *Planned Development Regulations*, of the UDC, "…(u)nless otherwise provided by the PD Ordinance, a minimum of 20 percent of the gross land area within the entire PD District shall be devoted to open space."

In this case, the applicant is proposing to allow traditional swing, side entry, and flat-front entry garages in lieu of alleyways. All flat-front entry garages will be setback either [*1*] behind the width of a double garage that is accessed from a traditional swing or [*2*] flush with the front façade of the home for the standard flat-front entry garages. As a compensatory measure for not meeting the required 20-foot setback stipulated by the Unified Development Code (UDC) for flat-front entry garages, the applicant is requiring that all garage doors incorporate upgraded finishes (*e.g. divided garage bay doors, carriage style hardware and lighting elements, cedar clad garage doors or a similar alternative*). With regard to the open space requirement, the applicant has stated that estate style lots with non-transparent fencing provide a similar aesthetic as traditional neighborhoods that incorporate opaque fencing and 20% open space. Staff has incorporated these requirements into the draft ordinance and by approving this case, the City Council would be waiving these requirements.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The OURHometown Vision 2040 Comprehensive Plan indicates that the subject property is located in the *Northeast Residential District* and is designated for *Low Density Residential (LDR)* land uses. The *Northeast Residential District* is characterized by its low-density subdivisions and rural/estate style lots. This district has several large vacant tracts of land that are suitable for low-density residential development, and it is anticipated that this district will be a future growth center for the City. The *Low Density Residential (LDR)* land use category consists of residential subdivisions that are two (2) units per gross acre or less. Primary land uses in this district are suburban, estate, and rural developments. In this case, the development is an estate style subdivision with a density of 0.63 units per gross acre. This is substantially in conformance to intent of the *Northeast Residential District* and the *Low Density Residential (LDR)* land use designation.

In addition, the OURHometown Vision 2040 Comprehensive Plan seeks to "…(p)reserve the City's current residential to non-residential land use ratio (*i.e. 80% Residential; 20% Commercial*) in order to maintain a balance mix of land uses for fiscal sustainability." The *Land Use Plan* contained in the Comprehensive Plan was created to guide the City toward the desired 80% residential to 20% non-residential land use balance. Currently, the land use balance is at 75.48% residential to 24.52% non-residential. If the City Council chooses to approve this case -- *since this case is proposing zoning in conformance to the Land Use Plan* -- the ratio will remain the same. A more detailed view of the current and proposed land use ratios has been included in the attached packet. With all this being said, zoning requests are discretionary decisions for the City Council pending a recommendation from the Planning and Zoning Commission.

## NOTIFICATIONS

On May 24, 2019, staff mailed 13 notices to property owners and occupants within 500-feet of the subject property and located within the City Limits. There are no Homeowner's Associations (HOA's) or neighborhood groups within 1,500-feet of the subject property and participating in the Neighborhood Notification Program. At the time this report was written, staff had not received any notices concerning this case.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request for a change in zoning from an Agricultural (AG) District to a Planned Development District for Single-Family 1 (SF-1) District land uses, then staff would propose the following conditions of approval:

(1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance;

(2) Any construction resulting from the approval of this zoning change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Z2019-012 Zoning Change (AG to PD)

Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family-1 (SF-1) District land uses on a 61.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the west side of Stodgehill Road [FM-3549] north of the intersection of Stodgehill Road [FM-3549] and Cornelius Road.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (Z2019-012) in the lower right hand corner of all pages on future submittals.

M.4 Please review the draft ordinance prior to meeting on May 28, 2019.

M.5 Please provide staff with the new survey and legal description once it is completed. In addition, the Clem Road will need to adjusted to show dedication and fill width of road.

I.6 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 4. The Planning and Zoning Worksession for this case is May 28, 2019. The Planning and Zoning Meeting for this case is June 11, 2019.

I.7 The projected City Council meeting dates are June 17, 2019 and July 1, 2019. A representative is required to attend all meetings.

# NOTICE OF PUBLIC HEARING
## CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

**Case No. Z2019-012: 961 Clem Road (AG to SF-1)**

*Hold a public hearing to discuss and consider a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family-1 (SF-1) District land uses on a 61.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the west side of Stodgehill Road [FM-3549] north of the intersection of Stodgehill Road [FM-3549] and Cornelius Road, and take any action necessary.*

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/11/2019 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/17/2019 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

**Korey Brooks**
**Rockwall Planning and Zoning Dept.**
**385 S. Goliad Street**
**Rockwall, TX 75087**

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/17/2019** to ensure they are included in the information provided to the City Council.

Sincerely,

**Ryan Miller, AICP**
Director of Planning & Zoning

# 11 NORTHEAST RESIDENTIAL DISTRICT

## DISTRICT DESCRIPTION

The *Northeast Residential District* is characterized by its established low-density residential subdivisions and rural/estate style lots. This district is anticipated to be a future growth center for the City, having several large vacant tracts of land suitable for low-density, residential development. In addition, the City currently owns a large tract of land that will be a northern community park and serve this district in the future.

## DISTRICT STRATEGIES

The *Northeast Residential District* being mostly an established residential district, is not anticipated to change or transition. The strategies for this district are:

1. *Estate and Rural Residential*. The maintenance of the *Estate* and *Rural Residential* housing types are important to balancing the diversity of suburban lots to large lot housing within the City. These areas also provide rural reserves for the City and create a natural transition zone to the east, towards FM-3549.
2. *Suburban Residential*. Any new *Suburban Residential* developments should include a mix of larger to mid-sized lots. Lots in these developments should not be smaller than existing *Suburban Residential* in this district.
3. *Infill Development*. Residential infill development within this district should be compatible with the surrounding structures and should generally follow the guidelines for low density, suburban housing or rural/estate housing.
4. *Neighborhood/Convenience Centers*. The commercial in this district is intended to support the existing residential subdivisions and should be compatible in scale with the adjacent residential structures.
5. *John King Boulevard Trail Plan*. A ten (10) foot hike/bike trail should be incorporated along John King Boulevard with rest stops and signage as indicated in *Appendix 'B'* of this Comprehensive Plan.

# FISCAL IMPACT ANALYSIS TOOL

*ASSUMPTIONS:* (1) All values are based on the Appraised Value and *not* the Market Value; (2) All Agricultural (AG) District land is assumed to be residential under Current Zoning and zoned in accordance to the Future Land Use Map under Current Zoning at Build Out.
*DISCLAIMER:* The information provided below is not a reasonable basis for the approval or denial of any zoning case. This is a general tool that is meant to assist elected and appointed officials in the understanding the potential fiscal impacts of a zoning request, and to track conformance to the Comprehensive Plan's targeted land use ratios of 80% residential to 20% commercial land use, which is intended to yield a 67% residential value to 33% commercial value.
*SUMMARY OF METHODOLOGY:* The methods used in this study are based on a rough fiscal impact analysis, and involve reducing the City's land values down to a per square footage cost to estimate potential impact on existing property value. The cost of service model is constructed around the City's current fiscal year costs versus the percentage of land area that is currently residential and non-residential. A per capita multiplier and average cost method were used to estimate sales tax.

## LEGAL DESCRIPTION

**TRACT 1**

**BEING** 62.517 ACRES OF LAND LOCATED IN THE WILLIAM DALTON SURVEY, ABSTRACT NUMBER 72, ELLIS COUNTY, TEXAS, BEING ALL OF THAT CERTAIN CALLED 61.455 ACRE TRACT AS DESCRIBED TO UNISON INVESTMENT BY DEED RECORDED IN VOLUME 489, PAGE 23, DEED RECORDS, ROCKWALL COUNTY, TEXAS (D.R.R.C.T.) AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS;

**BEGINNING** AT A FENCE CORNER FOUND IN THE WEST LINE OF FARM-TO-MARKET ROAD 3549 (100' RIGHT-OF-WAY) AT THE SOUTHEAST CORNER OF THE ABOVE-MENTIONED 61.455 ACRE TRACT;

**THENCE** SOUTH 89 DEGREES 25 MINUTES 31 SECONDS WEST, AT A DISTANCE OF 484.49 FEET PASS 3.62 FEET RIGHT OF A 5/8" IRON PIPE FOUND AND CONTINUING FOR A TOTAL DISTANCE OF 1353.00 FEET WITH THE SOUTH LINE OF SAID 61.455 ACRE TRACT TO A 1/2" IRON PIPE FOUND AT THE NORTHWEST CORNER OF THE WILLIAM KYLE ALLEN ET UX 12.888 ACRE TRACT AS DESCRIBED IN VOLUME 153, PAGE 629, (D.R.R.C.T.) AND THE NORTHEAST CORNER OF THE ROBERT PEOPLES AND MEGAN PEOPLES 10.00 ACRE TRACT AS DESCRIBED IN INSTRUMENT NUMBER 20130000483387, (D.R.R.C.T.);

**THENCE** SOUTH 89 DEGREES 24 MINUTES 55 SECONDS WEST, A DISTANCE OF 329.15 FEET WITH THE SOUTH LINE OF SAID 61.455 ACRE TRACT TO A 1/2" IRON ROD WITH RED CAP STAMPED "ONEAL 6570" SET AT THE NORTHWEST CORNER OF THE ABOVE-MENTIONED 10.00 ACRE TRACT AND THE NORTHEAST CORNER OF THE BILLY CONRAD HAGEN 4.030 ACRE TRACT AS DESCRIBED IN VOLUME 103, PAGE 775, (D.R.R.C.T.);

**THENCE** SOUTH 89 DEGREES 55 MINUTES 41 SECONDS WEST, A DISTANCE OF 328.28 FEET WITH THE SOUTH LINE OF SAID 61.455 ACRE TRACT, SAME BEING THE COMMON NORTH LINE OF THE ABOVE-MENTIONED 4.030 ACRE TRACT AND THE LORIN PRESTON LARMAN AND JEANNE LARMAN 4.962 ACRE TRACT AS DESCRIBED IN VOLUME 3679, PAGE 25, (D.R.R.C.T.) TO A 5/8" IRON ROD FOUND AT THE NORTHWEST CORNER OF THE JUST MENTIONED 4.962 ACRE TRACT;

**THENCE** SOUTH 89 DEGREES 37 MINUTES 12 SECONDS WEST, A DISTANCE OF 136.07 FEET TO THE SOUTHWEST CORNER OF SAID 61.455 ACRE TRACT, SAME BEING THE COMMON SOUTHEAST CORNER OF THE CRAIG WILLIAM MCCALLUM 20.057 ACRE TRACT AS DESCRIBED IN INSTRUMENT NUMBER 20150000001423, (D.R.R.C.T.), FROM WHICH A 1/2" IRON ROD WITH CAP STAMPED "DC&A" BEARS SOUTH 60 DEGREES 38 MINUTES 16 SECONDS EAST, A DISTANCE OF 1.05 FEET AND A FENCE CORNER BEARS NORTH 89 DEGREES 37 MINUTES 12 SECONDS EAST, A DISTANCE OF 0.71 FEET;

**THENCE** NORTH 00 DEGREES 53 MINUTES 26 SECONDS WEST, A DISTANCE OF 1320.98 FEET TO A MAG NAIL WITH WASHER STAMPED "ONEAL 6570" SET IN THE APPROXIMATE CENTERLINE OF CLEM ROAD (NO RECORD FOUND BY SURVEYOR) AT THE NORTHWEST CORNER OF SAID 61.455 ACRE TRACT AND THE NORTHEAST CORNER OF THE ABOVE-MENTIONED 20.057 ACRE TRACT;

**THENCE** NORTH 98 DEGREES 59 MINUTES 46 SECONDS EAST, A DISTANCE OF 1146.71 FEET WITH THE APPROXIMATE CENTERLINE OF CLEM ROAD AND THE NORTH LINE OF SAID 61.455 ACRE TRACT TO A 1/2" IRON ROD FOUND;

**THENCE** SOUTH 00 DEGREES 08 MINUTES 11 SECONDS EAST, A DISTANCE OF 208.75 FEET LEAVING CLEM ROAD TO A 1/2" IRON ROD WITH RED CAP STAMPED "ONEAL 6570" SET AT AN INTERIOR CORNER OF SAID 61.455 ACRE TRACT;

**THENCE** NORTH 89 DEGREES 52 MINUTES 31 SECONDS EAST, A DISTANCE OF 208.75 FEET TO A 1/2" IRON ROD WITH RED CAP STAMPED "ONEAL 6570" SET FOR AN INTERIOR CORNER OF SAID 61.455 ACRE TRACT;

**THENCE** NORTH 00 DEGREES 05 MINUTES 04 SECONDS WEST, A DISTANCE OF 209.15 FEET TO A MAG NAIL WITH WASHER STAMPED "ONEAL 6570" SET IN THE APPROXIMATE CENTERLINE OF CLEM ROAD AND AN EXTERIOR CORNER OF SAID 61.455 ACRE TRACT;

**THENCE** NORTH 89 DEGREES 44 MINUTES 43 SECONDS EAST, A DISTANCE OF 261.79 FEET WITH THE NORTH LINE OF SAID 61.455 ACRE TRACT TO A CONCRETE MONUMENT FOUND IN THE SOUTHWEST LINE OF FARM-TO-MARKET ROAD 3549;

**THENCE** SOUTH 62 DEGREES 32 MINUTES 57 SECONDS EAST, A DISTANCE OF 205.29 FEET WITH THE SOUTHWEST LINE OF FARM-TO-MARKET ROAD 3549 AND THE COMMON NORTHEAST LINE OF SAID 61.455 ACRE TRACT, TO A BROKEN CONCRETE MONUMENT FOUND AT THE BEGINNING OF A CURVE TO THE RIGHT HAVING A DELTA ANGLE OF 063 DEGREES 42 MINUTES 40 SECONDS, A RADIUS OF 713.94 FEET AND A LONG CHORD THAT BEARS SOUTH 30 DEGREES 30 MINUTES 10 SECONDS EAST FOR A DISTANCE OF 753.61 FEET;

**THENCE** SOUTHEASTERLY WITH SAID CURVE TO THE RIGHT AND THE SOUTHWEST LINE OF FARM-TO-MARKET ROAD 3549 AND THE COMMON NORTHEAST LINE OF SAID 61.455 ACRE TRACT, AN ARC LENGTH OF 793.88 FEET TO A BROKEN CONCRETE MONUMENT FOUND;

**THENCE** SOUTH 01 DEGREES 28 MINUTES 55 SECONDS WEST, WITH THE WEST LINE OF FARM-TO-MARKET ROAD 3549 AND THE COMMON EAST LINE OF SAID 61.455 ACRE TRACT, A DISTANCE OF 580.93 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 62.517 ACRES OF LAND, MORE OR LESS.

**TRACT 2**

**BEING** 1.785 ACRES OF LAND LOCATED IN THE WILLIAM DALTON SURVEY, ABSTRACT NUMBER 72, ELLIS COUNTY, TEXAS, BEING ALL OF THAT CERTAIN CALLED 1.781 ACRE TRACT AS DESCRIBED TO UNISON INVESTMENT BY DEED RECORDED IN VOLUME 489, PAGE 23, DEED RECORDS, ROCKWALL COUNTY, TEXAS (D.R.R.C.T.) AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS;

**BEGINNING** AT A 1/2" IRON ROD FOUND AT THE NORTHEAST CORNER OF THE ABOVE-MENTIONED 1.781 ACRE TRACT;

**THENCE** SOUTH 01 DEGREES 54 MINUTES 03 SECONDS WEST, AT 480.25 FEET PASS A 1/2" IRON ROD FOUND AND CONTINUING FOR A TOTAL DISTANCE OF 491.92 FEET TO A POINT FOR CORNER IN THE NORTHEAST LINE OF FARM-TO-MARKET ROAD 3549 AT THE SOUTH CORNER OF SAID 1.781 ACRE TRACT AND BEING AT THE BEGINNING OF A CURVE TO THE LEFT HAVING A DELTA ANGLE OF 045 DEGREES 15 MINUTES 25 SECONDS, A RADIUS OF 813.94 FEET AND A LONG CHORD THAT BEARS NORTH 39 DEGREES 49 MINUTES 00 SECONDS WEST FOR A DISTANCE OF 626.33 FEET;

**THENCE** NORTHWESTERLY WITH SAID CURVE TO THE LEFT AND THE NORTHEAST LINE OF FARM-TO-MARKET ROAD 3549 AND THE SOUTHWEST LINE OF SAID 1.781 ACRE TRACT, AN ARC LENGTH OF 642.92 FEET TO A 1/2" IRON ROD FOUND;

**THENCE** NORTH 62 DEGREES 26 MINUTES 42 SECONDS WEST, A DISTANCE OF 15.77 FEET WITH THE NORTHEAST LINE OF FARM-TO-MARKET ROAD 3549 TO A 1/2" IRON ROD WITH RED CAP STAMPED "ONEAL 6570" SET AT THE WEST CORNER OF SAID 1.781 ACRE TRACT;

**THENCE** NORTH 89 DEGREES 33 MINUTES 55 SECONDS EAST, A DISTANCE OF 431.37 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 1.785 ACRES OF LAND, MORE OR LESS

## SURVEYOR'S CERTIFICATE

TO: OAK NATIONAL HOLDINGS, LLC; TITLE RESOURCES GUARANTY COMPANY;

THIS IS TO CERTIFY THAT THIS MAP OR PLAT AND THE SURVEY ON WHICH IT IS BASED WERE MADE IN ACCORDANCE WITH THE 2016 MINIMUM STANDARD DETAIL REQUIREMENTS FOR ALTA/NSPS LAND TITLE SURVEYS, JOINTLY ESTABLISHED AND ADOPTED BY ALTA AND NSPS, AND INCLUDES ITEMS 1, 2, 3, 4, 6(a), 7(a), 8, 9, 11, 13, 16 & 17 OF TABLE A THEREOF. THE FIELD WORK WAS COMPLETED ON APRIL 19, 2019.

M. DALTON SURVEY, ABSTRACT NO. 72, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'* AND DEPICTED HEREIN BY *EXHIBIT 'B'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the City has received a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 1 (SF-1) District land uses, on a 62.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* and depicted in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

**WHEREAS**, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

**NOW, THEREFORE**, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

**SECTION 1.** That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

**SECTION 2.** That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, depicted in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

**SECTION 3.** That development of the *Subject Property* shall generally be in accordance with the *Density and Development Standards*, outlined in *Exhibit 'D'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'D'*, which is deemed hereby to be a

condition of approval of the amended zoning classification for the *Subject Property*;

**SECTION 4.** That a *Master Parks and Open Space Plan* for the *Subject Property*, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan* described in *Exhibit 'C'* of this ordinance, shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

**SECTION 5.** That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 6(b) through 6(f) below*), shall be the exclusive procedures applicable to the subdivision and platting of the *Subject Property*.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for a *Master Parks and Open Space Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Master Parks and Open Space Plan
(2) Master Plat
(3) Preliminary Plat
(4) PD Site Plan
(5) Final Plat

(c) *Master Parks and Open Space Plan.* An *Master Parks and Open Space Plan* for the *Subject Property*, as depicted in *Exhibit 'C'* of this ordinance, prepared in accordance with this ordinance, shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

(d) *Master Plat.* A *Master Plat* for the *Subject Property*, as depicted in *Exhibit 'C'* of this ordinance, shall be submitted and shall identify the proposed timing of each phase of the proposed development. A *Master Plat* application may be processed by the City concurrently with a *Master Parks and Open Space Plan* application for the development.

(e) *Preliminary Plat.* A *Preliminary Plat* for each phase of the *Subject Property*, as depicted in *Exhibit 'C'* of this ordinance, shall be submitted in accordance with the phasing plan established by the *Master Plat* and shall include a *Treescape Plan* for the phase being *Preliminary Platted*. A *Preliminary Plat* application may be processed by the City concurrently with a *Master Plat* and a *Master Parks and Open Space Plan* application for the development.

(f) *PD Site Plan.* A *PD Site Plan* for each phase of the development of the *Subject Property*, as depicted in *Exhibit 'C'* of this ordinance, shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Final Plat* application for the development.

(g) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, shall be submitted for approval.

**SECTION 6.** That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and

each and every day such offense shall continue shall be deemed to constitute a separate offense;

**SECTION 7.** That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

**SECTION 8.** The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

**SECTION 9.** That this ordinance shall take effect immediately from and after its passage;

**PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF JULY, 2019.**

_____
Jim Pruitt, *Mayor*

**ATTEST:**

DRAFT ORDINANCE 06.11.2019

**Exhibit 'A':**
*Legal Description*

**BEING** 62.517 acres of land located in the WILLIAM DALTON SURVEY, ABSTRACT NUMBER 72, Ellis County, Texas, being all of that certain called 61.455 acre tract as described to Unison Investment by deed recorded in volume 489, page 23, Deed Records, Rockwall County, Texas (D.R.R.C.T.) and being more particularly described by metes and bounds as follows:

**BEGINNING** at a fence corner found in the west line of Farm-to-Market Road 3549 (100' right-of-way) at the southeast corner of the above-mentioned 61.455 acre tract;

**THENCE** South 89 degrees 25 minutes 31 seconds West, at a distance of 484.49 feet pass 3.62 feet right of a 5/8" iron pipe found and continuing for a total distance of 1353.00 feet with the south line of said 61.455 acre tract to a 1/2" iron pipe found at the northwest corner of the William Kyle Allen et ux 12.888 acre tract as described in Volume 153, Page 629, (D.R.R.C.T.) and the northeast corner of the Robert Peoples and Megan Peoples 10.00 acre tract as described in Instrument Number 2013000483387, (D.R.R.C.T.);

**THENCE** South 89 degrees 24 minutes 55 seconds West, a distance of 329.15 feet with the south line of said 61.455 acre tract to a 1/2" iron rod with red cap stamped "ONEAL 6570" set at the northwest corner of the above-mentioned 10.00 acre tract and the northeast corner of the Billy Conrad Hagen 4.030 acre tract as described in Volume 103, Page 775, (D.R.R.C.T.);

**THENCE** South 89 degrees 55 minutes 41 seconds West, a distance of 328.28 feet with the south line of said 61.455 acre tract, same being the common north line of the above-mentioned 4.030 acre tract and the Lorin Preston Larman and Jeanne Larman 4.962 acre tract as described in Volume 3679, Page 25, (D.R.R.C.T.) to a 5/8" iron rod found at the northwest corner of the just mentioned 4.962 acre tract;

**THENCE** South 89 degrees 37 minutes 12 seconds West, a distance of 136.07 feet to the southwest corner of said 61.455 acre tract, same being the common southeast corner of the Craig William Mccallum 20.057 acre tract as described in Instrument Number 20150000001423, (D.R.R.C.T.), from which a 1/2" iron rod with cap stamped "DC&A" bears South 60 degrees 38 minutes 16 seconds East, a distance of 1.05 feet and a fence corner bears North 89 degrees 37 minutes 12 seconds East, a distance of 0.71 feet;

**THENCE** North 00 degrees 53 minutes 26 seconds West, a distance of 1320.98 feet to a mag nail with washer stamped "ONEAL 6570" set in the approximate centerline of Clem Road (no record found by surveyor) at the northwest corner of said 61.455 acre tract and the northeast corner of the above-mentioned 20.057 acre tract;

**THENCE** North 88 degrees 59 minutes 46 seconds East, a distance of 1146.71 feet with the approximate centerline of Clem Road and the north line of said 61.455 acre tract to a 1/2" iron rod found;

**THENCE** South 00 degrees 08 minutes 11 seconds East, a distance of 208.75 feet leaving Clem Road to a 1/2" iron rod with red cap stamped "ONEAL 6570" set at an interior corner of said 61.455 acre tract;

**THENCE** North 89 degrees 52 minutes 31 seconds East, a distance of 208.75 feet to a 1/2" iron rod with red cap stamped "ONEAL 6570" set for an interior corner of said 61.455 acre tract;

**THENCE** North 00 degrees 05 minutes 04 seconds West, a distance of 209.15 feet to a mag nail with washer stamped "ONEAL 6570" set in the approximate centerline of Clem Road and an

exterior corner of said 61.455 acre tract;

**THENCE** North 89 degrees 44 minutes 43 seconds East, a distance of 261.79 feet with the north line of said 61.455 acre tract to a concrete monument found in the southwest line of Farm-To-Market Road 3549;

**THENCE** South 62 degrees 32 minutes 57 seconds East, a distance of 205.29 feet with the southwest line of Farm-To-Market Road 3549 and the common northeast line of said 61.455 acre tract, to a broken concrete monument found at the beginning of a curve to the right having a delta angle of 063 degrees 42 minutes 40 seconds, a radius of 713.94 feet and a long chord that bears South 30 degrees 30 minutes 10 seconds East for a distance of 753.61 feet;

**THENCE** southeasterly with said curve to the right and the southwest line of Farm-To-Market Road 3549 and the common northeast line of said 61.455 acre tract, an arc length of 793.88 feet to a broken concrete monument found;

**THENCE** south 01 degrees 28 minutes 55 seconds west, with the west line of Farm-To-Market Road 3549 and the common east line of said 61.455 acre tract, a distance of 580.93 feet to the **POINT OF BEGINNING** and containing 62.517 acres of land, more or less.

*Survey*

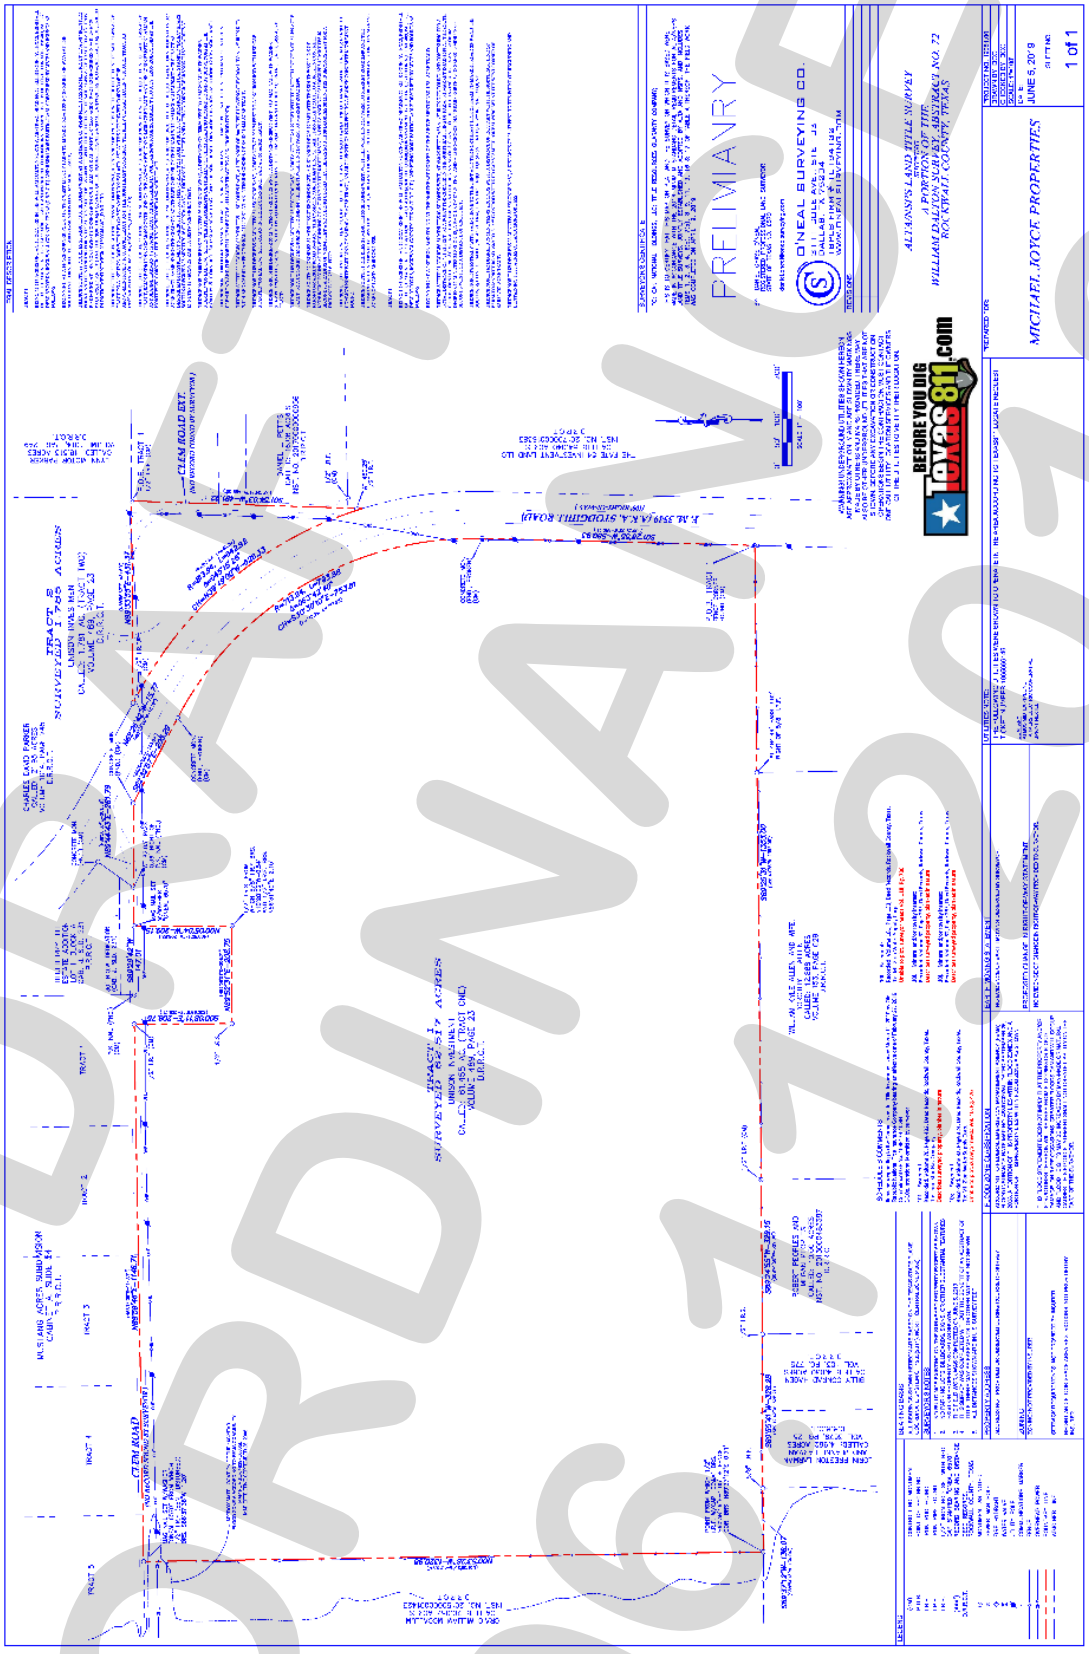

**Exhibit 'C':**
*Concept Development Plan*

DRAFT
06.11.2019

**Exhibit 'D':**
*Density and Development Standards*

***Density and Development Standards.***

1. *Permitted Uses.* Unless specifically provided by this Planned Development District ordinance, only those uses permitted within the Single Family 1 (SF-1) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'C'* and stated in *Table 1*, which is as follows:

*Table 1: Lot Composition*

| *Lot Type* | *Minimum Lot Size (FT)* | *Minimum Lot Size (SF)* | *Dwelling Units (#)* | *Dwelling Units (%)* |
|---|---|---|---|---|
| *A* | 120' x 200' | 43,560 SF | 17 | 43.6% |
| *B* | 130' x 400' | 65,340 SF | 22 | 56.4% |
| | | *Maximum Permitted Units:* | *39* | *100.00%* |

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development District ordinance, the development standards stipulated by the Single Family 1 (SF-1) District, as specified by Article V, *District Development Standards*, of the Unified Development Code (UDC) are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed *0.75* dwelling units per gross acre of land; however, in no case should the proposed development exceed *41* units. All lots shall conform to the standards depicted in *Table 2*, which are as follows:

*Table 2: Lot Dimensional Requirements*

| *Lot Type (see Concept Plan)* ► | ***A*** | ***B*** |
|---|---|---|
| *Minimum Lot Width* [1] | 120' | 130' |
| *Minimum Lot Depth* | 200' | 400' |
| *Minimum Lot Area* | 43,560 SF | 65,340 SF |
| *Minimum Front Yard Setback* [2] & [5] | 70' | 70' |
| *Minimum Side Yard Setback* | 25' | 25' |
| *Minimum Side Yard Setback (Adjacent to a Street)* [2] & [5] | 30' | 30' |
| *Minimum Length of Driveway Pavement* | 70' | 70' |
| *Maximum Height* [3] | 38' | 38' |
| *Minimum Rear Yard Setback* [4] | 50' | 50' |
| *Minimum Area/Dwelling Unit (SF) [Air Conditioned Space]* | 2,500 SF | 2,500 SF |
| *Maximum Lot Coverage* | 20% | 20% |
| *Permitted Encroachment in Required Setbacks*[5] | Allowed | Allowed |

*General Notes:*

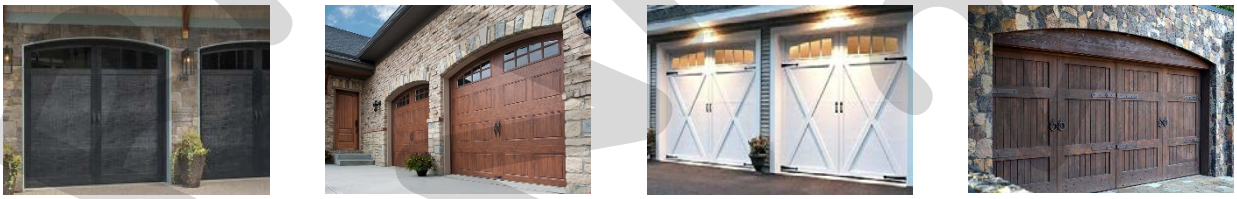
[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (*whichever is greater*) of the single-family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimney, eaves, and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for a property; however, the encroachment shall not exceed five (5) feet on side yard setbacks (adjacent to a street) and shall not encroach into public right-of-way. A sunroom is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces.



4. *Building Standards.* All development shall adhere to the following building standards:

   *(a) Masonry Requirement.* The minimum masonry requirement for the exterior façades of all buildings shall be 80%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementitious fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) may be used for up to 50% of the masonry requirement.

   *(b) Roof Pitch.* A minimum of an *8:12* roof pitch is required on all structures with the exception of porches, which shall have a minimum of a *4:12* roof pitch.

   *(c) Garage Orientation.* Garages shall be oriented in a *traditional swing* (or *j-swing*), side entry, or in a flat-front entry configuration (*i.e. even with the front façade of the primary structure*). Garages utilizing a *traditional swing* (or *j-swing*) are permitted to have a single garage door facing the street that is behind the width of the double car garage that is accessed from a *traditional swing* configuration. All garage doors shall be required to have upgraded finishes (*e.g. divided garage bay doors, carriage style hardware and lighting elements, cedar clad garage doors, or a similar alternative -- to be approved by staff*) [*examples of acceptable garage configurations are depicted in Figure 1*].

***Figure 1:*** *Example Garage Doors*

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see Figures 2 & 3 below*).

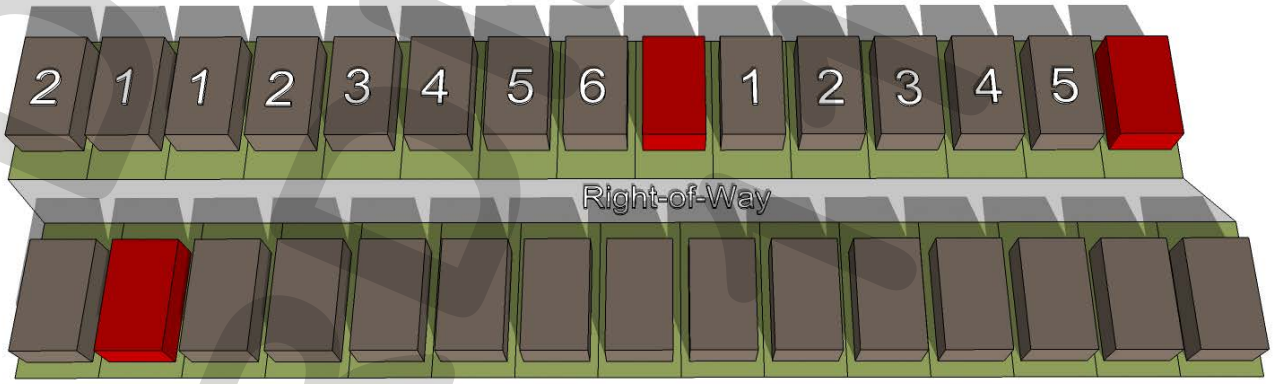
*Table 3 : Anti-Monotony Matrix*

| *Lot Type* | *Minimum Lot Size* | *Elevation Features* |
|---|---|---|
| A | 120' x 200' | (1), (2), (3) |
| B | 130' x 400' | (1), (2), (3) |

   (1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least five (5) intervening homes of differing materials on the same side of the street beginning with the adjacent property and six (6) intervening homes of differing materials on the opposite side of the street.

   (2) Front building elevations shall not repeat along any block face without at least five (5) intervening homes of differing appearance on the same side of the street and six (6) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or Clem Road shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

*(a)* Number of Stories
*(b)* Permitted Encroachment Type and Layout
*(c)* Roof Type and Layout
*(d)* Articulation of the Front Façade



(3) Permitted encroachment (*i.e. porches*) elevations shall not repeat or be the same along any block face without at least five (5) intervening homes of sufficient dissimilarity on the same side of the street beginning with the home adjacent to the subject property and six (6) intervening homes beginning with the home on the opposite side of the street.

(4) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

*Figure 2: Properties line up on the opposite side of the street. Where RED is the subject property.*

*Figure 3: Properties do not line up on opposite side of the street. Where RED is the subject property.*

6. *Fencing Standards.* All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

*(a) Wrought Iron/Tubular Steel*. All Lots shall utilize fencing materials that shall be open in nature and not to exceed six (6) feet in height. Fences that extend beyond the

DRAFT ORDINANCE 06.19

front building line of any structure shall be required to be pipe-rail or similar. No chain link or wooden fencing shall be allowed.

*(b) Wrought Iron/Tubular Steel*. Lots located along the perimeter of the subdivision, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences shall not exceed six (6) feet in height. All perimeter fencing of the development shall incorporate masonry columns at 45-feet off center spacing.

*7. Landscape and Hardscape Standards.*

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in total height.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

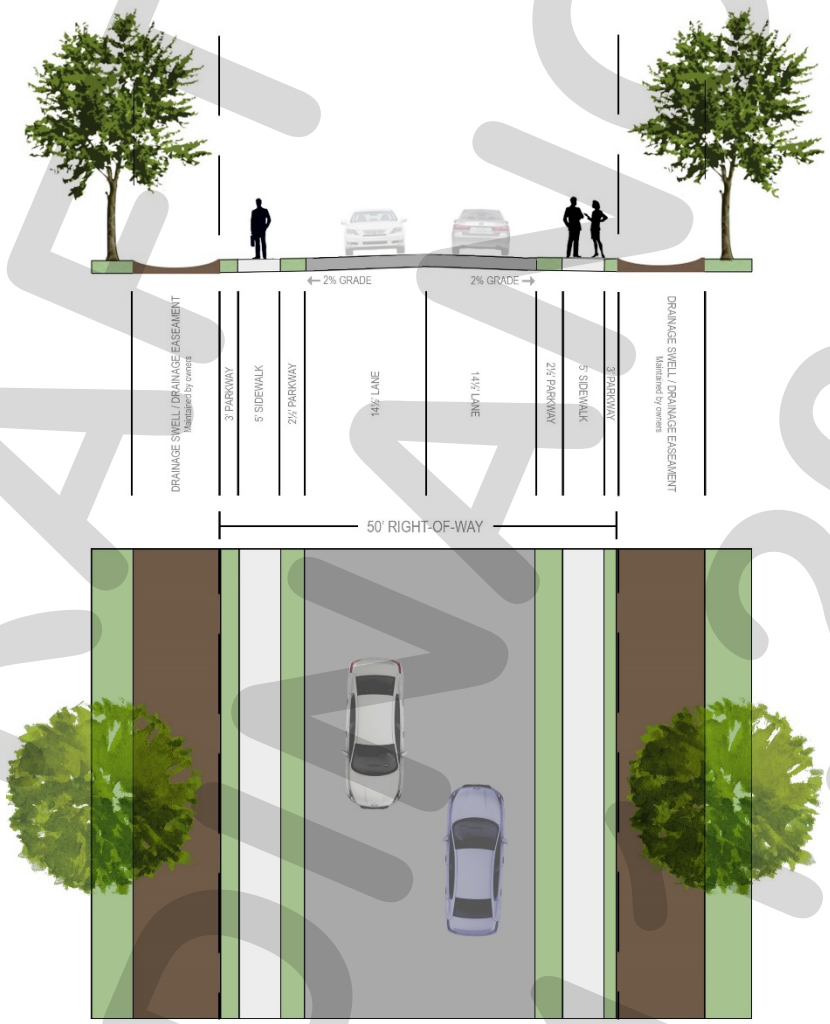
*(a) Landscape Buffer and Sidewalks (FM-3549).* A minimum of a 30-foot landscape buffer shall be provided along FM-3549 (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a five (5) foot sidewalk situated within the 30-foot landscape buffer adjacent to FM-3549.

*(b) Landscape Buffer and Sidewalks (Clem Road).* A minimum 20-foot landscape buffer shall be provided

(3) *Street Trees.* Prior to issuance of a Certificate of Occupancy (CO), all residential single-family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by Section 7.1 of this ordinance in the following sizes and proportions:

(i) Three (3), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of the required lots

(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the rear yards of the required lots.



(iii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the side yards facing the street.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association (HOA).

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the *PD Site Plan*.

8. *Streets.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to the City's street standards as shown below in *Figure 3.*

***Figure 3:*** *Rural-Local Roadway Cross-section*

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

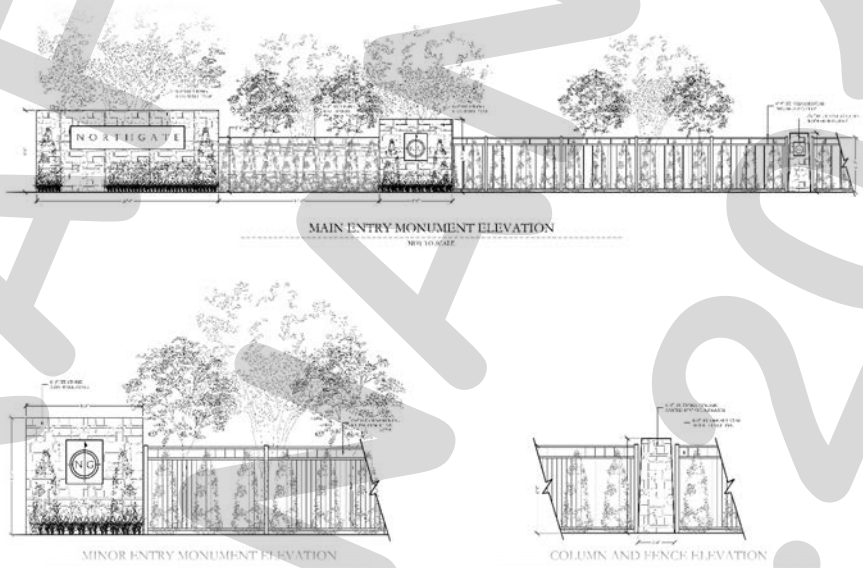
10. *Sidewalks.* All sidewalks adjacent to a street shall be a maximum of three (3) feet inside the right-of-way line and be five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be

considered ***existing lines*** at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

12. *Neighborhood Signage and Enhancements.* Permanent subdivision identification signage shall be permitted at all major and minor entry points for the proposed subdivision (*shown in Figure 5 below*). Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*. The developer shall provide enhanced landscaping areas within the Subject Property as generally depicted in *Figure 4.* The final design of these areas shall be provided on the PD Site Plan.

***Figure 4:*** *Neighborhood Signage*



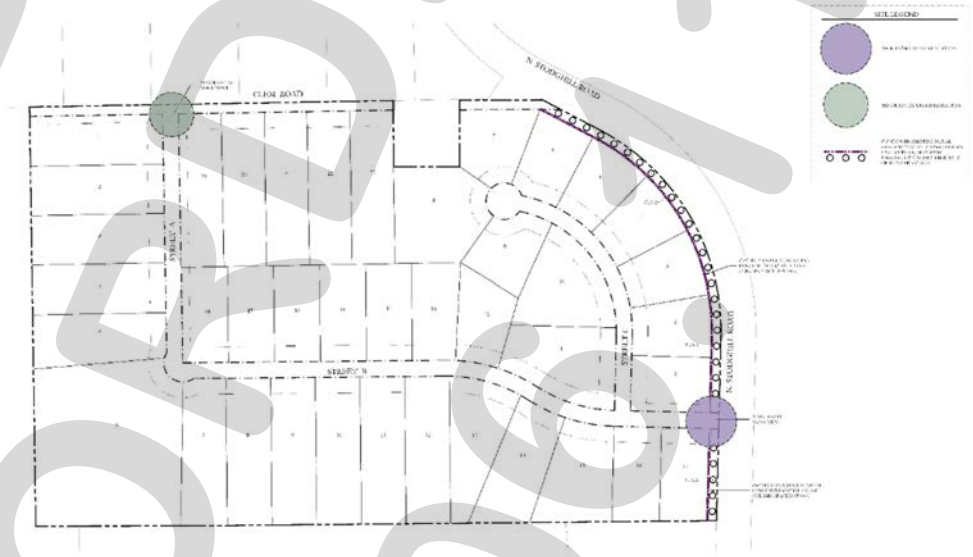


***Figure 5:*** *Neighborhood Signage/Enhanced Landscaping Areas*

DRAFT
09.12.2019

13. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of *Section 38-15* of the *Subdivision Regulations* contained within the Municipal Code of Ordinances of the City of Rockwall. The HOA shall also maintain all private neighborhood parks, trails, open space and common areas (*including drainage facilities*), irrigation, landscaping, screening fences and neighborhood signage associated with this development.

14. *On-Site Sewage Facilities. Septic Systems* are permitted on all lots within this subdivision pending conformance to the following standards:

    *(a)* All *Septic Systems* shall be designed by a licensed *On-Site Sewage Facility (OSSF)* professional (*e.g. licensed engineer, sanitarian, and etcetera*).

    *(b)* A stamped and signed copy of the *Septic System* plans indicating the full limits of the septic field shall be submitted to the city at the time of building permit on a *lot-by-lot* basis.

    *(c)* All *Septic Systems* shall be inspected and approved by the City's chosen inspector.

15. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

# CITY OF ROCKWALL

PLANNING AND ZONING COMMISSION CASE MEMO

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | June 11, 2019 |
| **APPLICANT:** | Jimmy Strohmeyer, *Strohmeyer Architects, Inc.* |
| **CASE NUMBER:** | Z2019-013; *Amended PD Development Plan for PD-32* |

## SUMMARY

Hold a public hearing to discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Dan Bobst of J-BR2, LLC for the approval of a PD Development Plan within Planned Development District 32 (PD-32), on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas, situated within the *Hillside Sub-District* of Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive, and take any action necessary.

## BACKGROUND

On September 20, 2010, the City Council passed *Ordinance No. 10-21* [*Planned Development District 32 (PD-32)*], which established a concept plan and development standards for the approximate 78.89-acre tract of land commonly referred to as *PD-32* or the *Harbor District*. Within the approved concept plan, *PD-32* was divided into ten (10) subdistricts that contained individual development and land use standards. On November 17, 2014, the City Council adopted *Ordinance No. 14-51*, which contained a PD Development Plan for a 2.893-acre tract of land located in the *Hillside Subdistrict*. This PD Development Plan showed a series of buildings would be constructed along Harbor Heights Drive in conformance to the requirements of *Ordinance No. 10-21*. With the approval of *Ordinance No. 14-51*, the City Council also approved waivers to the building placement requirements and pedestrian access requirements to allow retaining walls ranging from seven (7) to nine (9) feet in height to be established along Harbor Heights Drive. The approval of these walls were tied to building elevations submitted by the applicant and which were tied down as apart of the City Council's approval. On May 1, 2017, the City Council adopted *Ordinance No. 17-22*, which amended *Ordinance No. 10-21* to update various exhibits in the ordinance; however, no changes were made to the requirements of the *Hillside Subdistrict* or for the subject property.

## PURPOSE

On May 15, 2019, the applicant -- *Jimmy Strohmeyer of Strohmeyer Architects, Inc.* -- submitted an application requesting to amend *Ordinance No. 14-51* to change the *PD Concept Plan* approved for the subject property. According to *Ordinance No. 17-22* [*the regulating ordinance for Planned Development District 32 (PD-32)*], the purpose of a PD Development Plan is to ensure that a proposed development meets the intent of the subdistrict and/or to address any waivers required by the development. *Ordinance No. 17-22* goes on to state that the *Hillside Subdistrict*, in which the subject property is located, is intended "… to provide a cluster of restaurant anchors that can contribute to the creation of a vibrant, pedestrian oriented character within the Harbor District." In this case, the applicants proposed development meets this intent of the *Hillside Subdistrict*; however, the submitted *PD Concept Plan* will require waivers to the building placement and parking requirements stipulated in *Ordinance No. 17-22*.

## ADJACENT LAND USES AND ACCESS

The subject property is located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property is a 0.293-acre tract of land zoned Planned Development District 32 (PD-32), which is located within the *Hillside Subdistrict*. Currently situated on this property is a ~3,743 SF multi-tenant office building. Beyond this are the frontage roads and main lanes of IH-30.

*South*: Directly south of the subject property is Harbor Heights Drive, which is classified as a *Street Type 'D'* according to Planned Development District 32 (PD-32) [*Ordinance No. 17-22*]. Beyond this is a 6.1978-acre tract of land owned by the City of Rockwall, and which currently has a parking lot that serves the greater *Harbor District*. This property is zoned Planned Development District 32 (PD-32) and is located within the *Hillside Mixed-Use Subdistrict*.

*East*: Directly east of the subject property is Sunset Ridge Drive, which is identified as a *Street Type 'B'* and *'E'* according to Planned Development District 32 (PD-32) [*Ordinance No. 17-22*]. East of this roadway is a seven (7) story office building (*i.e. Trend Tower*), which is situated on a 2.0617-acre parcel of land that is located within the *Summit Office Subdistrict*.

*West*: Directly east of the subject property is a restaurant (*i.e. Culpepper Steakhouse*), which is situated on a 1.40-acre parcel of land that is located within the *Hillside Subdistrict*. Beyond this is Shoreline Trial, which is identified as a *Street Type 'A'* according to Planned Development District 32 (PD-32) [*Ordinance No. 17-22*]. Beyond this is a restaurant (*i.e. the Oar House*), which is situated on a 0.65-acre parcel of land that is located within the *Freeway Frontage Subdistrict*.

All property within these areas are zoned Planned Development District 32 (PD-32) and are subject to the requirements of *Ordinance No. 17-22*.

## CHARACTERISTICS OF THE REQUEST AND STAFF ANALYSIS

The concept plan for the *Hillside Subdistrict* contained in *Ordinance No. 17-22* calls for existing slopes between 8-12% with the incorporation of two (2) pedestrian opportunities extending perpendicular to Harbor Heights Drive at not more than 2% slope. Harbor Heights Drive -- *which is intended to serve as the "…primary connector to the existing Harbor Development and is a primary street frontage for retail, residential and mix use development within [the] adjacent subdistricts…"* -- is designated as a *Street Type 'D'*, and was constructed by the City with slopes of 10.3% with one (1) pedestrian crossing, situated in the center of the roadway, constructed at a 1% slope in accordance to the concept plan. Additionally, the original concept plan contained in *Ordinance No. 17-22* depicted smaller pad sites that stepped down to adjust for the slope of the street, which allowed for storefronts and patios to be *at* or *closer to* grade. The PD Concept Plan approved with *Ordinance No. 14-51* incorporated larger pad sites, which made it more difficult to step the buildings down to a pedestrian level. As a result, the ordinance was approved allowing the use of retaining walls, ranging in size from seven (7) to nine (9) feet adjacent to Harbor Heights Drive. A major consideration in allowing the retaining walls was the incorporation of building elevations showing how the retaining walls would be incorporated into the development. In this case, the amended PD Concept Plan reduces the number of buildings adjacent to Harbor Heights Drive, but continues to incorporate larger pad sites that may require retaining walls. Since the applicant has not submitted building elevations with the revised PD Development Plan, staff has included a condition of approval allowing retaining walls -- *not to exceed seven (7) feet in height* -- that will require discretionary approval by the Planning and Zoning Commission pending a recommendation from the Architectural Review Board (ARB).

In addition, the submitted PD Concept Plan shows that the continuous row of buildings adjacent to Harbor Heights Drive, approved with *Ordinance No. 14-51*, will be broken up to incorporate a park/central green space. The removed building square footage will be increased and relocated adjacent to Sunset Ridge Drive. While this does deviate from the concept plan approved with *Ordinance No. 17-22*, it does not appear to have a negative impact on the adjacent properties, the *Hillside Subdistrict* as a whole, or the greater Harbor District.

**CONFORMANCE WITH PLANNED DEVELOPMENT DISTRICT 32 (PD-32)**

According to *Ordinance No. 17-22*, "(i)n order to provide flexibility and create high quality projects, an applicant for development within the PD District [*PD*-32] may request a waiver of the following District or Subdistrict standards: (1) Building Placement Requirements, (2) Landscape Standards, (3) Parking Requirements, (4) Parking Garage Design Standards, and (5) Increased Building Height in any Subdistrict." Based on the applicant's submittal staff has identified the following waivers to the requirements of *Ordinance No. 17-22*:

(1) *Building Placement.*

(a) *Building Form.* According to *Exhibit 'E-2'* of *Ordinance No. 17-22*, a minimum of 85% of the block face along Harbor Heights Drive must be defined by a building façade. In this case the applicant is showing that only 63% of the block face along Harbor Heights Drive is defined by a building façade. As a compensatory measure staff has suggested to the applicant that the incorporation of a seat wall adjacent to the park/central green space would help off-set the requested waiver. The applicant has agreed to incorporate this design element in accordance with the design guidelines contained in *Resolution No. 10-40*.

(b) *Setbacks*. According to *Exhibit 'E-2'* of *Ordinance No. 17-22*, the minimum building setback from the right-of-way line adjacent to IH-30 is 250-feet. The submitted PD Concept Plan shows that the buildings adjacent to Sunset Ridge Drive will be situated within this setback. Staff should note that the existing restaurant (*i.e. Culpepper Steakhouse*) and adjacent office building located at Shoreline Trail and the IH-30 frontage road is currently are both within this setback, and that this waiver would not set a precedence within the *Hillside Subdistrict*.

(2) *Parking.*

(a) *Surface Parking Setbacks*. According to *Exhibit 'E-2'* of *Ordinance No. 17-22*, the minimum parking setback from the IH-30 frontage road right-of-way line is 20-feet. The submitted PD Concept Plan shows that one (1) parking space will be located approximately 15-feet from the right-of-way line. Staff should point out that both the existing restaurant (*i.e. Culpepper Steakhouse*) and the adjacent office building have parking that does not conform to this requirement. In addition, staff has examined this waiver request and determined that is should not pose a negative impact on the remainder of the Hillside Subdistrict. As a compensatory measure, staff has included a condition of approval that the applicant incorporate additional landscape screening in this area.

With regard to granting waivers, *Ordinance No. 17-22* states that "… (w)aivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission … [and] In order to approve a waiver, the City Council must find that the waiver:

(1) Meets the general intent of the PD District or Subdistrict in which the property is located; and,
(2) Will result in an improved project which will be an attractive contribution to the PD District or Subdistrict; and,
(3) Will not prevent the implementation of the intent of this PD District."

In this case, the proposed project does appear to meet the general intent of the *Hillside Subdistrict*, which according to *Ordinance No. 17-22* is "…to provide a cluster of restaurant anchors that can contribute to the creation of a vibrant, pedestrian oriented character within the Harbor District". Staff should also point out, that the applicant and staff have proposed several compensatory measures that may help to off-set the requested waivers; however, granting any waivers to the requirements of *Ordinance No. 17-22* is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

## INFRASTRUCTURE

There are no infrastructure requirements associated with the proposed PD Development Plan beyond the standard requirements stipulated by the Municipal Code of Ordinances, the Unified Development Code (UDC), and the Engineering Department's *Standards of Design and Construction* manual.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

By virtue of being in Planned Development District 32 (PD-32) and generally conforming to *Ordinance No. 17-22*, the proposed PD Development Plan conforms to the majority of the district strategies intended for properties in the *Harbor District* of the *Land Use Plan* as stipulated by the OURHometown Vision 2040 Comprehensive Plan. Looking at the specific goals and policies identified for *Mix-Use Developments* contained in Chapter 1, *Land Use and Growth Management*, of the OURHometown Vision 2040 Comprehensive Plan, the proposed PD Development Plan conforms to all the policies with the exception of *Policy #4* of *Goal # 1*, which states that developments should, "(r)educe barriers (*e.g. walls, parking lots, solid landscaping, fences, etc.*) between land uses to encourage pedestrian connectivity." In this case, retaining walls may be necessary to accommodate larger pad sites. As a result, staff will work with the applicant through the site planning process to try and reduce the impact of these walls on the pedestrian frontage.

Staff should also point out that the incorporation of the park/central green space -- *while not conforming to the building form requirements* -- does conform to the goals and policies contained in Chapter 3, *Parks, Open Space, and Trails*, of the OURHometown Vision 2040 Comprehensive Plan. Specifically, this section states that staff should, "(e)ncourage the creation of small, private greens and common areas in new neighborhoods, commercial shopping centers, and industrial developments for the purpose of enhancing the character, desirability and quality of social interaction in the city." The programing and layout of the proposed park/central green space will require a recommendation from the Parks & Recreation Board as part of site plan approval. This has been added as a condition of approval of this case memo.

## NOTIFICATIONS

On May 24, 2019, staff mailed 25 notices to property owners and residents within 500 feet of the *Hillside Subdistrict*. Staff also emailed notices to the Lakeside Village and Lago Vista Homeowner's Associations (HOA), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request to amend *Ordinance No. 14-51* by approving the proposed PD Development Plan and requested waivers, then staff would propose the following conditions of approval:

(1) The applicant shall be responsible for maintaining compliance with the conditions contained within the PD Development Plan ordinance and which are summarized as follows:

(a) Development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of the attached PD Development Plan ordinance;

(b) All buildings shall be developed with consideration to the pedestrian access easements/pedestrian ways perpendicular to Harbor Heights Drive, and a seat wall shall be incorporated into the area identified as *Park* in the *Concept Plan* depicted in *Exhibit 'B'* of the attached PD Development Plan ordinance. The pedestrian access easements/pedestrian ways shall be consistent with the design guidelines contained in *Resolution No. 10-40*;

(c) All pedestrian access easements/pedestrian ways shall be required to be dedicated as easements at the time the property is replatted;

(d) All building materials and color schemes proposed for this development should conform to the requirements stipulated by Planned Development District 32 (PD-32) [*as amended*];

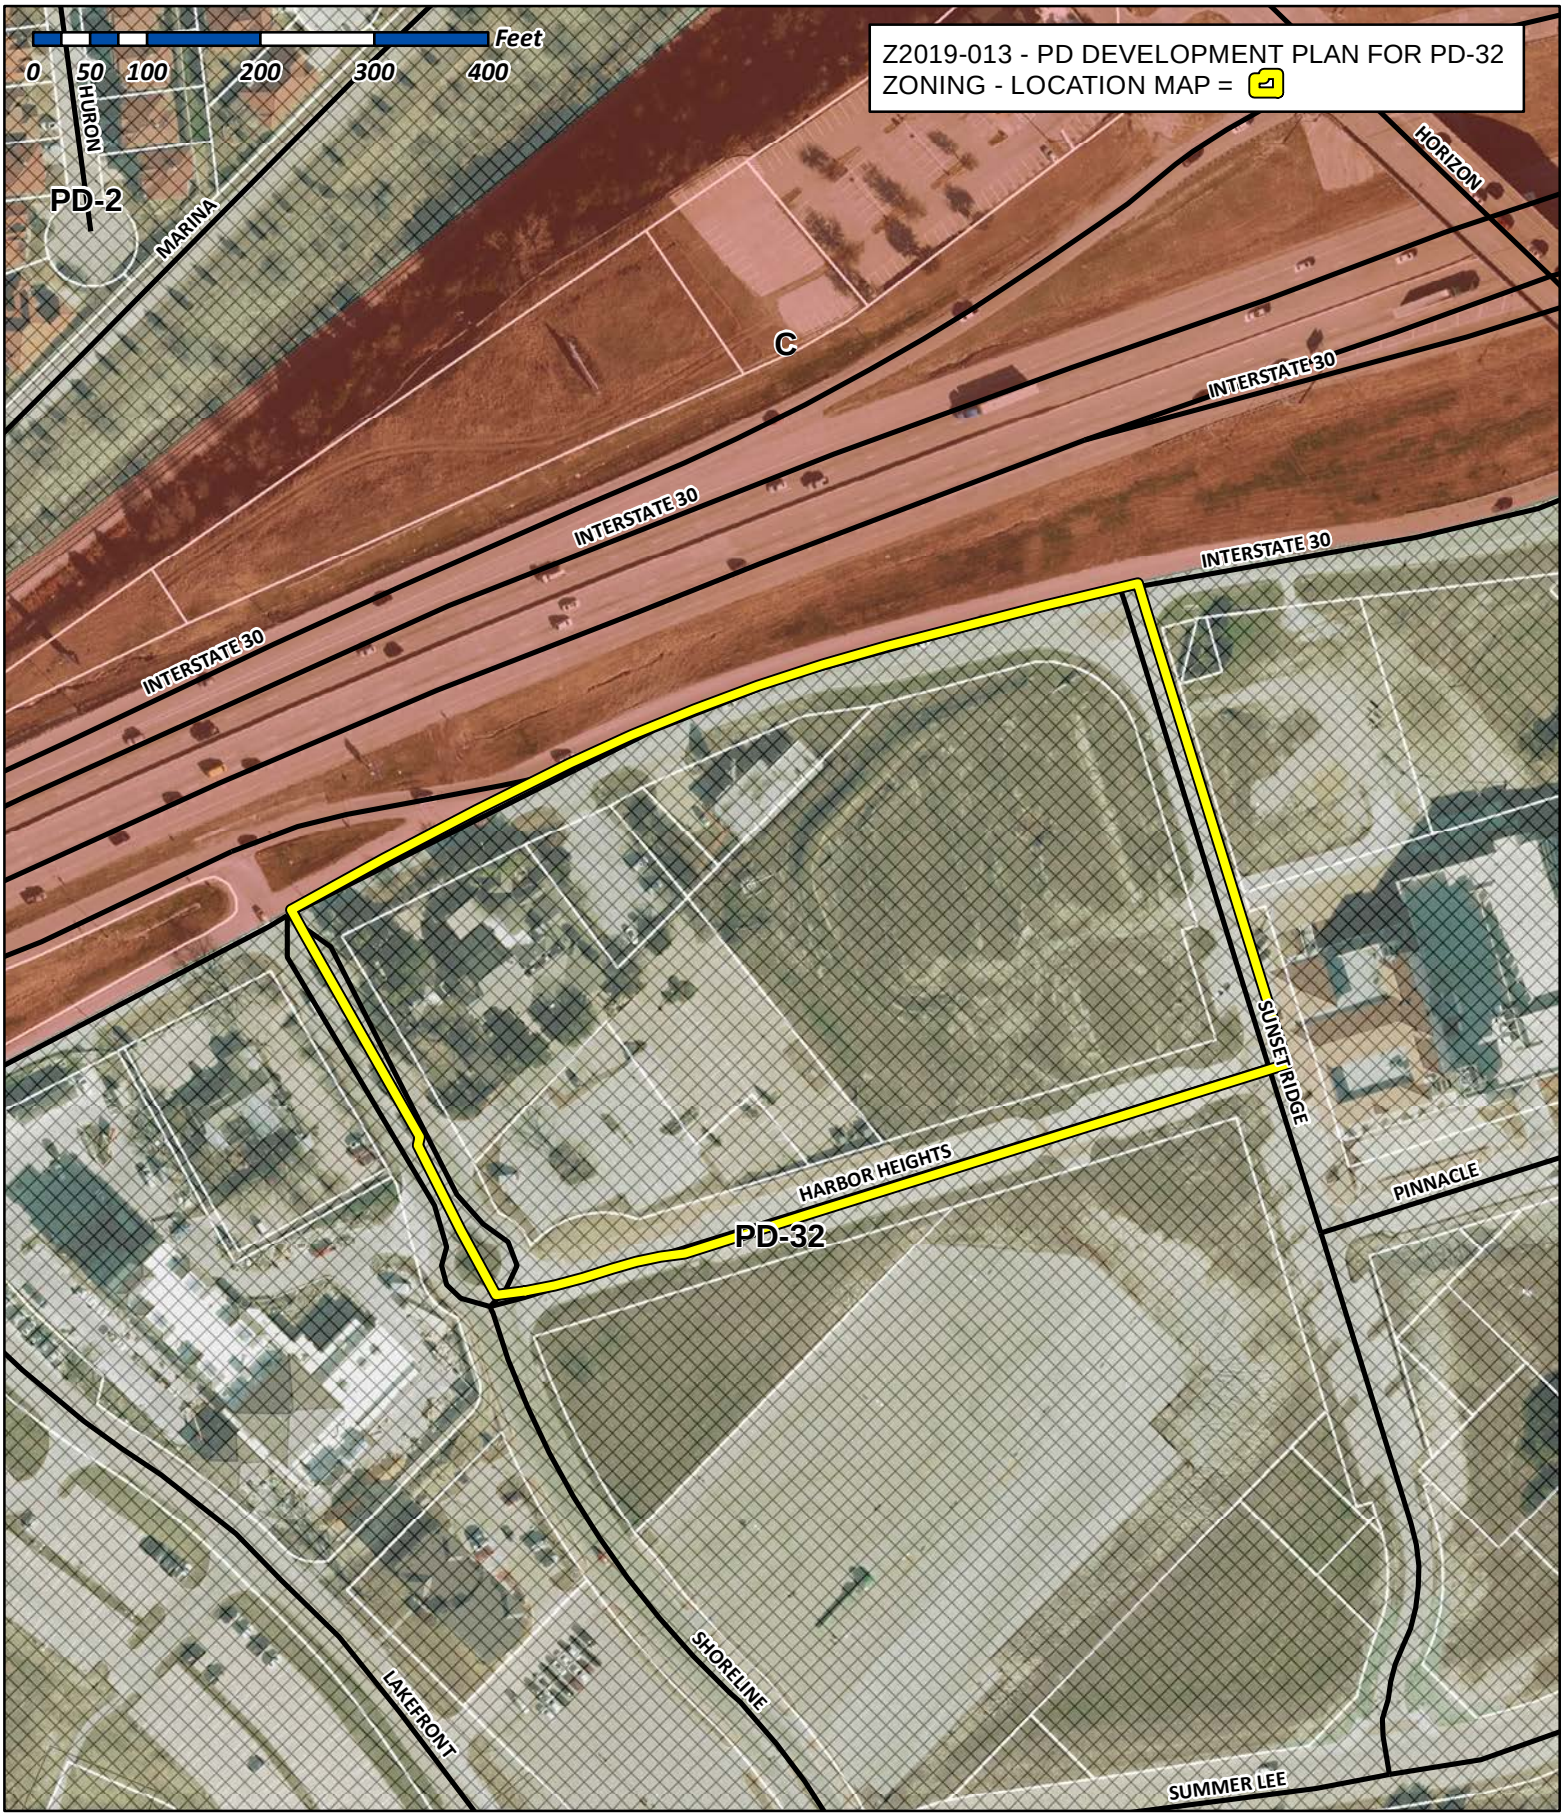
(e) Prior to the issuance of a building permit the applicant shall submit and seek approval for a detailed *PD Site Plan* that demonstrates compliance with all applicable standards of Planned Development District 32 (PD-32) [*as amended*] and with the requirements approved in this ordinance;

(f) All buildings throughout the development shall be constructed with a consistent design scheme, incorporate four (4) sided architecture that creates a dual entry appearance, and be approved by the Architectural Review Board (ARB) at the time of the *PD Site Plan*;

(g) Prior to the issuance of a building permit the applicant shall submit and seek approval for a replat that indicates all necessary easements; and,

(h) The proposed uses for this development shall be required to demonstrate that they have access to a sufficient number of parking spaces within the development itself to support the use.

(2) An Open Space/Master Plan for the park/central green space shall be submitted at the time of site plan, and will require a recommendation from the Parks & Recreation Board concerning its conformance to *Resolution No. 10-40* as part of the approval process;



(3) Screening, in the form of trees and bushes, should be incorporated adjacent to the parking areas -- *specifically adjacent to the parking space that is situated approximately 15-feet from the IH-30 frontage road and for which a waiver is request* -- to reduce the visibility of these areas;

(4) A maximum of a seven (7) foot retaining wall will be permitted adjacent to Harbor Heights Drive; however, every effort should be made to reduce or remove retaining walls adjacent to pedestrian frontages. All retaining walls adjacent to pedestrian frontages will be reviewed at the time of site plan and the Planning and Zoning Commission will retain discretion with regard to proposed retaining walls between three (3) and seven (7) feet in height pending a recommendation from the Architectural Review Board (ARB);

(5) A seat wall shall be incorporated into the design of the proposed park/central green space adjacent to Harbor Heights Drive. The seat wall shall be designed in accordance with the design guidelines contained in *Resolution No. 10-40*;

(6) Pedestrian landscaping elements should be incorporated into the landscape plan submitted with the site plan. Specifically, irrigated pots should be incorporated adjacent to the seat wall along Harbor Heights Drive and throughout the development in accordance with the design guidelines contained in *Resolution No. 10-40*; and,

(7) Any construction resulting from the approval of this zoning change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

---

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attach ed a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that will be published in the Rockwall Herald Banner ***May 24, 2019***. The Planning and Zoning Commission will hold a public hearing on ***Tuesday 6/11/2019 at 6:00 p.m.***, and the City Council will hold a public hearing on ***Monday 6/17/2019 at 6:00 p.m***. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development/development-cases

> **Z2019-013- Hold a public hearing to discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Dan Bobst of J-BR2, LLC for the approval of a PD Development Plan within Planned Development District 32 (PD-32), on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas, situated within the *Hillside Sub-District* of Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive, and take any action necessary.**

If this email is reaching you in error, please forward it to your HOA or neighborhood group representative and update the contact information at http://www.rockwall.com/planning/hoa.asp.

# NOTICE OF PUBLIC HEARING
## CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

**Case No. Z2019-013: PD Development Plan for PD-32**

*Hold a public hearing to discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Dan Bobst of J-BR2, LLC for the approval of a PD Development Plan within Planned Development District 32 (PD-32), on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas, situated within the Hillside Sub-District of Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive, and take any action necessary.*

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/11/2019 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/17/2019 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

**Ryan Miller**
**Rockwall Planning and Zoning Dept.**
**385 S. Goliad Street**
**Rockwall, TX 75087**

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/17/2019** to ensure they are included in the information provided to the City Council.

Sincerely,

**Ryan Miller, AICP**
Director of Planning & Zoning

**ORDINANCE NO. 14-51**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING *ORDINANCE NO. 10-21* OF PLANNED DEVELOPMENT DISTRICT 32 (PD-32) AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A DEVELOPMENT PLAN FOR RETAIL/RESTAURANT PAD SITES ON A 2.893-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK B, HARBOR DISTRICT ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the City has received a request from Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of D. W. Bobst of J-BR2, LLC for an amendment to *Ordinance No. 10-21* of Planned Development District 32 (PD-32) and the Unified Development Code [*Ordinance No. 04-38*] for the purpose of establishing a PD Development Plan for retail/restaurant pad sites within the *Hillside Subdistrict*, on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

**WHEREAS**, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

**SECTION 1.** That Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] and the Unified Development Code [*Ordinance No. 04-38*], as heretofore amended, shall be further amended by adopting this PD Development Plan and amending the official zoning map of the City of Rockwall for the *Subject Property*; and,

**SECTION 2.** That development of the *Subject Property* shall generally be in accordance with the PD Development Plan, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*; and,

**SECTION 3.** That development of the *Subject Property* shall generally be in accordance with the Concept Building Elevations, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*; and,

**SECTION 4.** That the *Subject Property* shall be used only in the manner and for the purposes provided for in Planned Development District 32 (PD-32) [*Ordinance No. 10-21*], the Unified Development Code [*Ordinance No. 04-38*], and in compliance with the following conditions and requirements:

1) Development of this property shall generally conform to the *PD Development Plan* depicted in *Exhibit 'B'* of this ordinance;

2) Development of this property shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of this ordinance;

3) All buildings shall be developed with consideration to the pedestrian access adjacent to Harbor Heights Drive. Additionally, the design of the buildings shall include four (4) sided architecture that creates a dual entry appearance, with buildings fronting on to IH-30 and Harbor Heights Drive;

4) Building façades must be situated no greater than 27-feet from the build-to-line adjacent to Harbor Heights Drive;

5) All building materials and color schemes proposed for this development should conform to the requirements stipulated by Planned Development District 32 (PD-32);

6) Prior to the issuance of a Building Permit the applicant shall submit and seek approval for a detailed *PD Site Plan* that demonstrates compliance with all applicable standards of Planned Development District 32 (PD-32) [*as amended*] and with the requirements approved in this ordinance;

7) All buildings throughout the development shall be constructed with a consistent design scheme, and be approved by the Architectural Review Board (ARB) at the time of the *PD Site Plan*;

8) Prior to the issuance of a Building Permit the applicant shall submit and seek approval for a replat that indicates all necessary easements; and,

9) The proposed uses for this development shall be required to demonstrate that they have access to a sufficient number of parking spaces within the development itself to support the use.

**SECTION 5.** That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

**SECTION 6.** That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

**SECTION 7.** The standards in this ordinance shall control in the event of a conflict between this

ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

**SECTION 8.** That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

**PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 17TH DAY OF NOVEMBER, 2014.**

David Sweet, Mayor

DEVELOPMENT CONCEPT PLAN

A100

**CITY OF ROCKWALL**

**ORDINANCE NO. 19-XX**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING *ORDINANCE NO. 14-51 & 17-22* OF PLANNED DEVELOPMENT DISTRICT 32 (PD-32) AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A PD DEVELOPMENT PLAN FOR RETAIL/RESTAURANT PAD SITES ON A 2.893-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK B, HARBOR DISTRICT ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the City has received a request from Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of D. W. Bobst of J-BR2, LLC for an amendment to *Ordinance No. 14-51* of Planned Development District 32 (PD-32) [*Ordinance No. 14-51*] and the Unified Development Code [*Ordinance No. 04-38*] for the purpose of establishing a PD Development Plan for retail/restaurant pad sites within the *Hillside Subdistrict*, on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

**WHEREAS**, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 32 (PD-32) [*Ordinance No.'s 14-51 & 17-22*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

**NOW, THEREFORE**, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

**SECTION 1.** That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No. 14-51*;

**SECTION 2.** That Planned Development District 32 (PD-32) [*Ordinance No. 17-22*] and the Unified Development Code [*Ordinance No. 04-38*], as heretofore amended, shall be further amended by adopting this PD Development Plan and amending the official zoning map of the City of Rockwall for the *Subject Property*; and,

**SECTION 3.** That development of the *Subject Property* shall generally be in accordance with the PD Development Plan, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*; and,

**SECTION 4.** That the *Subject Property* shall be used only in the manner and for the purposes provided for in Planned Development District 32 (PD-32) [*Ordinance No. 17-22*], the Unified Development Code [*Ordinance No. 04-38*], and in compliance with the following conditions and requirements:

1) Development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance;

2) All buildings shall be developed with consideration to the pedestrian access easements/pedestrian ways perpendicular to Harbor Heights Drive, and a seat wall shall be incorporated into the area identified as *Park* in the *Concept Plan* depicted in *Exhibit 'B'*. The pedestrian access easements/pedestrian ways shall be consistent with the design guidelines contained in *Resolution No. 10-40*;

3) All pedestrian access easements/pedestrian ways shall be required to be dedicated as easements at the time the property is replatted;

4) All building materials and color schemes proposed for this development should conform to the requirements stipulated by Planned Development District 32 (PD-32) [*as amended*];

5) Prior to the issuance of a building permit the applicant shall submit and seek approval for a detailed *PD Site Plan* that demonstrates compliance with all applicable standards of Planned Development District 32 (PD-32) [*as amended*] and with the requirements approved in this ordinance;

6) All buildings throughout the development shall be constructed with a consistent design scheme, incorporate four (4) sided architecture that creates a dual entry appearance, and be approved by the Architectural Review Board (ARB) at the time of the *PD Site Plan*;

7) Prior to the issuance of a building permit the applicant shall submit and seek approval for a replat that indicates all necessary easements; and,

8) The proposed uses for this development shall be required to demonstrate that they have access to a sufficient number of parking spaces within the development itself to support the use.

**SECTION 5.** That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

**SECTION 6.** That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

DRAFT ORDINANCE 05.21.19

**SECTION 7.** The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

**SECTION 8.** That this ordinance shall take effect immediately from and after its passage;

**PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF JULY, 2019.**

| **FROM:** | Korey Brooks; *Senior Planner* |
| **DATE:** | June 11, 2019 |
| **SUBJECT:** | SP2019-014; *Site Plan for Retail Shopping Center and House of Worship* |

The applicant has provided staff with a letter requesting to postpone *Case No. SP2019-014* until the June 25, 2019 Planning and Zoning Meeting to allow time to address staff's comments with regard to the site plan and landscape plan. The applicant wishes to allow the Architectural Review Board (ARB) to review the revised building elevations at the Architectural Review Board (ARB) meeting on June 11, 2019.

**From:** Ahmed Helaluzzaman

**Subject:** Re: Postpone SP2019-012
**Date:** Friday, June 07, 2019 11:04:39 AM

---

Dear Korey,

Looks like we need to reschedule our P&Z Work Session instead of June 11, 2019 to June 25, 2019. We still be attending ARB Meeting on June 11, 2019.
Please allow us to adjust our Site Plan because of our misunderstanding.
Thank you.

Sincerely,

Ahmed Helaluzzaman

the ARB on the 11th (unless you would like to postpone that as well).

The next P&Z meetings are June 25th and July 9th. Is it my understanding that you will be unable to attend the meeting on the 25th. Would you like to come back on July 9th?

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | 06/11/2019 |
| **APPLICANT:** | Dub Douphrate; *Douphrate and Associates, Inc.* |
| **CASE NUMBER:** | SP2019-016; *Site Plan for Office Buildings on Ranch Trail* |

## SUMMARY

Discuss and consider a request by Dub Douphrate of Douphrate and Associates, Inc. on behalf of Bob and Pam Hawley for the approval of a site plan for two (2) metal buildings in conjunction with an existing commercial business on a 1.55-acre parcel of land identified as Lot 5, Block A, Maverick Ranch Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 196 & 216 Ranch Road, and take any action necessary.

## BACKGROUND

The subject property is an 11.3736-acre tract of land located at the southwest quadrant of Ranch Trail and Horizon Road, and is zoned Commercial (C) District. The property was annexed on May 17, 2004 by *Ordinance No. 04-34.* According to the City's historic zoning maps, the subject property has been zoned Commercial (C) District since at least April 5, 2005.

## PURPOSE

On January 18, 2019, the applicant -- Dub Douphrate of Douphrate and Associates, Inc. -- submitted an application requesting approval of a site plan for the purpose of expanding their existing site by constructing two (2) additional single story buildings. These buildings will consist of a total of approximately 7,220 SF [*i.e. 4,160 SF & 3,060 SF*], and bring the total number of metal buildings on the subject property to four (4). The site is subject to the requirements and land uses stipulated for the Light Industrial (LI) District as stated by the Unified Development Code (UDC).

## ADJACENT LAND USES AND ACCESS

The subject property is located at the southwest quadrant of the intersection of Ranch Trail and Horizon Road. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property is Patriot Paws Service Dogs, which is located on a 3.466-acre parcel of land zoned Commercial (C) District. Continuing north is a continuation of the Maverick Ranch Addition and several other businesses fronting Ranch Trail that are situated in existing metal buildings. These properties are also zoned Commercial (C) District. Beyond these businesses is County Line Road, which is identified as *Minor Collector* on the City's Master Thoroughfare Plan. Beyond this is a single-family residential subdivision (*i.e. Lake Rockwall Estates*), zoned Planned Development District 75 (PD-75) for Single-Family 7 (SF-7) District land uses.

*South*: Directly south of the subject property is a strip center (*i.e. Ranch Trail Retail Center*) situated on a 0.7930-acre parcel of land zoned Commercial (C) District. South of the Ranch Trail Retail Center is Horizon Road [FM-3097], which is identified as a TxDOT4D (*Texas Department of Transportation, four [4] lane, divided roadway*) on the City's Master

Thoroughfare Plan. This roadway delineates the city limits of Rockwall and the beginning of the Extraterritorial Jurisdiction (ETJ).

*East*: Directly east of the subject property is a continuation of the Rainbow Acres Addition and several other businesses fronting onto Ranch Trail that are situated in existing metal buildings. These properties are zoned Commercial (C) District. Beyond this is a large vacant tract of land, which is zoned Agricultural (AG) District followed by a single-family residential subdivision (*i.e. the Oaks ay Buffalo Way*).

*West*: Directly west of the subject property two (2) residential homes that are situated on a 4.44-acre tract of land (i.e. a 2.27-acre & 2.17-acre parcels of land) identified as the Rainbow Acres Addition. Both properties are zoned Commercial (C) District. Beyond this are several businesses (*i.e. a mini warehouse facility, Buffalo Creek Business Park, etc.*), which are zoned Commercial (C) District.

## DENSITY AND DIMENSIONAL REQUIREMENTS

According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), the proposed use (*i.e. general office*) is allowed by-right in a Commercial (C) District. Excluding the exceptions being requested, the submitted site plan, landscape plan, and building elevations, generally conform to the technical requirements contained within the UDC for a property located within a Commercial (C) District. The proposed new buildings will be constructed of metal, utilize roll-up doors, and have a pitched roof design. The applicant is proposing to incorporate a brick wainscot on all building façades. After receiving a recommendation from the Architectural Review Board (ARB), the applicant intends to provide a wainscot on the existing buildings, matching the proposed building exterior facades. The proposed use of these buildings are general business office land uses. A summary of the density and dimensional requirements for the subject property are as follows:

| *Ordinance Provisions* | *Zoning District Standards* | *Conformance to the Standards* |
|---|---|---|
| *Minimum Lot Area* | *10,000 SF* | *x=67,502 SF; In Conformance* |
| *Minimum Lot Frontage* | *60-Feet* | *x>364-Feet; In Conformance* |
| *Minimum Lot Depth* | *100-Feet* | *x>177-Feet; In Conformance* |
| *Minimum Front Yard Setback* | *15-Feet* | *x>50-Feet; In Conformance* |
| *Minimum Rear Yard Setback* | *10-Feet* | *x=10-Feet; In Conformance* |
| *Minimum Side Yard Setback* | *10-Feet* | *x>10-Feet; In Conformance* |
| *Maximum Building Height* | *60-Feet* | *<25-Feet; In Conformance* |
| *Max Building/Lot Coverage* | *60%* | *37%; In Conformance* |
| *Minimum Masonry Requirement* | *90%* | *x<20%; Not In Conformance* |
| *Minimum Number of Parking Spaces* | *56 Spaces* | *57 Spaces: In Conformance* |
| *Minimum Stone Requirement* | *20%* | *0%; Not In Conformance* |
| *Minimum Landscaping Percentage* | *15%* | *x=47%; In Conformance* |
| *Maximum Impervious Coverage* | *85-95%* | *53%; In Conformance* |

## CONFORMANCE WITH THE CITY'S CODES

Subsection 4.05, *Commercial (C) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), states that the Commercial (C) District is a district intended to provide commercial land uses such as retail, large shopping centers, and restaurants. Commercial (C) Districts are generally situated in close proximity to an arterial or major collector that is capable of carrying the traffic generated by the land uses in the district. In addition, these areas may require increased water, fire protection, and wastewater and drainage capacity. Since the Commercial (C) District is general in nature, development standards are less stringent as lower intensity districts such as Residential-Office (RO), Neighborhood Services (NS), and General Retail (GR) Districts. In this case, the applicant's

proposal is adjacent to Ranch Trail -- *identified as a Minor Collector on the City's Master Thoroughfare Plan* --, and the office land use is not typically a high volume water/wastewater user. With regard to the land use, an office complex is permitted *by-right* in a Commercial (C) District.

## VARIANCES/EXCEPTIONS REQUESTED BY THE APPLICANT

Based on the information submitted by the applicant, staff has identified the following exceptions to the requirements of the Unified Development Code (UDC):

*(1) Construction Materials.*

(a) *Materials and Masonry Composition.* Subsection 4.01, *General Commercial District Standards*, of Section 4, *Commercial Districts*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) stipulates minimum masonry requirements (*i.e. 90% Primary Materials, 20% stone, and no more than 10% Secondary Materials*) for commercial buildings. In this case, the applicant's proposed development does not conform to the minimum masonry requirements. Specifically, the building façades are constructed of metal, which is considered to be a secondary material. As a compensatory measure the applicant is proposing to incorporate a brick wainscot on all building façades, including the existing structures in order to create a unified development scheme on the subject property. Since the façades exceed the maximum amount of secondary materials and are below the minimum masonry requirements, an exception to the material standards is required to be approved by the Planning and Zoning Commission pending a recommendation from the Architectural Review Board (ARB).

*(2) Building Articulation.*

(a) *Horizontal Articulation.* Subsection 4.01, *General Commercial District Standards*, of Section 4, *Commercial District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) stipulates that the maximum wall length shall not exceed more than three (3) times the wall's height without a recess or projection of an architectural element. In this case the maximum wall length is approximately 30-feet. The proposed buildings are constructed of metal and have walls that are between 45-feet and 80-feet in length. Since this exceeds the maximum allowable length, an exception to the building articulation standards is required to be approved by the Planning and Zoning Commission pending a recommendation from the Architectural Review Board (ARB).

These exceptions are discretionary decisions for the Planning and Zoning Commission and require approval by a simple majority vote. In the event that the exception is denied, the applicant has the ability to appeal the Planning and Zoning Commission's decision to the City Council by filing a written request with the Planning and Zoning Department.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan indicates that the subject property is located in the *Southwest Residential District* and is situated within an area that is identified as a *Transitional Area*. According to the district, the *Transitional Area* is defined as, "…currently transitioning from interim land uses and building types to more permanent structures with conforming land uses. These areas should be given special consideration with regard to requests that further the establishment of uses and structures that will improve the property values of the adjacent properties…" In this case, the applicant is proposing a multi-tenant office facility that is composed of metal buildings. This use and the proposed metal buildings are similar to the existing buildings in the area, and the proposed improvements are similar to other buildings that have been approved along Ranch Trail since this area was annexed by the City in 2004.

## ARCHITECTURAL REVIEW BOARD (ARB):

On May 28, 2019, the Architectural Review Board (ARB) reviewed the proposed building elevations. The ARB recommended that the applicant provide a wainscot on the existing buildings in order to match the proposed buildings' appearance. The ARB will review the revision at the *June 11, 2019* meeting and forward a recommendation to the Planning and Zoning Commission.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to approve the applicant's request, then staff would propose the following conditions of approval:

(1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

(2) Approval by the Planning and Zoning Commission of all exceptions requested as outlined in staff's report;

(3) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

- Must have individual water services.
- Sewer to be 8" unles it is a private line.
- Water to have 10' of clearance on both sides.
- Fire hydrant to have a 20' easement.
- Drive isle to be 24' wide minimum.

The following is for your information during engineering review.
- 4% Engineering Fees.
- Impact fees.
- All parking to be 20'x9'
- Must show all existing and proposed utilities.
- If building height exceeds 30' tall, the fire lane radii must be 30' or radius of 20'. Minimum width is 24'.
- Must have detention for new impervious surfaces.
- Must have water at sheet flow conditions before the property line or will need a drainage easement for the neighboring property owner.
- Must replat to add the additional easements.
- Retaining walls 3' and over must be designed by an engineer. All retaining walls to be rock or stone face. No smooth concrete walls.
- Min easement is 20'. Water, sewer, and storm lines must have 10' of easement on both sides of the line.
- Water line to be 8" line where public.
- Must have individual water services.
- 4:1 slope maximum for grading.
- Must meet all City Standards of Design and Construction.

Discuss and consider a request by Dub Douphrate of Douphrate and Associates, Inc. on behalf of Bob and Pam Hawley for the approval of a site plan for two(2) metal buildings in conjunction with an existing commercial business on a 1.55-acre parcel of land identified as Lot 5, Block A, Maverick Ranch Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 196 & 216 Ranch Road, and take any action necessary.

PLANNING AND ZONING 1ST ROUND COMMENTS (05.23.2019):

The following staff comments (i.e. Phase 1 only) are to be addressed and resubmitted no later than Tuesday June4, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy(CO).
3. Label all revised site plan documents with "Case No. SP2019-016" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. Horizontal articulation standards of the UDC for facades.
2. Minimum 20% stone requirement for all facades that are visible from a public street or open space
3. For the use of metal building construction (materials expcetion).

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Provide adjacent property owner infomation on Overall Site Plan(aerial version).
2. Label all access easements as "24-ft Firelane, Public Access, Drainage and Utility Easements (as appropriate for each).
3. Provide a heavier line for the utility label and reduce the font. Move labels to be more visible.
4. Use alighter gray scale for the utility lines layer (water & sewer).
5. All ground mounted HVAC units must be screened with landscaping or wing-wall.
6. What are the proposed uses for these buildings? (i.e. this is a commercial district).
7. Delineate and label a minimum 10-ft. landscape buffer along Ranch Trail
8. Remove the label "Replat of" from the Title Block on all pages of this site plan.

Landscape Plan:
1. Provide a landscape plan meeting the requirements of the UDC.
2. One (1)-three (3)-caliper inch canopy tree required for each 750 SF of dry area in the detention pond.
3. One (1)-three (3)-caliper inch canopy tree required for each 50 linear feet of frontage along Ranch Trail
4. Parking spaces cannot be more than 80-ft from the trunk of a large canopy tree.
5. Indicate screening of HVAC units on this plan.

Photometric Plan:
1. Will there be any exterior lighting of the site, other than the wall packs as depicted on the building elevations (i.e pole lights)? If so, provide a photometric plan.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

2. Provide cut sheets for all exterior lighting fixtures.
3. If a photometric plan is provided, lighting levels are not to exceed 0.2-FC at the property lines.

Building Elevations:
1. All gounded mounted mechanical equipment requires screening from rights-of-way and adjacent properties. Provide detail of screening to be used.
2. Requires a recommendation from the Architectural Review Board(ARB). See scheduled meeting below.
3. Provide a materials sample board for ARB review of the actual materials to be used(other than tilt-up wall).
4. Provide percentages of exterior material calculations for each elevation(e.g. stone, brick, metal surface, etc.).
5. Will there be any stone on the building? The UDC requires a minium of 20% stone on each elevation that is visible from a public street or open space. If there is no stone, this will require approval of an exception by the Planning and Zoning Commission
6. Are the elevations for the proposed buildings or all?
7. Provide height and width measurements of the proposed buildings.

** The following arescheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: May 28, 2019 (5:00 p.m.) [Recommendations from ARB]

Planning - Work Session: May 28, 2019 (6:00p.m.) [Applicant to present/discuss project]

Architectural Review Board: June 11, 2019 (5:00 p.m.) [Subsequent meeting if necessary]

Planning - Action: June 11, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

** IF REQUIRED -- City Council - Action: Monday, June 17, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] **

Comments provided by Capt. Ed Fowler - Police

SP2019-016 - 196/216 RANCH TRAIL
Considerations:

- Lighting placed upon all sides of the exterior the buildings, over doors and at the rear of property to illuminate and eliminate shadows, dark areas and hiding spots. Lighting set by City Code, LEDs are preferred.

- Provide clearance around the bottom of the fencing surrounding the dumpster for visual sight line of anyone inside fencing

- Consider mirror(s) on dumpster fencing to reveal any persons inside holding(fencing) area.

- Lighting placed on or in fencing area around dumpster to eliminate shadow and dark areas and prevent theft from dumpster(ID Theft, etc.)

- Consider installation of device to prevent breaching of overhead door with vehicle(push or pull). Locking/Removal Bollards, Vehicle Placed in Front of Door, within specifications of City Code and Ordinance and Fire Code.

- Consider target hardening with industrial standard or greater locking devices for all doors

- Cameras on corners of building, doors equipped with alarms and interior proximity alarms on the interior.

- Ensure trees and bushes are trimmed within acceptable standards(Trees Trimmed up to 7' and Bushes Trimmed Down to 3') and consider ground wash lighting to illuminate the area and provide territorial reinforcement, ownership and enhance natural lines of sight at night.

- More than willing to speak with owner(s) directly to assist in site planning to prevent crime.

# LIL LED

## Wall Mount Lighting

The Lithonia Lighting® LIL wall pack is just 5 inch x 5 inch in size and delivers 800 lumens using only 8 watts. It is the ideal, compact "over-the-door" lighting solution for commercial and residential applications.

**FEATURES:**

- Replaces up to 100W incandescent lamps, saves 90% energy
- Elegant and compact LED solution, Photocell and battery pack options available
- Back box accessory available for conduit wiring

|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | 06/11/2019 |
| **APPLICANT:** | Steven Homeyer; *Homeyer Engineering, Inc.* |
| **CASE NUMBER:** | SP2019-017; *Site Plan for Animal Boarding/Kennel on Alpha Drive* |

## SUMMARY

Discuss and consider a request by Steven Homeyer of Homeyer Engineering, Inc. on behalf of Vincent Stagliano for the approval of a site plan for an animal boarding/kennel without outside pens on a 1.2113-acre tract of land identified as Lot 4, Block A, Ellis Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located west of the intersection of Alpha Drive and Sigma Court, and take any action necessary.

## BACKGROUND

The subject property is a 1.2113-acre tract of land located west of the intersection of Alpha Drive and Sigma Court. The property was annexed on November 30, 1959 by *Ordinance No. 60-01.* According to the City's historic zoning maps, the subject property has been zoned Light Industrial (LI) District since at least December 7, 1993.

## PURPOSE

On May 17, 2019, the applicant -- Steven Homeyer of Homeyer Engineering, Inc. -- submitted an application requesting approval of a site plan for the purpose of constructing an approximately 6,042 SF single-story, animal boarding/kennel facility. The building will be composed of masonry construction (*i.e. natural stone, brick, and cement board siding*), meeting the requirements of the Unified Development Code (UDC). The site is subject to the requirements and land uses stipulated for the Light Industrial (LI) District as stated by the Unified Development Code (UDC).

## ADJACENT LAND USES AND ACCESS

The subject property is located west of the intersection of Alpha Drive and Sigma Court. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the property are two (2) vacant properties [*i.e. Lot 1, Block D, Ellis Centre #2 and a 71.022-acre Tract of Land*], which are zoned Light Industrial (LI) District. Beyond these properties is Justin Road, which is identified as a M4D (*i.e. major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan.

*South*: Directly south of the subject property is the continuation of the Ellis Centre Addition [*i.e. Lot 3, Block A; Lot 1 PT, Block A, 0.7008-acres & Lot 1 PT, Block A, 0.9093-acres*], which is occupied with light industrial land uses. All of these properties are zoned Light Industrial (LI) District.

*East*: Directly east of the subject property is a continuation of the Ellis Centre Addition, which is occupied with light industrial land uses. The majority of these properties were developed during the 1970's and 1980's. All of these properties are zoned Light Industrial (LI) District.

Beyond these properties is Industrial Boulevard, which is identified as a M4U *(i.e. minor collector, four [4] lane, roadway)* on the City's Master Thoroughfare Plan.

*West*: Directly west of the subject property is a 41.649-acre tract of land (*i.e. Lot 1, Block 1, Herman Utley Middle School Addition*) zoned Agricultural (AG) District. Adjacent to the subject property is Wilkerson-Sanders Memorial Stadium. Beyond this property is N. TL Townsend Drive, which is identified as a M4D (*i.e. major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan.

## DENSITY AND DIMENSIONAL REQUIREMENTS

According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), an animal boarding/kennel without outside pens is a permitted *by-right* land use in a Light Industrial (LI) District. The subject property proposes one (1) point of ingress and egress along Alpha Drive. Other than the exceptions being requested, the submitted site plan, landscape plan, treescape plan, photometric plan, and building elevations generally conform to the technical requirements contained within the UDC for a property located within a Light Industrial (LI) District. A summary of the density and dimensional requirements for the subject property are as follows:

| *Ordinance Provisions* | *Zoning District Standards* | *Conformance to the Standards* |
|---|---|---|
| *Minimum Lot Area* | *12,500 SF* | *x>1.21-acres; In Conformance* |
| *Minimum Lot frontage* | *100-Feet* | *x> 285-feet; In Conformance* |
| *Minimum Lot Depth* | *125-Feet* | *x>185-feet; In Conformance* |
| *Minimum Front Yard Setback* | *25-Feet* | *x>25-feet; In Conformance* |
| *Minimum Rear Yard Setback* | *0-Feet + ½ H* | *x>99-feet; In Conformance* |
| *Minimum Side Yard Setback* | *0-Feet + ½ H* | *x>60-feet; In Conformance* |
| *Maximum Building Height* | *60-Feet* | *x>25'-feet; In Conformance* |
| *Max Building/Lot Coverage* | *60%* | *x<12%; In Conformance* |
| *Minimum Masonry Requirement* | *90%* | *x>90%; In Conformance* |
| *Minimum Number of Parking Spaces* | *1:500=12* | *x=15; In Conformance* |
| *Minimum Stone Requirement* | *20% each facade* | *x>20%; In Conformance* |
| *Minimum Landscaping Percentage* | *10%* | *x=71%; In Conformance* |
| *Maximum Impervious Coverage* | *85-90%* | *X<85%; In Conformance* |

## TREESCAPE PLAN

The treescape plan provided by the applicant indicates a total of 20-caliper inches to be removed from the site, which consists of two (2), ten (10)-inch cedar trees. According to *Section 5.4*, Non-Protected Tree, of *Article IX,* Tree Preservation, of the *Unified Development Code* (UDC), no mitigation will be required for the removal of any tree that is less than four (4) inches DBH or less than 11 inches DBH for hackberry and cedar trees.

## CONFORMANCE WITH THE CITY'S CODES

Subsection 5.02, *Light Industrial (LI) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), states that the "*Light Industrial (LI) District* is a zoning district intended to create a limited industrial zone that provides for modern types of industrial land uses." The proposed animal shelter/kennel is a permitted land use in the Light Industrial (LI) District. Additionally, all operations will be indoors with no outside kennels or pens.

According to Subsection 5.6, *Screening from Residential Uses*, of Section 5, *Mandatory Provisions*, of Article VIII, *Landscape Standards*, of the Unified Development Code (UDC), non-residential developments that have a "…side or rear contiguous to any residential district…shall be screened with a masonry fence (tilt wall or concrete block are prohibited; however, precast walls may be approved by

the planning and zoning commission), six feet in height. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the planning and zoning commission determines that the proposed alternative will provide sufficient screening." In this case, the applicant is providing an eight (8) foot tall wood fence adjacent to the western property boundary (*i.e. rear property line*) that will face the Wilkerson-Sanders Memorial Stadium (*i.e. Herman Utley Middle School*). Typically, wood fences are not used for screening purposes outside of the Residential Office (RO) District due to the maintenance required for this material, and the fact that it is not consistent with the City's codes. The use of a wood fence for screening purposes will require approval of an exception by the Planning and Zoning Commission. This has been included as a condition of approval in this case memo.

**VARIANCES/EXCEPTIONS REQUESTED BY THE APPLICANT**

Based on the information submitted by the applicant, staff has identified the following exceptions to the requirements of the Unified Development Code (UDC):

(1) *Articulation.*

a) *Primary Building Façades.* According to Section 5.01.C.1, *General Industrial District Standards*, of Article V, *District Development Standards*, of the UDC, primary facades require wall lengths to not exceed a maximum of four (4) times the walls height (*i.e. 9' x 4' = 36-feet*) without an architectural projection or recess. In this case, the proposed east facing building elevation does incorporate a recess; however, the distance between the projections and the recess exceeds 36-feet.

b) *Secondary Building Façades.* According to Section 5.01.C.1, *General Industrial District Standards*, of Article V, *District Development Standards*, of the UDC, secondary facades require projection height associated with entryways and architectural elements. Specifically, the secondary architectural/entryway height of these elements are required to extend a minimum of 15% above the top of the wall and a minimum of 15% from the walls surface. In this case, the proposed south and west facing building elevations do not incorporate any vertical projections above the walls height. Staff should point out that while the building does not meet the articulation of these walls, it does incorporate gabled roof elements that project upward providing an architectural feature.

c) *Secondary Building Façades.* According to Section 5.01.C.1, *General Industrial District Standards*, of Article V, *District Development Standards*, of the UDC, primary facades require wall lengths to not exceed a maximum of three (3) times the walls height (*i.e. 9' x 3' = 27-feet*) without an architectural projection or recess. In this case, the proposed west building elevation does incorporate a projection; however, the distance between the linear wall and the projection exceeds 27-feet.

Section 5.01.C.3, *General Industrial District Standards*, of Article V, *District Development Standards*, of the UDC, allows the Planning and Zoning Commission, upon a recommendation from the Architectural Review Board (ARB), to approve exceptions to the articulation requirements. In making this determination the Planning and Zoning Commission should determine if the proposed request is [1] in conformance with the spirit and intent of the building articulation requirements, and [2] if granting the exception will substantially weaken the City's ability to enforce the general purpose of the building articulation requirements in the future. In this case, the overall building design is not compatible with the existing structures with the Ellis Centre Addition; however, the Architectural Review Board (ARB) is forwarding a recommendation of approval as indicated in staff's report.

(2) *Residential Screening Fence.*

a) The applicant is requesting the use of an 8-foot tall wood fence adjacent to the western property boundary (*i.e. rear property line*) that will face the Wilkerson-Sanders Memorial Stadium (*i.e. Herman Utley Middle School*). According to Subsection 5.6, *Screening from Residential Uses*, of Section 5, *Mandatory Provisions*, of Article VIII, *Landscape Standards*, of the Unified Development Code (*UDC*), non-residential developments that have a "…side or rear contiguous to any residential district…shall be screened with a masonry fence. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the Planning and Zoning Commission determines that the proposed alternative will provide sufficient screening." The Planning and Zoning Commission is tasked with determining if the wood fence will provide the necessary screening required, and the possible negative effects associated with the use of a wood fence regarding maintenance issues and with this request not being consistent with the City's codes.

These exceptions are discretionary decisions for the Planning and Zoning Commission and only require approval by a simple majority vote. In the event that the exception is denied, the applicant has the ability to appeal the Planning and Zoning Commission's decision to the City Council by filing a written request with the Planning and Zoning Department.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan (*Comp Plan*) indicates that the subject property is located in the *IH-30 Corridor District* which is…"the primary retail corridor for the City of Rockwall. Currently the corridor is approximately 55% developed, with the remaining 45% being vacant or raw land. The Corridor acts as the western gateway for both the City and County of Rockwall, and has land uses that include retail, personal services, medical, and industrial." Additionally, the *Special Commercial Corridor (SC)* designation "…is intended to provide an area for commercial/retail…activity centers that are intended to support and serve the entire region." (*Ch. 1; Land Use Plan*)

According to the Comprehensive Plan, industrial developments should be adequately buffered and/or screened from residential land uses. Although the adjacent property (*i.e. Herman Utley Middle School*) is zoned Agricultural (AG) District, this designation is considered to be residential. The applicant is proposing to construct an eight (8)-foot tall wood fence to accomplish the screening from the RISD property, which is west of the subject property. The Comprehensive Plan states that "(b)uffers utilizing a combination of berms, landscaping and trees should be used for industrial properties that are adjacent to non-industrial land uses or agricultural land." Based on this policy -- *and in conformance to the requirements of the Unified Development Code (UDC)* -- staff has suggested to the applicant the use of a wrought iron fence with landscape screening; however, the applicant's landscape plan shows that they will utilize a wood fence which will require an exception from the Planning and Zoning Commission.

## ARCHITECTURAL REVIEW BOARD (ARB):

On May 28, 2019, the Architectural Review Board (ARB) reviewed the proposed site plan and approved a motion to recommend approval by a vote of 5- 0, with Board Member Meyrat absent and one (1) vacant seat on the Board.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to approve the applicant's request, then staff would propose the following conditions of approval:

(1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

(2) Approval by the Planning and Zoning Commission of all exceptions requested as outlined in staff's report;

(3) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

# City of Rockwall

(5/24/2019 1:53 PM SH)
Landscape Plans
- No trees within 5' of utilities.
- The back side of the lot has a bunch of overhead electric. The trees you show will be effected by this.
- All ROW to be sodded before acceptance or final CO. Hydromulch not allowed.
- All disturbed areas to have established 1" stand of grass on 75-80% of the site. no patchy areas. Weeds and winter rye does not count.

Site Plan
- Must have a 15' x 64' turnaround area for the cars.
- Where is the sewer service connection?
- Is this fire lane needed for fire coverage?
- Fire hydrant to have 5' of clearance to the curb. Fire line must have 10' clearance to all other lines.
- Must prove the storm system can hold
- Minimum 1.0% slope for flumes.
- Sidewalk pavement to be 3000psi (5.5 sack mix)
- All other paving to be at least 3600psi (6.5 sack Mix).

The following items are for your information for engineering design
- 4% Engineering Inspection Fees
- Impact Fees for additional water taps
- Walls 3' and over must be engineered.
- All retaining walls must be rock or stone face. No smooth concrete walls.
- Detention is required. Manning's C-value will be from 0.35 to 0.9 per zoning.
- No utilities allowed in detention easement
- Add note that the property owner will be responsible for maintaining, repair, and replacement of the detention/drainage systems
- Minimum utility easement width is 20'
- All parking to be 20'x9'
- All drive aisles to be a minimum of 24' wide
- No structures in easements
- Max slope is 4:1
- Must have an oil/water separator that collects the dumpster runoff and drains to the storm lines
- Must meet all engineering standards

Discuss and consider a request by Steven Homeyer of Homeyer Engineering, Inc. on behalf of Vincent Stagliano for the approval of a site plan for an animal boarding/kennel without outside pens on a 1.2113-acre tract of land identified as Lot 4, Block A, Ellis Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located west of the intersection of Alpha Drive and Sigma Court, and take any action necessary.

PLANNING AND ZONING 1ST ROUND COMMENTS (05.23.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday June 4, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy(CO).
3. Label all revised site plan documents with "Case No. SP2019-017" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. 1. Horizontal articulation for the primary building facade standards of the UDC for the south facing facade
2. Horizontal articulation for the secondary building facade standards of the UDC for the north and west facing facades
3. Vertical articulation for the secondary building facade standards of the UDC for the south and west facing elevations
4. Fence at rear does not meet material standards for the required screening from a residential district/property [i.e. wood fence (i.e. board on board) is not allowed]. Sec. 5.6, of Art. V, of the UDC requires screening fences to be constructed with a masonry fence, minimum six (6)-feet in height. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the planning and zoning commission determines that the proposed alternative will provide sufficient screening
5. Trash enclosures are not to face a public right of way(Sec. 1.05, Art. V, UDC). These receptacles shall be screened by a minimum six (6) foot, solid masonry dumpster enclosure that utilizes the same masonry materials as the primary building and incorporates an opaque, self-latching gate.

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Trash enclosures are not to face a public right-of-way. Reorient/relocate dumpster unless approved by the Planning and Zoning Commission(see exception above).
2. Fence at rear does not meet material standards for the required screening from a residential district/property (see exceptions above).
3. Label the 24-ft firelane access easement as "24-ft Firelane, Public Access, and Utility Easement.
4. Use a lighter gray scale for the 100-year flood plain line. Change line style, looks similar to property line symbolgy.
5. Delineate and label minimum 10-ft landscape buffer along Alpha Drive.
6. Site Information Table:
a. Change Parking Required to indicate "Animal Hospital/Clinic" rather than office.
7. Pavement Legend - infomation provided must meet the Engineering Departments standards for design
8. Where are the HVAC/RTU's located? These units require screening from the public rights of way and adjacent properties. Provide screening detail.

Landscape Plan:
1. Delineate and label a minimum 10-ft landscape buffer.

2. Move building line label that sets on top of tree in landscape buffer.
3. Sec. 5.3, Art. VIII, of the UDC states no artifical plant materials may be used..must be turf or a non-permiable surface. Provide a detail and cust sheets for the proposed articial turf for staff review and indicate if this is permiable or impermiable
4. The detention pond requires a minimum of one (1), three (3)-caliper inch canopy tree for each 750 SF of dry area within the pond. Provode the necessary amount of trees for this area.
5. Parking Lot Lanscape Lable at bottom of plan: update total parking space count to match the site plan (i.e. 12 & 15 spaces).

Treescape Plan:
1. No mitigation required for the removal of the two (2) cedar trees as indicated on the plan.

Photometric Plan:
1. The maximum pole height shall not exceed 30-ft in overall height. Provide detail.
2. Provide cut sheets for all exterior lighting fixtures. Under canopy lighting required to be fully recessed into canopy.

Building Elevations:
1. All roof-top mechanical equipment requires screening from rights-of-way and adjacent properties. Dash-in RTU's on elevations (if applicable). Provide detail of screening mechanism to be used if these are not properly sceened.
2. Requires a recommendation from the Architectural Review Board(ARB). See scheduled meeting below.
3. Provide a materials sample board for ARB review of the actual materials to be used
4. Approval of the exceptions for not meeting the primary and secondary articulation standsrds, the screening fence standards, and for the trash enclosure facing the public right of way requires approval by the Planning and Zoning Commission for each separate instance as indicated above

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: May 28, 2019 (5:00 p.m.) [Recommendations from ARB]

Planning - Work Session: May 28, 2019 (6:00p.m.) [Applicant to present/discuss project]

Architectural Review Board: June 11, 2019 (5:00 p.m.) [Subsequent meeting if necessary]

Planning - Action: June 11, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

** IF REQUIRED -- City Council - Action: Monday, June 17, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] **

PLANNING AND ZONING 2nd ROUND COMMENTS (06.05.2019):

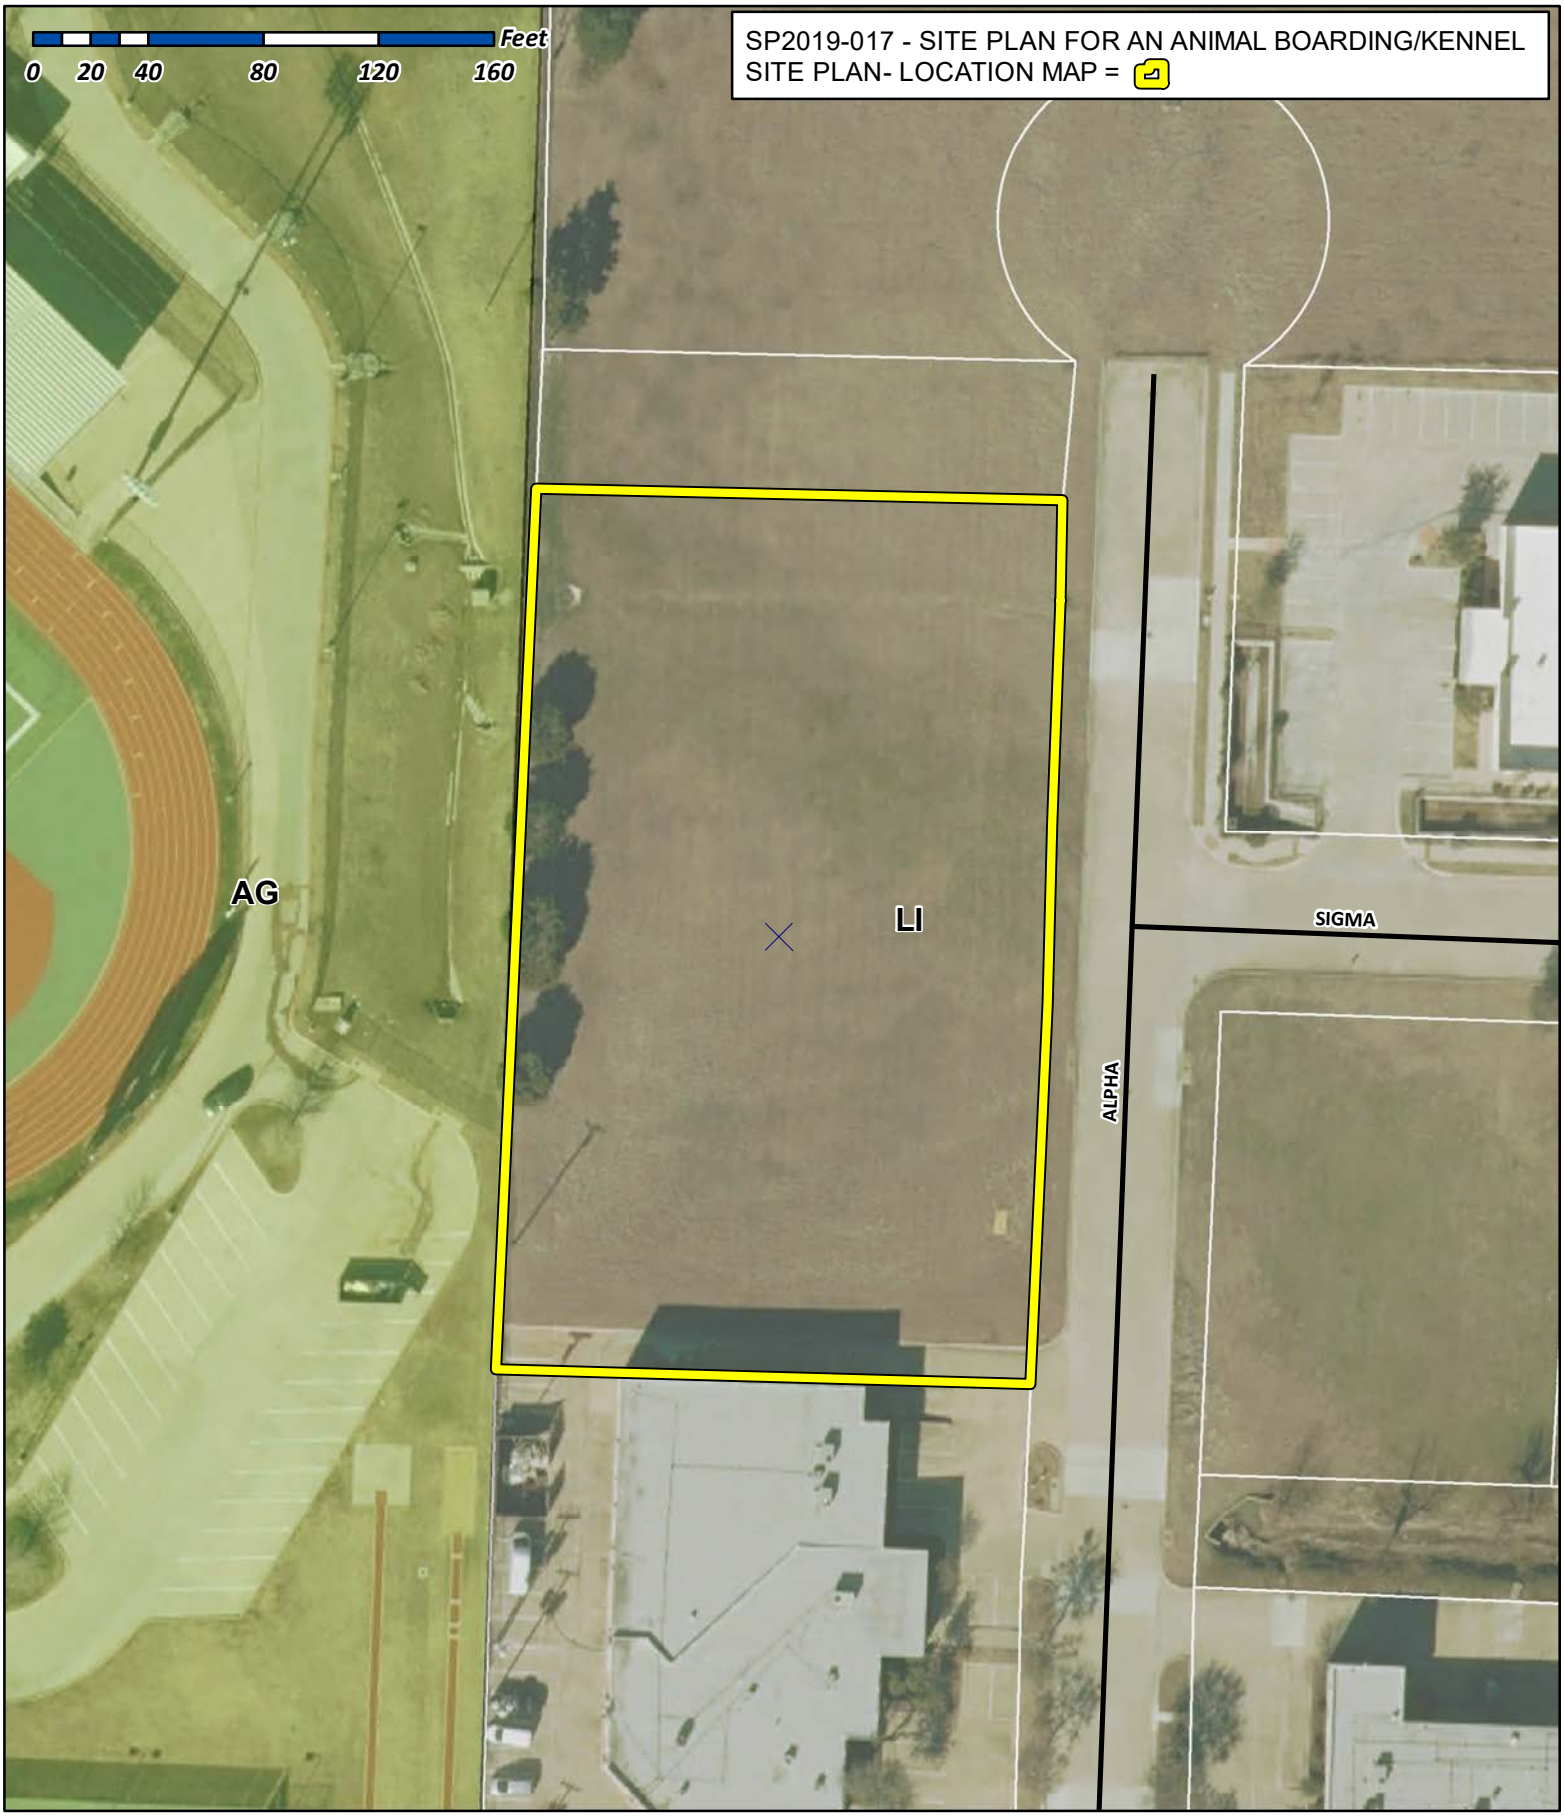
The following staff comments are to be addressed and resubmitted no later than Tuesday June 18, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & conditions of approval to be determined by the Planning and Zoning Commission:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy(CO).
3. Provide detail of installation and cut sheets regarding artificial turf being requested Engineering Department will need to make a determination if detention will be required for use of the artifcial turf.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. 1. Horizontal articulation for the primary building facade standards of the UDC for the south facing facade
2. Horizontal articulation for the secondary building facade standards of the UDC for the north and west facing facades
3. Vertical articulation for the secondary building facade standards of the UDC for the south and west facing elevations
4. Fence at rear does not meet material standards for the required screening from a residential district/property [i.e. wood fence (i.e. board on board) is not allowed]. Sec. 5.6, of Art. V, of the UDC requires screening fences to be constructed with a masonry fence, minimum six (6)-feet in height. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the planning and zoning commission determines that the proposed alternative will provide sufficient screening
5. Trash enclosures are not to face a public right of way(Sec. 1.05, Art. V, UDC). These receptaclesshall be screened by a minimum six (6) foot, solid masonry dumpster enclosure that utilizes the same masonry materials as the primary building and incorporates an opaque, self-latching gate.



** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Trash enclosures are not to face a public right-of-way. Reorient/relocate dumpster unless approved by the Planning and Zoning Commission(see exception above).
2. Fence at rear does not meet material standards for the required screening from a residential district/property (see exceptions above).
3. Where are the HVAC/RTU's units located? These units require screening from the public rights of way and adjacent properties. Provide location of these units and a screening detail.

Landscape Plan:
1. Sec. 5.3, Art. VIII, of the UDC states no artifical plant materials may be used..must be turf or a non-permiable surface. Provide a detail of the stallation and cust sheets for the proposed articial turf for staff engineering review to determine if detention of the area is required
2. The minimum standard for a required tree to be located on the property is three(3)-caliper inches. Correct landscape plan to indicate the live oak and cedar elm trees to be a minimum of 3-inch caliper.

Building Elevations:
1. Approval by the Planning and Zonig Commission of exceptions to allow for not meeting the primary and secondary articulation standsrds, the screening fence standards, and for the trash enclosure facing the public right of way.

PERVIOUS AREA: 29,841 SF (56.58%)

PARKING REQUIRED: ANIMAL HOSPITAL/CLINIC

6,042 SF @ 1 SPACE / 500 SF = 12 SPACES

PARKING REQUIRED: 12 SPACES

PARKING PROVIDED: 15 SPACES

HANDICAP PARKING REQUIRED: 1 SPACE

HANDICAP PARKING PROVIDED: 1 SPACE

NOTES.

1. PROPERTY OWNER SHALL BE RESPONSIBLE FOR MAINTENANCE, REPAIR, AND REPLACEMENT OF THE DETENTION AND DRAINAGE SYSTEMS.
2. NO STRUCTURES ARE ALLOWED IN EASEMENTS.
3. A WATER FLOW TEST VERIFYING FLOW CAPACITIES SHALL BE WITNESSED BY THE FIRE MARSHAL PRIOR TO VERTICAL CONSTRUCTION.
4. NO OUTSIDE PENS ARE PROVIDED
5. ADHERENCE TO THE UDC, PLANNING, BUILDING INSPECTIONS, ENGINEERING AND FIRE DEPARTMENT REGULATIONS SHALL BE REQUIRED.

## PAVEMENT LEGEND

DUMPSTER PAVEMENT
PROPOSED 8" 4,000 PSI CONC. @ 28 DAYS WITH #4 BARS @ 18" O.C.E.W. (DOUBLE MAT)

DRIVEWAY PAVEMENT
PROPOSED 8" 4,000 PSI CONC. @ 3 DAYS WITH #4 BARS @ 18" O.C.E.W.

MEDIUM DUTY PAVEMENT (DRIVE AISLE)
PROPOSED 6" 3,600 PSI CONC. @ 28 DAYS WITH #4 BARS @ 18" O.C.E.W.

LIGHT DUTY PAVEMENT (CAR PARKING)
PROPOSED 6" 3,600 PSI CONC. @ 28 DAYS WITH #3 BARS @ 18" O.C.E.W.

SIDEWALK PAVEMENT
PROPOSED 4" 3,000 PSI CONC. @ 28 DAYS WITH #3 BARS @ 18" O.C.E.W.

PAVEMENT NOTES:

1. ALL PAVEMENT SUBGRADE SHALL BE SCARIFIED TO A MINIMUM DEPTH OF 6" AND COMPACTED TO A MINIMUM 95% STANDARD PROCTOR DENSITY AT OR ABOVE OPTIMUM MOISTURE.
2. THE CONTRACTOR SHALL DOWEL & EPOXY #4 X 24" SMOOTH BARS @ 24" CENTERS ALONG ALL PROPOSED TO EXISTING CONCRETE EDGES W/ 3/4" EXPANSION JOINT & SELF LEVELING JOINT SEALING COMPOUND.
3. THE CONTRACTOR SHALL PROVIDE A ½" EXPANSION JOINT W/ SELF LEVELING JOINT SEALING COMPOUND BETWEEN THE PROPOSED CONCRETE PAVEMENT AND THE PROPOSED BUILDING.

## GENERAL PLANTING NOTES

1. THE GENERAL CONTRACTOR IS RESPONSIBLE FOR REMOVING ALL EXISTING VEGETATION (EXCEPT WHERE NOTED TO REMAIN). BEFORE STARTING WORK, THE LANDSCAPE CONTRACTOR SHALL VERIFY THAT THE GRADE OF ALL LANDSCAPE AREAS ARE WITHIN +/-0.1' OF FINISH GRADE. THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY SHOULD ANY DISCREPANCIES EXIST. SEE SPECIFICATIONS FOR MORE DETAILED INSTRUCTION ON TURF AREA AND PLANTING BED PREPARATION.
2. CONSTRUCT AND MAINTAIN FINISH GRADES IN LANDSCAPE AREAS AS SHOWN ON GRADING PLANS, AND CONSTRUCT AND MAINTAIN SLOPES AS RECOMMENDED BY THE GEOTECHNICAL REPORT. ALL LANDSCAPE AREAS SHALL HAVE POSITIVE DRAINAGE AWAY FROM STRUCTURES AT THE MINIMUM SLOPE SPECIFIED IN THE REPORT, AND AREAS OF POTENTIAL PONDING SHALL BE REGRADED TO BLEND IN WITH THE SURROUNDING GRADES AND ELIMINATE PONDING POTENTIAL. SHOULD ANY CONFLICTS AND/OR DISCREPANCIES ARISE BETWEEN THE GRADING PLANS, GEOTECHNICAL REPORT, THESE NOTES, AND ACTUAL CONDITIONS, THE CONTRACTOR SHALL IMMEDIATELY BRING SUCH ITEMS TO THE ATTENTION OF THE LANDSCAPE ARCHITECT, GENERAL CONTRACTOR, AND OWNER.
3. ENSURE THAT THE GRADE IN SHRUB AREAS SHALL BE 2" BELOW FINISH GRADE AFTER INSTALLING SOIL AMENDMENTS, AND 1" BELOW FINISH GRADE IN SOD AREAS AFTER INSTALLING SOIL AMENDMENTS. MULCH COVER WITHIN 6" OF CONCRETE WALKS AND CURBS SHALL NOT PROTRUDE ABOVE THE FINISH SURFACE OF THE WALKS AND CURBS. MULCH COVER WITHIN 12" OF WALLS SHALL BE AT LEAST 3" LOWER THAN THE TOP OF WALL.
4. INSTALL 5 OUNCE, WOVEN, NEEDLE-PUNCHED POLYPROPYLENE FABRIC (DEWITT "PRO-5" OR EQUAL) UNDER ALL MULCHED AREAS AND INDIVIDUAL TREE RINGS.
5. INSTALL MULCH TOPDRESSING, TYPE AND DEPTH PER MULCH NOTE, IN ALL PLANTING BEDS AND TREE RINGS. DO NOT INSTALL MULCH WITHIN 6" OF TREE ROOT FLARE.
6. INSTALL 14G, GREEN STEEL EDGING BETWEEN ALL PLANTING BEDS AND TURF AREAS, AND BETWEEN GROUNDCOVERS AND OTHER PLANTS (WHERE INDICATED ON THE PLAN).
7. HYDROMULCH ALL DISTURBED AREAS OUTSIDE OF PROPERTY LIMITS (UNLESS SHOWN AS SOD).
8. ALL PLANT LOCATIONS ARE DIAGRAMMATIC. ACTUAL LOCATIONS SHALL BE VERIFIED WITH THE LANDSCAPE ARCHITECT OR DESIGNER PRIOR TO PLANTING. THE LANDSCAPE CONTRACTOR SHALL ENSURE THAT ALL REQUIREMENTS OF THE PERMITTING AUTHORITY ARE MET (I.E., MINIMUM PLANT QUANTITIES, PLANTING METHODS, TREE PROTECTION METHODS, ETC.).
9. THE LANDSCAPE CONTRACTOR IS RESPONSIBLE FOR DETERMINING PLANT QUANTITIES. PLANT QUANTITIES SHOWN ON LEGENDS AND CALLOUTS ARE FOR GENERAL INFORMATION ONLY. IN THE EVENT OF A DISCREPANCY BETWEEN THE PLAN AND THE PLANT LEGEND, THE PLANT QUANTITY AS SHOWN ON THE PLAN (FOR INDIVIDUAL SYMBOLS) OR CALLOUT (FOR GROUNDCOVER PATTERNS) SHALL TAKE PRECEDENCE.
10. **NO SUBSTITUTIONS OF PLANT MATERIALS SHALL BE ALLOWED WITHOUT THE WRITTEN PERMISSION OF THE LANDSCAPE ARCHITECT.** IF SOME OF THE PLANTS ARE NOT AVAILABLE, THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE LANDSCAPE ARCHITECT IN WRITING (VIA PROPER CHANNELS).
11. PLANTS MAY BE INSPECTED AND APPROVED OR REJECTED ON THE JOBSITE BY THE OWNER OR OWNER'S REPRESENTATIVE.
12. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR THE MAINTENANCE OF ALL WORK SHOWN ON THESE PLANS FOR 90 DAYS BEYOND FINAL ACCEPTANCE OF ALL LANDSCAPE WORK BY THE OWNER. LANDSCAPE MAINTENANCE SHALL INCLUDE WEEKLY SITE VISITS FOR THE FOLLOWING ACTIONS (AS APPROPRIATE): PROPER PRUNING, RESTAKING OF TREES, RESETTING OF PLANTS THAT HAVE SETTLED, MOWING AND AERATION OF LAWNS, WEEDING, RESEEDING AREAS WHICH HAVE NOT GERMINATED WELL, TREATING FOR INSECTS AND DISEASES,REPLACEMENT OF MULCH, REMOVAL OF LITTER, REPAIRS TO THE IRRIGATION SYSTEM DUE TO FAULTY PARTS AND/OR WORKMANSHIP, AND THE APPROPRIATE WATERING OF ALL PLANTINGS. THE LANDSCAPE CONTRACTOR SHALL MAINTAIN THE IRRIGATION SYSTEM IN PROPER WORKING ORDER, WITH SCHEDULING ADJUSTMENTS BY SEASON TO MAXIMIZE WATER CONSERVATION.
13. SHOULD SEEDED AND/OR SODDED AREAS NOT BE COVERED BY AN AUTOMATIC IRRIGATION SYSTEM, THE LANDSCAPE CONTRACTOR SHAL BE RESPONSIBLE FOR WATERING THESE AREAS AND OBTAINING A FULL STAND OF GRASS AT NO ADDITIONAL COST TO THE OWNER.
14. TO ACHIEVE FINAL ACCEPTANCE AT THE END OF THE MAINTENANCE PERIOD, ALL OF THE FOLLOWING CONDITIONS MUST OCCUR:
    A. THE LANDSCAPE SHALL SHOW ACTIVE, HEALTHY GROWTH (WITH EXCEPTIONS MADE FOR SEASONAL DORMANCY). ALL PLANTS NOT MEETING THIS CONDITION SHALL BE REJECTED AND REPLACED BY HEALTHY PLANT MATERIAL PRIOR TO FINAL ACCEPTANCE.
    B. ALL HARDSCAPE SHALL BE CLEANED PRIOR TO FINAL ACCEPTANCE..
15. SEE SPECIFICATIONS AND DETAILS FOR FURTHER REQUIREMENTS.
16. ALL DISTURBED AREAS TO HAVE ESTABLISHED1" STAND OF TURFGRASS ON 75-80% OF THE SITE PRIOR TO ACCEPTANCE.

## LANDSCAPE CALCULATIONS

| | |
|---|---|
| CURRENT ZONING: | GR (GENERAL RETAIL) |
| TOTAL SITE AREA: | 52,741 SF |
| LANDSCAPE AREA REQUIRED: | 7,911 SF (15% OF SITE AREA) |
| LANDSCAPE AREA PROVIDED: | 37,808 SF (71% OF SITE AREA) |

### LANDSCAPE BUFFER STRIP

| | |
|---|---|
| LANDSCAPE BUFFER STRIP REQUIRED @ ALPHA DR.: | 25' |
| LANDSCAPE BUFFER STRIP PROVIDED @ ALPHA DR.: | 25' |

### STREET LANDSCAPING

| | |
|---|---|
| ALPHA DR.: | |
| TREES REQUIRED (1 PER 50 LF): | 6 (285 LF / 50 = 6) |
| TREES PROVIDED: | 6 (3" CAL.) * |

### RIGHT-OF-WAY LANDSCAPING

R/W LANDSCAPE REQUIRED (GRASS OR GROUNDCOVER) PROVIDED

### PARKING LOT LANDSCAPING

| | |
|---|---|
| TOTAL PARKING SPACES REQUIRED: | 12 SPACES |
| TOTAL PARKING SPACES PROVIDED: | 15 SPACES |
| PARKING LOT LANDSCAPING REQUIRED: | N/A (LESS THAN 20,000 SF / 2 ROWS) |

### IRRIGATION

PROPOSED IRRIGATION DESIGN WILL MEET THE REQUIREMENTS OF THE UDC.
* UNDERSTORY TREES PROVIDED ADJACENT TO EXISTING OVERHEAD UTILITIES.

### POND LANDSCAPING

DETENTION POND REQUIRES 1 - 3" CANOPY TREE PER 750SF OF DRY AREA WITHIN POND

| | |
|---|---|
| 8,154 / 750 = | 11 TREES REQUIRED |
| | 11 TREES PROVIDED |

## PLANTING AND IRRIGATION GUARANTEE

THE LANDSCAPE CONTRACTOR SHALL GUARANTEE THAT ALL NEWLY INSTALLED AND EXISTING PLANTS SHALL SURVIVE FOR ONE YEAR AFTER FINAL OWNER ACCEPTANCE OF THE INSTALLATION WORK. THE CONTRACTOR SHALL ALSO BE RESPONSIBLE FOR APPROPRIATE WATERING OF THE LANDSCAPE THROUGH INSTALLATION OF A PROPERLY DESIGNED IRRIGATION SYSTEM. THE OWNER SHALL APPROVE THE SYSTEM DESIGN BEFORE INSTALLATION OF PLANTS OR IRRIGATION.

## ROOT BARRIERS

THE CONTRACTOR SHALL INSTALL ROOT BARRIERS NEAR ALL NEWLY-PLANTED TREES THAT ARE LOCATED WITHIN FIVE (5) FEET OF PAVING OR CURBS. ROOT BARRIERS SHALL BE "CENTURY" OR "DEEP-ROOT" 24" DEEP PANELS (OR EQUAL). BARRIERS SHALL BE LOCATED IMMEDIATELY ADJACENT TO HARDSCAPE. INSTALL PANELS PER MANUFACTURER'S RECOMMENDATIONS. UNDER NO CIRCUMSTANCES SHALL THE CONTRACTOR USE ROOT BARRIERS OF A TYPE THAT COMPLETELY ENCIRCLE THE ROOTBALL.

## MULCHES

AFTER ALL PLANTING IS COMPLETE, CONTRACTOR SHALL INSTALL 3" THICK LAYER OF 1-1/2" SHREDDED WOOD MULCH OVER LANDSCAPE FABRIC IN ALL PLANTING AREAS. CONTRACTOR SHALL SUBMIT SAMPLES OF ALL MULCHES TO LANDSCAPE ARCHITECT AND OWNER FOR APPROVAL PRIOR TO CONSTRUCTION. ABSOLUTELY NO EXPOSED GROUND SHALL BE LEFT SHOWING ANYWHERE ON THE PROJECT AFTER MULCH HAS BEEN INSTALLED.

# PLANTING SPECIFICATIONS

GENERAL

A. QUALIFICATIONS OF LANDSCAPE CONTRACTOR
   1. ALL LANDSCAPE WORK SHOWN ON THESE PLANS SHALL BE PERFORMED BY A SINGLE FIRM SPECIALIZING IN LANDSCAPE PLANTING.
   2. A LIST OF SUCCESSFULLY COMPLETED PROJECTS OF THIS TYPE, SIZE AND NATURE MAY BE REQUESTED BY THE OWNER FOR FURTHER QUALIFICATION MEASURES.
   3. THE LANDSCAPE CONTRACTOR SHALL HOLD A VALID NURSERY AND FLORAL CERTIFICATE ISSUED BY THE TEXAS DEPARTMENT OF AGRICULTURE, AS WELL AS OPERATE UNDER A COMMERCIAL PESTICIDE APPLICATOR LICENSE ISSUED BY EITHER THE TEXAS DEPARTMENT OF AGRICULTURE OR THE TEXAS STRUCTURAL PEST CONTROL BOARD.

B. SCOPE OF WORK
   1. WORK COVERED BY THESE SECTIONS INCLUDES THE FURNISHING AND PAYMENT OF ALL MATERIALS, LABOR, SERVICES, EQUIPMENT, LICENSES, TAXES AND ANY OTHER ITEMS THAT ARE NECESSARY FOR THE EXECUTION, INSTALLATION AND COMPLETION OF ALL WORK, SPECIFIED HEREIN AND / OR SHOWN ON THE LANDSCAPE PLANS, NOTES, AND DETAILS.
   2. ALL WORK SHALL BE PERFORMED IN ACCORDANCE WITH ALL APPLICABLE LAWS, CODES AND REGULATIONS REQUIRED BY AUTHORITIES HAVING JURISDICTION OVER SUCH WORK, INCLUDING ALL INSPECTIONS AND PERMITS REQUIRED BY FEDERAL, STATE AND LOCAL AUTHORITIES IN SUPPLY, TRANSPORTATION AND INSTALLATION OF MATERIALS.
   3. THE LANDSCAPE CONTRACTOR SHALL VERIFY THE LOCATION OF ALL UNDERGROUND UTILITY LINES (WATER, SEWER, ELECTRICAL, TELEPHONE, GAS, CABLE, TELEVISION, ETC.) PRIOR TO THE START OF ANY WORK.

PRODUCTS

A. ALL MANUFACTURED PRODUCTS SHALL BE NEW.
B. CONTAINER AND BALLED-AND-BURLAPPED PLANTS:
   1. FURNISH NURSERY-GROWN PLANTS COMPLYING WITH ANSI Z60.1-2004. PROVIDE WELL-SHAPED, FULLY BRANCHED, HEALTHY, VIGOROUS STOCK FREE OF DISEASE, INSECTS, EGGS, LARVAE, AND DEFECTS SUCH AS KNOTS, SUN SCALD, INJURIES, ABRASIONS, AND DISFIGUREMENT. ALL PLANTS WITHIN A SPECIES SHALL HAVE SIMILAR SIZE, AND SHALL BE OF A FORM TYPICAL FOR THE SPECIES. ALL TREES SHALL BE OBTAINED FROM SOURCES WITHIN 200 MILES OF THE PROJECT SITE, AND WITH SIMILAR CLIMACTIC CONDITIONS.
   2. ROOT SYSTEMS SHALL BE HEALTHY, DENSELY BRANCHED ROOT SYSTEMS, NON-POT-BOUND, FREE FROM ENCIRCLING AND/OR GIRDLING ROOTS, AND FREE FROM ANY OTHER ROOT DEFECTS (SUCH AS J-SHAPED ROOTS).
   3. ANY PLANT DEEMED UNACCEPTABLE BY THE LANDSCAPE ARCHITECT OR OWNER SHALL BE IMMEDIATELY REMOVED FROM THE SITE AND SHALL BE REPLACED WITH AN ACCEPTABLE PLANT OF LIKE TYPE AND SIZE AT THE CONTRACTOR'S OWN EXPENSE. ANY PLANTS APPEARING TO BE UNHEALTHY, EVEN IF DETERMINED TO STILL BE ALIVE, SHALL NOT BE ACCEPTED. THE LANDSCAPE ARCHITECT AND OWNER SHALL BE THE SOLE JUDGES AS TO THE ACCEPTABILITY OF PLANT MATERIAL.
   4. ALL TREES SHALL BE STANDARD IN FORM, UNLESS OTHERWISE SPECIFIED. TREES WITH CENTRAL LEADERS WILL NOT BE ACCEPTED IF LEADER IS DAMAGED OR REMOVED. PRUNE ALL DAMAGED TWIGS AFTER PLANTING.
   5. CALIPER MEASUREMENTS FOR STANDARD (SINGLE TRUNK) TREES SHALL BE AS FOLLOWS: SIX INCHES ABOVE THE ROOT FLARE FOR TREES UP TO AND INCLUDING FOUR INCHES IN CALIPER, AND TWELVE INCHES ABOVE THE ROOT FLARE FOR TREES EXCEEDING FOUR INCHES IN CALIPER.
   6. MULTI-TRUNK TREES SHALL BE MEASURED BY THEIR OVERALL HEIGHT, MEASURED FROM THE TOP OF THE ROOT BALL.
   7. ANY TREE OR SHRUB SHOWN TO HAVE EXCESS SOIL PLACED ON TOP OF THE ROOT BALL, SO THAT THE ROOT FLARE HAS BEEN COMPLETELY COVERED, SHALL BE REJECTED.
C. SOD: PROVIDE WELL-ROOTED SOD OF THE VARIETY NOTED ON THE PLANS. SOD SHALL BE CUT FROM HEALTHY, MATURE TURF WITH SOIL THICKNESS OF 3/4" TO 1". EACH PALLET OF SOD SHALL BE ACCOMPANIED BY A CERTIFICATE FROM SUPPLIER STATING THE COMPOSITION OF THE SOD.
D. SEED: PROVIDE BLEND OF SPECIES AND VARIETIES AS NOTED ON THE PLANS, WITH MAXIMUM PERCENTAGES OF PURITY, GERMINATION, AND MINIMUM PERCENTAGE OF WEED SEED AS INDICATED ON PLANS. EACH BAG OF SEED SHALL BE ACCOMPANIED BY A TAG FROM THE SUPPLIER INDICATING THE COMPOSITION OF THE SEED.
E. TOPSOIL: SANDY TO CLAY LOAM TOPSOIL, FREE OF STONES LARGER THAN ½ INCH, FOREIGN MATTER, PLANTS, ROOTS, AND SEEDS.
F. COMPOST: WELL-COMPOSTED, STABLE, AND WEED-FREE ORGANIC MATTER, pH RANGE OF 5.5 TO 8; MOISTURE CONTENT 35 TO 55 PERCENT BY WEIGHT; 100 PERCENT PASSING THROUGH 3/4-INCH SIEVE; SOLUBLE SALT CONTENT OF 5 TO 10 DECISIEMENS/M; NOT EXCEEDING 0.5 PERCENT INERT CONTAMINANTS AND FREE OF SUBSTANCES TOXIC TO PLANTINGS. NO MANURE OR ANIMAL-BASED PRODUCTS SHALL BE USED.
G. FERTILIZER: GRANULAR FERTILIZER CONSISTING OF NITROGEN, PHOSPHORUS, POTASSIUM, AND OTHER NUTRIENTS IN PROPORTIONS, AMOUNTS, AND RELEASE RATES RECOMMENDED IN A SOIL REPORT FROM A QUALIFIED SOIL-TESTING AGENCY (SEE BELOW).
H. MULCH: SIZE AND TYPE AS INDICATED ON PLANS, FREE FROM DELETERIOUS MATERIALS AND SUITABLE AS A TOP DRESSING OF TREES AND SHRUBS.
I. WEED FABRIC: 5 OUNCE, WOVEN, NEEDLE-PUNCHED FABRIC, SUCH AS DEWITT PRO5 LANDSCAPE FABRIC (OR APPROVED EQUAL).
J. TREE STAKING AND GUYING
   1. STAKES: 6' LONG GREEN METAL T-POSTS.
   2. GUY AND TIE WIRE: ASTM A 641, CLASS 1, GALVANIZED-STEEL WIRE, 2-STRAND, TWISTED, 0.106 INCH DIAMETER.
   3. STRAP CHAFING GUARD: REINFORCED NYLON OR CANVAS AT LEAST 1-1/2 INCH WIDE, WITH GROMMETS TO PROTECT TREE TRUNKS FROM DAMAGE.
K. STEEL EDGING: PROFESSIONAL STEEL EDGING, 14 GAUGE THICK X 4 INCHES WIDE, FACTORY PAINTED DARK GREEN. ACCEPTABLE MANUFACTURERS INCLUDE COL-MET OR APPROVED EQUAL.
L. PRE-EMERGENT HERBICIDES: ANY GRANULAR, NON-STAINING PRE-EMERGENT HERBICIDE THAT IS LABELED FOR THE SPECIFIC ORNAMENTALS OR TURF ON WHICH IT WILL BE UTILIZED. PRE-EMERGENT HERBICIDES SHALL BE APPLIED PER THE MANUFACTURER'S LABELED RATES.

METHODS

A. SOIL PREPARATION
   1. BEFORE STARTING WORK, THE LANDSCAPE CONTRACTOR SHALL VERIFY THAT THE GRADE OF ALL LANDSCAPE AREAS ARE WITHIN +/-0.1' OF FINISH GRADE. THE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY SHOULD ANY DISCREPANCIES EXIST.
   2. SOIL TESTING:
      a. AFTER FINISH GRADES HAVE BEEN ESTABLISHED, CONTRACTOR SHALL HAVE SOIL SAMPLES TESTED BY AN ESTABLISHED SOIL TESTING LABORATORY FOR THE FOLLOWING: SOIL TEXTURAL CLASS, GENERAL SOIL FERTILITY, pH, ORGANIC MATTER CONTENT, SALT (CEC), LIME, SODIUM ADSORPTION RATIO (SAR) AND BORON CONTENT. EACH SAMPLE SUBMITTED SHALL CONTAIN NO LESS THAN ONE QUART OF SOIL.
      b. CONTRACTOR SHALL ALSO SUBMIT THE PROJECT'S PLANT LIST TO THE LABORATORY ALONG WITH THE SOIL SAMPLES.
      c. THE SOIL REPORT PRODUCED BY THE LABORATORY SHALL CONTAIN RECOMMENDATIONS FOR THE FOLLOWING (AS APPROPRIATE): GENERAL SOIL PREPARATION AND BACKFILL MIXES, PRE-PLANT FERTILIZER APPLICATIONS, AND ANY OTHER SOIL RELATED ISSUES. THE REPORT SHALL ALSO PROVIDE A FERTILIZER PROGRAM FOR THE ESTABLISHMENT PERIOD AND FOR LONG-TERM MAINTENANCE.
   3. THE CONTRACTOR SHALL INSTALL SOIL AMENDMENTS AND FERTILIZERS PER THE SOILS REPORT RECOMMENDATIONS. ANY CHANGE IN COST DUE TO THE SOIL REPORT RECOMMENDATIONS, EITHER INCREASE OR DECREASE, SHALL BE SUBMITTED TO THE OWNER WITH THE REPORT.
   4. FOR BIDDING PURPOSES ONLY, THE SOIL PREPARATION SHALL CONSIST OF THE FOLLOWING:
      a. TURF: INCORPORATE THE FOLLOWING AMENDMENTS INTO THE TOP 8" OF SOIL BY MEANS OF ROTOTILLING AFTER CROSS-RIPPING:
      i. NITROGEN STABILIZED ORGANIC AMENDMENT - 4 CU. YDS. PER 1,000 S.F.
      ii. AMMONIUM PHOSPHATE 16-20-0 - 15 LBS PER 1,000 S.F.
      iii. AGRICULTURAL GYPSUM - 100 LBS PER 1,000 S.F.
      b. TREES, SHRUBS, AND PERENNIALS: INCORPORATE THE FOLLOWING AMENDMENTS INTO THE TOP 8" OF SOIL BY MEANS OF ROTOTILLING AFTER CROSS-RIPPING:
      i. NITROGEN STABILIZED ORGANIC AMENDMENT - 4 CU. YDS. PER 1,000 S.F.
      ii. 12-12-12 FERTILIZER - 10 LBS. PER CU. YD.
      iii. AGRICULTURAL GYPSUM - 10 LBS. PER CU. YD.
      iv. IRON SULPHATE - 2 LBS. PER CU. YD.
   5. CONTRACTOR SHALL ENSURE THAT THE GRADE IN SOD AREAS SHALL BE 1" BELOW FINISH GRADE BEFORE INSTALLING SOIL AMENDMENTS, AND 2" BELOW FINISH GRADE IN SHRUB AREAS BEFORE INSTALLING SOIL AMENDMENTS. MULCH COVER WITHIN 6" OF CONCRETE WALKS AND CURBS SHALL NOT PROTRUDE ABOVE THE FINISH SURFACE OF THE WALKS AND CURBS. MULCH COVER WITHIN 12" OF WALLS SHALL BE AT LEAST 3" LOWER THAN THE TOP OF WALL.
   6. ONCE SOIL PREPARATION IS COMPLETE, THE LANDSCAPE CONTRACTOR SHALL ENSURE THAT THERE ARE NO DEBRIS, TRASH, OR STONES LARGER THAN 1" REMAINING IN THE TOP 6" OF SOIL.

B. GENERAL PLANTING
   1. REMOVE ALL NURSERY TAGS AND STAKES FROM PLANTS.
   2. EXCEPT IN AREAS TO BE PLANTED WITH ORNAMENTAL GRASSES, APPLY PRE-EMERGENT HERBICIDES AT THE MANUFACTURER'S RECOMMENDED RATE.
   3. TRENCHING NEAR EXISTING TREES:
      a. CONTRACTOR SHALL NOT DISTURB ROOTS 1-1/2" AND LARGER IN DIAMETER WITHIN THE CRITICAL ROOT ZONE (CRZ) OF EXISTING TREES, AND SHALL EXERCISE ALL POSSIBLE CARE AND PRECAUTIONS TO AVOID INJURY TO TREE ROOTS, TRUNKS, AND BRANCHES. THE CRZ IS DEFINED AS A CIRCULAR AREA EXTENDING OUTWARD FROM THE TREE TRUNK, WITH A RADIUS EQUAL TO 1' FOR EVERY 1" OF TRUNK DIAMETER-AT-BREAST-HEIGHT (4.5' ABOVE THE AVERAGE GRADE AT THE TRUNK).
      b. ALL EXCAVATION WITHIN THE CRZ SHALL BE PERFORMED USING HAND TOOLS. NO MACHINE EXCAVATION OR TRENCHING OF ANY KIND SHALL BE ALLOWED WITHIN THE CRZ.
      c. ALTER ALIGNMENT OF PIPE TO AVOID TREE ROOTS 1-1/2" AND LARGER IN DIAMETER. WHERE TREE ROOTS 1-1/2" AND LARGER IN DIAMETER ARE ENCOUNTERED IN THE FIELD, TUNNEL UNDER SUCH ROOTS. WRAP EXPOSED ROOTS WITH SEVERAL LAYERS OF BURLAP AND KEEP MOIST. CLOSE ALL TRENCHES WITHIN THE CANOPY DRIP LINES WITHIN 24 HOURS.
      d. ALL SEVERED ROOTS SHALL BE HAND PRUNED WITH SHARP TOOLS AND ALLOWED TO AIR-DRY. DO NOT USE ANY SORT OF SEALERS OR WOUND PAINTS.

C. TREE PLANTING
   1. TREE PLANTING HOLES SHALL BE EXCAVATED TO MINIMUM WIDTH OF TWO TIMES THE WIDTH OF THE ROOTBALL, AND TO A DEPTH EQUAL TO THE DEPTH OF THE ROOTBALL LESS TWO TO FOUR INCHES.
   2. SCARIFY THE SIDES AND BOTTOM OF THE PLANTING HOLE PRIOR TO THE PLACEMENT OF THE TREE. REMOVE ANY GLAZING THAT MAY HAVE BEEN CAUSED DURING THE EXCAVATION OF THE HOLE.
   3. FOR CONTAINER AND BOX TREES, TO REMOVE ANY POTENTIALLY GIRDLING ROOTS AND OTHER ROOT DEFECTS, THE CONTRACTOR SHALL SHAVE A 1" LAYER OFF OF THE SIDES AND BOTTOM OF THE ROOTBALL OF ALL TREES JUST BEFORE PLACING INTO THE PLANTING PIT. DO NOT "TEASE" ROOTS OUT FROM THE ROOTBALL.
   4. INSTALL THE TREE ON UNDISTURBED SUBGRADE SO THAT THE TOP OF THE ROOTBALL IS TWO TO FOUR INCHES ABOVE THE SURROUNDING GRADE.
   5. BACKFILL THE TREE HOLE UTILIZING THE EXISTING TOPSOIL FROM ON-SITE. ROCKS LARGER THAN 1" DIA. AND ALL OTHER DEBRIS SHALL BE REMOVED FROM THE SOIL PRIOR TO THE BACKFILL. SHOULD ADDITIONAL SOIL BE REQUIRED TO ACCOMPLISH THIS TASK, USE STORED TOPSOIL FROM ON-SITE OR IMPORT ADDITIONAL TOPSOIL FROM OFF-SITE AT NO ADDITIONAL COST TO THE OWNER. IMPORTED TOPSOIL SHALL BE OF SIMILAR TEXTURAL CLASS AND COMPOSITION IN THE ON-SITE SOIL.
   6. THE TOTAL NUMBER OF TREE STAKES (BEYOND THE MINIMUMS LISTED BELOW) WILL BE LEFT TO THE LANDSCAPE CONTRACTOR'S DISCRETION. SHOULD ANY TREES FALL OR LEAN, THE LANDSCAPE CONTRACTOR SHALL STRAIGHTEN THE TREE, OR REPLACE IT SHOULD IT BECOME DAMAGED. TREE STAKING SHALL ADHERE TO THE FOLLOWING GUIDELINES:

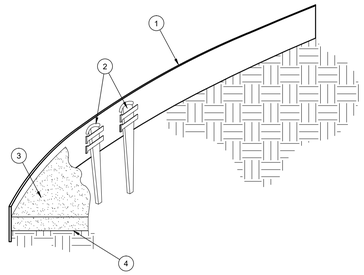
| | | |
|---|---|---|
| a. | 1"-2" TREES | TWO STAKES PER TREE |
| b. | 2-1/2"-4" TREES | THREE STAKES PER TREE |
| c. | TREES OVER 4" CALIPER | GUY AS NEEDED |
| d. | MULTI-TRUNK TREES | THREE STAKES PER TREE MINIMUM, QUANTITY AND POSITIONS AS NEEDED TO STABILIZE THE TREE |

   7. UPON COMPLETION OF PLANTING, CONSTRUCT AN EARTH WATERING BASIN AROUND THE TREE. COVER THE INTERIOR OF THE TREE RING WITH MULCH (TYPE AND DEPTH PER PLANS).

D. SHRUB, PERENNIAL, AND GROUNDCOVER PLANTING
   1. DIG THE PLANTING HOLES TWICE AS WIDE AND 2" LESS DEEP THAN EACH PLANT'S ROOTBALL. INSTALL THE PLANT IN THE HOLE. BACKFILL AROUND THE PLANT WITH SOIL AMENDED PER SOIL TEST RECOMMENDATIONS.
   2. WHEN PLANTING IS COMPLETE, INSTALL MULCH (TYPE AND DEPTH PER PLANS) OVER ALL PLANTING BEDS, COVERING THE ENTIRE PLANTING AREA.

E. SODDING
   1. SOD VARIETY TO BE AS SPECIFIED ON THE LANDSCAPE PLAN.
   2. LAY SOD WITHIN 24 HOURS FROM THE TIME OF STRIPPING. DO NOT LAY IF THE GROUND IS FROZEN.
   3. LAY THE SOD TO FORM A SOLID MASS WITH TIGHTLY FITTED JOINTS. BUTT ENDS AND SIDES OF SOD STRIPS - DO NOT OVERLAP. STAGGER STRIPS TO OFFSET JOINTS IN ADJACENT COURSES.
   4. ROLL THE SOD TO ENSURE GOOD CONTACT OF THE SOD'S ROOT SYSTEM WITH THE SOIL UNDERNEATH.
   5. WATER THE SOD THOROUGHLY WITH A FINE SPRAY IMMEDIATELY AFTER PLANTING TO OBTAIN AT LEAST SIX INCHES OF PENETRATION INTO THE SOIL BELOW THE SOD.

F. HYDROMULCHING
   1. TURF HYDROMULCH MIX (PER 1,000 SF) SHALL BE AS FOLLOWS:
      a. WINTER MIX (OCTOBER 1 - MARCH 31)
         50# CELLULOSE FIBER MULCH
         2# UNHULLED BERMUDA SEED
         2# ANNUAL RYE SEED
         15# 15-15-15 WATER SOLUBLE FERTILIZER
      b. SUMMER MIX (APRIL 1 - SEPTEMBER 30)
         50# CELLULOSE FIBER MULCH
         2# HULLED BERMUDA SEED
         15# 15-15-15 WATER SOLUBLE FERTILIZER
   2. SEED HYDROMULCH MIX (PER 1,000 SF) SHALL BE AS FOLLOWS:
      a. GENERAL
         50# CELLULOSE FIBER MULCH
         15# 15-15-15 WATER SOLUBLE FERTILIZER
         SEED RATE PER LEGEND

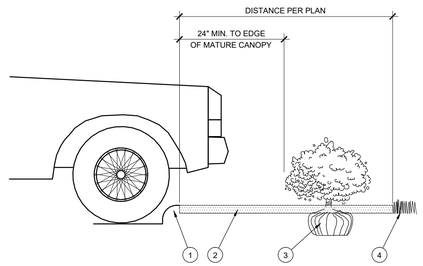


G. CLEAN UP
   1. DURING LANDSCAPE PREPARATION AND PLANTING, KEEP ALL PAVEMENT CLEAN AND ALL WORK AREAS IN A NEAT, ORDERLY CONDITION.
   2. DISPOSED LEGALLY OF ALL EXCAVATED MATERIALS OFF THE PROJECT SITE.

H. INSPECTION AND ACCEPTANCE
   1. UPON COMPLETION OF THE WORK, THE LANDSCAPE CONTRACTOR SHALL PROVIDE THE SITE CLEAN, FREE OF DEBRIS AND TRASH, AND SUITABLE FOR USE AS INTENDED. THE LANDSCAPE CONTRACTOR SHALL THEN REQUEST AN INSPECTION BY THE OWNER TO DETERMINE FINAL ACCEPTABILITY.
   2. WHEN THE INSPECTED PLANTING WORK DOES NOT COMPLY WITH THE CONTRACT DOCUMENTS, THE LANDSCAPE CONTRACTOR SHALL REPLACE AND/OR REPAIR THE REJECTED WORK TO THE OWNER'S SATISFACTION WITHIN 24 HOURS.
   3. THE LANDSCAPE MAINTENANCE PERIOD WILL NOT COMMENCE UNTIL THE LANDSCAPE WORK HAS BEEN RE-INSPECTED BY THE OWNER AND FOUND TO BE ACCEPTABLE. AT THAT TIME, A WRITTEN NOTICE OF FINAL ACCEPTANCE WILL BE ISSUED BY THE OWNER, AND THE MAINTENANCE AND GUARANTEE PERIODS WILL COMMENCE.

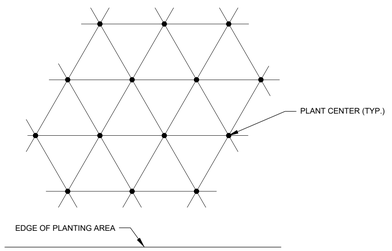
I. LANDSCAPE MAINTENANCE
   1. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR THE MAINTENANCE OF ALL WORK SHOWN ON THESE PLANS FOR 90 DAYS BEYOND FINAL ACCEPTANCE OF ALL LANDSCAPE WORK BY THE OWNER. LANDSCAPE MAINTENANCE SHALL INCLUDE WEEKLY SITE VISITS FOR THE FOLLOWING ACTIONS (AS APPROPRIATE): PROPER PRUNING, RESTAKING OF TREES, RESETTING OF PLANTS THAT HAVE SETTLED, MOWING AND AERATION OF LAWNS, WEEDING, RESEEDING AREAS WHICH HAVE NOT GERMINATED WELL, TREATING FOR INSECTS AND DISEASES,REPLACEMENT OF MULCH, REMOVAL OF LITTER, REPAIRS TO THE IRRIGATION SYSTEM DUE TO FAULTY PARTS AND/OR WORKMANSHIP, AND THE APPROPRIATE WATERING OF ALL PLANTINGS. THE LANDSCAPE CONTRACTOR SHALL MAINTAIN THE IRRIGATION SYSTEM IN PROPER WORKING ORDER, WITH SCHEDULING ADJUSTMENTS BY SEASON TO MAXIMIZE WATER CONSERVATION.
   2. SHOULD SEEDED AND/OR SODDED AREAS NOT BE COVERED BY AN AUTOMATIC IRRIGATION SYSTEM, THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR WATERING THESE AREAS AND OBTAINING A FULL, HEALTHY STAND OF GRASS AT NO ADDITIONAL COST TO THE OWNER.
   3. TO ACHIEVE FINAL ACCEPTANCE AT THE END OF THE MAINTENANCE PERIOD, ALL OF THE FOLLOWING CONDITIONS MUST OCCUR:
      a. THE LANDSCAPE SHALL SHOW ACTIVE, HEALTHY GROWTH (WITH EXCEPTIONS MADE FOR SEASONAL DORMANCY). ALL PLANTS NOT MEETING THIS CONDITION SHALL BE REJECTED AND REPLACED BY HEALTHY PLANT MATERIAL PRIOR TO FINAL ACCEPTANCE.
      b. ALL HARDSCAPE SHALL BE CLEANED PRIOR TO FINAL ACCEPTANCE.
      c. SODDED AREAS MUST BE ACTIVELY GROWING AND MUST REACH A MINIMUM HEIGHT OF 1 1/2 INCHES BEFORE FIRST MOWING. HYDROMULCHED AREAS SHALL SHOW ACTIVE, HEALTHY GROWTH. BARE AREAS LARGER THAN TWELVE SQUARE INCHES MUST BE RESODDED OR RESEEDED (AS APPROPRIATE) PRIOR TO FINAL ACCEPTANCE. ALL SODDED TURF SHALL BE NEATLY MOWED.

J. WARRANTY PERIOD, PLANT GUARANTEE AND REPLACEMENTS
   1. THE LANDSCAPE CONTRACTOR SHALL GUARANTEE ALL TREES, SHRUBS, PERENNIALS, SOD, SEEDED/HYDROMULCHED AREAS, AND IRRIGATION SYSTEMS FOR A PERIOD OF ONE YEAR FROM THE DATE OF THE OWNER'S FINAL ACCEPTANCE (90 DAYS FOR ANNUAL PLANTS). THE CONTRACTOR SHALL REPLACE, AT HIS OWN EXPENSE AND TO THE SATISFACTION OF THE OWNER, ANY PLANTS WHICH DIE IN THAT TIME, OR REPAIR ANY PORTIONS OF THE IRRIGATION SYSTEM WHICH OPERATE IMPROPERLY.
   2. AFTER THE INITIAL MAINTENANCE PERIOD AND DURING THE GUARANTEE PERIOD, THE LANDSCAPE CONTRACTOR SHALL ONLY BE RESPONSIBLE FOR REPLACEMENT OF PLANTS WHEN PLANT DEATH CANNOT BE ATTRIBUTED DIRECTLY TO OVERWATERING OR OTHER DAMAGE BY HUMAN ACTIONS.



K. PROVIDE A MINIMUM OF (2) COPIES OF RECORD DRAWINGS TO THE OWNER UPON COMPLETION OF WORK. A RECORD DRAWING IS A RECORD OF ALL CHANGES THAT OCCURRED IN THE FIELD AND THAT ARE DOCUMENTED THROUGH CHANGE ORDERS, ADDENDA, OR CONTRACTOR/CONSULTANT DRAWING MARKUPS.

1. ROLLED-TOP STEEL EDGING PER PLANS.
2. TAPERED STEEL STAKES.
3. MULCH, TYPE AND DEPTH PER PLANS.
4. FINISH GRADE.

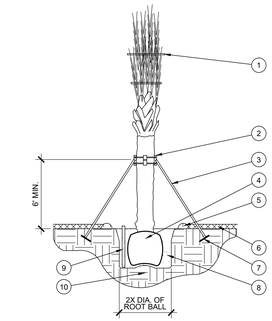


NOTES:
1) INSTALL EDGING SO THAT STAKES WILL BE ON INSIDE OF PLANTING BED.
2) BOTTOM OF EDGING SHALL BE BURIED A MINIMUM OF 1" BELOW FINISH GRADE.
3) TOP OF MULCH SHALL BE 1" LOWER THAN TOP OF EDGING.

## C STEEL EDGING
SCALE: NOT TO SCALE

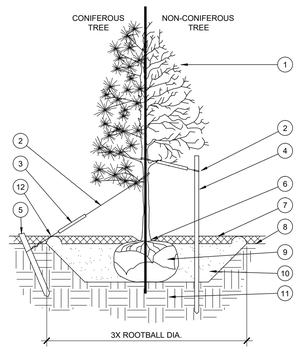
1. CURB.
2. MULCH LAYER.
3. PLANT.
4. TURF (WHERE SHOWN ON PLAN).

## D HEDGE PLANTING AT PARKING AREA
SCALE: NOT TO SCALE



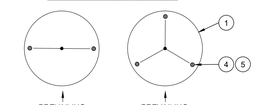
NOTE: ALL PLANTS SHALL BE PLANTED AT EQUAL TRIANGULAR SPACING (EXCEPT WHERE SHOWN ON PLANS AS INFORMAL GROUPINGS). REFER TO PLANT LEGEND FOR SPACING DISTANCE BETWEEN PLANTS.

| PLANT SPACING | AREA DIVIDER TO DETERMINE NO. OF PLANTS |
|---|---|
| 6" | 0.25 |
| 8" | 0.45 |
| 10" | 0.69 |
| 12" | 1 |
| 15" | 1.56 |
| 18" | 2.25 |
| 24" | 4 |
| 30" | 6.25 |
| 36" | 9 |



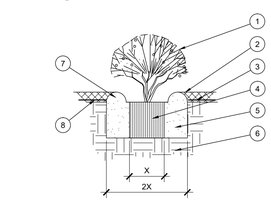
EXAMPLE: PLANTS AT 18" O.C. IN 100 SF OF PLANTING AREA = 100/2.25 = 44 PLANTS

## E PLANT SPACING
SCALE: NTS



1. BIODEGRADEABLE TWINE.
2. PALM BRACE SYSTEM.
3. 2" X 4" SUPPORT, TOENAILED TO BRACE SYSTEM (3) - DO NOT NAIL TO PALM.
4. ROOT BALL.
5. 4" HIGH TEMPORARY WATERING BASIN.
6. MULCH PER PLANS. DO NOT ALLOW MORE THAN 1" OF MULCH WITHIN 12" OF TRUNK.
7. 2" X 4" X 12" DEADMAN, BURIED 12" MIN. BELOW GRADE.
8. BACKFILL MIX PER SPECIFICATIONS AND SOIL TEST RECOMMENDATIONS.
9. 4" PERFORATED PVC WATER MONITORING TUBE WRAPPED IN FILTER FABRIC (ANY APPROVED) - TWO PLACES AROUND PALM.
10. UNDISTURBED SUBGRADE.

## F PALM PLANTING
SCALE: NOT TO SCALE



1. TREE CANOPY.
2. CINCH-TIES (24" BOX TREES AND SMALLER) OR 12 GAUGE GALVANIZED WIRE WITH NYLON TREE STRAPS AT TREE AND STAKE (36" BOX TREES AND LARGER). SECURE TIES OR STRAPS TO TRUNK JUST ABOVE LOWEST MAJOR BRANCHES.
3. 24" X 3/4" P.V.C. MARKERS OVER WIRES.
4. GREEN STEEL T-POSTS. EXTEND POSTS 12" MIN. INTO UNDISTURBED SOIL.
5. PRESSURE-TREATED WOOD DEADMAN, TWO PER TREE (MIN.). BURY OUTSIDE OF PLANTING PIT AND 18" MIN. INTO UNDISTURBED SOIL.
6. TRUNK FLARE.
7. MULCH, TYPE AND DEPTH PER PLANS. DO NOT PLACE MULCH WITHIN 6" OF TRUNK.
8. FINISH GRADE.
9. ROOT BALL.
10. BACKFILL. AMEND AND FERTILIZE ONLY AS RECOMMENDED IN SOIL FERTILITY ANALYSIS.
11. UNDISTURBED NATIVE SOIL.
12. 4" HIGH EARTHEN WATERING BASIN.

STAKING EXAMPLES (PLAN VIEW)

NOTES:
1. SCARIFY SIDES OF PLANTING PIT PRIOR TO SETTING TREE.
2. REMOVE EXCESS SOIL APPLIED ON TOP OF THE ROOTBALL THAT COVERS THE ROOT FLARE. THE PLANTING HOLE DEPTH SHALL BE SUCH THAT THE ROOTBALL RESTS ON UNDISTURBED SOIL, AND THE ROOT FLARE IS 3"-5" ABOVE FINISH GRADE.
3. FOR B&B TREES, CUT OFF BOTTOM 1/3 OF WIRE BASKET BEFORE PLACING TREE IN HOLE, CUT OFF AND REMOVE REMAINDER OF BASKET AFTER TREE IS SET IN HOLE. REMOVE ALL NYLON TIES, TWINE, ROPE, AND OTHER PACKING MATERIAL. REMOVE AS MUCH BURLAP FROM AROUND ROOTBALL AS IS PRACTICAL.
4. REMOVE ALL NURSERY STAKES AFTER PLANTING.
5. FOR TREES OVER 3" CALIPER AND TREES 36" BOX AND LARGER, USE THREE STAKES OR DEADMEN (AS APPROPRIATE), SPACED EVENLY AROUND TREE.
6. STAKING SHALL BE TIGHT ENOUGH TO PREVENT TRUNK FROM BENDING, BUT LOOSE ENOUGH TO ALLOW SOME TRUNK MOVEMENT IN WIND.

## A TREE PLANTING
SCALE: NOT TO SCALE

1. SHRUB, PERENNIAL, OR ORNAMENTAL GRASS.
2. MULCH, TYPE AND DEPTH PER PLANS. PLACE NO MORE THAN 1" OF MULCH WITHIN 6" OF PLANT CENTER.
3. FINISH GRADE.
4. ROOT BALL.
5. BACKFILL. AMEND AND FERTILIZE ONLY AS RECOMMENDED IN SOIL FERTILITY ANALYSIS.
6. UNDISTURBED NATIVE SOIL.
7. 3" HIGH EARTHEN WATERING BASIN.
8. WEED FABRIC UNDER MULCH.

## B SHRUB/PERENNIAL PLANTING
SCALE: NTS

# TREE PROTECTION SPECIFICATIONS

**MATERIALS**

1. FABRIC: 4 FOOT HIGH ORANGE PLASTIC FENCING AS SHOWN ON THE PLANS AND SHALL BE WOVEN WITH 2 INCH MESH OPENINGS SUCH THAT IN A VERTICAL DIMENSION OF 23 INCHES ALONG THE DIAGONALS OF THE OPENINGS THERE SHALL BE AT LEAST 7 MESHES.
2. POSTS: POSTS SHALL BE A MINIMUM OF 72 INCHES LONG AND STEEL 'T' SHAPED WITH A MINIMUM WEIGHT OF 1.3 POUNDS PER LINEAR FOOT.
3. TIE WIRE: WIRE FOR ATTACHING THE FABRIC TO THE T-POSTS SHALL BE NOT LESS THAN NO. 12 GAUGE GALVANIZED WIRE.
4. USED MATERIALS: PREVIOUSLY-USED MATERIALS, MEETING THE ABOVE REQUIREMENTS AND WHEN APPROVED BY THE OWNER, MAY BE USED.

**CONSTRUCTION METHODS**

ALL TREES AND SHRUBS (SHOWN TO REMAIN) WITHIN THE PROXIMITY OF THE CONSTRUCTION SITE SHALL BE PROTECTED PRIOR TO BEGINNING ANY DEVELOPMENT ACTIVITY.

EMPLOY THE SERVICES OF AN ISA (INTERNATIONAL SOCIETY OF ARBORICULTURE) CERTIFIED ARBORIST (AND OBTAIN ALL REQUIRED PERMITS) TO PRUNE THE EXISTING TREES FOR CLEANING, RAISING AND THINNING. ENSURE ALL TREES RECEIVE A COMMERCIAL-GRADE ROOT STIMULATOR APPLICATION AFTER PRUNING.

PROTECTIVE FENCING SHALL BE ERECTED OUTSIDE THE DRIPLINE AT LOCATIONS SHOWN IN THE PLANS OR AS DIRECTED BY THE LANDSCAPE CONSULTANT AND/OR CITY ARBORIST OR IN ACCORDANCE WITH THE DETAILS SHOWN ON THE PLANS AT THE DRIP LINE OF TREES (ROOT PROTECTION ZONE, RPZ) AND/OR LANDSCAPE PLANT MATERIAL INCLUDING NATURAL AREAS. FENCING SHALL BE MAINTAINED AND REPAIRED BY THE CONTRACTOR DURING SITE CONSTRUCTION.

PROTECTIVE FENCE LOCATIONS IN CLOSE PROXIMITY TO STREET INTERSECTIONS OR DRIVES SHALL ADHERE TO THE APPLICABLE JURISDICTION'S SIGHT DISTANCE CRITERIA.

THE PROTECTIVE FENCING SHALL BE ERECTED BEFORE SITE WORK COMMENCES AND SHALL REMAIN IN PLACE DURING THE ENTIRE CONSTRUCTION PHASE.

THE INSTALLATION POSTS WILL BE PLACED EVERY 6 FEET AROUND THE DRIP LINE OR RPZ AND EMBEDDED TO 18 INCHES DEEP. FABRIC ATTACHMENT SHALL BE ATTACHED TO THE INSTALLATION POSTS BY THE USE OF SUFFICIENT WIRE TIES TO SECURELY FASTEN THE FABRIC TO THE 'T-POSTS' TO HOLD THE FABRIC IN A STABLE AND UPRIGHT POSITION.

1. DO NOT CLEAR, FILL OR GRADE IN THE RPZ OF ANY TREE.
2. DO NOT STORE, STOCKPILE OR DUMP ANY JOB MATERIAL, SOIL OR RUBBISH UNDER THE SPREAD OF THE TREE BRANCHES.
3. DO NOT PARK OR STORE ANY EQUIPMENT OR SUPPLIES UNDER THE SPREAD OF THE TREE BRANCHES.
4. DO NOT SET UP ANY CONSTRUCTION OPERATIONS UNDER THE SPREAD OF THE TREE BRANCHES (EX. PIPE CUTTING AND THREADING, MORTAR MIXING, PAINTING OR LUMBER CUTTING).
5. DO NOT NAIL OR ATTACH TEMPORARY SIGNS METERS, SWITCHES, WIRES, BRACING OR ANY OTHER ITEM TO THE TREES.
6. DO NOT PERMIT RUNOFF FROM WASTE MATERIALS INCLUDING SOLVENTS, CONCRETE WASHOUTS, ASPHALT TACK COATS (MC-30 OIL), ETC. TO ENTER THE RPZ. BARRIERS ARE TO BE PROVIDED TO PREVENT SUCH RUNOFF SUBSTANCES FROM ENTERING THE RPZ WHENEVER POSSIBLE, INCLUDING IN AN AREA WHERE RAIN OR SURFACE WATER COULD CARRY SUCH MATERIALS TO THE ROOT SYSTEM OF THE TREE.

ROUTE UNDERGROUND UTILITIES TO AVOID THE RPZ. IF DIGGING IS UNAVOIDABLE, BORE UNDER THE ROOTS, OR HAND DIG TO AVOID SEVERING THEM.

THE CONTRACTOR SHOULD AVOID CUTTING ROOTS LARGER THAN ONE INCH IN DIAMETER WHEN EXCAVATION OCCURS NEAR EXISTING TREES. EXCAVATION IN THE VICINITY OF TREES SHALL PROCEED WITH CAUTION.

REMOVE ALL TREES, SHRUBS OR BUSHES TO BE CLEARED FROM PROTECTED ROOT ZONE AREAS BY HAND.

TREES DAMAGED OR LOST DUE TO CONTRACTOR'S NEGLIGENCE DURING CONSTRUCTION SHALL BE MITIGATED AT THE CONTRACTOR'S EXPENSE AND TO THE PROJECT OWNER'S SATISFACTION.

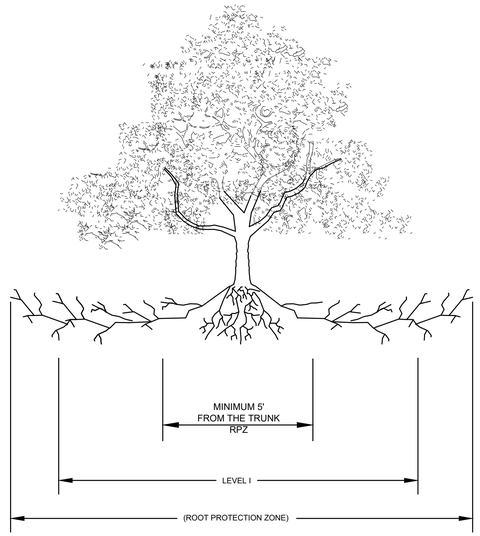
ANY TREE REMOVAL SHALL BE APPROVED BY THE OWNER PRIOR TO ITS REMOVAL.

COVER EXPOSED ROOTS AT THE END OF EACH DAY WITH SOIL, MULCH OR WET BURLAP.

IN CRITICAL ROOT ZONE AREAS THAT CANNOT BE PROTECTED DUING CONSTRUCTION AND WHERE HEAVY TRAFFIC IS ANTICIPATED, COVER THOSE AREAS WITH EIGHT INCHES OF ORGANIC MULCH TO MINIMIZE SOIL COMPACTION. THIS EIGHT INCH DEPTH OF MULCH SHALL BE MAINTAINED THROUGHOUT CONSTRUCTION.

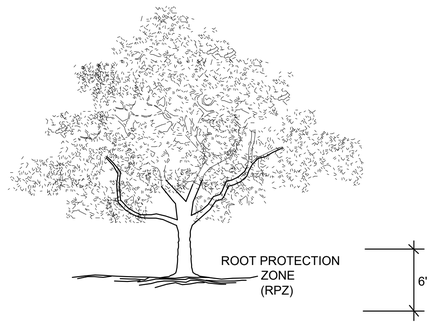
WATER ALL TREES, MOST HEAVILY IMPACTED BY CONSTRUCTION ACTIVITIES, DEEPLY ONCE A WEEK DURING PERIODS OF HOT DRY WEATHER. SPRAY TREE CROWNS WITH WATER PERIODICALLY TO REDUCE DUST ACCUMULATION ON THE LEAVES.

WHEN INSTALLING CONCRETE ADJACENT TO THE ROOT ZONE OF A TREE, USE A PLASTIC VAPOR BARRIER BEHIND THE CONCRETE TO PROHIBIT LEACHING OF LIME INTO THE SOIL.



WHEN AN EXCAVATION OR EMBANKMENT IS PLACED WITHIN THE DRIPLINE OF ANY TREE GREATER THAN EIGHT INCHES IN DIAMETER, A TREE WELL SHALL BE CONSTRUCTED TO PROTECT THE TREE AS INDICATED, WHEN THE CUT OR FILL EXCEEDS EIGHT INCHES.

WHERE PAVING OR FILLING IS NECESSARY WITHIN THE DRIPLINE OF ANY TREE EIGHT INCHES OR GREATER, A PERMEABLE PAVEMENT AND AERATION SYSTEM MUST BE INSTALLED.



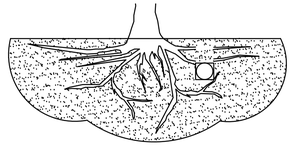
CONTRACTOR SHALL REMOVE AND DISPOSE OF ALL TREE PROTECTION FENCING WHEN ALL THREATS TO THE EXISTING TREES FROM CONSTRUCTION-RELATED ACTIVITIES HAVE BEEN REMOVED.

# TREE PROTECTION REQUIREMENTS

1. A ROOT PROTECTION ZONE WILL BE ESTABLISHED AROUND EACH TREE OR ANY VEGETATION TO BE PRESERVED. THE ROOT PROTECTION ZONE SHALL BE AN AREA DEFINED BY THE RADIUS EXTENDING OUTWARD FROM THE TRUNK OF THE TREE A DISTANCE OF ONE (1) LINEAR FOOT FOR EACH INCH DIAMETER INCH AT BREAST HEIGHT (4.5') OF THE TREE. EXAMPLE: A 10-INCH DIAMETER TREE WILL HAVE A 10 FOOT RADIUS ROOT PROTECTION ZONE.
2. NO WORK SHALL BEGIN WERE TREE PROTECTION FENCING HAS NOT BEEN COMPLETED AND APPROVED. TREE PROTECTION FENCING SHALL BE INSTALLED, MAINTAINED AND REPAIRED BY THE CONTRACTOR DURING CONSTRUCTION. THE FENCING WILL BE A MINIMUM OF 4' HEIGHT.
3. ALL ROOTS LARGER THAN ONE-INCH IN DIAMETER ARE TO BE CUT CLEANLY. FOR OAKS ONLY, ALL WOUNDS SHALL BE PAINTED WITH WOUND SEALER WITHIN 30 MINUTES.
4. EXPOSED ROOTS SHALL BE COVERED AT THE END OF THE WORK DAY USING TECHNIQUES SUCH AS COVERING WITH SOIL, MULCH OR WET BURLAP.
5. NO EQUIPMENT, VEHICLES OR MATERIALS SHALL BE OPERATED OR STORED WITHIN THE ROOT PROTECTION ZONE. NO CLEAN-OUT AREAS WILL BE CONSTRUCTED SO THAT THE MATERIAL WILL BE IN OR MIGRATE TO THE ROOT PROTECTION ZONE.
6. NO GRADE CHANGE MORE THAN 3" IS ALLOWED WITHIN THE ROOT PROTECTION ZONE.
7. ROOTS OR BRANCHES IN CONFLICT WITH CONSTRUCTION SHALL BE CUT CLEANLY ACCORDING TO PROPER PRUNING METHODS. ALL WOUNDS SHALL BE PAINTED WITHIN 30 MINUTES TO PREVENT OAK WILT INFECTION (OAK TREES ONLY).
8. ANY TREE REMOVAL SHALL BE APPROVED BY THE LOCAL JURISDICTION'S ARBORIST.
9. TREES WHICH ARE DAMAGED OR LOST DUE TO THE CONTRACTOR'S NEGLIGENCE DURING CONSTRUCTION SHALL BE REPLACED WITH TREE QUANTITIES AND SIZES ACCEPTABLE TO THE LOCAL JURISDICTION.
10. TREES MUST BE MAINTAINED IN GOOD HEALTH THROUGHOUT THE CONSTRUCTION PROCESS. MAINTENANCE MAY INCLUDE WATERING THE ROOT PROTECTION ZONE AND/OR WASHING FOLIAGE.
11. NO WIRES, NAILS OR OTHER MATERIALS MAY BE ATTACHED TO PROTECTED TREES.
12. THE ROOT PROTECTION ZONE SHALL BE PRESERVED AT NATURAL GRADE. NO CUTTING, FILLING, TRENCHING, ROOT DISTURBANCE, SOIL DISTURBANCE, OR CONSTRUCTION SHALL OCCUR CLOSER TO THE TRUNK THAN ONE-HALF (1/2) THE ROOT PROTECTION ZONE RADIUS EXCEPT IN PARKING AREAS, WHERE APPROVED ALTERNATIVE MATERIALS AND METHODS MAY BE USED AND CONSTRUCTION MAY OCCUR AS CLOSE AS FIVE (5) FEET FROM THE ROOT FLARES ON ONE SIDE OF THE TREE. NATIVE UNDERSTORY VEGETATION WITHIN THE ROOT PROTECTION ZONE SHALL BE PRESERVED, HOWEVER THE REQUIREMENT DOES NOT APPLY TO ROOT PROTECTION ZONE AREAS THAT HAVE BEEN LANDSCAPED. THE ROOT PROTECTION ZONE MAY BE SHIFTED AND CLUSTERED AS LONG AS THERE IS NO CONSTRUCTION CLOSER TO THE TRUNK THAN ONE-HALF (1/2) THE ROOT PROTECTION ZONE RADIUS. THE CONSTRUCTION OF SIDEWALKS SHALL BE ALLOWED IN THE ROOT PROTECTION ZONE, AS LONG AS EXCAVATION DOES NOT EXCEED THREE (3) INCHES.
13. DURING CONSTRUCTION ACTIVITY ON SITE, AT LEAST A SIX-INCH LAYER OF A COARSE MULCH SHALL BE PLACED AND MAINTAINED OVER THE ROOT PROTECTION ZONE. THE IMPERVIOUS COVER MAY ENCROACH WITHIN THE ROOT PROTECTION ZONE IF SAID ENCROACHMENT IS APPROVED BY THE ARBORIST.

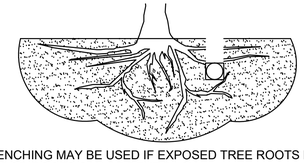
A TREE PROTECTION FENCE - ELEVATION
SCALE: NOT TO SCALE

6" MULCH INSIDE RPZ



NOTES:
1. THE FENCING LOCATION SHOWN ABOVE IS DIAGRAMATIC ONLY AND WILL CONFORM TO THE DRIP LINE AND BE LIMITED TO PROJECT BOUNDARY. WHERE MULTIPLE ADJACENT TREES WILL BE ENCLOSED BY FENCING, THE FENCING SHALL BE CONTINUOUS AROUND ALL TREES.
2. FOR ACCEPTABLE FENCING MATERIALS SEE SPECIFICATIONS.

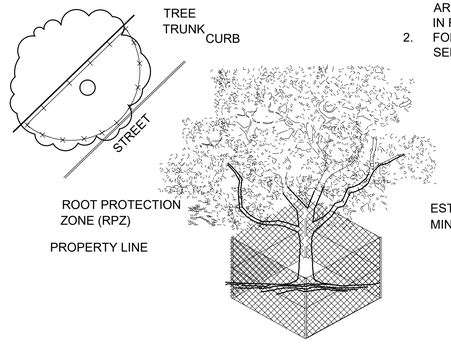
B TREE PROTECTION FENCE
SCALE: NOT TO SCALE



TREES THAT ARE MARKED TO BE PRESERVED ON A SITE PLAN AND FOR WHICH UTILITIES MUST PASS TROUGH THEIR ROOT PROTECTION ZONES MAY REQUIRE TUNNELING AS OPPOSED TO OPEN TRENCHES. THE DECISION TO TUNNEL WILL BE DETERMINED ON A CASE BY CASE BASIS BY THE ENGINEER.

TUNNELS SHALL BE DUG THROUGH THE ROOT PROTECTION ZONE IN ORDER TO MINIMIZE ROOT DAMAGE.

12" MIN & 48" MAX DEPTH



TUNNEL TO MINIMIZE ROOT DAMAGE (TOP) AS OPPOSED TO SURFACE-DUG TRENCHES IN ROOT PROTECTION ZONE WHEN THE 5' MINIMUM DISTANCE FROM TRUNK CAN NOT BE ACHIEVED.

OPEN TRENCHING MAY BE USED IF EXPOSED TREE ROOTS DO NOT EXCEED 3" OR ROOTS CAN BE BENT BACK.

D BORING THROUGH ROOT PROTECTION ZONE
SCALE: NOT TO SCALE

NOTES:
1. OPTION USED FOR TIGHT CONSTRUCTION AREAS OR WHEN CONSTRUCTION OCCURS IN ROOT PROTECTION ZONE.
2. FOR ACCEPTABLE FENCING MATERIALS SEE SPECIFICATIONS.

6" MULCH INSIDE RPZ
IF BARE DIRT

8" MULCH OUTSIDE RPZ
AND UNDER DRIP LINE AS MINIMAL PROTECTION FOR ROOTS FROM CONSTRUCTION ACTIVITIES

CITY OF ROCKWALL OUTDOOR LIGHTING FOR NONRESIDENTIAL PROPERTIES MINIMUM REQUIREMENTS:

A. GLARE. IN ORDER TO PRESERVE THE NIGHT SKY AND TO REDUCE GLARE ON ROADWAYS, PEDESTRIAN AREAS AND ADJACENT DEVELOPMENT, LIGHT SOURCES (E.G. LIGHT BULBS) SHALL BE ORIENTED DOWN AND TOWARD THE CENTER OF THE SITE OR SHIELDED SO AS TO NOT BE VISIBLE FROM THE PROPERTY LINE. THIS APPLIES TO REFRACTORY LENSES WHICH EXTEND BEYOND THE LIGHTING FIXTURE AND ARE DESIGNED TO REDIRECT THE LIGHTING SOURCE HORIZONTALLY. THIS DOES NOT APPLY TO NEON OR INTERNALLY LIT SIGNS, OR TO DECORATIVE LIGHTING WITH 15 WATTS OR LESS PER BULB.

B. LIGHT AT RESIDENTIAL PROPERTY LINE. THE ALLOWABLE MAXIMUM LIGHT INTENSITY MEASURED AT THE PROPERTY LINE OF A RESIDENTIALLY ZONED LOT SHALL BE 0.2 OF ONE FOOTCANDLE.

C. LIGHT AT NONRESIDENTIAL PROPERTY LINE. THE ALLOWABLE MAXIMUM LIGHT INTENSITY MEASURED AT THE PROPERTY LINE OF ANY NONRESIDENTIALLY ZONED LOT SHALL BE 0.2 OF ONE FOOTCANDLE. FOR PLANNED SHOPPING CENTERS OR OTHER COMMERCIAL DEVELOPMENTS THAT CONTAIN MORE THAN ONE LOT, THE PLANNING AND ZONING COMMISSION MAY CONSIDER LIGHTING PLANS THAT ARE INTENDED TO INCREASE LIGHTING EFFICIENCY AND REDUCE THE NUMBER OF OVERALL LIGHT FIXTURES, BUT RESULT IN LIGHT SPILLOVER ACROSS COMMON LOT LINES WITHIN THE SAME DEVELOPMENT. HOWEVER, IN NO CASE SHALL LIGHT LEVELS EXCEED 0.2 FC AT THE PROPERTY LINES ADJACENT TO THE STREET AND/OR ALONG THE PERIMETER OF THE DEVELOPMENT.

D. HEIGHT. NO LIGHT POLE, BASE OR COMBINATION THEREOF SHALL EXCEED 30 FEET, UNLESS FURTHER RESTRICTED WITHIN AN OVERLAY DISTRICT AS SPECIFIED IN ARTICLE V OF THIS [UNIFIED DEVELOPMENT] CODE.

E. BUILDING AND POLE MOUNTED LIGHTING. ALL BUILDING AND POLE MOUNTED LUMINARIES EXCEEDING 15 WATTS SHALL BE DIRECTED DOWN WITH EITHER A PARTIAL CUT-OFF OR FULL CUT-OFF SOURCE.

F. UNDER-CANOPY LIGHTING. ALL UNDER-CANOPY LIGHTING, INCLUDING, BUT NOT LIMITED TO, THOSE FIXTURES UTILIZED AT FUELING STATIONS, DRIVE-THROUGH LANES, AND COVERED PARKING STRUCTURES, SHALL BE FULLY RECESSED INTO THE CANOPY

G. ILLUMINATION. THE MAXIMUM OUTDOOR MAINTAINED, COMPUTED AND MEASURED ILLUMINATION LEVEL WITHIN ANY NONRESIDENTIAL DEVELOPMENT SHALL NOT EXCEED 20 FC OUTDOORS AT ANY POINT ON THE SITE, WITH THE FOLLOWING EXCEPTIONS:
   1. UNDER-CANOPY LIGHTING (E.G., FUEL STATIONS, DRIVE-THROUGH LANES AND COVERED PARKING STRUCTURES) SHALL NOT EXCEED 35 FC. THE REMAINDER OF THE PROPERTY SHALL COMPLY WITH THE 20-FC MAXIMUM.
   2. LIGHTING FOR MOTOR VEHICLE DEALERSHIPS SHALL NOT EXCEED 30 FC WITHIN THE FRONT YARD(S) OF THE DEVELOPMENT. THE REMAINDER OF THE PROPERTY SHALL COMPLY WITH THE 20-FC MAXIMUM.

H. EXEMPTIONS. HISTORIC OR ANTIQUE-STYLE PEDESTRIAN LIGHT FIXTURES APPROVED BY THE PLANNING AND ZONING COMMISSION ARE EXCLUDED FROM THESE STANDARDS.

| **TO:** | Planning and Zoning Commission |
| **DATE:** | June 11, 2019 |
| **APPLICANT:** | Annalyse Valk; Platinum Construction |
| **CASE NUMBER:** | SP2019-018; *Site Plan for Office/Warehouse at 1491 T. L Townsend Dr.* |

## SUMMARY

Discuss and consider a request by Annalyse Valk of Platinum Construction on behalf of Shawn Valk of Saro Partners, LLC for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre tract of land identified as Lot 6, Block A, Bodin Industrial Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1491 T. L. Townsend Drive, and take any action necessary.

## BACKGROUND

The subject property was annexed in 1980 [*Ordinance No. 80-09*], is zoned Light Industrial (LI) District, is addressed as 1491 T. L. Townsend Drive, and is currently vacant. In 2017, the applicant submitted a request for approval of a site plan [*Case No. SP2017-018*] for a multi-tenant office/warehouse on the subject property. At that time, the proposed office/warehouse facility matched the office/warehouse facility -- *that had just been approved* -- located just north of this property, and which is owned by the applicant. After receiving staff's comments, the applicant requested to withdraw the request in order to revise the submittal to address staff's comments.

## PURPOSE

The applicant is requesting approval of a site plan for a multi-tenant office/warehouse facility on the subject property, which is currently vacant.

## ADJACENT LAND USES AND ACCESS

The subject property is located 1491 T. L. Townsend Drive. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property there are several light industrial facilities (*e.g. Redi-Mix Concrete, Rockwall Mini Storage, and Hemisphere Brewing*) followed by IH-30. These areas are zoned Light Industrial (LI) District. Beyond this is a house or worship (*i.e. Church of Christ*) and several light industrial facilities (*e.g. Checkmate Embroidery, AACA Parts and Supplies, and T1 Auto*). These areas are zoned Commercial (C) and Light Industrial (LI) District.

*South*: Directly south of the subject property is T. L. Townsend Drive, which is identified as a M4D (*major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan. Beyond this is a single-family residential subdivision (*i.e. Townsend Village Subdivision*) that is zoned Planned Development 10 (PD-10) for single-family detached, multi-family, general retail, townhome, and light industrial land uses. Following this is SH-276, which is identified as a M4U (*major collector, four [4] lane undivided roadway*) on the City's Master Thoroughfare Plan.

*East*: Directly east of the subject property there are several light industrial facilities (*e.g. Renegade Customs, Jowers Warehouse, and Dallas Glass*) followed by a large vacant tract of land. These areas are zoned Light Industrial (LI) and Heavy Commercial (HC) District. Beyond this is a senior living facility (*i.e. the Mansions*) and John King Boulevard, which is identified as a P6D (*principle arterial, six [6] lane, divided roadway*) on the City's Master Thoroughfare Plan. Following this is a single-family residential subdivision (*i.e. Rockwall Downes Subdivision*). These areas are zoned Planned Development District 10 (PD-10) for single-family residential detached, multi-family, general retail, townhome, and light industrial land uses.

*West*: Directly west of the subject property is T. L. Townsend Drive, which is identified as a M4D (*major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan followed by a single-family residential subdivision (*i.e. Townsend Village Subdivision*) that is zoned Planned Development 10 (PD-10) for single-family detached, multi-family, general retail, townhome, and light industrial land uses. Following this there are several commercial buildings (*e.g. Costco, Platinum Self Storage, Rockwall Toyota*) that are zoned Commercial (C) and Light Industrial (LI) District.

## DENSITY AND DIMENSIONAL REQUIREMENTS

According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), the proposed use (*i.e. an office/warehouse*) is allowed by-right in a Light-Industrial (LI) District and will not require any additional approvals with regard to land use. With the exception of the exceptions being requested the submitted site plan, landscape plan, treescape plan, photometric plan, and building elevations generally conform to the technical requirements contained within the UDC for a property located within a Light Industrial (LI) District. A summary of the density and dimensional requirements for the subject property are as follows:

| *Ordinance Provisions* | *Zoning District Standards* | *Conformance to the Standards* |
|---|---|---|
| *Minimum Lot Area* | *12,500* | *X=96,268 SF: In Conformance* |
| *Minimum Lot Frontage* | *100-Feet* | *X=371-Feet: In Conformance* |
| *Minimum Lot Depth* | *125-Feet* | *X=228-Feet: In Conformance* |
| *Minimum Front Yard Setback* | *25-Feet* | *X=25-Feet: In Conformance* |
| *Minimum Rear Yard Setback* | *10-Feet* | *X=10-Feet: In Conformance* |
| *Minimum Side Yard Setback* | *15-Feet* | *X=15-Feet: In Conformance* |
| *Maximum Building Height* | *60-Feet* | *X=17-22-Feet: In Conformance* |
| *Max Building/Lot Coverage* | *60%* | *X=24%: In Conformance* |
| *Minimum Masonry Requirement* | *90%* | *X=91-94%: In Conformance* |
| *Minimum Number of Parking Spaces* | *53 Spaces* | *X=53 Spaces: In Conformance* |
| *Minimum Stone Requirement* | *20%* | *X=0-34%: Not In Conformance* |
| *Minimum Landscaping Percentage* | *10%* | *X=34%: In Conformance* |
| *Maximum Impervious Coverage* | *90-95%* | *X=65%: In Conformance* |

## TREESCAPE PLAN

The applicant has provided a treescape plan identifying 72 caliper-inches of protected trees that are required to be removed in order to develop the site. The trees being removed include four (4) Hackberry trees that are 12 caliper-inches and one (1) Hackberry tree that is 24 caliper-inches. According to Section 5, *Tree Mitigation*, of Article IX, *Tree Preservation*, of the Unified Development Code (UDC), the trees are identified as secondary protected trees and shall be replaced with a half-inch for every inch removed. In this case, the applicant is required to mitigate for 48 caliper-inches. According to the submitted treescape plan, the applicant intends to provide 72 caliper-inches of trees on-site. This will satisfy the mitigation balance on the subject property.

## CONFORMANCE WITH THE CITY'S CODES

According to the submitted site plan, the facility will consist of two (2) buildings that are approximately 12,200 SF, utilize a flat roof design, and will be constructed of a combination of brick, stone, and stucco. *Building A* will be adjacent to T. L. Townsend Drive will consist of offices. *Building B* will be situated behind *Building A*, will consist of warehouse space, and have roll-up bay doors. The submitted site plan indicates that all of the roll-up doors will face toward *Building A* and will have limited visibility from T. L. Townsend Drive. According to Subsection 7.03, *Non-Residential District Development Standards*, of Section 7, *District Development Standards*, of Article V, *District Development Standards,* of the Unified Development Code (UDC), the minimum masonry requirement for buildings located within a Light Industrial (LI) District is 90% primary materials and/or a maximum of 10% secondary materials. Additionally a minimum of 20% stone is required on all building facades, and the use of cementitious materials (*e.g. stucco, cementitious lap siding, or similar materials*) shall be limited to 50% of each façade and shall not be used in the first four (4) feet from grade. Each building is also required to incorporate accent brick or stone or brick and stone patterns and materials that provide contrast on the façade. In this case, the proposed building utilizes a combination of brick, stone, and stucco. With the exception of the east façade of *Buildings A & B*, proposed buildings appear to be in conformance with the masonry requirements of the Unified Development Code (UDC).

Section 5, *Industrial Distric*t, of Article V, *District Development Standards,* of the Unified Development Code (UDC), stipulates that all buildings located in a Light Industrial (LI) District conform to building articulation required on all primary and secondary facades. In this case, with the exception of the east façade of *Buildings A & B*, the proposed buildings appear to be in conformance with the requirements of the Unified Development Code (UDC). Staff should note, the applicant has the ability to conform to the masonry and building articulation requirements; however, the applicant has cited the limited visibility of the east façade as the motivation for requesting the exceptions. Should the Planning and Zoning Commission approve the exceptions, staff has recommended to the applicant that a thick vegetative screen consisting of a combination of bushes, grasses, and/or mature trees be planted adjacent to the southeast and northeast property lines to provide additional screening. This has been made a condition of approval.

## VARIANCES/EXCEPTIONS REQUESTED BY THE APPLICANT

Based on the information submitted by the applicant, staff has identified the following variances/exceptions to the requirements of the Unified Development Code (UDC):

(1) Construction Materials.

(a) *Primary Materials*. Subsection 5.01, *General Industrial Standards*, of Section 5, *Industrial District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) requires each exterior wall of a building's façade consist of a minimum of 20% stone (*i.e. natural or synthetic/cultured*). In this case the applicant is proposing to provide no stone on the east elevation of *Buildings A & B*. According to the applicant, the east elevation of *Buildings A & B* will not be visible. Staff should note, the east elevation of *Building A* will be highly visible from *Building B* and the east elevation of *Building B* may be visible from Kristy Lane and the adjacent properties. The Unified Development Code (UDC) grants the Planning and Zoning Commission the ability to consider exceptions to the building material requirements on a case-by-case basis pending a recommendation by the Architectural Review Board (ARB). The Unified Development Code (UDC) requires the submission and approval of material samples and building elevations for the structure. Staff has not received material samples; however, the applicant has provided photographic images of the proposed materials.

(2) Building Articulation.

(a) *Secondary Building Facades.* Subsection 5.01, *General Industrial Standards*, of Section 5, *Industrial District,* of Article V, *District Development Standards*, of the Unified Development Code (UDC), requires secondary building facades have a maximum wall length not exceeding three (3) times the wall's height (*i.e. cannot exceed 51-feet in length*). Walls that exceed the maximum length are required to incorporate a secondary entryway or architectural element. The wall projection is required to be a minimum of 15% of the wall's length (*i.e. a minimum of 54-feet in length*). The architectural element must project a minimum of 15% of the wall's height (*i.e. ~three [3] feet in width*), and shall extend a minimum of 15% of the wall's height (*i.e. ~three [3] feet in length*). In this case, the applicant is not providing a wall projection on the east elevation of *Buildings A & B* and approval of an exception to the vertical and horizontal articulation requirements is required. According to the applicant, these facades will not be visible from the street. Staff should note, the east elevation of *Building A* will be highly visible from *Building B*, and the east elevation of *Building B* may be visible from Kristy Lane and the adjacent properties. The Unified Development Code (UDC) grants the Planning and Zoning Commission the ability to consider exceptions to the building articulation requirements on a case-by-case basis pending a recommendation by the Architectural Review Board (ARB). When considering exceptions to the building articulation requirements, the Planning and Zoning Commission is tasked with determining if the proposed request is [1] in conformance with the spirit and intent of the building articulation requirements and [2] if granting the exception will substantially weaken the City's ability to enforce the general purpose of the building articulation requirements in the future.

These exceptions are discretionary decisions for the Planning and Zoning Commission and require approval by a simple-majority. In the event that the exception is denied, the applicant has the ability to appeal the Planning and Zoning Commission's decision to the City Council by filing a written request with the Planning and Zoning Department.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The OurHometown Vision 2040 Comprehensive Plan identifies the subject property as being situated within the IH-30 Corridor District, which is the primary retail corridor for the City of Rockwall. Currently, the corridor is approximately 55% developed and serves as a gateway for both the City and County of Rockwall. Current land uses include retail, personal services, medical services, and industrial land uses. The health of the IH-30 corridor is crucial to maintaining a high per capita sales tax for the City of Rockwall. In order to achieve this, the district is primarily designated as Special Commercial Corridor (SC). The Special Commercial Corridor (SC) is intended to provide an area for commercial/retail and regional/commercial retail activity centers that are capable of serving the entire region. Primary land uses within the district include regional shopping centers, entertainment, retail, personal services, restaurants, corporate offices, employment, and recreational land uses. Secondary land uses include residential, open space, trails, banks, service stations, and institutional/civic land uses. The Comprehensive Plan strives for secondary land uses to be integrated within larger developments in order to maintain the characteristics of the district.

In this case, subject property is located directly across the street from a single-family residential subdivision (*i.e. Townsend Village Subdivision*) and is currently zoned Light Industrial (LI) District. The proposed development (*i.e. office/warehouse*) appears to be compatible with the *current* land uses of the IH-30 Corridor District (*i.e. industrial land uses*); however, since the intent of the Special Commercial Corridor (SC) is to provide an area for commercial/retail and regional/commercial land uses, the applicant's request does not appear to align with the *future land uses* of the Special Commercial Corridor. With that being said, just northwest of the subject property is an office/warehouse facility that is constructed with a similar design and materials. Given the proximity of the existing neighboring land uses (*e.g. a concrete batch facility*), and the fact that *Building A* (*i.e. the most visible building*) will contain offices only, the request appears to conform to the Comprehensive Plan. Additionally, *Building A* serves as a transition from the higher intensity light industrial uses to the east to the lower intensity single-family residential to the west.

## ARCHITECTURAL REVIEW BOARD (ARB):

On May 28, 2019, the Architectural Review Board (ARB) reviewed the proposed building elevations and requested the applicant make revisions in order to match the applicant's existing office warehouse facility located at 1450 T. L. Townsend Drive. The applicant has provided revised building elevations that will be reviewed by the Architectural Review Board (ARB) and a recommendation will be forwarded to the Planning and Zoning Commission at the *June 11, 2019* meeting.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to approve the applicant's site plan and associated exceptions, then staff would propose the following conditions of approval:

(1) The developer shall plant a thick vegetative screening consisting of a combination of bushes, grasses, and/or mature trees adjacent to the northeast and southeast property lines;

(2) The developer shall submit a revised landscape plan showing the location and landscape materials proposed for the landscape screening; and

(3) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

(5/23/2019 3:56 PM SH)
- 4% Engineering Fees.
- Impact fees.
- All parking adjacent to the building to be 20'x9' and others to be 18'x9'.
- Must show all existing and proposed utilities.
- If building height exceeds 30' tall, the fire lane radii must be 30' or radius of 20'. Minimum width is 24'.
- Retaining walls 3' and over must be designed by an engineer. All retaining walls to be rock or stone face. No smooth concrete walls.
- Min easement is 20'. Water, sewer, and storm lines must have 10' of easement on both sides of the line.
- Easements must be included on the plat.
- Must have detention. Manning's C value is per zoning and is for the entire site.
- There are multiple drainage basins on this site. Must not increase water to any basin.
- Dumpster is currently blocked by parking.
- No walls in detention. Grading at 4:1 max.
- Line up the driveway with Trowbridge.
- Must install a 5' sidewalk along Townsend.
- Water and sewer available.
- Must meet all City Standards of Design and Construction.
- No trees within 5' of water line in Townsend Blvd. ROW.

ROW must be sodded prior to acceptance.

SP2019-018 Site Plan for Office/Warehouse: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

1. This is a request by Annalyse Valk of Platinum Construction on behalf of Shawn Valk of Saro Partners, LLC for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre tract of land identified as Lot 6, Block A, Bodin Industrial Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1491 T. L. Townsend Drive.
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-018) in the lower right hand corner of all pages on future submittals.
4. Sheet S-1—Please add the following to the site data table: pervious vs. impervious area and %, req. parking, office SF, warehouse SF.
5. Sheet S-1—Please add engineering information (e.g. all easements, radii, topo, etc) graphic scale, vicinity map.
6. Sheet S-1—Please label property line.
7. Sheet S-1---Please show full extend of T.L. Townsend and label centerline.
8. Sheet S-1—What is the hatch pattern covering the site? Please remove
9. Sheet S-1—Please show fireline and one shade of grey and non-firelane/sidewalks as a lighter shade.
10. Sheet S-1—Please show all sidewalks
11. Sheet S-1—Please provide paving material and depth.
12. Sheet S-1--what is the hatch pattern closest to the buildings?
13. Sheet S-1—Please show all building setbacks and landscape buffers.
14. Sheet S-1—Please show adjacent properties and provide property information.
15. Sheet S-1—Please note that as drawn, this will need variances to horizontal articulation.
16. Sheet S-1—Please note that Building B appears to be too close to the property line. Please provide dimension from building to all property lines.
17. Sheet S-1—Please note that parking spaces are 9x20. Please dimension a typical parking space.
18. Sheet S-1—Please label the space between each group of parking spaces.
19. Sheet S-1—What are the "L" shape lines next to each of the doors on Building A?
20. Sheet S-1—Please note that no parking space shall be more than 80-feet from a large tree.
21. Sheet S-1—Please provide owner/engineer/developer information on site plan.
22. Sheet S-1—Please note that the dumpster enclosure shall be 6-feet in height and constructed of materials matching main structure with opaque self-latching gate. Please add note to plans.
23. Sheet S-1—Please note that all plans need to be prepared by a registered architect, engineer, or landscape architect. There does not appear to be any engineer/architect seal on the site plan.
24. Sheet L-1—Please note that the min caliper-inch off trees is 4 caliper inches.
25. Sheet L-1—Please provide vicinity map
26. Sheet L-1—For clarity, please do not show stippling under the tree symbols.
27. Sheet L-1—Please show the full extent of TL. Townsend and show and label centerline.
28. Sheet L-1—Please note that no parking space shall be more than 80-feet from a large tree.
29. Sheet L-1—For clarity, please see note above regarding pavement/firelane shading.
30. Sheet L-1—Please dimension a typical parking space.
31. Sheet L-1—Please label the large space between the groups of parking spaces at Building B.
32. Sheet L-1—Please show all sidewalks
33. Sheet L-1—Please note that the building footprints are not consistent with the site plan.
34. Sheet L-1—Please provide site data table
35. Sheet L-1—Please show and label adjacent properties.
36. Sheet L-1—Please dimension drive approach.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

37. Sheet T-1—Please see notes from L-1
38. Sheet E1.1—Please remove the hatch from the site.
39. Sheet E1.1—Please darken and label property line
40. Sheet E1.1—Please site data table
41. Sheet E1.1—Please provide vicinity map
42. Sheet E1.1—Please show and label adjacent properties.43. Sheet E1.1—Please provide graphic scale
44. Sheet E1.2—Please note that all fixtures must be fully shielded and pointed downward. The third fixture shown on this page is not fully shielded.
45. Sheet E1.1—Please note that the building footprints are not consistent with site plan and landscape plan.
46. Sheet A-2—Please add site data table
47. Sheet A-2—Please note that each building needs its own set of elevations.
48. Sheet A-2—Please indicate which elevation faces the street.
49. Sheet A-2—Please note that as drawn, the building elevations will need several variances: vertical and horizontal articulation, 4-sided architecture, no stone. All 4 sides of the buildings will need to be architectural finished with the same materials and elements as the front.
50. Sheet A-2—Please note that the min stone requirement is 20%
51. Sheet A-2—Please dash-in rooftop units on all elevations and show how they will be screened.
52. Sheet A-2—Please note that although this sheet refers to Building B, the two material percentage charts at the bottom of the page refer to Building A.
53. Sheet A-2—Building B, South Elevation notes the same scale as the North Elevation, however, they are not drawn to the same scale.
54. Sheet A-2—Building B, North Elevation appears to show a tower element projecting from the facade; however, the South Elevation does not show a projecting element.
55. The Architectural Review Board (ARB) meeting for this case will be held on May 28, 2019 at 5:00 p.m.
56. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on June 4, 2019. The Planning and Zoning Worksession for this case will be May 28, 2019, at 6:00 p.m. The Planning and Zoning Meeting will be June 11, 2019

## LANDSCAPE NOTES

1. PLANT LIST FOR THIS SHEET ONLY.
2. PLANT LIST TO BE USED AS AIDE TO BIDDER ONLY. LANDSCAPE CONTRACTOR TO VERIFY ALL QUANTITIES.
3. ALL BEDS SHALL BE ACCEPTED AT ROUGH FINISH GRADE. IF ANY EXISTING VEGETATION IS EVIDENT, LANDSCAPE CONTRACTOR SHALL SPRAY AREA WITH BROAD SPECTRUM HERBICIDE APPLICATION TO REMOVE ANY VEGETATION.
4. AFTER APPROPIATE TIME TO ENSURE A VEGETATION IS DEAD, TILL SUBGRADE AND RAKE SMOOTH, REMOVING ALL DEAD VEGETATION, STONES, CLODS AND DEBRIS.
5. AFTER INSTALLATION OF STEEL EDGING, ALL BEDS SHALL BE TILLED TO A DEPTH OF 4-6", RAKING OUT ALL DEAD VEGETATION.
6. APPLY A 2-3" DEPTH OF ORGANIC MATERIAL OVER ENTIRE BED AND TILL INTO EXISTING SOIL. ORGANIC MATERIAL SHALL BE ONE OF FOLLOWING:
   - VITAL EARTH COMPOST
   - BACK-TO-EARTH SOIL CONDITIONER
   - LIVING EARTH COMPOST
   - SOIL BUILDING SYSTEMS COMPOST
   - SILVER CREEK MATERIALS COMPOST
7. TOPDRESS ENTIRE BED WITH MINIMUM 2" DEPTH SHREDDED NATIVE CEDAR MULCH.
8. ALL SHADE TREES AND ORNAMENTAL TREES SHALL BE PLANTED AS PER DETAILS ON THIS SHEET.
9. ALL LANDSCAPE AREAS SHALL BE WATERED WITH AUTOMATIC IRRIGATION SYSTEM, COMPLETE WITH FREEZE SENSOR, RAIN STAT, AND CONTROLLER. SYSTEM SHALL BE DESIGNED TO UTILIZE WATER-SAVING TECHNIQUES AND EQUIPMENT. INSTALLATION OF SYSTEM SHALL BE MADE BY A FIRM DULY LICENSED UNDER ARTICLE NO. 8751 VTCS (LICENSED IRRIGATORS ACT), S.B. NO. 259.

## LANDSCAPE NOTES

1. PLANT LIST FOR THIS SHEET ONLY.
2. PLANT LIST TO BE USED AS AIDE TO BIDDER ONLY. LANDSCAPE CONTRACTOR TO VERIFY ALL QUANTITIES.
3. ALL BEDS SHALL BE ACCEPTED AT ROUGH FINISH GRADE. IF ANY EXISTING VEGETATION IS EVIDENT, LANDSCAPE CONTRACTOR SHALL SPRAY AREA WITH BROAD SPECTRUM HERBICIDE APPLICATION TO REMOVE ANY VEGETATION.
4. AFTER APPROPIATE TIME TO ENSURE A VEGETATION IS DEAD, TILL SUBGRADE AND RAKE SMOOTH, REMOVING ALL DEAD VEGETATION, STONES, CLODS AND DEBRIS.
5. AFTER INSTALLATION OF STEEL EDGING, ALL BEDS SHALL BE TILLED TO A DEPTH OF 4-6", RAKING OUT ALL DEAD VEGETATION.
6. APPLY A 2-3" DEPTH OF ORGANIC MATERIAL OVER ENTIRE BED AND TILL INTO EXISTING SOIL. ORGANIC MATERIAL SHALL BE ONE OF FOLLOWING:
   - VITAL EARTH COMPOST
   - BACK-TO-EARTH SOIL CONDITIONER
   - LIVING EARTH COMPOST
   - SOIL BUILDING SYSTEMS COMPOST
   - SILVER CREEK MATERIALS COMPOST
7. TOPDRESS ENTIRE BED WITH MINIMUM 2" DEPTH SHREDDED NATIVE CEDAR MULCH.
8. ALL SHADE TREES AND ORNAMENTAL TREES SHALL BE PLANTED AS PER DETAILS ON THIS SHEET.
9. ALL LANDSCAPE AREAS SHALL BE WATERED WITH AUTOMATIC IRRIGATION SYSTEM, COMPLETE WITH FREEZE SENSOR, RAIN STAT, AND CONTROLLER. SYSTEM SHALL BE DESIGNED TO UTILIZE WATER-SAVING TECHNIQUES AND EQUIPMENT. INSTALLATION OF SYSTEM SHALL BE MADE BY A FIRM DULY LICENSED UNDER ARTICLE NO. 8751 VTCS (LICENSED IRRIGATORS ACT), S.B. NO. 259.

## LANDSCAPE LEGEND

COMMON
BERMUDA SOD
(CYNODON DACTYLON)

SOD INSTALLATION NOTES:
a. ALL SUBGRADE SHALL BE ACCEPTED AT ROUGH FINISH GRADE. IF ANY EXISTING VEGETATION IS EVIDENT, LANDSCAPE CONTRACTOR SHALL SPRAY AREA WITH BROAD SPECTRUM HERBICIDE APPLICATION TO REMOVE ANY VEGETATION.
b. AFTER APPROPIATE TIME TO ENSURE A VEGETATION IS DEAD, TILL SUBGRADE AND RAKE SMOOTH, REMOVING ALL DEAD VEGETATION, STONES, CLODS AND DEBRIS.
c. SOD SHALL BE VIGOROUS, WELL-ROOTED AND SHALL BE DELIVERED AT A UNIFORM SOIL THICKNESS.
d. SOD SHALL BE LAID WITH ALTERNATING JOINTS.
e. ALL SOD SHALL BE ROLLED TO CONSISTENT SURFACE, FILLING JOINTS WITH COARSE SAND AS REQUIRED.

LITHONIA LIGHTING®

Catalog Number:

Notes:

Type:

## FEATURES & SPECIFICATIONS

**INTENDED USE** — For building- and wall-mounted applications.

**CONSTRUCTION** — Rugged, die-cast, single-piece aluminum housing. Die-cast doorframe has a 1/8" thick tempered glass lens. Doorframe is fully gasketed with one-piece solid silicone.
Finish: Standard finish is textured dark bronze (DDBT) corrosion-resistant polyester powder finish, with other architectural colors available. Striping is also available.

**OPTICS** — Hydroformed reflector for superior uniformity and control. Medium throw (MD) full cutoff distribution only.

**ELECTRICAL** — Compact fluorescent utilizes an electronic, high frequency ballast. Compact fluorescent socket is four-pin positive latching thermoplastic. UL Listed. Quick-disconnect plug easily disconnects reflector from ballast and fixture from supply wires.

**INSTALLATION** — Easily installed using provided mounting strap. Mount to any non-combustible vertical surface over a 4" round or square recessed outlet box (by others). Back access through slotted gasket.

**LISTINGS** — Listed and labeled to UL standards. Listed and labeled to CSA standards (see Options). NOM Certified (see Options). IP65 rated. Wet location listed.

**WARRANTY** — 1-year limited warranty. Complete warranty terms located at:
www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx
Note: Specifications subject to change without notice.

**Decorative Wall-Mounted Lighting**

# WSTM

COMPACT FLUORESCENT:
26DTT
26-42TRT

DARK SKY FRIENDLY
Consistent with IESNA lighting recommendations for light pollution reduction.

*Specifications*

Length: 12-1/2 (31.8)
Depth: 7-1/2 (19.1)
Height: 5-3/4 (14.6)
Weight: 14.0 lbs (6.35 kg)

LITHONIA LIGHTING®

Type:

## FEATURES & SPECIFICATIONS

**INTENDED USE** — For entrances, stairwells, corridors and other pedestrian areas.

**CONSTRUCTION** — Rear housing is rugged, corrosion-resistant, die-cast aluminum. Front cover is one-piece UV-resistant injection molded polycarbonate, internally painted. Captive external hardware is specially treated for corrosion resistance and includes slotted hex-head and tamperproof fasteners.
Finish: Dark Bronze (DDB) corrosion resistant polyester powder.

**OPTICS** — One-piece die-formed reflector is diffused aluminum. Refractor is clear UV stabilized polycarbonate, providing IES cutoff distribution and maximum lateral light output. Front cover is sealed and gasketed to inhibit the entrance of outside contaminants.

**ELECTRICAL** — Ballast: Metal halide: high reactance, high power factor. HPS: 50S, 70S, 120V are reactor, normal power factor. High reactance, high power factor (XHP), optional for 50S, 120V, 208, 240, 277, 347 and T8 are standard XHP. Ballasts are 100% factory tested. UL listed 660W, 600V and 4kV pulse rated.
All components are heat-sinked directly to the cast housing for maximum heat dissipation.
Socket: Porcelain, horizontally oriented medium-base socket with copper alloy, nickel-plated screw shell and center contact.

**INSTALLATION** — Mount to any vertical surface or to a 4" round square outlet box. Back access through gasketed slot. Top wiring access through 1/2" threaded conduit entry. (Through-wiring requires use of a conduit tee).

**LISTINGS** — UL listed for wet locations. IP65 rated. UL Listed to US and Canadian safety standards (see Options). NOM Certified.

**WARRANTY** — 1-year limited warranty. Complete warranty terms located at:
www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx
**Note:** Actual performance may differ as a result of end-user environment and application.
Specifications subject to change without notice.

**Cutoff Mini Wall Packs**

# AGENDA
## PLANNING AND ZONING COMMISSION WORK SESSION
## City Hall, 385 South Goliad, Rockwall, Texas
## Council Chambers
## June 25, 2019
## 6:00 P.M.

**CALL TO ORDER**

***CONSENT AGENDA***

1. Approval of Minutes for the *May 28, 2019* Planning and Zoning Commission meeting.

2. **SP2019-015** (David)
   Consider a request by Chris Lam, PE of Lam Consulting Engineering on behalf of Price Pointer of TCB Construction Group, LLC for the approval of a site plan for a restaurant less than 2,000 SF without a drive-through or drive-in on a 0.23-acre parcel of land identified as Block 20B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 505 N. Goliad Street, and take any action necessary.

3. **SP2019-020** (Korey)
   Consider a request by Dub Douphrate & Associates on behalf of Carla Rankin of Carla Rankin Real Estate Holdings for the approval of a site plan for an office building on a 0.29-acre tract of land identified as Tract 22 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 4035 N. Goliad Street, and take any action necessary.

4. **P2019-027** (David)
   Consider a request by Kyle Coleman Harris of Pacheco Koch Consulting Engineers on behalf of Alton Frazier of Channell Commercial Corporation for the approval of a replat for Lot 3, Block A, Channell Subdivision Addition being a 18.762-acre parcel of land identified as Lot 2, Block A, Channell Subdivision Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, addressed as 1700 John King Boulevard, and take any action necessary.

***APPOINTMENTS***

5. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

***ACTION ITEMS***

6. **SP2019-014** (Korey)
   Discuss and consider a request by Ahmed Helaluzzaman on behalf of Abdul Latif Khan of Center for Peace and Mercy, Inc. for the approval of a site plan for a *retail shopping center* and *house of worship* on a 2.681-acre tract of land identified as Tract 10-1 & 22 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located on the north side of Turtle Cove Boulevard north of the intersection of Turtle Cove Boulevard and Ridge Road [*FM-740*], and take any action necessary.

7. **MIS2019-005** (David)
   Discuss and consider a request by Michael Duval of G & A Consultants on behalf of John Delin of R. W. Ladera, LLC for the approval of an *Alternative Tree Mitigation Settlement Agreement* for a 28.011-acre parcel of land identified as a Tract 5 of the M. B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 85 (PD-85), situated within the 205 By-Pass Overlay (205 BY-OV) and the East SH-66 Overlay (E SH-66 OV) District, located at the northeast corner of the intersection of SH-66 and John King Boulevard, and take any action necessary.

***DISCUSSION ITEMS***

8. **P2019-026** **(Korey)**
   Discuss and consider a request by Bill Bricker of Columbia Development Co., LLC for the approval of a preliminary plat for Lots 1-5, Block A, Park Station Addition, being a 16.26-acre tract of land identified as a portion of Lot 1, Block 1, Indalloy Addition (7.409-acres) and Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1100 & 1300 E. Washington Street, and take any action necessary.

9. **SP2019-021** **(David)**
   Discuss and consider a request by Mark W. Pross of Pross Design Group, Inc. on behalf of Alton Frazier of Channell Commercial Corporation for the approval of an amended site plan for an existing industrial building on an 18.762-acre parcel of land identified as Lot 2, Block A, Channell Subdivision Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, addressed as 1700 John King Boulevard, and take any action necessary.

10. **SP2019-022** **(Korey)**
    Discuss and consider a request by Greg Wallis of Mershawn Architects on behalf of Rockwall Assembly of God for the approval of a site plan for an addition to an existing church on a 6.210-acre tract of land identified as Lot 1, Block A, Lakes Assembly Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, addressed as 901 Williams Street, and take any action necessary.

11. **SP2019-023** **(David)**
    Discuss and consider a request by Jake Fears, PE of Weir & Associates, Inc. on behalf of Goliad Real Estate, LLC for the approval of a site plan for a multi-tenant retail building and restaurant on a 2.542-acre tract of land identified as Tract 1 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses, situated within the North SH-205 Overlay (N. SH-205 OV) District, located at the northwest corner of the intersection of Pecan Valley Drive and N. Goliad Street [*SH-205*], and take any action necessary.

12. **SP2019-024** **(Korey)**
    Discuss and consider a request by Shannon Thomas of Rockwall Friendship Baptist Church for the approval of a site plan for a church on a 6.03-acre tract of land being identified as Tract 2-4 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located east of the intersection of Justin Road and John King Boulevard, and take any action necessary.

13. **SP2019-025** **(David)**
    Discuss and consider a request by Matt Lucas, PE of Kimley Horn on behalf of Kevin J. Lloyd of 2424 MTA Realty, LLC for the approval of a site plan for an office building on a 9.7-acre tract of land identified at Tract 15 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southwest corner of Ridge Road [FM-740] and Turtle Cove Boulevard, and take any action necessary.

14. Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

    - ✓ P2019-024: Vacating Plat for Lots 17 & 18, Block B, Lago Vista Addition [*Approved*]
    - ✓ Z2019-012: Zoning Change (AG to PD) for North Gate (*1st Reading*) [*Approved*]
    - ✓ Z2019-013: PD Development Plan in Planned Development District 32 (PD-32) (*1st Reading*) [*Approved*]

**ADJOURNMENT**

15. Capital Improvements Advisory Committee Meeting (CIAC) [6:30 PM]

The City of Rockwall Planning and Zoning Commission reserves the right to adjourn into executive session at any time to discuss any matters listed on the agenda above, as authorized by Texas Local Government Code § 55.071 (Consultation with City Attorney) or any other exception allowed under Chapter 551 of the Texas Local Government Code.

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning and Zoning Coordinator for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 21st day of June 2019 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

# MINUTES

## PLANNING AND ZONING COMMISSION WORK SESSION

**City Hall, 385 South Goliad, Rockwall, Texas**
**Council Chambers**
**May 28, 2019**
**6:00 P.M.**

I. CALL TO ORDER

**Chairman Lyons called the meeting to order at 6:01 p.m. The Commissioners present at the meeting were, Jerry Welch, Mark Moeller, Tracey Logan, John Womble, Eric Chodun and Annie Fishman. Staff members present were Planning Director, Ryan Miller, Planning Manager, David Gonzales, Senior Planer Korey Brooks, Planning Coordinator, Laura Morales, City Engineer, Amy Williams, Civil Engineers, Jeremy White and Sarah Hager.**

II. CONSENT AGENDA

1. Approval of Minutes for the April 30, 2019 Planning and Zoning Commission meeting.

2. P2019-020
Consider a request by Robert Howman of Glenn Engineering on behalf of William Salee of the Rockwall Independent School District (RISD) for the approval of replat for Lot 2, Block A, RISD Elementary School Addition being a 17.2922-acre tract of land being identified as Lot 1, Block A, RISD Elementary School Addition and Tract 2-7 of the W. T. Deweese Survey, Abstract No. 71, City of Rockwall, Rockwall, Texas, zoned Planned Development District 70 (PD-70) for single family land uses, located at the southeast corner of Greenway Boulevard and FM-552, and take any action necessary.

3. P2019-021
Consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Greencrest TPS Hotel, LP for the approval of a final plat of Lots 1-3, Block A, Town Place Marriott Addition being an 8.715-acre tract of land identified as a portion of Lot 1, Block B, Goldencrest Addition and Tract 4 of the J. D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, situated north of the intersection of Greencrest Boulevard and the IH-30 Frontage Road, and take any action necessary.

4. P2019-022
Consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Phillip McNeill of MHC Rockwall, LLC and Jason Lentz of Atticus of Atticus Summer Lee Townhomes for the approval of a replat for Lot 5, Block A, Harbor Village Addition, being a 2.12-acre tract of land currently identified as Lot 3, Block A, Harbor Village Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located on the south side of Summer Lee Drive southwest of the intersection of Horizon Road [*FM-3097*] and Summer Lee Drive, and take any action necessary.

5. SP2019-019
Discuss and consider a request by Jerry Crouse of PS LPT Properties Investors on behalf of Public Storage for the approval of a site plan for an existing mini-warehouse facility on a 4.264-acre of land identified as Lot 1, Block B, Valk Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 4028 N. Goliad Street [*SH-205*], and take any action necessary.

**Commissioner Welch made a motion to approve the consent agenda. Commissioner Womble seconded the motion which passed by a vote of 7-0.**

III. APPOINTMENTS

6. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

**Architectural Review representative gave a brief explanation concerning agenda items that were discussed at the Architectural Review Board meeting.**

IV. ACTION ITEMS

7. SP2017-019

Discuss and consider a request by Himmat Chauhan of Best Western Plus for the approval of an extension of an approved site plan for a hotel on a 1.74-acre parcel of land identified as Lot 1, Block A, Comfort Inn & Suites, Rockwall Towne Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within IH-30 Overlay (IH-30 OV) and Scenic Overlay (SOV) Districts, addressed as 700 E. IH-30, and take any action necessary.

**Planning Director, Ryan Miller, provided a brief explanation and background of the request. The applicant is requesting approval of an amended site plan for an existing mini-warehouse facility. On December 9, 2013, the City entered into a 212 Development Agreement with the then owner of the subject property Ronald C. Valk. On March 19, 2018, the City Council annexed the subject property by Ordinance No. 18-17. At the time of annexation, the subject property became subject to the requirements of the City's Municipal Code of Ordinances and the Unified Development Code.**

**Mr. Miller further noted that in March 2019, staff was made aware that some of the exterior lighting on the storage facility had been changed without the approval of a photometric plan. In response to this violation, Neighborhood Improvement Services contacted the owner of the property to inform them about the violation. Based on staff's examination of the site, the new light fixtures did not meet the requirements of the UDC. Specifically, the light fixtures were not fully shielded and directed downward causing ambient light to be shed onto the adjacent residential properties. Upon being contacted by the Neighborhood Improvement Services Department, the property owner submitted a photometric plan and lighting cutsheets proposing new light fixtures be installed that meet the requirements of the UDC. The submitted photometric plan shows that the new maximum light intensity at the property line will not exceed 0.2 FC, the maximum allowable light intensity stipulated by the UDC. In addition, the submitted plan does meet all of the requirements of the Unified Development Code. Since the mini-warehouse facility was constructed prior to being annexed, the City does not have a site plan for this facility and felt it necessary to bring this to the Planning and Zoning Commission for review and approval.**

**Mr. Miller advised the Commission that the applicant was present and available for questions as well as staff.**

**Chairman Lyons asked the applicant to come forward and speak.**

**Juan Vasquez**
**1919 S. Shiloh Road**
**Garland, TX**

**Mr. Vasquez came forward and provided additional comments in regards to the request.**

**Chairman Lyons asked for questions from the Commission.**

**Commissioner Womble asked if any changes were being requested. Mr. Miller indicated no changes were being requested it is the same site plan that was brought initially.**

**Commissioner Chodun asked the reason the property was for sale. Mr. Vasquez shared that the applicant wasn't sure if he would continue with the project due to his market indicators and wanted to get an idea of what kind of inquires he would get however after four months on the market he has not had any inquiries.**

**Commissioner Moeller asked if the two year extension would suffice to allow the applicant to complete the project. Mr. Vasquez shared that it is the intent of the applicant to get started on the project and be far along in that two year period.**

**Chairman Lyons brought the item back to the Commission for discussion or action.**

**Commissioner Womble made a motion SP2019-019 with staff recommendations. Commissioner Moeller seconded the motion which passed by a vote of 5-2 with Commissioners Chodun and Welch dissenting.**

8. MIS2019-005

Discuss and consider a request by Michael Duval of G & A Consultants on behalf of John Delin of R. W. Ladera, LLC for the approval of an *Alternative Tree Mitigation Settlement Agreement* for a 28.011-acre parcel of land identified as a Tract 5 of the M. B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 85 (PD-85), situated within the 205 By-Pass Overlay (205 BY-OV) and the East SH-66 Overlay (E SH-66 OV) District, located at the northeast corner of the intersection of SH-66 and John King Boulevard, and take any action necessary.

**Chairman Lyons indicated agenda item would be tabled until the next scheduled meeting.**

9. MIS2019-006

Discuss and consider a request by Glen Goodrich for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code for an accessory structure on a 0.2296-acre parcel of land identified as Lot 1, Block I, Northshore, Phase 2B Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District, addressed as 608 Christian Court, and take any action necessary.

**Chairman Lyons indicated the applicant has requested to withdraw the case and no action would need to be taken.**

V. DISCUSSION ITEMS

10. Z2019-012

Hold a public hearing to discuss and consider a request by Ryan Joyce of Michael Joyce Properties on behalf of Jen-Liang Wu of Unison Investment for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family-1 (SF-1) District land uses on a 61.45-acre tract of land identified as Tract 4 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the west side of Stodgehill Road [*FM-3549*] north of the intersection of Stodgehill Road [*FM-3549*] and Cornelius Road, and take any action necessary.

**Senior Planner, Korey Brooks, advised the Commission that the applicant was present and would be discussing the case.**

**Chairman Lyons asked the applicant to come forward.**

**Ryan Joyce**
**1189 Waters Edge Drive**
**Rockwall, TX**

**Mr. Joyce came forward and provided additional remarks in regards to the case. He shared the site plan for a potential development at the southwest corner of Clem Road and Stodgehill Road it is a 62.5 acre tract that has 40 lots on it. It will be a lower density development with all lots being minimum of 1 acre up to 1.8 and 1. 7acres with an additional 5.5 acre that will be a single family home. The development will have 75 foot front yard setbacks along with front facing garages. Mr. Joyce went on to share that he believes this development is a great project and is in high need for the north side of Rockwall. He indicated he was available for questions.**

**Commissioner Chodun asked if there was an estimated costs for the homes at this time. Mr. Joyce indicated that at this time he did not have the estimated cost for the homes however the lots will be available to retail the lot prices will range from $100k to $165k for the lots and all will be custom built.**

**There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

11. Z2019-013

Hold a public hearing to discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Dan Bobst of J-BR2, LLC for the approval of a PD Development Plan within Planned Development District 32 (PD-32), on a 2.893-acre parcel of land identified as Lot 1, Block B, Harbor District Addition, City of Rockwall, Rockwall County, Texas, situated within the *Hillside Sub-District* of Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, located at the southwest corner of the intersection of the IH-30 frontage road and Sunset Ridge Drive, and take any action necessary.

**Planning Director, Ryan Miller, provided a brief explanation of the request. The applicant is requesting to amend an existing Planned Development Plan that had retail shops down Harbor Hills Drive and have since then changed that out to incorporate a parks space in between that and move several buildings also along Sunset Ridge Drive. The differences between this request and the previous plan is the location of the buildings, building placement issues and also the incorporation of the park area. The applicant is requesting to remove the building elevations and that can be dealt with at the time of site planning where they will be required to go before the Architectural Review Board. For the most part however the development requirements being requested are the same as previous and they would be required to adhere to all the design standards contained in Planned Development District 32. Mr. Miller advised the Commission that the applicant was not present and staff could answer any question.**

**Chairman Lyons asked for questions from the Commission.**

**There being no questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

12. SP2019-013

Discuss and consider a request by Bill Bauman of Bauman Consultants on behalf of John Gatz of Eco-Site for the approval of a site plan for a *Freestanding Commercial Antenna* on a 0.0826-acre portion of a larger 7.64-acre tract of land, known as *Yellow Jacket Park*, identified as Tract 11 of the J. Cadle Survey, Abstract No. 65, City of Rockwall, Rockwall County, Texas, zoned General Retail (GR) District, situated on the south side of Yellow Jacket Lane, west of the intersection of S. Goliad Street [*SH-205*] and Yellow Jacket Lane, and take any action necessary.

**Planning Manager, David Gonzales, provided a brief explanation of the request. A Specific Use Permit was approved for this last year and they are going through site plan currently which will then be followed by Engineering and Building Inspections. Mr. Gonzales indicated Mr. John Gatz was present and available for questions as well as staff.**

**Chairman Lyons asked the applicant to come forward.**

**John Gatz**
**309 Edenborough Drive**
**Anna, TX**

**Mr. Gatz came forward and provided additional comments pertaining to the request. He shared that they have negotiated a lease with the City of Rockwall to lease a portion where they can install a cell tower at the bottom portion of the park. The plans have all been submitted and they have received initial comments from staff and those will be addressed. He indicated he was available for questions.**

**Chairman Lyons asked for questions from the Commission**

**Commissioner Womble asked if the height is what was approved with the Specific Use Permit. Mr. Gonzales indicated it was and everything would need to follow the approved Ordinance.**

**There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

13. SP2019-014

Discuss and consider a request by Ahmed Helaluzzaman on behalf of Abdul Latif Khan of Center for Peace and Mercy, Inc. for the approval of a site plan for a *retail shopping center* and *house of worship* on

a 2.681-acre tract of land identified as Tract 10-1 & 22 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located on the north side of Turtle Cove Boulevard north of the intersection of Turtle Cove Boulevard and Ridge Road [*FM-740*], and take any action necessary.

**Senior Planner, Korey Brooks, advised the Commission that the applicants were present and would provide details on the request and staff would answer any question.**

**Chairman Lyons asked the applicant to come forward.**

**Ahmed Helaluzzaman**
**545 Coventry Drive**
**Grapevine, TX**

**Mr. Helaluzzman came forward and provided a brief explanation of the request. They are requesting to have space for worship as well as retail space. He indicated he was available for questions.**

**Chairman Lyons asked for any questions from the Commission.**

**Commissioner Chodun asked if there were any variances being requested. Mr. Brooks indicated there are several variances associated with the vertical and horizontal articulation and the applicant will be providing staff revisions.**

**There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

14. SP2019-016
Discuss and consider a request by Dub Douphrate of Douphrate and Associates, Inc. on behalf of Bob and Pam Hawley for the approval of a site plan for two (2) metal buildings in conjunction with an existing commercial business on a 1.55-acre parcel of land identified as Lot 5, Block A, Maverick Ranch Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 196 & 216 Ranch Road, and take any action necessary.

**Planning Manager, David Gonzales, provided a brief explanation of the request. The applicant is requesting to add additional buildings behind the existing buildings. The request went before the Architectural Review Board and they did recommend approval however they want the wainscot to be included with the existing buildings to have uniformity. Mr. Gonzales advised that the applicant was not present.**

**Chairman Lyons asked for questions from the Commission.**

**Commissioner Chodun asked if there were additional variances that the applicant was requesting. Mr. Gonzales indicated there would be for the horizontal articulation and since it is a metal building they do not meet the material requirement.**

**There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

15. SP2019-017
Discuss and consider a request by Steven Homeyer of Homeyer Engineering, Inc. on behalf of Vincent Stagliano for the approval of a site plan for an animal boarding/kennel without outside pens on a 1.2113-acre tract of land identified as Lot 4, Block A, Ellis Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located west of the intersection of Alpha Drive and Sigma Court, and take any action necessary.

**Planning Manager, David Gonzales, advised the Commission that the request went before the Architectural Review Board and they forwarded their recommendation. Mr. Gonzales stated that the applicant was present and would provide details on the request.**

**Chairman Lyons asked the applicant to come forward.**

**Steven Homeyer**
**(No address given)**

**Mr. Homeyer came forward and provided comments in regards to the request. The request is for a kennel daycare facility as well as night boarding with an outside exercise area. They are proposing an 8foot wooden fence around the exercise area and the intent for the wooden fence is to provide security and to keep the dogs from seeing surrounding activities. Mr. Homeyer indicated he was available to answer any questions the Commission may have.**

**Mr. Gonzales added that in regards to the fence, it is a screening fence and as far as what the UDC requires is a masonry fence therefore the wooden fence will be an exception they are requesting.**

**There being no questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

16. SP2019-018
Discuss and consider a request by Annalyse Valk of Platinum Construction on behalf of Shawn Valk of Saro Partners, LLC for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre tract of land identified as Lot 6, Block A, Bodin Industrial Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1491 T. L. Townsend Drive, and take any action necessary.

**Senior Planner, Korey Brooks, advised the Commission that the applicant was present and would provide details of the request and staff would be available to answer any question.**

**Chairman Lyons asked the applicant to come forward and speak.**

**Annalyse Valk**
**1450 TL Townsend suite 100**
**Rockwall, TX**

**Ms. Valk came forward and provided details pertaining to the request. They proposing to build a multi-tenant office warehouse building. Ms. Valk indicated she was available for questions.**

**Mr. Brooks added that two years ago the Planning and Zoning Commission approved a site plan for a similar facility with the applicant just north of the subject property. Since this will be located at a highly visible location the Architectural Review Board made a recommendation for this new facility match the old facility.**

**There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.**

17. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

- ✓ Z2019-009: SUP for a Restaurant at 505 N. Goliad Street (*1st Reading*) [*Approved*]
- ✓ Z2019-010: SUP for Guest Quarters/Secondary Living Unit and Barn or Agricultural Accessory Building at 777 & 839 Cornelius Road (*1st Reading*) [*Approved*]
- ✓ Z2019-011: Amended PD Development Standards for Planned Development District 47 (PD-47) (*1st Reading*) [*Approved*]

**Planning Director, Ryan Miller, provided a brief update about the outcome of the above referenced case at the City Council meeting.**

VI. ADJOURNMENT

**Chairman Lyons adjourned the meeting at 6:43 p.m.**

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this _____ day of _____, 2019.

_____
Johnny Lyons, Chairman

Attest:

_____
Laura Morales, Planning Coordinator

18. Capital Improvements Advisory Committee Meeting (CIAC) [6:30 PM]
Appointment with Eddie Hass of Freese and Nichols, Inc. and Matt Hickey, PE of Birkhoff, Hendricks & Carter LLP to discuss Roadway, Water and Wastewater Impact Fees, the Ten-Year Growth Rate for the City of Rockwall, and the proposed Land Use Assumptions report, and take any action necessary.

19. Planning and Zoning Commission Training Session [7:00 PM]
The Planning and Zoning Commission will hold a training session with the City Attorney immediately following the adjournment of the May 28, 2019 Capital Improvements Advisory Committee Meeting.

| **TO:** | Planning and Zoning Commission |
| **DATE:** | 06/25/2019 |
| **APPLICANT:** | Chris Lam, P.E.; *Lam Consulting Engineering* |
| **CASE NUMBER:** | SP2019-015; *Site Plan for Restaurant Less than 2,000 SF w/o Drive-Through* |

## SUMMARY

Consider a request by Chris Lam, PE of Lam Consulting Engineering on behalf of Price Pointer of TCB Construction Group, LLC for the approval of a site plan for a restaurant less than 2,000 SF without a drive-through or drive-in on a 0.23-acre parcel of land identified as Block 20B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 505 N. Goliad Street, and take any action necessary.

## BACKGROUND

The subject property was a part of the original town incorporation for the City of Rockwall in 1873. On August 5, 2002, the City Council approved *Ordinance No. 02-46* zoning the property *Planned Development District 50 (PD-50)* for Residential Office (RO) District land uses. On June 3, 2019, the City Council approved a Specific Use Permit [*i.e. Ordinance No. 19-22, SUP No. S-208*] allowing the *Restaurant Less Than 2,000 SF without a Drive-Through or Drive-In* land use on the subject property. The existing single-family home is approximately 1,916 SF, and -- according to the City of Rockwall's Historic Resources Survey -- was constructed in 1915 using characteristics of Bungalow style architecture. Bungalow styled homes have a Craftsman influence, and typically have identifying features that include a low-pitched or gabled roof (*which is usually hipped*), wide unenclosed eave overhangs, exposed roof rafters, decorative or false beams under the gables, and full or partial width porches that are supported by tapered square columns.

## PURPOSE

The applicant, Chris Lam, P.E. of Lam Consulting Engineering, is requesting approval of a site plan for the purpose of converting a single-family home into a restaurant, without a drive-through or drive-in that is less than 2,000 SF within Planned Development District 50 (PD-50). More specifically, the applicant is proposing to convert the existing single-family home to a commercial property to accommodate the proposed restaurant land use (*i.e. Bonafide Betties Pie Company*).

## ADJACENT LAND USES AND ACCESS

The subject property is located at 505 N. Goliad Street. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property is a local boutique (i.e. Hallie B's), situated on a 0.2296-acre parcel of land. This property is zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses. Beyond this property is a continuation of Planned Development District 50 (PD-50).

*South*: Directly south of the subject property is a vacant 0.420-acre parcel of land. This property is zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses. Beyond this property is a continuation of Planned Development District 50 (PD-50).

*East*: Directly east of the subject property are local businesses and residential properties along N. Goliad Street that are zoned Planned Development District 50 (PD-50) for Residential Office District (RO) land uses. Beyond these properties are single-family residential homes zoned Single-Family 7 (SF-7) District.

*West*: Directly west of the subject property are single-family homes zoned Single-Family 7 (SF-7) District.

**DENSITY AND DIMENSIONAL REQUIREMENTS**

Currently, the applicant is in the process of converting the residential structure to a commercial structure. Since the land use is changing from a residential land use to a commercial land use, the property is required to construct a parking lot and provide ADA compliant access to the proposed residential-office building. The proposed parking lot will have five (5) parking spaces located behind the main structure and two (2) parallel parking spaces located on the north side of the building. The ADA ramp and sidewalk will be located adjacent to the east façade of the building (*i.e. the front of the building*) that faces Goliad Street.

The submitted site plan generally conforms to the technical requirements contained within the UDC for a property located within Planned Development District 50 (PD-50). A summary of the density and dimensional requirements for the subject property are as follows:

| *Ordinance Provisions* | *Zoning District Standards* | *Conformance to the Standards* |
|---|---|---|
| *Minimum Lot Area* | *6,000 SF* | *X=10,019 SF: In Conformance* |
| *Minimum Lot Frontage* | *60-Feet* | *X=~84-Feet: In Conformance* |
| *Minimum Lot Depth* | *100-Feet* | *X=~113-Feet: In Conformance* |
| *Minimum Front Yard Setback* | *25-Feet* | *X=25-Feet: In Conformance* |
| *Minimum Rear Yard Setback* | *30-Feet* | *X=30-Feet: In Conformance* |
| *Minimum Side Yard Setback* | *10-Feet* | *X=10-Feet: In Conformance* |
| *Maximum Building Height* | *36-Feet* | *X=~25-Feet: In Conformance* |
| *Max Building/Lot Coverage* | *40%* | *X=~19%: In Conformance* |
| *Minimum Masonry Requirement* | *90%* | *100%: In Conformance Wood Siding* |
| *Minimum Number of Parking Spaces* | *8 Spaces* | *7 Spaces: In Conformance Per SUP* |
| *Minimum Stone Requirement* | *N/A* | *N/A Per NGC OV Standards* |
| *Minimum Landscaping Percentage* | *N/A* | *N/A* |
| *Maximum Impervious Coverage* | *N/A* | *N/A* |

**CONFORMANCE WITH THE CITY'S CODES**

According to Subsection 6.04.E, *Parking Area Restrictions*, of Section 6, *North Goliad Corridor Overlay (NGC OV) District,* of Article V, *District Development Standards*, of the Unified Development Code (UDC), "…any surface parking shall be provided in well-screened parking lots at the rear or behind the main façade of the building…" Additionally, new buildings or alterations shall be compatible with the adjoining area. In this case, the applicant is locating the parking lot to the rear and north side of the property (*i.e. behind the front façade*), which conforms to the NGC OV district standards. Additionally, since the applicant will install a minimum six (6) foot tall *board-on-board* fence, the request appears to be in conformance with the overlay district's requirements with regard to parking lot screening. Since, the structure is being converted from a residential land use to a commercial land use, modifications to

the site will be required. In this case, the applicant has provided a full scope of work detailing all changes to the site.

## INFRASTRUCTURE

Planned Development District 50 (PD-50) requires a cross access easement on all adjoining properties when the use has changed from a residential land use to a non-residential land use. An access plan for PD-50 is also included in the OURHometown Vision 2040 Comprehensive Plan under Appendix 'A', *Small Area Plans*. The subject property will be incorporating a 24-foot wide drive aisle and connecting to the cross access easement on the adjacent property to the north (*i.e. 507 N. Goliad Street*). This will provide ingress/egress for both properties, while meeting the intent of the access plan contained in the Comprehensive Plan.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

According to the Future Land Use Plan adopted with the OurHometown Vision 2040 Comprehensive Plan, the subject property is located in the Downtown District and is designated for *Live/Work* land uses. The Downtown District is considered to be the cultural heart of the community and embodies the small-town atmosphere that is characteristic of the City of Rockwall. Contained in the Downtown District is the North Goliad Corridor, which is a unique live/work corridor that offers residential units, offices, event venues, and boutiques. The intent of the North Goliad Corridor is not only to protect and preserve the historic architecture and significance within the district, but to also ensure that infill development does not negatively impact the surrounding properties or the district. In this case, the applicant's request appears to be in conformance with the Future Land Use Plan. Specifically, the proposed office building is an existing single-family home and the applicant is not proposing to make any structural changes to the exterior of the building when the home is converted to an office building.

## ARCHITECTURAL REVIEW BOARD (ARB):

The Architectural Review Board (ARB) will review the building elevations at the June 25, 2019 meeting, and will provide a recommendation to the Planning and Zoning Commission.

## HISTORIC PRESERVATION ADVISORY BOARD (HPAB):

On June 20, 2019, the Historic Preservation Advisory Board (HPAB) reviewed the applicant's request and passed a motion to approve a Certificate of Appropriateness (COA) by a vote of 4-0 with Board Members Daniels, Mischler, and Bowlin absent.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to approve the applicant's site plan request, then staff would propose the following conditions of approval:

(1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed;

(2) Submittal and approval of civil engineering plans and plat are required prior to the approval of a Certificate of Occupancy (CO);

(3) Adherence to the operational conditions established in the Specific Use Permit (SUP) are required for continued operation; and,

(4) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING 1ST ROUND COMMENTS (06.18.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday July 2, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the SUP Requirements, standards of the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy(CO).
3. Submittal and approval of a Certificate of Appropriateness(COA) by the Historic Preservation Advisory Board (HPAB) for the site plan, and any exterior changes requiring approval of a COA.
4. Label all revised site plan documents with "Case No. SP2019-015" at the lower right corner of each plan.

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Delineate and label the minimum 25-foot front yard set-back for the Residential Office (RO) District.
2. Label the access easements as "24-ft Firelane, Public Access, Drainage and Utility Easements (as appropriate for each).
3. The site plan requires a recommendation forwarded to thePlanning and Zoning Commission from the Historic Preservation Advisory Board(HPAB).

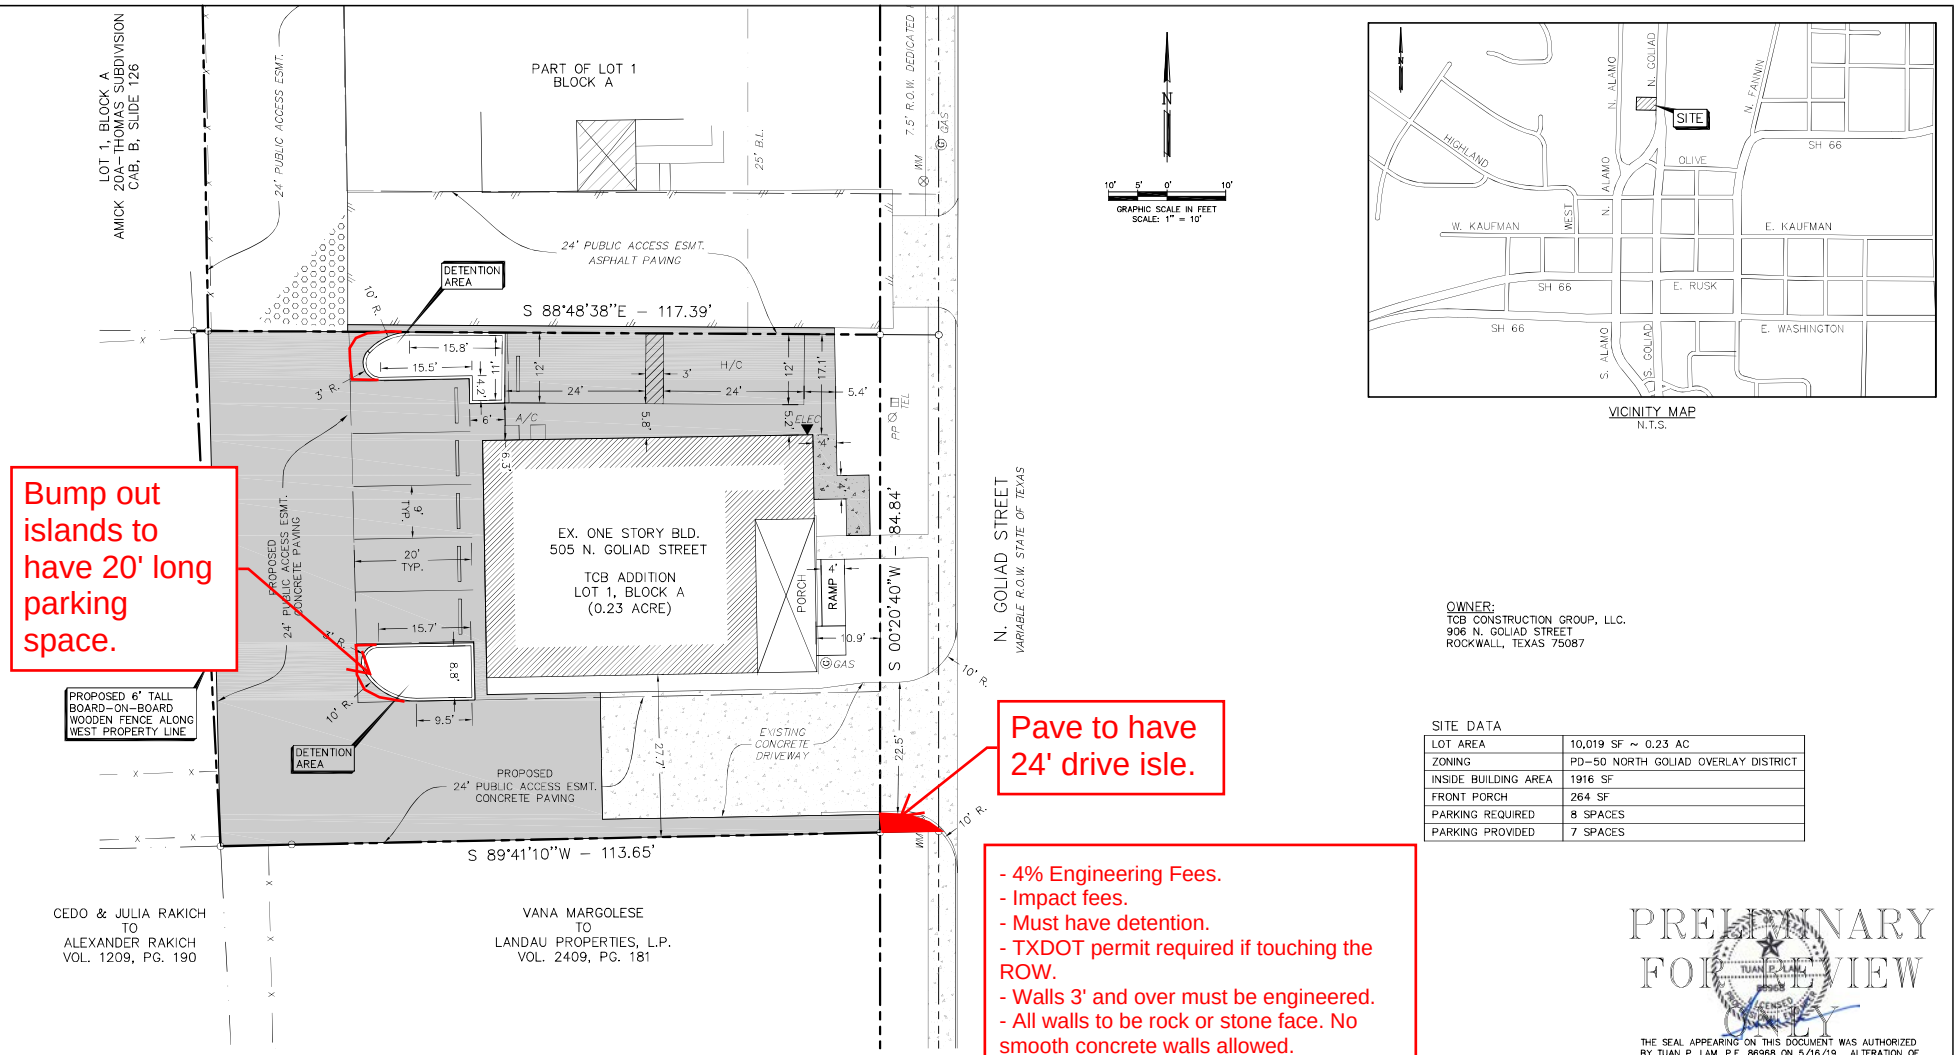
Building Elevations:
1. Changes to the building elevations require a recommendation from the Architectural Review Board(ARB). See scheduled meeting below.

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: June 25, 2019 (5:00 p.m.) [Consent Agenda]

Planning - Action: June 25, 2019 (6:00p.m.) [P&Zto take action (i.e. approve, approve with conditions, deny)]



** IF REQUIRED -- City Council - Action: Monday, July 1, 2019 (6:00 p.m.) [ONLY FOR VARIANCE AND EXCEPTION REQUESTS NOT APPROVED BY THE PLANNING AND ZONING COMMISSION] **

Comments provided by Capt. Ed Fowler - Police

SP2019-015 - BONAFIDE BETTIES PIES CO
Considerations:

- Lighting placed on or in fencing area around dumpster to eliminate shadow and dark areas and prevent theft from dumpster (ID Theft, etc.)
- Place high resolution cameras on corners of building and interior.
- Equip doors with motion sensor alarms, windows with glass break alarms and interior proximity alarms.
- Consider target hardening with industrial standard or greater locking devices for all doors
- Lighting placed upon all sides of the exterior the buildings, over doors and at the rear of property (West) to illuminate and eliminate shadows, dark areas and hiding spots. Lighting set by City Code, LEDs are preferred.
- Ensure trees and bushes are trimmed within acceptable standards (Trees Trimmed up to 7' and Bushes Trimmed Down to 3') and consider ground wash lighting to illuminate the area and provide territorial reinforcement, ownership and enhance natural lines of sight at night around the business.
- Consider appropriate lighting of parking lot to eliminate hiding places for suspect and prevent accidents.

Bump out islands to have 20' long parking space.

Pave to have 24' drive isle.

- 4% Engineering Fees.
- Impact fees.
- Must have detention.
- TXDOT permit required if touching the ROW.
- Walls 3' and over must be engineered.
- All walls to be rock or stone face. No smooth concrete walls allowed.
- Must meet all City Standards of Design and Construction

PLANNING AND ZONING COMMISSION CASE MEMO

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | June 25, 2019 |
| **APPLICANT:** | Dub Duphrate: *Dub Duphrate & Associates* |
| **CASE NUMBER:** | SP2019-020; *Site Plan for 4035 N. Goliad Street* |

## SUMMARY

Consider a request by Dub Douphrate & Associates on behalf of Carla Rankin of Carla Rankin Real Estate Holdings for the approval of a site plan for an office building on a 0.29-acre tract of land identified as Tract 22 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 4035 N. Goliad Street, and take any action necessary.

## BACKGROUND

The subject property was annexed in 1983 [*Ordinance No. 83-57*], is zoned Residential Office (RO) District, is situated within the North SH-205 Overlay (M. SH-205 OV) District, and is addressed as 4035 N. Goliad Street. The home on the subject property was most recently used as a single-family home.

## PURPOSE

The applicant is requesting approval of a site plan for the purpose of converting a residential structure into a residential-office facility. The proposed residential-office facility is currently a single-family home and based on the applicant, the intent is to convert the structure into a residential office facility for a real estate office. Since the use is being converted from a residential to a non-residential land use, the construction of a parking lot is required. According to the applicant, no other changes will be made to the exterior of the building.

## ADJACENT LAND USES AND ACCESS

The subject property is located 4035 N. Goliad Street. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property is a single-family home that has been converted into a hair salon (*i.e. Big Mama's House*). Beyond this is a large vacant tract of land followed by the city limits of Rockwall. These areas are zoned Residential (R-O) Office and Agricultural (AG) Districts.

*South*: Directly south of the subject property there is a commercial business (*i.e. ALS Plumbing*) and a single-family residential subdivision (*i.e. Harlan Park Subdivision*). There areas are zoned Residential (R-O) Office and Single-Family 10 (SF-10) Districts.

*East*: Directly east of the subject property is N. Goliad Street [SH-205], which is identified as a M4D (*major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan. Beyond this is a mini-warehouse facility (*i.e. Public Storage*), which delineates the city limits of Rockwall.

*West*: Directly west of the subject property there is a single-family residential subdivision (*i.e. Castle Ridge Subdivision*), which is zoned Single-Family 10 (SF-10) District. Following Lake Ray Hubbard, which is located in the City of Dallas.

## DENSITY AND DIMENSIONAL REQUIREMENTS

According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Uses,* of the Unified Development Code (UDC), the proposed use (*i.e. a residential-office facility*) is allowed by-right in a Residential (R-O) District and will not require any additional approval with regard to land use. The submitted site plan and landscape plan generally conform to the technical requirements contained within the UDC for a property located within a Residential Office (R-O) District. A summary of the density and dimensional requirements for the subject property are as follows:

| *Ordinance Provisions* | *Zoning District Standards* | *Conformance to the Standards* |
|---|---|---|
| *Minimum Lot Area* | *6000 SF* | *X=13,939 SF; In Conformance* |
| *Minimum Lot Frontage* | *60-Feet* | *X=97 Feet; In Conformance* |
| *Minimum Lot Depth* | *100-Feet* | X=124=Feet; In Conformance |
| *Minimum Front Yard Setback* | *25-Feet* | X=25-Feet; In Conformance |
| *Minimum Rear Yard Setback* | *30-Feet* | *X=30-Feet; In Conformance* |
| *Minimum Side Yard Setback* | *10-Feet* | *X=10-Feet; In Conformance* |
| *Maximum Building Height* | *36-Feet* | *X=28-Feet; In Conformance* |
| *Max Building/Lot Coverage* | *40%* | *X=0.08%; In Conformance* |
| *Minimum Masonry Requirement* | *90%* | *X=90%; In Conformance* |
| *Minimum Number of Parking Spaces* | *4-Spaces* | *X=10-Spaces; In Conformance* |
| *Minimum Stone Requirement* | *0%* | *X=0; In Conformance* |
| *Minimum Landscaping Percentage* | *25%* | *X=42%; In Conformance* |
| *Maximum Impervious Coverage* | *75-80%* | *X=60%; In Conformance* |

## TREESCAPE PLAN

This request does not require a treescape plan since there are no protected trees being removed.

## CONFORMANCE WITH THE CITY'S CODES

According to Subsection 4.2, *Residential Office (R-O) District*, of Section 5, *Commercial Districts,* of Article V, *District Development Standards,* of the Unified Development Code (UDC), the Residential Office (R-O) District is "…a zoning district intended to recognize the existence of older residential areas of the city where larger houses have been or can be converted from single-family uses to low-intensity office uses in order to extend the economic life of these structures…". The UDC goes on the states that a Residential Office (R-O) District should have principle access to major or secondary thoroughfares and serves as a transition between high intensity, non-residential areas to lower intensity residential areas. In this case, the only exterior improvement will be the construction of the parking lot and will be located behind the existing structure and screened from the residential properties to the west. Given the proposed improvements and the fact that the residential office facility is allowed by-right in a Residential Office (RO) District, the applicant's request appears to conform to the intent of the Residential Office (R-O) District (*i.e. an older home converted into a low-intensity office use*).

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The OurHometown Vision 2040 Comprehensive Plan designates the subject property as being situated within the North Lakeshore District. This district is an established district that is significantly developed

with medium density housing and it is not anticipated that the district's development patterns will change drastically. Live/work arrangements in this district are intended to provide a low intensity transition from residential properties to N. Goliad Street [SH-205]. Typical live/work should be constructed to a similar residential scale as the adjacent residential properties. In this case, the applicant is proposing to convert a single-family home into a residential office facility (*i.e. live/work arrangements*). Given the zoning district (*i.e. Residential Office (R-O) District*) and the idea that the proposed residential office facility will serve as a transition from a busy roadway and the lower intensity residential land uses, the applicant's request appears to be in conformance with the district strategies of the North Lakeshore District.

**ARCHITECTURAL REVIEW BOARD (ARB):**

This request does not involve exterior improvements to the exterior of the structure.

**CONDITIONS OF APPROVAL**

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request, then staff would propose the following conditions of approval:

(1) The applicant shall plant a thick vegetative screening consisting of three (3) tier vegetation (*i.e. a combination of shrubs, tall grasses, and mature trees*) along the west property line;

(2) The applicant shall provide an updates site plan and landscape plan reflecting the landscape screening.

(3) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

(6/21/2019 1:44 PM SH)
- Drive isle to be minimum 24' wide to face of curb.
- New driveway return can't cross property lines without adjacent property owners permission.

The following items are for your information for enginering design.
- Check with fire dept for fire hydrants needed no water line to property w/ capacity for FH
- 4% Engineering
- Impact fees for upsizing tap
- Must have detention
- Detention for any new impervious areas
- Drive isle to be 24' min
- TxDOT permit for driveway
- Walls 3' and over must be engineered
- All retaining walls to be rock or stone face
- Must meet City Standards for Design and Construction
- Need to show existing water & sewer w/size and connections
- ROW dedication for SH 205 (60' from center)

SP2019-020 Site Plan for 4035 N Goliad: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

1. This is a request by Dub Douphrate & Associates on behalf of Carla Rankin of Carla Rankin Real Estate Holdings for the approval of a site plan for an office building on a 0.29-acre tract of land identified as Tract 22 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 4035 N. Goliad Street.
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-020) in the lower right hand corner of all pages on future submittals.
4. Will any exterior lighting be added?
5. The parking lot will need to be screened from the adjacent residential properties.
6. Please show ADA ramp if one is being added/existing. Also, the accessible path will need to be shown.
7. Please show centerline of N. Goliad.
8. Please show where the ground mounted equipment will be located and show the proposed screening.
9. Please show and label 25-foot setback adjacent to N. Goliad.
10. Please show and label the 25-foot landscape buffer adjacent to N. Goliad and note the requirements below. Also, please do not encroach any easements with the LS buffer.

a. All landscape buffers shall incorporate ground cover, a built-up berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, two (2) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage along the Primary Roadway.

b. All canopy trees, accent trees, shrubs and ground cover proposed to be planted in any overlay district shall be in conformance to the tables depicted in Appendix F, Landscaping Guidelines and Requirements, of this Unified Development Code (UDC) and shall be subject to the following sizes: a. Canopy Trees shall be a minimum of four (4) caliper inches at DBH. b. Accent Trees shall be a minimum of four (4) feet in total height. c. Deciduous Shrubs shall be a minimum of two (2) gallons in size. d. Evergreen Shrubs shall be a minimum of two (2) gallons in size.

11. Will cross access be provided for the adjacent RO building?
12. Will there be a dumpster on site?
13. Will there be any exterior modifications to the building?
14. Can you please show the grass/groundcover as some type of stipple hatch and the concrete areas as a shade of grey?
15. Please show all easements.
16. Can you please show the new drive vs old drive as some type of hatch?
17. Please check with engineering, but it appears that your driveway is too narrow. The min width is 20-feet.
18. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on July 2, 2019. The Planning and Zoning Meeting is on June 25th, 2019

| **TO:** | Planning and Zoning Commission |
| **DATE:** | June 25, 2019 |
| **APPLICANT:** | Kyle Coleman Harris; *Pacheco Koch Consulting Engineers* |
| **CASE NUMBER:** | P2019-027; *Lot 3, Block A, Channell Subdivision Addition* |

## SUMMARY

Consider a request by Kyle Coleman Harris of Pacheco Koch Consulting Engineers on behalf of Alton Frazier of Channell Commercial Corporation for the approval of a replat for Lot 3, Block A, Channell Subdivision Addition being a 18.762-acre parcel of land identified as Lot 2, Block A, Channell Subdivision Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, addressed as 1700 John King Boulevard, and take any action necessary.

## PLAT INFORMATION

- ☑ The applicant is requesting the approval of a replat for an 18.762-acre parcel of land [i.e. *Lot 2, Block A, Channell Subdivision Addition*] for purpose of abandoning certain portions of the platted firelane & water easements. Additionally, the replat will realign the western drive aisle. The *subject property* is located within the SH-205 By-Pass Overlay (SH-205 BY OV) and is addressed as 1700 John King Boulevard.

- ☑ On June 14, 2019, Mark Pross of Pross Design Group, Inc., submitted an amended site plan [*i.e. Case NO. SP2019-021*] in conjunction with this replat for the purpose of establishing outside storage areas on the subject property and to realign the western drive aisle.

- ☑ On July 8, 2014, the Planning and Zoning Commission approved a site plan for the construction of the warehouse/manufacturing facility. On July 21, 2014, the City Council approved all associated variances, waivers, and exceptions requested by the applicant in conjunction with the site plan.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for replats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.

- ☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the replat for *Lot 3, Block A, Channell Subdivision Addition,* staff would propose the following conditions of approval:

(1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

(2) Prior to the filing of this plat, the easements will need to be adjusted in accordance with the approved site plan (i.e. Case No. SP2019-021).

(3) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

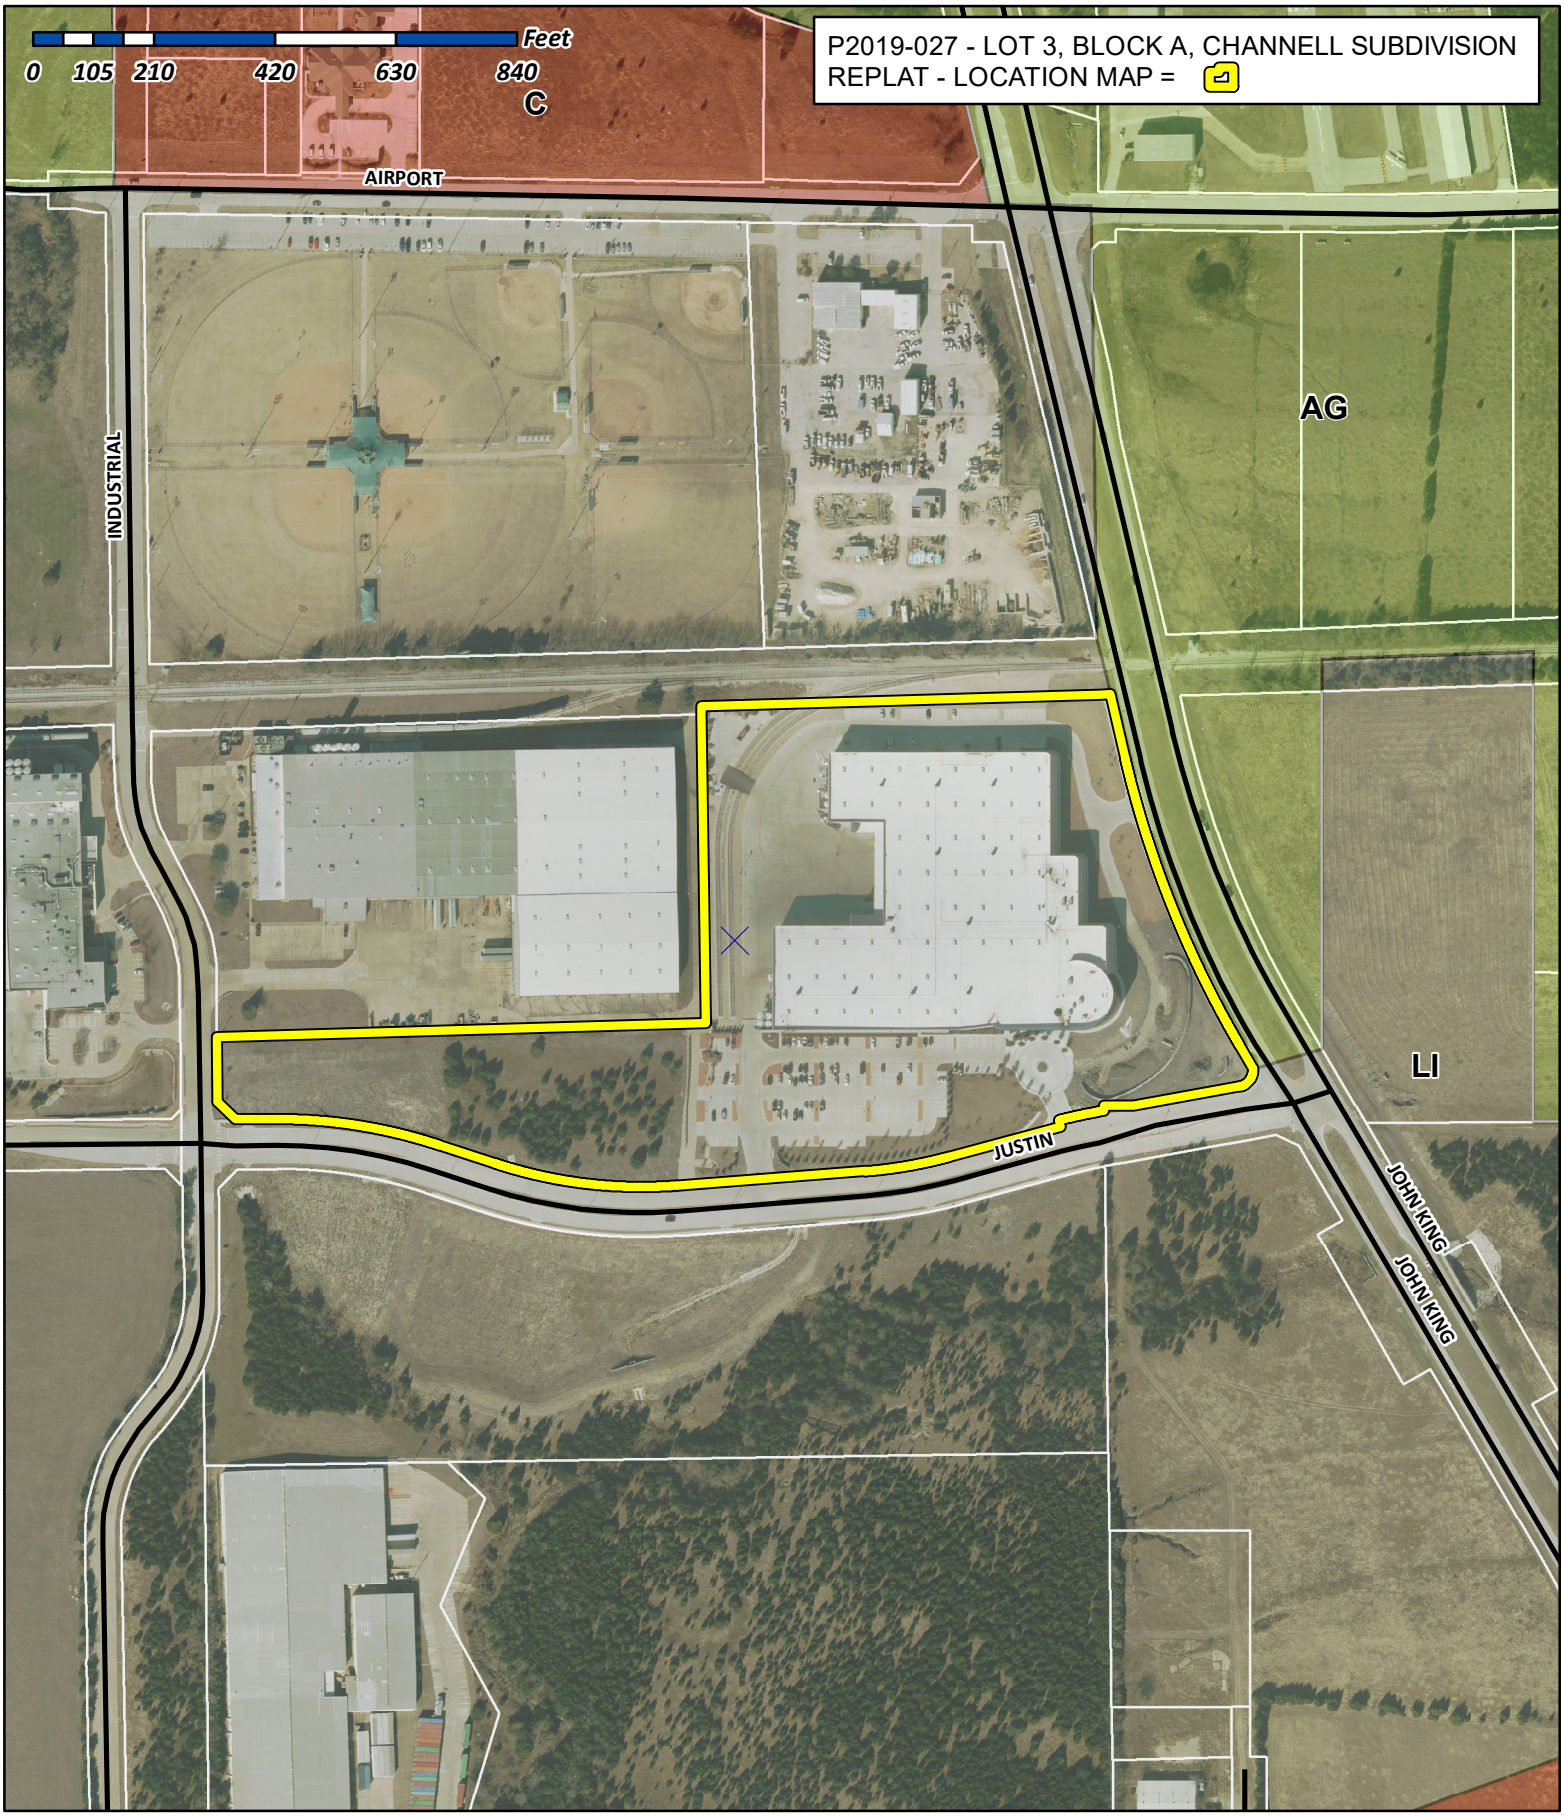
Consider a request by Kyle Coleman Harris of Pacheco Koch Consulting Engineers on behalf of Alton Frazier of Channell Commercial Corporation for the approval of a replat for Lot 3, Block A, Channell Subdivision Addition being a 18.762-acre parcel of land identified as Lot 2, Block A, Channell Subdivision Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, addressed as 1700 John King Boulevard, and take any action necessary.

** Planning Department General Comments to be addressed:

The following staff comments are to be addressed and resubmitted no later than Tuesday July 2, 2019. Please provide one (1) large copy [18" X 24" FOLDED] and one PDF version for a final review by staff:

** Planning Department General Comments to be addressed:

1. The final plat shall conform to all standards and requirements of the Unified Development Code(UDC) and the staff comments provided by the Planning, Engineering, Building Inspections, and Fire Department as indicated in this Project Plan Review document and prior to filing of the plat.
2. Provide a label indicating "Case No. P2019-027" on the lower right corner on all pages of the revised final plat.
3. Change the Title Block and Plat from Lot 2R to "Lot 3" as the City uses a sequential numbering system and not "R" for replat.
4. Correct Title Block to read as follows:
Final Plat
Lot 3, Block A, Channell Subdivision
Being a replat of Lot 2, Block A, Channell Subdivision
1 Lot , Being 18.762-Acres
And Being Out of The Nathan Butler Survey, Abstract No. 20,
The Archibald Hanna Survey, Abstract No. 99
And the David Harr Survey, Abstract No. 102,
An Addition to the City of Rockwall, Rockwall County, Texas
5. Page 3: Notary Certificates:
a. remove if not needed for mortgage or lien holder interest
b. not necessary when plat is stamped by surveyor.



** As a note and once the plat has been approvedby the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions are to be approved (by staff) prior to the plat being submitted on mylar for filing purposes. **

** This plat case will be on the Consent Agenda. It is optional for you and/or your representative(s) to be in attendance for this request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates Scheduled:

Planning - Consent Agenda: June 25, 2019 (Tuesday at 6:00 p.m.)

City Council - Consent Agenda: July 1, 2019 (Monday at 6:00 p.m.)

### NOTES

1. *It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.*

2. *Bearing system for this survey is based on the State Plane Coordinate System, Texas North Central Zone (4202), North American Datum of 1983 (2011) and correlated to the City of Rockwall Monument R016. The coordinates shown hereon are State Plane (Grid) Coordinates, no scale and no projection.*

## OWNER'S CERTIFICATE

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS, Channell Commercial Corporation, is the owner of an 18.762 acre tract of land in the City of Rockwall, Rockwall County, Texas; said tract of land being described as follows:

LEGAL DESCRIPTION

DESCRIPTION, of an 18.762 acre tract of land situated in the Nathan Butler Survey, Abstract No. 20, the Archibald Hanna Survey, Abstract No. 99, and the David Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas; said tract being all of Lot 2, Block A, Channell Subdivision, an addition to the City of Rockwall, Texas according to the plat recorded in Instrument No. 20160000011900 of the Official Public Records of Rockwall County, Texas; said tract also being all of that certain tract of land described in Special Warranty Deed to Channell Commercial Corporation recorded in Instrument No. 20140000017566 of the Official Public Records of Rockwall County, Texas; said 18.762 acre tract being more particularly described as follows:

BEGINNING, at a 1/2–inch iron rod with "R.S.C.I. RPLS 5034" cap found for corner in the east right–of–way line of Industrial Boulevard (a 65–foot wide right–of–way); said point being the westernmost northwest corner of said Lot 2 and the southwest corner of Rockwall Industrial East, an addition to the City of Rockwall, Texas according to the plat recorded in Cabinet C, Slide 72 of said Plat Records;

THENCE, North 88 degrees, 07 minutes, 13 seconds East, departing the said east line of Industrial Boulevard and along the south line of said Rockwall Industrial East, a distance of 850.17 feet to a 5/8–inch iron rod with "PACHECO KOCH" cap set for corner; said point being the southeast corner of said Rockwall Industrial East;

THENCE, North 01 degrees, 03 minutes, 38 seconds West, along the east line of said Rockwall Industrial East, a distance of 550.29 feet to a 5/8–inch iron rod with "PACHECO KOCH" cap set for corner in the south right–of–way line of the UP/DALLAS GARLAND N.E. RAILROAD (a 100–foot wide right–of–way); said point being the northeast corner of said Rockwall Industrial East;

THENCE, along the said south line of the UP/DALLAS GARLAND N.E. RAILROAD, the following two (2) calls:

North 88 degrees, 10 minutes, 00 seconds East, a distance of 693.99 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at an angle point;

North 88 degrees, 16 minutes, 13 seconds East, a distance of 16.20 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner in the west right–of–way line of John King Boulevard (a 120–foot wide right–of–way);

THENCE, departing the said south line of the UP/DALLAS GARLAND N.E. RAILROAD and along the said west line of John King Boulevard, the following three (3) calls:

South 13 degrees, 13 minutes, 35 seconds East, a distance of 112.68 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the beginning of a non–tangent curve to the left;

In a southeasterly direction, along said curve to the left, having a central angle of 17 degrees, 06 minutes, 33 seconds, a radius of 1,810.00 feet, a chord bearing and distance of South 21 degrees, 54 minutes, 26 seconds East, 538.48 feet, an arc distance of 540.49 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the end of said curve;

South 30 degrees, 27 minutes, 42 seconds East, a distance of 46.15 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner; said point being at the northeast end of a circular right–of–way corner clip at the intersection of the said west line of John King Boulevard and the north right–of–way line of Justin Road (a variable width right–of–way) and the beginning of a non–tangent curve to the right;

THENCE, in a southwesterly direction, departing the said west line of John King Boulevard and along said corner clip and said curve to the right, having a central angle of 84 degrees, 24 minutes, 20 seconds, a radius of 29.50 feet, a chord bearing and distance of South 37 degrees, 35 minutes, 03 seconds West, 39.63 feet, an arc distance of 43.46 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner in the said north line of Justin Road; said point being at the southwest end of said corner clip;

THENCE, departing the said corner clip and along the said north line of Justin Road, the following fourteen (14) calls:

South 79 degrees, 47 minutes, 13 seconds West, a distance of 186.63 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at an angle point;

South 89 degrees, 47 minutes, 13 seconds West, a distance of 50.50 feet to a 1/2–inch iron rod with "CSC 4252" cap found for corner;

South 00 degrees, 38 minutes, 16 seconds East, a distance of 8.89 feet to a 5/8–inch iron rod with "PACHECO KOCH" cap set for corner;

South 79 degrees, 47 minutes, 13 seconds West, a distance of 10.22 feet to a 5/8–inch iron rod with "PACHECO KOCH" cap set for corner at the beginning of a tangent curve to the left;

In a southwesterly direction, along said curve to the left, having a central angle of 04 degrees, 26 minutes, 56 seconds, a radius of 904.50 feet, a chord bearing and distance of South 77 degrees, 33 minutes, 45 seconds West, 70.22 feet, an arc distance of 70.23 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner;

South 14 degrees, 39 minutes, 43 seconds East, a distance of 12.00 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner; said point being the beginning of a non–tangent curve to the left;

In a southwesterly direction, along said curve to the left, having a central angle of 00 degrees, 33 minutes, 04 seconds, a radius of 892.50 feet, a chord bearing and distance of South 75 degrees, 03 minutes, 45 seconds West, 8.58 feet, an arc distance of 8.58 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the end of said curve;

South 74 degrees, 47 minutes, 13 seconds West, a distance of 191.98 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the beginning of a tangent curve to the right;

In a westerly direction, along said curve to the right, having a central angle of 10 degrees, 34 minutes, 42 seconds, a radius of 807.50 feet, a chord bearing and distance of South 80 degrees, 04 minutes, 34 seconds West, 148.87 feet, an arc distance of 149.09 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the end of said curve;

South 85 degrees, 21 minutes, 55 seconds West, a distance of 325.98 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the beginning of a tangent curve to the right;

In a westerly direction, along said curve to the right, having a central angle of 22 degrees, 51 minutes, 11 seconds, a radius of 807.50 feet, a chord bearing and distance of North 83 degrees, 12 minutes, 29 seconds West, 319.95 feet, an arc distance of 322.08 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the end of said curve;

In a westerly direction, along said curve to the left, having a central angle of 18 degrees, 36 minutes, 18 seconds, a radius of 892.50 feet, a chord bearing and distance of North 81 degrees, 05 minutes, 03 seconds West, 288.54 feet, an arc distance of 289.81 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found at the end of said curve;

South 89 degrees, 36 minutes, 48 seconds West, a distance of 70.14 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner; said point being at the southeast end of a right–of–way corner clip at the intersection of said north line of Justin Road with the said east line of Industrial Boulevard;

THENCE, North 45 degrees, 43 minutes, 30 seconds West, departing the said north line of Justin Road and along the said corner clip, a distance of 42.68 feet to a 1/2–inch iron rod with "WIER & ASSOC INC" cap found for corner in the said east line of Industrial Boulevard; said point being at the northwest end of said corner clip;

THENCE, North 01 degrees, 03 minutes, 48 seconds West, departing the said corner clip and along the said east line of Industrial Boulevard, a distance of 111.88 feet to the POINT OF BEGINNING;

CONTAINING, 817,294 square feet or 18.762 acres of land, more or less.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL
I, the undersigned owner of the land shown on this plat, and designated herein as the **LOT 2R, BLOCK A, CHANNELL SUBDIVISION** to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the **LOT 2R, BLOCK A, CHANNELL SUBDIVISION** have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

PLANNING AND ZONING COMMISSION CASE MEMO

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **DATE:** | June 25, 2019 |
| **APPLICANT:** | Ahmed Helaluzzaman |
| **CASE NUMBER:** | SP2019-014; *Site Plan for Retail Shopping Center and House of Worship* |

## SUMMARY

Discuss and consider a request by Ahmed Helaluzzaman on behalf of Abdul Latif Khan of Center for Peace and Mercy, Inc. for the approval of a site plan for a retail shopping center and house of worship on a 2.681-acre tract of land identified as Tract 10-1 & 22 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located on the north side of Turtle Cove Boulevard north of the intersection of Turtle Cove Boulevard and Ridge Road [FM-740], and take any action necessary.

## BACKGROUND

The subject property was annexed in 1960 [*Ordinance No. 60-04*], is situated within the Scenic Overlay (SOV) District, and is zoned Commercial (C) District.

## PURPOSE

The applicant is requesting approval of a site plan for a retail shopping center and house of worship on a tract of land that is currently vacant.

## ADJACENT LAND USES AND ACCESS

The subject property is located north of the intersection of Turtle Cove Boulevard and Ridge Road [FM-740]. The land uses adjacent to the subject property are as follows:

*North*: Directly north of the subject property is a railroad (*i.e. Union Pacific Railroad*) followed by a single-family residential subdivision (*i.e. Turtle Cove Subdivision*), that is zoned Planned Development District 2 (PD-2) for single-family residential land uses. Beyond this is a single-family residential subdivision (*i.e. Lakeridge Subdivision*), that is zoned Single-Family 10 (SF-10) District.

*South*: Directly south of the subject property are two office buildings followed by Turtle Cove Boulevard, which is identified as a R2 (*residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan. Beyond this is a vacant tract of land where an office building is being proposed. These areas are zoned Commercial (C) District.

*East*: Directly east of the subject property is a house of worship (*i.e. Great Faith Church*) followed by a vacant tract of land. Beyond this is Ridge Road [FM-740], which is identified as a M4D (*major collector, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan. Beyond this, there is a condo office park (*i.e. Lakewood Office Park Condos*) and several other office uses that are zoned Commercial (C) District.

*West*: West of the subject property is a railroad (*i.e. Union Pacific Railroad*) followed by a single-family residential subdivision (*i.e. Turtle Cove Subdivision*). These areas are zoned Commercial (C)

District and Planned Development District 2 (PD-2) for single-family detached land uses. Beyond this is Lake Ray Hubbard, which is in the City of Dallas.

## DENSITY AND DIMENSIONAL REQUIREMENTS

According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Use*, of the Unified Development Code (UDC), a house of worship and retail shopping center are both permitted by-right on properties zoned Commercial (C) District and no additional approvals are necessary with regard to land use. With the exception of the variances being requested the submitted site plan, landscape plan, treescape plan, photometric plan, and building elevations generally conform to the technical requirements contained within the UDC for a property located within a Commercial (C) District and situated within the N. SH-205 Overlay (N. SH-205 OV) District. A summary of the density and dimensional requirements for the subject property are as follows:

| *Ordinance Provisions* | *Zoning District Standards* | *Conformance to the Standards* |
|---|---|---|
| *Minimum Lot Area* | *10,000 SF* | *119,184 SF; In Conformance* |
| *Minimum Lot Frontage* | *60-Feet* | *X=144-Feet; In Conformance* |
| *Minimum Lot Depth* | *100-Feet* | *X=459-Feet; In Conformance* |
| *Minimum Front Yard Setback* | *15-Feet* | *X= 15-Feet; In Conformance* |
| *Minimum Rear Yard Setback* | *10-Feet* | *X=10-Feet; In Conformance* |
| *Minimum Side Yard Setback* | *10-Feet* | *X=10=Feet; In Conformance* |
| *Maximum Building Height* | *36-Feet* | *X=23-Feet; In Conformance* |
| *Max Building/Lot Coverage* | *60%* | *X=56 %; In Conformance* |
| *Minimum Masonry Requirement* | *90%* | *X=90-95%; In Conformance* |
| *Minimum Number of Parking Spaces* | *48 Spaces* | *52 Spaces; In Conformance* |
| *Minimum Stone Requirement* | *20%* | *X=20-27%; In Conformance* |
| *Minimum Landscaping Percentage* | *15%* | *X=45%; In Conformance* |
| *Maximum Impervious Coverage* | *85-90%* | *X=55%; In Conformance* |

## TREESCAPE PLAN

According to the treescape plan submitted by the applicant, there are 48 caliper-inches of primary protected trees and 113 caliper-inches of secondary protected trees being removed (i.e. a total of 161-caliper-inches in order to develop the site. Of the total number of trees, 125 caliper-inches require mitigation, which will be satisfied by landscaping being planted on site.

## CONFORMANCE WITH THE CITY'S CODES

According to *Subsection 4.05 Commercial (C) District*, of Section 4, *Commercial (C) Districts*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), the Commercial (C) District is "the proper zoning classification for most types of commercial development…" and generally consists of large shopping centers at major intersection, and commercial shopping centers along arterial roadways. Areas should not be zoned Commercial (C) District unless they are located close to an arterial or a major collector. The Unified Development Code (UDC) goes on to state that "…(s)ince the Commercial (C) District is general in nature, the development standards are less stringent and do not require as high of standards of development as the Residential Office (RO), Neighborhood Services, (NS), and the General Retail (GR) Districts. When adjacent to neighborhoods the area should have adequate buffering between the Commercial (C) District and the residential development. In this case, the proposed uses (*i.e. a house of worship and a retail shopping center*) are allowed by-right in a Commercial (C) District and is also located in close proximity to Ridge Road [FM-740], which is a major collector. Given the proposed use, zoning district, and its proximity to a major collector, the applicant's request appears to conform to the development standards as stipulated in the Unified Development Code (UDC) with regard to development standards within the Commercial (C) District. The Scenic Overlay (SOV) District requires 90% primary materials and 20% natural stone. Additionally,

all structures that have a footprint of 6,000 SF or less require a pitched roof. The Scenic Overlay (SOV) District also requires four (4) sided architecture and that all rooftop mechanical equipment to be screened by an architectural feature that is integral to the building's design (*e.g. a parapet wall*). The building elevations submitted by the applicant appear to conform to the requirements stipulated in the Unified Development Code (UDC) with regard to exterior building materials. The proposed building will be 4,535 SF and will utilize a flat roof system. Since this does not conform to the requirements of the Unified Development Code (UDC) an exception is required. Staff should note, the Planning and Zoning Commission has approved similar requests. Additionally, although the building elevations seem to generally conform to the four (4) sided architecture requirements, the proposed building elevations show a portion of the rooftop mechanical equipment. The applicant has provided a line-of sight-study showing that the mechanical equipment will not be visible from the property line. The Unified Development Code (UDC) requires any commercial use or parking lot that has a side or rear contiguous to a residential district to be screened with a masonry fence. As an alternative, berms in conjunction with a minimum six (6) foot wrought iron fence and a combination of trees and shrubs can be utilized to meet this requirement, should the Planning and Zoning Commission determine that the proposed alternative will provide sufficient screening. In this case, the subject property is adjacent to a residential subdivision (*i.e. Turtle Cove Subdivision*) and the applicant is proposing to utilize six (6) foot tall wrought iron fence in conjunction with a combination of trees and landscaping to provide screening from the adjacent neighborhood.

## VARIANCES/EXCEPTIONS REQUESTED BY THE APPLICANT

Based on the information submitted by the applicant, staff has identified the following variances to the requirements of the Unified Development Code (UDC):

(1) Architectural Standards

(a) Roof Design Standards. According to Section 6, *Overlay Districts*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), all structures having a footprint of less than 6,000 SF shall be constructed of a pitched roof. The proposed house of worship/retail shopping center will utilize a flat roof system and since this does not conform to the requirements of the Unified Development Code (UDC), a variance is required.

This variance is a discretionary decision for the Planning and Zoning Commission and requires approval by a ¾ majority. In the event that the variance is denied, the applicant has the ability to appeal the Planning and Zoning Commission's decision to the City Council by filing a written request with the Planning and Zoning Department.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

The OurHometown Vision 2040 Comprehensive Plan identifies the subject property as being situated in the South Lakeshore District. The South Lakeshore District is an established district that is significantly developed with medium-density, suburban housing and many of the subdivisions are not anticipated to change. Since the South Lakeshore District is nearing its buildout capacity, it is anticipated that infill development will consist of residential development that should be compatible with the surrounding neighborhoods. Commercial development is anticipated to consist of neighborhood/convenience centers that are compatible in scale with the adjacent residential properties. In this case, the proposed house of worship/retail shopping center appears to be a similar design and scale of shopping centers within the district.

## ARCHITECTURAL REVIEW BOARD (ARB):

On June 11, 2019, the Architectural Review Board (ARB) reviewed the proposed building elevations and passed a motion to recommend approval by a vote of 6-0 with Board Member Neill absent.

## CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request, then staff would propose the following conditions of approval:

(1) The developer shall plant a thick vegetative screening consisting of a combination of bushes, grasses, and/or mature trees adjacent to the northwest property line;

(2) The applicant shall provide an updated landscape plan showing the proposed wrought-iron fence and a thick vegetative screen consisting of a combination of mature trees and shrubs.

(3) Any construction resulting from the approval of this site plan shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

SP2019-014 Site Plan for Retail Shopping Center and House of Worship: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

1. This is a request by Ahmed Helaluzzaman on behalf of Abdul Latif Khan of Center for Peace and Mercy, Inc. for the approval of a site plan for a retail shopping center and house of worship on a 2.681-acre tract of land identified as Tract 10-1 & 22 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located on the north side of Turtle Cove Boulevard north of the intersection of Turtle Cove Boulevard and Ridge Road [FM-740].
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-014) in the lower right hand corner of all pages on future submittals.
4. Sheet No. A001—This sheet is not reviewed—For reference only. Please incorporate Legend and Contact Information on remaining drawings (if not provided).
5. Please provide Site Data Table (named Project Data Table on the sheet) on all sheets. Please add parking data and the breakdown of worship/retail SF from Code Table. Also provide pervious vs. imperious SF and percentage. Please add lot coverage SF and %. Please add zoning district and overlay district. Please add % of required landscaping and % of provided.
6. Sheet No. A101—This sheet doesn't seem to be necessary. The site plan on sheet C1 is the type of site plan that is needed. Please transfer site data table to remaining sheets.
7. Sheet C-1—Please note that in overlay district the dumpster screening is 8-feet, materials matching the main structure, with self-latching opaque gate.
8. Sheet C-1—There is a large amount of information on this sheet. Please greyscale topo and utilities.
9. Sheet C-1—Since there is large amount of lines on this page, could the firelane change from a hatch pattern to a solid grey? Show any remaining pavement, including sidewalks as a different shade of grey.
10. Sheet C-1—There is a reference to a "water easement by this plat" on the building footprint. Please remove along with any other plat references (e.g. the references to state plane coordinates). The plat will be taken care of at a later time.
11. Sheet C-1—Please use varying line weights and types to provide clearer differentiation. Also provide those changes in the legend. There are several items that use the same linetype.
12. Sheet C-1—Please show all proposed easements and extend of detention.
13. Sheet C-1—Please greyscale information on adjacent sites (i.e. any information that is not on your lots).
14. Sheet C-1—Please remove water meter schedule.
15. Sheet C-1—Please note that parking is 9x20.
16. Sheet C-1—Please revise access easements to "Public Access" instead of "Mutual"
17. Sheet C-1—Please remove symbols for IRF/similar
18. Sheet C-1—Please show division of worship area vs retail.
19. Sheet C-1—The parking close to the RR and Turtle Cove is dead end and will probably need a turnaround to allow vehicles to back out of the space.
20. Sheet C-1—No parking space shall be more than 80-feet from a canopy tree.
21. Sheet C-1—The site plan shows three or four thick grey lines that are not labeled. Some are adjacent to the property line and one is adjacent to Turtle Cove. What are these lines? Also there are several lines in the ROW that are not labeled. Please try to label all lines.
22. Sheet C-1—Will the two lots be combined?
23. Sheet C-1—What are the two pie shaped "parking spaces" near the play area? They cannot be parking spaces; however, I cannot determine what is being shown.
24. Sheet C-1—Please note that the landscape buffer is 20-feet and the building setback is 15-feet.
25. Sheet C-1—Please provide dimensions of all walls.
26. Sheet C-1—Please provide dimensions from building to all property lines.
27. Sheet C-1—Please note that the building does not meet horizontal articulation requirements as drawn and will need a variance. Please review Commercial articulation requirements.

28. Sheet LP.01—please dimension a typical parking space—also as noted, parking must be 9x20.
29. Sheet LP.01—The parking and building can be greyscaled so that the landscape plan focuses on the landscaping.
30. Sheet LP.01—Please note that the landscape buffer is 20-feet and the building setback is 15-feet.
31. Sheet LP.01—Please provide the actual footprint of the building (i.e. show any projections or recesses).
32. Sheet LP.01—Please provide adjacent property information as shown on C-1.
33. Sheet LP.01—Please darken and label property line for subject property.
34. Sheet LP.01—There several dashlines toward the SE of the property that are not labeled. Please label all lines, provide a variety of lineweights/types. A legend can be provided in lieu of labeling each line. As drawn, the utilities and property lines, ROW, etc. have the same line weight and type.
35. Sheet LP.01—There are several dark circles with a line projecting and several open circles. Please label or provide a legend.
36. Sheet LP.01—As on Sheet C-1, please show firelane as a shade of grey and any remaining concrete as a lighter shade of grey. Please use the stippling pattern currently being used on the firelane to show where grass will be.
37. Sheet LP.01—Please add site data table as mentioned above. Some of the needed information is already being provided on the sheet; however, please replace with the same data table so that all sheets have the same data table/same information.
38. Sheet LP.01—Please darken visibility triangles
39. Sheet LP.01—What are the two hatched areas at the end of the parking toward the rear of the building?
40. Sheet LP.01—For consistency purposes, please change title from Planting Plan to “Landscape/Treescape Plan”
41. Sheet LP.01—Please note that the min caliper inch for trees is 4-inches.
42. Sheet LP.01—Please note that headlight screening may be required along the property line adjacent to the RR.
43. Sheet ESP—Please removed the details of the light pole. Just show the pole from the ground up and provide height.
44. Sheet ESP—The Electrical Notes may not be necessary on the photometric plan; those notes seem to be needed later when the building permit is being requested. Please note that this is a “Photometric Plan” instead of an Electrical Site Plan.
45. Sheet ESP—Please label adjacent properties as shown on Sheet C-1.
46. Sheet ESP—Please remove building footprints from adjacent properties.
47. Sheet ESP—Please label “Future Development” phase.
48. Sheet ESP—Please provide a combination of lineweights and types to differentiate between the subject property and the adjacent properties. Please label property line of subject property.
49. Sheet ESP—please show the site (i.e. parking building, etc) as the same shade but please greyscale. In addition, please provide a larger, darker font for FC grid.
50. Sheet ESP—Please note, the light intensity at the property line shall be no greater that 0.2 FC. Please check photometric plan and ensure compliance.
51. Sheet ESP—Please note that all fixtures shall be fully shielded and pointed downward.
52. Sheet ESP—Please provide graphic and numeric scale, north arrow and vicinity map.
53. Sheet ESP—Please see above for the correct LS buffer and setback.
54. Sheet ESP—Please note that no light pole shall exceed 20-feet
55. Sheet ESP—Please provide cut sheets for fixtures.
56. Sheet A501—Please remove all signage.
57. Sheet A501—Please add cardinal direction to all elevation.
58. Sheet A501—Please provide height of “tower element” closest to the building material percentage on elevation 2 and the element directly below on elevation 1.
59. Sheet A501—Please provide site data table.60. Sheet A501—Are the tower elements flush with the façade or do they project?
61. Sheet A501—Please note, as shown, the building elevations will require a variance to 4-sided architecture, and vertical and horizontal articulation.
62. Sheet A501—Please note that all buildings shall be architecturally finished on all 4 sides with the same elements and materials.
63. Sheet A501—Please note that elevation 1 exceeds the max of 10% EIFS—this will require a variance.
64. Sheet A501—Please label the material above the window as provide type of material for awnings.
65. Sheet A501—Please provide elevation of dumpster enclosure.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

66. Sheet A501—Please dash-in all rooftop equipment and provide information on how it will be screened.
67. Please label at least one set of light fixtures on each of the elevations.
68. Sheet A501—What material is the small squares on the building elevations?
69. Sheet A501—is the stone a natural stone?
70. Sheet A502—Please note that the two elevations are labeled the same as the elevations on A501.
71. Sheet A502—Please see comments from A501
72. Sheet A502—Please note that as drawn, the rear elevation will need several variances: vertical and horizontal articulation, 4 sided architecture, 20% stone requirement.
73. Sheet A502—There are three vertical lines drawn between the doors. What are these lines?
74. Sheet A502—Please label the element directly on top of the brick.
75. Sheet A502—Please note, the back of the parapets is visible. The back of the parapets will need to be finished and revised so that it is not a flat parapet (i.e. it will need to look like a "box" rather than a "panel"
76. Sheet A502—Please provide a perspective drawing.
77. Sheet A201—Please note that this sheet is for reference and was not reviewed or approved. That will be taken care of at time of Building Permit submission.
78. The Architectural Review Board (ARB) meeting for this case will be held on May 28, 2019 at 5:00 p.m.
79. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on June 4, 2019. The Planning and Zoning Worksession for this case will be May 28, 2019, at 6:00 p.m. The Planning and Zoning Meeting will be June 11, 2019

|---|---|---|---|---|---|---|---|

1. Please ensure that nothing encroaches the landscape buffer
2. Please note, the parking for retail is 1:250
3. Please show and label the rear setback.
4. Please note that proposed metal fence does not meet the screening requirements and will require a special exception. Typically wrought iron with landscaping is utilized.

a. Sec. 5.6. - Screening from residential uses.

b. A. Any commercial or industrial use or parking lot that has a side or rear contiguous to any residential district, or any multi-family use with more than five dwelling units or parking lot that has a side or rear contiguous to any single-family, townhouse, or duplex district, shall be screened with a masonry fence (tilt wall or concrete block are prohibited; however, precast walls may be approved by the planning and zoning commission), six feet in height. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the planning and zoning commission determines that the proposed alternative will provide sufficient screening. The screen shall be located no closer to the street than the property line. Any ordinances concerning sight obstructions of intersections shall be applicable to the screen where it is intersected by a street or driveway. B. Prior to construction of any required screens, complete plans showing type of material, depth of beam, and structural support shall be analyzed by the building permit office to determine whether or not: 1. The screen will withstand the pressures of time and nature; 2. The screen adequately accomplishes the purpose for which it was intended; 3. Plans shall be sealed by a registered engineer or they shall conform to the city's standard design for screening walls. C. Such screen shall be constructed prior to the issuance of a certificate of occupancy for any building or portion thereof. D. The areas adjacent to the required screening wall,or areas adjacent to a public street or right-of-way, shall be maintained by the property owner in a clean and orderly condition, free of debris and trash in accordance with the applicable codes of the city.

5. Please note that it is difficult to see the grid on the photometric plan.
6. Treescape Plan—Your treescape plan shows 4 trees being saved; however, the tree listing only shows 1tree.
7. Please note the requirements for the landscape buffer

a. All landscape buffers shall incorporate ground cover, a built-up berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, two (2) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage along the Primary Roadway

b. All canopy trees, accent trees, shrubs and ground cover proposed to be planted in any overlay district shall be in conformance to the tables depicted in Appendix F, Landscaping Guidelines and Requirements, of this Unified Development Code (UDC) and shall be subject to the following sizes: a. Canopy Trees shall be a minimum of four (4) caliper inches at DBH. b. Accent Trees shall be a minimum of four (4) feet in total height. c. Deciduous Shrubs shall be a minimum of two (2) gallons in size. d. Evergreen Shrubs shall be a minimum of two (2) gallons in size.

8. Please note, this will need to be sod instead of hydromulch.
9. A variance to the pitched roof requirement is being requested.

SP2019-014 - SITE PLAN FOR RETAIL/HOUSE OF WORSHIP

Considerations:

- Lighting placed upon all sides of the exterior the buildings, entry ways and especially controlled access gate entrances. This should illuminate and eliminate shadows, dark areas and hiding spots. Lighting set by City Code, LEDs are preferred.

- Place high resolution cameras on corners of building, controlled access gate entrances, door entrances into buildings and common areas inside the business.

- If case is kept on sights, consider a safe room that contains a money safe with an hardened outward opening door with deadbolt and key control. Consider an internal distress alarm for the sale and limited access by management.

- UL appropriate safe (Money vs. Fire)

- Consider bollards with appropriate a at soft access points

- Consider mirror(s) corners and enclosed areas to reveal anyone that might be present (suspect)

I'm available to speak with or make recommendations on this projects. Please do hesitate to contact me for any assistance.

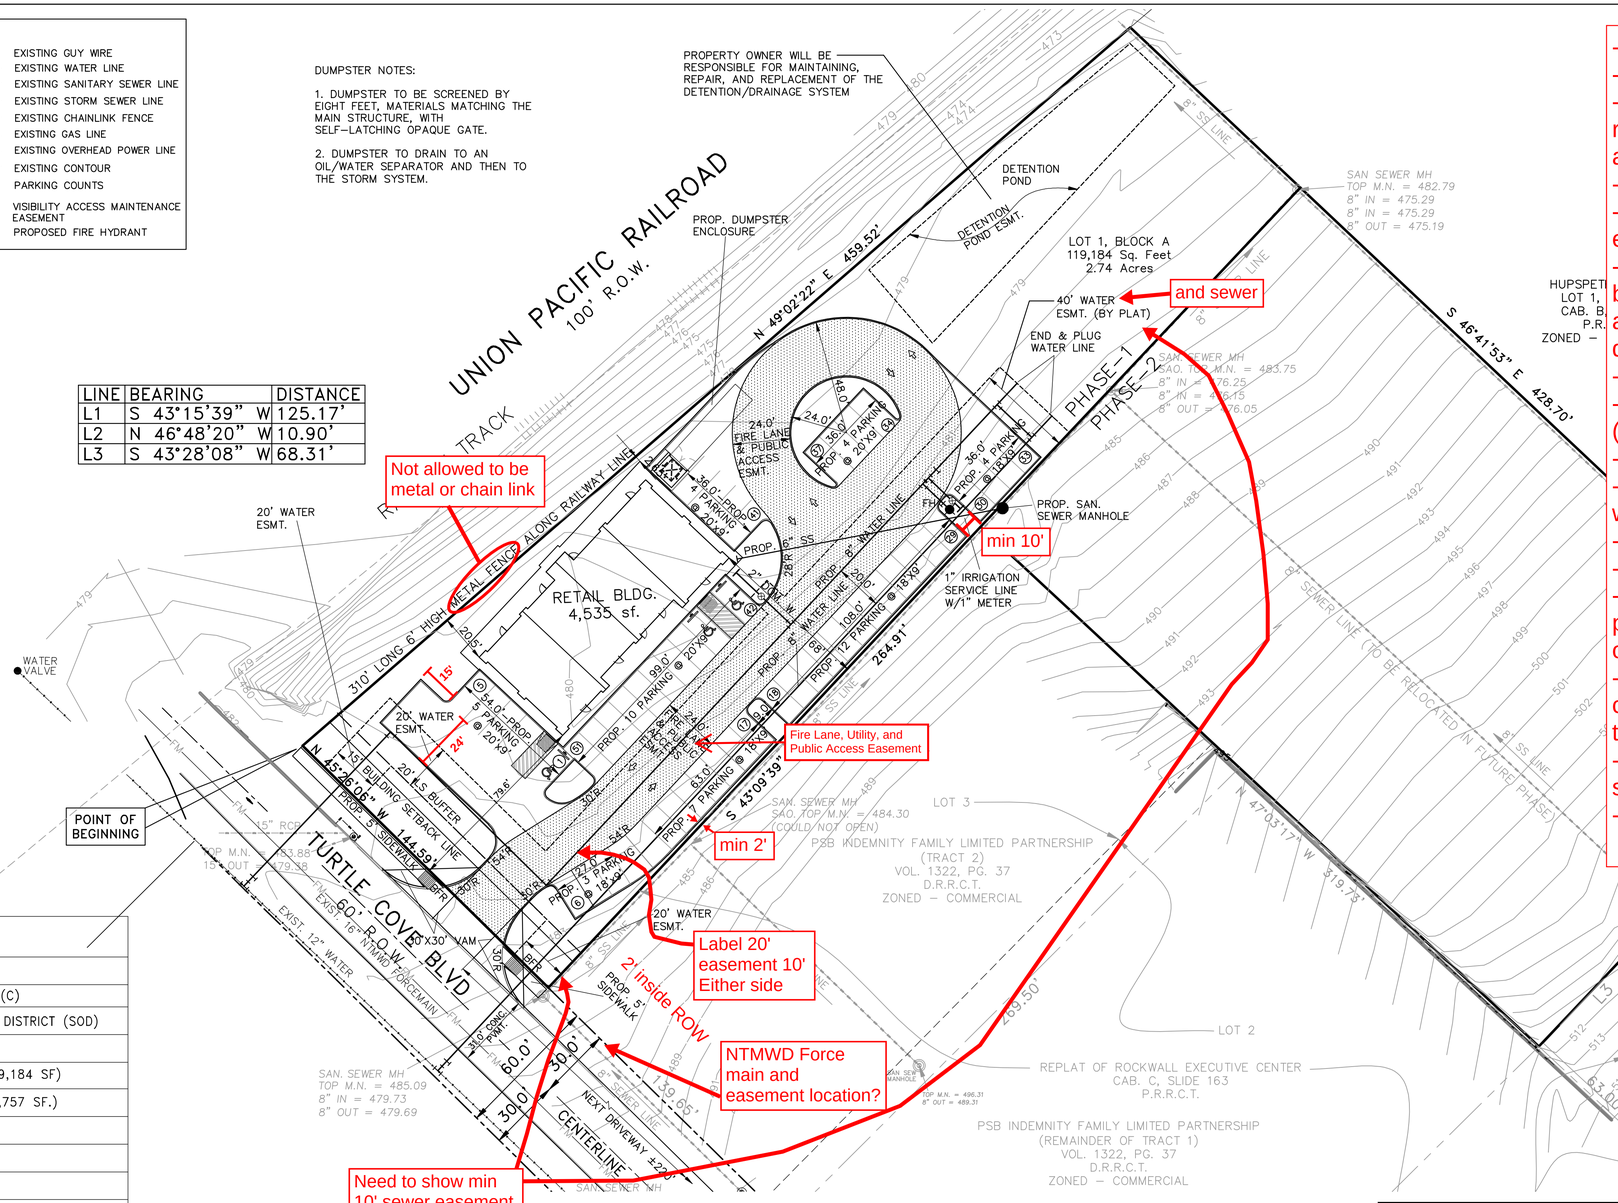
DUMPSTER NOTES:



1. DUMPSTER TO BE SCREENED BY EIGHT FEET, MATERIALS MATCHING THE MAIN STRUCTURE, WITH SELF-LATCHING OPAQUE GATE.

2. DUMPSTER TO DRAIN TO AN OIL/WATER SEPARATOR AND THEN TO THE STORM SYSTEM.

**VICINITY MAP**
**N.T.S**

| LINE | BEARING | DISTANCE |
|---|---|---|
| L1 | S 43°15'39" W | 125.17' |
| L2 | N 46°48'20" W | 10.90' |
| L3 | S 43°28'08" W | 68.31' |

- 4% Engineering Inspection Fees
- Impact Fees
- Drainage release into railroad right-of-way will require railroad approval
- Detention is required
- No utilities allowed in detention easement
- Add note that the property owner will be responsible for maintaining, repair, and replacement of the detention/drainage systems
- Minimum utility easement width is 20'
- Label distances between driveways (measured from edge to edge)
- All parking to be 20'x9'
- All drive aisles to be a minimum of 24' wide
- No structures in easements
- Max slope is 4:1
- Must loop an 8" water line to take fire protection, water service, and irrigation off of.
- Must have an oil/water separator that collects the dumpster runoff and drains to the storm lines.
- Assembly use may require fire sprinkler. Check with fire department.
- Must meet all engineering standards

## PLANTING NOTES

1. USE 3"W" STEEL EDGING (PAINTED GREEN).
2. USE 4" "GOOD EARTH" OR EQUIVALENT PLANTING MIX FOR BED PREPARATIONS. ROTOTILL BED MIX TO THE DEPTH OF 12" MINIMUM.
3. ALL THE LAWN AREAS TO BE HYDROMULCHED BERMUDA GRASS. REPLACE ALL THE DAMAGED EXISTING LAWN AREAS AS NEEDED.
4. TOP DRESS ALL THE PLANTING BED AREAS WITH 3" DEEP HARD WOOD MULCH, AFTER PLANTING OPERATIONS.
5. THE SITE WILL BE IRRIGATED WITH BELLOW GRADE AUTOMATIC IRRIGATION SYSTEM WITH FREEZE SENSOR, THAT IS CAPABLE OF PROVIDING THE PROPER AMOUNT OF WATER FOR PARTICULAR TYPE OF PLANT MATERIAL USED.

## landscape area

SITE AREA . PHASE 1 : 55,757 SF. ( 1.278 AC. )

LANDSCAPE AREA REQUIRED : 15 % ( 8,364 SF. )
PROVIDED : 44.8 % ( 24,908 SF. )

M. ROC.

| QTY | COMMON NAME | SCIENTIFIC NAME | SIZE | REMARKS |
|---|---|---|---|---|
| **TREES** | | | | |
| 5 | Texas Red Oak | Quercus shumardii "Texana" | 4" Caliper10-12' ht., 6-7' sp.,straight trunk, full, matching | |
| 6 | Lacebark Elm | Ulmus parvifolia | 4" Caliper 10-12' ht., 5-6' sp., full, matching | |
| 4 | Live Oak | Quercus virginiana | 4" Caliper10-12' ht., 5-6' sp., full, matching | |
| **SHRUBS & VINES** | | | | |
| 30 | NRS. Holly | Ilex x.Nelie R.Stevens | 7 gal. | full pot, well rooted. 4' O.C. |
| 24 | Abelia | Abelia grandiflora | 5 gal.30"-34" ht., 18-24" sp., full pot, well rooted; 36" O.C. | |
| 13 | Dwf. Burford Holly | Ilex cornuta burfordi "Nana" | 5 gal. 24"- 28" ht., 18-24" sp.,full pot, well rooted. 36" O.C. | |
| 11 | Cross Vine | Bignonia capriolata | 3 gal. full pot, well rooted, staked to fence. | |
| **GROUNDCOVERS, & LAWN** | | | | |
| | Bermudagrass | Cynodon dacctyion | Hydromulched | |

## PLANTING NOTES

1. USE 3"W" STEEL EDGING (PAINTED GREEN).
2. USE 4" "GOOD EARTH" OR EQUIVALENT PLANTING MIX FOR BED PREPARATIONS. ROTOTILL BED MIX TO THE DEPTH OF 12" MINIMUM.
3. ALL THE LAWN AREAS TO BE HYDROMULCHED BERMUDA GRASS. REPLACE ALL THE DAMAGED EXISTING LAWN AREAS AS NEEDED.
4. TOP DRESS ALL THE PLANTING BED AREAS WITH 3" DEEP HARD WOOD MULCH, AFTER PLANTING OPERATIONS.
5. THE SITE WILL BE IRRIGATED WITH BELLOW GRADE AUTOMATIC IRRIGATION SYSTEM WITH FREEZE SENSOR, THAT IS CAPABLE OF PROVIDING THE PROPER AMOUNT OF WATER FOR PARTICULAR TYPE OF PLANT MATERIAL USED.

PLANNING AND ZONING COMMISSION MEMORANDUM

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | David Gonzales, *Planning and Zoning Manager* |
| **DATE:** | June 25, 2019 |
| **SUBJECT:** | MIS2019-005; *Alternative Tree Mitigation Settlement Agreement* |

The applicant, John Delin of R. W. Ladera, LLC, is requesting an *Alternative Tree Mitigation Settlement Agreement* in conjunction with the Ladera of Rockwall Addition for the purpose of offsetting a portion of the required tree mitigation. Specifically, the applicant is requesting relief associated with the trees (*i.e. 699.5-caliper inches of trees*) that will be removed to construct an off-site, 12-inch sanitary sewer line that will serve the development. On June 26, 2018, the Planning and Zoning Commission approved an amended treescape plan allowing for the removal of an additional 977.75-caliper inches that were associated with the construction of this sanitary sewer line. This approval brought the total mitigation balance due to 1,443.25 caliper-inches. On March 12, 2019, a revised treescape plan was submitted with the final plat application [*Case No. P2019-010*] indicating the need for the removal of an additional 283.5-caliper inches of tree to allow the installation of the 12-inch sanitary sewer line. This increased the total mitigation balance due to 1,726.75-caliper inches. Currently, the applicant's approved mitigation plan calls for providing all 1,726.75-caliper inches on-site.

The applicant's proposal requests that the City Council consider one (1) of the two (2) following alternatives:

1. The City Council waive the 699.5-caliper inches associated with the offsite installation of the 12-inch sanitary sewer line; or,
2. The City Council consider reducing the tree mitigation balance associated with the off-site improvements by ½ the amount (*i.e. 349.75-caliper inches*). This balance would then be donated to the Parks Department to save the applicant the expense of planting and caring for the trees on-site.

If the City Council does not approve one (1) of the two (2) alternatives, the applicant has stated that they intend to provide the full balance to the Parks Department to be used in other areas of the City. According to *Section 7*, *Alternative Tree Mitigation Settlement Agreement*, of *Article X*, of the *Unified Development Code* (UDC), the City Council -- *upon recommendation from the Planning and Zoning Commission* -- may consider an *Alternative Tree Mitigation Settlement Agreement* where, due to hardship, the applicant is unable to meet the requirements of this article or where it is determined that adherence to the tree mitigation requirements will create a hardship for an applicant.

Attached to this memo is the applicant's letter requesting the alternatives and an exhibit indicating the tree's that will be required to be removed with the 12-inch sanitary sewer line. Should the Planning and Zoning Commission have any questions staff will be available at the *June 25, 2019* meeting.

Consider a request by Mike Samples for the approval of a final plat for Lot11, Block A, 205 Business Park Addition being a 1.50-acre tract of land identified as Tract 2-16 of the J. R. Johnson Survey, Abstract No. 128, City of Rockwall, Rockwall County, Texas, zoned Heavy Commercial (HC) District, addressed as 125 National Drive, and take any action necessary.

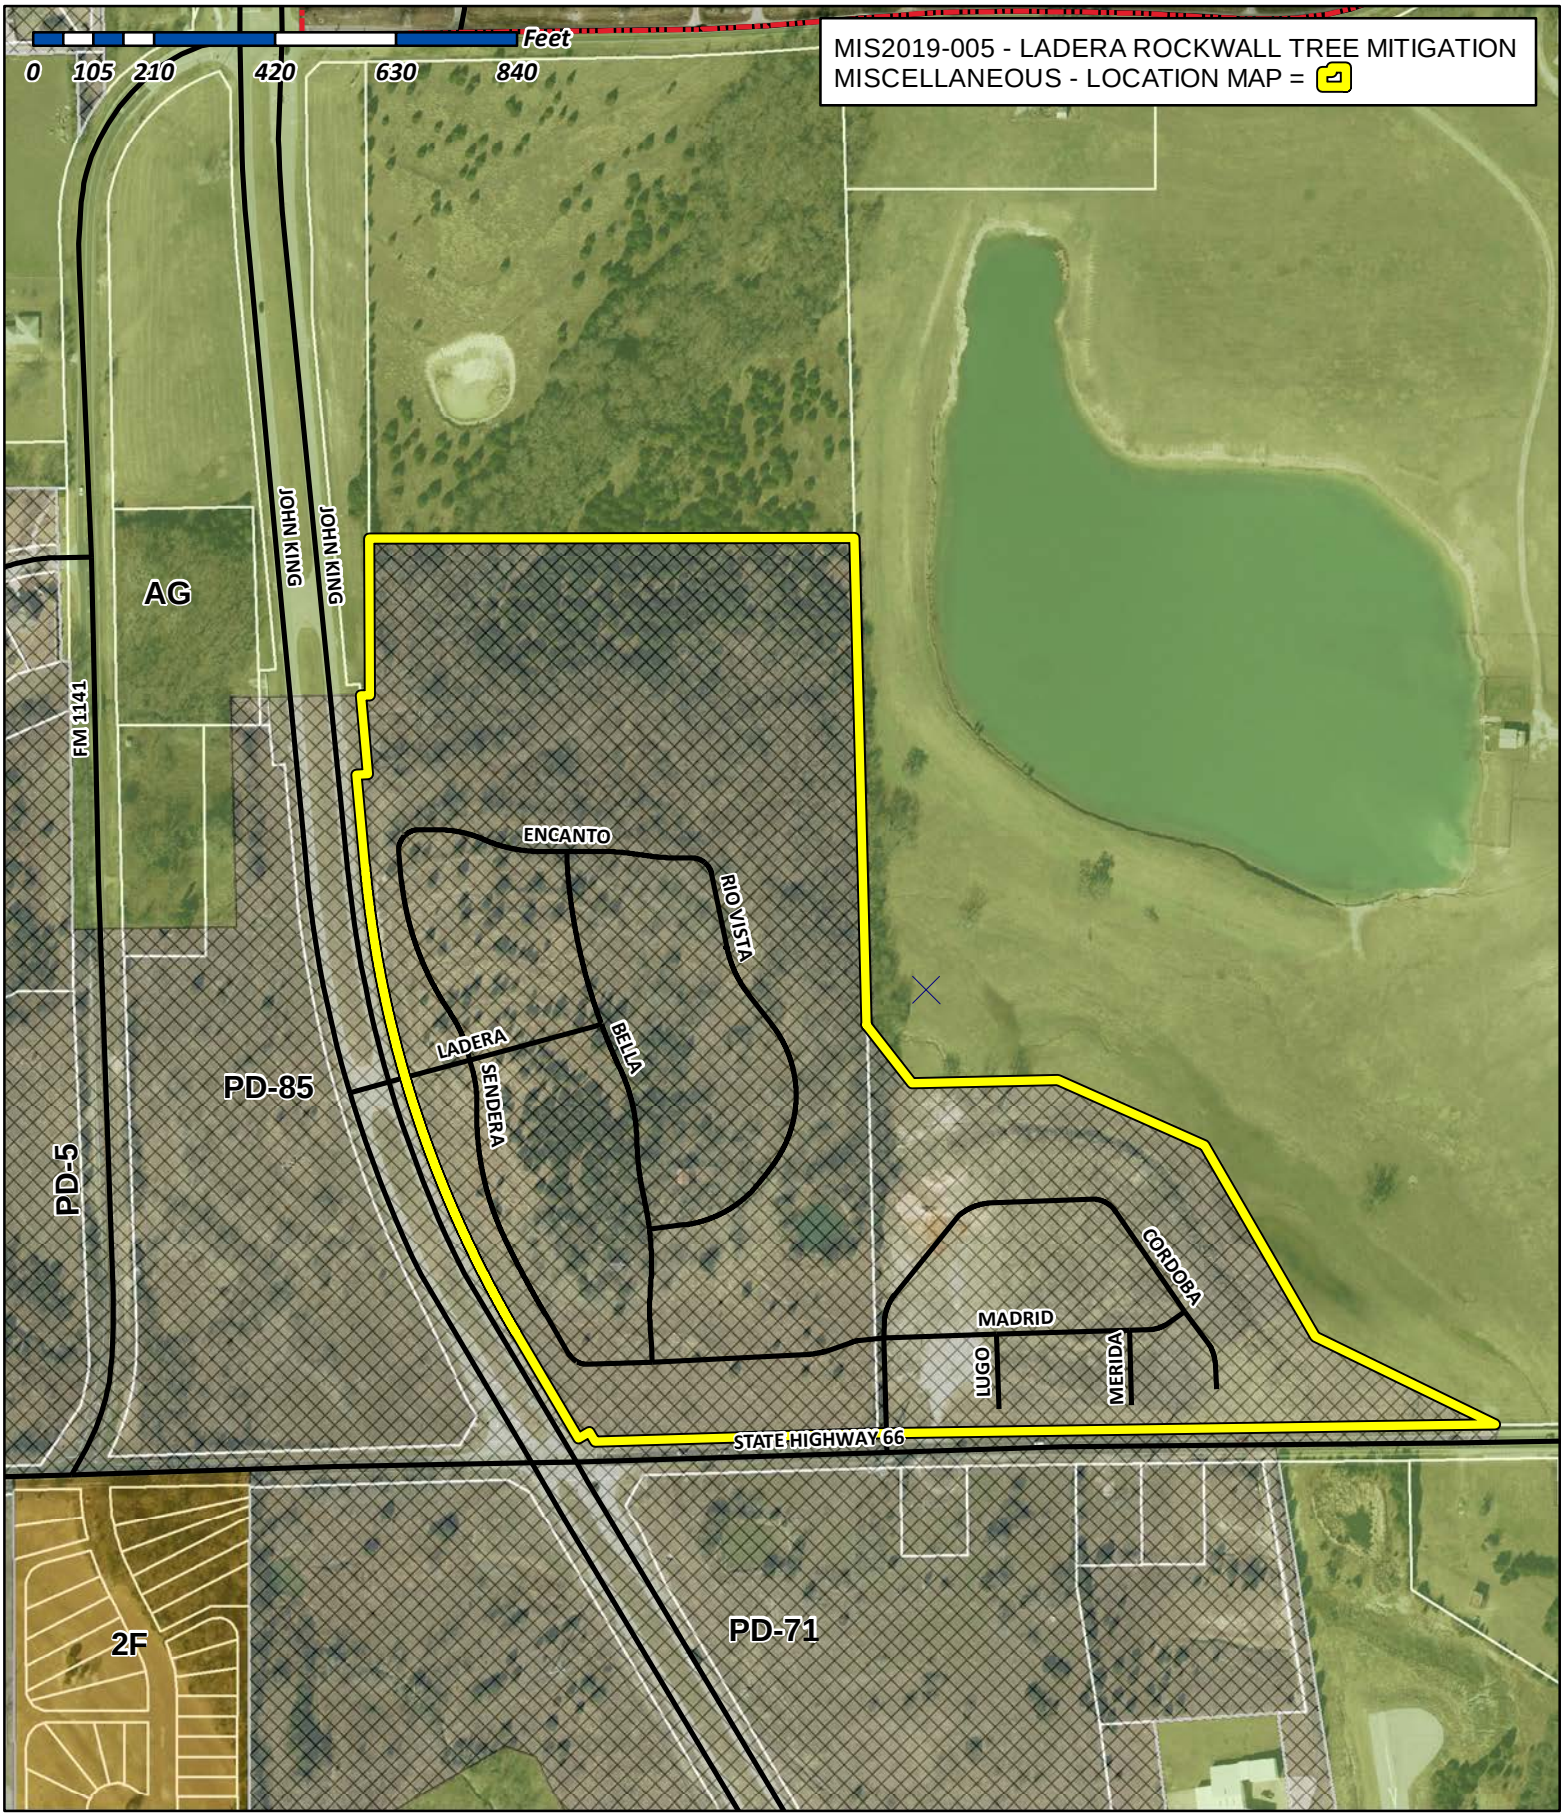
The following staff comments are to be addressed and resubmitted no later than Tuesday May 7, 2019. Please provide one (1) large copy [24" X 36" FOLDED] and one PDF version for a final review by staff:

** Planning Department General Comments to be addressed:

The following staff comments are to be addressed and resubmitted no later than Tuesday May 7, 2019. Please provide one (1) large copy [24" X 36" FOLDED] and one PDF version for a final review by staff:

** Planning Department General Comments to be addressed:

1. The final plat shall conform to all standards and requirements of the Unified Development Code(UDC), the staff comments provided by the Planning, Engineering, Building Inspections, and Fire Department as indicated in the Project Plan Review document.
2. Provide a label indicating "Case No. P2019-019" on the lower right corner on all pages of the revised final plat.
3. Correct Title Block to read as follows:
Final Plat
Lot 11, Block A, 205 Business Park Addition
being 1-Lot containg 1.50-acres or 65,338 SF
Identifed as Tract 2-15 of the J.R. Johnson Survey, Abstract 128
An Addition to the City of Rockwall, Rockwall County, Texas



** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions are to be approved (by staff) prior to the plat being submitted on mylar for filing. **

** Although on this case is on the Consent Agenda, staff would recommend that you and/or your representative(s) are in attendance for this request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Consent Agenda: April 30, 2019 (Tuesday at 6:00 p.m.)

City Council - Consent Agenda: May 6, 2019 (Monday at 6:00 p.m.)

Subject: Request for Hearing on Tree Mitigation

Ryan,

Per our phone call earlier, we are submitting a request to have a hearing on the Tree Mitigation associated with our Ladera Rockwall project, *only* in reference to the Offsite Utilities portion of the project.

As you know we are installing $500,000 for water & sewer expansion for the City which will feed future growth and unfortunately receive no Pro-rata return for this work. Additionally we are faced with almost 500 inches of tree mitigation for areas which there is considerable tree growth anyway. We would propose;

1. A waiver of the Mitigation in Total for the Offsite Utility portion of the project or,
2. Reduce by ½ the amount to be Mitigated and provide the balance as a donation to the City for its use, without us expensing the cost for labor for planting and care.
3. Provide the appropriate number of inches in a donation to the City for use in other areas, without us expensing the cost for labor for planting and care.

Let me know if we can get this on the agenda.

Best,

**John Delin**

(6/21/2019 10:00 AM SH)
- Fire lane radius is minimum of 20'. If the building is more than 36' tall, then the radius must be 30' minimum.
- All additional parking to be 20'x9'.
- The as-built plans show a curb inlet where you are proposing a parking island. This location may conflict with the plan.
- How are you getting water and sewer to the new guard shack?
- No storage in easements.

The following items are for your information for engineering design.
- Need to show TXDOT Row for John King
- Must show existing/proposed utilities
- 4% Engineering fees
- Impact fees for new taps
- Walls 3' and over must be engineered.
- All retaining walls to be rock or stone face. No smooth concrete walls.
- 20'x9' parking
- 20' R min for fire lane
- No storage on any easements
- Need to show ex. easements
- Must meet all City Standards of Design and Construction.

Discuss and consider a request by Mark W. Pross of Pross Design Group, Inc. on behalf of Alton Frazier of Channell Commercial Corporation for the approval of an amended site plan for an existing industrial building on an 18.762-acre parcel of land identified as Lot 2, Block A, Channell Subdivision Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, addressed as 1700 John King Boulevard, and take any action necessary.

PLANNING AND ZONING 1ST ROUND STAFF COMMENTS (06.20.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday July 2, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans, and Final Plat prior to issuance of a Certificate of Occupancy (CO).
3. Label all revised site plan documents with "Case No. SP2019-021" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. Screening fence - existing chain link screening fence to be upgraded to meet code requirement for screeening fence Sec. 5.6, of Art. V, of the UDC requires screening fences to be constructed with a masonry fence, minimum six (6)-feet in height. As an alternative, berms in conjunction with a minimum of a six-foot wrought fence and a combination of trees and shrubs can be utilized to meet the screening requirements if the planning and zoning commission determines that the proposed alternative will provide sufficient screening.

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Delineate, label and hatch all proposed storage areas. Provide detail of screening mechanism. What is the total square footage of outside storage?
2. Under symbology, define 'work area'. The UDC requires all work areas to be within a completely enclosed building. Update Symbology legend.
3. What is happening with the areas shaded in gray on the east side of the building that faces John King Blvd? Will parking be eliminated? Are these outdoor work areas?
4. Move label with arrows indicating "Storage" from the drive aisle along the northern portion of the property and define the storage areas.
5. Remove the label indicating "new 2 story office expansion." This will require submittal and approval of a separate building permit.
6. Remove label indicating 24-ft firelane along the western portion of building as this is currently under request to abandon the firelane.
7. Ghost in all areas indicating "Future" (i.e. building, shelter, restrooms, parking, etc.).
8. Provide elevations for guard shack. Materials to match existing (i.e. masonry structure).

Landscape Plan:
1. Landscaping to be installed as defined on the approved landscape plan [SP2014-011] subfmitted in June 2014.
2. Proposed storage areas along Justin Road and the area located on the western portion of the building where the rail spur tracks are located are to be screened meeting the requirements of Sec. 5.6, of Article V, of the UDC as indicated above.

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: June 25, 2019 (6:00p.m.) [Applicant to present/discuss project]

Planning - Action: July 9, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

- Need to show TXDOT Row for John King
- Must show existing/proposed utilities
- 4% Engineering fees
- Impact fees for new taps
- Walls 3' and over must be engineered.
- All retaining walls to be rock or stone face. No smooth concrete walls.
- 20'x9' parking
- 20' R min for fire lane
- No storage on any easements
- Need to show ex. easements
- Must meet all City Standards of Design and Construction.

## TREE PRESERVATION NOTES

1. EXISTING TREES TO REMAIN SHALL BE PROTECTED DURING CONSTRUCTION FROM TREE STRUCTURE DAMAGE AND COMPACTION OF SOIL UNDER AND AROUND DRIP LINE (CANOPY) OF TREE.
2. IF ANY ROOT STRUCTURE IS DAMAGED DURING ADJACENT EXCAVATION / CONSTRUCTION, NOTIFY OWNER'S AUTHORIZED REPRESENTATIVE IMMEDIATELY. IT IS RECOMMENDED THAT A LICENSED ARBORIST BE SECURED FOR THE TREATMENT OF ANY POSSIBLE TREE WOUNDS.
3. NO DISTURBANCE OF THE SOIL GREATER THAN 4" SHALL BE LOCATED CLOSER TO THE TREE TRUNK THAN 1/2 THE DISTANCE OF THE DRIP LINE TO THE TREE TRUNK. A MINIMUM OF 75% OF THE DRIP LINE AND ROOT ZONE SHALL BE PRESERVED AT NATURAL GRADE.
4. ANY FINE GRADING DONE WITHIN THE CRITICAL ROOT ZONES OF THE PROTECTED TREES MUST BE DONE WITH LIGHT MACHINERY SUCH AS A BOBCAT OR LIGHT TRACTOR. NO EARTH MOVING EQUIPMENT WITH TRACKS IS ALLOWED WITHIN THE CRITICAL ROOT ZONE OF THE TREES.
5. NO MATERIALS INTENDED FOR USE IN CONSTRUCTION OR WASTE MATERIALS ACCUMULATED DUE TO EXCAVATION OR DEMOLITION SHALL BE PLACED WITHIN THE LIMITS OF THE DRIP LINE OF ANY TREE.
6. NO EQUIPMENT MAY BE CLEANED OR TOXIC SOLUTIONS, OR OTHER LIQUID CHEMICALS, SHALL BE DEPOSITED WITHIN THE LIMITS OF THE DRIP LINE OF A TREE, INCLUDING BUT NOT LIMITED TO: PAINT, OIL, SOLVENTS, ASPHALT, CONCRETE, MORTAR, PRIMERS, ETC.
7. NO SIGNS, WIRES OR OTHER ATTACHMENTS, OTHER THAN THOSE OF A PROTECTIVE NATURE, SHALL BE ATTACHED TO ANY TREE.
8. NO VEHICULAR / CONSTRUCTION EQUIPMENT TRAFFIC OR PARKING IS ALLOWED WITHIN THE LIMITS OF THE DRIP LINE OF TREES.
9. BORING OF UTILITIES MAY BE PERMITTED UNDER PROTECTED TREES IN CERTAIN CIRCUMSTANCES. THE MINIMUM LENGTH OF THE BORE SHALL BE THE WIDTH OF THE TREE'S CANOPY AND SHALL BE A MINIMUM DEPTH OF FORTY-EIGHT (48") INCHES.
10. IRRIGATION TRENCHING WHICH MUST BE DONE WITHIN THE CRITICAL ROOT ZONE OF A TREE SHALL BE DUG BY HAND AND ENTER THE AREA IN A RADIAL MANNER.
11. ALL TREES TO BE REMOVED FROM THE SITE SHALL BE FLAGGED BY THE CONTRACTOR WITH BRIGHT RED VINYL TAPE (3" WIDTH) WRAPPED AROUND THE MAIN TRUNK AT A HEIGHT OF FOUR (4') FEET ABOVE GRADE. FLAGGING SHALL BE APPROVED BY OWNER'S AUTHORIZED REPRESENTATIVE PRIOR TO ANY TREE REMOVAL. CONTRACTOR SHALL CONTACT OWNER'S AUTHORIZED REPRESENTATIVE WITH 72 HOURS NOTICE TO SCHEDULE ON-SITE MEETING.
12. ALL TREES TO REMAIN, AS NOTED ON DRAWINGS, SHALL HAVE PROTECTIVE FENCING LOCATED AT THE TREE'S DRIP LINE. THE PROTECTIVE FENCING MAY BE COMPRISED OF SNOW FENCING, ORANGE VINYL CONSTRUCTION FENCING, CHAIN LINK FENCE OR OTHER SIMILAR FENCING WITH A FOUR (4') FOOT APPROXIMATE HEIGHT. THE PROTECTIVE FENCING SHALL BE LOCATED AS INDICATED ON THE TREE PROTECTION DETAIL.
13. WHEN A LOW HANGING LIMB IS BROKEN DURING THE COURSE OF CONSTRUCTION, THE CONTRACTOR SHALL NOTIFY THE OWNER'S AUTHORIZED REPRESENTATIVE IMMEDIATELY. UNDER NO CIRCUMSTANCE SHALL THE CONTRACTOR PRUNE ANY PORTION OF THE DAMAGED TREE WITHOUT THE PRIOR APPROVAL BY THE OWNER'S AUTHORIZED REPRESENTATIVE.

| | *Cynodon dactylon* | Common Bermudagrass | | | refer to notes |

NOTE: ALL TREES SHALL HAVE STRAIGHT TRUNKS AND BE MATCHING WITHIN VARIETIES.
PLANT LIST IS AN AID TO BIDDERS ONLY. CONTRACTOR SHALL VERIFY ALL QUANTITIES ON PLAN.
ALL HEIGHTS AND SPREADS ARE MINIMUMS. ALL PLANT MATERIAL SHALL MEET OR EXCEED REMARKS AS INDICATED.

## LANDSCAPE NOTES

1. CONTRACTOR SHALL VERIFY ALL EXISTING AND PROPOSED SITE ELEMENTS AND NOTIFY LANDSCAPE ARCHITECT OF ANY DISCREPANCIES. SURVEY DATA OF EXISTING CONDITIONS WAS SUPPLIED BY OTHERS.
2. CONTRACTOR SHALL LOCATE ALL EXISTING UNDERGROUND UTILITIES AND NOTIFY LANDSCAPE ARCHITECT OF ANY CONFLICTS. CONTRACTOR SHALL EXERCISE CAUTION WHEN WORKING IN THE VICINITY OF UNDERGROUND UTILITIES.
3. CONTRACTOR SHALL PROVIDE A MINIMUM 2% SLOPE AWAY FROM ALL STRUCTURES.
4. CONTRACTOR SHALL FINE GRADE AREAS TO ACHIEVE FINAL CONTOURS AS INDICATED. LEAVE AREAS TO RECEIVE TOPSOIL 3" BELOW FINAL FINISHED GRADE IN PLANTING AREAS AND 1" BELOW FINAL FINISHED GRADE IN LAWN AREAS.
5. ALL PLANTING BEDS AND LAWN AREAS SHALL BE SEPARATED BY STEEL EDGING. NO STEEL EDGING SHALL BE INSTALLED ADJACENT TO BUILDINGS, WALKS, OR CURBS. CUT STEEL EDGING AT 45 DEGREE ANGLE WHERE IT INTERSECTS WALKS AND CURBS.
6. TOP OF MULCH SHALL BE 1/2" MINIMUM BELOW THE TOP OF WALKS AND CURBS.
7. ALL LAWN AREAS SHALL BE HYDROMULCH BERMUDAGRASS, UNLESS OTHERWISE NOTED ON THE DRAWINGS.
8. ALL REQUIRED LANDSCAPE AREAS SHALL BE PROVIDED WITH AN AUTOMATIC UNDERGROUND IRRIGATION SYSTEM WITH RAIN AND FREEZE SENSORS AND EVAPOTRANSPIRATION (ET) WEATHER-BASED CONTROLLERS AND SAID IRRIGATION SYSTEM SHALL BE DESIGNED BY A QUALIFIED PROFESSIONAL AND INSTALLED BY A LICENSED IRRIGATOR.
9. CONTRACTOR SHALL PROVIDE BID PROPOSAL LISTING UNIT PRICES FOR ALL MATERIAL PROVIDED.
10. CONTRACTOR SHALL BE RESPONSIBLE FOR OBTAINING ALL REQUIRED LANDSCAPE AND IRRIGATION PERMITS.

## MAINTENANCE NOTES

1. THE OWNER, TENANT AND THEIR AGENT, IF ANY, SHALL BE JOINTLY AND SEVERALLY RESPONSIBLE FOR THE MAINTENANCE OF ALL LANDSCAPE.
2. ALL LANDSCAPE SHALL BE MAINTAINED IN A NEAT AND ORDERLY MANNER AT ALL TIMES. THIS SHALL INCLUDE MOWING, EDGING, PRUNING, FERTILIZING, WATERING, WEEDING AND OTHER SUCH ACTIVITIES COMMON TO LANDSCAPE MAINTENANCE.
3. ALL LANDSCAPE AREAS SHALL BE KEPT FREE OF TRASH, LITTER, WEEDS AND OTHER SUCH MATERIAL OR PLANTS NOT PART OF THIS PLAN.
4. ALL PLANT MATERIAL SHALL BE MAINTAINED IN A HEALTHY AND GROWING CONDITION AS IS APPROPRIATE FOR THE SEASON OF THE YEAR.
5. ALL PLANT MATERIAL WHICH DIES SHALL BE REPLACED WITH PLANT MATERIAL OF EQUAL OR BETTER VALUE.
6. CONTRACTOR SHALL PROVIDE SEPARATE BID PROPOSAL FOR ONE YEAR'S MAINTENANCE TO BEGIN AFTER FINAL ACCEPTANCE.

## GENERAL LAWN NOTES

1. CONTRACTOR SHALL COORDINATE OPERATIONS AND AVAILABILITY OF EXISTING TOPSOIL WITH ON-SITE CONSTRUCTION MANAGER.
2. CONTRACTOR SHALL LEAVE LAWN AREAS 1" BELOW FINAL FINISHED GRADE PRIOR TO TOPSOIL INSTALLATION.
3. CONTRACTOR SHALL FINE GRADE AREAS TO ACHIEVE FINAL CONTOURS AS INDICATED ON CIVIL PLANS. ADJUST CONTOURS TO ACHIEVE POSITIVE DRAINAGE AWAY FROM BUILDINGS. PROVIDE UNIFORM ROUNDING AT TOP AND BOTTOM OF SLOPES AND OTHER BREAKS IN GRADE. CORRECT IRREGULARITIES AND AREAS WHERE WATER MAY STAND.
4. ALL LAWN AREAS SHALL BE FINE GRADED, IRRIGATION TRENCHES COMPLETELY SETTLED AND FINISH GRADE APPROVED BY THE OWNER'S CONSTRUCTION MANAGER OR LANDSCAPE ARCHITECT PRIOR TO LAWN INSTALLATION.
5. CONTRACTOR SHALL REMOVE ALL ROCKS 3/4" DIAMETER AND LARGER, DIRT CLODS, STICKS, CONCRETE SPOILS, ETC. PRIOR TO PLACING TOPSOIL AND LAWN INSTALLATION.
6. CONTRACTOR SHALL MAINTAIN ALL LAWN AREAS UNTIL FINAL ACCEPTANCE. THIS SHALL INCLUDE, BUT NOT BE LIMITED TO: MOWING, WATERING, WEEDING, CULTIVATING, CLEANING AND REPLACING DEAD OR BARE AREAS TO KEEP PLANTS IN A VIGOROUS, HEALTHY CONDITION.
7. CONTRACTOR SHALL GUARANTEE ESTABLISHMENT OF ACCEPTABLE TURF AREA AND SHALL PROVIDE REPLACEMENT FROM LOCAL SUPPLY IF NECESSARY.

## HYDROMULCH NOTES

1. CONTRACTOR SHALL SCARIFY, RIP AND LOOSEN ALL AREAS TO BE HYDROMULCHED TO A MINIMUM DEPTH OF 4" PRIOR TO TOPSOIL AND HYDROMULCH INSTALLATION.
2. BERMUDAGRASS SEED SHALL BE EXTRA HULLED AND TREATED LAWN TYPE, SHALL BE DELIVERED TO THE SITE IN ITS ORIGINAL UNOPENED CONTAINER AND SHALL MEET STATE LAW REQUIREMENTS.
3. FIBER SHALL BE ONE HUNDRED PERCENT (100%) WOOD CELLULOSE FIBER, DELIVERED TO THE SITE IN ITS ORIGINAL UNOPENED CONTAINER AS MANUFACTURED BY 'CONWEB' OR EQUAL.
4. FIBER TACK SHALL BE DELIVERED TO THE SITE IN ITS ORIGINAL UNOPENED CONTAINER AND SHALL BE 'TERRO-TACK ONE', AS MANUFACTURED BY GROWERS, INC. OR EQUAL.
5. HYDROMULCH WITH BERMUDAGRASS SEED AT A RATE OF TWO (2) POUNDS PER ONE THOUSAND (1000) SQUARE FEET.
6. USE A 4'X8' BATTER BOARD AGAINST ALL BED AREAS.
7. IF INSTALLATION OCCURS BETWEEN SEPTEMBER 1 AND MAY 1, ALL HYDROMULCH AREAS TO BE WINTER RYEGRASS, AT A RATE OF FOUR (4) POUNDS PER ONE THOUSAND (1000) SQUARE FEET. CONTRACTOR SHALL BE REQUIRED TO RE-HYDROMULCH WITH BERMUDAGRASS THE FOLLOWING GROWING SEASON AS PART OF THIS CONTRACT.
8. ALL LAWN AREAS TO BE HYDROMULCHED SHALL HAVE ONE HUNDRED PERCENT (100%) COVERAGE PRIOR TO FINAL ACCEPTANCE.

## LANDSCAPE TABULATIONS

THE CITY OF ROCKWALL, TEXAS

SITE SUMMARY
Site Area = 18.95 AC; 825,439 s.f.
Impervious Area = 9.64 AC; 419,872 s.f.
Landscape Area = 9.31 AC; 405,567 s.f.
Building Area = 206,024 s.f.

STREET LANDSCAPING
1. 10' wide landscape buffer with one tree per 50 l.f. along Justin Rd.
2. 50' wide landscape buffer with a built-up berm (30"-40" ht.), shrubs or combination along John Kind Boulevard.
3. 3 canopy trees and 4 accent trees per every 100 l.f. along John King Boulevard.

JUSTIN RD. - 1,833 l.f.

| Required | Provided |
|---|---|
| 10' buffer | 10' buffer |
| (37) canopy trees, 4" cal. | (35) trees, 4" cal.<br>(2) existing trees |

JOHN KING PARKWAY - 700 l.f.

| Required | Provided |

**SECTION 32 9300 - LANDSCAPE**

**PART 1 - GENERAL**

1.1 REFERENCED DOCUMENTS

A. Refer to Landscape Plans, notes, details, bidding requirements, special provisions, and schedules for additional requirements.

1.2 DESCRIPTION OF WORK

A. Work included: Furnish all supervision, labor, materials, services, equipment and appliances required to complete the work covered in conjunction with the landscaping covered in these specifications and landscaping plans, including:

1. Planting (trees, shrubs and grasses)
2. Bed preparation and fertilization
3. Notification of sources
4. Water and maintenance until final acceptance
5. Guarantee

1.3 REFERENCE STANDARDS

A. American Standard for Nursery Stock published by American Association of Nurserymen: 27 October 1980, Edition; by American National Standards Institute, Inc. (Z60.1) – plant material

B. American Joint Committee on Horticultural Nomenclature: 1942 Edition of Standardized Plant Names.

C. Texas Association of Nurserymen, Grades and Standards

D. Hortis Third, 1976 - Cornell University

1.4 NOTIFICATION OF SOURCES AND SUBMITTALS

A. Samples: Provide representative quantities of sandy loam soil, mulch, bed mix material, gravel and crushed stone. Samples shall be approved by Owner's Authorized Representative before use on the project.

1.5 JOB CONDITIONS

A. General Contractor to complete the following punch list: Prior to Landscape Contractor initiating any portion of landscape installation, General Contractor shall leave planting bed areas three (3") inches below final finish grade of sidewalks, drives and curbs as shown on the drawings. All lawn areas to receive solid sod shall be left one (1") inch below the final finish grade of sidewalks, drives and curbs. All construction debris shall be removed prior to Landscape Contractor beginning any work.

B. Storage of materials and equipment at the job site will be at the risk of the Landscape Contractor. The Owner cannot be held responsible for theft or damage.

1.6 MAINTENANCE AND GUARANTEE

A. Maintenance:

1. The Landscape Contractor shall be held responsible for the maintenance of all work from the time of planting until final acceptance by the Owner. No trees, shrubs, groundcover or grass will be accepted unless they show healthy growth and satisfactory foliage conditions.
2. Maintenance shall include watering of trees and plants, cultivation, weeding spraying, edging, pruning of trees, mowing of grass, cleaning up and all other work necessary of maintenance.
3. A written notice requesting final inspection and acceptance should be submitted to the Owner at least seven (7) days prior to completion. An on-site inspection by the Owner's Authorized Representative will be completed prior to written acceptance.

B. Guarantee:

1. Trees, shrubs and groundcover shall be guaranteed for a twelve (12) month period after final acceptance. The Contractor shall replace all dead materials as soon as weather permits and upon notification of the Owner. Plants, including trees, which have partially died so that shape, size, or symmetry have been damaged, shall be considered subject to replacement. In such cases, the opinion of the Owner shall be final.
   a. Plants used for replacement shall be of the same size and kind as those originally planted and shall be planted as originally specified. All work, including materials, labor and equipment used in replacements, shall carry a twelve (12) month guarantee. Any damage, including ruts in lawn or bed areas, incurred as a result of making replacements shall be immediately repaired.
   b. At the direction of the Owner, plants may be replaced at the start of the next year's planting season. In such cases, dead plants shall be removed from the premises immediately.
   c. When plant replacements are made, plants, soil mix, fertilizer and mulch are to be utilized as originally specified and re-inspected for full compliance with the contract requirements. All replacements are to be included under "Work" of this section.
2. The Owner agrees that for the guarantee to be effective, he will water plants at least twice a week during dry periods and cultivate beds once a month after final acceptance.
3. The above guarantee shall not apply where plants die after acceptance because of injury from storms, hail, freeze, insects, diseases, injury by humans, machines or theft.
4. Acceptance for all landscape work shall be given after final inspection by the Owner provided the job is in a complete, undamaged condition and there is a stand of grass in all lawn areas. At that time, the Owner will assume maintenance on the accepted work.

C. Repairs: Any necessary repairs under the Guarantee must be made within ten (10) days after receiving notice, weather permitting. In the event the Landscape Contractor does not make repairs accordingly, the Owner, without further notice to Contractor, may provide materials and men to make such repairs at the expense to the Landscape Contractor.

1.7 QUALITY ASSURANCE

A. General: Comply with applicable federal, state, county and local regulations governing landscape materials and work.

B. Personnel: Employ only experienced personnel who are familiar with the required work. Provide full time supervision by a qualified foreman acceptable to Landscape Architect.

C. Selection of Plant Material:
1. Make contact with suppliers immediately upon obtaining notice of contract acceptance to select and book materials. Develop a program of maintenance (pruning and fertilization) which will ensure the purchased materials will meet and / or exceed project specifications.
2. Substitutions: Do not make plant material substitutions. If the specified landscape material is not obtainable, submit proof of non-availability to Landscape Architect, together with proposal for use of equivalent material. At the time bids are submitted, the Contractor is assumed to have located the materials necessary to complete the job as specified.
3. Landscape Architect will provide a key identifying each tree location on site. Written verification will be required to document material selection, source and delivery schedules to site.
4. Measurements: Measure trees with branches and trunks or canes in their normal position. Do not prune to obtain required sizes. Take caliper measurements six inches above ground for trees up to and including 4" caliper size, and twelve inches above ground for larger sizes. Measure main body of all plant material of height and spread dimensions, do not measure from branch or root tip-to-tip.
5. Owner's Authorized Representative shall inspect all plant material with requirements for genus, species, cultivar / variety size and quality.
6. Owner's Authorized Representative retains the right to further inspect all plant material upon arrival to the site and during installation for size and condition of root balls and root systems, limbs, branching habit, insects, injuries and latent defects.
7. Owner's Authorized Representative may reject unsatisfactory or defective material at any time during the process work. Remove rejected materials immediately from the site and replace with acceptable material at no additional cost to the Owner. Plants damaged in transit or at job site shall be rejected.

1.8 PRODUCT DELIVERY, STORAGE AND HANDLING

A. Preparation:
1. Balled and Burlapped (B&B) Plants: Dig and prepare shipment in a manner that will not damage roots, branches, shape and future development.
2. Container Grown Plants: Deliver plants in rigid container to hold ball shape and protect root mass.

B. Delivery:
1. Deliver packaged materials in sealed containers showing weight, analysis and name of manufacturer. Protect materials from deterioration during delivery and while stored on site.
2. Deliver only plant materials that can be planted in one day unless adequate storage and watering facilities are available on job site.
3. Protect root balls by heeling in with sawdust or other approved moisture retaining material if not planted within 24 hours of delivery.
4. Protect plants during delivery to prevent damage to root balls or desiccation of leaves. Keep plants moist at all times. Cover all materials during transport.
5. Notify Owner's Authorized Representative of delivery schedule 72 hours in advance job site.
6. Remove rejected plant material immediately from job site.
7. To avoid damage or stress, do not lift, move, adjust to plumb, or otherwise manipulate plants by trunk or stems.

**PART 2 - PRODUCTS**

2.1 PLANTS

A. General: Well-formed No. 1 grade or better nursery grown stock. Listed plant heights are from tops of root balls to nominal tops of plants. Plant spread refers to nominal outer width of the plant, not to the outer leaf tips. Plants will be individually approved by the Owner's Authorized Representative and his decision as to their acceptability shall be final.

B. Quantities: The drawings and specifications are complimentary. Anything called for on one and not the other is as binding as if shown and called for on both. The plant schedule is an aid to bidders only. Confirm all quantities on plan.

C. Quality and size: Plant materials shall conform to the size given on the plan, and shall be healthy, symmetrical, well-shaped, full branched and well rooted. The plants shall be free from injurious insects, diseases, injuries to the bark or roots, broken ranches, objectionable disfigurements, insect eggs and larvae, and are to be of specimen quality.

D. Approval: All plants which are found unsuitable in growth, or are in any unhealthy, badly shaped or undersized condition will be rejected by the Owner's Authorized Representative either before or after planting and shall be removed at the expense of the Landscape Contractor and replaced with acceptable plant as specified at no additional cost to the Owner.

E. Trees shall be healthy, full-branched, well-shaped, and shall meet the minimum trunk and diameter requirements of the plant schedule. Balls shall be firm, neat, slightly tapered and well wrapped in burlap. Any tree loose in the ball or with a broken root ball at time of planting will be rejected. Balls shall be ten (10") inched in diameter for each one (1") inch of trunk diameter, measured six (6") inched above ball. (Nomenclature confirms to the customary nursery usage. For clarification, the term "multi-trunk" defines a plant having three (3) or more trunks of nearly equal diameter.)

F. Pruning: All pruning of trees and shrubs, as directed by the Landscape Architect prior to final acceptance, shall be executed by the Landscape Contractor at no additional cost to the Owner.

2.2 SOIL PREPARATION MATERIALS

A. Sandy Loam:
1. Friable, fertile, dark, loamy soil, free of clay lumps, subsoil, stones and other extraneous material and reasonably free of weeds and foreign grasses. Loam containing Dallasgrass or Nutgrass shall be rejected.
2. Physical properties as follows:
   a. Clay – between 7-27 percent
   b. Silt – between 15-25 percent
   c. Sand – less than 52 percent
3. Organic matter shall be 3%-10% of total dry weight.
4. If requested, Landscape Contractor shall provide a certified soil analysis conducted by an approved soil testing laboratory verifying that sandy loam meets the above requirements.

B. Organic Material: Compost with a mixture of 80% vegetative matter and 20% animal waste. Ingredients should be a mix of course and fine textured material.

C. Premixed Bedding Soil as supplied by Vital Earth Resources, Gladewater, Texas; Professional Bedding Soil as supplied by Living Earth Technology, Dallas, Texas or Acid Gro Municipal Mix as supplied by Soil Building Systems, Dallas, Texas or approved equal.

D. Sharp Sand: Sharp sand must be free of seeds, soil particles and weeds.

E. Mulch: Double Shredded Hardwood Mulch, partially decomposed, dark brown. Living Earth Technologies or approved equal.

F. Organic Fertilizer: Fertilaid, Sustane, or Green Sense or equal as recommended for required applications. Fertilizer shall be delivered to the site in original unopened containers, each bearing the manufacturer's guaranteed statement of analysis.

G. Commercial Fertilizer: 10-20-10 or similar analysis. Nitrogen source to be a minimum 50% slow release organic Nitrogen (SCU or UF) with a minimum 8% sulfur and 4% iron, plus iconutrients.

H. Peat: Commercial sphagnum peat moss or partially decomposed shredded pine bark or other approved organic material.

2.3 MISCELLANEOUS MATERIALS

A. Steel Edging: 3/16" x 4" x 16' - dark green, DURAEDGE® steel landscape edging manufactured by The J.D. Russell Company under its trade name DURAEDGE Heavy Duty Steel .

B. Staking Material for Shade Trees: refer to details.

C. Gravel: Washed native pea gravel, graded 1 inch to 1-1/2 inch.

D. Filter Fabric: 'Mirafi Mirascape' by Mirafi Construction Products available at Lone Star Products, Inc., (469) 523-0444 or approved equal.

E. River Rock: 'Colorado' or native river rock, 2" - 4" dia.

F. Decomposed Granite: Base material shall consist of a natural material mix of granite aggregate not to exceed 1/8" diameter in size and shall be composed of various stages of decomposed earth base.

**PART 3 - EXECUTION**

3.1 BED PREPARATION & FERTILIZATION

A. Landscape Contractor to inspect all existing conditions and report any deficiencies to the Owner.

B. All planting areas shall be conditioned as follows:
1. Prepare new planting beds by scraping away existing grass and weeds as necessary. Till existing soil to a depth of six (6") inches prior to placing compost and fertilizer. Apply fertilizer as per Manufacturer's recommendations. Add six (6") inches of compost and till into a depth of six (6") inches of the topsoil. Apply organic fertilizer such as Sustane or Green Sense at the rate of twenty (20) pounds per one thousand (1,000) square feet.
2. All planting areas shall receive a two (2") inch layer of specified mulch.
3. Backfill for tree pits shall be as follows: Use existing top soil on site (use imported topsoil as needed) free from large clumps, rocks, debris, caliche, subsoils, etc., placed in nine (9") inch layers and watered in thoroughly.

C. Grass Areas:
1. Blocks of sod should be laid joint to joint (staggered joints) after fertilizing the ground first. Roll grass areas to achieve a smooth, even surface. The joints between the blocks of sod should be filled with topsoil where they are evidently gaped open, then watered thoroughly.

3.2 INSTALLATION

A. Maintenance of plant materials shall begin immediately after each plant is delivered to the site and shall continue until all construction has been satisfactorily accomplished.

B. Plant materials shall be delivered to the site only after the beds are prepared and areas are ready for planting. All shipments of nursery materials shall be thoroughly protected from the drying winds during transit. All plants which cannot be planted at once, after delivery to the site, shall be well protected against the possibility of drying by wind and Balls of earth of B & B plants shall be kept covered with soil or other acceptable material. All plants remain the property of the Contractor until final acceptance.

C. Position the trees and shrubs in their intended location as per plan.

D. Notify the Owner's Authorized Representative for inspection and approval of all positioning of plant materials.

E. Excavate pits with vertical sides and horizontal bottom. Tree pits shall be large enough to permit handling and planting without injury to balls of earth or roots and shall be of such depth that,when planted and settled, the crown of the plant shall bear the same relationship to the finish grade as it did to soil surface in original place of growth.

F. Shrub and tree pits shall be no less than twenty-four (24") inches wider than the lateral dimension of the earth ball and six (6") inches deeper than it's vertical dimension. Remove and haul from site all rocks and stones over three-quarter (¾") inch in diameter. Plants should be thoroughly moist before removing containers.

G. Dig a wide, rough sided hole exactly the same depth as the height of the ball, especially at the surface of the ground. The sides of the hole should be rough and jagged, never slick or glazed.

H. Percolation Test: Fill the hole with water. If the water level does not percolate within 24 hours, the tree needs to move to another location or have drainage added. Install a PVC stand pipe per tree planting detail as approved by the Landscape Architect if the percolation test fails.

I. Backfill only with 5 parts existing soil or sandy loam and 1 part bed preparation. When the hole is dug in solid rock, topsoil from the same area should not be used. Carefully settle by watering to prevent air pockets. Remove the burlap from the top ⅓ of the ball, as well as all nylon, plastic string and wire. Container trees will usually be root bound, if so follow standard nursery practice of 'root scoring'.

J. Do not wrap trees.

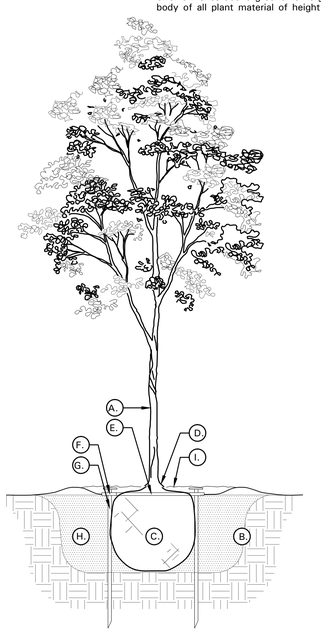
K. Do not over prune.

L. Mulch the top of the ball. Do not plant grass all the way to the trunk of the tree. Leave the area above the top of the ball and mulch with at least two (2") inches of specified mulch.

M. All plant beds and trees to be mulched with a minimum settled thickness of two (2") inches over the entire bed or pit.

N. Obstruction below ground: In the event that rock, or underground construction work or obstructions are encountered in any plant pit excavation work to be done under this section, alternate locations may be selected by the Owner. Where locations cannot be changed, the obstructions shall be removed to a depth of not less than three (3') feet below grade and no less than six (6") inches below the bottom of ball when plant is properly set at the required grade. The work of this section shall include the removal from the site of such rock or underground obstructions encountered at the cost of the Landscape Contractor.

O. Trees and large shrubs shall be staked as site conditions require. Position stakes to secure trees against seasonal prevailing winds.



P. Pruning and Mulching: Pruning shall be directed by the Landscape Architect and shall be pruned in accordance with standard horticultural practice following Fine Pruning, Class I pruning standards provided by the National Arborist Association.
1. Dead wood, suckers, broken and badly bruised branches shall be removed. General tipping of the branches is not permitted. Do not cut terminal branches.
2. Pruning shall be done with clean, sharp tools.
3. Immediately after planting operations are completed, all tree pits shall be covered with a layer of organic material two (2") inches in depth. This limit of the organic material for trees shall be the diameter of the plant pit.

Q. Steel Curbing Installation:
1. Curbing shall be aligned as indicated on plans. Stake out limits of steel curbing and obtain Owners approval prior to installation.
2. All steel curbing shall be free of kinks and abrupt bends.
3. Top of curbing shall be ½" maximum height above final finished grade.
4. Stakes are to be installed on the planting bed side of the curbing, as opposed to the grass side.
5. Do not install steel edging along sidewalks or curbs.
6. Cut steel edging at 45 degree angle where edging meets sidewalks or curbs.

3.3 CLEANUP AND ACCEPTANCE

A. Cleanup: During the work, the premises shall be kept neat and orderly at all times. Storage areas for all materials shall be so organized so that they, too, are neat and orderly. All trash and debris shall be removed from the site as work progresses. Keep paved areas clean by sweeping or hosing them at end of each work day.

END OF SECTION

01 TREE PLANTING DETAIL
NOT TO SCALE

**TREE PLANTING DETAIL LEGEND AND NOTES**

A. TREE: TREES SHALL CONFORM WITH LATEST AMERICAN STANDARD FOR NURSERY STOCK. www.anla.org

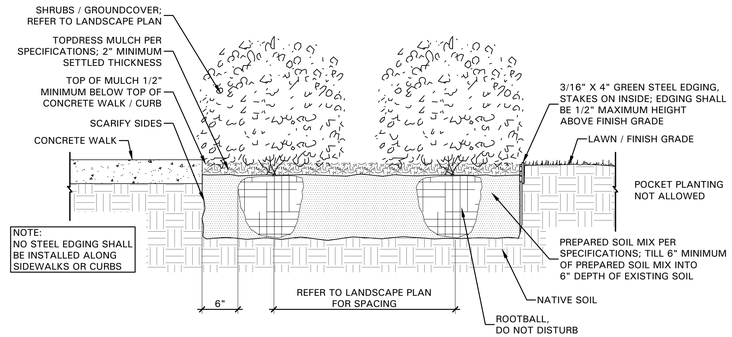
B. TREE PIT: WIDTH TO BE AT LEAST TWO (2) TIMES THE DIAMETER OF THE ROOT BALL CENTER TREE IN HOLE & REST ROOT BALL ON UNDISTURBED NATIVE SOIL.

C. ROOT BALL: REMOVE TOP ⅓ BURLAP AND ANY OTHER FOREIGN OBJECT; CONTAINER GROWN STOCK TO BE INSPECTED FOR GIRDLING ROOTS.

D. ROOT FLARE: ENSURE THAT ROOT FLARE IS EXPOSED, FREE FROM MULCH, AND AT LEAST TWO INCHES ABOVE GRADE. TREES SHALL BE REJECTED WHEN GIRDLING ROOTS ARE PRESENT & ROOT FLARE IS NOT APPARENT.

E. ROOTBALL ANCHOR RING: REFER TO MANUFACTURER'S GUIDELINES FOR SIZING. PLACE ROOTBALL ANCHOR RING ON BASE OF ROOTBALL, TRUNK SHOULD BE IN THE CENTER OF THE RING.

F. 'U' BRACKET.



G. NAIL STAKE: REFER TO MANUFACTURER'S GUIDELINES FOR SIZING. INSTALL NAIL STAKES WITH HAMMER OR MALLET FIRMLY INTO UNDISTURBED GROUND. DRIVE NAIL STAKES FLUSH WITH "U" BRACKET ADJACENT TO ROOTBALL (DO NOT DISTURB ROOTBALL).

H. BACKFILL: USE EXISTING NATIVE SOIL (no amendments) WATER THOROUGHLY TO ELIMINATE AIR POCKETS.

I. MULCH: DOUBLE SHREDDED HARDWOOD MULCH 2 INCH SETTLED THICKNESS, WITH 2" HT. WATERING RING; ENSURE THAT ROOT FLARE IS EXPOSED. BELOW GROUND STAKE SHOULD NOT BE VISIBLE.

J. TREE STAKES:

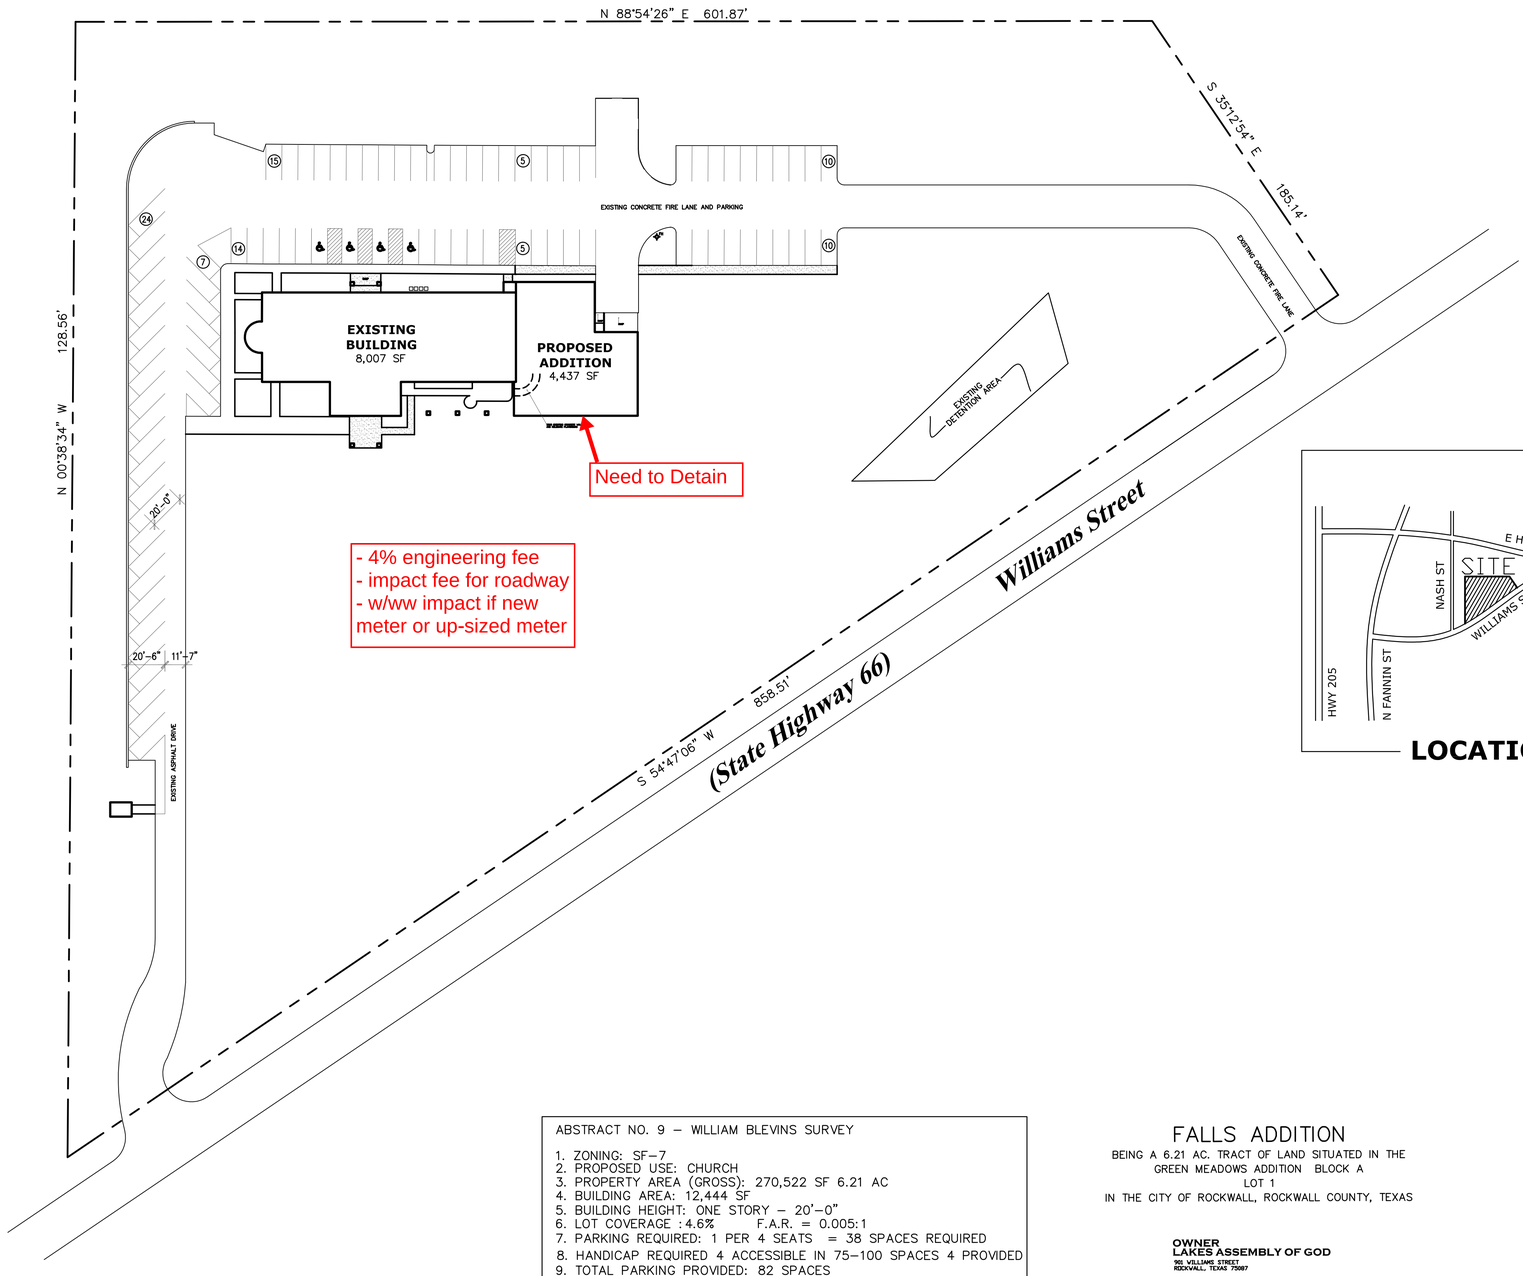
SP2019-022 Site Plan for The Lakes Assembly: Please address the following comments (M= Mandatory Comments; I = Informational Comments)



1. This is a request by Greg Wallis of Mershawn Architects on behalf of Rockwall Assembly of God for the approval of a site plan for an addition to an existing churc on a 6.210-acre tract of land identified as Lot 1, Block A, Lakes Assembly Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, addressed as 901 Williams Street.
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-022) in the lower right hand corner of all pages on future submittals.
4. Site Plan--Will any additional exterior lighting be added?
5. Site Plan--Is additional parking being added?
6. Site Plan--Please show landscape buffer and setback adjacent to SH-66
7. Site Plan--Please dimension all walls
8. Site Plan—Please provide a light crosshatch to the existing areas.
9. Site Plan--Please provide a floorplan to indicate the use of the addition to ensure the parking requirement is accurate.
10. Site Plan--Please show and label where the mechanical equipment is and how it will be screened?
11. Site Plan--Please show centerline of SH-66
12. Site Plan--Please provide total number of seat and breakdown of existing building.
13. Site Plan--Please provide width of drive and radii
14. Site Plan--Please provide lot information on within the lot (e.g. SF, acreage, zoning, legal description, etc).
15. Site Plan--Please increase the font size of the items labeled on the site. Also, please note that the accessible symbols are blurry.
16. Site Plan--Please show and label adjacent properties.
17. Site Plan--Please note that a 10-foot landscape buffer including headlight screening is required along the property lines that are adjacent to residential.
18. Site Plan--Asshown, an exception to the horizontal articulation requirements is needed on the south elevation of the addition.
19. Site Plan—Please show all easements.
20. Landscape Plan—Please provide dimensions of all walls on the structure.
21. Landscape Plan—Please label the detention, building, firelane, parking, etc. as labeled on site plan
22. Landscape Plan—Please provide the same site data table and property information as shown on site plan.
23. Landscape Plan—Please note, hydromulch isn't typically allowed—sod may be required
24. Landscape Plan—Please note, there are some extra characters in the Total Landscape Area section of the plan.
25. Landscape Plan—Please show headlight screening from adjacent residential properties.
26. Landscape Plan—Are any trees being removed? Please indicate either way.
27. Landscape Plan--Please note that a 10-foot landscape buffer including headlight screening is required along the property lines that are adjacent to residential.
28. Landscape Plan—Please show vicinity map and the other labels as the site plan (e.g. label SH-66, etc.)
29. Building Elevations—Please provide the west elevation and indicate which elevation faces the street.
30. Building Elevations—Please provide dimension, heights, scale, etc.
31. Building Elevations—It appears that the ease elevation may be a different scale than the others. Please provide all 4 elevations at the same scale.
32. Building Elevations—Please note that a variance to horizontal articulation will be required for the south elevation of the addition.
33. Building Elevations—Would it be possible to provide an additional elevations page that shows existing greyed out? It is difficult to understand where the addition starts.
34. Building Elevations—Please provide shadows to show where projections, recesses are.
35. Building Elevations—Please take a look at the east elevation-it appears that there may be a discrepancy in the roofline.
36. Building Elevations—Please take a look at the north elevation. There appears to be some extra lines in the roof (right below the two labels for the roof).
37. Building Elevations—Please show and label where the mechanical equipment is and how it will be screened?

| Type of Review / Notes | Contact | Sent | Due | Received | Elapsed | Status | Remarks |
|---|---|---|---|---|---|---|---|

38. Building Elevations—Please show building materials and percentages.

39. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on July 2, 2019. The Planning and Zoning Worksession is on June 25th, 2019. The Planning and Zoning Meeting will be July 9th, 2019. Both meetings start at 6:00 p.m. The ARB meetings will be at 5:00 p.m. on the meeting dates.

CONTRACTOR TO VERIFY PLANS AND TO VISIT SITE AND NOTIFY MERSHAWN ARCHITECTS OF ANY DISCREPANCIES BEFORE CONSTRUCTION.

Discuss and consider a request by Jake Fears, PE of Weir & Associates, Inc. on behalf of Goliad Real Estate, LLC for the approval of a site plan for a multi-tenant retail building and restaurant on a 2.542-acre tract of land identified as Tract 1 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses, situated within the North SH-205 Overlay (N. SH-205 OV) District, located at the northwest corner of the intersection of Pecan Valley Drive and N Goliad Street [SH-205], and take any action necessary.

PLANNING AND ZONING 1ST ROUND STAFF COMMENTS (06.20.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday July 2, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans, and Final Plat prior to issuance of a Certificate of Occupancy (CO).
3. Label all revised site plan documents with "Case No. SP2019-023" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. Horizontal articulation for the primary and secondary building facade standards of the UDC for the north, south, east and west facing facades extend for more than 60-ft with out a projection or recess.
2. Wall projection - minimum required for primary and secondary facades is 5-ft. All facades do not meet.
3. Architectural Element above wall is required to have a minimum of width of 10-ft on primary facade and a minimum of 3-ft on secondary facades. Not indicated or present.
4. Vertical projection - minimum for primary facade is 5-ft, secondary building facade requires 3-ft. All projections do not meet this standards.
5. Materials standards of the UDC and the N SH-205 OV to allow for stucco being located within the first 4 feet of grade on both buildings.
6. Materials standards of the N SH-205 OV to allow for the use of cultured stone rather than natural stone
7. For not meeting the 4-side architect requirements of the N SH-205 OV for both buildings.
8. For not meeting the minimum 20% natural stone requirement for building number 2.
9. To allow for dumpster enclosure to face a public street(building no. 2).

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Provide a minimum 10-ft landscape buffer along the property lines that face Pecan Valley Drive and Quail Run Road
2. Correct building setbacks from 10-ft to 15-ft along Pecan Valley Drive and Quail Run Road.
3. Hatch area to be dedicated as right of way along Quail Run Road
4. Provide screening detail at L2 from residential properties.
5. Parking space dimensions adjacent to building are to be a minimum of 20-ft x 9-ft.
6. Relabel parking count "7" to 5 spaces on east side of parking lot (adjacent to SH-205).
7. SH-205 is a 120-ft right of way. Indicate where center line is at 60-ft and hatch any area that requires ROW dedication
8. Relabel firelane as "24-ft Firelane, Public Access, and Utility Easement (as appropriate) for both building areas.
9. All utilities are to be placed undergound, no overhead utilities.

10. Submittal and approval of a separate building permit for signage.

Landscape Plan:
1. Provide landscape buffers for all streets:
a. N SH-205 - minimum 20-ft
b. Pecan Valley Drive - minimum 10-ft
c. Quail Run Road - minum 10-ft
2. Provide a minimum of one (1), three (3)-caliper inch canopy tree for each 50 linear feet within the landscape buffers for Pecan Valley & Quail Run.
3. Correct Plant Schedule Table to indicate a minimum four (4)-caliper inch canopy tree(s) to be lcoated within the N SH-205 landscape buffer.

Treescape Plan:
1. Correct table and recalculate mitigation due for all Bois D'Arc trees & Chinaberry trees as these are non-protected trees and do not count towards mitigation
2. Tree number 2598 is greater than 25-inches and requires mitigation to count as double the number of inches being removed (i.e. 29" x 2 = 58").
3. Tree number 2834 is being saved and is greater than 25-inches. Since this is an Elm tree, this should count as credit towards mitigation, which equals 1:1 (i.e. 48-inches of credit).

Photometric Plan:
1. High readings detected at the property lines. All readings are not to exceed 0.2-FC at the property lines. Revise plan.
2. Pole height not to exceed 20-ft OAH (include base, pole, and attachments). Revise Plan.
3. Provide cut sheets for all exterior lighting fixtures.

Building Elevations:
1. See all exceptions being requested based on sumbittal at top of report
2. Provide color renderings of both buildings for Architectural Review Board (ARB) review.
3. Provide a materials sample board for ARB review.
4. Dash in RTU's on elevations. RTU's and other roof top equipement must be visually screened from adjacent properties and rights of way.
5. Provide calculations of exterior building materials for each facade of building no. 2.

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board - June 25, 2019 (5:00 p.m.) [ARB to provide comments]

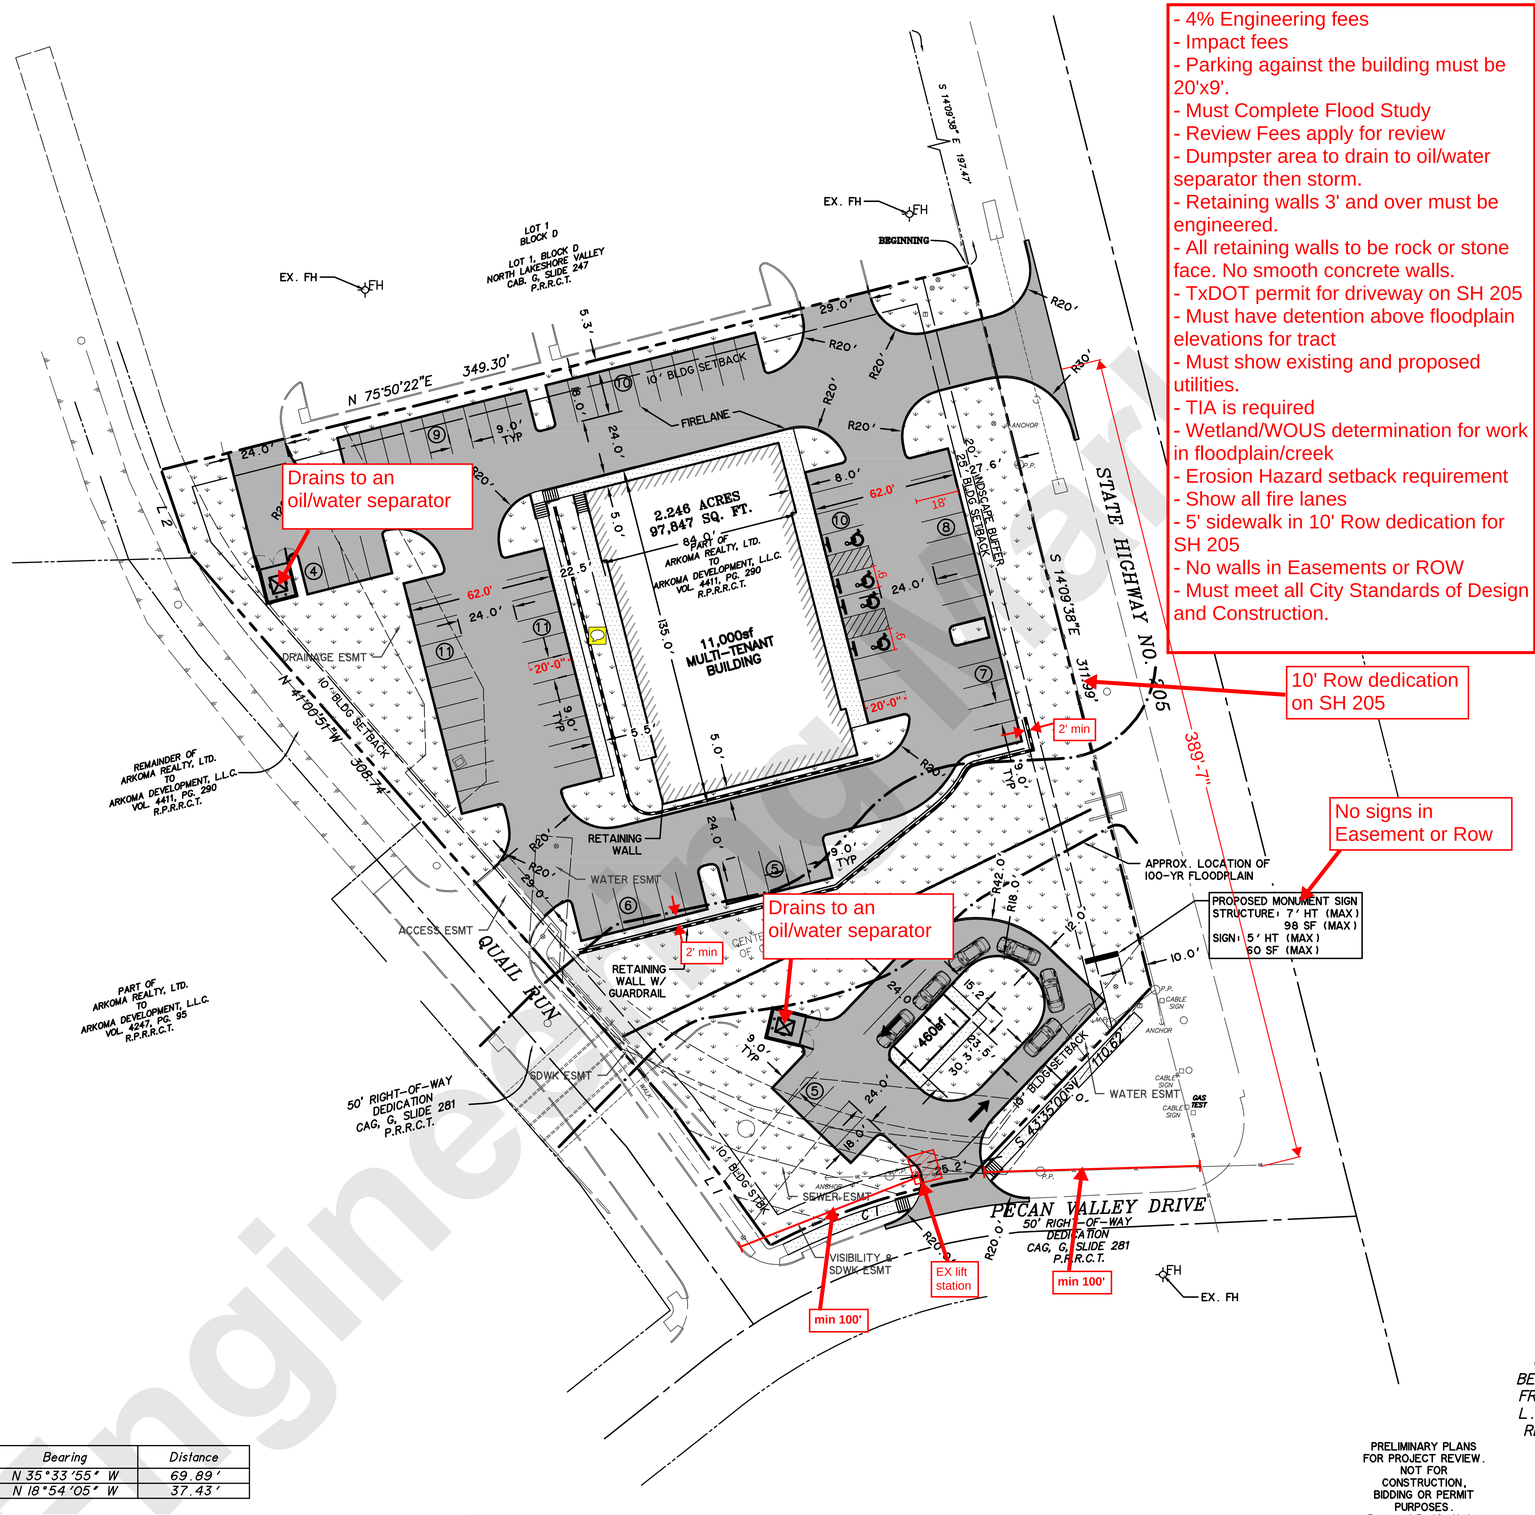
Planning - Work Session: June 25, 2019 (6:00p.m.) [Applicant to present/discuss project]

Architectural Review Board - July 9, 2019 (5:00 p.m.) [ARB to provide recommendation]

Planning - Action: July 9, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

BAR IS ONE INCH ON ORIGINAL FULL-SIZE PRINT

## LEGEND

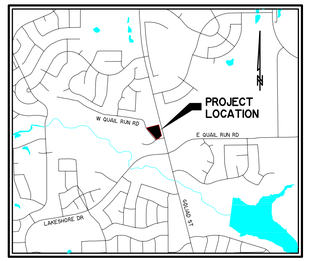


- PARKING COUNT
- LANDSCAPE AREA (RE: LANDSCAPE PLAN)
- CONCRETE SIDEWALK
- CONCRETE PAVEMENT

## GENERAL NOTES:

1. DIMENSIONS SHOWN ARE TO THE FACE OF CURB, UNLESS NOTED OTHERWISE.
2. ALL PROPOSED CURB RADIUS ARE 3.0' F/C, WITHIN PARKING LOT, UNLESS NOTED OTHERWISE.
3. SEE ARCHITECTURAL PLANS FOR BLDG. DIMENSIONS.
4. ALL CONCRETE PAVEMENT SHALL HAVE 6" CURBS UNLESS OTHERWISE NOTED.

## FEMA NOTE



FLOOD STATEMENT: ACCORDING TO COMMUNITY PANEL NO. 48397C0030L, DATED SEPTEMBER 26, 2008, OF THE FEDERAL EMERGENCY MANAGEMENT AGENCY, NATIONAL FLOOD INSURANCE PROGRAM MAP, THIS PROPERTY IS WITHIN FLOOD ZONES "A" AND "X". PART OF THIS PROPERTY LIES WITHIN ZONES "A", AREAS DETERMINED TO BE WITHIN THE 0.2% ANNUAL CHANCE FLOODPLAIN. IF PARTS OF THE SITE ARE NOT WITHIN AN IDENTIFIED SPECIAL FLOOD HAZARD AREA, THIS FLOOD STATEMENT DOES NOT IMPLY THAT THE PROPERTY AND/OR THE STRUCTURES THEREON WILL BE FREE FROM FLOODING OR FLOOD DAMAGE. ON RARE OCCASIONS, GREATER FLOODS CAN AND WILL OCCUR AND FLOOD HEIGHTS MAY BE INCREASED BY MAN-MADE OR NATURAL CAUSES. THIS STATEMENT SHALL NOT CREATE LIABILITY ON THE PART OF WIER & ASSOCIATES, INC.

- 4% Engineering fees
- Impact fees
- Parking against the building must be 20'x9'.
- Must Complete Flood Study
- Review Fees apply for review
- Dumpster area to drain to oil/water separator then storm.
- Retaining walls 3' and over must be engineered.
- All retaining walls to be rock or stone face. No smooth concrete walls.
- TxDOT permit for driveway on SH 205
- Must have detention above floodplain elevations for tract
- Must show existing and proposed utilities.
- TIA is required
- Wetland/WOUS determination for work in floodplain/creek
- Erosion Hazard setback requirement
- Show all fire lanes
- 5' sidewalk in 10' Row dedication for SH 205
- No walls in Easements or ROW
- Must meet all City Standards of Design and Construction.

**GENERAL LAWN NOTES**

EROSION CONTROL AND SOIL PREPARATION:
THE CONTRACTOR IS RESPONSIBLE FOR MAINTAINING TOP SOIL AT THE CORRECT GRADES. CONTRACTOR TO FINE GRADE AREAS TO REACH FINAL CONTOURS AS SPECIFIED PER CIVIL PLANS. ALL CONTOURS SHOULD ACHIEVE POSITIVE DRAINAGE AWAY FROM BUILDINGS AND STRUCTURES. WATER SHOULD NOT BE ABLE TO POOL IN ANY AREAS UNLESS SPECIFIED OTHERWISE. EROSION FABRIC SUCH AS JUTE MATTING OR OPEN WEAVE TO BE USED WHERE NECESSARY TO PREVENT SOIL EROSION.

ANY LOSS OF TOPSOIL OR GRASS DUE TO EROSION IS THE RESPONSIBILITY OF THE CONTRACTOR UNTIL IT IS 100% ESTABLISHED.

CONTRACTOR TO REMOVE ANY ROCKS 3/4" AND LARGER, STICKS AND DEBRIS PRIOR TO INSTALLATION OF TOPSOIL AND SOD.

FOUR (4") OF TOPSOIL SHALL BE APPLIED TO AREAS DISTURBED BY CONSTRUCTION RECEIVING SOD. IF TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL AS APPROVED BY THE OWNER OR OWNERS REPRESENTATIVE.

TOPSOIL SHALL BE FRIABLE, NATURAL LOAM, FREE OF ROCKS, WEEDS, BRUSH, CLAY LUMPS, ROOTS, TWIGS, LITTER AND ENVIRONMENTAL CONTAMINANTS.

CONTRACTOR SHALL BE RESPONSIBLE FOR SOD UNTIL ACCEPTANCE. THIS SHALL INCLUDE, BUT NOT BE LIMITED TO: MOWING, WATERING, WEEDING, CULTIVATING, CLEANING AND REPLACING DEAD OR BARE AREAS TO KEEP PLANTS IN A VIGOROUS, HEALTHY CONDITION. SOD SHALL BE REPLACED IF NECESSARY.

SOLID SOD:
SOLID SOD SHALL BE PLACED ALONG ALL IMPERVIOUS EDGES, AT A MINIMUM. THIS SHALL INCLUDE CURBS, WALKS, INLETS, MANHOLES AND PLANTING BED AREAS. SOD SHALL COVER OTHER AREAS COMPLETELY AS INDICATED BY PLAN.

SOD SHALL BE STRONGLY ROOTED DROUGHT RESISTANT SOD, NOT LESS THAN 2 YEARS OLD, FREE OF WEEDS AND UNDESIRABLE NATIVE GRASS AND MACHINE CUT TO PAD THICKNESS OF 3/4" (+1/4"), EXCLUDING TOP GROWTH AND THATCH. PROVIDE ONLY SOD CAPABLE OF VIGOROUS GROWTH AND DEVELOPMENT WHEN PLANTED.

DO NOT INSTALL SOD IF IT IS DORMANT OR GROUND IS FROZEN. LAY SOD WITH TIGHTLY FITTING JOINTS, NO OVERLAPS WITH STAGGERED STRIPS TO OFFSET JOINTS.

SOD SHALL BE ROLLED TO CREATE A SMOOTH EVEN SURFACE. SOD SHOULD BE WATERED THOROUGHLY DURING INSTALLATION PROCESS.

SHOULD INSTALLATION OCCUR BETWEEN OCTOBER 1ST AND MARCH 1ST, SOD SHALL INCLUDE AN OVER-SEED OF ANNUAL RYE OR WINTER RYEGRASS AT A RATE OF FOUR POUNDS PER ONE THOUSAND SQUARE FEET FOR A GROWN-IN APPEARANCE. CONTRACTOR SHALL ENSURE CONFORMANCE TO §115.D OF TITLE 7, PART XXIX, HORTICULTURE COMMISSION CHAPTER 1.

HYDROMULCH:

SCARIFY SURFACE TO A MINIMUM OF 2" DEPTH PRIOR TO THE IMPORT TOPSOIL APPLICATION. TOP SOIL SHALL BE PLACED 2" IN DEPTH IN ALL AREAS TO BE SEEDED. CONTRACTOR TO SUPPLY HIGH □UALITY IMPORTED TOPSOIL HIGH IN HUMAS AND ORGANIC CONTENT FROM A LOCAL SUPPLY. IMPORTED TOPSOIL SHALL BE REASONABLY FREE OF CLAY LUMPS, COARSE SANDS, STONES, ROOTS AND OTHER FOREIGN DEBRIS.

IF INADE□UATE MOISTURE IS PRESENT IN SOIL, APPLY WATER AS NECESSARY FOR OPTIMUM MOISTURE FOR SEED APPLICATION.

ALL SEED SHALL BE HIGH □UALITY, TREATED LAWN TYPE SEED AND IS FREE OF NOXIOUS GRASS SEEDS. THE SEED APPLICATION SHALL BE UNIFORMLY DISTRIBUTED ON THE AREAS INDICATED ON PLANS. HYDROMULCH WITH BERMUDA GRASS SEED AT A RATE OF TWO POUNDS PER ONE THOUSAND S□UARE FEET.

IF INSTALLATION OCCURS BETWEEN OCTOBER 1ST AND APRIL 1ST, ALL HYDORMULCH AREAS SHALL BE OVER-SEEDED WITH ANNUAL RYE GRASS AT A RATE OF FOUR POUNDS PER ONE THOUSAND S□UARE FEET. CONTRACTOR TO RE-HYDROMULCH WITH BERMUDA GRASS AT THE END OF THE ANNUAL RYE GROWING SEASON.

AFTER APPLICATION, NO E□UIPMENT SHALL OPERATE OVER APPLIED AREAS. WATER SEEDED AREAS IMMEDIATELY AFTER INSTALLATION TO SATURATION.

ALL LAWN AREAS TO BE HYDROMULCHED SHALL ACHIEVE 100□ COVERAGE PRIOR TO FINAL ACCEPTANCE.

**LANDSCAPE NOTES**

REFERENCE SITEWORK AND SPECIFICATIONS FOR INFORMATION NEEDED FOR LANDSCAPE WORK.

CONTRACTOR TO VERIFY AND LOCATE ALL PROPOSED AND EXISTING STRUCTURES. NOTIFY LANDSCAPE ARCHITECT OR DESIGNATED REPRESENTATIVE FOR ANY LAYOUT DISCREPANCIES OR ANY CONDITION THAT WOULD PROHIBIT THE INSTALLATION AS SHOWN.

CONTRACTOR SHALL CALL 811 TO VERIFY AND LOCATE ANY AND ALL UTILITIES ON SITE PRIOR TO COMMENCING WORK. LANDSCAPE ARCHITECT SHOULD BE NOTIFIED OF ANY CONFLICTS.

A MINIMUM OF 2% SLOPE SHALL BE PROVIDED AWAY FROM ALL STRUCTURES.

LANDSCAPE ISLANDS SHALL BE CROWNED, AND UNIFORM THROUGHOUT THE SITE.

ALL PLANTING AREAS SHALL BE GRADED SMOOTH TO ACHIEVE FINAL CONTOURS AS INDICATED ON PLAN WITH 3" OF TOPSOIL AND 3" OF COMPOST AND CONSISTENTLY BLENDED TO A DEPTH OF 9". ALL BEDS SHALL BE CROWNED TO ANTICIPATE SETTLEMENT AND ENSURE PROPER DRAINAGE.

PLANTING AREAS AND SOD TO BE SEPARATED BY STEEL EDGING. EDGING TO BE GREEN IN COLOR AND A MINIMUM OF 3/16" THICK. EDGING SHALL BE STAKED FROM THE INSIDE OF BED. EDGING NOT TO BE MORE THAN 1/2" ABOVE FINISHED GRADE.

MULCH SHALL BE INSTALLED AT 1/2" BELOW THE TOPS OF SIDEWALKS AND CURBING.

QUANTITIES ON THESE PLANS ARE FOR REFERENCE ONLY. THE SPACING OF PLANTS SHOULD BE AS INDICATED ON PLANS OR OTHERWISE NOTED. ALL TREES AND SHRUBS SHALL BE PLANTED PER DETAILS.

CONTAINER GROWN PLANT MATERIAL IS PREFERRED HOWEVER BALL AND BURLAP PLANT MATERIAL CAN BE SUBSTITUTED IF NEED BE AND IS APPROPRIATE TO THE SIZE AND QUALITY INDICATED ON THE PLANT MATERIAL LIST.

TREES SHALL BE PLANTED AT A MINIMUM OF 5' FROM ANY UTILITY LINE, SIDEWALK OR CURB. TREES SHALL ALSO BE 10' CLEAR FROM FIRE HYDRANTS.

4" OF SHREDDED HARDWOOD MULCH (2" SETTLED THICKNESS) SHALL BE PLACED OVER A 1 OZ WOVEN, WEED BARRIER FABRIC OR APPROVED EQUAL. WEED BARRIER FABRIC SHALL BE USED IN PLANT BEDS AND AROUND ALL TREES AND SHALL BE DE WITT WEED BARRIER OR APPROVED EQUAL. MULCH SHALL BE SHREDDED BARK OR RUBBER LANDSCAPE MULCH, PINE STRAW MULCH IS PROHIBITED.

CONTRACTOR TO PROVIDE UNIT PRICING OF LANDSCAPE MATERIALS AND BE RESPONSIBLE FOR OBTAINING ALL LANDSCAPE AND IRRIGATION PERMITS.

IRRIGATION:
IN THE ABSENCE OF AN IRRIGATION SYSTEM OR AREAS BEYOND THE COVERAGE LIMITS OF A PERMANENT IRRIGATION SYSTEM, CONTRACTOR SHALL WATER SOD TEMPORARILY, BY ANY MEANS AVAILABLE, TO DEVELOP ADEQUATE GROWTH. TURF SHALL BE IN 100% ESTABLISHMENT AT THE TIME OF ACCEPTANCE.

ALL PLANTING BEDS SHALL HAVE AN AUTOMATIC IRRIGATION SYSTEM WITH A FREEZE/RAIN SENSOR. SYSTEM SHALL ALSO HAVE AN ET WEATHER BASED CONTROLLER AND BE DESIGNED AND INSTALLED BY A LICENSED IRRIGATOR.

MAINTENANCE RE□UIREMENTS:
VEGETATION SHOULD BE INSPECTED REGULARLY TO ENSURE THAT PLANT MATERIAL IS ESTABLISHING PROPERLY AND REMAINS IN A HEALTHY GROWING CONDITION APPROPRIATE FOR THE SEASON. IF DAMAGED OR REMOVED, PLANTS MUST BE REPLACED BY A SIMILAR VARIETY AND SIZE.

MOWING, TRIMMING, EDGING AND SUPERVISION OF WATER APPLICATIONS SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR UNTIL THE OWNER OR OWNER'S REPRESENTATIVE ACCEPTS AND ASSUMES REGULAR MAINTENANCE.

ALL LANDSCAPE AREAS SHOULD BE CLEANED AND KEPT FREE OF TRASH, DEBRIS, WEEDS AND OTHER MATERIAL.

MISCELLANEOUS MATERIALS:

STEEL EDGING SHALL BE 3/16" X 4 X 16' DARK GREEN DURAEDGE STEEL LANDSCAPE EDGING.

DECOMPOSED GRANITE SHALL CONSIST OF A NATURAL MIX OF GRANITE AGGREGATE NOT TO EXCEED 1/8" IN DIAMETER AND COMPOSED OF VARIOUS STAGES OF DECOMPOSED EARTH BASE. DG SHALL BE PLACED OVER FILTER FABRIC AT A MINIMUM OF 3" DEPTH.

**LANDSCAPE TABULATIONS**
**ROCKWALL, TEXAS - SH205 Overlay**

**I-30 OVERLAY REQUIREMENTS**

1. Buffer strips shall be a minimum of 20' wide and include a berm or shrubbery or a combination of both along the entire length of the property's frontage along the SH-205 r.o.w. The minimum required height is 30" and shall not exceed a maximum height of 48".
2. Three canopy trees along with four accent trees are required per 100 feet of the SH-205 r.o.w.

SH205 = 312 l.f.

| REQUIRED | PROVIDED |
|---|---|
| 20' wide buffer berm and/or shrubs | 20' wide buffer shrubs 36" ht. |
| 9 canopy trees, 4" cal. | 4 canopy trees, 4" cal.; 5 existing trees |
| 12 accent trees, 4' ht. | 12 accent trees, 4' ht. |

**PARKING LOT LANDSCAPE**

1. Surface parking shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges and be a min. 3' in height, 80% opaque.

2. There shall be a landscape island every 10 parking spaces. One shade tree shall be provided for every 10 cars. (84 parking spaces)

| REQUIRED | PROVIDED |
|---|---|
| 36" screen | 36" screen |
| 8 canopy trees, 4" cal. | 9 canopy trees, 4" cal.; 1 existing 20" Elm |

**PLANT SCHEDULE**

| QTY | LABEL | COMMON NAME | SCIENTIFIC NAME | SIZE | NOTES |
|---|---|---|---|---|---|
| | | **SHADE TREES** | | | |
| 4 | CE | Cedar Elm | *Ulmus crassifolia* | 3" cal. | 12' ht., 4' spread, matching |
| 9 | SO | Shumard Oak | *Quercus shumardii* | 3" cal. | 12' ht., 5' spread |
| | | **ORNAMENTAL TREES** | | | |
| 12 | MP | Mexican Plum | *Prunus mexicana* | 30 gal. | 8' ht., 4' spread min. |
| | | **SHRUBS** | | | |
| 48 | DBH | Dwarf Burford Holly | *Ilex cornuta ' Burford Nana'* | 5 gal. | full, 20" spread, 36" o.c. |
| 28 | DY | Dwarf Yaupon Holly | *Ilex vomitoria 'Condeaux'* | 5 gal. | full, 24" sprd, 24" o.c. |
| 7 | MS | Morning Light Miscanthus | *Miscanthus sinensis 'Morning Light'* | 5 gal. | full, 20" spread, 36" o.c. |
| 26 | TS | Texas Sage 'Thundercloud' | *Leucophyllum frutescens 'Thundercloud'* | 5 gal. | full, 24" sprd, 30" o.c. |
| | | **GROUNDCOVER/VINES/GRASS** | | | |
| 35 | BBL | Big Blue Liriope | *Liriope muscari 'Big Blue'* | 1 gal. | full, 18" o.c. |
| 35 | SC | Seasonal Color | | 4" pots | full, 12" o.c. |
| | | Bermuda Solid Sod | *Cynodon dactylon* | | |
| | | Decomposed Granite | | | |

**Plant list is an aid to bidders only. Contractor shall verify all quantities on plan. All heights and spreads are minimums. Trees shall have a strong central leader and be of matching specimens. All plant material shall meet or exceed remarks as indicated.**

## GENERAL LAWN NOTES

EROSION CONTROL AND SOIL PREPARATION:
THE CONTRACTOR IS RESPONSIBLE FOR MAINTAINING TOP SOIL AT THE CORRECT GRADES. CONTRACTOR TO FINE GRADE AREAS TO REACH FINAL CONTOURS AS SPECIFIED PER CIVIL PLANS. ALL CONTOURS SHOULD ACHIEVE POSITIVE DRAINAGE AWAY FROM BUILDINGS AND STRUCTURES. WATER SHOULD NOT BE ABLE TO POOL IN ANY AREAS UNLESS SPECIFIED OTHERWISE. EROSION FABRIC SUCH AS JUTE MATTING OR OPEN WEAVE TO BE USED WHERE NECESSARY TO PREVENT SOIL EROSION.

ANY LOSS OF TOPSOIL OR GRASS DUE TO EROSION IS THE RESPONSIBILITY OF THE CONTRACTOR UNTIL IT IS 100% ESTABLISHED.

CONTRACTOR TO REMOVE ANY ROCKS 3/4" AND LARGER, STICKS AND DEBRIS PRIOR TO INSTALLATION OF TOPSOIL AND SOD.

FOUR (4") OF TOPSOIL SHALL BE APPLIED TO AREAS DISTURBED BY CONSTRUCTION RECEIVING SOD. IF TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL AS APPROVED BY THE OWNER OR OWNERS REPRESENTATIVE.

TOPSOIL SHALL BE FRIABLE, NATURAL LOAM, FREE OF ROCKS, WEEDS, BRUSH, CLAY LUMPS, ROOTS, TWIGS, LITTER AND ENVIRONMENTAL CONTAMINANTS.

CONTRACTOR SHALL BE RESPONSIBLE FOR SOD UNTIL ACCEPTANCE. THIS SHALL INCLUDE, BUT NOT BE LIMITED TO: MOWING, WATERING, WEEDING, CULTIVATING, CLEANING AND REPLACING DEAD OR BARE AREAS TO KEEP PLANTS IN A VIGOROUS, HEALTHY CONDITION. SOD SHALL BE REPLACED IF NECESSARY.

SOLID SOD:
SOLID SOD SHALL BE PLACED ALONG ALL IMPERVIOUS EDGES, AT A MINIMUM. THIS SHALL INCLUDE CURBS, WALKS, INLETS, MANHOLES AND PLANTING BED AREAS. SOD SHALL COVER OTHER AREAS COMPLETELY AS INDICATED BY PLAN.

SOD SHALL BE STRONGLY ROOTED DROUGHT RESISTANT SOD, NOT LESS THAN 2 YEARS OLD, FREE OF WEEDS AND UNDESIRABLE NATIVE GRASS AND MACHINE CUT TO PAD THICKNESS OF 3/4" (+1/4"), EXCLUDING TOP GROWTH AND THATCH. PROVIDE ONLY SOD CAPABLE OF VIGOROUS GROWTH AND DEVELOPMENT WHEN PLANTED.

DO NOT INSTALL SOD IF IT IS DORMANT OR GROUND IS FROZEN. LAY SOD WITH TIGHTLY FITTING JOINTS, NO OVERLAPS WITH STAGGERED STRIPS TO OFFSET JOINTS.

SOD SHALL BE ROLLED TO CREATE A SMOOTH EVEN SURFACE. SOD SHOULD BE WATERED THOROUGHLY DURING INSTALLATION PROCESS.

SHOULD INSTALLATION OCCUR BETWEEN OCTOBER 1ST AND MARCH 1ST, SOD SHALL INCLUDE AN OVER-SEED OF ANNUAL RYE OR WINTER RYEGRASS AT A RATE OF FOUR POUNDS PER ONE THOUSAND SQUARE FEET FOR A GROWN-IN APPEARANCE. CONTRACTOR SHALL ENSURE CONFORMANCE TO §115.D OF TITLE 7, PART XXIX, HORTICULTURE COMMISSION CHAPTER 1.

HYDROMULCH:

SCARIFY SURFACE TO A MINIMUM OF 2" DEPTH PRIOR TO THE IMPORT TOPSOIL APPLICATION. TOP SOIL SHALL BE PLACED 2" IN DEPTH IN ALL AREAS TO BE SEEDED. CONTRACTOR TO SUPPLY HIGH □UALITY IMPORTED TOPSOIL HIGH IN HUMAS AND ORGANIC CONTENT FROM A LOCAL SUPPLY. IMPORTED TOPSOIL SHALL BE REASONABLY FREE OF CLAY LUMPS, COARSE SANDS, STONES, ROOTS AND OTHER FOREIGN DEBRIS.

IF INADE□UATE MOISTURE IS PRESENT IN SOIL, APPLY WATER AS NECESSARY FOR OPTIMUM MOISTURE FOR SEED APPLICATION.

ALL SEED SHALL BE HIGH □UALITY, TREATED LAWN TYPE SEED AND IS FREE OF NOXIOUS GRASS SEEDS. THE SEED APPLICATION SHALL BE UNIFORMLY DISTRIBUTED ON THE AREAS INDICATED ON PLANS. HYDROMULCH WITH BERMUDA GRASS SEED AT A RATE OF TWO POUNDS PER ONE THOUSAND S□UARE FEET.

IF INSTALLATION OCCURS BETWEEN OCTOBER 1ST AND APRIL 1ST, ALL HYDORMULCH AREAS SHALL BE OVER-SEEDED WITH ANNUAL RYE GRASS AT A RATE OF FOUR POUNDS PER ONE THOUSAND S□UARE FEET. CONTRACTOR TO RE-HYDROMULCH WITH BERMUDA GRASS AT THE END OF THE ANNUAL RYE GROWING SEASON.

AFTER APPLICATION, NO E□UIPMENT SHALL OPERATE OVER APPLIED AREAS. WATER SEEDED AREAS IMMEDIATELY AFTER INSTALLATION TO SATURATION.

ALL LAWN AREAS TO BE HYDROMULCHED SHALL ACHIEVE 100□ COVERAGE PRIOR TO FINAL ACCEPTANCE.

## LANDSCAPE NOTES

REFERENCE SITEWORK AND SPECIFICATIONS FOR INFORMATION NEEDED FOR LANDSCAPE WORK.

CONTRACTOR TO VERIFY AND LOCATE ALL PROPOSED AND EXISTING STRUCTURES. NOTIFY LANDSCAPE ARCHITECT OR DESIGNATED REPRESENTATIVE FOR ANY LAYOUT DISCREPANCIES OR ANY CONDITION THAT WOULD PROHIBIT THE INSTALLATION AS SHOWN.

CONTRACTOR SHALL CALL 811 TO VERIFY AND LOCATE ANY AND ALL UTILITIES ON SITE PRIOR TO COMMENCING WORK. LANDSCAPE ARCHITECT SHOULD BE NOTIFIED OF ANY CONFLICTS.

A MINIMUM OF 2% SLOPE SHALL BE PROVIDED AWAY FROM ALL STRUCTURES.

LANDSCAPE ISLANDS SHALL BE CROWNED, AND UNIFORM THROUGHOUT THE SITE.

ALL PLANTING AREAS SHALL BE GRADED SMOOTH TO ACHIEVE FINAL CONTOURS AS INDICATED ON PLAN WITH 3" OF TOPSOIL AND 3" OF COMPOST AND CONSISTENTLY BLENDED TO A DEPTH OF 9". ALL BEDS SHALL BE CROWNED TO ANTICIPATE SETTLEMENT AND ENSURE PROPER DRAINAGE.

PLANTING AREAS AND SOD TO BE SEPARATED BY STEEL EDGING. EDGING TO BE GREEN IN COLOR AND A MINIMUM OF 3/16" THICK. EDGING SHALL BE STAKED FROM THE INSIDE OF BED. EDGING NOT TO BE MORE THAN 1/2" ABOVE FINISHED GRADE.

MULCH SHALL BE INSTALLED AT 1/2" BELOW THE TOPS OF SIDEWALKS AND CURBING.

QUANTITIES ON THESE PLANS ARE FOR REFERENCE ONLY. THE SPACING OF PLANTS SHOULD BE AS INDICATED ON PLANS OR OTHERWISE NOTED. ALL TREES AND SHRUBS SHALL BE PLANTED PER DETAILS.

CONTAINER GROWN PLANT MATERIAL IS PREFERRED HOWEVER BALL AND BURLAP PLANT MATERIAL CAN BE SUBSTITUTED IF NEED BE AND IS APPROPRIATE TO THE SIZE AND QUALITY INDICATED ON THE PLANT MATERIAL LIST.

TREES SHALL BE PLANTED AT A MINIMUM OF 5' FROM ANY UTILITY LINE, SIDEWALK OR CURB. TREES SHALL ALSO BE 10' CLEAR FROM FIRE HYDRANTS.

4" OF SHREDDED HARDWOOD MULCH (2" SETTLED THICKNESS) SHALL BE PLACED OVER 4.1 OZ WOVEN, WEED BARRIER FABRIC OR APPROVED EQUAL. WEED BARRIER FABRIC SHALL BE USED IN PLANT BEDS AND AROUND ALL TREES AND SHALL BE DE WITT 'WEED BARRIER' OR APPROVED EQUAL. MULCH SHALL BE SHREDDED BARK OR RUBBER LANDSCAPE MULCH, PINE STRAW MULCH IS PROHIBITED.

CONTRACTOR TO PROVIDE UNIT PRICING OF LANDSCAPE MATERIALS AND BE RESPONSIBLE FOR OBTAINING ALL LANDSCAPE AND IRRIGATION PERMITS.

IRRIGATION:
IN THE ABSENCE OF AN IRRIGATION SYSTEM OR AREAS BEYOND THE COVERAGE LIMITS OF A PERMANENT IRRIGATION SYSTEM, CONTRACTOR SHALL WATER SOD TEMPORARILY, BY ANY MEANS AVAILABLE, TO DEVELOP ADEQUATE GROWTH. TURF SHALL BE IN 100% ESTABLISHMENT AT THE TIME OF ACCEPTANCE.

ALL PLANTING BEDS SHALL HAVE AN AUTOMATIC IRRIGATION SYSTEM WITH A FREEZE/RAIN SENSOR. SYSTEM SHALL ALSO HAVE AN ET WEATHER BASED CONTROLLER AND BE DESIGNED AND INSTALLED BY A LICENSED IRRIGATOR.

MAINTENANCE RE□UIREMENTS:
VEGETATION SHOULD BE INSPECTED REGULARLY TO ENSURE THAT PLANT MATERIAL IS ESTABLISHING PROPERLY AND REMAINS IN A HEALTHY GROWING CONDITION APPROPRIATE FOR THE SEASON. IF DAMAGED OR REMOVED, PLANTS MUST BE REPLACED BY A SIMILAR VARIETY AND SIZE.

MOWING, TRIMMING, EDGING AND SUPERVISION OF WATER APPLICATIONS SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR UNTIL THE OWNER OR OWNER'S REPRESENTATIVE ACCEPTS AND ASSUMES REGULAR MAINTENANCE.

ALL LANDSCAPE AREAS SHOULD BE CLEANED AND KEPT FREE OF TRASH, DEBRIS, WEEDS AND OTHER MATERIAL.

MISCELLANEOUS MATERIALS:

STEEL EDGING SHALL BE 3/16" X 4 X 16' DARK GREEN DURAEDGE STEEL LANDSCAPE EDGING.

DECOMPOSED GRANITE SHALL CONSIST OF A NATURAL MIX OF GRANITE AGGREGATE NOT TO EXCEED 1/8" IN DIAMETER AND COMPOSED OF VARIOUS STAGES OF DECOMPOSED EARTH BASE. DG SHALL BE PLACED OVER FILTER FABRIC AT A MINIMUM OF 3" DEPTH.

## LANDSCAPE TABULATIONS
### ROCKWALL, TEXAS - SH205 Overlay

**I-30 OVERLAY REQUIREMENTS**

1. Buffer strips shall be a minimum of 20' wide and include a berm or shrubbery or a combination of both along the entire length of the property's frontage along the SH-205 r.o.w. The minimum required height is 30" and shall not exceed a maximum height of 48".
2. Three canopy trees along with four accent trees are required per 100 feet of the SH-205 r.o.w.

SH205 = 312 l.f.

| REQUIRED | PROVIDED |
|---|---|
| 20' wide buffer berm and/or shrubs | 20' wide buffer shrubs 36" ht. |
| 9 canopy trees, 4" cal. | 4 canopy trees, 4" cal.; 5 existing trees |
| 12 accent trees, 4' ht. | 12 accent trees, 4' ht. |

**PARKING LOT LANDSCAPE**

1. Surface parking shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges and be a min. 3' in height, 80% opaque.

2. There shall be a landscape island every 10 parking spaces. One shade tree shall be provided for every 10 cars. (84 parking spaces)

| REQUIRED | PROVIDED |
|---|---|
| 36" screen | 36" screen |
| 8 canopy trees, 4" cal. | 9 canopy trees, 4" cal.; 1 existing 20" Elm |

## PLANT SCHEDULE

| QTY | LABEL | COMMON NAME | SCIENTIFIC NAME | SIZE | NOTES |
|---|---|---|---|---|---|
| | | **SHADE TREES** | | | |
| 4 | CE | Cedar Elm | *Ulmus crassifolia* | 3" cal. | 12' ht., 4' spread, matching |
| 9 | SO | Shumard Oak | *Quercus shumardii* | 3" cal. | 12' ht., 5' spread |
| | | **ORNAMENTAL TREES** | | | |
| 12 | MP | Mexican Plum | *Prunus mexicana* | 30 gal. | 8' ht., 4' spread min. |
| | | **SHRUBS** | | | |
| 48 | DBH | Dwarf Burford Holly | *Ilex cornuta ' Burford Nana'* | 5 gal. | full, 20" spread, 36" o.c. |
| 28 | DY | Dwarf Yaupon Holly | *Ilex vomitoria 'Condeaux'* | 5 gal. | full, 24" sprd, 24" o.c. |
| 7 | MS | Morning Light Miscanthus | *Miscanthus sinensis 'Morning Light'* | 5 gal. | full, 20" spread, 36" o.c. |
| 26 | TS | Texas Sage 'Thundercloud' | *Leucophyllum frutescens 'Thundercloud'* | 5 gal. | full, 24" sprd, 30" o.c. |
| | | **GROUNDCOVER/VINES/GRASS** | | | |
| 35 | BBL | Big Blue Liriope | *Liriope muscari 'Big Blue'* | 1 gal. | full, 18" o.c. |
| 35 | SC | Seasonal Color | | 4" pots | full, 12" o.c. |
| | | Bermuda Solid Sod | *Cynodon dactylon* | | |
| | | Decomposed Granite | | | |

**Plant list is an aid to bidders only. Contractor shall verify all quantities on plan. All heights and spreads are minimums. Trees shall have a strong central leader and be of matching specimens. All plant material shall meet or exceed remarks as indicated.**

TREE PRESERVATION NOTES

CONSTRUCTION METHODS:

BORING: BORING OF UTILITIES UNDER PROTECTED TREES MAY BE REQUIRED, WHEN REQUIRED, THE MINIMUM LENGTH OF THE BORE SHALL BE THE WIDTH OF THE CRITICAL ROOT ZONE AND SHALL BE A MINIMUM DEPTH OF FORTY (48) INCHES.

TRENCHING: ALL TRENCHING SHALL BE DESIGNED TO AVOID TRENCHING ACROSS CRITICAL ROOT ZONES OF ANY PROTECTED TREE. THE PLACEMENT OF UNDERGROUND UTILITY LINES SUCH AS ELECTRIC, PHONE, GAS, ETC., IS ENCOURAGED TO BE LOCATED OUTSIDE THE CRITICAL ROOT ZONE. TRENCHING FOR IRRIGATION SYSTEMS SHALL BE PLACED OUTSIDE THE CRITICAL ROOT ZONE EXCEPT THE MINIMUM REQUIRED SINGLE HEAD SUPPLY LINE. THIS LINE IS ALLOWED TO EXTEND INTO THE CRITICAL ROOT ZONE PERPENDICULAR TO THE TREE TRUNK WITH THE LEAST POSSIBLE DISTURBANCE.

TREES TO BE REMOVED: ALL TREES TO BE REMOVED FROM THE SITE SHALL BE FLAGGED BY THE CONTRACTOR WITH BRIGHT RED VINYL TAPE WRAPPED AROUND THE MAIN TRUNK AT A HEIGHT OF FOUR (4) FEET ABOVE GRADE.

TREES TO REMAIN: ALL TREES TO REMAIN, AS NOTED ON DRAWINGS, SHALL HAVE PROTECTIVE FENCING LOCATED AT THE TREES DRIP LINE. THE PROTECTIVE FENCING SHALL BE LOCATED AS INDICATED ON THE TREE PROTECTION DETAIL.

EXISTING TREES NOTED TO REMAIN SHALL BE PROTECTED DURING CONSTRUCTION FROM DAMAGE AND COMPACTION OF SOIL UNDER AND AROUND DRIP LINE OF TREE.

UNDER NO CIRCUMSTANCE SHALL THE CONTRACTOR PRUNE ANY PORTION OF THE DAMAGED TREE WITHOUT THE PRIOR APPROVAL BY THE OWNER'S AUTHORIZED REPRESENTATIVE.

PROHIBITED ACTIVITIES IN CRITICAL ROOT ZONE:
THE FOLLOWING ACTIVITIES ARE PROHIBITED IN THE AREAS NOTED AS THE CRITICAL ROOT ZONE.

MATERIAL STORAGE: NO MATERIALS INTENDED FOR USE IN CONSTRUCTION, OR WASTE MATERIALS ACCUMULATED DUE TO EXCAVATION OR DEMOLITION, SHALL BE PLACED WITHIN THE LIMITS OF THE CRITICAL ROOT ZONE OF ANY PROTECTED TREE.

EQUIPMENT CLEANING/LIQUID DISPOSAL: NO EQUIPMENT SHALL BE CLEANED, OR OTHER LIQUIDS DEPOSITED OR ALLOWED WITHIN THE LIMITS OF THE CRITICAL ROOT ZONE OF A PROTECTED TREE. THIS INCLUDES, WITHOUT LIMITATION: PAINT, OIL, SOLVENTS, ASPHALT, CONCRETE, MORTAR OR SIMILAR MATERIALS.

TREE ATTACHMENTS: NO SIGNS, WIRES, OR OTHER ATTACHMENTS, OTHER THAN THOSE OF A PROTECTIVE NATURE, SHALL BE ATTACHED TO ANY PROTECTED TREE.

VEHICULAR TRAFFIC: NO VEHICULAR AND/OR CONSTRUCTION, EQUIPMENT, TRAFFIC, OR PARKING SHALL TAKE PLACE WITHIN THE LIMITS OF THE CRITICAL ROOT ZONE OF ANY PROTECTED TREE OTHER THAN ON EXISTING STREET PAVEMENT.

GRADE CHANGES: A MINIMUM OF 75% OF THE DRIP LINE AND ROOT ZONE SHALL BE PRESERVED AT NATURAL GRADE. ANY FINE GRADING DONE WITHIN THE CRITICAL ROOT ZONES OF THE PROTECTED TREES MUST BE DONE WITH LIGHT MACHINERY SUCH AS A BOBCAT OR LIGHT TRACTOR. NO EARTH MOVING EQUIPMENT WITH TRACKS IS ALLOWED WITHIN THE CRITICAL ROOT ZONE OF THE TREES.

PROCEDURES REQUIRED PRIOR TO CONSTRUCTION:
PROTECTIVE FENCING: PRIOR TO CONSTRUCTION, THE CONTRACTOR OR SUBCONTRACTOR SHALL CONSTRUCT AND MAINTAIN, FOR EACH PROTECTED TREE ON A CONSTRUCTION SITE, A PROTECTIVE FENCING WHICH ENCIRCLES THE OUTER LIMITS OF THE CRITICAL ROOT ZONE OF THE TREE TO PREVENT IT FROM CONSTRUCTION ACTIVITY. ALL PROTECTIVE FENCING SHALL BE IN PLACE PRIOR TO COMMENCEMENT OF ANY SITE WORK, AND REMAIN IN PLACE UNTIL ALL EXTERIOR WORK HAS BEEN COMPLETED.

BARK PROTECTION: IN SITUATIONS WHERE A PROTECTED TREE REMAINS IN THE IMMEDIATE AREA OF INTENDED CONSTRUCTION, AND THE LANDSCAPE ARCHITECT OR OWNER'S REPRESENTATIVE DETERMINES THE TREE BARK TO BE IN DANGER OF DAMAGE BY CONSTRUCTION EQUIPMENT OR OTHER ACTIVITY, THE CONTRACTOR OR SUBCONTRACTOR SHALL PROTECT THE TREE BY ENCLOSING THE ENTIRE CIRCUMFERENCE OF THE TREE WITH 2"X4" LUMBER ENCIRCLED WITH WIRE OR OTHER MEANS THAT DO NOT DAMAGE THE TREE. THE INTENT IS TO PROTECT THE BARK OF THE TREE AGAINST INCIDENTAL CONTACT BY LARGE CONSTRUCTION EQUIPMENT.

(6/21/2019 9:44 AM SH)
- Minimum 20' wide easements. Water line to be centered in easement with 10' of easement on either side of the line.
- Dumpster to drain to an oil/water separator.
- 12" water line to be installed along John King and tie into Airport Rd. Water line to be in 20' easement, not the ROW.
- No sand allowed under paving.
- Drainage culvert to be out of TXDOT ROW.
- Fire Hydrant to have 10' parking island for safety.
- 4:1 maximum slope.
- Monument sign can't be in the detention easement.
- Each of the storm outfalls must have a 1% sloped concrete flume to prevent erosion. This flume will connect the outfall to the next intake.
- No grate inlets allowed.
- Median in Justin Road to be stamped and stained in the truck.
- Must have 20' offiste sewer easement for the connection.
- Can't tie the water line under John King.
- Water line can't be in City property.
- All parking agianst the building to be 20'x9'.
- All fire hyrdants to be placed 5' back from the curb.

The following is for your information for engineering design.
- 4% Engineering fees
- Impact fees
- Walls 3' and over must be engineered.
- All retaining walls to be rock or stone face. No smooth concrete walls.
- No utilities in Detention Must have 2' of freeboard from the 100-year water surface to the detention easement.
- Utilities to have 10' Easement on both sides of the line
- Min 20' easements
- No structures or utilities in detention easement
- 4:1 Max slope
- Must build Justin Rd.
- TxDOT permit for John King utilities
- Off-site esmts required for sewer
- Sidewalk along Justin
- Show dedication of rows for Justin
- Show dedication (future) of row for TxDOT Plans for John King. No detention allowed in future row of John King
- Need Note: Dimensions are to face curb or edge of paving? (unless stated)
- Must meet all City Standards of Design and Construction

(6/21/2019 9:45 AM SH)
Landscaping: No trees are allowed to be within 5' ofany utility.

|---|---|---|---|---|---|---|---|

SP2019-024 Site Plan for Friendship Baptist Church: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

1. This is a request by Shannon Thomas of Rockwall Friendship Baptist Church for the approval of a site plan for a church on a 6.03-acre tract of land being identified as Tract 2-4 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located east of the intersection of Justin Road and John King Boulevard
2. For questions or comments concerning this case please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
3. For reference, include the case number (SP2019-024) in the lower right hand corner of all pages on future submittals.
4. Site Plan—Please show and label the landscape buffers along John King and Justin Road.
5. Site Plan—Please note, the landscape buffer is 25-feet.
6. Site Plan—Please provide radii
7. Site Plan—Please provide a separate floorplan at a larger size and remove it from other plans. It is difficult to read the floorplan on the site plan.
8. Site Plan—Please breakdown each use (e.g. office, classroom, etc.)
9. Site Plan—Please remove monument sign—That is taken care of with a separate process.
10. Site Plan—Although there are labels within the building and close surrounding areas, it is not legible.
11. Site Plan—Please show grass as a stipple hatch pattern to differentiate from concrete.
12. Site Plan—For clarity, please show the property line as a solid, bold line and label.
13. Site Plan—It appears that some of your 18-foot parking spaces will need to be 20-feet—Please see engineering comments.
14. Site Plan—Please label all utilities and sidewalks.
15. Site Plan—Please show and label required sidewalk adjacent to John King Blvd. and Justin Rd.
16. Site Plan—Please dimension all walls (e.g. the recesses on the west side of the building are not dimensioned).
17. Landscape Plan—Please label the property line
18. Landscape Plan—Please show and label the landscape buffers
19. Landscape Plan—Please show grass/groundcover as a stipple hatch pattern.
20. Landscape Plan—Please indicate all sidewalks
21. Landscape Plan—Please note, the dumpster cannot face the street.
22. Please Provide a photometric plan.
23. Building Elevations—Please note, the John King Overlay requires 4-sided architecture. The rear of the building will have to have a parapet.
24. Building Elevations—Please show rooftop equipment and how it will be screen on all elevations.
25. Building Elevations—Please provide a different hatch for each building material being utilized.
26. Building Elevations—Please do not include windows and doors in your calculations or materials tables.
27. Building Materials—It would be helpful to have renderings from the rear of the building. It is difficult to understand the elevations. For instance, on the east elevation, there is a parapet, however, on the west elevation, there is a metal roof. Additionally, there is a show wall on the lefthand side of the north elevation, however, it blends with the building and makes it appear that the doors are cut off.
28. Building Elevations—Please provide shadows to help show projections and recesses on the building.
29. Building Elevations—The west elevation does not appear to show the projecting element with the pitched roof.
30. Building Elevations—Please use a different lineweight/type for dimensions vs structure. It is confusing as drawn.
31. Building Elevations—Please note that there is a min 20% natural stone and a maximum 50% stucco requirement. The tile is a secondary material that has a max of 10%. As shown, masonry exceptions will be required.
32. Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on July 2, 2019. The Planning and Zoning Worksession is on June 25th, 2019. The Planning and Zoning Meeting will be July 9th, 2019. Both meetings start at 6:00 p.m. The ARB meetings will be at 5:00 p.m. on the meeting dates.

Notes: Accessory, mounting and control information is for reference only unless otherwise noted.

### Introduction

The modern styling of the D-Series is striking yet unobtrusive – making a bold, progressive statement, while blending harmoniously with its environment. The D-Series size1lis the benefits of the latest in LED technology into a high performance, high efficacy, long-life luminaire.

The outstanding photometric performance results in sites with excellent uniformity, greater pole spacing and lower power density. It is ideal for use in Class I, II, and III, general area in pedestrian and area lighting applications with typical energy savings of 65% and expected service life of over 100,000 hours.

### A+ Capable Luminaire

This item is an A+ capable luminaire, which has been designed and tested to provide consistent color appearance and system-level interoperability.

- All configurations of this luminaire meet the Acuity Brands' specification for chromatic consistency.
- This luminaire is A+ Certified when ordered with DTL® DLL® 2nd Generation sensors. Sensors/DTL DLL equipped luminaires meet the A+ specification for luminaire to photocontrol interoperability.
- This luminaire is part of an A+ Certified solution for ROAM® or XPoint™ Wireless control networks, providing out-of-the-box control compatibility with simple commissioning, when ordered with DTL DLL equipped options marked by a shaded background.

To learn more about A+, visit www.acuitybrands.com/aplus.

See ordering tree for details.

A+ Certified Solutions for ROAM require the order of one ROAM node per luminaire. Sold Separately: Link to Roam, Link to DTL DLL

LED wall luminaire - asymmetric floodlight

**BEGA**

**Application**
Designed for indirect or direct lighting effects for interior and exterior locations. This LED wall luminaire is for illuminating surfaces adjacent to the installation surface, such as ceilings, arches, and canopies.

**Material**
Luminaire housing and faceplate constructed of die-cast marine grade, copper free (≤0.3% copper content) A360.0 aluminum alloy
Reflector made of pure anodized aluminum
High temperature silicone gasket
Mechanically captive stainless steel fasteners

**NOTE,** tested to North American Standards, suitable for wet locations
Protection class IP65
Weight: 2.18lbs

**Electrical**
Operating voltage 120-277V AC
Minimum start temperature -20°C
LED module wattage 42.2W
System wattage 54 W
Dimmability 0-10V dimmable
Color rendering index Ra > 80
Luminaire lumens 2982 lumens (3000K)
Color temperature 3000K (±300K)
Lifetime at Ta= 25°C 280,000 h (L70)

**Color temperature**
□ 3000K - Product number = **84**
□ 4000K - Product number = **N34**
□ 3000K - Product number = **K3 (EXPIRED)**
□ 4000K - Product number = **K4**

**BEGA** Add-on modules for up to 10 years LED replacement modules for up to 20 years after the purchase of LED luminaires - see website for details

**Finish**
All BEGA standard finishes are matte, textured polyester powder coat with minimum 3 mil thickness.

LITHONIA LIGHTING®

Catalog Number
Notes
Type

**Anchor Base Poles**

# SSS

**SQUARE STRAIGHT STEEL**

## FEATURES & SPECIFICATIONS

**INTENDED USE — These architectural poles fit Lithonia Lighting® and other specified luminaires.** Square Straight Steel has a general purpose light pole for up to 30 foot mounting heights. The pole provides a robust yet cost effective option for mounting area lights and floodlights.

**CONSTRUCTION — Pole Shaft:** The pole shaft is of uniform dimension and wall thickness and is made from one piece of high strength steel. Pole shaft is 4" square (nominal) with a wall thickness of 0.125" (11 gauge, .119"), or 0.105" (12 gauge, .104"). Shaft is one piece with a full length longitudinal high frequency electric resistance weld, (butterfly) square to round section with flat sides, shaft corner radii and transition sections are formed to ensure uniform wall thickness.

**Pole Tops:** A flush pole mounts flush top cap is provided for all poles that will receive drilling patterns for side-mount luminaire arm assemblies or when ordered with 0° options.

**Handhole:** A reinforced handhole with grounding provision is provided at 18" from the base on side S. Positioning the handhole lower may not be possible and requires engineering review; consult Tech Support. Handhole is fitted with a corrosion resistant cover and tamper-proof stainless steel hardware. The handhole has a nominal dimension of 2" x 4".

**Base Covers:** A durable ABS plastic two-piece full base cover, finished to match the pole, is provided with each pole. Base covers are secured to the pole with stainless steel hardware.

**Anchor Base Poles:** Anchor base is fabricated from steel that meets ASTM A36 standards and can be shimmed to match existing foundations; smooth factory for modifications. Anchor bolts are manufactured from steel that meets ASTM F1554 standards and are hot-dipped galvanized per ASTM A153. Top Threaded anchor bolts terminate 4" (1") from dipped galvanized per ASTM A 153.

**HARDWARE — All structural fasteners are high-strength galvanized carbon steel. All non-structural fasteners are galvanized or zinc plated carbon steel or stainless steel.**

**FINISH — Extra durable standard powder coat finishes include Dark Bronze, White, Black, Medium Bronze and Natural Aluminum. Consult factory for complete selection of RAL colors. Also available in Textured Dark Bronze, Textured Black, Textured White and Special Order colors. Architectural Colors and Special Finishes are available for quote and include, but are not limited to Hot dipped Galvanized, Paint over Hot dipped Galvanized, Mill, Colors, Custom Colors and Textures, Powertex Finishes. Factory applied primer paint finish is available for corrosion field paint applications.**

**WARRANTY — 1 year limited warranty. Complete warranty terms located at:** www.acuitybrands.com/CustomerResources/Terms_and_conditions.asp

**NOTE:** Actual performance may differ as a result of end-user environment and application.
Specifications subject to change without notice.

LED recessed wall - shielded

**BEGA**

**Application**
Designed for low mounting heights for interior and exterior locations, the LED recessed wall luminaire is for illuminating surfaces adjacent to the installation of grazing surfaces, building entrances, stairs, and footpaths.

**Material**
Luminaire housing and faceplate constructed of die-cast marine grade, copper free (≤0.3% copper content) A360.0 aluminum alloy
White safety glass
Stainless steel screws gasket
Mechanically captive stainless steel fasteners

**NOTE,** tested to North American Standards, suitable for wet locations
Protection class IP65
Weight: 5.05lbs

**Electrical**
Operating voltage 120-277V AC
Minimum start temperature -20°C
LED module wattage 7.7W
System wattage 8.5W
Dimmability 0-10V dimmable
Color rendering index Ra > 90
Color temperature 3000K Kelvin (3000K)
Lifetime at Ta =-10 °C 450,000 h (L70)
Lifetime at Ta=-30°C 350,000 h (L70)

**Color temperature**
□ 3000K - Product number = **K4**
□ 3000K - Product number = **K99**

P8.0 SS

Crosspointe Architects authorizes the use of our plans/drawings/specifications for construction of this project only. Any other use is prohibited. Plans must comply with all local building codes, ordinances, regulations and requirements in effect at the time of construction. Crosspointe Architects and Marshall Engineering Corporation assume no responsibility for all modifications required by local or state authorities or regulations. The purchaser agrees to hold Crosspointe Architects and Marshall Engineering Corporation harmless for modifications made to the design without the express written consent of the architects. Purchaser agrees to verify all conditions at the job site, and for construction means, dimensions and site conditions at the job site, and for construction means, methods, techniques, sequences and procedures. Purchaser agrees to hire a licensed engineer to design the foundation and structural components of the project. By constructing these plans the purchaser agrees to the terms above and assumes all responsibility for any and all claims which may arise out of the use of these documents.

Designs, plans and specifications are copyright © 2015 Stephen K. Upham and may not be reproduced, published or used in any way without the express written permission of the author. All rights reserved under the Federal Copyright Act, Title 17 of the U.S.C. and Chapter 37 of the U.S.C. as Amended December 1, 1990. The architect retains copyright to his designs, plans and specifications and the right of visual control over the use of any structure designed by the architect. The Buyerand design user can not be sold, loaned or used by the Buyer for any other purpose than the specific project for which they were prepared. Any reuse without written permission or an agreement with appropriate professional fee is prohibited. Any unauthorized reuse or modification shall be at the Buyer's sole risk and without liability to the architect. The Buyer shall indemnify and hold the architect harmless from all claims, damages, losses, expenses including attorney's fees arising out of or resulting from such reuse or modification. Submission or distribution of these documents to meet official regulatory requirements or for other purposes in connection with this project is not to be construed as publication in derogation of the architect's reserved rights.

REGISTERED ARCHITECT
STEPHEN K. URBANOVSKY
STATE OF TEXAS
Expires: 2-19-2020
Sealed: 5-21-2019

**NOTE:** These drawings are preliminary and shall not be used for construction or final bidding unless sealed by the architect above

These plans and specifications are copyrighted © 2015 Stephen K. Urbanovsky dba Crosspointe Architects. These designs and plans are protected under the Federal Copyright Act of 1976 (17 U.S.C.) and other laws. Under the Code of Federal Regulations, and Section 102 of the Copyright Act, 17 U.S.C. 102, ownership of copyright in an architectural work includes the design and only grants limited licenses to purchasers to construct one building from the plans and specifications. Unauthorized use of these instruments of the architect's service and shall remain the property of the architect whether the project for which they are made is executed or not. Re-use by another entity or group, in some cases, additional drawings by other consultants may be required to complete the project. Re-use without written consent, or without appropriate compensation to the architect, will be prohibited by law and will subject the unauthorized user to legal action. Re-use of these plans for additions, alterations or repairs to existing buildings or for engineering and drawings may be required for a complete set of plans.

Crosspointe Architects is authorize the use of our planning/specifications only by the purchaser of the plans and specifications and only for the purchaser's use and agreement to strictly comply with all drawings, notes and specifications. Any changes made to these plans and specifications during construction must be approved by the architect. Crosspointe Architects, Stephen K. Urbanovsky, and their consultants shall not be responsible for any changes made to the design or drawings after delivery, nor for any unauthorized or incorrect use of the plans and specifications, nor for any consequences due to changes made to the design or drawings after delivery. The purchaser agrees to assume all responsibility for any consequences due to changes made to the design or drawings after delivery. The purchaser agrees to assume all responsibility for any consequences due to changes made to the design or drawings after delivery. The purchaser agrees to indemnify and hold harmless Crosspointe Architects and the architect, staff and consultants from all claims, damages, losses, expenses, including attorney's fees arising out of or resulting therefrom. The purchaser's obligation to indemnify and hold harmless Crosspointe Architects and the architect, staff and consultants shall survive the completion of the project and shall be binding on the purchaser and all successors and assigns of the purchaser. In the event of any dispute between the purchaser and Crosspointe Architects and the architect, staff and consultants, the prevailing party shall be entitled to recover reasonable attorney's fees and expenses from the non-prevailing party.

(6/21/2019 11:48 AM SH)
- KE Andrews Pkwy must be 37' back to back with a 60' ROW.
- Water line must be centered in a 20' easement.
- Minimum easement is 20'.
- No grate inlets allowed.
- All parking against the building to be 20'x9'. All other parking to be 18'x9' with a 2' clear overhang.
- If parking isle median is planned to have lights and trees, the median must be 5' minimum. Two feet of clear overhang is required.
- Parking islands for fire hydrants must be 10' wide. The hydrant must be set 5' back from the curb.
- No aerial sewer crossing allowed.
- Include the lot and block numbers for the small parcel to the west of KE Andrews Pkwy.
- Must label all driveway spacing.
- Show wetland/WOUS dedication per IES report
- Must show dedicated 100yr water surface in eng. plans w/ erosion hazard set back.
- show proposed and ex. utilities on plan

(water & sewer)
- Retaining wall along the floodplain must have a traffic rated guardrail
- Trees close to the sidewalk will cause uplifting later on
- No trees within 5' of any utility.
- Move the water connection out from under the bushes.
- Dumpster to drian to an oil/water separator and then to the storm lines.
- Retaining wall is not allowed in the ROW.
- Must show existing and proposed utilities.

The following is for your information for engineering design
- 4% Engineering fees
- Impact fees
- Walls 3' and over must be engineered
- All retaining walls must be rock or stone face. No smooth concrete walls allowed.
- Must have detention
- Must complete a flood study if touching the creek. Review fees apply
- Detention must be above the existing 100-year water surface
- Parking against the building must be 20'x9' min.
- Dumpster area to drawn to oil/water separator then storm.
- wall along road and creek may not be needed if fire lane can be looped below building.
- Any disturbed areas in ROW will be required to be sodded prior to engineering acceptance and certificate of occupancy.
- Show wetland/WOUS dedication per IES report
- Must show dedicated 100yr water surface in eng. plans w/ erosion hazard set back.
- show proposed and ex. utilities on plan

(water & sewer)
- Must meet all City Standards of Design and Construction

| PLANNING | David Gonzales | 6/17/2019 | 6/24/2019 | 6/20/2019 | 3 | COMMENTS | See comments |

Discuss and consider a request by Matt Lucas, PE of Kimley Horn on behalf of Kevin J. Lloyd of 2424 MTA Realty, LLC for the approval of a site plan for an office building on a 9.7-acre tract of land identified at Tract 15 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southwest corner of Ridge Road [FM-740] and Turtle Cove Boulevard, and take any action necessary.

PLANNING AND ZONING 1ST ROUND STAFF COMMENTS (06.20.2019):

The following staff comments are to be addressed and resubmitted no later than Tuesday July 2, 2019. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

** Planning Department General Comments & Requirements to address/acknowledge:

1. Adherence to the Unified Development Code (UDC), Planning, Building Inspections, Engineering and Fire Department standards shall be required.
2. Submittal and approval of a Civil Engineering Plans, and Final Plat prior to issuance of a Certificate of Occupancy (CO).
3. Label all revised site plan documents with "Case No. SP2019-025" at the lower right corner of each plan.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION TO CONSIDER:

1. To allow for allow for secondary materials to exceed a maximum of 10% (i.e. MP-1 & MP-2).

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested for a subsequent/final review by staff:

Site Plan:
1. Delineate and label the minimum 20-ft landscape buffer along the property line Ridge Road and minimum 10-ft along Andrews Parkway.
2. Provide a hatch or use a lighter gray scale for 10 future parking spaces.
3. Remove label "Medium Duty Firelance..."
4. Provide detail for minimum 10-ft tall masonry screening wall for loading zone/dock.
5. Label firelane as "24-ft Firelane, Public Access, and Utility Easement".
6. Provide label on unused portion of lot next to rail road tracks as "Open Space to be Maintained by Property Owner."

Landscape Plan:
1. 1. Delineate and label the minimum 20-ft landscape buffer along the property line Ridge Road and minimum 10-ft along KE Andrews Parkway.
2. Provide a minimum of two (2), four (4)-caliper inch canopy trees and four (4) accent trees for each 100 linear feet within the 20-ft landscape buffer along Ridge Road.
3. Provide one (1), three (3)-caliper inch canopy tree for each 50 linear feet within the landscape buffer along KE Andrews Parkway.
4. Correct Planting Details - Plant Schedule Table to indicate a minimum four (4)-caliper inch canopy tree(s) to be lcoated within the Ridge Road landscape buffer.
5. Planting Plan Sheet LP 1.01: Correct table to indicate minimum 20-ft Landscape Buffer for Scenic Overlay (Ridge Road).
6. Planting Plan Sheet LP1.01: Correct table to indicate a minimum of two (2), four (4)-caliper inch trees (i.e. 7 trees) & four (4) accent trees (i.e. 13) per 100 linear feet within the 20-ft Landscape Buffer (Scenic Overlay District Standard).

Treescape Plan:
1. Recalculate tree mitigation based on city's tree preservation ordinance. Call to discuss if necessary.

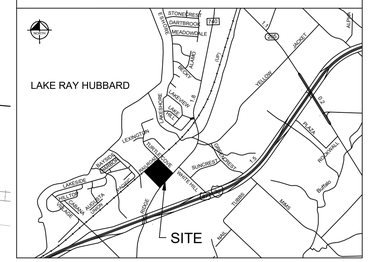
Photometric Plan:
1. Provide foot candle reading coverage for site to all property lines All readings are not to exceed 0.2-FC at the property lines. Revise plan.
2. Pole height not to exceed 20-ft OAH (include base, pole, and attachments). Provide detail.
3. Provide cut sheets for all exterior lighting fixtures (i.e. wall mounted fixtures). Exterior lighting fixtures are to be shielded with a full cut-off so as to not create glare.

Building Elevations:
1. See all exception being requested based on sumbittal at top of report.
2. Provide color rendering for Architectural Review Board (ARB) review.
3. Dash in RTU's on elevations. RTU's and other roof top equipement must be visually screened from adjacent properties and rights of way.

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board - June 25, 2019 (5:00 p.m.) [ARB to provide comments]



Planning - Work Session: June 25, 2019 (6:00p.m.) [Applicant to present/discuss project]

Architectural Review Board - July 9, 2019 (5:00 p.m.) [ARB to provide recommendation]

Planning - Action: July 9, 2019 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, deny)]

MATCHLINE SHEET LP 1.00

| City of Rockwall - Article VIII - Landscape Standards | REQUIRED | PROVIDED |
|---|---|---|
| TOTAL LANDSCAPE AREA REQUIREMENT | | |
| Minimum square footage requirements for landscaping shall be provided and maintained in the zoning districts. 422,488 SF x 15% = 63,373 SF | 15% (63,373 SF) | 60.5% (255,700 SF) |
| LANDSCAPE BUFFER STRIP | | |
| A minimum 10' wide landscape buffer strip must be provided along the entire length of the portion of the perimeter of any commercial or industrial lot that abuts, without an alley or drive separation, or is directly across a public street from a residential zoning district. | Yes | Yes |
| A street landscape buffer strip with a minimum width of 10' must be provided along the entire length of the property to the developed that is adjacent to a major arterial or collector street. | Yes | N/A |
| STREET LANDSCAPING | | |
| One large tree shall be provided in the required buffer in numbers equal to one tree for each 50 feet of street frontage (excluding driveways and access-ways) Due to existing utility conflicts along Ridge Road and Turtle Cove Boulevard, various trees have been placed around the site. | | |
| Ridge Road - 334' / 50' = 7 Trees | 7 Trees | 7 Trees |
| Collector Road - 486' / 50' = 10 Trees | 10 Trees | 10 Trees |
| SCREENING OF OFF-STREET LOADING DOCKS | | |
| Off-street loading docks in commercial zoning classifications must be screening from: 1. All public streets 2. Any residential district that abuts or is directly across a public street or alley from the lot. | Yes | Yes |
| PARKING LOT LANDSCAPING | | |
| Any parking lot with more than two rows of spaces shall have a minimum of 5% or 200 SF in the interior of the parking lot in landscaping. Such landscaping shall be counted toward the total landscaping. Total Parking Area = 106,191 sf | 5% (5,310 sf) | 10.6% (11,293 sf) |
| If parking and maneuvering space exceeds 20,000 square feet, one large canopy tree for every ten required parking spaces shall be required internal to the parking lot. (268 required parking spaces / 10 = 27 trees) | 27 Trees | 27 Trees |
| No required parking space may be located more than 80 feet from the trunk of a large canopy tree. | Yes | Yes |
| All trees must be internal to the parking lot. | Yes | Yes |
| No tree shall be planted closer than 2 1/2' to the pavement. | Yes | Yes |
| DETENTION BASINS | | |
| Detention basins shall have a minimum of one tree for each 750 square feet of dry land area OR detention areas that utilize native grasses in lieu of turf shall be exempt from the requirements stipulated by section 5.12.C. Instead, 1 shrub or ornamental grass per every 1,500 sf of dry land area shall be required to be planted on site or around the detention area. (20,813 sf / 1500 sf =14 Shrubs) | 14 Shrubs and Native Grasses | 14 Shrubs and Native Grasses |

| City of Rockwall - Article VIII - Landscape Standards | | |
|---|---|---|
| | REQUIRED | PROVIDED |
| TOTAL LANDSCAPE AREA REQUIREMENT | | |
| Minimum square footage requirements for landscaping shall be provided and maintained in the zoning districts. 422,488 SF x 15% = 63,373 SF | 15% (63,373 SF) | 60.5% (255,700 SF) |
| LANDSCAPE BUFFER STRIP | | |
| A minimum 10' wide landscape buffer strip must be provided along the entire length of the portion of the perimeter of any commercial or industrial lot that abuts, without an alley or drive separation, or is directly across a public street from a residential zoning district. | Yes | Yes |
| A street landscape buffer strip with a minimum width of 10' must be provided along the entire length of the property to the developed that is adjacent to a major arterial or collector street. | Yes | N/A |
| STREET LANDSCAPING | | |
| One large tree shall be provided in the required buffer in numbers equal to one tree for each 50 feet of street frontage (excluding driveways and access-ways) Due to existing utility conflicts along Ridge Road and Turtle Cove Boulevard, various trees have been placed around the site. | | |
| Ridge Road - 334' / 50' = 7 Trees | 7 Trees | 7 Trees |
| Collector Road - 486' / 50' = 10 Trees | 10 Trees | 10 Trees |
| SCREENING OF OFF-STREET LOADING DOCKS | | |
| Off-street loading docks in commercial zoning classifications must be screening from: 1. All public streets 2. Any residential district that abuts or is directly across a public street or alley from the lot. | Yes | Yes |
| PARKING LOT LANDSCAPING | | |
| Any parking lot with more than two rows of spaces shall have a minimum of 5% or 200 SF in the interior of the parking lot in landscaping. Such landscaping shall be counted toward the total landscaping. Total Parking Area = 106,191 sf | 5% (5,310 sf) | 10.6% (11,293 sf) |
| If parking and maneuvering space exceeds 20,000 square feet, one large canopy tree for every ten required parking spaces shall be required internal to the parking lot. (268 required parking spaces / 10 = 27 trees) | 27 Trees | 27 Trees |
| No required parking space may be located more than 80 feet from the trunk of a large canopy tree. | Yes | Yes |
| All trees must be internal to the parking lot. | Yes | Yes |
| No tree shall be planted closer than 2 1/2' to the pavement. | Yes | Yes |
| DETENTION BASINS | | |
| Detention basins shall have a minimum of one tree for each 750 square feet of dry land area OR detention areas that utilize native grasses in lieu of turf shall be exempt from the requirements stipulated by section 5.12.C. Instead, 1 shrub or ornamental grass per every 1,500 sf of dry land area shall be required to be planted on site or around the detention area. (20,813 sf / 1500 sf =14 Shrubs) | 14 Shrubs and Native Grasses | 14 Shrubs and Native Grasses |
| | | |

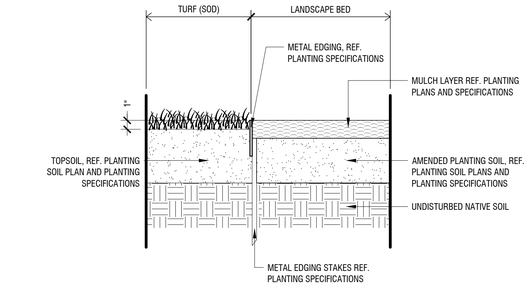
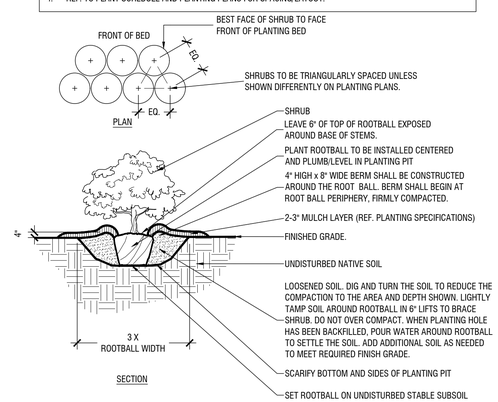
## PLANTING NOTES:



1. CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFYING THE LOCATIONS OF ALL UNDERGROUND UTILITIES, PIPES, STRUCTURES, AND LINE RUNS IN THE FIELD PRIOR TO THE INSTALLATION OF ANY PLANT MATERIAL.
2. IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO ADVISE THE LANDSCAPE ARCHITECT OF ANY CONDITION FOUND ON SITE WHICH PERMITS INSTALLATION AS SHOWN ON THESE DRAWINGS.
3. ALL PLANT MATERIAL SHALL BE MAINTAINED IN A HEALTHY, GROWING CONDITION AND MUST BE REPLACED WITHIN 30 DAYS WITH PLANT MATERIAL OF THE SAME VARIETY AND SIZE IF DAMAGED, DESTROYED, OR REMOVED.
4. CONTRACTOR SHALL BE RESPONSIBLE FOR FINE GRADING AND REMOVAL OF DEBRIS PRIOR TO PLANTING IN ALL AREAS.
5. FINAL FINISH GRADING SHALL BE REVIEWED AND APPROVED BY THE LANDSCAPE ARCHITECT. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY ADDITIONAL TOPSOIL REQUIRED TO CREATE A SMOOTH CONDITION PRIOR TO PLANTING.
6. CONTRACTOR SHALL VERIFY ALL PLANT QUANTITIES. ALL PLANT QUANTITIES ARE LISTED FOR INFORMATION PURPOSES ONLY. IT IS THE CONTRACTOR'S RESPONSIBILITY TO PROVIDE FULL COVERAGE IN ALL PLANTING AREAS AS SHOWN ON THE PLANS AND SPECIFIED IN THE PLANT SCHEDULE.
7. CONTRACTOR TO PROVIDE STEEL EDGING BETWEEN ALL PLANTING BEDS AND TURF AREAS UNLESS OTHERWISE INDICATED ON THE DRAWINGS.
8. ALL PLANT MATERIAL SHALL CONFORM TO THE SPECIFICATIONS GIVEN IN THE PLANT SCHEDULE, PLANTING DETAILS, AND PLANTING SPECIFICATIONS.
9. ALL PLANT MATERIAL SHALL MEET INDUSTRY STANDARDS AS INDICATED IN THE CURRENT EDITION OF THE AMERICAN STANDARD FOR NURSERY STOCK (ANSI Z60.1).
10. ALL PLANT MATERIAL SUBSTITUTIONS SHALL BE APPROVED BY LANDSCAPE ARCHITECT PRIOR TO PURCHASE.
11. CONTRACTOR IS RESPONSIBLE FOR ALL COORDINATION WITH OTHER CONTRACTORS ON SITE AS REQUIRED TO ACCOMPLISH ALL PLANTING OPERATIONS.
12. ALL PLANTING AREAS SHALL RECEIVED SOIL AMENDMENTS AS NOTED ON THE PLANTING SOIL PLANS, DETAILS, AND SPECIFICATIONS.
13. PLANT MATERIAL SHALL BE PRUNED PER PLANTING SPECIFICATIONS UNLESS OTHERWISE NOTED ON DRAWINGS.
14. PLANTING AREAS SHALL BE KEPT FREE OF TRASH, WEEDS, DEBRIS, AND DEAD PLANT MATERIAL.
15. ALL LIME STABILIZED SOIL AND INORGANIC SELECT FILL FOR BUILDING OR PAVING CONSTRUCTION SHALL BE REMOVED FROM ALL PLANTING BEDS TO A MINIMUM DEPTH OF 24" UNLESS OTHERWISE NOTED ON PLANTING SOILS PLANS. REPLACE MATERIAL REMOVED WITH IMPORTED TOPSOIL.
16. TREES OVERHANGING PEDESTRIAN WALKS SHALL BE LIMBED TO A HEIGHT OF SEVEN FEET (7'). TREE OVERHANGING PUBLIC STREETS AND FIRELANES SHALL BE LIMBED TO A HEIGHT OF FOURTEEN FEET (14').
17. TREES PLANTED NEXT TO ACCESSIBLE ROUTES AND ACCESSIBLE AREAS SHALL BE LIMBED TO 7'6" (80" MIN.) AFF.
18. ALL PROPSED TREES SHALL BE STAKED WITH AN AT-GRADE ROOT BALL SECURING SYSTEM AS SHOWN IN THE PLANTING DETAILS AND SPECIFICATIONS. NO ABOVE-GROUND STAKING SYSTEMS, GUY WIRES/WIRES, HOSES, STRAPS, POSTS (METAL OR WOOD) SHALL BE ALLOWED UNLESS AUTHORIZED IN WRITING BY THE LANDSCAPE ARCHITECT.

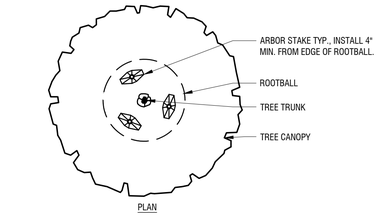
NOTES:
1. REF. PLANTING SPECIFICATIONS FOR ADDITIONAL INFORMATION.
2. REF. PLANT SCHEDULE AND PLANTING PLANS FOR SPACING/LAYOUT.

## TYPICAL GROUNDCOVER PLANTING — B



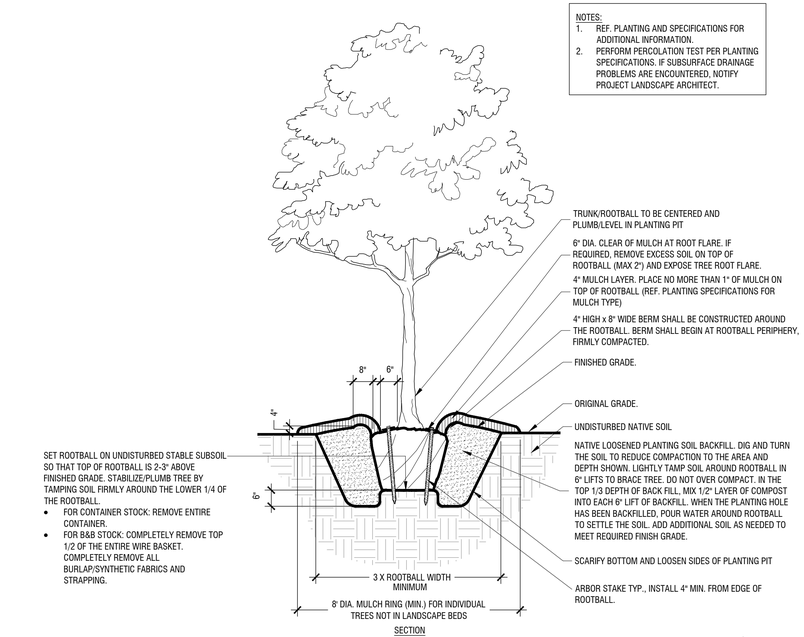
Scale: NTS

## METAL EDGING (AT TURF & LANDSCAPE BED) — D



Scale: 1 1/2" = 1'-0"

NOTES:
1. REF. PLANTING SPECIFICATIONS FOR ADDITIONAL INFORMATION.
2. WHEN SHRUBS MASSED TOGETHER WITH GROUNDCOVER BEDS, ALL SOIL IN BED TO BE AMENDED. (REF. PLANTING SPECIFICATIONS)
3. WHEN SHRUBS ARE USED IN MASSES, PRUNE ALL SHRUBS TO ACHIEVE UNIFORM MASS/HEIGHT.
4. REF. TO PLANT SCHEDULE AND PLANTING PLANS FOR SPACING/LAYOUT.



## TYPICAL SHRUB PLANTING — C

Scale: NTS

NOTES:
1. REF. PLANTING AND SPECIFICATIONS FOR ADDITIONAL INFORMATION.
2. PERFORM PERCOLATION TEST PER PLANTING SPECIFICATIONS. IF SUBSURFACE DRAINAGE PROBLEMS ARE ENCOUNTERED, NOTIFY PROJECT LANDSCAPE ARCHITECT.

## TYPICAL TREE PLANTING — A

Scale: NTS

## SECTION 32 9210: LAWNS AND GRASSES

## PART 1 - GENERAL

**1.1 SECTION INCLUDES**

A. FURNISH ALL LABOR, MATERIAL, EQUIPMENT RELATED SERVICES AND SUPERVISION NECESSARY FOR OR INCIDENTAL TO THE INSTALLATION OF THE LAWNS AND GRASSES AS SHOWN OR INDICATED ON THE DRAWINGS AND/OR AS SPECIFIED.

B. WORK INCLUDED:
   1. SOIL PREPARATION AND FINE GRADING.
   2. FERTILIZATION.
   3. GRASS SODDING

**1.2 SUBMITTALS**

A. DELIVERY RECEIPTS AND INVOICES: SUBMIT ORIGINAL DELIVERY RECEIPTS AND INVOICES FOR MATERIALS USED.

B. PRODUCT DATA: SUBMIT SAMPLE LABEL OR SPECIFICATION OF FERTILIZER.

C. CERTIFICATE: SUBMIT STATE CERTIFICATE STATING VARIETY AND PURITY OF GRASS SOD.

D. SOIL FERTILITY TEST REPORTS:
   1. SUBMIT ANALYSIS, TEST RESULTS AND CORRECTIVE RECOMMENDATIONS TO THE OWNER'S REPRESENTATIVE.
   2. ONE TEST PER MEDIAN IS REQUIRED OF EXISTING SOIL TAKEN AT DIFFERENT LOCATIONS ON THE PROJECT SITE AS DIRECTED BY THE OWNER'S REPRESENTATIVE.

**1.3 PROTECTION**

A. PROTECT PAVING SURFACES, CURBS, UTILITIES, PLANT MATERIALS, AND OTHER EXISTING IMPROVEMENTS FROM DAMAGE BY HEAVY EQUIPMENT.

B. LOCATE AND STAKE IRRIGATION HEADS, VALVE RISERS AND EQUIPMENT PRIOR TO BEGINNING SOIL PREPARATION WORK.

C. DURING WORK AND MAINTENANCE PERIOD, MAINTAIN TOPSOIL IN PLACE AT ESTABLISHED GRADES. REPLACE TOPSOIL AND GRASS LOSSES DUE TO EROSION.

D. PROTECT IN PLACE WORK FROM DAMAGE BY HEAVY EQUIPMENT. PREPARE, GRADE, LEVEL, AND REPLANT DAMAGED AREAS.

**1.4 SUBSTANTIAL COMPLETION & PROJECT CLOSEOUT**

A. A CERTIFICATE OF SUBSTANTIAL COMPLETION WILL BE ISSUED WHEN THE WORK PERFORMED UNDER THE CONTRACT HAS BEEN REVIEWED AND FOUND, TO THE OWNER'S REPRESENTATIVE'S BEST KNOWLEDGE, INFORMATION, AND BELIEF, TO BE SUBSTANTIALLY COMPLETE. SUBSTANTIAL COMPLETION IS THE STAGE IN THE PROGRESS OF THE WORK WHEN THE WORK OR DESIGNATED PORTION THEREOF IS SUFFICIENTLY COMPLETE IN ACCORDANCE WITH THE CONTRACT DOCUMENTS SO THE OWNER CAN OCCUPY OR UTILIZE THE WORK FOR ITS INTENDED USE. THE DATE OF SUBSTANTIAL COMPLETION OF THE PROJECT OR PORTION THEREOF IS ALSO THE DATE OF COMMENCEMENT OF APPLICABLE GUARANTEES AS SPECIFIED.

B. A LIST OF ITEMS TO BE COMPLETED OR CORRECTED WILL BE ATTACHED TO THE CERTIFICATE OR SUBSTANTIAL COMPLETION. THE FAILURE TO INCLUDE ANY ITEMS ON SUCH LIST DOES NOT ALTER THE RESPONSIBILITY OF THE CONTRACTOR TO COMPLETE ALL WORK IN ACCORDANCE WITH THE CONTRACT DOCUMENTS.

C. THE CONTRACTOR WILL COMPLETE OR CORRECT THE WORK ON THE LIST OF ITEMS WITHIN A SPECIFIC NUMBER OF DAYS AS SHOWN ON THE CERTIFICATE OF SUBSTANTIAL COMPLETION.

D. UPON COMPLETION AND RE-INSPECTION OF ALL CORRECTED ITEMS LISTED, THE OWNER'S REPRESENTATIVE WILL RECOMMEND TO THE OWNER THAT THE WORK OF THIS SECTION IS READY FOR FINAL ACCEPTANCE.

**1.5 QUALITY ASSURANCE**

A. GENERAL: COMPLY WITH APPLICABLE FEDERAL, STATE, COUNTY AND LOCAL REGULATIONS GOVERNING LANDSCAPE MATERIALS AND WORK.

B. PERSONNEL: EMPLOY ONLY EXPERIENCED PERSONNEL WHO ARE FAMILIAR WITH THE REQUIRED WORK. PROVIDE SUPERVISION BY A QUALIFIED FOREMAN.

**1.6 GUARANTEE**

A. GUARANTEE LAWNS AND GRASSES FOR ONE YEAR AFTER DATE OF FINAL ACCEPTANCE AT THE END OF THIS GUARANTEE PERIOD, ALL LAWN AND GRASS AREAS WILL HAVE ACHIEVED COVERAGE OF THE SPECIFIED GRASS AT A DENSITY OF 100% COVERAGE, FREE OF WEEDS, UNDESIRABLE GRASS SPECIES, DISEASE, AND INSECTS. REPLACE DEAD MATERIALS AND MATERIALS NOT IN VIGOROUS, THRIVING CONDITION AS SOON AS WEATHER PERMITS AND ON NOTIFICATION BY THE OWNER'S REPRESENTATIVE.

B. REPLACE LAWNS AND GRASSES WITH SAME KIND AS ORIGINALLY PLANTED, AT NO COST TO THE OWNER. PROTECT IRRIGATION SYSTEM AND OTHER PIPING, CONDUIT, OR OTHER WORK DURING REPLACEMENT. REPAIR DAMAGE IMMEDIATELY.

**1.7 JOB CONDITIONS**

A. DO NOT INSTALL SOD ON SATURATED OR FROZEN SOIL.

B. SOD INSTALLATION SHALL BE SUBJECT TO SUITABILITY OF THE WEATHER AND OTHER CONDITIONS AFFECTING SOD GROWTH.

**1.8 PROGRESS MEETINGS**

A. CONTRACTOR SHALL ATTEND ALL PROGRESS MEETINGS AS REQUESTED BY THE OWNER'S REPRESENTATIVE DURING INSTALLATION.

**1.9 QUANTITY VERIFICATION**

A. THE BIDDING CONTRACTOR IS RESPONSIBLE FOR THE INCLUSION OF ALL MATERIALS, LABOR AND EQUIPMENT AS OUTLINED IN THE PLANS AND SPECIFICATION. THE PLANT LIST IS PROVIDED TO THE BIDDING CONTRACTOR AS A CONVENIENCE AND THE QUANTITIES ARE APPROXIMATE. VERIFICATION OF ALL QUANTITIES IS THE SOLE RESPONSIBILITY OF THE BIDDING CONTRACTOR. ANY DISCREPANCIES MUST BE REPORTED TO THE OWNER'S REPRESENTATIVE PRIOR TO SUBMITTAL OF BID.

## PART 2 PRODUCTS

**2.1 GRASS**

A. GENERAL:
   1. SOD SHALL BE NURSERY GROWN ON CULTIVATED AGRICULTURAL SOILS. SOD SHALL HAVE BEEN MOWED REGULARLY AND CAREFULLY AND OTHERWISE MAINTAINED FROM PLANTING TO HARVEST.
   2. SOD SHALL BE OF SPECIES INDICATED.
   3. THICKNESS OF CUT: SOD SHALL BE CUT TO THE SUPPLIER'S STANDARD WIDTH AND LENGTH. MAXIMUM ALLOWABLE DEVIATION FROM STANDARD WIDTHS AND LENGTHS SHALL BE PLUS OR MINUS .25 INCHES ON WIDTH AND PLUS OR MINUS 5% ON LENGTH.
   4. BROKEN STRIPS AND TORN OR UNEVEN ENDS WILL NOT BE ACCEPTED.
   5. STRENGTH OF SOD STRIPS: SOD STRIPS SHALL BE STRONG ENOUGH TO SUPPORT THEIR OWN WEIGHT AND RETAIN THEIR SIZE AND SHAPE IF SUSPENDED VERTICALLY WHEN GRASPED IN THE UPPER 10% OF THE SECTION.
   6. MOISTURE CONTENT: SOD SHALL NOT BE HARVESTED OR TRANSPLANTED WHEN MOISTURE CONTENT (EXCESSIVELY WET OR DRY) MAY ADVERSELY AFFECT ITS SURVIVAL. SOD SHALL BE STORED IN A COMPACT GROUP TO PREVENT DRYING OUT OR FREEZING.
   7. TIME LIMITATIONS: SOD SHALL BE HARVESTED, DELIVERED, AND TRANSPLANTED WITHIN A 30-HOUR PERIOD UNLESS A SUITABLE PRESERVATION METHOD IS APPROVED BY THE OWNER'S REPRESENTATIVE PRIOR TO DELIVERY. SOD NOT TRANSPLANTED WITHIN THIS PERIOD SHALL BE INSPECTED FOR APPROVAL BY THE OWNER'S REPRESENTATIVE PRIOR TO ITS INSTALLATION.
   8. THATCH: SOD SHALL BE FREE OF THATCH.
   9. DISEASES, NEMATODES AND INSECTS: SOD SHALL BE FREE OF DISEASES, NEMATODES, AND SOIL-BORNE INSECTS.
   10. WEEDS: SOD SHALL BE FREE OF OBJECTIONABLE GRASSY AND BROADLEAF WEEDS.

B. SOD:
   1. CYNODON DACTYLON (COMMON BERMUDA GRASS)

**2.2 FERTILIZER**

A. GENERAL:
   1. FERTILIZER SHALL BE COMMERCIAL PRODUCT, UNIFORM IN COMPOSITION, FREE FLOWING, AND SUITABLE FOR APPLICATION WITH APPROVED EQUIPMENT.
   2. DELIVER FERTILIZER TO SITE IN FULLY LABELED ORIGINAL CONTAINERS.
   3. FERTILIZER WHICH HAS BEEN EXPOSED TO HIGH HUMIDITY AND MOISTURE HAS BECOME CAKED OR OTHERWISE DAMAGED, MAKING IT UNSUITABLE FOR USE, WILL NOT BE ACCEPTABLE.

B. INITIAL APPLICATION:
   1. 17% NITROGEN
   2. 17% PHOSPHORIC ACID
   3. 17% POTASH

C. SECOND APPLICATION:
   1. 21% NITROGEN
   2. 0% PHOSPHORIC ACID
   3. 0% POTASH

## PART 3 EXECUTION

**3.1 GENERAL**

A. EXECUTE GRASS PLANTING OPERATIONS ACROSS SLOPE AND PARALLEL TO FINISHED GRADE CONTOURS.

**3.2 PRE-PLANT WEED CONTROL**

A. IRRIGATED AND NON-IRRIGATED GRASS AREAS:
   1. IF GRASSY OR BROADLEAF WEEDS EXIST ON SITE AT THE BEGINNING OF WORK, SPRAY WITH A NON-SELECTIVE SYSTEMIC CONTACT HERBICIDE, AS RECOMMENDED AND APPLIED BY AN APPROVED LICENSED LANDSCAPE PEST CONTROL ADVISOR AND APPLICATOR. LEAVE SPRAYED PLANTS INTACT FOR AT LEAST 15 DAYS TO ALLOW SYSTEMIC KILL.
   2. CLEAR AND REMOVE THESE EXISTING WEEDS BY MOWING OR GRUBBING OFF ALL PLANT PARTS AT LEAST 0.25 INCHES BELOW THE SURFACE OF THE SOIL OVER THE ENTIRE AREA TO BE PLANTED.

B. IRRIGATED GRASS AREAS ONLY:
   1. AFTER IRRIGATION SYSTEM IS OPERATIONAL, APPLY WATER FOR 5 TO 10 DAYS AS NEEDED TO ACHIEVE WEED GERMINATION. APPLY CONTACT HERBICIDES AND WAIT AS NEEDED BEFORE PLANTING. REPEAT AS NEEDED.
   2. MAINTAIN LAWN AND GRASS AREAS WEED FREE UNTIL FINAL ACCEPTANCE BY OWNER'S REPRESENTATIVE UTILIZING MECHANICAL AND CHEMICAL TREATMENT.

**3.3 SOIL PREPARATION**

A. TILLAGE:
   1. TILLAGE SHALL BE ACCOMPLISHED TO LOOSEN ALL AREAS OF COMPACTED SOIL. WHEN PLACEMENT OF TOPSOIL IS SPECIFIED, TILL COMPACTED AREAS PRIOR TO PLACEMENT.
   2. TILL WITH HEAVY DUTY DISC, ROTOTILLER, OR CHISEL-TYPE BREAKING PLOW, CHISELS SET NOT MORE THAN 10 INCHES APART. TILL TO A DEPTH OF 1 TO 3 INCHES.
   3. INITIAL TILLAGE SHALL BE DONE IN CROSSING PATTERN FOR DOUBLE COVERAGE THEN FOLLOWED BY A DISC HARROW.

B. CLEANING:
   1. REMOVE DEBRIS, BUILDING MATERIALS, RUBBISH, WEEDS, AND STONES LARGER THAN 1 INCH IN DIAMETER.
   2. USE ROCK PICK OR OTHER MACHINERY TO GATHER SURFACE STONES LARGER THAN 1 INCH IN DIAMETER.

C. FINE GRADING:
   1. AFTER TILLAGE AND PLACEMENT OF TOPSOIL, LEVEL, FINE GRADE, AND DRAG WITH A WEIGHTED SPIKE HARROW OR FLOAT DRAG.
   2. ELIMINATE RUTS, DEPRESSIONS, HUMPS, AND OBJECTIONABLE SOIL CLODS.

**3.4 FERTILIZING**

A. THE FERTILIZER TYPES AND RATES SPECIFIED HEREIN ARE APPLICABLE UNLESS COUNTERMANDED BY THE SOIL FERTILITY TEST CORRECTIVE RECOMMENDATIONS, IN WHICH CASE THEY WILL BE APPLICABLE.

B. BERMUDA SODDING:
   1. INITIAL APPLICATION: APPLY NO MORE THAN 5 DAYS PRIOR TO COMMENCEMENT OF SODDING OPERATIONS AT A RATE OF 20 POUNDS PER 1,000 SQUARE FEET. INCORPORATE INTO SOIL WITH A CHAIN HARROW.
   2. SECOND AND THIRD APPLICATIONS: APPLY EVERY 25 DAYS AFTER SODDING AT A RATE OF 10 POUNDS PER 1,000 SQUARE FEET.
   3. IRRIGATE THE AREA WITH A MINIMUM OF .25 INCHES OF WATER TO PROPERLY INCORPORATE THE FERTILIZER INTO THE TURF.

**3.5 PLANTING SOD**

A. WEATHER CONDITIONS:
   1. SCHEDULE WORK FOR PERIODS OF FAVORABLE WEATHER.
   2. SOD PLACEMENT ON DAYS WHICH, IN THE JUDGMENT OF THE OWNER'S REPRESENTATIVE, ARE TOO HOT, COLD, SUNNY, DRY, OR WINDY FOR OPTIMAL INSTALLATION MAY BE PROHIBITED.

B. PLACEMENT PATTERN:
   1. THE FIRST ROW SHALL BE LAID IN A STRAIGHT LINE WITH SUBSEQUENT ROWS PARALLEL TO THE FIRST ROW AND TIGHTLY ABUTTING EACH OTHER.
   2. LATERAL JOINTS SHALL BE STAGGERED. CARE SHALL BE EXERCISED TO ENSURE THAT THE SOD IS NEITHER STRETCHED NOR OVERLAPPED. JOINTS MUST BE BUTTED TIGHTLY TO PREVENT VOIDS THAT COULD PERMIT AIR TO DRY OUT ROOT.
   3. IMMEDIATELY AFTER PLACING, SOD SHALL BE PRESSED FIRMLY INTO CONTACT WITH BED BY TAMPING OR ROLLING TO ELIMINATE AIR POCKETS. FOLLOWING TAMPING, SCREENED TOPSOIL SHALL BE USED TO FILL ALL CRACKS AND EXCESS SOIL SHALL BE WORKED INTO THE SOD WITH RAKES OR OTHER SUITABLE EQUIPMENT. SOD SHALL NOT BE SMOTHERED WITH EXCESS FILL SOIL.
   4. ON SLOPES STEEPER THAN 3 TO 1, SOD SHALL BE SECURED BY GALVANIZED PINS, WOOD PEGS OR OTHER METHODS APPROVED BY THE OWNER'S REPRESENTATIVE.
   5. IMMEDIATELY AFTER SODDING OPERATIONS HAVE BEEN COMPLETED, THE ENTIRE SURFACE SHALL BE COMPACTED WITH A ROLLER OR OTHER APPROVED EQUIPMENT. THE COMPLETED AREA AFTER SODDING SHALL BE UNIFORMLY EVEN, FIRM, AND TRUE TO FINISHED GRADE LINES.

C. WATERING:
   1. INITIAL INSTALLATION: WATER MUST BE APPLIED WITHIN 2 HOURS OF EXPOSURE OF THE SOD TO SUN OR WIND. WATER NEWLY LAID SOD UNTIL SATURATION OF THE ENTIRE AREA IS APPARENT. AS A RESULT OF INITIAL IRRIGATION, STANDING WATER MAY BE PRESENT AND MODERATE TO HEAVY RUN OFF MAY OCCUR. CONTINUE TO IRRIGATE DAILY IN SHORTER DURATIONS SO THE ENTIRE AREA STAYS THOROUGHLY WET BUT WITHOUT STANDING WATER. THE LENGTH OF IRRIGATION TIME AND FREQUENCY OF APPLICATIONS WILL VARY AT DIFFERENT LOCATIONS DUE TO WEATHER CONDITIONS AND INDIVIDUAL SITE CHARACTERISTICS.
   2. AFTER 7 TO 10 DAYS: CHECK FOR NEW ROOT GROWTH BY LIFTING CORNERS OF SOD BLOCKS. IF CONSISTENT ROOT GROWTH OVER THE ENTIRE SITE IS OBSERVED, WATER APPLICATIONS CAN BE REDUCED TO ONCE EVERY OTHER DAY.
   3. AFTER 12 TO 14 DAYS: RECHECK FOR ADDITIONAL ROOTING. IF SOD BLOCKS ARE DIFFICULT TO PULL UP OR ADDITIONAL NEW ROOTS ARE PRESENT ALLOW THE AREA TO DRY TO THE EXTENT THAT MOWING CAN BE PERFORMED.

**3.6 GRADING**

A. MAINTAIN EXISTING ESTABLISHED GRADES, PROTECT TRUE AND EVEN DURING OPERATIONS.

**3.7 EROSION CONTROL**

A. DURING WORK AND MAINTENANCE PERIOD, MAINTAIN TOPSOIL IN PLACE AT ESTABLISHED GRADES. REPLACE TOPSOIL AND TURF GRASS LOSSES DUE TO EROSION.

**3.8 CLEAN-UP**

A. REMOVE EXCESS MATERIAL AND DEBRIS FROM SITE.

**3.9 MAINTENANCE**

A. UNTIL FINAL ACCEPTANCE, MAINTAIN LAWN AND GRASS AREAS BY WATERING, MOWING, WEEDING, SPRAYING, CLEANING AND REPLACING AS NECESSARY TO KEEP THE TURF AND GRASS IN A VIGOROUS, HEALTHY CONDITION.
   1. WATERING: AS NECESSARY.
   2. MOWING:
      a) MOW NEWLY PLANTED GRASS AREAS WEEKLY AFTER INITIAL GROWTH REACHES 1.5 TO 2 INCHES.
   3. WEEDING: REMOVE WEEDS AND FOREIGN GRASS OVER LAWN AND GRASS AREAS AT LEAST ONCE A WEEK. HERBICIDES MAY BE USED ONLY WHEN APPROVED BY THE OWNER'S REPRESENTATIVE.

**END OF SECTION 329210**

# SECTION 329300: PLANTING

## PART 1 GENERAL

### 1.1 SUMMARY

A. THE SCOPE OF WORK INCLUDES ALL LABOR, MATERIALS, APPLIANCES, TOOLS, EQUIPMENT, FACILITIES, TRANSPORTATION AND SERVICES NECESSARY FOR, AND INCIDENTAL TO PERFORMING ALL OPERATIONS IN CONNECTION WITH FURNISHING, DELIVERY, AND INSTALLATION OF PLANT (ALSO KNOWN AS "LANDSCAPING") COMPLETE AS SHOWN ON THE DRAWINGS AND AS SPECIFIED HEREIN.

B. THE SCOPE OF WORK IN THIS SECTION INCLUDES, BUT IS NOT LIMITED TO, THE FOLLOWING:

1. LOCATE, PURCHASE, DELIVER AND INSTALL ALL SPECIFIED PLANTS.
2. WATER ALL SPECIFIED PLANTS.
3. MULCH, FERTILIZE, STAKE, AND PRUNE ALL SPECIFIED PLANTS.
4. MAINTENANCE OF ALL SPECIFIED PLANTS UNTIL THE BEGINNING OF THE WARRANTY PERIOD.
5. PLANT WARRANTY.
6. CLEAN UP AND DISPOSAL OF ALL EXCESS AND SURPLUS MATERIAL.
7. MAINTENANCE OF ALL SPECIFIED PLANTS DURING THE WARRANTY PERIOD.

### 1.2 CONTRACT DOCUMENTS

A. SHALL CONSIST OF SPECIFICATIONS AND GENERAL CONDITIONS AND THE CONSTRUCTION DRAWINGS. THE INTENT OF THESE DOCUMENTS IS TO INCLUDE ALL LABOR, MATERIALS, AND SERVICES NECESSARY FOR THE PROPER EXECUTION OF THE WORK. THE DOCUMENTS ARE TO BE CONSIDERED AS ONE. WHATEVER IS CALLED FOR BY ANY PARTS SHALL BE AS BINDING AS IF CALLED FOR IN ALL PARTS.

### 1.3 RELATED DOCUMENTS AND REFERENCES

A. RELATED DOCUMENTS:

1. DRAWINGS AND GENERAL PROVISIONS OF CONTRACT INCLUDING GENERAL AND SUPPLEMENTARY CONDITIONS AND DIVISION I SPECIFICATIONS APPLY TO WORK OF THIS SECTION
2. RELATED SPECIFICATION SECTIONS
   a. IRRIGATION
   b. LAWN AND GRASSES

B. REFERENCES: THE FOLLOWING SPECIFICATIONS AND STANDARDS OF THE ORGANIZATIONS AND DOCUMENTS LISTED IN THIS PARAGRAPH FORM A PART OF THE SPECIFICATION TO THE EXTENT REQUIRED BY THE REFERENCES THERETO. IN THE EVENT THAT THE REQUIREMENTS OF THE FOLLOWING REFERENCED STANDARDS AND SPECIFICATION CONFLICT WITH THIS SPECIFICATION SECTION THE REQUIREMENTS OF THIS SPECIFICATION SHALL PREVAIL. IN THE EVENT THAT THE REQUIREMENTS OF ANY OF THE FOLLOWING REFERENCED STANDARDS AND SPECIFICATIONS CONFLICT WITH EACH OTHER THE MORE STRINGENT REQUIREMENT SHALL PREVAIL OR AS DETERMINED BY THE OWNERS REPRESENTATIVE.

1. ANSI Z60.1 AMERICAN STANDARD FOR NURSERY STOCK, MOST CURRENT EDITION.
2. ANSI A 300 - STANDARD PRACTICES FOR TREE, SHRUB AND OTHER WOODY PLANT MAINTENANCE, MOST CURRENT EDITION AND ALL PARTS.
3. INTERPRETATION OF PLANT NAMES AND DESCRIPTIONS SHALL REFERENCE THE FOLLOWING DOCUMENTS. WHERE THE NAMES OR PLANT DESCRIPTIONS DISAGREE BETWEEN THE SEVERAL DOCUMENTS, THE MOST CURRENT DOCUMENT SHALL PREVAIL.
   a. USDA - THE GERMPLASM RESOURCES INFORMATION NETWORK (WWW.ARS-GRIN.GOV/NPGS.HTML)
   b. MANUAL OF WOODY LANDSCAPE PLANTS; MICHAEL DIRR; STIPES PUBLISHING, CHAMPAIGN, ILLINOIS; MOST CURRENT EDITION.
   c. THE NEW SUNSET WESTERN GARDEN BOOK, OXMOOR HOUSE, MOST CURRENT EDITION.
4. PRUNING PRACTICES SHALL CONFORM TO RECOMMENDATIONS "STRUCTURAL PRUNING: A GUIDE FOR THE GREEN INDUSTRY" MOST CURRENT EDITION; PUBLISHED BY URBAN TREE FOUNDATION, VISALIA, CALIFORNIA.
5. GLOSSARY OF ARBORICULTURAL TERMS, INTERNATIONAL SOCIETY OF ARBORICULTURE, CHAMPAIGN IL, MOST CURRENT EDITION.

### 1.4 VERIFICATION

A. ALL SCALED DIMENSIONS ON THE DRAWINGS ARE APPROXIMATE. BEFORE PROCEEDING WITH ANY WORK, THE CONTRACTOR SHALL CAREFULLY CHECK AND VERIFY ALL DIMENSIONS AND QUANTITIES, AND SHALL IMMEDIATELY INFORM THE OWNER'S REPRESENTATIVE OF ANY DISCREPANCIES BETWEEN THE INFORMATION ON THE DRAWINGS AND THE ACTUAL CONDITIONS, REFRAINING FROM DOING ANY WORK IN SAID AREAS UNTIL GIVEN APPROVAL TO DO SO BY THE OWNER'S REPRESENTATIVE.

B. IN THE CASE OF A DISCREPANCY IN THE PLANT QUANTITIES BETWEEN THE PLAN DRAWINGS AND THE PLANT CALL OUTS, LIST OR PLANT SCHEDULE, THE NUMBER OF PLANTS OR SQUARE FOOTAGE OF THE PLANTING BED ACTUALLY DRAWN ON THE PLAN DRAWINGS SHALL BE DEEMED CORRECT AND PREVAIL.

### 1.5 PERMITS AND REGULATIONS

A. THE CONTRACTOR SHALL OBTAIN AND PAY FOR ALL PERMITS RELATED TO THIS SECTION OF THE WORK UNLESS PREVIOUSLY EXCLUDED UNDER PROVISION OF THE CONTRACT OR GENERAL CONDITIONS. THE CONTRACTOR SHALL COMPLY WITH ALL LAWS AND ORDINANCES BEARING ON THE OPERATION OR CONDUCT OF THE WORK AS DRAWN AND SPECIFIED. IF THE CONTRACTOR OBSERVES THAT A CONFLICT EXISTS BETWEEN PERMIT REQUIREMENTS AND THE WORK OUTLINED IN THE CONTRACT DOCUMENTS, THE CONTRACTOR SHALL PROMPTLY NOTIFY THE OWNER'S REPRESENTATIVE IN WRITING INCLUDING A DESCRIPTION OF ANY NECESSARY CHANGES AND CHANGES TO THE CONTRACT PRICE RESULTING FROM CHANGES IN THE WORK.

B. WHEREVER REFERENCES ARE MADE TO STANDARDS OR CODES IN ACCORDANCE WITH WHICH WORK IS TO BE PERFORMED OR TESTED, THE EDITION OR REVISION OF THE STANDARDS AND CODES CURRENT ON THE EFFECTIVE DATE OF THIS CONTRACT SHALL APPLY, UNLESS OTHERWISE EXPRESSLY SET FORTH.

C. IN CASE OF CONFLICT AMONG ANY REFERENCED STANDARDS OR CODES OR BETWEEN ANY REFERENCED STANDARDS AND CODES AND THE SPECIFICATIONS, THE MORE RESTRICTIVE STANDARD SHALL APPLY OR OWNER'S REPRESENTATIVE SHALL DETERMINE WHICH SHALL GOVERN.

### 1.6 PROTECTION OF WORK, PROPERTY AND PERSON

A. THE CONTRACTOR SHALL ADEQUATELY PROTECT THE WORK, ADJACENT PROPERTY, AND THE PUBLIC, AND SHALL BE RESPONSIBLE FOR ANY DAMAGES OR INJURY DUE TO HIS/HER ACTIONS.

### 1.7 CHANGES IN THE WORK

A. THE OWNER'S REPRESENTATIVE MAY ORDER CHANGES IN THE WORK, AND THE CONTRACT SUM SHOULD BE ADJUSTED ACCORDINGLY. ALL SUCH ORDERS AND ADJUSTMENTS PLUS CLAIMS BY THE CONTRACTOR FOR EXTRA COMPENSATION MUST BE MADE AND APPROVED IN WRITING BEFORE EXECUTING THE WORK INVOLVED.

B. ALL CHANGES IN THE WORK, NOTIFICATIONS AND CONTRACTOR'S REQUEST FOR INFORMATION (RFI) SHALL CONFORM TO THE CONTRACT GENERAL CONDITION REQUIREMENTS.

### 1.8 CORRECTION OF WORK

A. THE CONTRACTOR, AT THEIR OWN COST, SHALL RE-EXECUTE ANY WORK THAT FAILS TO CONFORM TO THE REQUIREMENTS OF THE CONTRACT AND SHALL REMEDY DEFECTS DUE TO FAULTY MATERIALS OR WORKMANSHIP UPON WRITTEN NOTICE FROM THE OWNER'S REPRESENTATIVE, AT THE SOONEST AS POSSIBLE TIME THAT CAN BE COORDINATED WITH OTHER WORK AND SEASONAL WEATHER DEMANDS.

### 1.9 DEFINITIONS

ALL TERMS IN THIS SPECIFICATION SHALL BE AS DEFINED IN THE "GLOSSARY OF ARBORICULTURAL TERMS" OR AS MODIFIED BELOW.

A. BOXED TREES: A CONTAINER ROOT BALL PACKAGE MADE OF WOOD IN THE SHAPE OF A FOUR-SIDED BOX.

B. CONTAINER PLANT: PLANTS THAT ARE GROWN IN AND/OR ARE CURRENTLY IN A CONTAINER INCLUDING BOXED TREES.

C. DEFECTIVE PLANT: ANY PLANT THAT FAILS TO MEET THE PLANT QUALITY REQUIREMENT OF THIS SPECIFICATION.

D. END OF WARRANTY FINAL ACCEPTANCE: THE DATE WHEN THE OWNER'S REPRESENTATIVE ACCEPTS THAT THE PLANTS AND WORK IN THIS SECTION MEET ALL THE REQUIREMENTS OF THE WARRANTY. IT IS INTENDED THAT THE MATERIALS AND WORKMANSHIP WARRANTY FOR PLANTING, PLANTING SOIL, AND IRRIGATION WORK RUN CONCURRENT WITH EACH OTHER.

E. FIELD GROWN TREES (B&B): TREES GROWING IN FIELD SOIL FOR AT LEAST 12 MONTHS PRIOR TO HARVEST.

F. HEALTHY: PLANTS THAT ARE GROWING IN A CONDITION THAT EXPRESSES LEAF SIZE, CROWN DENSITY, COLOR; AND WITH ANNUAL GROWTH RATES TYPICAL OF THE SPECIES AND CULTIVAR'S HORTICULTURAL DESCRIPTION, ADJUSTED FOR THE PLANTING SITE SOIL, DRAINAGE AND WEATHER CONDITIONS.

G. KINKED ROOT: A ROOT WITHIN THE ROOT PACKAGE THAT BENDS MORE THAN 90 DEGREES.

H. MAINTENANCE: ACTIONS THAT PRESERVE THE HEALTH OF PLANTS AFTER INSTALLATION AND AS DEFINED IN THIS SPECIFICATION.

I. MAINTENANCE PERIOD: THE TIME PERIOD, AS DEFINED IN THIS SPECIFICATION, WHICH THE CONTRACTOR IS TO PROVIDE MAINTENANCE.

J. NORMAL: THE PREVAILING PROTOCOL OF INDUSTRY STANDARD(S).

K. OWNER'S REPRESENTATIVE: THE PERSON APPOINTED BY THE OWNER TO REPRESENT THEIR INTEREST IN THE REVIEW AND APPROVAL OF THE WORK AND TO SERVE AS THE CONTRACTING AUTHORITY WITH THE CONTRACTOR. THE OWNER'S REPRESENTATIVE MAY APPOINT OTHER PERSONS TO REVIEW AND APPROVE ANY ASPECTS OF THE WORK.

L. REASONABLE AND REASONABLY: WHEN USED IN THIS SPECIFICATION RELATIVE TO PLANT QUALITY, IT IS INTENDED TO MEAN THAT THE CONDITIONS CITED WILL NOT AFFECT THE ESTABLISHMENT OR LONG TERM STABILITY, HEALTH OR GROWTH OF THE PLANT. THIS SPECIFICATION RECOGNIZES THAT IT IS NOT POSSIBLE TO PRODUCE PLANTS FREE OF ALL DEFECTS, BUT THAT SOME ACCEPTED INDUSTRY PROTOCOLS AND STANDARDS RESULT IN PLANTS UNACCEPTABLE TO THIS PROJECT.

WHEN REASONABLE OR REASONABLY IS USED IN RELATION TO OTHER ISSUES SUCH AS WEEDS, DISEASED, INSECTS, IT SHALL MEAN AT LEVELS LOW ENOUGH THAT NO TREATMENT WOULD BE REQUIRED WHEN APPLYING RECOGNIZED INTEGRATED PLANT MANAGEMENT PRACTICES.

THIS SPECIFICATION RECOGNIZES THAT SOME DECISIONS CANNOT BE TOTALLY BASED ON MEASURED FINDINGS AND THAT PROFESSIONAL JUDGMENT IS REQUIRED. IN CASES OF DIFFERING OPINION, THE OWNER'S REPRESENTATIVE'S EXPERT SHALL DETERMINE WHEN CONDITIONS ARE JUDGED AS REASONABLE.

M. ROOT BALL: THE MASS OF ROOTS INCLUDING ANY SOIL OR SUBSTRATE THAT IS SHIPPED WITH THE TREE WITHIN THE ROOT BALL PACKAGE.

N. ROOT BALL PACKAGE. THE MATERIAL THAT SURROUNDS THE ROOT BALL DURING SHIPPING. THE ROOT PACKAGE MAY INCLUDE THE MATERIAL IN WHICH THE PLANT WAS GROWN, OR NEW PACKAGING PLACED AROUND THE ROOT BALL FOR SHIPPING.

O. ROOT COLLAR (ROOT CROWN, ROOT FLARE, TRUNK FLARE, FLARE): THE REGION AT THE BASE OF THE TRUNK WHERE THE MAJORITY OF THE STRUCTURAL ROOTS JOIN THE PLANT STEM, USUALLY AT OR NEAR GROUND LEVEL.

P. SHRUB: WOODY PLANTS WITH MATURE HEIGHT APPROXIMATELY LESS THAN 15 FEET.

Q. SPADE HARVESTED AND TRANSPLANTED: FIELD GROWN TREES THAT ARE MECHANICALLY HARVESTED AND IMMEDIATELY TRANSPLANTED TO THE FINAL GROWING SITE WITHOUT BEING REMOVED FROM THE DIGGING MACHINE.

R. STEM: THE TRUNK OF THE TREE.

S. SUBSTANTIAL COMPLETION ACCEPTANCE: THE DATE AT THE END OF THE PLANTING, PLANTING SOIL, AND IRRIGATION INSTALLATION WHERE THE OWNER'S REPRESENTATIVE ACCEPTS THAT ALL WORK IN THESE SECTIONS IS COMPLETE AND THE WARRANTY PERIOD HAS BEGUN. THIS DATE MAY BE DIFFERENT THAN THE DATE OF SUBSTANTIAL COMPLETION FOR THE OTHER SECTIONS OF THE PROJECT.

T. STEM GIRDLING ROOT: ANY ROOT MORE THAN ¼ INCH DIAMETER CURRENTLY TOUCHING THE TRUNK, OR WITH THE POTENTIAL TO TOUCH THE TRUNK, ABOVE THE ROOT COLLAR APPROXIMATELY TANGENT TO THE TRUNK CIRCUMFERENCE OR CIRCLING THE TRUNK. ROOTS SHALL BE CONSIDERED AS STEM GIRDLING THAT HAVE, OR ARE LIKELY TO HAVE IN THE FUTURE, ROOT TO TRUNK BARK CONTACT.

U. STRUCTURAL ROOT: ONE OF THE LARGEST ROOTS EMERGING FROM THE ROOT COLLAR.

V. TREE: SINGLE AND MULTI-STEMMED PLANTS WITH MATURE HEIGHT APPROXIMATELY GREATER THAN 15 FEET.

### 1.10 SUBMITTALS

A. SEE CONTRACT GENERAL CONDITIONS FOR POLICY AND PROCEDURE RELATED TO SUBMITTALS.

B. SUBMIT ALL PRODUCT SUBMITTALS 4 WEEKS PRIOR TO INSTALLATION OF PLANTINGS.

C. PRODUCT DATA: SUBMIT MANUFACTURER PRODUCT DATA AND LITERATURE DESCRIBING ALL PRODUCTS REQUIRED BY THIS SECTION TO THE OWNER'S REPRESENTATIVE FOR APPROVAL. PROVIDE SUBMITTAL FOUR WEEKS BEFORE THE INSTALLATION OF PLANTS.

D. SAMPLES: SUBMIT SAMPLES OF EACH PRODUCT AND MATERIAL WHERE REQUIRED BY THE SPECIFICATION TO THE OWNER'S REPRESENTATIVE FOR APPROVAL. LABEL SAMPLES TO INDICATE PRODUCT, CHARACTERISTICS, AND LOCATIONS IN THE WORK. SAMPLES WILL BE REVIEWED FOR APPEARANCE ONLY. COMPLIANCE WITH ALL OTHER REQUIREMENTS IS THE EXCLUSIVE RESPONSIBILITY OF THE CONTRACTOR.

E. CLOSE OUT SUBMITTALS: SUBMIT TO THE OWNER'S REPRESENTATIVE FOR APPROVAL.

1. PLANT MAINTENANCE DATA AND REQUIREMENTS.

F. WARRANTY PERIOD SITE VISIT RECORD: IF THERE IS NO MAINTENANCE DURING THE WARRANTY PERIOD, AFTER EACH SITE VISIT DURING THE WARRANTY PERIOD, BY THE CONTRACTOR, AS REQUIRED BY THIS SPECIFICATION, SUBMIT A WRITTEN RECORD OF THE VISIT, INCLUDING ANY PROBLEMS, POTENTIAL PROBLEMS, AND ANY RECOMMENDED CORRECTIVE ACTION TO THE OWNER'S REPRESENTATIVE FOR APPROVAL.

### 1.11 OBSERVATION OF THE WORK

A. THE OWNER'S REPRESENTATIVE MAY OBSERVE THE WORK AT ANY TIME. THEY MAY REMOVE SAMPLES OF MATERIALS FOR CONFORMITY TO SPECIFICATIONS. REJECTED MATERIALS SHALL BE IMMEDIATELY REMOVED FROM THE SITE AND REPLACED AT THE CONTRACTOR'S EXPENSE. THE COST OF TESTING MATERIALS NOT MEETING SPECIFICATIONS SHALL BE PAID BY THE CONTRACTOR.

B. THE OWNER'S REPRESENTATIVE SHALL BE INFORMED OF THE PROGRESS OF THE WORK SO THE WORK MAY BE OBSERVED AT THE FOLLOWING KEY TIMES IN THE CONSTRUCTION PROCESS. THE OWNER'S REPRESENTATIVE SHALL BE AFFORDED SUFFICIENT TIME TO SCHEDULE VISIT TO THE SITE. FAILURE OF THE OWNER'S REPRESENTATIVE TO MAKE FIELD OBSERVATIONS SHALL NOT RELIEVE THE CONTRACTOR FROM MEETING ALL THE REQUIREMENTS OF THIS SPECIFICATION.

1. SITE CONDITIONS PRIOR TO THE START OF PLANTING: REVIEW THE SOIL AND DRAINAGE CONDITIONS.
2. COMPLETION OF THE PLANT LAYOUT STAKING: REVIEW OF THE PLANT LAYOUT.
3. PLANT QUALITY: REVIEW OF PLANT QUALITY AT THE TIME OF DELIVERY AND PRIOR TO INSTALLATION. REVIEW TREE QUALITY PRIOR TO UNLOADING WHERE POSSIBLE, BUT IN ALL CASES PRIOR TO PLANTING.
4. COMPLETION OF THE PLANTING: REVIEW THE COMPLETED PLANTING.

### 1.12 PRE-CONSTRUCTION CONFERENCE

A. SCHEDULE A PRE-CONSTRUCTION MEETING WITH THE OWNER'S REPRESENTATIVE AT LEAST SEVEN (7) DAYS BEFORE BEGINNING WORK TO REVIEW ANY QUESTIONS THE CONTRACTOR MAY HAVE REGARDING THE WORK, ADMINISTRATIVE PROCEDURES DURING CONSTRUCTION AND PROJECT WORK SCHEDULE.

### 1.13 QUALITY ASSURANCE

A. SUBSTANTIAL COMPLETION ACCEPTANCE - ACCEPTANCE OF THE WORK PRIOR TO THE START OF THE WARRANTY PERIOD:

1. ONCE THE CONTRACTOR COMPLETES THE INSTALLATION OF ALL ITEMS IN THIS SECTION, THE OWNER'S REPRESENTATIVE WILL OBSERVE ALL WORK FOR SUBSTANTIAL COMPLETION ACCEPTANCE UPON WRITTEN REQUEST OF THE CONTRACTOR. THE REQUEST SHALL BE RECEIVED AT LEAST TEN CALENDAR DAYS BEFORE THE ANTICIPATED DATE OF THE OBSERVATION.
2. SUBSTANTIAL COMPLETION ACCEPTANCE BY THE OWNER'S REPRESENTATIVE SHALL BE FOR GENERAL CONFORMANCE TO SPECIFIED SIZE, CHARACTER AND QUALITY AND NOT RELIEVE THE CONTRACTOR OF RESPONSIBILITY FOR FULL CONFORMANCE TO THE CONTRACT DOCUMENTS, INCLUDING CORRECT SPECIES.
3. ANY PLANTS THAT ARE DEEMED DEFECTIVE AS DEFINED UNDER THE PROVISIONS BELOW SHALL NOT BE ACCEPTED.

B. THE OWNER'S REPRESENTATIVE WILL PROVIDE THE CONTRACTOR WITH WRITTEN ACKNOWLEDGMENT OF THE DATE OF SUBSTANTIAL COMPLETION ACCEPTANCE AND THE BEGINNING OF THE WARRANTY PERIOD AND PLANT MAINTENANCE PERIOD (IF PLANT MAINTENANCE IS INCLUDED).

C. CONTRACTOR'S QUALITY ASSURANCE RESPONSIBILITIES: THE CONTRACTOR IS SOLELY RESPONSIBLE FOR QUALITY CONTROL OF THE WORK.

D. INSTALLER QUALIFICATIONS: THE INSTALLER SHALL BE A FIRM HAVING AT LEAST 5 YEARS OF SUCCESSFUL EXPERIENCE OF A SCOPE SIMILAR TO THAT REQUIRED FOR THE WORK, INCLUDING THE HANDLING AND PLANTING OF LARGE SPECIMEN TREES IN URBAN AREAS. THE SAME FIRM SHALL INSTALL PLANTING SOIL (WHERE APPLICABLE) AND PLANT MATERIAL.

1. INSTALLER FIELD SUPERVISION: WHEN ANY PLANTING WORK IS IN PROGRESS, INSTALLER SHALL MAINTAIN, ON SITE, A FULL-TIME SUPERVISOR WHO CAN COMMUNICATE IN ENGLISH WITH THE OWNER'S REPRESENTATIVE.
2. INSTALLER'S FIELD SUPERVISOR SHALL HAVE A MINIMUM OF FIVE YEARS EXPERIENCE AS A FIELD SUPERVISOR INSTALLING PLANTS AND TREES OF THE QUALITY AND SCALE OF THE PROPOSED PROJECT, AND WHO CAN COMMUNICATE IN ENGLISH WITH THE OWNER'S REPRESENTATIVE.
3. THE INSTALLER'S CREW SHALL HAVE A MINIMUM OF 3 YEARS EXPERIENCED IN THE INSTALLATION OF PLANTING SOIL, PLANTINGS, AND IRRIGATION (WHERE APPLICABLE) AND INTERPRETATION OF SOIL PLANS, PLANTING PLANS AND IRRIGATION PLANS.
4. SUBMIT REFERENCES OF PAST PROJECTS, EMPLOYEE TRAINING CERTIFICATIONS THAT SUPPORT THAT THE CONTRACTORS MEETS ALL OF THE ABOVE INSTALLER QUALIFICATIONS AND APPLICABLE LICENSURES.

### 1.14 PLANT WARRANTY

A. THE CONTRACTOR AGREES TO REPLACE DEFECTIVE WORK AND DEFECTIVE PLANTS. THE OWNER'S REPRESENTATIVE SHALL MAKE THE FINAL DETERMINATION IF PLANTS MEET THESE SPECIFICATIONS OR THAT PLANTS ARE DEFECTIVE.

B. PLANTS WARRANTY SHALL BEGIN ON THE DATE OF SUBSTANTIAL COMPLETION ACCEPTANCE AND CONTINUE FOR THE FOLLOWING PERIODS, CLASSED BY PLANT TYPE:

1. TREES - 1 YEAR.
2. SHRUBS - 1 YEAR.
3. GROUND COVER AND PERENNIAL FLOWER PLANTS - 1 YEAR.
4. BULBS, ANNUAL FLOWER AND SEASONAL COLOR PLANTS - FOR THE PERIOD OF EXPECTED BLOOM OR PRIMARY DISPLAY.

C. WHEN THE WORK IS ACCEPTED IN PARTS, THE WARRANTY PERIODS SHALL EXTEND FROM EACH OF THE PARTIAL SUBSTANTIAL COMPLETION ACCEPTANCES TO THE TERMINAL DATE OF THE LAST WARRANTY PERIOD. THUS, ALL WARRANTY PERIODS FOR EACH CLASS OF PLANT WARRANTY, SHALL TERMINATE AT ONE TIME.

D. ALL PLANTS SHALL BE WARRANTIED TO MEET ALL THE REQUIREMENTS FOR PLANT QUALITY AT INSTALLATION IN THIS SPECIFICATION. DEFECTIVE PLANTS SHALL BE DEFINED AS PLANTS NOT MEETING THESE REQUIREMENTS. THE OWNER'S REPRESENTATIVE SHALL MAKE THE FINAL DETERMINATION THAT PLANTS ARE DEFECTIVE.

E. PLANTS DETERMINED TO BE DEFECTIVE SHALL BE REMOVED IMMEDIATELY UPON NOTIFICATION BY THE OWNER'S REPRESENTATIVE AND REPLACED WITHOUT COST TO THE OWNER, AS SOON AS WEATHER CONDITIONS PERMIT AND WITHIN THE SPECIFIED PLANTING PERIOD.

F. ANY WORK REQUIRED BY THIS SPECIFICATION OR THE OWNER'S REPRESENTATIVE DURING THE PROGRESS OF THE WORK, TO CORRECT PLANT DEFECTS INCLUDING THE REMOVAL OF ROOTS OR BRANCHES, TO OBSERVE FOR OR CORRECT ROOT DEFECTS SHALL NOT BE CONSIDERED AS GROUNDS TO VOID ANY CONDITIONS OF THE WARRANTY. IN THE EVENT THAT THE CONTRACTOR DECIDES THAT SUCH REMEDIATION WORK MAY COMPROMISE THE FUTURE HEALTH OF THE PLANT, THE PLANT OR PLANTS IN QUESTION SHALL BE REJECTED AND REPLACED WITH PLANTS THAT DO NOT CONTAIN DEFECTS THAT REQUIRE REMEDIATION OR CORRECTION.

G. THE CONTRACTOR IS EXEMPT FROM REPLACING PLANTS, AFTER SUBSTANTIAL COMPLETION ACCEPTANCE AND DURING THE WARRANTY PERIOD, THAT ARE REMOVED BY OTHERS, LOST OR DAMAGED DUE TO OCCUPANCY OF PROJECT, LOST OR DAMAGED BY A THIRD PARTY, VANDALISM, OR ANY NATURAL DISASTER.

H. REPLACEMENTS SHALL CLOSELY MATCH ADJACENT SPECIMENS OF THE SAME SPECIES. REPLACEMENTS SHALL BE SUBJECT TO ALL REQUIREMENTS STATED IN THIS SPECIFICATION. MAKE ALL NECESSARY REPAIRS DUE TO PLANT REPLACEMENTS. SUCH REPAIRS SHALL BE DONE AT NO EXTRA COST TO THE OWNER.

I. THE WARRANTY OF ALL REPLACEMENT PLANTS SHALL EXTEND FOR AN ADDITIONAL ONE-YEAR PERIOD FROM THE DATE OF THEIR ACCEPTANCE AFTER REPLACEMENT. IN THE EVENT THAT A REPLACEMENT PLANT IS NOT ACCEPTABLE DURING OR AT THE END OF THE SAID EXTENDED WARRANTY PERIOD, THE OWNER'S REPRESENTATIVE MAY ELECT ONE MORE REPLACEMENT ITEMS OR CREDIT FOR EACH ITEM. THESE TERTIARY REPLACEMENT ITEMS ARE NOT PROTECTED UNDER A WARRANTY PERIOD.

J. DURING AND BY THE END OF THE WARRANTY PERIOD, REMOVE ALL ABOVE GROUND TREE ASSESSMENTS PRESENT (IE.: TREE WRAP, TIES, AND GUYING) UNLESS AGREED TO BY THE OWNER'S REPRESENTATIVE TO REMAIN IN PLACE. ALL TREES THAT DO NOT HAVE SUFFICIENT CALIPER TO REMAIN UPRIGHT, OR THOSE REQUIRING ADDITIONAL ANCHORAGE IN WINDY LOCATIONS, SHALL BE STAKED OR REMAIN STAKED, IF REQUIRED BY THE OWNER'S REPRESENTATIVE.

K. END OF WARRANTY FINAL ACCEPTANCE - ACCEPTANCE OF PLANTS AT THE END OF THE WARRANTY PERIOD.

1. AT THE END OF THE WARRANTY PERIOD, THE OWNER'S REPRESENTATIVE SHALL OBSERVE ALL WARRANTED WORK, UPON WRITTEN REQUEST OF THE CONTRACTOR. THE REQUEST SHALL BE RECEIVED AT LEAST TEN CALENDAR DAYS BEFORE THE ANTICIPATED DATE FOR FINAL OBSERVATION.
2. END OF WARRANTY FINAL ACCEPTANCE WILL BE GIVEN ONLY WHEN ALL THE REQUIREMENTS OF THE WORK UNDER THIS SPECIFICATION AND IN SPECIFICATION SECTION IRRIGATION HAVE BEEN MET.

### 1.15 SELECTION AND OBSERVATION OF PLANTS

A. THE OWNER'S REPRESENTATIVE MAY REVIEW ALL PLANTS SUBJECT TO APPROVAL OF SIZE, HEALTH, QUALITY, CHARACTER, ETC. REVIEW OR APPROVAL OF ANY PLANT DURING THE PROCESS OF SELECTION, DELIVERY, INSTALLATION AND ESTABLISHMENT PERIOD SHALL NOT PREVENT THAT PLANT FROM LATER REJECTION IN THE EVENT THAT THE PLANT QUALITY CHANGES OR PREVIOUSLY EXISTING DEFECTS BECOME APPARENT THAT WERE NOT OBSERVED.

B. PLANT SELECTION: THE OWNER'S REPRESENTATIVE RESERVES THE RIGHT TO SELECT AND OBSERVE ALL PLANTS AT THE NURSERY PRIOR TO DELIVERY AND TO REJECT PLANTS THAT DO NOT MEET SPECIFICATIONS AS SET FORTH IN THIS SPECIFICATION. IF A PARTICULAR DEFECT OR SUBSTANDARD ELEMENT CAN BE CORRECTED AT THE NURSERY, AS DETERMINED BY THE OWNER'S REPRESENTATIVE, THE AGREED UPON REMEDY MAY BE APPLIED BY THE NURSERY OR THE CONTRACTOR PROVIDED THAT THE CORRECTION ALLOWS THE PLANT TO MEET THE REQUIREMENTS SET FORTH IN THIS SPECIFICATION. ANY WORK TO CORRECT PLANT DEFECTS SHALL BE AT THE CONTRACTOR'S EXPENSE.

1. THE OWNER'S REPRESENTATIVE MAY MAKE INVASIVE OBSERVATION OF THE TREE'S ROOT SYSTEM IN THE AREA OF THE ROOT COLLAR AND THE TOP OF THE ROOT BALL IN GENERAL IN ORDER TO DETERMINE THAT THE TREE MEETS THE QUALITY REQUIREMENTS FOR DEPTH OF THE ROOT COLLAR AND PRESENCE OF ROOTS ABOVE THE ROOT COLLAR. SUCH OBSERVATIONS WILL NOT HARM THE PLANT.
2. CORRECTIONS ARE TO BE UNDERTAKEN AT THE NURSERY PRIOR TO SHIPPING.

C. THE CONTRACTOR SHALL BEAR ALL COST RELATED TO PLANT CORRECTIONS.

D. ALL PLANTS THAT ARE REJECTED SHALL BE IMMEDIATELY REMOVED FROM THE SITE AND ACCEPTABLE REPLACEMENT PLANTS PROVIDED AT NO COST TO THE OWNER.

E. SUBMIT TO THE OWNER'S REPRESENTATIVE, FOR APPROVAL, PLANT SOURCES INCLUDING THE NAMES AND LOCATIONS OF NURSERIES PROPOSED AS SOURCES OF ACCEPTABLE PLANTS, AND A LIST OF THE PLANTS THEY WILL PROVIDE. THE PLANT LIST SHALL INCLUDE THE BOTANICAL AND COMMON NAME AND THE SIZE AT THE TIME OF SELECTION. OBSERVE ALL NURSERY MATERIALS TO DETERMINE THAT THE MATERIALS MEET THE REQUIREMENTS OF THIS SECTION.

F. TREES SHALL BE PURCHASED FROM THE GROWING NURSERY. RE-WHOLESALE PLANT SUPPLIERS SHALL NOT BE USED AS SOURCES UNLESS THE CONTRACTOR CAN CERTIFY THAT THE REQUIRED TREES ARE NOT DIRECTLY AVAILABLE FROM A GROWING NURSERY. WHEN RE-WHOLESALE SUPPLIERS ARE UTILIZED, THE CONTRACTOR SHALL SUBMIT THE NAME AND LOCATION OF THE GROWING NURSERY FROM WHERE THE TREES WERE OBTAINED BY THE RE-WHOLESALE SELLER. THE RE-WHOLESALE NURSERY SHALL BE RESPONSIBLE FOR ANY REQUIRED PLANT QUALITY CERTIFICATIONS.

G. THE CONTRACTOR SHALL REQUIRE THE GROWER OR RE-WHOLESALE SUPPLIER TO PERMIT THE OWNER'S REPRESENTATIVE TO OBSERVE THE ROOT SYSTEM OF ALL PLANTS AT THE NURSERY ON JOB SITE PRIOR TO PLANTING INCLUDING RANDOM REMOVAL OF SOIL OR SUBSTRATE AROUND THE BASE OF THE PLANT. OBSERVATION MAY BE AS FREQUENT AND AS EXTENSIVE AS NEEDED TO VERIFY THAT THE PLANTS MEET THE REQUIREMENTS OF THE SPECIFICATIONS AND CONFORM TO REQUIREMENTS.

H. EACH TREE SHALL HAVE A NUMBERED SEAL APPLIED BY THE CONTRACTOR. THE SEAL SHALL BE PLACED ON A LATERAL BRANCH ON THE NORTH SIDE OF THE TREE. THE SEAL SHALL BE A TAMPER PROOF PLASTIC SEAL BEARING THE CONTRACTORS NAME AND A UNIQUE SEVEN-DIGIT NUMBER EMBOSSED ON THE SEAL.

1. DO NOT PLACE SEALS ON BRANCHES THAT ARE SO LARGE THAT THERE IS NOT SUFFICIENT ROOM FOR THE BRANCH GROWTH OVER THE PERIOD OF THE WARRANTY.

I. THE OWNER'S REPRESENTATIVE MAY CHOOSE TO ATTACH THEIR SEAL TO EACH PLANT, OR A REPRESENTATIVE SAMPLE. VIEWING AND/OR SEALING OF PLANTS BY THE OWNER'S REPRESENTATIVE AT THE NURSERY DOES NOT PRECLUDE THE OWNER'S REPRESENTATIVE'S RIGHT TO REJECT MATERIAL WHILE ON SITE. THE CONTRACTOR IS RESPONSIBLE FOR PAYING ANY UP CHARGE FOR THE OWNER'S REPRESENTATIVE TO ATTACH THEIR SEAL TO SPECIFIC PLANTS.

J. WHERE REQUESTED BY THE OWNER'S REPRESENTATIVE, SUBMIT PHOTOGRAPHS OF PLANTS OR REPRESENTATIVE SAMPLES OF PLANTS. PHOTOGRAPHS SHALL BE LEGIBLE AND CLEARLY DEPICT THE PLANT SPECIMEN. EACH SUBMITTED IMAGE SHALL CONTAIN A HEIGHT REFERENCE, SUCH AS A MEASURING STICK. THE APPROVAL OF PLANTS BY THE OWNER'S REPRESENTATIVE VIA PHOTOGRAPH DOES NOT PRECLUDE THE OWNER'S REPRESENTATIVE'S RIGHT TO REJECT MATERIAL WHILE ON SITE.

### 1.16 PLANT SUBSTITUTIONS FOR PLANTS NOT AVAILABLE

A. SUBMIT ALL REQUESTS FOR SUBSTITUTIONS OF PLANT SPECIES, OR SIZE TO THE OWNER'S REPRESENTATIVE, FOR APPROVAL, PRIOR TO PURCHASING THE PROPOSED SUBSTITUTION. REQUEST FOR SUBSTITUTION SHALL BE ACCOMPANIED WITH A LIST OF NURSERIES CONTACTED IN THE SEARCH FOR THE REQUIRED PLANT AND A RECORD OF OTHER ATTEMPTS TO LOCATE THE REQUIRED MATERIAL. REQUESTS SHALL ALSO INCLUDE SOURCES OF PLANTS FOUND THAT MAY BE OF A SMALLER OR LARGER SIZE, OR A DIFFERENT SHAPE OR HABIT TH

### 3.8 SOIL MOISTURE

A. VOLUMETRIC SOIL MOISTURE LEVEL, IN BOTH THE PLANTING SOIL AND THE ROOT BALLS OF ALL PLANTS, PRIOR TO, DURING AND AFTER PLANTING SHALL BE ABOVE PERMANENT WILTING POINT AND BELOW FIELD CAPACITY FOR EACH TYPE OF SOIL TEXTURE WITHIN THE FOLLOWING RANGES.

| SOIL TYPE | PERMANENT WILTING POINT | FIELD CAPACITY |
|---|---|---|
| SAND, LOAMY SAND, SANDY LOAM | 5 - 8% | 12-18% |
| LOAM, SANDY CLAY, SANDY CLAY LOAM | 14 - 25% | 27-36% |
| CLAY LOAM, SILT LOAM | 11 - 22% | 31 - 36% |
| SILTY CLAY, SILTY CLAY LOAM | 22 - 27% | 38 - 41% |

1. VOLUMETRIC SOIL MOISTURE SHALL BE MEASURED WITH A DIGITAL MOISTURE METER. THE METER SHALL BE THE DIGITAL SOIL MOISTURE METER, DSMM500 BY GENERAL SPECIALTY TOOLS AND INSTRUMENTS, OR APPROVED EQUIVALENT.

B. THE CONTRACTOR SHALL CONFIRM THE SOIL MOISTURE LEVELS WITH A MOISTURE METER. IF THE MOISTURE IS TOO HIGH, SUSPEND PLANTING OPERATIONS UNTIL THE SOIL MOISTURE DRAINS TO BELOW FIELD CAPACITY.

### 3.9 INSTALLATION OF PLANTS: GENERAL

A. OBSERVE EACH PLANT AFTER DELIVERY AND PRIOR TO INSTALLATION FOR DAMAGE OF OTHER CHARACTERISTICS THAT MAY CAUSE REJECTION OF THE PLANT. NOTIFY THE OWNER'S REPRESENTATIVE OF ANY CONDITION OBSERVED.

B. NO MORE PLANTS SHALL BE DISTRIBUTED ABOUT THE PLANTING BED AREA THAN CAN BE PLANTED AND WATERED ON THE SAME DAY.

C. THE ROOT SYSTEM OF EACH PLANT, REGARDLESS OF ROOT BALL PACKAGE TYPE, SHALL BE OBSERVED BY THE CONTRACTOR, AT THE TIME OF PLANTING TO CONFIRM THAT THE ROOTS MEET THE REQUIREMENTS FOR PLANT ROOT QUALITY IN PART 2 PRODUCTS: PLANTS GENERAL: PLANT QUALITY. THE CONTRACTOR SHALL UNDERTAKE AT THE TIME OF PLANTING, ALL MODIFICATIONS TO THE ROOT SYSTEM REQUIRED BY THE OWNER'S REPRESENTATIVE TO MEET THESE QUALITY STANDARDS.

1. MODIFICATIONS, AT THE TIME OF PLANTING, TO MEET THE SPECIFICATIONS FOR THE DEPTH OF THE ROOT COLLAR AND REMOVAL OF STEM GIRDLING ROOTS AND CIRCLING ROOTS MAY MAKE THE PLANT UNSTABLE OR STRESS THE PLANT TO THE POINT THAT THE OWNER'S REPRESENTATIVE MAY CHOOSE TO REJECT THE PLANT RATHER THAN PERMITTING THE MODIFICATION.
2. ANY MODIFICATIONS REQUIRED BY THE OWNER'S REPRESENTATIVE TO MAKE THE ROOT SYSTEM CONFORM TO THE PLANT QUALITY STANDARDS OUTLINED IN PART 2 PRODUCTS: PLANTS GENERAL: QUALITY, OR OTHER REQUIREMENTS RELATED TO THE PERMITTED ROOT BALL PACKAGE, SHALL NOT BE CONSIDERED AS GROUNDS TO MODIFY OR VOID THE PLANT WARRANTY.
3. THE RESULTING ROOT BALL MAY NEED ADDITIONAL STAKING AND WATER AFTER PLANTING. THE OWNER'S REPRESENTATIVE MAY REJECT THE PLANT IF THE ROOT MODIFICATION PROCESS MAKES THE TREE UNSTABLE OR IF THE TREE IS NOT HEALTHY AT THE END OF THE WARRANTY PERIOD. SUCH PLANTS SHALL STILL BE COVERED UNDER THE WARRANTY
4. THE CONTRACTOR REMAINS RESPONSIBLE TO CONFIRM THAT THE GROWER HAS MADE ALL REQUIRED ROOT MODIFICATIONS NOTED DURING ANY NURSERY OBSERVATIONS.

D. CONTAINER AND BOXED ROOT BALL SHAVING (IF REQUIRED -SEE DRAWINGS FOR CONDITIONS): THE OUTER SURFACES OF ALL PLANTS IN CONTAINERS AND BOXES, INCLUDING THE TOP, SIDES AND BOTTOM OF THE ROOT BALL SHALL BE SHAVED TO REMOVE ALL CIRCLING, DESCENDING, AND MATTED ROOTS. SHAVING SHALL BE PERFORMED USING SAWS, KNIVES, SHARP SHOVELS OR OTHER SUITABLE EQUIPMENT THAT IS CAPABLE OF MAKING CLEAN CUTS ON THE ROOTS. SHAVING SHALL REMOVE A MINIMUM OF ONE INCH OF ROOT MAT OR UP TO 2 INCHES AS REQUIRED TO REMOVE ALL ROOT SEGMENTS THAT ARE NOT GROWING REASONABLY RADIAL TO THE TRUNK.

E. EXPOSED STEM TISSUE AFTER MODIFICATION: THE REQUIRED ROOT BALL MODIFICATIONS MAY RESULT IN STEM TISSUE THAT HAS NOT FORMED TRUNK BARK BEING EXPOSED ABOVE THE SOIL LINE. IF SUCH CONDITION OCCURS, WRAP THE EXPOSED PORTION OF THE STEM IN A PROTECTIVE WRAPPING WITH A WHITE FILTER FABRIC. SECURE THE FABRIC WITH BIODEGRADABLE MASKING TAPE. DO NOT USE STRING, TWINE, GREEN NURSERY TIES OR ANY OTHER MATERIAL THAT MAY GIRDLE THE TRUNK IF NOT REMOVED.

F. EXCAVATION OF THE PLANTING SPACE: USING HAND TOOLS OR TRACKED MINI-EXCAVATOR, EXCAVATE THE PLANTING HOLE INTO THE PLANTING SOIL TO THE DEPTH OF THE ROOT BALL MEASURED AFTER ANY ROOT BALL MODIFICATION TO CORRECT ROOT PROBLEMS, AND WIDE ENOUGH FOR WORKING ROOM AROUND THE ROOT BALL OR TO THE SIZE INDICATED ON THE DRAWING OR AS NOTED BELOW.

1. FOR TREES AND SHRUBS PLANTED IN SOIL AREAS THAT ARE NOT TILLED OR OTHERWISE MODIFIED TO A DEPTH OF AT LEAST 12 INCHES OVER A DISTANCE OF MORE THAN 10 FEET RADIUS FROM EACH TREE, OR 5 FEET RADIUS FROM EACH SHRUB, THE SOIL AROUND THE ROOT BALL SHALL BE LOOSENED AS DEFINED BELOW OR AS INDICATED ON THE DRAWINGS.
   a. THE AREA OF LOOSENING SHALL BE A MINIMUM OF 3 TIMES THE DIAMETER OF THE ROOT BALL AT THE SURFACE SLOPING TO 2 TIMES THE DIAMETER OF THE ROOT BALL AT THE DEPTH OF THE ROOT BALL.
   b. LOOSENING IS DEFINED AS DIGGING INTO THE SOIL AND TURNING THE SOIL TO REDUCE THE COMPACTION. THE SOIL DOES NOT HAVE TO BE REMOVED FROM THE HOLE, JUST DUG, LIFTED AND TURNED. LIFTING AND TURNING MAY BE ACCOMPLISHED WITH A TRACKED MINI EXCAVATOR, OR HAND SHOVELS.
2. IF AN AUGER IS USED TO DIG THE INITIAL PLANTING HOLE, THE SOIL AROUND THE AUGER HOLE SHALL BE LOOSENED AS DEFINED ABOVE FOR TREES AND SHRUBS PLANTED IN SOIL AREAS THAT ARE NOT TILLED OR OTHERWISE MODIFIED.
3. THE MEASURING POINT FOR ROOT BALL DEPTH SHALL BE THE AVERAGE HEIGHT OF THE OUTER EDGE OF THE ROOT BALL AFTER ANY REQUIRED ROOT BALL MODIFICATION.
4. IF MOTORIZED EQUIPMENT IS USED TO DELIVER PLANTS TO THE PLANTING AREA OVER EXPOSED PLANTING BEDS, OR USED TO LOOSEN THE SOIL OR DIG THE PLANTING HOLES, ALL SOIL THAT HAS BEEN DRIVEN OVER SHALL BE TILLED TO A DEPTH OF 6 INCHES.

G. FOR TREES TO BE PLANTED IN PREPARED PLANTING SOIL THAT IS DEEPER THAN THE ROOT BALL DEPTH, COMPACT THE SOIL UNDER THE ROOT BALL USING A MECHANICAL TAMPER TO ASSURE A FIRM BEDDING FOR THE ROOT BALL. IF THERE IS MORE THAN 12 INCHES OF PLANTING SOIL UNDER THE ROOT BALL EXCAVATE AND TAMP THE PLANTING SOIL IN LIFTS NOT TO EXCEED 12 INCHES.

H. SET TOP OUTER EDGE OF THE ROOT BALL AT THE AVERAGE ELEVATION OF THE PROPOSED FINISH. SET THE PLANT PLUMB AND UPRIGHT IN THE CENTER OF THE PLANTING HOLE. THE TREE GRAFT, IF APPLICABLE, SHALL BE VISIBLE ABOVE THE GRADE. DO NOT PLACE SOIL ON TOP OF THE ROOT BALL.

I. THE OWNER'S REPRESENTATIVE MAY REQUEST THAT PLANTS ORIENTATION BE ROTATED WHEN PLANTED BASED ON THE FORM OF THE PLANT.

J. BACKFILL THE SPACE AROUND THE ROOT BALL WITH THE SAME PLANTING SOIL OR EXISTING SOIL THAT WAS EXCAVATED FOR THE PLANTING SPACE. SEE SPECIFICATION SECTION PLANTING SOIL, FOR REQUIREMENTS TO MODIFY THE SOIL WITHIN THE PLANTING BED.

K. BRACE ROOT BALL BY TAMPING PLANTING SOIL AROUND THE LOWER PORTION OF THE ROOT BALL. PLACE ADDITIONAL PLANTING SOIL AROUND BASE AND SIDES OF BALL IN SIX-INCH (6") LIFTS. LIGHTLY TAMP EACH LIFT USING FOOT PRESSURE OR HAND TOOLS TO SETTLE BACKFILL, SUPPORT THE TREE AND ELIMINATE VOIDS. DO NOT OVER COMPACT THE BACKFILL OR USE MECHANICAL OR PNEUMATIC TAMPING EQUIPMENT. OVER COMPACTION SHALL BE DEFINED AS GREATER THAN 85% OF MAXIMUM DRY DENSITY, STANDARD PROCTOR OR GREATER THAN 250 PSI AS MEASURED BY A CONE PENETROMETER WHEN THE VOLUMETRIC SOIL MOISTURE IS LOWER THAN FIELD CAPACITY.

1. WHEN THE PLANTING HOLE HAS BEEN BACKFILLED TO THREE QUARTERS OF ITS DEPTH, WATER SHALL BE POURED AROUND THE ROOT BALL AND ALLOWED TO SOAK INTO THE SOIL TO SETTLE THE SOIL. DO NOT FLOOD THE PLANTING SPACE. IF THE SOIL IS ABOVE FIELD CAPACITY, ALLOW THE SOIL TO DRAIN TO BELOW FIELD CAPACITY BEFORE FINISHING THE PLANTING. AIR POCKETS SHALL BE ELIMINATED AND BACKFILL CONTINUED UNTIL THE PLANTING SOIL IS BROUGHT TO GRADE LEVEL.

L. WHERE INDICATED ON THE DRAWINGS, BUILD A 4 INCH HIGH, LEVEL BERM OF PLANTING SOIL AROUND THE OUTSIDE OF THE ROOT BALL TO RETAIN WATER. TAMP THE BERM TO REDUCE LEAKING AND EROSION OF THE SAUCER.

M. THOROUGHLY WATER THE PLANTING SOIL AND ROOT BALL IMMEDIATELY AFTER PLANTING.

N. REMOVE ALL NURSERY PLANT IDENTIFICATION TAGS AND RIBBONS AS PER OWNER'S REPRESENTATIVE INSTRUCTIONS. THE OWNER'S REPRESENTATIVE'S SEALS ARE TO REMAIN ON PLANTS UNTIL THE END OF THE WARRANTY PERIOD.

O. REMOVE ANY CORRUGATED CARDBOARD TRUNK PROTECTION AFTER PLANTING.

P. FOLLOW ADDITIONAL REQUIREMENTS FOR THE PERMITTED ROOT BALL PACKAGES.

### 3.10 PERMITTED ROOT BALL PACKAGES AND SPECIAL PLANTING REQUIREMENTS

A. THE FOLLOWING ARE PERMITTED ROOT BALL PACKAGES AND SPECIAL PLANTING REQUIREMENTS THAT SHALL BE FOLLOWED DURING THE PLANTING PROCESS IN ADDITION TO THE ABOVE GENERAL PLANTING REQUIREMENTS.

B. BALLED AND BURLAPPED PLANTS

1. AFTER THE ROOT BALL HAS BEEN BACKFILLED, REMOVE ALL TWINE AND BURLAP FROM THE TOP OF THE ROOT BALL. CUT THE BURLAP AWAY AS INDICATED ON DRAWINGS; DO NOT FOLD DOWN ONTO THE PLANTING SOIL.
2. IF THE PLANT IS SHIPPED WITH A WIRE BASKET REMOVE THE BASKET WIRES JUST BEFORE THE FINAL BACKFILLING OF THE TREE AS INDICATED ON THE DRAWINGS.
3. EARTH ROOT BALLS SHALL BE KEPT INTACT EXCEPT FOR ANY MODIFICATIONS REQUIRED BY THE OWNER'S REPRESENTATIVE TO MAKE ROOT PACKAGE COMPLY WITH THE REQUIREMENT IN PART 2 PRODUCTS.

C. CONTAINER PLANTS

1. THIS SPECIFICATION ASSUMES THAT MOST CONTAINER PLANTS HAVE SIGNIFICANT STEM GIRDLING AND CIRCLING ROOTS, AND THAT THE ROOT COLLAR IS TOO LOW IN THE ROOT BALL.
2. REMOVE THE CONTAINER.
3. PERFORM ROOT BALL SHAVING AS DEFINED IN INSTALLATION OF PLANTS: GENERAL ABOVE.
4. REMOVE ALL ROOTS AND SUBSTRATE ABOVE THE ROOT COLLAR AND THE MAIN STRUCTURAL ROOTS ACCORDING TO ROOT CORRECTION DETAILS SO ROOT SYSTEM CONFORMS TO ROOT OBSERVATIONS DETAIL.
5. REMOVE ALL SUBSTRATE AT THE BOTTOM OF THE ROOT BALL THAT DOES NOT CONTAIN ROOTS.
6. USING A HOSE, POWER WASHER OR AIR EXCAVATION DEVICE, WASH OUT THE SUBSTRATE FROM AROUND THE TRUNK AND TOP OF THE REMAINING ROOT BALL AND FIND AND REMOVE ALL STEM GIRDLING ROOTS WITHIN THE ROOT BALL ABOVE THE TOP OF THE STRUCTURAL ROOTS.

### 3.11 GROUND COVER, PERENNIAL AND ANNUAL PLANTS

A. ASSURE THAT SOIL MOISTURE IS WITHIN THE REQUIRED LEVELS PRIOR TO PLANTING. IRRIGATION, IF REQUIRED, SHALL BE APPLIED AT LEAST 12 HOURS PRIOR TO PLANTING TO AVOID PLANTING IN MUDDY SOILS.

B. ASSURE THAT SOIL GRADES IN THE BEDS ARE SMOOTH AND AS SHOWN ON THE PLANS.

C. PLANTS SHALL BE PLANTED IN EVEN, TRIANGULARLY SPACED ROWS, AT THE INTERVALS CALLED OUT FOR ON THE DRAWINGS, UNLESS OTHERWISE NOTED. THE FIRST ROW OF ANNUAL FLOWER PLANTS SHALL BE 6 INCHES FROM THE BED EDGE UNLESS OTHERWISE DIRECTED.

D. DIG PLANTING HOLES SUFFICIENTLY LARGE ENOUGH TO INSERT THE ROOT SYSTEM WITHOUT DEFORMING THE ROOTS. SET THE TOP OF THE ROOT SYSTEM AT THE GRADE OF THE SOIL.

E. SCHEDULE THE PLANTING TO OCCUR PRIOR TO APPLICATION OF THE MULCH. IF THE BED IS ALREADY MULCHED, PULL THE MULCH FROM AROUND THE HOLE AND PLANT INTO THE SOIL. DO NOT PLANT THE ROOT SYSTEM IN THE MULCH. PULL MULCH BACK SO IT IS NOT ON THE ROOT BALL SURFACE.

F. PRESS SOIL TO BRING THE ROOT SYSTEM IN CONTACT WITH THE SOIL.

G. SPREAD ANY EXCESS SOIL AROUND IN THE SPACES BETWEEN PLANTS.

H. APPLY MULCH TO THE BED BEING SURE NOT TO COVER THE TOPS OF THE PLANTS WITH OR THE TOPS OF THE ROOT BALL WITH MULCH.

I. WATER EACH PLANTING AREA AS SOON AS THE PLANTING IS COMPLETED. APPLY ADDITIONAL WATER TO KEEP THE SOIL MOISTURE AT THE REQUIRED LEVELS. DO NOT OVER WATER.

### 3.12 STAKING AND GUYING

A. DO NOT STAKE TREES UNLESS SPECIFICALLY REQUIRED BY THE CONTRACT DOCUMENTS, OR IN THE EVENT THAT THE CONTRACTOR FEELS THAT STAKING IS THE ONLY ALTERNATIVE WAY TO KEEP PARTICULAR TREES PLUMB.

1. THE OWNER'S REPRESENTATIVE SHALL HAVE THE AUTHORITY TO REQUIRE THAT TREES ARE STAKED OR TO REJECT STAKING AS AN ALTERNATIVE WAY TO STABILIZE THE TREE.
2. TREES THAT REQUIRED HEAVILY MODIFIED ROOT BALLS TO MEET THE ROOT QUALITY STANDARDS MAY BECOME UNSTABLE. THE OWNER'S REPRESENTATIVE MAY CHOOSE TO REJECT THESE TREES RATHER THAN UTILIZE STAKING TO TEMPORARILY SUPPORT THE TREE.
3. PLANTS SHALL STAND PLUMB AFTER STAKING.
4. STAKES SHALL BE DRIVEN TO SUFFICIENT DEPTH TO HOLD THE TREE RIGID.

### 3.13 STRAIGHTENING PLANTS

B. MAINTAIN ALL PLANTS IN A PLUMB POSITION THROUGHOUT THE WARRANTY PERIOD. STRAIGHTEN ALL TREES THAT MOVE OUT OF PLUMB INCLUDING THOSE NOT STAKED. PLANTS TO BE STRAIGHTENED SHALL BE EXCAVATED AND THE ROOT BALL MOVED TO A PLUMB POSITION, AND THEN RE-BACKFILLED.

C. DO NOT STRAIGHTEN PLANTS BY PULLING THE TRUNK WITH GUYS.

### 3.14 INSTALLATION OF FERTILIZER AND OTHER CHEMICAL ADDITIVES

A. DO NOT APPLY ANY SOLUBLE FERTILIZER TO PLANTINGS DURING THE FIRST YEAR AFTER TRANSPLANTING UNLESS SOIL TEST DETERMINES THAT FERTILIZER OR OTHER CHEMICAL ADDITIVES IS REQUIRED. APPLY CHEMICAL ADDITIVES ONLY UPON THE APPROVAL OF THE OWNER'S REPRESENTATIVE.

B. CONTROLLED RELEASE FERTILIZERS SHALL BE APPLIED ACCORDING TO THE MANUFACTURER'S INSTRUCTIONS, STANDARD HORTICULTURAL PRACTICES, AND PER THE SOIL TEST RECOMMENDATIONS.

### 3.15 PRUNING OF TREES AND SHRUBS

A. PRUNE PLANTS AS DIRECTED BY THE OWNER'S REPRESENTATIVE. PRUNING TREES SHALL BE LIMITED TO ADDRESSING STRUCTURAL DEFECTS AS SHOWN IN DETAILS; FOLLOW RECOMMENDATIONS IN "STRUCTURAL PRUNING: A GUIDE FOR THE GREEN INDUSTRY" PUBLISHED BY URBAN TREE FOUNDATION, VISALIA CA.

B. ALL PRUNING SHALL BE PERFORMED BY A PERSON EXPERIENCED IN STRUCTURAL TREE PRUNING.

C. EXCEPT FOR PLANTS SPECIFIED AS MULTI-STEMMED OR AS OTHERWISE INSTRUCTED BY THE OWNER'S REPRESENTATIVE, PRESERVE OR CREATE A CENTRAL LEADER.

D. PRUNING OF LARGE TREES SHALL BE DONE USING POLE PRUNERS OR IF NEEDED, FROM A LADDER OR HYDRAULIC LIFT TO GAIN ACCESS TO THE TOP OF THE TREE. DO NOT CLIMB IN NEWLY PLANTED TREES. SMALL TREES CAN BE STRUCTURALLY PRUNED BY LAYING THEM OVER BEFORE PLANTING. PRUNING MAY ALSO BE PERFORMED AT THE NURSERY PRIOR TO SHIPPING.

E. REMOVE AND REPLACE EXCESSIVELY PRUNED OR MALFORMED STOCK RESULTING FROM IMPROPER PRUNING THAT OCCURRED IN THE NURSERY OR AFTER.

F. PRUNING SHALL BE DONE WITH CLEAN, SHARP TOOLS.

G. NO TREE PAINT OR SEALANTS SHALL BE USED.

### 3.16 MULCHING OF PLANTS

A. APPLY MULCH BEFORE SETTLEMENT TO DEPTH SHOWN ON PLANS, COVERING THE ENTIRE PLANTING BED AREA. INSTALL NO MORE THAN 1 INCH OF MULCH OVER THE TOP OF THE ROOT BALLS OF ALL PLANTS. TAPER TO 2 INCHES WHEN ABUTTING PAVEMENT.

B. FOR TREES PLANTED IN LAWN AREAS THE MULCH SHALL EXTEND TO A 4 FOOT RADIUS AROUND THE TREE OR TO THE EXTENT INDICATED ON THE PLANS.

C. LIFT ALL LEAVES, LOW HANGING STEMS AND OTHER GREEN PORTIONS OF SMALL PLANTS OUT OF THE MULCH IF COVERED.

### 3.17 PLANTING BED FINISHING

A. AFTER PLANTING, SMOOTH OUT ALL GRADES BETWEEN PLANTS BEFORE MULCHING.

B. SEPARATE THE EDGES OF PLANTING BEDS AND LAWN AREAS WITH A SMOOTH, FORMED EDGE CUT INTO THE TURF WITH THE BED MULCH LEVEL SLIGHTLY LOWER, 1 AND 2 INCHES, THAN THE ADJACENT TURF SOD OR AS DIRECTED BY THE OWNER'S REPRESENTATIVE. BED EDGE LINES SHALL BE A DEPICTED ON THE DRAWINGS.

### 3.18 WATERING

A. THE CONTRACTOR SHALL BE FULLY RESPONSIBLE TO ENSURE THAT ADEQUATE WATER IS PROVIDED TO ALL PLANTS FROM THE POINT OF INSTALLATION UNTIL THE DATE OF SUBSTANTIAL COMPLETION ACCEPTANCE. THE CONTRACTOR SHALL ADJUST THE AUTOMATIC IRRIGATION SYSTEM, IF AVAILABLE, AND APPLY ADDITIONAL OR ADJUST FOR LESS WATER USING HOSES AS REQUIRED.

B. HAND WATER ROOT BALLS OF ALL PLANTS TO ASSURE THAT THE ROOT BALLS HAVE MOISTURE ABOVE WILT POINT AND BELOW FIELD CAPACITY. TEST THE MOISTURE CONTENT IN EACH ROOT BALL AND THE SOIL OUTSIDE THE ROOT BALL TO DETERMINE THE WATER CONTENT.

### 3.19 CLEAN-UP

A. DURING INSTALLATION, KEEP THE SITE FREE OF TRASH, PAVEMENTS REASONABLY CLEAN AND WORK AREA IN AN ORDERLY CONDITION AT THE END OF EACH DAY. REMOVE TRASH AND DEBRIS IN CONTAINERS FROM THE SITE NO LESS THAN ONCE A WEEK.

1. IMMEDIATELY CLEAN UP ANY SPILLED OR TRACKED SOIL, FUEL, OIL, TRASH OR DEBRIS DEPOSITED BY THE CONTRACTOR FROM ALL SURFACES WITHIN THE PROJECT OR ON PUBLIC RIGHT OF WAYS AND NEIGHBORING PROPERTY.

B. ONCE INSTALLATION IS COMPLETE, WASH ALL SOIL FROM PAVEMENTS AND OTHER STRUCTURES. ENSURE THAT MULCH IS CONFINED TO PLANTING BEDS AND THAT ALL TAGS AND FLAGGING TAPE ARE REMOVED FROM THE SITE. THE OWNER'S REPRESENTATIVE'S SEALS ARE TO REMAIN ON THE TREES AND REMOVED AT THE END OF THE WARRANTY PERIOD.

C. MAKE ALL REPAIRS TO GRADES, RUTS, AND DAMAGE BY THE PLANT INSTALLER TO THE WORK OR OTHER WORK AT THE SITE.

D. REMOVE AND DISPOSE OF ALL EXCESS PLANTING SOIL, SUBSOIL, MULCH, PLANTS, PACKAGING, AND OTHER MATERIAL BROUGHT TO THE SITE BY THE CONTRACTOR.

### 3.20 PROTECTION DURING CONSTRUCTION

A. THE CONTRACTOR SHALL PROTECT PLANTING AND RELATED WORK AND OTHER SITE WORK FROM DAMAGE DUE TO PLANTING OPERATIONS. OPERATIONS BY OTHER CONTRACTORS OR TRESPASSERS. MAINTAIN PROTECTION DURING INSTALLATION UNTIL SUBSTANTIAL COMPLETION ACCEPTANCE. TREAT, REPAIR OR REPLACE DAMAGED WORK IMMEDIATELY.

B. DAMAGE DONE BY THE CONTRACTOR, OR ANY OF THEIR SUB-CONTRACTORS TO EXISTING OR INSTALLED PLANTS, OR ANY OTHER PARTS OF THE WORK OR EXISTING FEATURES TO REMAIN, INCLUDING ROOTS, TRUNK OR BRANCHES OF LARGE EXISTING TREES, SOIL, PAVING, UTILITIES, LIGHTING, IRRIGATION, OTHER FINISHED WORK AND SURFACES INCLUDING THOSE ON ADJACENT PROPERTY, SHALL BE CLEANED, REPAIRED OR REPLACED BY THE CONTRACTOR AT NO EXPENSE TO THE OWNER. THE OWNER'S REPRESENTATIVE SHALL DETERMINE WHEN SUCH CLEANING, REPLACEMENT OR REPAIR IS SATISFACTORY.

### 3.21 PLANT MAINTENANCE PRIOR TO SUBSTANTIAL COMPLETION ACCEPTANCE

A. DURING THE PROJECT WORK PERIOD AND PRIOR TO SUBSTANTIAL COMPLETION ACCEPTANCE, THE CONTRACTOR SHALL MAINTAIN ALL PLANTS.

B. MAINTENANCE DURING THE PERIOD PRIOR TO SUBSTANTIAL COMPLETION ACCEPTANCE SHALL CONSIST OF PRUNING, WATERING, CULTIVATING, WEEDING, MULCHING, REMOVAL OF DEAD MATERIAL, REPAIRING AND REPLACING OF TREE STAKES, TIGHTENING AND REPAIRING OF GUYS, REPAIRING AND REPLACING OF DAMAGED TREE WRAP MATERIAL, RESETTING PLANTS TO PROPER GRADES AND UPRIGHT POSITION, AND FURNISHING AND APPLYING SUCH SPRAYS AS ARE NECESSARY TO KEEP PLANTINGS REASONABLY FREE OF DAMAGING INSECTS AND DISEASE, AND IN HEALTHY CONDITION. THE THRESHOLD FOR APPLYING INSECTICIDES AND HERBICIDE SHALL FOLLOW ESTABLISHED INTEGRATED PEST MANAGEMENT (IPM) PROCEDURES. MULCH AREAS SHALL BE KEPT REASONABLY FREE OF WEEDS, GRASS.

### 3.22 SUBSTANTIAL COMPLETION ACCEPTANCE

A. UPON WRITTEN NOTICE FROM THE CONTRACTOR, THE OWNERS REPRESENTATIVE SHALL REVIEW THE WORK AND MAKE A DETERMINATION IF THE WORK IS SUBSTANTIALLY COMPLETE.

1. NOTIFICATION SHALL BE AT LEAST 7 DAYS PRIOR TO THE DATE THE CONTRACTOR IS REQUESTING THE REVIEW.

B. THE DATE OF SUBSTANTIAL COMPLETION OF THE PLANTING SHALL BE THE DATE WHEN THE OWNER'S REPRESENTATIVE ACCEPTS THAT ALL WORK IN PLANTING, PLANTING SOIL, AND IRRIGATION INSTALLATION SECTIONS IS COMPLETE.

C. THE PLANT WARRANTY PERIOD BEGINS AT DATE OF WRITTEN NOTIFICATION OF SUBSTANTIAL COMPLETION FROM THE OWNER'S REPRESENTATIVE. THE DATE OF SUBSTANTIAL COMPLETION MAY BE DIFFERENT THAN THE DATE OF SUBSTANTIAL COMPLETION FOR THE OTHER SECTIONS OF THE PROJECT.

### 3.23 MAINTENANCE DURING THE WARRANTY PERIOD BY OTHERS

A. AFTER SUBSTANTIAL COMPLETION ACCEPTANCE, THE CONTRACTOR SHALL MAKE SUFFICIENT SITE VISITS TO OBSERVE THE OWNER'S MAINTENANCE AND BECOME AWARE OF PROBLEMS WITH THE MAINTENANCE IN TIME TO REQUEST CHANGES, UNTIL THE DATE OF END OF WARRANTY FINAL ACCEPTANCE.

1. NOTIFY THE OWNER'S REPRESENTATIVE IN WRITING IF MAINTENANCE, INCLUDING WATERING, IS NOT SUFFICIENT TO MAINTAIN PLANTS IN A HEALTHY CONDITION. SUCH NOTIFICATION MUST BE MADE IN A TIMELY PERIOD SO THAT THE OWNER'S REPRESENTATIVE MAY TAKE CORRECTIVE ACTION.

A. NOTIFICATION MUST DEFINE THE MAINTENANCE NEEDS AND DESCRIBE ANY CORRECTIVE ACTION REQUIRED.

2. IN THE EVENT THAT THE CONTRACTOR FAILS TO VISIT THE SITE AND OR NOTIFY, IN WRITING, THE OWNER'S REPRESENTATIVE OF MAINTENANCE NEEDS, LACK OF MAINTENANCE SHALL NOT BE USED AS GROUNDS FOR VOIDING OR MODIFYING THE PROVISIONS OF THE WARRANTY.

### 3.24 MAINTENANCE DURING THE WARRANTY PERIOD BY THE PLANT INSTALLER

A. DURING THE WARRANTY PERIOD, PROVIDE ALL MAINTENANCE FOR ALL PLANTINGS TO KEEP THE PLANTS IN A HEALTHY STATE AND THE PLANTING AREAS CLEAN AND NEAT.

B. GENERAL REQUIREMENTS:

1. ALL WORK SHALL BE UNDERTAKEN BY TRAINED PLANTING CREWS UNDER THE SUPERVISION OF A FOREMAN WITH A MINIMUM OF 5 YEARS EXPERIENCE SUPERVISING COMMERCIAL PLANT MAINTENANCE CREWS.
2. ALL CHEMICAL AND FERTILIZER APPLICATIONS SHALL BE MADE BY LICENSED APPLICATORS FOR THE TYPE OF CHEMICALS TO BE USED. ALL WORK AND CHEMICAL USE SHALL COMPLY WITH ALL APPLICABLE LOCAL, PROVINCIAL AND FEDERAL REQUIREMENTS.
3. ASSURE THAT HOSES AND WATERING EQUIPMENT AND OTHER MAINTENANCE EQUIPMENT DOES NOT BLOCK PATHS OR BE PLACED IN A MANNER THAT MAY CREATE TRIPPING HAZARDS. USE STANDARD SAFETY WARNING BARRIERS AND OTHER PROCEDURES TO MAINTAIN THE SITE IN A SAFE MANNER FOR VISITORS AT ALL TIMES.
4. ALL WORKERS SHALL WEAR REQUIRED SAFETY EQUIPMENT AND APPAREL APPROPRIATE FOR THE TASKS BEING UNDERTAKEN.
5. THE CONTRACTOR SHALL NOT STORE MAINTENANCE EQUIPMENT AT THE SITE AT TIMES WHEN THEY ARE NOT IN USE UNLESS AUTHORIZED IN WRITING BY THE OWNER'S REPRESENTATIVE.
6. MAINTENANCE VEHICLES SHALL NOT PARK ON THE SITE INCLUDING WALKS AND LAWN AREAS AT ANY TIME WITHOUT THE OWNER'S REPRESENTATIVE'S WRITTEN PERMISSION.
7. MAINTAIN A DETAILED LOG OF ALL MAINTENANCE ACTIVITIES INCLUDING TYPES OF TASKS, DATE OF TASK, TYPES AND QUANTITIES OF MATERIALS AND PRODUCTS USED, WATERING TIMES AND AMOUNTS, AND NUMBER OF EACH CREW. PERIODICALLY REVIEW THE LOGS WITH THE OWNER'S REPRESENTATIVE, AND SUBMIT A COPY OF THE LOGS AT THE END OF EACH YEAR OF THE MAINTENANCE AGREEMENT.
8. MEET WITH THE OWNER'S REPRESENTATIVE A MINIMUM OF THREE TIMES A YEAR TO REVIEW THE PROGRESS AND DISCUSS ANY CHANGES THAT ARE NEEDED IN THE MAINTENANCE PROGRAM. AT THE END OF THE WARRANTY PERIOD ATTEND A HAND OVER MEETING TO FORMALLY TRANSFER THE RESPONSIBILITIES OF MAINTENANCE TO THE OWNER'S REPRESENTATIVE. PROVIDE ALL INFORMATION ON PAST MAINTENANCE ACTIVITIES AND PROVIDE A LIST OF CRITICAL TASKS THAT WILL BE NEEDED OVER THE NEXT 12 MONTHS. PROVIDE ALL MAINTENANCE LOGS AND SOIL TEST DATA. MAKE THE CONTRACTOR'S SUPERVISOR AVAILABLE FOR A MINIMUM OF ONE YEAR AFTER THE END OF THE WARRANTY PERIOD TO ANSWER QUESTIONS ABOUT PAST MAINTENANCE.

C. PROVIDE THE FOLLOWING MAINTENANCE TASKS:

1. WATERING; PROVIDE ALL WATER REQUIRED TO KEEP SOIL WITHIN AND AROUND THE ROOT BALLS AT OPTIMUM MOISTURE CONTENT FOR PLANT GROWTH.
   a. MAINTAIN ALL WATERING SYSTEMS AND EQUIPMENT AND KEEP THEM OPERATIONAL.
   b. MONITOR SOIL MOISTURE TO PROVIDE SUFFICIENT WATER. CHECK SOIL MOISTURE AND ROOT BALL MOISTURE WITH A SOIL MOISTURE METER ON A REGULAR BASIS AND RECORD MOISTURE READINGS. DO NOT OVER WATER.
2. SOIL NUTRIENT LEVELS: TAKE A MINIMUM OF 4 SOIL SAMPLES FROM AROUND THE SITE IN THE SPRING AND FALL AND HAVE THEM TESTED BY AN ACCREDITED AGRICULTURAL SOIL TESTING LAB FOR CHEMICAL COMPOSITION OF PLANT REQUIRED NUTRIENTS, PH, SALT AND % ORGANIC MATTER. TEST RESULTS SHALL INCLUDE LABORATORY RECOMMENDATIONS FOR NUTRIENT APPLICATIONS. APPLY FERTILIZERS AT RATES RECOMMENDED BY THE SOIL TEST.
   a. MAKE ANY OTHER SOIL TEST AND/OR PLANT TISSUE TEST THAT MAY BE INDICATED BY PLANT CONDITIONS THAT MAY NOT BE RELATED TO SOIL NUTRIENT LEVELS SUCH AS SOIL CONTAMINATED BY OTHER CHEMICALS OR LACK OF CHEMICAL UPTAKE BY THE PLANT.
3. PLANT PRUNING: REMOVE CROSS OVER BRANCHING, SHORTEN OR REMOVE DEVELOPING CO DOMINANT LEADERS, DEAD WOOD AND WINTER-DAMAGED BRANCHES. UNLESS DIRECTED BY THE OWNER'S REPRESENTATIVE, DO NOT SHEAR PLANTS OR MAKE HEADING CUTS.
4. RESTORE PLANTS: RESET ANY PLANTS THAT HAVE SETTLED OR ARE LEANING AS SOON AS THE CONDITION IS NOTICED.
5. GUYING AND STAKING: MAINTAIN PLANT GUYS IN A TAUGHT POSITION. REMOVE TREE GUYS AND STAKING AFTER THE FIRST FULL GROWING SEASON UNLESS DIRECTED BY OWNER'S REPRESENTATIVE.
6. WEED CONTROL; KEEP ALL BEDS FREE OF WEEDS. HAND-REMOVE ALL WEEDS AND ANY PLANTS THAT DO NOT APPEAR ON THE PLANTING PLAN. CHEMICAL WEED CONTROL IS PERMITTED ONLY WITH THE APPROVAL OF THE OWNER'S REPRESENTATIVE. SCHEDULE WEEDING AS NEEDED BUT NOT LESS 12 TIMES PER YEAR.
7. TRASH REMOVAL: REMOVE ALL TRASH AND DEBRIS FROM ALL PLANTING BEDS AND MAINTAIN THE BEDS IN A NEAT AND

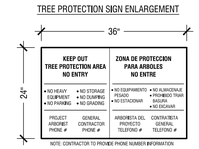
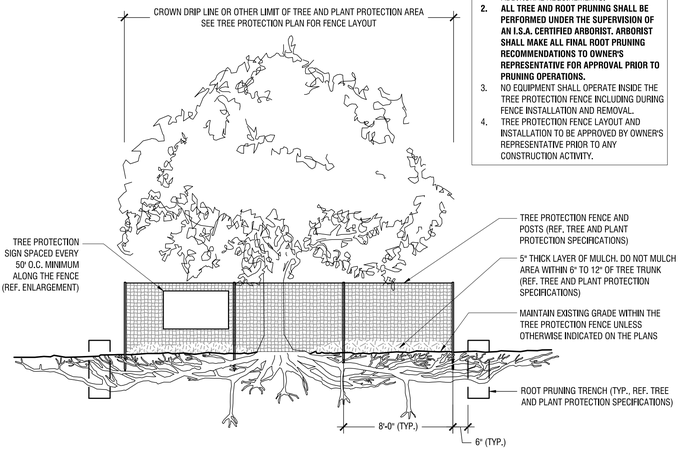
**TREE INVENTORY CONDUCTED BY AND/OR UNDER THE SUPERVISION OF:**
Alex Brown
ISA Certified Arborist TX-4383A
Kimley-Horn and Associates

THE FOLLOWING TREE HEALTH DESCRIPTIONS ARE BASED ON A RAPID VISUAL ASSESSMENT OF INDICATORS WHICH ARE EASILY IDENTIFIABLE FROM GROUND LEVEL AND WITH THE UNAIDED EYE. FOR TREE INVENTORY PURPOSES ONLY.



**HEALTHY**: TREE SHOW SIGNS OF GROWTH. INDICATORS OF DISEASE OR DIEBACK NOT OBSERVED.
**DECLINING**: TREE SHOWS VISIBLE SIGNS OF DISEASE (SUCH AS FUNGUS, SLIME FUX, OR BARK SLOUGHING) OR DIEBACK.
**HAZARD**: TREE SHOWS VISIBLE SIGNS OF DECAY, LIMB FAILURE AND/OR INSTABILITY.



NOTES:
1. REF. TREE AND PLANT PROTECTION SPECIFICATIONS FOR ADDITIONAL INFORMATION.

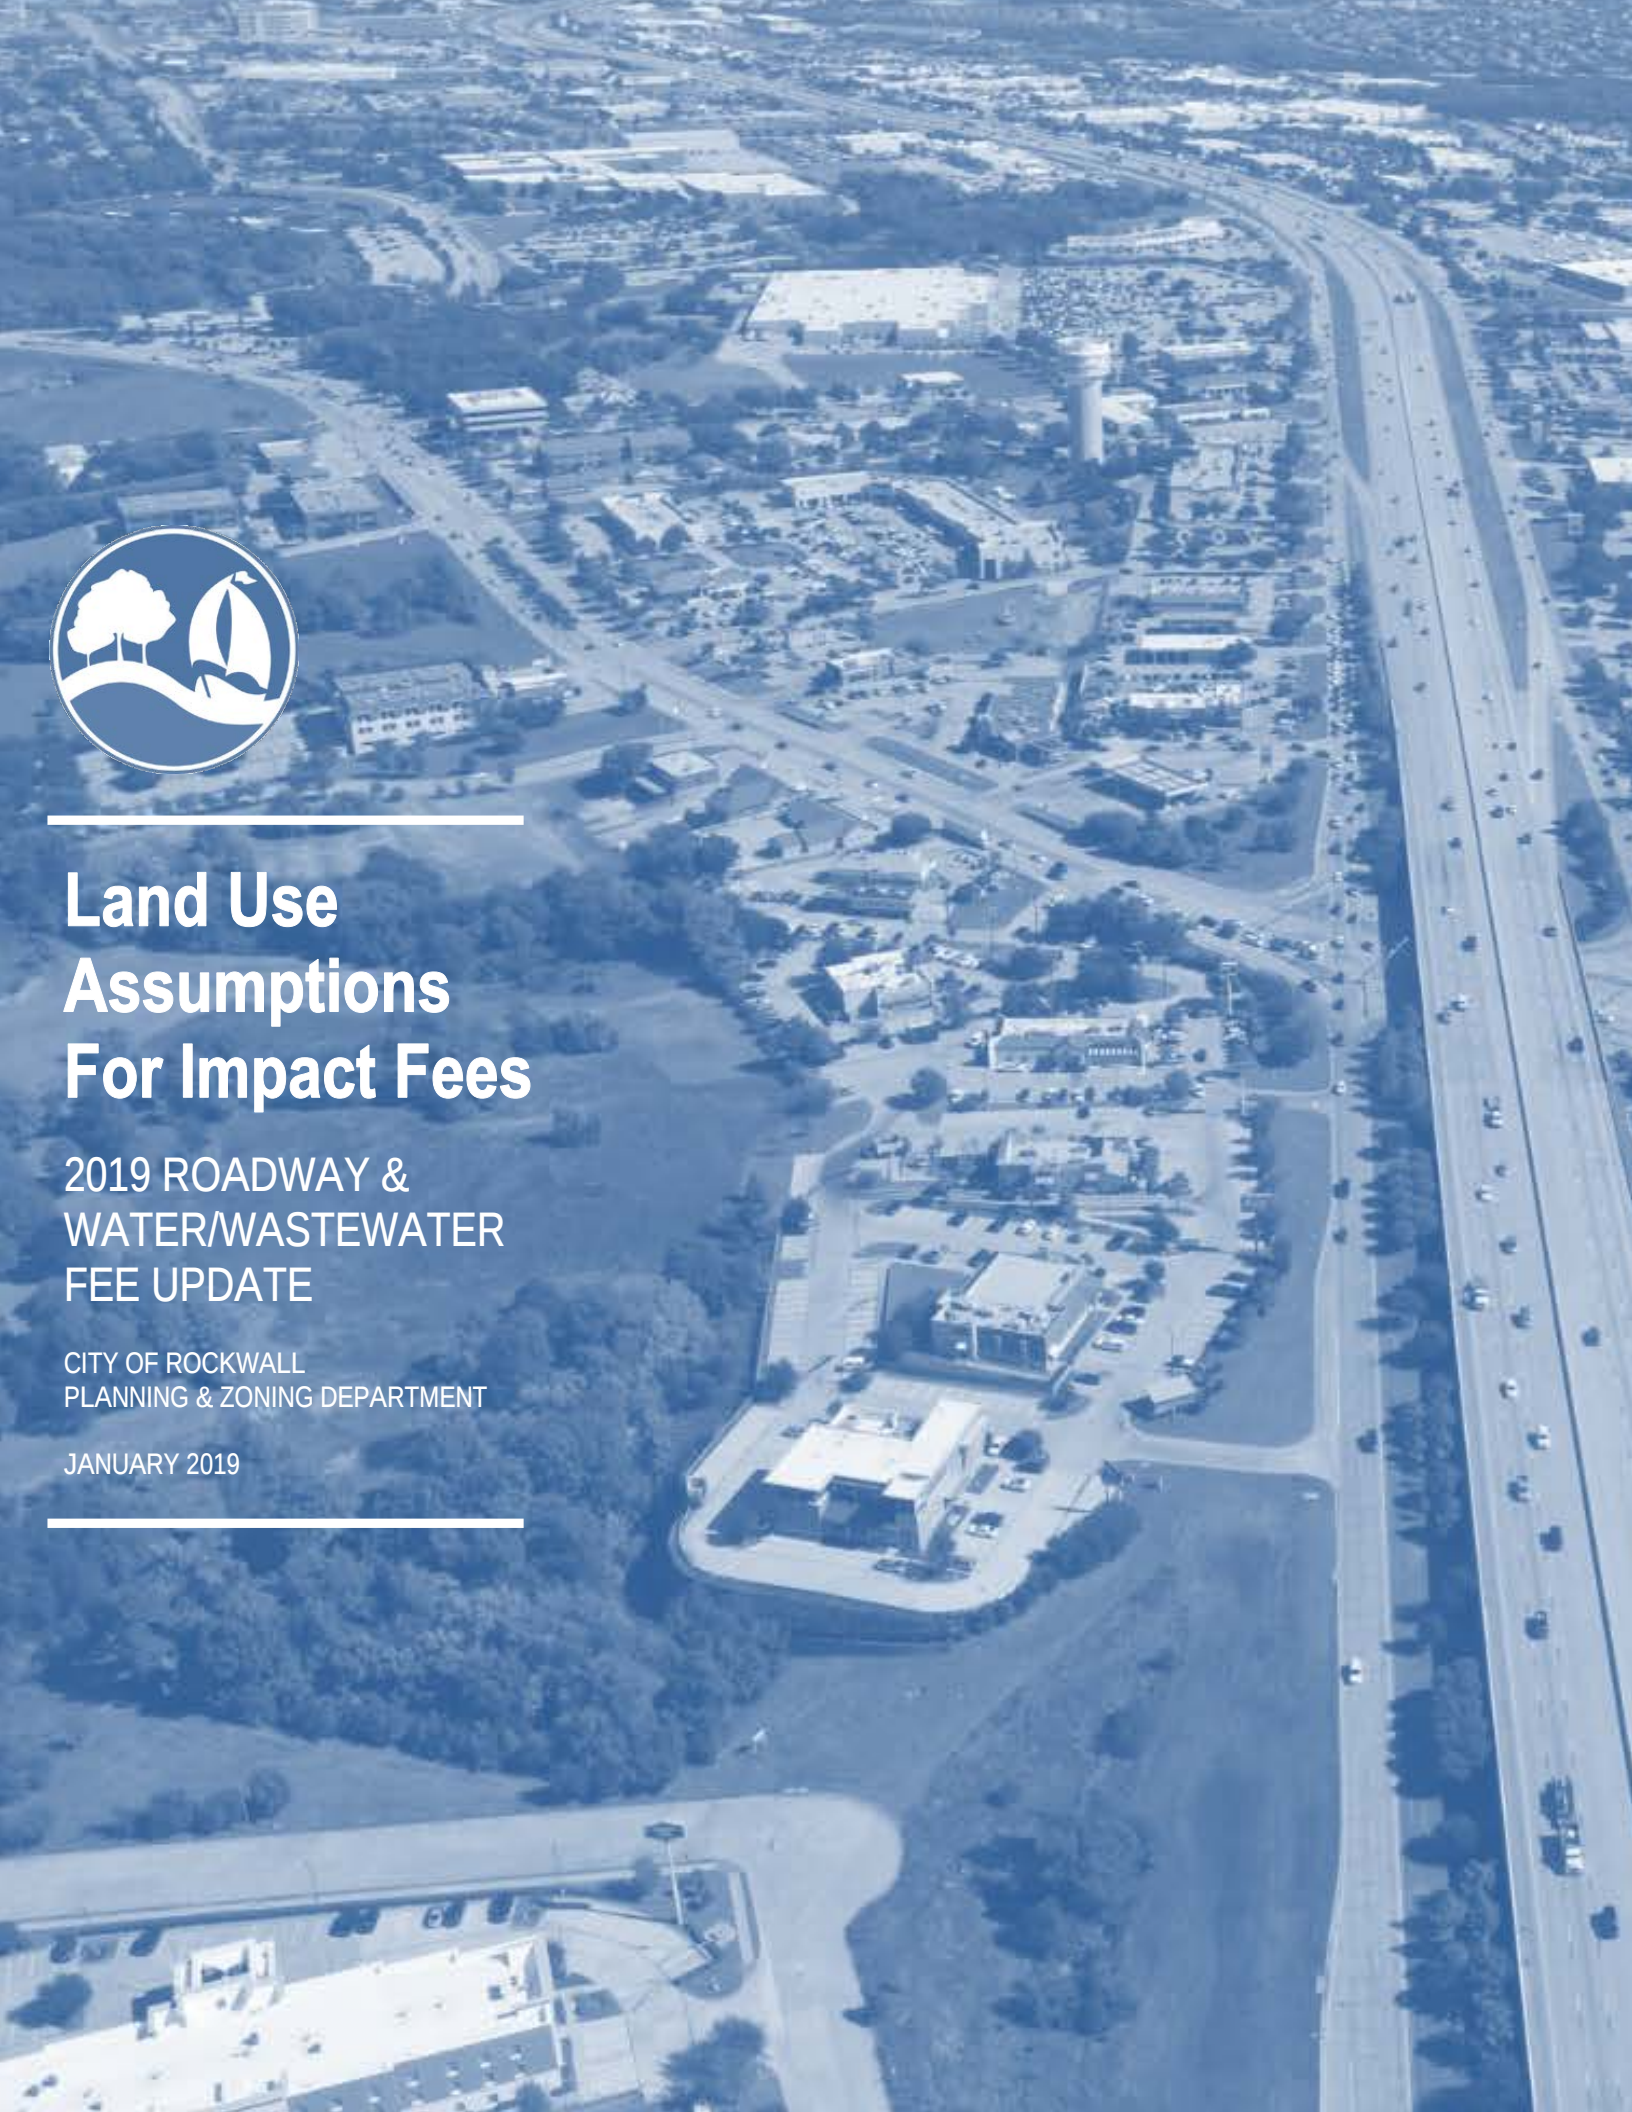
# CITY OF ROCKWALL



PLANNING AND ZONING COMMISSION MEMORANDUM

**PLANNING AND ZONING DEPARTMENT**
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

| | |
|---|---|
| **TO:** | Planning and Zoning Commission |
| **FROM:** | Ryan Miller, *Director of Planning and Zoning* |
| **DATE:** | June 25, 2019 |
| **SUBJECT:** | MIS2019-001; *Land Use Assumptions Report* |

At the last Capital Improvements Advisory Committee (CIAC) meeting on May 28, 2019, the CIAC was presented with preliminary information from the City's consultants concerning the pending *2019 Impact Fee Update*. One aspect of the update is the *Land Use Assumptions Report*, which was prepared *in-house* by City staff. This report serves as the basis for all decision making regarding the preparation of impact fees and the capital improvement plan for water, wastewater and roadway facilities. As was presented in the meeting, staff projects the City's growth rate at a Compound Annual Growth Rate (CAGR) of three (3) percent, which is lower than the previous four (4) percent used by the *Land Use Assumptions Report* approved with the *2014 Impact Fee Update*. Staff decided to use this more conservative estimate based on an examination of the City's growth rates over a period from 2000-2018. Contained in this report is the methodology used by staff to make projections for population and employment over the next ten (10) years and at ultimate build out.

At the meeting on June 25, 2019, staff will present the methodology for the attached report, the ten-year growth projections, and the build out analysis contained in the report. Based on this information and the projected three (3) percent CAGR used by staff, the CIAC will be asked to make a motion concerning the acceptance of the *Land Use Assumptions Report*. The growth rate and the acceptance of the report are discretionary decisions for the CIAC; however, staff is confident in the accuracy of the report and would recommend the CIAC consider adopting the report as drafted and with the three (3) percent CAGR. In preparation for this meeting, please review the attached *Land Use Assumptions for Impact Fees Report*, and be prepared to discuss and make comments regarding the assumptions contained in the report.

# FORWARD

What are *Impact Fees? Impact Fees* are charges that are imposed by local governments against new development for the purpose of generating revenue for or to recoup the cost of capital facilities (*i.e. infrastructure*) that are necessitated by and attributable to new development. These fees are generally implemented to reduce the economic burden of a municipality and its taxpayers when addressing the need for adequate capital improvements to accommodate growth. Impact fees are typically paid to a municipality in advance of the completion of a particular development project, and are based on a defined methodology and calculation that is derived from the cost of the facility and the scope/impact of the development.

# PURPOSE

Chapter 395, *Financing Capital Improvements Required by New Development in Municipalities, Counties, and Certain Other Local Governments*, of the Texas Local Government Code outlines the process for adopting and updating impact fees for political subdivisions. On October 20, 2014, the City of Rockwall adopted roadway and water/wastewater impact fees through *Ordinance No. 14-47*. According to the statutory requirements stipulated by the Texas Local Government Code impact fees are required to be updated at a minimum of every five (5) years [*§395.052*].

In approaching an update to existing impact fees it is important for a city to assess its growth and employment potential, and establish land use assumptions that will guide development for a ten (10) year planning period (*i.e. 2019-2029*) [*§395.001(5)*]. These land use assumptions form the basis for the preparation of the *Impact Fee Capital Improvement Plan* for water, wastewater, and roadway facilities.

In order to determine the need and timing of capital improvements to serve future development, a rational estimate of the future growth of the City is required. The purpose of this report is to formulate growth and employment projections based upon assumptions pertaining to the type, location, quantity and timing of future development within the City, and to establish and document the methodology used for preparing these land use assumptions.

## ELEMENTS OF THE LAND USE ASSUMPTIONS REPORT

This report contains the following components:

- *Methodology*: This component of the report contains the systematic and theoretical analysis of the methods and principals used to prepare the projections and land use assumptions contain within this report.
- *Data Collection Zones and Service Areas*: This component provides an explanation of the data collection zones (*i.e. Land Use Districts established in the OURHometown 2040 Comprehensive Plan*) and the Roadway, Water and Wastewater Impact Fee Service Areas for capital facilities.
- *Base Year Data*: This component provides information on population, housing and employment in the City of Rockwall as of January 1, 2019 for each capital facility service area.
- *Ten-Year Growth Projections*: This component provides assumptions with respect to the population, housing and employment data for the City of Rockwall in ten (10) years (*i.e. 2029*). This information is broken out by the capital facility service area.
- *Build Out Analysis:* This component provides projections for population, housing and employment under the assumption that the City and its Extraterritorial Jurisdiction (ETJ) are developed to their carrying capacity, or their *Built Out*.
- *Summary*: This component provides a synopsis of the land use assumptions contained within this report.
- *Appendices:* This component contains information that was important in deriving the population, housing and employment projections for 2019-2029.

# METHODOLOGY

Building off the base year and build out projections contained in the OURHometown Vision 2040 Comprehensive Plan, and the growth assumptions and capital improvement needs estimated to support future growth, it is possible to develop an impact fee structure that fairly allocates improvement cost to growing areas of the City with relation to the growths' potential impact on the entire infrastructure system. The data contained in this report has been formulated using reasonable and generally accepted planning principles.

These land use assumptions and future growth projections take into consideration several factors influencing development patterns, including:

- The character, type, density and quantity of existing development.
- The current zoning patterns as documented on the City's zoning map and the anticipated future land uses as established in the OURHometown Vision 2040 Comprehensive Plan, which contains the City's Future Land Use Plan.
- The availability of land and infrastructure to support future expansion of development.
- The current and historical growth trends of both population and employment within the City.
- The location and configuration of vacant parcels of land and their ability to support development.
- The growth of employment utilizing previously established and generally accepted data from ESRI's ArcGIS *Business Analyst*.
- Local knowledge concerning future development projects or anticipated development within the city.

## LAND USE ASSUMPTIONS REPORT METHODOLOGY

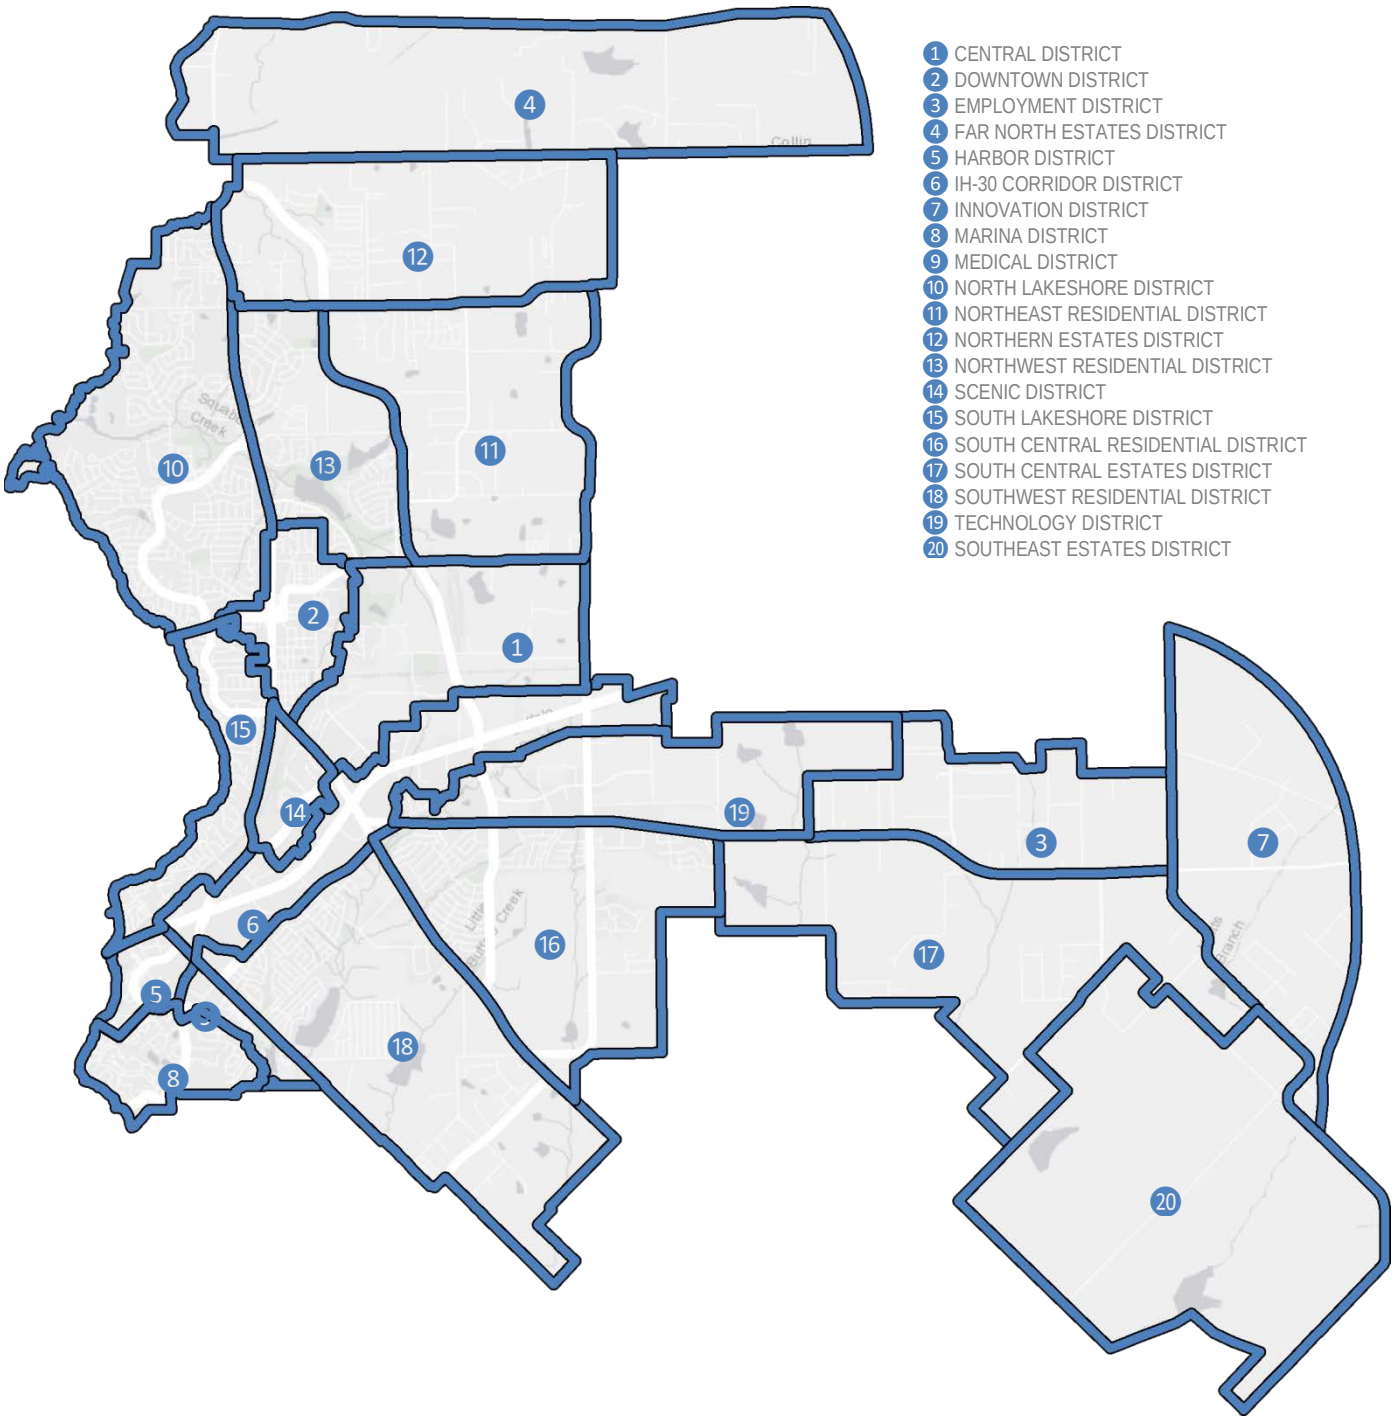
The following is the general methodology that was used for the preparation of this report:

(1) Population, housing and employment data was collected from the United States Census Bureau, North Central Texas Council of Governments (*NCTCOG*), the City of Rockwall's Geographic Information Systems (GIS) Division, the City of Rockwall's Building Inspection Department and other acceptable sources. This information was then analyzed and used to provide base information for all service areas from which projections could be extrapolated [see *Service Areas and Data Collection Zones*].

(2) The base year (*i.e. January 1, 2019*) estimates for housing, population and employment were calculated based on the information collected [see *Base Year Data*].

(3) From the base year and the information gathered from various sources a growth rate was established by examining recent growth trends experienced by the City over the last ten (10) years. This growth rate was then applied to each of the impact fee service areas to project the base year data over the ten (10) year planning period (*i.e. 2019-2029*) [see *Ten Year Growth Assumptions*].

(4) After the projections for housing, population and employment were prepared for the ten (10) year planning period, city staff made adjustments to account for known or anticipated development activity within the planning periods. In making these adjustments city staff took into consideration the recommendations made within the newly adopted OURHometown Vision 2040 Comprehensive Plan, existing public works data, and demographic information provided by the GIS Division and the Building Inspections Department.



(5) Finally, the City's *Build Out* projections for housing, population and employment were calculated by establishing the City's carrying capacity in terms of developable acres and projecting population forward using the previously established Compound Annual Growth Rate (CAGR) to establish a *Build Out Year*. The housing and employment information were then projected to the *Build Out Year* [see *Build Out Projections*].

# DATA COLLECTION ZONES AND SERVICE AREAS

## DATA COLLECTION ZONES

The *Data Collection Zones* used for this study were taken from the OURHometown Vision 2040 Comprehensive Plan, which breaks the City down into 20 *Land Use Districts* (*see Figure 1*). These districts were created as a way of breaking down the overall *Future Land Use Plan* to create strategies to help manage growth and land uses in the future. They were also intended to be used as a tool by the City's various boards, commissions and the City Council when contemplating policy changes that could affect certain areas of the City.

*FIGURE 1: DATA COLLECTION ZONES*
*NOTE: The Data Collection Zones are the Land Use Districts contained in the OURHometown Vision 2040 Comprehensive Plan.*

## SERVICE AREAS

The Texas Local Government Code (TLGC) requires that service areas be established within the corporate boundaries of a political subdivision for the purpose of ensuring that capital improvements service the areas generating need. The boundaries for impact fees are defined as follows:

- *Roadway Impact Fees* refers to a service area that is limited to the corporate boundaries of a political subdivision or city, and cannot extend into the Extraterritorial Jurisdiction (ETJ) or for a distance exceeding more than six (6) miles. The City of Rockwall is divided into four (4) service areas that are depicted in *Figure 3*.

- *Water and Wastewater Impact Fees* refers to a service area that includes a city's corporate boundaries and Extraterritorial Jurisdiction (ETJ), which is depicted in *Figure 2*. This service area is depicted in *Figure 4*.

## SUMMARY OF DATA

As opposed to the databases calculated in 2007 and 2013 -- *which utilized Traffic Survey Zones (TSZ) as the data collection zones* -- the current database utilizes the following geographic areas:

- *Land Use Districts from the OURHometown Vision 2040 Comprehensive Plan.* These geographic areas better conformed to the City's corporate boundaries, and were drafted with the OURHometown Vision 2040 Comprehensive Plan as the geographic regions intended to be used for all future long-range planning/data collection exercises.

- *Service Areas.* The Service Areas correlate to the Water, Wastewater and Roadway Service Areas identified in *Figures 3 & 4*. As previously stated, the corporate boundaries of the City of Rockwall serve as the limits for the Roadway Service Areas and the Water and Waste Water Service Areas include the corporate boundaries and the Extraterritorial Jurisdiction (ETJ) of the City.

Additionally, all databases and projections utilized the following variables:

- *Households (2019).* The *Residential Address Point* feature class in the City's Geographic Information Systems (GIS) software includes all residential addresses (i.e. *single-family, duplex, multi-family, group home/quarters, etc.*) existing as of January 1, 2019. The total number of residential address points (*i.e. households*) was queried from this layer to establish the base years' numbers.

*FIGURE 2: CITY OF ROCKWALL CITY LIMITS AND EXTRATERRITORIAL JURISDICTION (ETJ)*

*NOTE: The City Limits of Rockwall are depicted in RED. The Extraterritorial Jurisdiction (ETJ) is depicted in BLUE.*

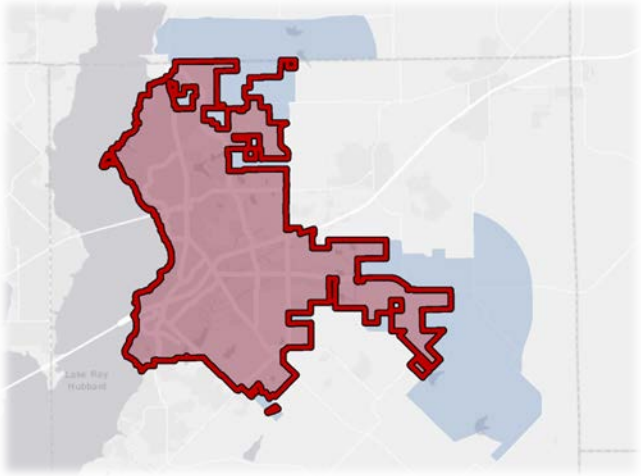


*FIGURE 3: ROADWAY SERVICE AREAS*

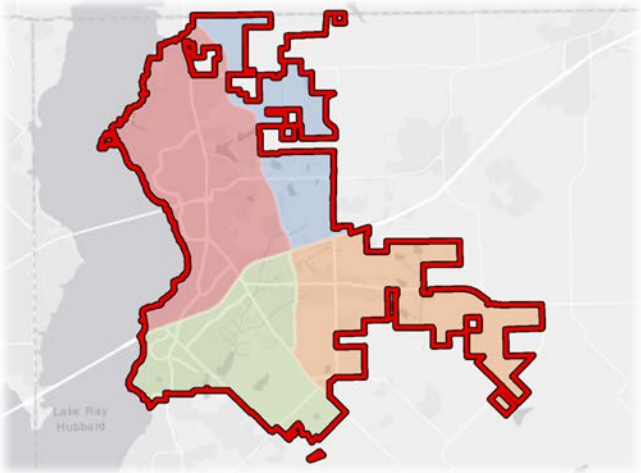
*This is the derived service area structure for roadway facilities. These service areas conform to the current city limits of the City of Rockwall and are divided by John King Boulevard and Interstate Highway 30.*

*NOTE: RED: Service Area 1; BLUE: Service Area 2; GREEN: Service Area 3; YELLOW: Service Area 4*



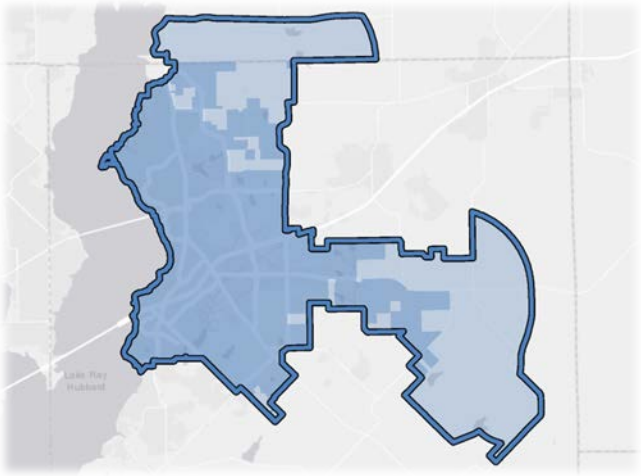


*FIGURE 4: WATER/WASTE WATER SERVICE AREAS*

*This is the derived service area structure for water/wastewater facilities. These service areas conform to the current city limits and Extraterritorial Jurisdiction (ETJ).*

*NOTE: BLUE: Service Area*

- *Households (2029).* This is the projected household data by service area for the year 2029, which represents a ten (10) year growth projection. This information was derived by staff using the stated databases and proper projection techniques.
- *Population (2019)*. This is the existing population for the base year (i.e. *2019*). This information was calculated utilizing the number of households existing as of January 1, 2019, the occupancy, rate and the average household size as established by the United States Census Bureau for each Census Block.
- *Population (2029)*. This is the projected population by service area for the year 2029, which represents a ten (10) year growth projection. This information was derived by staff using the stated databases and proper projection techniques.
- *Employment (2019).* Employment data was aggregated to three (3) employment sectors, which include *Basic*, *Retail* and *Service* as provided by the Business Analyst tool available from ESRI (*the City's provider for its geospatial database software*). These service sectors serve as the basis for non-residential trip generation. The following is a summary of these employment sectors followed by corresponding North American Industry Classification System (NAICS) code:

    - *Basic.* Land use activities that produce goods and services such as those that are exported outside the local economy. These include manufacturing, construction, transportation, wholesale trade, warehousing and other industrial uses (NAICS Code: *#210000 - #422999*).
    - *Retail.* Land use activities that provide for the retail sale of goods that primarily serve households and whose location choice is oriented toward the residential sector. These include uses such as grocery stores, restaurants, etc. (NAICS Code: *#440000 - #454390*).
    - *Service.* Land use activities that provide personal and professional services. These include such uses as financial, insurance, government, and other professional and administrative offices (NAICS Code *#520000 - #928199*).

- *Employment (2029).* The projected employment data was aggregated to three (3) employment sectors, which include *Basic*, *Retail* and *Service* as provided by the Business Analyst tool available from ESRI. These service sectors were then projected by service area to the year 2029, which represents a ten (10) year growth projection. This information was derived by staff using the stated databases and proper projection techniques.

# BASE YEAR DATA

This section documents the methods used to derive the base year data for the City of Rockwall as of January 1, 2019. This *benchmark* information provides data for the corporate limits and Extraterritorial Jurisdiction (ETJ) of the City, and creates a starting point in which to extrapolate the ten (10) year growth projections that are depicted in the following section (*see Ten-Year Growth Projections*). This information was initially developed with the OURHometown Vision 2040 Comprehensive Plan, but has been updated to include the additional growth that has taken place since the original numbers were derived and the numbers for January 1, 2019.

## HOUSEHOLDS

Utilizing the City's Geographic Information System (GIS) software, the residential addresses for each data collection zone (*i.e. Land Use Districts*) were queried. This provided the raw housing data that was then reviewed to remove any vacant lots or anomalies in the data set. Based on this process, the City of Rockwall was shown to have 16,690 households inside the City's corporate limits and 1,700 households in the City's Extraterritorial Jurisdiction (ETJ) as of January 1, 2019. The total number of households is 18,390. Staff should note that this query included all residential housing types (*i.e. multi-family, single-family, and group homes*) from the data sets.

## POPULATION

The City of Rockwall generally uses the North Central Texas Council of Government's (NCTCOG) population estimates as the City's official population; however, for the purposes of this planning study it was necessary to calculate a baseline population that was specific to January 1, 2019. This was also necessary in order to estimate the population of the City's Extraterritorial Jurisdiction (ETJ).

To calculate the population as of January 1, 2019, the City's Geographic Information Systems (GIS) Division utilized the following formula to derive the population estimate for each of the data collection zones:

$$\sum_{d=1}^{20} POP = ((a * o) * f)$$

*Where:*

*POP = Population as of January 1, 2019*
*$d$ = Land Use District*
*$a$ = Number of Residential Address Points in Each District*
*$o$ = Occupancy Rate [per U.S. Census Bureau]*
*$f$ = Density Factor per Census Block [U.S. Census Bureau]*

Using this methodology the base year population as of January 1, 2019 was established to be 44,575 residents inside the corporate limits and 5,041 people residing in the Extraterritorial Jurisdiction (ETJ).

## EMPLOYMENT

The base employment data was calculated using ArcGIS *Business Analyst*, which is software that provides location-based market information. Utilizing this tool, the City's Geographic Information Systems (GIS) Division was able to query employment and business information relating to each data collection zone (*i.e. Land Use District*). This information was then broken down into one (1) of the three (3) employment categories (*i.e. Basic, Service, or Retail*). Based on the analysis, the City's corporate limits were shown to have a total employment of 24,083 jobs on January 1, 2019. Of the total employment 2,505 jobs were classified as *Basic*, 12,403 jobs were classified as *Service*, and 9,175 jobs were classified as *Retail*. The Extraterritorial Jurisdiction (ETJ) was shown to have an additional 643 jobs, with 535 jobs being classified as *Service* and 108 jobs being classified as *Retail*. In addition, the GIS Division calculated the total non-residential building square footages (*i.e. improvements*) relating to all of these employment types at ~14,444,596 SF inside the City's corporate boundaries and Extraterritorial Jurisdiction (ETJ), with ~3,209,401 SF being classified as *Basic*, ~5,374,068 SF being classified as *Service*, and ~5,861,127 SF being classified as *Retail*. The total non-residential square footage of land area 139,424,433.67 (or 3,200.74-acres), with 11,967,581.81 SF being classified as *Basic*, 58,451,896.18 SF being classified as *Service*, and 69,004,955.68 SF being classified as *Retail*.

# TEN-YEAR GROWTH PROJECTIONS

## GROWTH ASSUMPTIONS

In this planning study, growth is characterized in two (2) forms: 1) Population (*i.e. residential land use*), and 2) Employment (*i.e. non-residential land use*). To calculate a reasonable growth rate for population and employment it was necessary for staff to make a series of assumptions on which to base the ten (10) year growth projections. These assumptions are summarized as follows:

- Future growth identified within this study will conform to the *Future Land Use Plan* depicted in the OURHometown Vision 2040 Comprehensive Plan.
- Infrastructure will continue to be development driven, and the City will continue to be able to finance any other necessary improvements needed to accommodate future growth.
- School facilities will continue to be sufficient to accommodate any increases in population.
- Densities will generally conform to the land classifications and *District Strategies* identified within the OURHometown Vision 2040 Comprehensive Plan, and as depicted on the Future Land Use Map.
- The residential and non-residential carrying capacity for the City or its *build out* will occur simultaneously.

The ten (10) year projections for population are based on the growth rate, which was previously discussed and staff's consideration of past development trends. The ten (10) year projections for employment are based on the overall carrying capacity for non-residential development compared to the current non-residential development in the City. *Tables 1 & 2* detail the ten (10) year projections for households, population and employment for the service areas associated with roadway and water/wastewater impact fees.

## POPULATION GROWTH RATE ANALYSIS

The City of Rockwall has experienced steady residential population growth (*see Figure 5*) over the last 18-years and -- *with the City being ~48.29% vacant and taking into account the City's current availability of water and wastewater infrastructure* -- staff anticipates that the population growth will continue to be fairly steady. It should be noted, however, that the City has seen a slight decline in the population growth percentage over the last five (5) years. From 2000 to 2018, the population growth percentage was 5.08%, but when looking at the last five (5) years this number drops to 1.79% (*see Table 3*).

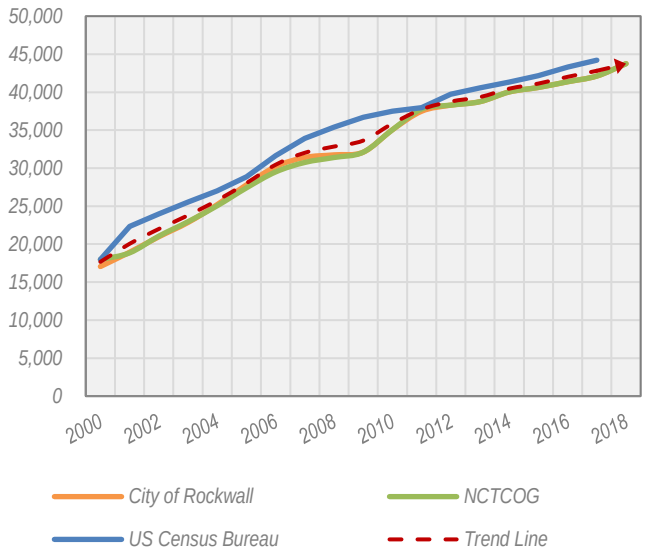

*TABLE 1: SUMMARY OF TEN-YEAR GROWTH (ALL ROADWAY SERVICE AREAS)*

| | 2019 | 2029 | Increase |
|---|---|---|---|
| Households | 16,690 | 22,135 | 24.60% |
| Population | 44,575 | 59,898 | 25.58% |
| Total Employment | 24,083 | 32,366 | 25.59% |
| Basic | 2,505 | 3,367 | 25.60% |
| Service | 12,403 | 16,669 | 25.59% |
| Retail | 9,175 | 12,330 | 25.59% |

*TABLE 2: SUMMARY OF TEN-YEAR GROWTH (WATER/WASTE WATER SERVICE AREA)*

| | 2019 | 2029 | Increase |
|---|---|---|---|
| Households | 18,390 | 26,609 | 30.89% |
| Population | 49,616 | 73,228 | 32.24% |
| Total Employment | 25,369 | 34,065 | 25.53% |
| Basic | 2,505 | 3,367 | 25.60% |
| Service | 13,473 | 18,082 | 25.49% |
| Retail | 9,391 | 12,616 | 25.56% |

*FIGURE 5: POPULATION BY AGENCY, 2000-2018*

To calculate the ten (10) year population projections, City staff utilized the *Compound Annual Growth Rate (CAGR)* method. CAGR allows for a general assessment of growth when considering periodic increases and decreases in residential

population growths that coincide with changing economic conditions. The formula for CAGR is as follows:

$$CAGR = \left(\frac{x}{y}\right)^{\left(\frac{1}{n}\right)} - 1$$

*Where:*
*CAGR = Compound Annual Growth Rate*
*$x$ = End Value*
*$y$ = Beginning Value*
*$n$ = Number of Years*

In 2007, a CAGR of four (4) percent was used to calculate the ten (10) year population projections; however, based on the five (5) year annual growth rate and the number depicted in *Table 3*, staff utilized a more conservative three (3) percent annual growth rate. In assessing the past growth rates, staff used several sources including the North Central Texas Council of Governments (NCTCOG), the U.S. Census Bureau, and the City of Rockwall. Based on a three (3) percent CAGR, the following chart shows the anticipated population growth over the next ten (10) years:

*TABLE 4: TEN (10) YEAR POPULATION GROWTH*
*This table shows the projected ten (10) year population growth at a three (3) percent Compound Annual Growth Rate (CAGR).*

| Year | Population |
|---|---|
| 2019 | 44,575 |
| 2020 | 45,907 |
| 2021 | 47,284 |
| 2022 | 48,703 |
| 2023 | 50,164 |
| 2024 | 51,669 |
| 2025 | 53,219 |
| 2026 | 54,815 |
| 2027 | 56,460 |
| 2028 | 58,154 |
| 2029 | 59,898 |

*TABLE 3: CITY OF ROCKWALL GROWTH RATES*

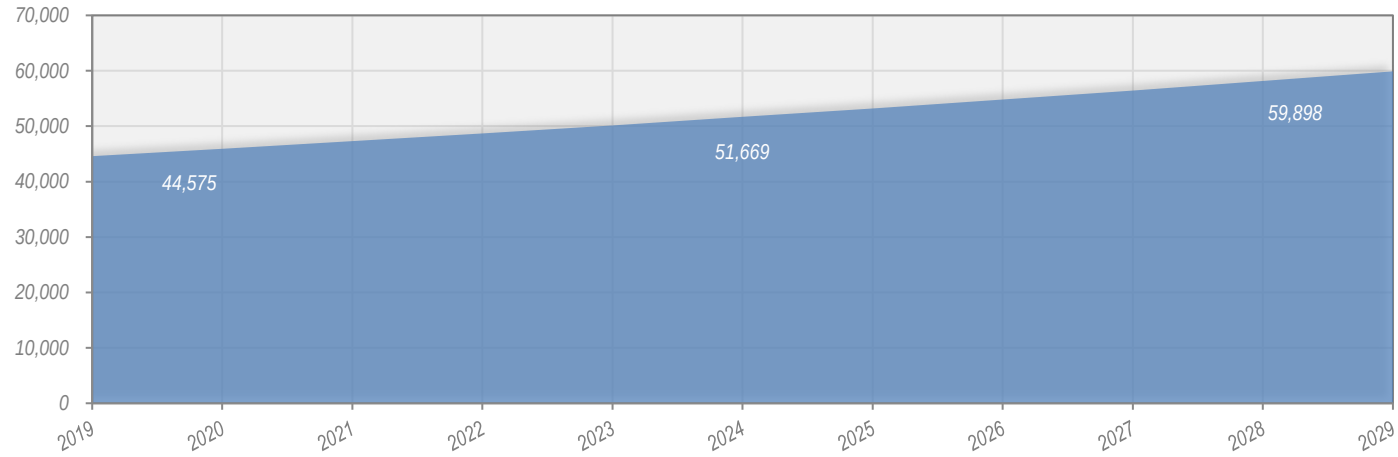
| Data Source | Growth Rate |
|---|---|
| *2014 – 2017 US Census* | *1.70%* |
| *2010 – 2017 US Census* | *2.08%* |
| *2000 – 2017 US Census* | *5.13%* |
| *2014 – 2018 Single Family Permits* | *1.82%* |
| *2010 – 2018 Single Family Permits* | *4.80%* |
| *2000 – 2018 Single Family Permits* | *-2.93%* |
| *Future Growth Projection* | *3.0%* |

## PROJECTED POPULATION FOR 2029

Utilizing the three (3) percent Compound Annual Growth Rate (CAGR) established in the previous section, staff projects that the population for the City will be 59,898 in 2029 (*see Table 4 and Figure 6*). This estimate does appear to be consistent with trends that have been observed at the county and regional level (*see Figure 7 for a comparison of the City's population growth versus the County's population growth*). Although, the growth rate has slowed over the last five (5) years this is seen as a temporary trend and not a sign indicative of the City's future growth trend.

In determining this population projection, staff observed how this projection would relate to the City's projected building permits, and the additional population added to the City on an annual basis (*see Table 5*). Taking this into consideration, the estimated average annual building permits anticipated over this time period is approximately 522. This represents a decrease of approximately 121 permits annually from the estimates completed in 2014. This estimate -- *while still likely high in some years due to shifts in market demand* -- is a more conservative estimate than what was used in 2014. It should be noted that this estimate takes into consideration the type of development likely to occur in a given area (*i.e. single-family or multi-family*).

*FIGURE 6: TEN (10) YEAR POPULATION GROWTH*
*This chart shows the projected ten (10) year population growth at a three (3) percent Compound Annual Growth Rate (CAGR).*



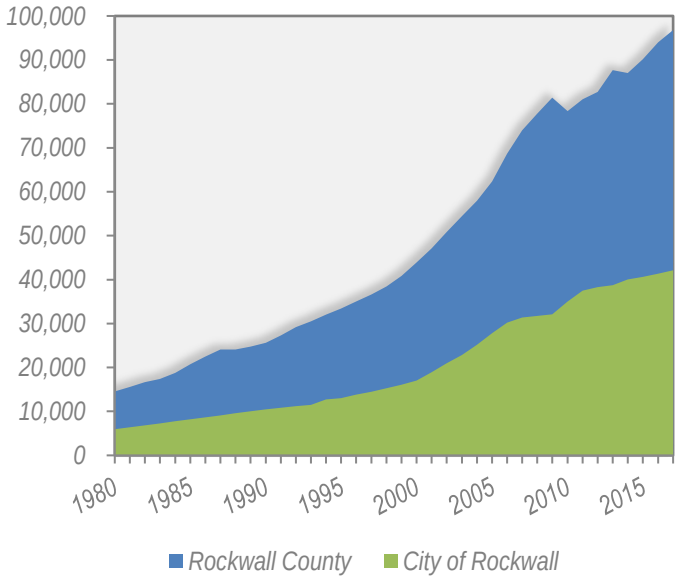


TABLE 5: PROJECTED BUILDING PERMITS

| Year | Population | New Residents | New Building Permits |
|---|---|---|---|
| 2019 | 44,575 | 825 | 294 |
| 2020 | 45,907 | 1,332 | 474 |
| 2021 | 47,284 | 1,377 | 490 |
| 2022 | 48,703 | 1,419 | 505 |
| 2023 | 50,164 | 1,461 | 520 |
| 2024 | 51,669 | 1,505 | 536 |
| 2025 | 53,219 | 1,550 | 552 |
| 2026 | 54,815 | 1,597 | 568 |
| 2027 | 56,460 | 1,644 | 585 |
| 2028 | 58,154 | 1,694 | 603 |
| 2029 | 59,898 | 1,745 | 621 |
| Average Number of Annual Permits: | | | 522 |

FIGURE 7: CITY POPULATION VS COUNTY POPULATION, 1980-2017

## PROJECTED EMPLOYMENT FOR 2029

Employment data for the year 2029 was calculated by taking the information established in the base year analysis -- *which was obtained through the ArcGIS Business Analyst tool* -- and the corresponding ratio of employment to population, and extrapolating this information out to January 1, 2029. These estimates are summarized in Appendix C, *Employment Breakdown by Roadway Service Area*, and Appendix D, *Employment Breakdown by Water/Wastewater Service Area*.

# BUILD OUT ANALYSIS

A *Build Out Projection* for a city (also referred to as the city's *Carrying Capacity*) is an estimate of the location and density of all potential development, employment and population that a city can support within its future corporate boundaries.

## ESTABLISHING HOUSEHOLDS AND POPULATION AT THE CITY'S BUILD OUT

As part of the newly adopted OURHometown Vision 2040 Comprehensive Plan, City staff calculated the number of households and residents at *Build Out*. In establishing the City's households and population at *Build Out* staff made the following assumptions:

- All vacant or undeveloped land within the City's corporate boundaries will develop with the maximum density permitted for the current zoning per the Unified Development Code (UDC).
- All Agricultural (AG) District property is assumed to be vacant or undeveloped and will develop at the maximum density permitted in accordance to the property's' designation on the Future Land Use Map contained in the OURHometown Vision 2040 Comprehensive Plan.
- All property within the Extraterritorial Jurisdiction (ETJ) is assumed to be vacant and will be developed in conformance with the Future Land Use Map at the maximum density permitted by the OURHometown Vision 2040 Comprehensive Plan.
- The City's ETJ is fixed and will not increase in the future.

Taking these assumptions into consideration, staff utilized Geographical Information Systems (GIS) software to calculate all the undeveloped land within the city's corporate boundaries, including the ETJ. Once calculated the acreages were broken down by land use and multiplied by the maximum density permitted for each of the land uses as established within the Unified Development Code (UDC) and the Comprehensive Plan. These totals were then multiplied by the average people per household [*i.e. 2.81 per the US Census Bureau*] to establish the unadjusted population at *Build Out*. Staff then reviewed the projected densities coupled with current land use patterns, and adjusted the numbers to account for known or anticipated development activity. Based on the final *Build Out* population (*i.e. 149,525*), staff projected the population forward using the previously established three (3) percent Compound Annual Growth Rate (CAGR) [*see the Ten-Year Growth Assumptions section*] until the build out population was reached (*see Table 6*). This established a build out year of 2060. The following formula lays out the methodology used to calculate these numbers:

*TABLE 6: PROJECTED POPULATION @ 3% COMPOUND ANNUAL GROWTH (CAGR)*

| Year | Population | New Residents |
|---|---|---|
| 2018 | 43,750 | 1,630 |
| 2019 | 44,570 | 820 |
| 2020 | 45,907 | 1,337 |
| 2021 | 47,284 | 1,377 |
| 2022 | 48,703 | 1,419 |
| 2023 | 50,164 | 1,461 |
| 2024 | 51,669 | 1,505 |
| 2025 | 53,219 | 1,550 |
| 2026 | 54,815 | 1,597 |
| 2027 | 56,460 | 1,644 |
| 2028 | 58,154 | 1,694 |
| 2029 | 59,898 | 1,745 |
| 2030 | 61,695 | 1,797 |
| 2031 | 63,546 | 1,851 |
| 2032 | 65,453 | 1,906 |
| 2033 | 67,416 | 1,964 |
| 2034 | 69,439 | 2,022 |
| 2035 | 71,522 | 2,083 |
| 2036 | 73,667 | 2,146 |
| 2037 | 75,877 | 2,210 |
| 2038 | 78,154 | 2,276 |
| 2039 | 80,498 | 2,345 |
| 2040 | 82,913 | 2,415 |
| 2041 | 85,401 | 2,487 |
| 2042 | 87,963 | 2,562 |
| 2043 | 90,602 | 2,639 |
| 2044 | 93,320 | 2,718 |
| 2045 | 96,119 | 2,800 |
| 2046 | 99,003 | 2,884 |
| 2047 | 101,973 | 2,970 |
| 2048 | 105,032 | 3,059 |
| 2049 | 108,183 | 3,151 |
| 2050 | 111,429 | 3,245 |
| 2051 | 114,771 | 3,343 |
| 2052 | 118,215 | 3,443 |
| 2053 | 121,761 | 3,546 |
| 2054 | 125,414 | 3,653 |
| 2055 | 129,176 | 3,762 |
| 2056 | 133,052 | 3,875 |
| 2057 | 137,043 | 3,992 |
| 2058 | 141,154 | 4,111 |
| 2059 | 145,389 | 4,235 |
| 2060 | 149,751 | *BO:* 149,525 |

$$BO = P + CP + EP$$

$$CP = (\sum[(LU_1 xD_1) \dots (LU_x\, xD_x)]\,) x\ AHS$$

$$EP = (LDR\ x\ 2.5) + (MDR\ x\ 3.5) + (HDR\ x\ 5)$$

*Where:*

*$BO$ = Build Out Population*
*$P$ = Population as of January 1, 2019*
*$CP$ = Population of Vacant or Undeveloped Land in the City Limits*
*$EP$ = Population of Vacant or Undeveloped Land in the ETJ*
*$LU$ = Vacant Available Land Inside the City Limits for a Land Use*
*$D$ = Maximum Density Permitted for a Land Use per UDC*
*$AHS$ = Average Household Size [2.81185 per US Census Bureau]*
*$LDR$ = Low Density Residential Acreage Available in ETJ*
*$MDR$ = Medium Density Residential Acreage Available in ETJ*
*$HDR$ = High Density Residential Acreage Available in ETJ*

## ESTABLISHING EMPLOYMENT AT THE CITY'S BUILD OUT

To calculate employment at *Build Out*, staff utilized the employment numbers calculated with the base year analysis, and -- *based on the estimated current year population* -- calculated ratios between employment and population for the City and its Extraterritorial Jurisdiction (ETJ). These ratios were then used to extrapolate the number of employees for basic, service and retail sectors for the ten (10) year and build out projections.

# SUMMARY

The following is a summary of staff's findings when preparing the *Land Use Assumption Report* in preparation for the update of the Roadway, Water and Wastewater Impact Fees for 2019:

- The average annual growth rate as calculated by staff is three (3) percent. This growth rate was established based on data from the US Census, North Texas Council of Governments (NCTCOG), the City and County of Rockwall. Using this growth rate staff projected the following population numbers:
  - The population of the City of Rockwall as of January 1, 2019 was 44,691. This is expected to increase by 25.39% in the next ten (10) years to an estimated 59,898 by January 1, 2029.
  - The population for the City of Rockwall and its Extraterritorial Jurisdiction (ETJ) as of January 1, 2019 was 49,743. This is expected to increase by 32.07% in the next ten (10) years to an estimated 73,228 by January 1, 2029.
- The estimated employment for the City of Rockwall as of January 1, 2019 was 24,083 jobs, with another 1,286 jobs existing within its Extraterritorial Jurisdiction (ETJ). Staff estimates this number to climb to 32,366 jobs within the current city limits, and another 1,699 jobs within the current Extraterritorial Jurisdiction (ETJ) by January 1, 2029.
- Staff has established that there are currently 8,204.17 undeveloped acres of land within the city limits. This represents ~48.29% of the current land in the City. Additionally, the City of Rockwall has access to another 14,083.24-acres of land within its current Extraterritorial Jurisdiction (ETJ). Approximately 75.11% (10,577.67-acres) of the land within this area is vacant.
- According to staff's estimate, the City of Rockwall is expected to be built out in the year 2060, with a total population of 149,525.

# APPENDIX A: SUMMARY OF ROADWAY SERVICE AREAS

## SERVICE AREA 1

| | ESTIMATES (JANUARY 1, 2019) | | | PROJECTIONS (JANUARY 1, 2029) | | | BUILD OUT PROJECTIONS (2060) | | |
